Election Board Sets April 3, 4, 5 For Voting on Campus Officers

Nominations for Officers Must Be by Petition; Machine Will Probably Be Employed for Voting

Elections for class officers, officers and members of the Women's Student Government Association, officers and members of the Men's Student Council, and officers of the Y.W.C.A. and Y.M.C.A., will be held on April 3, 4, and 5 this year, according to a plan devised by Lois Taylor '40, and Charles Steinmetz '40, the presidents of the campus student governing organizations, and approved last Friday by representatives of the above-mentioned bodies.

The new plan for elections calls for nomination by petition only, except in the case of certain of the women's organizations, where the Central Nominating Committee retains its power to propose names of candidates.

These, in brief, are the rules laid down under the new system:

1. In order to stand for election, a candidate must be nominated by a petition signed by 20% of the electorate. For example, a candidate for a class officer must have his petition signed by 20% of all the members, male and female included, in the class; a candidate for the Men's Student Council must have the names of 20% of the male students in his class on his petition.

2. A person may sign his name to as many petitions for one office as there are persons to be elected to that office; i. e., he may sign only one petition for class president, but he may, supposing he were in the present Sophomore Class, sign four petitions for Student Council members, since his class will elect that many men to the Council this year.

3. All petitions must be in the hands of the Election Board by Saturday noon, March 16. The Board is composed of the presidents of the W.S.G.A., M.S.C., Y.W.C.A.; the four class presidents; and the members of both the men's and the women's student governing bodies.

The Election Board plans to have a voting machine, such as is used in regular elections, to record the student's votes. Certain hours will be set aside for voting for the different positions. The Board also plans to make the machine available to any other organizations that wish to vote in that manner.

A complete list of all the candidates for all the positions will appear in *The Weekly* on Monday, March 18.

Two Speakers Secured For All-U. Conference

Two of the principal speakers for the conference, "Design for Understanding", the All-Ursinus Conference to be held this year on the week-end of April 19-21, have been secured by Chairmen Jane Pakenham '41, and Karl Agan '42. They are Strickland Gillilan, journalist, and Sherwood Eddy, author, lecturer, and world traveler.

Mr. Gillilan will deliver the keynote address of the Conference at the opening dinner, scheduled for Friday evening, April 19, in the upper dining room of Freeland Hall. Mr. Eddy will be the speaker on Sunday, April 21, at the closing session in Bomberger Hall.

Born in Jackson, Ohio, Strickland Gillilan attended Ohio University before he broke into the newspaper field. Three of the newspapers for which he has written are the *Los Angeles Herald*, *Baltimore American* and the *Richmond Daily Telegram*, the last as city editor.

Penn Law Dean to Speak on Monday

Dean Herbert F. Goodrich, of the University of Pennsylvania Law School, will speak in Bomberger next Monday evening, March 18, at 8 o'clock, under the joint auspices of the Pre-Legal Society and the Forum Committee.

Dr. Goodrich was appointed last Tuesday by President Roosevelt as judge of the Third Federal Circuit Court of Appeals, succeeding Judge Francis Biddle, who recently was appointed U. S. Solicitor General.

The speaker, who is a native of Minnesota, received his A.B. from Carleton College in 1911, and his LL.B. from Harvard in 1914. The University of Pennsylvania honored him with an LL.D. degree in 1929.

Began Teaching at Iowa

Dr. Goodrich began his teaching career at the University of Iowa, serving as instructor and later as professor of law from 1914 to 1921. From 1921 to 1922 he served as acting dean of the Law School at that institution. In 1922 he joined the law faculty at the University of Michigan, which school he left in 1929 to become dean and professor of law at the University of Pennsylvania.

In 1931, Dr. Goodrich was President of the American Association of Law Schools. He is a member of the American Bar Assn., and of the State Bar of Michigan and Pennsylvania. He belongs to Phi Beta Kappa, Delta Sigma Rho, Phi Alpha Delta, and Alpha Sigma Phi.

Dr. Goodrich has always been a liberal in politics. He was a supporter of President Roosevelt, and was one of the supporters of the Roosevelt candidacy before the first nomination at Chicago in 1932.

The Forum Committee and the Pre-Legal Society wish to emphasize that this meeting will be of interest to the student body in general and not only to the organizations concerned.

110 Couples Hear Guy Albany In Hawaiian Setting at Hop

In a typical Hawaiian setting, 110 couples danced around a palm tree at the Soph Hop Friday night. The music was supplied by Guy Albany. "Stardust", the vocalist, added color to the affair.

