Adolf Hitler Acquitted In Trial Last Week

Herr Hitler and his Nazi play mates went on trial in an IRC program last Wednesday, April 23. Judge Harvey L. Carter presided and an "impartial" jury gave a verdict of not guilty. Defense Attorneys "Doug" Davis '41, and "Vic" Troxell '41, successfully defended the mustachioed ex-paperhanger (Dick Shoemaker '41), against Prosecutors Eli Wismer '41, and Carl Santoro '40.

Der Fuehrer, charged by World Opinion with high crimes, mass murder, etc., pleaded not guilty. Herr Goering ("Bill" Ditter '43), Goebells (Denton Herber '42), and Fritz Kuhn ("Guff" Clark '43) lied-oops, testified in his behalf. Witnesses for the prosecution were Mr. Rauschnigg (Claire Borrell '40), Dorothy Thompson (Marion Witmer '41), Mr. Shotwell (Walt McCurdy '40), and Sir Neville Chamberlain (Joe Dubuque '41).

In the middle of a debate, Comrade Blum '41, vehemently inserted his "tuppence"—to which Judge Carter cocked an eyebrow and inquired, "Hmm—aid from Russia?" An abrupt end was put to the mock trial when the jury declared Hitler innocent, heiled, and goose-stepped off.

Reed Characterizes Folk of Spoon River

The "Spoon River" characters, whom the poet, Edgar Lee Masters, immortalized, were vividly portrayed by Daniel Reed on Saturday night in the Thompson Gay Gymnasium.

Mr. Reed, who came here under the sponsorship of the Ursinus Women's Club, enacted a well selected group of characters including the following: Fiddler Jones, Russian Sonia, Eugene Carman, Mrs. Kessler, Bert Kessler, Atheist, Reuben Pantier, Emily Sparks, Lydia Puckett, Lucius Atherton, Minerva Jones, Indigestion Jones, Dr. and Mrs. Myers, and Anne Rutledge.

Mr. Reed's dramatic portrayal of these common, but wise people, was heard by an appreciative audience, which was almost devoid of students.

Ursinus Tastes Victory Four Times in Record Sports Week

First Dual Track Win In Two Years

Led by freshman "Jimmy" Raban and old-reliable Ed Conine, the Ursinus cindermen of Coach Ken Hashagen won their first dual meet of the season Saturday against a talented Drexel outfit by the score of 58½ to 67½. By placing men in all events and by making a clean sweep in the dashes and broad jump, the Bears, all underclassmen, were able to garner enough points to take their first victory in dual competition since they defeated St. Joseph's two years ago. More than half the score was amassed by freshmen.

Veteran Ed Conine proved to be the "Eshbach" of the meet by taking high scoring honors with 13 points. First places in the 120-yard high hurdles and the broad jump, along with a second place in the low hurdles, accounted for Ed's points. The freshmen sprinters Raban, Irvin, and Hyatt, amassed a total of 18 points for the Bears when they ran in that order in both dashes. Besides these two first places, "Jimmy Raban copped

Ursinus Bears Down Princeton Cricket Team in 39-22 Match

Ursinus athletes added to the week-end record in baseball and track another win, taking it in a cricket game at Princeton University on Saturday. Twelve Grizzlies, led by Coach Donald G. Baker, defeated the Princeton team, one of the very few other cricket squads in this country, by a 39-22 score.

"Doc" Baker and "Bud" Graver led the Ursinus scoring and Coach Swinnerton of Princeton led the opposing squad.

Swinnerton, in the course of play, made what is known as a "hat trick". In England any bowler who bowls out three men with three consecutive balls receives a high silk hat as an award, and so the name "hat trick."

The Ursinus squad included Dick Evans, Dave Hartman, Bob Bauer, Joe Harrison, Jack Maurer, Bud Graver, Don Melson, John Yeomans, Ray Smith, J. Carey Thomas of Haverford, "Doc" Baker, and Richard his brother.

The next game is with Haverford on Tuesday, May 7.

Jayvees Drop Opening Game By Close Score to Perkiomen

The jayvees finally opened their season on Wednesday, taking the short end of a 5-3 score against the Perkiomen nine. A futile hitting attack and shaky pitching contributed to their downfall in a loosely played game.

The game started well for the Kelletmen as Raban drew a pass, stole second, and scored on Augustine's single in the first. They annexed another in the third, but the storm broke in the fourth, as Garlock's wildness coupled with a pair of timely bingles sent four men across the dish for a lead the upstream boys never relinquished.

