Mr. Ward - It relates
to the Musical Album but
chiefly is filled with a
but more mention of
Bp. Chase

My dear Lord -
June 4. 1834

I have been too long in
thanking you for the very interesting
letters you sent me, they are so
interesting that I cannot part with
them yet, but I hope before long
to return them to you - I expect
to go to Putney for one day on
Monday, & may perhaps prepare
another packet to send by, or leave
with, Miss Wood, who I suppose is
still there. - Some months ago
I ventured to write myself to Bishop
Chase, and gave him an account
of

a little Society for English friends
and Colonial Settlers, for collecting
valuable information both for the
benefit of the members themselves
and for Settlers abroad. The plan
is to arrange any thing that is worth
preserving into the form of an Album
or very short periodical paper, and
thus to keep up a mutual interest
between the Colonies & the Mother Country.

from what I saw of Bishop Chase
I felt as if his mind would catch
the intention, and having alluded
to it in my letter ^{to him}, I venture to send
you No 1 of the Annual Album, written
upon large paper & with one page
clear that you may send it to him
in the form of a letter & write upon the

turnings down - of double postage will
not be the consequence of enclosing this
note, ^{to him within the Album} I should like him to see it, in
order to save you the trouble of
telling him that No 13 contains a little
map of the United States, and the beginning
of the Memoir of his own life which
was given to me by Mrs Garrison. it
reaches only to the Appeal for Ohio,
which I have, & from which I hope
to continue the interesting history
& bring it down to the present time
by the help of your letters - I have
been so afraid of putting this revered
servant of ^{the} Lord, to unnecessary
expense that I have checked myself
in writing to him, but if you will
give me leave to send the numbers
to you by express, I shall have great
pleasure in doing so. and you can

perhaps forwarded them as you
have opportunity — If this should
be attended with any difficulty to you
I have lately become acquainted
with an American lady ^{Mrs Ward} who would
in future take charge of the papers
if you will ~~will~~ ^{forward} what I now send.

I beg my kind regards to Mrs Ward
and your daughter

Believe me

My dear Lord

Yr obliged & affect

Anne Lyndale.

My usual address is, you know, Holton
Wheatley Oxon. but for the next few weeks
I shall probably be moving about and
Lord Ripon will kindly forward my
letters.

I must tell you that the Album is copied
by a little nephew of mine only eleven years
old who is going out with all his family to
the Nilgerry Mountains East Indies, & fancies he
shall become a Settler there.