Green and yellow strips of twisted crepe paper served as a ceiling, and, with paintings of "hula-hula" dancers along the walls and a novel palm tree in the center of the floor, the gym was transformed into a scene of far-away Hawaii.

Chairman Ferguson '42, reports that the Hop was a huge success. The chaperons were Dr. and Mrs. George W. Hartzell, Mr. and Mrs. Eugene H. Miller, and Mr. and Mrs. Paul R. Wagner.

"RUBY" ELECTIONS WILL BE HELD THIS WEEK

The Junior Class will nominate candidates for the position of editor and business manager of the 1941 Ruby this Tuesday, March 12, at 12:30 p. m. in Room 7. Elections will be held Thursday.

At the same meeting, information will be given concerning nominations for class officers and M.S.C. and W.S.G.A. representatives.

Old - Age Security Next Forum Topic

C. A. Kulp, Ph.D., professor of insurance at the Wharton School of the University of Pennsylvania, will speak on "Old-Age Security, American Style", at the next Ursinus Forum, scheduled for Wednesday night, March 13, at 8:00 p. m. in Bomberger.

Dr. Kulp is an expert in the field of social security, and is the author of two books, *Casualty Insurance*, and *Social Insurance Coordination*.

Dr. Kulp was a member of the staff of the Committee on Social Security of the Social Science Research Council from 1935 to 1937. Since 1937 he has been a member of the Committee on Social Security of the Social Science Research Council.

Since 1937 Dr. Kulp has been a consultant of the federal Social Security Board, and since 1939 he has been allied with the research staff of the Joint State Government Commission.

Dr. James L. Boswell, of the College business administration department, will be chairman of the Forum. The committee wishes to call attention to the change in time to 8 o'clock, and states that the program will be concluded by 9:30 p. m.

Betty Urich Stars in Booster Melodrama

By Dorothy Newhard

One of the most sympathetic and co-operative audiences ever assembled on this campus hissed the villain and applauded the delightful heroine at last Saturday's heart-rending, breath-taking melodrama, "Hearts and Flowers", presented by the Booster Committee in the gym.

Betty Urich '42, undoubtedly deserves the evening's honors for her appealing interpretation of the role of "True Hope", the innocent heroine. The scores of tearful eyes in the audience were a most convincing proof of the effectiveness of her portrayal of a truly lamentable situation. She had fallen in love with "Godfrey Goodheart", William Williams '40, in whom the most aspiring students beheld masculine virtue at its height. He was superb, as the "stalwart, honest, somewhat bald" hero.

"Mrs. Goodheart" Approves

Sara Hallman '40, as "Mrs. Goodheart", mother of the hero, observed the bliss of the two young turtledoves with complete satisfaction. Her "mother's instinct told her" that her noble, hard-working son had found, in the aforesaid innocent maiden, the reward for his stainless life.

In this very moment of ecstasy, Leroy Dawson '41, alias "Blackie Blackman", that most vile of villains, entered upon the scene, promptly greeted by a shower of vegetables from the uproarious on-lookers. While dodging most of the missiles, and twiddling the ends of his moustache, the "viper" glared

Co-Eds Elect "Bunny" Harshaw To Reign over May Festivities

Madge "Bunny" Harshaw '40, was elected May Queen last Wednesday by the women students, to rule over the annual pageant, scheduled for Saturday, May 11. Her attendants, elected last Friday, will include Betty Shearer '40, Betty Usinger '40, Muriel Solomon '41, Idamay Scott '41, Betty Frorer '42, Leonore Berky '42, Nancy Landis '43, and Helen Caulfield '43.

Cast Announced for "Outward Bound"

Choosing from the largest turnout of students ever to vie for parts in a Junior Class play, Dr. and Mrs. Reginald S. Sibbald announced the following cast for the production "Outward Bound", which will be presented on Saturday evening, April 13.

The three women and six men chosen are: Scrubby, Fred Weiland; Ann, Muriel Solomon; Henry, Jack McAllister; Mr. Prior, John Rauhauser; Mrs. Cliveden-Banks, Nadine Sturges; Rev. William Duke, Franklin Morris; Mrs. Midget, Edra Allanson; Mr. Lingley, Paul Wise; and the Rev. Frank Thompson, John Musser.

First Produced in 1923

Although the play was originally produced in 1923, it was brought back on the professional stage in 1938, and proved to be the biggest "hit" of the season. Just recently it has been released for amateur use again.

