Pep Rally Planned For Friday Evening

A giant pep rally, complete with a bonfire, with Don Kellett as the principal speaker, has been planned for Friday evening after dinner on the north side of the hockey field. All freshmen must attend.

The committee, headed by James Lyons '40, and Sara Hallman '40, is composed of "Bunny" Harshaw '40, Betty Snyder '40, Julia Hogg '42, Idamay Scott '41, Harry Byrne '40, Robert Landis '40, Frank Wood '41, Charles Bowen '41, Irving Gerson '40, Roy Heyen '40, Charles Bonos '40, and Kenneth Fisher '40. Some further plans of the committee are the following:

A proposed round trip, via bus, to the Army football game, scheduled for October 28. Persons interested should see any member of the committee.

The erection of a new booster sign to adorn the front of Brodbeck Dormitory.

The sale of flags with Ursinus colors to townspeople of Collegeville, to be displayed on days of home football games.

Dipping into the future—another gala "Booster Show" in the gym next Spring, probably in February. Students who were here last year will remember how the melodrama "He Ain't Done Right By Nell," starring Charles Steinmetz '40, laid 'em in the aisles" last Spring.

Old Timers' Day Dance Will Be Held October 21; Keehn Heads Committee in Charge

Old Timers' Day Dance will be sponsored jointly this year by the Varsity Club and the Student Councils. It will be held in the Thompson-Gay Gymnasium, Saturday, October 21. Admission price is \$1.50 per couple.

Though the orchestra for the evening has not been definitely decided upon, the committee announces that the decorations are to be very subdued.

The chairman, Robert Keehn '40, is being assisted by the following committee: Ed Thompson '40, Harry Showalter '41, Alvan Brick '42, Elizabeth Lawton '40, and Susan Reed '42.

Party in Gym Features Freshman Week; M. Witmer Prepares Neophytes' Handbook

Ursinus welcomed freshmen for another year with the annual banquet held Monday evening, September 25, in Freeland Hall. Addresses were delivered by President Norman E. McClure, Dr. Whorton A. Kline, Dean, and Miss Camilla B. Stahr, Dean of Women.

The reception sponsored by the Student and Christian Associations brought to a successful close that part of the school year known as Freshman Week. Professor John Hunt, of Haverford Preparatory School, was in charge of recreation, and supervised the games for the evening. Prof. Hunt is well-known as a recreational leader.

Student organization heads were introduced by a new game for which a prize was offered. Members of each class were designated by colored ribbons worn on name cards; red for seniors, blue for juniors, yellow for sophomores, and green for freshmen. Music for the dancing which followed was furnished by records. Winfield Smith '41, designed the Ursinus seal displayed on the stage.

ATTENTION, OLD TIMERS!

Put a circle around October 21 on your calendar—that's the day of the annual Old Timers' Day dance, when you'll want to come back and renew old acquaintances.

Walton's Orchestra Will Play for Harvest Hop

Clyde Walton's orchestra, a favorite with Ursinus dancers for several years, will play for the "Harvest Hop" on Saturday, October 7, in the gymnasium. This dance is the first of two such affairs to be held during the current football season.

The orchestra, which played at several of last year's most successful dances, promises a variety of new arrangements that are designed to attract all dancers, be they jitterbugs or dreamy waltzers. The "Harvest Hop" is one of the first dances on Clyde's Fall schedule, following a successful summer season.

A committee consisting of Fred Weiland '41, chairman, Frank Wood '41, Kenneth Snyder '40, Frank Meade '40, Marion Simpson '40, and Althea Lotz '41, has completed most of the preliminary arrangements.

Chairman Weiland has announced that dress and atmosphere will be characterized by an air of collegiate informality typical of the Fall sports season.

Tickets will be on sale early this week, and admission charge is \$1.00 per couple.

Council on Student Activities Will Meet Tonight; Brownback Elected Pres. of Organization

Dr. J. Harold Brownback was elected President of the Council on Student Activities at a meeting held last Wednesday noon. Dr. Brownback's election took place after the council had accepted the resignation of Prof. M. O. Bone.