Even so it seemed the game might be saved when Augustine and McGowen hit safely and Glass drew a bye. Then with two out Tom Strange rapped a dribbler to

Jingmen Take Two Games And Lose One

By Don Johnson '43

The Ursinus baseballers returned Saturday night from their three-day trip with a creditable record of two wins and one loss. The wins were at the expense of Bucknell and Juniata, by scores of 7-4 and 7-2, respectively, and the defeat was handed out by Dickinson to the tune of 7-0. The wins are important, however, as they represent upward steps in the Conference race. Ursinus now leads with two wins and no losses.

On Thursday, despite the nine-day layoff from the Lehigh game, the team continued the fine playing shown there by taking Bucknell into camp, 7-4.

Scoring Begins in Third

After two scoreless innings, the Bears collected three runs in the third when, with two out, Fetterman and Moyer drew walks and Atkinson and Wise doubled. Bucknell came back in their half of the third to tie the game at three-all. Catherman then singled and scored two more. The Grizzlies broke the deadlock in the fourth when Thompson singled, went to second and third on outs, and scored on Keehn's timely single. Faced by "Smoke" MacMahon the next inning, the Bisons went down one, two, three. Two runs were garnered by the Jingmen in the fifth inning. Bucknell's only run against MacMahon was scored in the fifth on singles by Allen, Buzas, and Catherman. The Bears added their last marker in the eighth when "Toy" Dawson singled, went to second on Hickie's error, and scored on Fetterman's single. MacMahon allowed only one hit during the rest of the game.

Swift Strong Friday

On Friday, Fred Swift came back to give a brilliant mound performance and sparked the Bears to a victory over their old jinx, Juniata, by a score of 7-2. Ursinus scored one run in the first inning on Fetterman's single, Moyer's sacrifice, and Atkinson's single. Another tally was made in the second. In the third, Swift received a base on balls, went to second on an overthrow by the pitcher in an attempt to pick him off at first, and scored on Thompson's double.

For the next score Atkinson walked and Wise sacrificed but was safe on an error by the catcher. Swift moved them up with a perfect sacrifice, and Thompson scored Atkinson with another "pinch" single, putting Wise on third. Wise came home on a perfectly executed double delayed steal with Ed Thompson.

Thompson's Hitting Regular

In the seventh Wise and Swift singled, and Thompson forced Swift at second, sending Wise to third from where he scored on another steal. The final run came in the ninth.

Meanwhile, Fred Swift mowed down the Juniata stickmen with regularity, only three men reaching first base in the first six innings. In the seventh, two unearned runs were scored by the Indians when Grega reached first on Wise's dropped throw and came home on Leopold's triple. Leopold scored on Reklis' fly to short right field.

Saturday found the Bears at Dickinson in the poorest performance of the trip for the team; the score, 7-0 against them.

Walt Chalk started on the mound for Ursinus and pitched very commendable ball for six innings, holding the Red Devils to four hits and two runs in that period. Going into the seventh, however, the Bears' defense fell apart, and Dickinson scored five runs on six questionable hits and one error, coupled with sluggish fielding by the Grizzlies. Howard MacMahon

The Position of Intelligent Opposition Today

The old cry of keeping the last spark of democracy alive on this continent in face of European troubles is becoming somewhat ironical today in the chord it sounds. It is a phrase that is employed with similar vigor by two widely opposed factions in the country, neither one willing to admit the sincerity of opposition. The problem of freeing the inherent possibilities of individuals must not be believed to be the singular possession of the "left" groups or the "right" groups, nor can either group believe that the situation of the individual in American democracy is at all secure.

President James Bryant Conant, staid Harvard's head, has hit at some of the problems of the American individual in an article entitled "Education for a Classless Society", appearing in the May issue of *The Atlantic Monthly*. The article considers the three fundamentals of the Jeffersonian tradition, freedom of the mind, social mobility through education, and universal schooling, with emphasis on the second one. He warns among other things of the danger of the extinction of conscientious objectors, or radicals as he calls them.

"Native American radicalism has all but disappeared. Our young people now seem forced to choose between Bourbons and latent Bolsheviks. But without a restoration of the earlier type or radical, the Jeffersonian tradition in education—freedom of the mind, social mobility through education, and universal schooling—will soon die. Obviously it cannot long survive a victory of the socialistic Left—there is no place for such ideas in a classless society on the Russian model which is not free. And it will likewise disappear automatically unless a high degree of social mobility is once again restored. To keep society fluid, the honest and sincere radical is an all-important element. Those in positions of power and privilege (including college presidents) need to be under constant vigilant scrutiny and from time to time must be the objects of attack. Tyrannies of ownership and management spring up too readily."