In the first American production at the Apollo Theatre in 1923, the cast included such notables as Leslie Howard as Henry, Alfred

"Youth and Dynamic World" Is Blum's Vespers Talk Topic

Charles Blum '41, was the Vespers speaker last evening in Bomberger Chapel. His topic was "Youth and a Dynamic World".

Betty Knoll '43, and Robert Worthing '41, were the student leaders for this, the second in a group of services at which students of the College are the speakers.

NOTICES

The Weekly Board of Control will meet on Thursday afternoon, March 14, at 4:00 p. m. in President McClure's office in the Science Building.

Candidates for positions on the Weekly staff will report to Room 2, Bomberger, at 6:30 p. m. on Wednesday evening, March 13.

The annual Weekly banquet, at which the staff changes hands, will be held next Monday evening, March 18, at 6:00 p. m., in the upper dining room. All staff members are invited to attend.

"Bunny" came to Ursinus with an outstanding record at Lansdowne High School. At Ursinus her four years have been ones in which she starred in tennis, basketball, and hockey. She was elected captain of the women's tennis team this year.

A member of the Physical Education group, she joined the "B" listers this year, and headed the committee for the Lorelei Dance.

During the Summers, her activities and appearance on the tennis court have brought "Bunny" and Ursinus considerable fame. Following her freshman year she took the Middle Atlantic States Junior Championship. The following Summer she was selected to play for the Junior Wightman Cup team for the Middle Atlantic States. Last Summer brought her the Eastern States Clay Courts Championship. She is ninth ranking star in the Middle Atlantic States.

She will reign as princess over a pageant of English folk lore, written by Eleanor Frorer '40. Sara Hallman '40, will be the student manager for this annual women's production.

Eleven Fellowships Are Awarded by A.A.U.W.

Awards of eleven fellowships of \$1500 each, announced Sunday, March 10 by the American Association of University Women, will enable women scholars to advance research in varied fields.

This year's winners include Virginia Margaret Bever of Bellingham, Washington; Dr. Eleanor Payne Cheydleur of Madison, Wisconsin; Margaret K. Deringer of Spangler, Pennsylvania; Mary S. Harrell, member of the English and Journalism faculty of the Oklahoma College for Women, Chickasha, Okla.; Dr. Herta Leng, refugee from Vienna, Austria; Roberta Morgan of Arlington, Mass.; Marina Nunez del Prado, teacher of art in the American Institute and National Academy of Fine Arts, La Paz, Bolivia; Dr. Donna Price of Baltimore, Md.; Elizabeth Lloyd White of Norfolk, Va.; Phyllis Lourene Williams of Brooklyn, N. Y.; and Dr. Martha Wolfenstein of Cleveland Heights, Ohio.

This is the fiftieth year for A. A. U. W. fellowships. The first in 1890 went for a year's study in Latin, and awards since then indicate the ever-widening fields of feminine achievement. Marjorie Brosz '38, Chairman of the Fellowship Committee of the Perkiomen Branch, has been quite active in a determined effort to ever keep before

"MIKE" COLLEGE

News from the
Radio World

If the Three Musketeers could sing, and **MERRY ANDREWS** didn't have a d'Artagnan, they'd be just like the Andrews Sisters. There are three Andrews Sisters: La Verne, Maxine, and Patty. They don't come in smaller lots. When they first started singing, Patty, the youngest, was only eight and their manager didn't want her to go along. But the Sisters put their feet down and announced: "One for All, and All for One."

It's still like that; none of the girls will take a singing engagement unless it includes the other two. They're not married, but if you want to take one of them out, you'd better bring two roommates along.

One way to be a success in life, it seems, is to have a really good time at college and then let Mrs. Elizabeth Dekker figure out what to do about it. Mrs. Dekker, heard recently on a CBS Americans at Work program, is a job counselor—one of those people who find out more about you than you know yourself, and then find out how to put it to work.

A recent client of Mrs. Dekker's was a college graduate who liked his college friends; particularly, he liked to take them to lunch. After graduation, he became a securities salesman. The depression came, securities salesmen stopped taking people to lunch, and the man found himself out of a job. He consulted Mrs. Dekker.

Mrs. Dekker talked to him, and found that he was really best at the thing he loved most, being a host. She suggested that he open an eating club in the New York financial district. He did, made a success, and, what's more, he's happy.

