## Kellett's Gridders Victorious over Delaware

### Biscotte's Placement Kick In Third Period Gives Bears First Triumph of '39 Season

By Harold Chern

"Nick" Biscotte put himself in the hero class and Don Kellett's Bears in the win column by booting home a perfect sixteen-yard place-kick to down the Blue Hens of Delaware, 3 to 0, on Patterson Field, Saturday.

Biscotte's kick, coming in the middle of the third period, climaxed a game which saw the Grizzlies, sparked by their running back, "Toy" Dawson, completely outplay the Blue Hens from Delaware.

#### First Quarter

The opening quarter found the Grizzlies on the offensive and in Blue Hen territory for practically the entire fifteen minutes. Only bad breaks kept Kellett's men from cashing in an early score.

With barely five minutes of the period gone, Al Tkacz took a Delaware punt on the Ursinus thirty-five and returned brilliantly to the Blue Hen twenty-five, only to fumble after being hit hard from the side. Thus the first Ursinus threat slipped away.

Coming back toward the end of the period, the Bears again started toward a score, only to be halted by another fumble. Taking the ball at midfield, the Bears marched to the eighteen before losing the ball.

#### Second Quarter

In this period the Bears continued to shove the Blue Hens of Delaware all over the lot. Dawson, now playing left half for Ursinus, kicked, passed, and ran the ball deep into Delaware territory, but the Bears still lacked the scoring punch and the end of the half found them twenty-four yards from scoring territory.

#### Third Quarter

In the third quarter the Bears, still led by Dawson, marched deep into Delaware's territory, and when once more the Blue Hens held with their goal line in sight, Biscotte stepped in with his game-winning boot.

(Continued on page 4)

### Snyder Speaks at First Vespers Program of Year Sunday Night

The Student Christian Organization presented the first Vesper service last evening in Bomberger Hall. The President of the Y. W. C. A., Dorothy Reifsnyder '40, introduced her co-worker, Kenneth Snyder '40, President of the Y. M. C. A., who welcomed the students in his address. Roy Snyder '41, led the singing.

The Vesper committee, composed of Ernest Muller '40, Robert Yoh '40, Sarah Sadler '40, and Joyce Lownes '42, plans to present prominent outside speakers as well as students to participate in the programs, which will be held twice a month.

#### RUBY SITTINGS

Ruby sittings for seniors and juniors will be held in Rec Hall, October 16-20. Seniors must pay a \$1.50 sitting fee. A schedule for sittings will be posted this week.

Senior men will wear white shirts, ties, and coats, Senior women, sweaters, Junior men wear open white shirts and Junior women will be draped.

### Pre-Legal Society Will Hear Willauer

Philip B. Willauer, Ph.D., former member of the Ursinus political science department, will speak to the Pre-Legal Society on Monday, October 16, at 8:00 p. m. in Freeland reception room.

Dr. Willauer, who graduated from Ursinus in 1930 and received his Ph.D. from the University of Pennsylvania in 1938, was a favorite professor among the students.

After being graduated from Ursinus he studied at Clark University, receiving his A.M. in 1931. He then became an assistant in History and International Relations for the year 1930-31 at the same university. In 1931 Dr. Willauer became a member of the Ursinus faculty, teaching courses in political science and sociology until 1938, when he accepted a position with the Duane, Morris, and Heckscher law firm in the Land Title Building, Philadelphia.

Dr. Willauer addressed a capacity audience at the Ursinus forum last April 12 on the topic, "Is the American Democracy Menaced?"

Not only the members of the Pre-Legal Society, but all persons interested, are invited to hear him next Monday.

### Debate Club Tryouts in Freeland Hall Tonight

Tryouts for new members of the Men's Debating Club will be held in the Freeland reception room this evening at 8:00. President Charles Barnes '40, will preside at the meeting.

Each candidate has selected a topic on which he will speak for three minutes or more before members of the club, who will act as judges. Those selected for membership will be inducted at the next regular meeting, scheduled for October 23.

The Cabinet of the Debating Club has organized the complete schedule of debates for the coming year. In addition to the President, the cabinet includes Secretary Denton Herber '42, and Manager Joseph Dubuque '41.

A committee has been appointed to stimulate student interest in debating by means of publicity through use of posters and notices announcing all home debates. This policy has been formulated by Dr. Harvey L. Carter, advisor, along with the Cabinet.