The Commentator

THE THREE BEST THINGS WORK'S IMPORTANCE

Presenting comment on a matter more directly connected with Ursinus students, we here reprint the theme of a recent chapel address. It is a poem entitled "The Three Best Things", by the noted American poet, Henry Van Dyke.

I WORK

Let me but do my work from day to day,
 In field or forest, at the desk or loom,
 In roaring market-place or tranquil room;
 Let me but find it in my heart to say,
 When vagrant wishes beckon me astray,
 "This is my work; my blessing, not my
 doom;
 "Of all who live, I am the one by whom
 "This work can best be done in the right
 way."

Then shall I see it not too great, nor small,
 To suit my spirit and to prove my
 powers;
 Then shall I cheerful greet the labouring
 hours,
 And cheerful turn, when the long shadows
 fall
 At eventide, to pray and love and rest,
 Because I know for me my work is best.

II LOVE

Let me but love without disguise,
 Nor wear a mask of fashion old or new,
 Nor wait to speak till I can hear a clue,
 Nor play a part to shine in others' eyes,
 Nor bow my knees to what my heart
 denies;
 But what I am, to that let me be true,
 And let me worship where my love is due,
 And so through love and worship let me
 rise.

For love is but the heart's immortal thirst
 To be completely known and all forgiven,
 Even as sinful souls that enter Heaven:
 So take me, dear, and understand my worst,
 And freely pardon it, because confessed,
 And let me find in loving thee, my best.

III LIFE

Let me but live my life from year to year,
 With forward face and unreluctant soul;
 Not hurrying to, nor turning from, the
 goal;
 Not mourning for the things that disappear
 In the dim past, nor holding back in fear
 From what the future veils; but with a
 whole
 And happy heart, that pays its toll
 To youth and Age, and travels on with
 cheer.

So let the way wind up the hill or down,
 O'er rough or smooth, the journey will
 be joy:
 Still seeking what I sought when but a
 boy,
 New friendship, high adventure, and a
 crown,
 My heart will keep the courage of the quest,
 And hope the road's last turn will be the
 best.

From *The Poems of Henry Van Dyke*.

Most important in an age of extended unemployment, some of which is voluntary, but in general, unavoidable, is the section entitled "Work".

The scarcity of work has not unfortunately made some realize the intrinsic value in it as well as the money and economic security it brings. On the other hand, it is hard to think clearly on the other two of life's best things when the problem of unemployment still stares many in the face.

GAFF from the GRIZZLY

That awf'ly long meal last Wednesday was the waiters' reaction to Barnes' demand for slower service. Der FOOerer sizzled when the garcons fairly crept along, but he tried to save his face with, "Anyway, fellows, you don't get hot all over serving this way". To which one wag retorted, "No, Chas., but some of us get hot under the collar!" . . . John, the local bistro baron, reports a temperance tendency. Seems the lads now order the birch rather than burp variety . . . Everything was not so Ko(l)-sher when a campus cutie inadvertently caught Herman the German sans shirt—and pants, shorts, etc., t'other week . . . Does Doris Harrington know that the sweetmeats her candy-selling heart beat gives her are the two-for-a-penny kind?? . . . Then there's the story about the undertaker who went slab happy . . .

The Freeland Blitzkrieg committee, rained out for the past few weeks, announces increased aerial activity with the advent of warm weather. Credit Terry Thierolf with designing the new paper missiles . . . Al Pawling all thrilled when he crashed Sunnybrook annex for the Dorsey dawnse. Over the barbed wire and in for free—but it cost him half a clam to get his rompers repaired . . . Memorial Wisdom: Twosomes that become threesomes are no longer toothsome . . . Amused by the foreign propaganda via the air lanes. Seems they think that oral "gas" is more potent than the poisonous variety . . . Member the Introfinal last year, where it asked for a description of the heart beat? Give our Gulden mustard lid to the sharper who wrote, "I dunno exactly, but every time I see Harshaw, mine goes thump, THUMP!"

Gone! Gone, the Ursinus tradition! Never more will men say, "Hand in hand they wandered over the soft green campus". Daringly in the face of etiquette we have wronged too long. Holding hands is on the wane.