Mrs. Dekker's talk was part of Columbia's investigation of vocational guides—the people we're seeing a lot of, these days, with commencement coming. The script has been printed by the Columbia University Press and can be had for a dime. We don't guarantee it'll get you the job you want, but it may give you an idea of what's in back of the man who's behind the desk.

It's easy enough to juggle a leopard's spots, just as long as you change the "P" to an "N". Jack Leonard, Tommy Dorsey's ex-tenor, now heard on CBS' "Concert in Rhythm", is in just the spot he never wanted to be in. He's a singer. Now he likes it.

Jack was born at Freeport, L. I., hating the idea of appearing in public. He tried to become an insurance broker, then a Wall Street runner, a gardener on a golf course, a hook-baiter on a fishing boat. No one has to be told that Jack had a good voice, but he liked to use it in private.

One day, he thought he was all alone on the golf course, and started singing. Someone heard him, and two days later he was the tenor with Bert Bloch's orchestra. Tommy Dorsey heard him singing in a New York night club, and CBS heard him all over the country. And here he is.

Symphony concerts are the eighth most popular program with college freshmen, second most popular with college seniors, according to Columbia Broadcasting System Research . . . 95.8% of all college students, CBS research reveals, have regular access to radios, while 60.6% of college students have radios in their own rooms . . . And we've all heard now of the Princeton senior who submitted his senior thesis on victrola records (20 12-inch sides) . . . so why not hit a new high in Biology by giving the professor a Columbia pressing of Raymond Scott's Huckleberry Duck?

Student Opinion Surveys Summary Reveals Sentiments on 38 Questions

The Student Opinion Survey, which conducts polls on campus opinion for college newspapers all over the country, has released the following information, which is a summary of all the questions proposed between December, 1938, and January, 1940:

"Jing" Johnson Praises Ursinus Sportsmanship

To the Editor of the Weekly:

One is accustomed to finding letters of a critical nature in the columns of the Weekly, but it seems to me that this is an opportune time to toss a few bouquets to the entire student body.

The basketball team has just completed a gruelling season on the court, and it has produced the best play witnessed on the local floor in a decade. In the heat of the contest when the stakes are high, the fundamental principles on which our games are based receive a severe testing.

In some communities, one has sensed a trend, which, if not throttled, will distort and probably destroy some of the fine concepts of competition. I refer principally to the unfortunate practice of booing officials and opponents. Ursinus has always assumed the attitude that our opponents and officials were our guests, and as such deserve the treatment that decent society sanctions in this connection.

Any individual who looks upon officials as necessary evils, considers the opponents as enemies, and sees only virtue in his own team, deserves pity, for he has not learned that tolerance is one of the pillars of good sportsmanship. Booing and jeering not only sound terrible, but their prevalence denotes uncouth disrespect and immediately places such an individual or groups in a class far below that which might be expected within a college student body.

Our contests have been very orderly; at times, excitement reached fever heat, but commendation is due the students and outside spec-

tators for the splendid collegiate environment they created. Reactions from our referees and officials of visiting colleges reflect the same sentiments.

Our boys waged a fine battle, they had the united support of the students and faculty; they engendered a winning spirit on the campus, they faltered on the last lap and saw the coveted honor slip from them, but they have given us the best record in basketball since 1928. Congratulations to the coach and team, but orchids to the students for their generous attitude. Athletics in education can be justified only upon the adherence to and the maintenance of the wholesome atmosphere which we as loyal Ursinus followers have achieved, and as a priceless jewel, must be jealously guarded. Victory is not the ultimate in athletics, if we fail to observe the cardinal tenets of friendly intercollegiate relationships, whether it be as a player or an observer.

We should be very thankful that we live in a country that affords us the opportunity to cultivate and perpetuate the ideals of friendly competition.

R. C. Johnson,
Director of Athletics.

Rosicrucians to Extend Invitations to Women

Several freshman and upper class women soon will receive invitations to attend a meeting of the Rosicrucians, a social organization for girls, made up of members with a high scholastic standing.

This organization, founded by Dr. Elizabeth B. White in 1936, derived its name from a group of European monks who tried to preserve knowledge during the Middle Ages. This year is the first year of formal organization of the campus society.

A scholastic average of 87.5 during the previous semester is necessary for membership. Any person who has filled this requirement four times becomes a permanent member.