This year the Men's Debating Club will engage in three radio debates and three four-day trips in addition to about thirty regular intercollegiate debates. The trips planned include one through Central Pennsylvania, one through Southern Pennsylvania and Maryland, and one through the New England States. Debates with other campus organizations on topics of campus interest are also being planned.

#### FATHERS' DAY BANQUET

Reservations for the Fathers' Day Banquet next Saturday evening at 6:00 p. m. must be made before 5:00 p. m. this Wednesday, October 11, in the Registrar's Office. The price is seventy-five cents.

### Dr. William Volbrecht To Address Wed. Forum

Dr. William Volbrecht, who will be the first Forum speaker in Bomberger Hall this Wednesday at 7:30 p. m., had an exciting and informing visit in Europe this summer.

Like many other Americans abroad, he was on the sea when war was declared. He had sailed from Hamburg, Germany, only to return when the boat was recalled by the German government. At Hamburg the passengers were given a limited time to leave the country for Copenhagen, Denmark.

At the Forum, he will talk on "An Account of An Eye Witness of Europe on the Brink of Tragedy." Dr. Volbrecht received his A.B. and B.S. degrees at Northwestern University and his Ph.D. from the University of Pennsylvania. He now is Professor of Social Studies at West Chester State Teachers' College.

### Music Department Has New Recording System

Musical events at Ursinus can now be preserved for the future on records. Dr. William F. Philip, Director of Music, announced Thursday that he had obtained the newest apparatus perfected by the Radio Corporation of America, and he would make it available to the College.

The recording set, the first one obtained by any college, is the same type as that used for transmitting to RCA-Victor records in the plant and the broadcasting company. With the improved features of an overhead unit of recording, a speed and pitch adjuster, as well as a volume adjuster, the instrument offers tones undistinguishable from those of a radio. Crescendos are more vivid and orchestral units quite distinct, so that the listener is unaware that the music is being reproduced, not transmitted directly.

To enhance the records to be made a blending unit is being specially built for three microphones, which can then be regulated separately. This addition and a special three hundred foot cable will be ready for use when the Music Department presents Handel's "Messiah" in December in Bomberger Hall.

### Curtis Inst. Quartet to Play November 16 in Bomberger Hall

The Curtis String Quartet of Curtis Institute in Philadelphia will present a program of music in Bomberger Hall, November 16, it was announced by President Norman E. McClure last Thursday.

There will be no admission price for the concert, which is being presented by the Administration.

## Len Mayfair's Orchestra Will Play for Old Timers' Dance

### Atkinson, Lawrence Head Sr. Week-End

Harry Atkinson '40, will serve as chairman of the Senior Ball Committee, and Rollin Lawrence '40, will head the Senior Play Committee for the Senior Week-End, scheduled for December 8-9, it was announced today by Mark Alspach, President of the Class of 1940.

Other members of the Ball committee include: Hugh McLaughlin '40, Charles Barnes '40, Richard Frohner '40, Paul Wilson '40, Betty Usinger '40, Lucia Citta '40, Betty Trout '40, Frances Thierolf '40, and Dorothy Reifsnyder '40.

Serving on Lawrence's committee will be Edna Hesketh '40, Marthella Anderson '40, and Kenneth Snyder '40.

Charles Bonos '40, will be in charge of publicity for Senior Week-End, assisted by Lois Taylor '40, Jane Roberts '40, Madge Harshaw '40, and Charles Steinmetz '40.

### Cooperation Is Keynote Of Y's, Student Councils

To consolidate organization and encourage a finer campus spirit, Lois Taylor '40, and Charles Steinmetz '40, Presidents of the Women's and Men's Student Governments and Dorothy Reifsnyder '40, and Kenneth Snyder '40, Presidents of the Student Christian Associations announced this week a new plan for cooperation and "joint action" between their respective organizations.

This plan, approved by the administration, will divide their fields of activity into three broad divisions. In this the Councils, as heretofore, will act in their judiciary capacities and be the connecting link between the administration and students. Secondly, the Christian Organizations will further develop their religious activities, and thirdly, the Councils and the "Y's" jointly will put on all social and recreational affairs which in preceding years were divided between the two. In the first two instances both organizations, although functioning separately, will attempt to cooperate as much as possible.