"FASTEST BASE-RUNNER IN BASEBALL"

HE'S SAFE AT SECOND BY A SPLIT SECOND! Yes, it's another
 stolen base for George Case. He stole 51 bases last season . . . led the
 major leagues . . . won wide acclaim as the "fastest man in baseball."
 It makes your legs ache to watch him, he runs so hard . . . so fast. But
 when George lights up a cigarette, speed is out. "No fast burning for
 me," he says. "I always smoke the slower-burning brand . . . Camel.
 Camels give me several big extras in smoking."

Looking 'Em Over
By D. D.

Hash's surprise announcement of a track meet with Drexel threw the whole squad into sudden confusion. Most of the runners had slipped out of condition during the rainy spell.

Pete feted the wrestling team at his home down in Conshohocken on Friday evening.

Stine Hall Manor entertained 143 paid admissions with a great water fight on Saturday. Next year's Brodbeck residents watched the whole fuss with a feeling of apprehension.

The baseballers enjoyed a successful trip during the past weekend, the only fly in the ointment being that the athletes wanted to stay away a couple of days longer. Of course, this attitude was not influenced by the necessity of attending classes.

According to "Shorty" Johnson, the May Dayers are still a long way from top form.

Jack Garlock's wad of Beechnut successfully carried him through the first three innings of the Jayvee game, but some juice got in his eye in that fourth.

The weekly orchid corsage goes to "Smoke" MacMahon for his fine job of relief pitching against Bucknell on Thursday.

"Lefty" Whitman and George Robinson, former Ursinus athletes, are starring for the West Chester Teachers' nine.

The news of the week is that Ursinus is distinctly tainted with professionalism. This charge was made by a Carnegie bulletin, and used by O'Neill and McBurney, authors of the Comp. 6 book as examples for English composition material.

Ursinus, along with Columbia, Stanford, and Southern Methodist, was recorded giving scholarships to athletes from special funds, and that there were 16 scholarships frankly termed as athletic being awarded here.

Colleges using school funds for such scholarships, say the Carnegie authors, include Southern Methodist, N. Y. U., Drake, Southern California, and Ursinus.

Well, if all this is true, it's nice to know that the Bears traveled in such fast company.

- Intramurals -

Curtis and Brodbeck were victorious in softball matches during the past week. Rain and wet grounds again hampered other intramural activities.

Games this week will be: April 29—Brodbeck vs. Freeland. Highland vs. Stine.

The One Hole Golf tournament will be held on Thursday. Contestants must report on the golf course between two and five o'clock. The winner will be presented with an intramural medal.

Howard Wise retained his ping pong championship when he defeated Felix Karpinski in straight sets, 21-15, 21-18, and 21-17.

short. Augustine scored as Glass beat the throw to second leaving the bases filled and the tying runs within scoring distance. Glass, however, overran the bag and was nipped diving back, breaking up the rally and the ball game. The next engagement is scheduled for May 3 with Brown Prep at home.

a third place in the broad jump to become the second high scorer for Ursinus.

"Russ" Huckel made the best mark of the day when he jumped 5 feet 11 inches to cop the high jumping event while "Ev" Morrow, freshman stalwart, threw the shot a distance of 41 feet 9 inches, to defeat Burrows, Drexel's highest point scorer.

Among the other point-scorers for Ursinus were Joe Ingham, who took first place in the low hurdles and second place in the broad jump; Jowett, who lost a very close race in the mile event; Adams, with a second in the two-mile; and "Jug" Ehlers, who lost by inches in the discus to Drexel's Burrows.

On Wednesday afternoon the Bears will face the strong F. and M. aggregation in a dual meet scheduled to take place on Patterson Field at 3:00 o'clock.

College To Sponsor Fifth Open House Track Meet

The Fifth Annual Interscholastic Track and Field Meet will be held on Patterson Field at one-thirty o'clock on Saturday afternoon. The College sponsors this meet for the high schools of District One, P. I. A. A. "Jing" says that entry blanks have been mailed out to seventy-two different schools. Class "A" schools will enter thirteen in the meet, while Class "B" consists of fifty-nine entries.

Norristown, Coatesville, and Lower Merion seem to be the "A" class teams to be watched, whereas Ridley Park and Ambler are likely to come through in the class "B" division. The winners last year, in the "A" group, were Coatesville in the relays and Norristown in the field events. The "B" events were won by Ridley Park, with Ambler a close second. Because of the five-hundred competitors, all the heats are run against time.