In addition to sponsorship by Dr. White, alumna members of the organization also take an active interest in its activities. The officers of the club are: president, Norma Braker '40; vice-president, Mary Robbins '41; secretary, Dorothy Reifsnnyder '40; treasurer, Jane Hartman '41. Other permanent members are Marna Allen '40, Marthella Anderson '40, Evelyn Huber '40, Ruth Jones '40, Kathryn Keeler '40, Emily Zoll '41, Betty Hamilton '41, Dorothy Shisler '41, Emily Pollock '41, and Blanche Schultz '41.

State Physical Ed. and Health Teachers Meet Here April 18

Dr. George R. Tyson, of the education department, announced that the State Physical Education and Health Teachers meeting will be held at Ursinus on April 18.

Ben Ogden, track coach at Temple University, will speak on track. The American League baseball pictures which were shown here last week will be shown again at that time. "Jing" Johnson, director of athletics, will speak on baseball.

Former Issues of March "Weekly" Show Ursinus Different in News and Opinions

Ursinusites come and go, but the Weekly goes on forever. Well, almost forever. Now as we look back over the old issues of the Weekly from 1902 to the present, we find the news and opinions somewhat different from ours.

Five years ago in the first March issue of the Weekly there appeared an editorial heralding the passing of the "Rah-Rah" boy. The writer stated in holy horror that students still broke windows, had little interest in student council, and didn't go to class meetings. Yet in the final paragraph there was a ray of hope for better things to come.

"Professors, however, comment that their students are more serious minded. Candidates for women's and men's debating, and for literary work appear in profusion . . . The wisdom and advice of teachers are falling into receptive ears. Might it not be that the college boy has given up fur coats, flappers, and foolishness for more intellectual pursuits?" We doubt it!!

Here is a bit of "old" news which should interest debaters especially. On March 10, 1930, the biggest story had this headline, "Large Audience Enjoys Oregon Plan of Debate". It seems that Ursinus met Asbury College of Wilmore, Kentucky and used something new and different—the Oregon form of debate. After a controversial evening, the audience voted approval of the new style debate.

Another interesting headline of the same issue of ten years ago, reads, "1930 Ruby to Make Its Appearance This Week".

On March 1, 1920 appeared startling athletic news.

"With the purpose of arousing a keener interest in women's athletics, Ursinus co-eds have arranged an inter-hall basketball schedule. The first of the games was played on Tuesday evening between Shreiner and Olevian, and proved interesting as well as amusing to the enthusiastic rooters. Olevian fought desperately, making some beautiful tackles, but in spite of this close guarding, the Shreiner squad succeeded in scoring, 19-1."

The March 6, 1903 issue, which was during the first year of the Weekly's existence, contained no sports news. However, it did have a poem in the upper left-hand corner of the front page, "Love's Sweet Unrest!". One of the important bits was the announcement of a benefit parcel party, which was an auction for the benefit of the reception room of Olevian Hall. Incidentally, the next issue reported that the auction was a big success, having sold everything from hair-curlers to marriage licenses.

The advertisements in the first Weeklies were quite different from those that appear today. For example, there was an ad for Ursinus College which stated among other inducements, "Expenses for the year, \$200 to \$250, with scholarships, prizes, and opportunities for self-help". Those were the "good old days".

THEY'RE OFF! Streaking down the mile-long icy trough of the Mt. Van Hoevenberg run at Lake Placid, N. Y. with "Bucky" Wells driving. Fifteen breath-taking turns to go. Fifteen chances to taste the supreme thrills of speed. But in smoking it's different, very different. "It's slow burning that makes a cigarette tick with me," "Bucky" Wells says. And he means what he says, because slow-burning Camels have been his cigarette for ten years.

"ONE-TWO-BOB! ONE-TWO-BOB!" And, as the crew bobs, "Bucky" picks up speed...60-70-80 miles an hour, driving high on the glassy wall of ice as he swings the quarter-ton steel sled around the curve. But in the field of cigarettes, this daring speedster gives the laurels to the quality of slow burning that he finds in Camels. You can tell by their mild, mellow taste that Camels burn cooler, slower—and scientists have confirmed this. (See panel, right.)

"SPEED for bob-sledding thrills!
S-L-O-W BURNING for smoking thrills!"
says champion "Bucky" Wells

AND EXTRA SMOKING—I PICK THE SLOW-BURNING CIGARETTE
... CAMEL

IF you want to know how it feels to go 80 miles an hour on a racing bob-sled, "Bucky" Wells of Keene Valley, N. Y. can tell you. He's done it plenty of times. He likes those speed-thrills on a racing bob. But when it comes to cigarettes, "Bucky" Wells is on the slow side...the slow-burning side. That means Camels!