The details of these plans were worked out this summer in several conferences held by the four presidents and the plan itself resulted after they had made a study of the internal problems of the campus last Spring.

Len Mayfair and his orchestra, featuring Kitty Brooks, vocalist, have been chosen by Robert Keehn '40, and his committee to play for the Old Timers' Day dance on October 21 in Thompson-Gay Gymnasium.

Mayfair played at the Gateway Casino, Somers Point, New Jersey, for two seasons and is well-known among Ocean City vacationers. He has also filled engagements at Bud Lake, New Jersey, Swarthmore and Haverford Colleges, and at other dances in the Philadelphia area.

Tickets for the dance, to follow the Varsity Club theme of athletics, will be on sale at \$1.50 starting today. Other members of the committee are Edward Thompson '40, Harry Showalter '41, Alvan Brick '42, Elizabeth Lawton '40, and Susan Reed '42.

Dr. and Mrs. George W. Hartzell, and Mr. and Mrs. Kenneth A. Haschagen will chaperon the dance.

### Prof. Karl Agan to Speak at Banquet

Prof. Karl E. Agan, Vice-Principal of Chester High School, will be the guest speaker for the annual Fathers' Day Banquet in Freeland Hall this Saturday at 6 p. m.

Preceding the banquet the students will entertain their fathers at a football game with Pennsylvania Military College. Prof. Agan, father of Karl Agan, Jr., '42, was Headmaster and Registrar at P. M. C. for seventeen years.

Prof. Agan received his A.B. degree from Union College in 1915 and his master's degree in education from the University of Pennsylvania in 1937. Pennsylvania Military College honored him with a master's degree in 1926. He has been Vice-Principal of Chester High School since 1935, and is in charge of vocational guidance at that institution.

### Second Gridder on Sale Friday; New Features for Fathers' Day

The second issue of the Grizzly Gridder will make its appearance on campus this Friday on the eve of the Fathers' Day game with Pennsylvania Military College.

Features of special interest to the fathers have been arranged in order to interpret the athletic program of the school. Articles and cuts will introduce the fathers to the work and personnel of the Booster Committee, the cheerleaders, and the Band. Even "Zachie" will be formally presented in a special feature article delving into his personal matters and depicting the routine of a typical "Zachie" day on campus.

Probably the most important message will be conveyed to the fathers in an article written exclusively for the Gridder by President Norman E. McClure.

#### WEEKLY STAFF TRYOUTS

Tryouts for positions on the Weekly staff will be held tomorrow evening at 6:30 p. m. in Room 2, Bomberger. Both old and new students are invited to participate.

### Let's Give Our Athletes a Break!

There is no better time than the present to mention one of the most distressing conditions prevalent on the Ursinus campus. Today, when we need not alibi for a past loss, but can rather glow over a long-sought football victory, it is easier to call attention to the deplorable condition without provoking an avalanche of protests of "Alibi!!".

The fact is this: Ursinus College is daily represented by one of the most under-nourished football teams in collegiate ranks. Whereas surveys have shown that a football player needs even more calories daily than a hard-working lumberjack, our team is being fed meals fit only for the far less strenuous work of the classroom and office.

Ill-advised fear of discrimination between students and athletes has prompted college authorities (and not the kitchen force, upon whom much criticism is unjustly heaped), to refuse Coach Kellett a training table for his boys, a table at which these hard-working athletes might replace the great quantities of energy they expend on the college gridiron. Certainly no persons on the campus are more against the glorification of the athlete to the exclusion of the student than are Kellett and "Jing" Johnson who, incidentally, can today brag of having among their athletes some of the best students in the College, and who can show a scholastic average among the athletes equal to or exceeding the general average of the College.

But certainly the conditioning of boys who are expending great physical energy for the glory of the College in general cannot be termed discrimination. What student at Ursinus would deprive the athlete of meals rich enough in calories to at least replace the energy burned up in practice and playing? Picture, if you can, the big lumberjack sitting at a lunch of scrapple and apple sauce, or of salad and baked

beans, or cold cuts and spaghetti, and then going into the forest to do his arduous job, only to return at nightfall to nibble at a boiled potato, a single vegetable, and an anemic parchment of beef or pork. Then consider the football player, who needs even more nourishment than the jack, and the condition unfolds as being not merely indirectly distressing for the College those players represent, but definitely injurious to the health and welfare of the participant.