The Council decided to enforce rigidly the "Thursday night rule", which prohibits any body other than the musical organizations to meet on that night. At the same time, it was decided to include Friday nights in the social calendar because of the increasing number of extra-curricular activities.

Dr. Brownback stressed the fact that all organizations desiring to reserve a time for meeting or holding any activity must first have the date approved by the Council.

The Council will meet tonight at 7:30 in Room 7, Bomberger. All organizations should have a representative at this meeting.

Prexy States Three - Fold Duty Of College Student

Stating the three principal duties of the student to his college, society, and himself, President Norman E. McClure officially opened the seventieth academic year of Ursinus College last Thursday morning in Bomberger Chapel.

Dr. McClure declared that it is the student's duty to do the best academic work of which he is capable; to be a good citizen of the college community; and to try to develop a sense of values.

While emphasizing the importance of academic work, Dr. McClure did not minimize the place of extra-curricular activities in the student's program. "For the socially ill-adjusted they have distinctively therapeutic values," he said, "and for the normal student they can hasten self-mastery and self-knowledge."

"If properly managed, and if held within proper perspective, they can make a valuable contribution to the student's development. But the idea that a college student derives more benefit from participation in extra-curricular activities than he does from his studies is one of the strange delusions that mislead the uninformed."

Speaking of the student's duty to the college community, Dr. McClure said, "You must be a good neighbor; each of you must respect the personality of your fellow-student, his rights and privileges. It is easy to forget this. The thoughtless disregard of the rights of others can make a year unpleasant or even tragic for some student who is reluctant to complain."

Dr. McClure stressed the importance of associating with the "best men" as a means of acquiring a sense of values. "If you meet those who are idle, ill-tempered, selfish, cynical, dishonest—be sure that they cannot help you to answer this all-important question of what in this world is of most worth. Safer guides than these are the cheerful, competent, generous, kindly people that you will meet every day."

Tryouts for Membership in Curtain Club Scheduled for Tuesday Evening in Bomberger

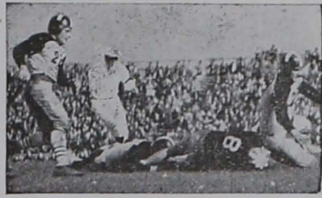

Tryouts for membership in the Curtain Club will be held tomorrow evening at 7 o'clock in Bomberger, according to Dr. and Mrs. Reginald S. Sibbald, Curtain Club coaches.

Each person trying out will present a reading or recitation approximately three minutes in length. Both freshmen and upperclassmen are invited to try out, either singly or in groups.

Applicants for committee work in the organization should hand their names to any member of the club, which is headed by Frances Thierolf '40.

Bear Football Team Loses Opening Game to Lafayette, 33 - 0

WEEKLY SPORTS

 * Harry Atkinson *
 * Looks 'Em Over *

College life begins anew, but it was the same old story at Lafayette. The Leopards, however, are a couple notches higher than the Bears on the football ladder, so it was no fair test for Don Kellett's club.

The new single wing formation plus performances by Bill Flynn, Al Tkacz, and Fred Binder got the word of approval from the Easton press box occupants.

A stay of the whistle at the half would have meant a tally for the Bears, who could smell the goal line at the time.

The rest of the afternoon all they smelled was the leather of Lafayette heels.

Sieb's crop of Freshmen look like the drought may be over in a year or so.

The enterprising tomato sales campaign last week subtracted another half inch from Stinky's waning hair line.

Ray Gurzynski passed up a contract with the formidable Wilmington Clippers to spend more time on his teaching job in Norristown.

The season's first swing fest is carded for the Gus Johnson Ball Room Saturday eve with the Varsity Club and Student Councils both getting a cut in the swag.

Delaware's Blue Hens supply the next attraction and (quote) the Bears will be looking for vindication for last year's stunning upset (unquote).

Will Power's sister is in line for a job on Miss Snell's hockey battalion, and if her hockey stick is as educated as her brother's toe, some of the veterans will be sitting the games out.

Hash took the back-to-the-farm movement seriously and will till a few Rahns acres.