"I've smoked Camels for years, and I know they burn slower," "Bucky" says. "There's cool comfort in a Camel. Mildness—more flavor. And—slow burning means extra smoking. Yes, penny for penny, Camels are the best cigarette buy. 'I'd walk a mile for a Camel!'"

Why would anybody feel that way about his cigarette? Try a Camel and see. Camels are a matchless blend of costlier tobaccos...slow-burning. They give more pleasure per puff, more puffs per pack.

In recent laboratory tests, CAMELS burned 25% slower than the average of the 15 other of the largest-selling brands tested—slower than any of them. That means, on the average, a smoking plus equal to

Looks 'Em Over

F. and M. grabbed the brass ring on the Conference merry-go-round Wednesday night when they gave Gettysburg a ticket for a second-place tie with Ursinus.

Hash's Bears took F. and M. twice during the campaign, but trailed them in the standings. Tough to figure that one out.

Five seniors sang their swan song a bit off key Tuesday, but put Ursinus well over the .500 mark.

But with "Shmoke", Hutch, Jake, Grosbeck, and Augustine in there next year, things aren't as black as they look on paper.

Don Kellett has football worries already, with Little Albie getting himself mouse-trapped by the Belle of Shreiner.

Impresario Dawson's extravaganza went over great, with a big posy for True Hope Ulrich's heart-squeezing performance, and "White Hope" Hamstrung's over-emphasis on his early rural pronunciation.

"Little Gus", the sole heir of the inimitable Shorty, comes in for his bouquet, too. With a start like he gave the cavalcade, Falstaff should have been picking up votes for the White House instead of rubbish for a living.

The proverbial absent-minded professor has nothing on the faculty's gift to Highland, who must have been hypnotized by Missionary Blum at last eve's Vespers.

Fergie and his dusky friend put across the month's social function, and now the frats take over for a couple weeks.

Can't help but plug the home town—Audubon (N. J., 4 miles down U. S. 30 from Camden) had nearly a score present at the Soph Hop and as many at the Booster Show Saturday. That's .002% of the population.

Jing has his hurlers tossing soft ones daily, but suspects that Shisias is cutting loose his fast one already.

The baseball nine will be unveiled April 6 as hosts to Villanova, provided our good friend Jupe Pluvius and family relax for a while.

Jim Tadley sends word that the sun feels very good in California, and wishes we were all there.

Jing has just finished recapitulating Ursinus sports summaries since the inception of athletics in the '80's, and has some very interesting figures for his efforts.

Battery Candidates In Light Workouts

The first harbinger of Spring showed itself the past week on the campus when Coach R. C. "Jing" Johnson issued the call for varsity baseball battery candidates. Since Wednesday a dozen pitchers and a quartet of catchers have been taking light daily workouts in the gym in preparation for the opener on April 6 with Villanova College.

Leading the corps of hurlers is senior veteran Fred Swift, who will be serving his fourth term as head man on the Bears' pitching staff. Swift appears in good physical shape, and with three years of college and semi-pro ball under his belt should hit his peak this season. Second among the hurlers will be Howard "Shmoke" MacMahon, sophomore basketball star, who also saw action on the Ursinus varsity baseball team last Spring. Both of these men are right handers, and will bear the brunt of the pitching assignments.

Walt Chalk, who showed some promise last year, is also back and may win a starting berth. Chalk has a good fast ball and a sharp-breaking curve that gives batters plenty of trouble when he is "on". Left handers "Tony" Williams and

Ursinus College's 1939 - 40 Basketball Team

Bob Keehn's 190 Points Best Scoring Record for Basketeers

Veteran Guard Second in Conference Scoring; Moyer's 22 Points Largest Total for One Game

Bob Keehn, veteran senior guard on the Ursinus College basketball team, won the individual scoring title for the club this past season with a grand total of 190 points in 18 games, or an average of 10.6 points per game. Keehn has been a consistently high scorer for the Bears since his sophomore year, and this season was runner-up to Ralph Mease of Lebanon Valley for the scoring honors in the Conference.

Of Keehn's 190 points, 124 were scored in league competition, while the remaining 66 were racked up against non-Conference opponents. The stellar guard scored 74 times from the floor and 42 times from the 15-foot penalty mark in amassing his total. In the Conference he scored 47 double-deckers and 30 fouls.