For many reasons this and next season may be of vital importance in the course Ursinus athletics will pursue in the future. Athletic Director Johnson, the coaches, and the boys themselves are putting forth every effort to bring order out of chaos. Why not such a simple lift as a training table from the administration?

H. L. A. '40

### Home, Sweet Home Was Never Sweeter

Current news reports declare that the warring European nations are looking to Uncle Sam for a peaceful settlement of their difficulties. They are asking us to rush in where angels fear to tread, to become embroiled in a private feud in which neither side is by any means above reproach.

Some nations which are appealing to us now in their hour of national emergency are the same ones which called us "Uncle Shylock" when we suggested that they take some steps to repay the billions which we spent to insure their victory in the First World War. When we mentioned "debts" to them they pulled down their blinds and pretended that they weren't at home. Instead of spending some of their money in an effort to at least repay a small portion of their debts as a token of good faith, they poured it into the economically unproductive manufacture of munitions.

Today we are still the burnt child of 1918, and, let us hope, we will keep our fingers out of the fire this time. Are we shirking our moral obligation in refusing the overtures of our erstwhile allies across the waters? Milton, in his "Sonnet on His Blindness," has an answer: "They also serve who only stand and wait."

M. D. A. '40

### Our Attitude in a Crisis

"The toughest job on earth today is getting tougher. To the back-breaking routine that every American President must shoulder has been added the Herculean task of steering the ship of state through the turbulence of war."

The above paragraph is taken from a recent article by Felix Belair, Jr., wherein he analyzes the work done by America's Number One Employee.

Mr. Belair's article may have been written to obtain sympathy for his client. It may be thought by some to be partisan in its analysis. But one cannot escape the significant implication it offers that American criticism of its executive should receive a modification.

One would be as foolish as he would be unfair to suggest that people in a democratic country should cease criticism during an emergency. To acquire information in an unbiased, questioning attitude is the privilege of all. To constructively advise representatives where advice is needed is the American obligation of all people qualified as authorities on the problems under discussion.

Now, more than ever, the holder of this toughest job needs wise opinions, not aggravating personal remarks. It had best become counseling, cautioning, and careful considering of the mental strain placed upon the statesman. Real help in any crisis does not emanate from the erratic individual, bent upon being heard, regardless of the worth of his words.

N. T. B. '41

### GAFF from the GRIZZLY

"Clyde Beatty" Landis certainly put his foot into it the other day—or was it his head? Well, it all goes to prove that Zachie is in tip-top shape this year,—pretty "snappy" in other words.

Remember our handsome black-haired freshman of last year—Dick Arnold? Doesn't he look perfectly adorable with his locks done up in the brickyard blonde style? "What-ta coiffure Dickie" they call him!

The English have written a song "Let's Hang Our Wash on the Siegfried Line". Who's the Englishman on the campus? Those "unmentionables" which were hanging on either side of the Red, Old Gold, and Black between Brodbeck and Curtis indicated ransacked wardrobes—to say the least.

There has been a "noted" improvement in the Ursinus Band organization this year it seems. Just last Friday night while they were playing by the bonfire they looked "plenty hot."

This said band organization should soon start letter formation, trick marching drills, etc., since it now has in its ranks,—and we did say "ranks,"—an American Legionnaire. No one would ever know it, however, since "Sonny" Crone keeps it a secret by wearing his emblems on each and every sweater. Uphold the honor of the legion, my son!

The first issue of the "Grizzly Gidder" has been formally worked on the public this year. Good work! We notice on the Ursinus College ad that Ursini Collegi is located in two counties — Montgomery and Montgomery.

Well, Ursinus is an up and coming institution you know.

As a matter of fact we expect some of our boys to receive Hollywood contracts any day now. The Pottstown flicker house featured the Ursinus-Lafayette game in the newsreel last week. Of entirely no connection with the score was the title of the main feature—"The Rains Came." (Free adv't). You're welcome Pottstown!

And speaking of the cinema, how about a few—

#### Cinema Similes:

"Heritage of the Des(s)ert"—Friday night's butterscotch puddin?  
 "Babes in Arms"—How about the grandstand?  
 "Each Dawn I Die"—Getting up for eight o'clock classes.  
 "These Glamour Girls"—HA!  
 And what's this new picture about—"The Wizard of Ooze"?