Tadley Obtained as New Ursinus Athletic Trainer

James T. "Jim" Tadley was recently engaged as trainer for the Ursinus athletic teams for the coming seasons. Tadley was added to the athletic staff after a conference between Dr. John B. Price, school physician, and College officials.

The new trainer is the trainer for Connie Mack's Philadelphia Athletics baseball team and joined the Ursinus staff today after the termination of the baseball season yesterday. He will stay with the Bear teams until the Athletics go to California next Spring for pre-season work-outs.

Tadley has had years of experience in caring for athletes, having served as trainer for the Philadelphia Racquet Club until he joined the A's two years ago. He also trained the United States Davis Cup tennis team with such stars as Don Budge, Gene Mako, Frank Parker, and many others under his wing. Being well versed in muscular ailments and bone injury, Tadley should be a great asset to the Ursinus athletic set-up. He will reside on the campus and be on hand at all times.

Coach Pancoast Drills Bumper Crop of J. V.'s

Coach Sieber Pancoast was greeted by the largest J. V. squad in the history of Ursinus College when he called practice on Friday.

Even more gratifying to the popular mentor was the size of the yearlings. The average weight of the team will be around 180 pounds and he will be able to get together a forward wall that should average around 190.

Added to the large turnout of freshman were a number of upperclassmen that have been working out with the varsity until J.V. practice was called.

Among the most promising are Al Berman, of Perkiomen School; Joe Irvin, of Gloucester H. S., N. J.; Walt Peterson, Frankford High, Phila., and Paul Augustine, Mt. Vernon High, N. Y. They are all backfield candidates and in practice show promise of developing into a strong quartet.

Bear Soccermen Play Girard to 0-0 Deadlock

Displaying a rugged and spirited brand of ball, the Ursinus College soccer team fought a more experienced aggregation from Girard College to a scoreless stalemate on the Collegeville turf last Saturday. Two bitter extra periods were played in attempts to break the tie, but neither team was able to break through the impregnable defense of the other, and the Bakerites had to content themselves with a draw.

Suffering from the loss of seven stars of last year's team, Ehret, Davis, LeCron, Shuster, Edwards, Fohl, and Keehn, "Doc" Baker has been forced to rely upon new men, and he hopes to smooth out the rough spots before the all-important game with Temple next Saturday.

Hockeyites Anticipate Another Banner Year

Miss Eleanor Snell's field hockey team looks set for another great season according to pre-season indications. A big turnout of hold-overs from last year and a few freshmen have been working out daily in preparation for the opener this Saturday.

Miss Snell's sticksters will again have "Squeaky" Von Kleeck and "Nat" Hogeland up front in the scoring slots, which in itself gives the team a great scoring punch. That pair was responsible for practically all the scoring last year and, with "Nat" having had a year of varsity experience, should really go places this season.

Captain Jane Roberts, senior veteran, will again be stationed in her defensive post along with "Bunny" Harshaw. The only freshmen who may break into the lineup are Betty Power, sister of Bill Power, all-around athlete of Ursinus before his graduation last year, and June Landis. Last year "Nat" Hogeland scintillated as a freshman for the Ursinus hockeyists and continued the precedent of a freshman always starring in her first year.

Maroon Squad Piles Up Six Touchdowns Against Fighting Grizzly Eleven

Hopelessly outclassed by the smooth-running Lafayette team, the Ursinus Bears went down in defeat Saturday to the tune of 33-0 before 6,000 fans at the Easton stadium.

The Maroon scored almost at will in the second half due to the inexperience and lack of reserve of a tired but fighting Bear eleven. Ursinus made a surprise showing throughout the first period, displaying a spirit that more than made up for their woeful shortage of strength.

Al Tkacz was especially outstanding for the visiting team, uncorking passes that were practically the only available offensive of any import. Flynn and Hearey took running and plunging honors.

In the line, Armstrong and Binder both turned in excellent performances that more than once held the Lafayette charges to a standstill.

For Lafayette, Moyer was outstanding with two touchdowns. Schultz, Ferrell, and Allen each accounted for one. Bellis converted twice and Love once.