Chern Second

Second to Keehn on the local club is Hal Chern, with 141 points, scored on 64 field goals and but 13 fouls. Chern posted 95 counters in the league, and played in one less game than Keehn outside the loop. Chern's average for 17 games was 8.3 points.

Third in line is Hal Moyer, with 138 tallies in the full 18-game schedule. Moyer had an even 50 twin-pointers and 38 foul tosses for an average of 7.7 points. In the Conference, Moyer scored 103 counters and according to recent tabulations was third only to Mease and Keehn in the race for the loop title.

Moyer's 10 Goals High

Frank Meade, veteran center man, took fourth honors with 125 points in 17 games, having missed one game in the middle of the season with a shoulder injury. Meade made 51 field goals and 23 fouls for an average of 7.4 points per game. In the Conference the pivot man scored 85 points.

"Shmoke" MacMahon nosed out Al Hutchinson for fifth place, when the former made 58 points to the latter's 53.

Moyer scored the most points in a single game when he made 22 against Muhlenberg in their first meeting at Ursinus. His 10 field

goals that night were also high single game total for the year. Meade shot 6 fouls against Gettysburg for the highest individual performance in that column. He and Keehn each had 9 fouls in one game to be tied on that score.

Moyer had the best foul-shooting average, with 38 out of 54 for a 70.4% average. Keehn shot 42 for 68.7%. Moyer, Keehn, MacMahon, and Hutchinson all played in every game. Keehn had the most field goals with 74, while Chern had 64, Meade 51, and Moyer 50 to stand up in that order.

Keehn's 42 fouls were tops, while Moyer had 38. Meade and Chern had 23 and 13, respectively, to be relatively low, although both their averages were above 50%. Keehn scored in double figures 10 times, while Chern was second in this respect, with 6 entries.

Co-Ed Courtsters Top Chestnut Hill, 48-22

The Ursinus girls' basketball team downed Women's College of Chestnut Hill last Friday afternoon, 48-22, on the losers' court.

Nat Hogeland led the Bear lassies' attack with 22 points. Bunny Harshaw had 20, and Squeaky Von Kleeck, 6.

The Ursinus sextet was leading after a slow first half, 19-7. Both teams put on the pressure after the intermission, scoring 44 points between them.

Blanche Schultz, Alice Dougherty, and Betty Snyder started at guard for Ursinus. Peggy Keagle also saw action as a substitute.

NOTICE, TRACK MEN

Coach Ken Hashagen announced today that all track candidates should report for the first practice on Wednesday, March 13, at 4 o'clock. Work-outs will probably be limited to light calisthenics until weather and track conditions permit going outside.

Grosbeck Shatters MacMahon's Mark

Kenny Grosbeck, diminutive freshman basketball star from Wildwood, N. J., ran away with the individual scoring title for Kellett's yearling court team this year, and at the same time broke the scoring record for a freshman when he tallied 190 points to eclipse Howard MacMahon's mark set last year. MacMahon scored 159 points in 15 games last season, while Grosbeck posted his record-breaking total in 13 games.

Grosbeck accounted for 73 field goals and 44 out of 64 fouls to accumulate his total which, incidentally, is exactly the same total that Bob Keehn, varsity high scorer, made. Grosbeck's greatest performance was against Perkiomen, when he scored 22 points. The only night during the season that he did not finish in double figures was against F. and M. at home, when he was blanked from the floor, but made 6 for 6 fouls.

Jimmy Ziegler was second for the first year men, with an even 100 points on 47 field goals and 6 foul tosses, while Paul Augustine ranked third with 64 tallies on 26 double-deckers and a dozen penalty casts.

Cubs Down Drexel Frosh In Season's Last Game

The Ursinus College freshman quintet closed its season in a blaze of glory by winning its third straight game, defeating the Drexel frosh on Tuesday evening on the Thompson-Gay court, 48-43.

The Cubs gained revenge for a defeat that they suffered on the road earlier in the season, and finished the season with a record of five victories and seven defeats. It was not until late in the season that the Kellettmen were able to round into form, but when they did, they took consecutive games from Norristown, Perkiomen Prep, and Drexel.

The game was nip and tuck all the way, both teams being tied at 12-12 at the end of the first period, but the Cubs held a slim margin at half-time, 21-19. Ursinus led, 30-26, at the beginning of the fourth quarter. Ken Grosbeck, sharp-shooting guard, and Jim Ziegler, who has been playing consistent ball all season, combined to score 30 points, while Parmet and Tonge also rolled up 30 Drexel scores.