### College Inaugurates Improved Freshman Counseling Program

A new Freshman counseling program has been set in operation with the opening of the present academic year. Outstanding features of the new program include a smaller number of counselors who can devote considerably more time to counseling procedures than has been possible in the past, together with a regular series of planned meetings throughout the year when problems of mutual interest can be discussed.

Each counselor will be responsible for ten freshmen students. An advisory committee, consisting of the President, the two Deans, and the College Pastor, will meet with the counseling committee from time to time to help in the formulation of policies and methods. Other members of the faculty will be called upon for special assistance as demand arises.

The counselors selected for the present include Professors Sheeder, Brownback, Carter, Bone, Snell, Hartzell, Dean Stahr, Mrs. Sheeder, Messrs. Bailey, Miller, Mattern, Dennis, and Pancoast, Mrs. Shelley, the Misses Brandt, Reber, and Houck.

### Among Our Alumni

If any reader of the Weekly has news items concerning Alumni or ex-students please send them to the Alumni Editor. They will be gratefully received.

The Rev. Edgar Bruce Jacobs '13, of Columbus, Ohio, will represent Ursinus College at the inauguration of Herbert John Burgstahler as President of Ohio Wesleyan University, Delaware, Ohio, on October 20, 1939.

Rev. Jacobs, who has been pastor of the Wilson Avenue Evangelical and Reformed Church, Columbus, Ohio, since 1928, is student pastor of Ohio State University. During the past year he was chaplain of the Ohio House of Representatives. In 1932 Rev. Jacobs was President of the Ohio Synod.

August Andrew Ringleben '14, of Hazelton, Pa., is one of fifteen who will receive a master's degree at the 60th Founders' Day exercises on Wednesday, October 4, at Lehigh University. Ringleben, who will receive the degree of master of arts in history, was graduated from Ursinus with a bachelor of arts degree.

### It Runs in the Family! Here Is the Evidence--

The roll of the Class of '43 like that of most preceding classes shows many members who are related to alumni and upper classmen.

Virginia H. Ashenfelter's mother was a former student and her grandfather, Dr. Silas L. Messinger '85, was secretary of the board of directors for many years. Elaine C. Brown is the daughter of William H. Brown '18, Marian Fegley is the daughter of H. Stanley Fegley, a former student, Anne A. Hain is the daughter of Leo H. Hain '17, Edgar Heller is the son of Rev. R. B. Heller '14, Donald Johnson is the son of Russell "Jing" Johnson and Mary Seiz Johnson, both of the Class of '16, Laura Keyser is the daughter of Howard B. Keyser '10, Ruth F. Riegel is the daughter of John O. Riegel '15, and Frederick H. Wilhelm is the son of Rev. Raymond Wilhelm '18. David Edmonds is the son of Senator Franklin S. Edmonds, Hon. '32.

Now for the brothers and sisters of alumni and present students: Homer W. Boysen, brother of Theodore '36, is here as are Grace Irene Brandt, sister of Muriel '38, Marjorie Mae Colsher, sister of Anne '38, John W. Ditter, Jr., brother of Mabel '39, Nancy A. Landis, sister of Robert '40, Betty Power, sister of William '39, Frank W. Scott, brother of Ida May '41, Dorothea H. Trout, sister of Ida '37, and Frances V. Wilt, sister of Janice '30 and Isobel '34.

So with this list of names in mind we can really call Ursinus a "family" college.

### New Ursinus Students Attain to Standard of Previous Years

The results of the examinations administered to new students during the Freshman Pre-Matriculation Program reveal the fact that Ursinus again has admitted a group of superior students. While the American Council on Education Psychological examination given last year is not exactly comparable with that given this year, it appears at this time that the quality of this new class is approximately the same as that of the last three or four years.

On the Psychological examination, the men made a showing quite superior to the women. The highest quartile scores began at 134.36, whereas the same group of women began at 117.92. The median score for men was 106.42, while the women attained only 99.58. On the English test, however, the situation was exactly reversed, the women leading the highest quartile scores by five points. The median score for women on the English test was 172.22, whereas the men attained but 165.

Since this is the first year that the General Achievement Tests were given, we have no comparative data in either School Studies or Natural Sciences.