The Grizzlies' only scoring possibility came late in the second period when passes by Tkacz and Dawson and plunges by Hearey brought the ball to the Leopards' 5 with seconds to play. A short pass picked up two yards and the half ended. The struggle seemed to take much from the Ursinus team, because in the second half a fresh Maroon squad found little opposition in its regular goalward marches.

Prospects loom a little brighter for this Saturday's game with Delaware at 2:30 on Patterson Field. The Bears have not forgotten last years upset staged by the DuPont State U. and are out for blood. Coach Kellett has observed his boys in action and, with a few changes in the starting lineup the Grizzlies should chalk up their first victory in two seasons.

Grid Prognosticator Gazes into Hazy Future, Goes Out on Limb to Predict Two 'Sinus Victories; Revenge on Delaware Listed to be First Victory of Rejuvenated Grizzly Team This Week

By Harold Chern

Looking over the Bear prospects for the coming gridiron season, the view looks none too bright. Any chance of turning in a sensational record appears as an impossibility, and the important thing at the moment seems to be an improvement over last season.

Following along the line of an improvement over last year opens up a brighter view. Football in 1938 proved a bitter experience to Kellett's gridders—and with that statement we'll forget 1938, except for comparisons, and turn to this season.

Up to date the Bears have played only one game, and in that they were outclassed by Lafayette, 33 to 0. Last year the score was 39 to 0—a difference of only one touchdown. But the improvement in the Ursinus team was better than the

score seems to indicate. No one can deny that the Bears showed up far better in this year's game than in 1938.

So, using pre-season practice and the Lafayette game to judge, we'll try to line up prospects for the rest of the schedule.

Glancing through the games remaining, it appears that the Bear's pigskin prospectus shows two wins and four defeats, with one game in doubt.

This coming Saturday the Blue Hens of Delaware will open their campaign against the Bears on Patterson Field, and at this point we're pulling for and predicting Kellett's first victory as head coach. Surely the Bears haven't forgotten the bitter surprise Delaware handed them last year. With that 12 to 9 defeat in mind our team should go to town. At the very least the game will prove a trial of

the Bears' strength. We'll see if the line has the punch to open holes for the backs, and if the line does open the holes, we'll find out whether or not the backs have the kick to drive through for gains.

Following Delaware the Bears play host to P. M. C. and Muhlenberg on successive Saturdays.

Both of these teams showed plenty of power during the past week-end, and the chances for victory over either of them looks slight.

On the twenty-eighth the Grizzlies travel to West Point. Even the most optimistic rooster can hardly hope for any success against the Army Mule. The Bears are undoubtedly running into a team far above their class.

In November the season winds up against Drexel, Gettysburg, and Franklin and Marshall. While F. and M. looks to be a sure winner

over the Bears, the Drexel and Gettysburg games might offer a little sunshine to Ursinus.

The Drexel game at Philadelphia looms as an even match with a good possibility of a Grizzly victory. The Dragons aren't any too hot at this writing, and an improving Ursinus squad might very well knock them off.

Gettysburg, by virtue of its 6-0 victory over Bucknell, seems to rate much stronger than Kellett's gridders, but nevertheless we rate this game as a possible upset. Year after year the Bears seem to have a knack of playing their best ball against the Bullets. Last year the Bullets were favored to win easily, but were pushed to the limit to win 19-12. Two years ago the Bears traveled to G-burg and returned with a 15-0 upset. This may prove to be another upset year.

Predictions usually stand on wobbly legs, and often crumble quickly. So we're not expecting these to stand for long. But when these predictions do fall we're looking forward to seeing them fall toward the sun rather than the shade.

Two Ursinus Students Attend Lutheran Conf. During Summer

Lee Weber '42, and Elizabeth Seidle '39, attended a conference at Lenoir Rhyne College in Hickory, North Carolina, from August 21 to 27, representing Ursinus at the Fourth Annual Ashram of the Lutheran Student Association of America.

The theme of the 1939 Ashram was "Faith For Our Day". Each morning the Ashram divided into twelve groups for informal discussion under student leadership; afternoons were spent socially.

A Lutheran Student Organization is being organized on campus and information can be obtained from Lee Weber about it.