Bears Beat Drexel In Season's Finale

Ursinus College's veteran basketball team closed its season last Tuesday when the Bears tripped Drexel, 39-36, in a loosely-played game on the local court. The game marked the farewell performance of Hal Chern, Hal Moyer, Frank Meade, Bob Keehn, and John Wise, who have played varsity ball for three seasons, and who will be graduated this year.

Apparently still stunned by the double beating they suffered the week-end before, Coach Hashagen's club played a very listless and sloppy game in barely eking out their tenth win of the season at the expense of the hapless Drexel Dragons. The first half was particularly bad, when the score read only 11-6 at half time, but the Bears perked up after intermission and put on a big enough spurt to turn the game over to the reserves in the final minutes with a commanding lead.

Drexel Scoreless in Second Period

Bob Keehn kept Ursinus in the game during the first half, when he scored three field goals to account for more than half of the winners' meager scoring. Drexel, however, could not take advantage of the off night, and managed to post only three field goals by half time, going scoreless in the second period.

Both clubs came to life in the second half and, with Chern, Moyer, and Hutchinson sparking the drive, Ursinus retained command of the game. The Bears had to put on a last-period rally to hold the lead, since the Dragons always kept within striking distance. Keehn was high man for Ursinus with 10 points, with Moyer a close second with 9. Barris led Drexel with 10 counters, while Etswiler and Gilliford each had 8.

Play Cast

Lunt as Mr. Prior, and Dudley Digges as the Rev. Frank Thompson. In the revival, top-notch Thespians were once again cast in the play, including Laurette Taylor, Helen Chandler, and Vincent Price.

The story that "Outward Bound" tells concerns a group of oddly assorted characters who are passengers on an ocean liner whose destination is unknown. Gradually they realize their destined port and their conjectures are confirmed by Scrubby, the bar-tender, who notifies them that they are headed for "Heaven, and hell too. It's the same place, you see".

Play Filled with Humor

Although Outward Bound is a play about death, it is never depressing. On the contrary, it is filled with humor and many laugh lines. For example, Mrs. Cliveden-Banks is finally convinced that she must be on her way to heaven because her corset fits so well.

As proof of its popularity, Burns Mantle, the noted New York critic, rated it as the only four star play of the season. Walter Winchell endorsed it in his cryptic style by saying, "The reviews were finer than the original appraisal . . . and they were raves"; and Robert Benchley called it, "Something to make any theatregoer's heart swell with pride. Worth a second, or tenth seeing."

Rehearsals for the play will begin this evening at 8:00. Because of the nature of the setting, an entirely new one will be constructed to attain more realistic effects on the stage.

at True Hope, informing her that their marriage was a legal one, that he was not dead, as she had believed, and that he intended to collect some of her hard-earned cash each month, as a compensation for the fortune that her dying father had suddenly willed to charity.

But, of course, villainy had to receive its just reward, and the audience was obligingly granted the satisfaction of hearing the villain being put out of the way very unceremoniously, so as to clear the course of true love.

Betty Lawton '40, the fragrant "Jessie Jassamine", and Jim Armstrong '41, as "Willie Work", her rabbit-shootin' sweetheart, very ably enacted the roles of two amorous rustics. Willie, it will be remembered, scored his triumph when he shot the villain instead of a rabbit.

Spirit of Nineties Reigns

As justice triumphed in all adversity, the spirit of the Nineties reigned supreme throughout the entire show.

Six vaudeville acts, for which the incomparable Fred Weiland '41, served as showmaster, preceded the melodrama. The acts included a portrayal of the famous "Shooting of Dan McGrew", and some acrobatic stunts performed by Richard Frohner '40, Fred Binder '42, and Garnet Adams '42. Gus Johnson, Jr., '54, Adams, Elliott Parks '43, and John Wise '40, illustrated the advance of a student from first grade to post-graduate work. Kenneth Snyder '40, and Gracemary Greene '42, sang two duets.

Mattern Discusses "Nietzsche And Fascism" for Faculty Club

The Men's Faculty Club met last Wednesday evening in Rec Center, with Mr. Charles D. Mattern of the English department as speaker.

Mr. Mattern's topic was, "A Few Similarities Between the Philosophy of Nietzsche and Fascism". In comparing these two viewpoints, he emphasized particularly the attitude of each toward war, a double standard of morality, the state, anti-intellectualism, and the position of women.