**Nineteen New Members Are Accepted into Curtain Club**

The Curtain Club announced the following list of 19 new members, as a result of tryouts held Oct. 2 in Bomberger:

Edra Allenson '41, Shirley Anderson '43, Marjorie Colsher '43, William Ditter '43, Richard Ellis '43, Virginia Ernest '43, Thomas Hartzell '43, Homer Koch '43, Dorothy Krusen '42, Elizabeth Power '43, Blanche Shirey '43, Elizabeth Stevenson '43, Mary Alice Stone '43, Anna Strunk '43, Dorothea Trout '43, Julia Ulrich '42, Frances Wilt '43, Elizabeth Wismer '42, and Eli Wismer '41.

Frances Thierolf '40, President of the Curtain Club, announced the following committee members for the coming year:

Marjorie Bell '40, Dillwyn Darlington '41, Mary DiMedio '43, Elizabeth Lawton '40, Clark Moore '43, Betty Replogle '42, Douglas Davis '41, Richard Deitzler '41, Naomi Richter '41, June Meunier '42, Constance Hopkins '43, and Helene Berger '42. Other persons desiring committee work may hand their names to Miss Thierolf this week.

The other officers of the club are: Edna Hesketh '40, secretary; and Kenneth Bishop '40, manager. Old and new members should pay their dues (fifty cents) to either the president or manager this week.

**Society Notes**

The officers of Tau Sigma Gamma Sorority entertained the members of the sorority at a doggie roast on Thursday evening at 5:30 in the College woods.

Dr. Elizabeth B. White entertained the Senior members of the "Rosierucians" at her home on Sunday afternoon, October 1.

During the past week the various girls' dorms on campus have been initiating their freshmen at hall parties.

On Saturday morning the girls of Shreiner Hall held a breakfast in the Sixth Avenue woods. Maples Hall served breakfast on its rear lawn on the same morning.

Phi Alpha Psi Sorority is holding its annual Fall doggie roast tonight, October 8. Local alumni members are invited to attend.

The girls of Lynnewood held a breakfast on Saturday morning, September 30. The freshmen members of the dorm invited their "big sisters".

**Students Attend Fireside Chats At Ursinus Professors' Homes**

The YM-YW Fireside Chats last Wednesday night were attended by students from various groups. The meetings were held separately in different professors' homes.

The two-fold topic, "What College Expects of Me, and What I Expect of College," was discussed from six angles, namely: studies, courtesy and etiquette, a sense of values, religious convictions, reflective thinking, and extra-curricular activities. The findings will be compiled on papers which will be distributed on campus.

By burning 25% slower than the average of the 15 other of the largest-selling brands tested—slower than any of them—CAMELS give a smoking plus equal to

**5 EXTRA SMOKES PER PACK**

Cigarettes were compared recently... sixteen of the largest-selling brands... under the searching tests of impartial laboratory scientists. Findings were announced as follows:

**1** CAMELS were found to contain more tobacco by weight than the average for the 15 other of the largest-selling brands.

**2** Camels burned slower than any other brand tested — 25% slower than the average time of the 15 other of the largest-selling brands! By burning 25% slower, on the average, Camels give smokers the equivalent of 5 extra smokes per pack!

**3** In the same tests, Camels held their ash far longer than the average time for all the other brands.

"I know from years of experience that Camels give a longer smoke — milder, cooler, mellower"

**SAYS JOE WILLIAMS**  
FAMOUS SPORTS EXPERT

LONG-BURNING SMOKES have a big appeal for Joe Williams, as well as for many another cigarette smoker. Joe, whose keen comments on sports are eagerly read by millions of fans, is equally "in the know" on cigarettes too. He says: "Every Camel gives me an extra period of cigarette enjoyment—a longer smoke, and a milder, cooler, mellower smoke! Naturally, such a cigarette has a more appealing taste. Yes, sir," Joe concludes, "it's a real thrill to smoke a Camel." You, too, will find that Camel's long-burning, costlier tobaccos do give more pleasure per puff—AND—more puffs per pack. That's pleasure plus economy—a shrewd buy. No wonder America's smokers have made Camels their cigarette choice No. 1.

MORE PLEASURE PER PUFF—MORE PUFFS PER PACK

## Snell's Sticksters Lose To Elkins Park Lassies

The first game of the hockey season left the Ursinus girls trailing 2-0 behind the powerful Elkins Park club. The Grizzly girls looked best in the first half, when they held the non-scholastic subfbanites to a scoreless tie. In the second half they appeared a little ragged, lacking coordination and variation in their attack. However, this practice game served well the purpose for which it was intended.

Louise Orr, Beaver graduate and member of the all-Philadelphians, scored the first goal and Miss Jackson, West Chester graduate, drove through the final tally. Two Ursinus graduates, Monty Blew Earle and Miss Huffer, were in the Elkins Park lineup.

the fateful final period, when Goalie Dan Hartline was carried off his feet by Temple's concentrated attack on the goal cage.

As cheerful as ever, Doc Baker is pointing his team toward the Lafayette game which will be played on the home field next Saturday.

Ursinus	pos.	Temple
Hartline	G	Dunn

## Football

(Continued from page 1)

Dawson, carrying on the first play after the kickoff, went to Delaware's forty-seven for a first down. Then after two plays at the line failed, he punted beautifully, the ball rolling out of bounds on Delaware's six.

Viden, Delaware halfback, return punted on first down. Dawson, playing safety for the Bears, fielded the ball on the Blue Hens' thirty-one and got back to the twenty-two before being spilled.

A reverse from Hearey to Ferguson lost two. Dawson passed, but missed on second down. He tried a running play on third, but slipped going into the line for no gain. Last down and Dawson coffin-corner kicked, the ball going out on the seven this time.

Viden, punting for Delaware, kicked to his own thirty, and Dawson returned this punt to the seventeen. It was Dawson once more as he swept wide and lugged the ball to the seven-yard line.

At this point Delaware's defense became too tough to get by and fourth down found the Grizzlies still seven yards from a touchdown.

Biscotte dropped back to the sixteen to connect for his three points which brought the Bears their first victory of the season.

### Fourth Quarter

The Blue Hens took to the air in the final period and offered their only threat of the afternoon, but still they got no farther than the Grizzly eighteen. The Bear pass defense became so tight in the closing seconds that the last five Delaware passes were batted to the ground.

All around the Bears looked stronger in Saturday's game than they have at any time during the past two seasons. They tackled and blocked hard, and gave the future a little better outlook.

Although they managed only a three-point win, the Bears were far superior to their opponents. If Lady Luck had just grinned a little, the final score might have shown a three-touchdown win rather than a three-point one.

Next Saturday Ursinus takes on P. M. C. at 2:30 p. m. on Patterson Field. The Cadets are on the rebound from a 43-0 lacing at the hands of N. Y. U.

### OLD TIMERS' CLAM BAKE

The Old Timers' Day Clam Bake will be held on Saturday, October 21, immediately following the football game with Muhlenberg. The place: Riverside Inn, Graterford; the price: one dollar and fifty cents.

Ursinus	pos.	Delaware
Glass	L E	Sheats

Ferguson	L H B	Mullen
Hearey (c)	F B	Brooks
Ursinus		0 0 3 0-3
Delaware		0 0 0 0-0

Field goal: Biscotte, placekick. Substitutions — Ursinus: Biery, Steinmetz, Dawson, Zeski, Wallchuck, Johnstone, Biscotte, Coughlin, Callahan. Delaware: Paul, Wendle, Carullo, Bogovitch, Newcomb, Spillane, Baer. Referee: E. H. Heintz, Penn; umpire: E. W. Killinger, Penn; linesman: J. C. Winters, Army; field judge: J. R. Lehecka, Lafayette.

## Temple Booters Defeat Ursinus Soccermen, 5-0

Led by their great All-American, George Nemchick, the Temple University booters bowled over Doc Baker's valiant soccer team on the Collegeville turf last Saturday, 5-0.

The game was not as one-sided as the score indicates. The Ursinus team fought the whole way and kept within striking distance of the star-studded Owls until the closing period, when the Bears visibly tired, yielded to their fresher opponents under the guidance of sharpshooter Joe Burrowes, who scored twice. The team needs no alibi for their showing in the opening periods of the game. Although they were clearly the underdogs, they tackled the battle with zeal and put up a spirited battle that held the favorites to a standstill.

Joe Harrison received the toughest assignment of the day, playing opposite the great Nemchick, who played on the German-American booters, one of the best soccer teams in the country. Harrison played his best game, keeping Nemchick well under control until
