Byron Sisters Find Adults 'Suggestible'

By Mabel Ditter '39

"Children make the most exacting magic audiences of all." Authority for that statement is Roberta Byron '39, who has been giving performances in the black art since she was eleven.

Roberta has been called one of the world's greatest magicians. She and her sister Marion '42, have performed before professional magicians and non-professional audiences both in the United States and in Europe. Next Saturday evening, February 11, they will appear in the Ursinus gymnasium to present a program specially sponsored by the Curtain Club.

It was in connection with this forthcoming performance that Roberta explained about audiences. Adults, she thinks, are easy to fool because they want to be fooled. They're "suggestible." Children, on the other hand, want to know how; only perfect technique will mystify them.

First Performance

Roberta's first performance, she recalls, was for a very noisy group of youngsters in Philadelphia. Her most exciting, though, was the twenty minutes before that first magicians' convention in Lima, Ohio, when she was twelve. "I was thrilled by the cheers," she said, "and they gave me a wristwatch, too." Roberta showed me the silver watch with its engraved inscription "To Roberta." "It doesn't seem real now," she added.

Asked about her philosophy of magic, Roberta explained how her own programs have been evolved. Magicians used to remain on the stage, always remote from their audiences, she explained. Now the remote mystery is gone, and we speak of "suitcase magic."

"My sister and I feel that there's still a place for stage magic, but not two hours straight dose of it," she said. "We have added the costumes; we mix our magic with art and humor. That's why we call it 'Artistic Magic,' and we know there's a place for it."

Seasoned performer though she is, Roberta's last word was about stage-fright. "I'm always scared stiff before I go on stage," she said. "Marion takes it much more calmly, but I have to be up there, started on my first act, before I feel steady. I guess I'm just nervous," she concluded with a smile.

Campus Views of the Byrons — Now You See It

Various "Vox Pop" and "The Man on the Street" radio dissertations have no superiority over the Ursinus mouthpiece, the Weekly, for it too has collected public opinion on a topic of universal interest, the Byron Magic Show, to be presented on February 11 in the Thompson-Gay Gymnasium.

Here is what some of the "Ursinusites on Campus" have to say about the mystic program which is to appear at Ursinus:

Bill Power '39, "Everyone should go. The Byron sisters look as good as Thurston the magician to me."

Margaret Lucker '39, "The Byron sisters are really good magicians—in fact the best I've ever seen."

Betty Bickhart '40, "I know it will be good."

Geraldine Yerger '39, "I think they are really fine magicians—far too good to miss."

Bill Snyder '40, "I'm going to try to borrow fifty cents to go."

Thelma Naugle '40, "I've never seen them but I'm anxious to because I've heard they are wonderful. Buy your tickets from me."

Jane Roberts '40, "I think it will be excellent."

PRICE, 5 CENTS

Court Five Defeats Lebanon Valley, P. M. C. During Week

-- February 15 Double Deadline --

William Yeomans, treasurer of the class of '39, will receive seniors' \$4.00 class dues any time before the February 15 deadline. He can be seen on campus or in Bomberger after lunch.

Morris Clark, business manager of the 1939 Ruby, says the \$3.50 year-book subscription for members of other classes must be paid before the same deadline. Price will rise after Tuesday.

Fraternity Bids To Be Extended Wednesday; Today Marks Beginning of Sorority Rushing

By Wednesday noon more than half of the men of the freshman class will belong to the five campus fraternities, and the rushing uproar will subside until Easter, when bidding may again be resumed under Interfraternity Council ruling.

Tomorrow night each fraternity will hold Open House in one of the men's dormitories. Each freshman who was invited to any of the formal frat parties last week is privileged to attend these final look-'em-over soirees of the fraternities which previously invited him.

After 10:30 tomorrow night the noncommunication period will be enforced by a tour of inspection by the Interfraternity Council.

The Council will then compile a list of the names of all freshmen offered fraternity bids, and this list will be posted on the outside bulletin board Wednesday morning after breakfast. All those freshmen named will go to the designated location to receive their bids.

All bids must be immediately accepted or rejected.

Sorority rushing season begins today and extends to Saturday, February 11. According to Edith Houck '39, president of Intersorority Council, the following arrangements have been completed.

Following the precedent of last year, each sorority has been allotted one evening to treat their "rushes" to a banquet, followed by games, etc. The dates have been assigned as follows:

Monday, February 6—Alpha Sigma Nu. Tuesday, February 7—Phi Alpha Psi. Wednesday, February 8—Omega Chi. Thursday, February 10—Tau Sigma Gamma.

Rushing ends officially at 12 p. m., February 10. The list of girls receiving bids will be posted on the bulletin board in Bomberger at 9 a. m., Saturday, February 11. Bids will be given out by the secretaries of the sororities at noon of the same day in Bomberger. "Rushes" must make choices immediately.

After the close of the rushing period Friday night, sorority members are forbidden to communicate with any "rushes" on sorority matters until all bids have been returned the next day.

(List of sorority members appears on page 2)

Walton To Return For Coming Lorelei Dance

Clyde Walton and his ten-piece orchestra, accompanied by two vocalists, will synopate for the annual Lorelei Dance to be held in the Thompson-Gay Gymnasium on Friday night, February 19.

Walton's orchestra will be remembered as the one which pleased a large crowd at the Varsity Club Dance last November.

The decorations for the dance, in keeping with the spirit of the occasion, will consist of Lorelei characters in typical poses.

The chaperons will be Mr. and Mrs. Maurice O. Bone, Mr. and Mrs. Paul R. Wagner, and Mr. and Mrs. Donald L. Kellett.

Lillian Bedner '39, is chairman of the committee in charge of the dance, assisted by Elizabeth Lawton '40, Louise Kern '41, Raymond Gurzynski '39, Charles Steinmetz '40, and Frank Wood '41.

Ursinus "Bowery Night" Planned For February 24 In Gymnasium

"Bowery Nite," resplendent with "pop" and pretzels, nickelodeon, and male quartet, is the bill for Ursinus Friday, February 24, at 8 p. m., in the Thompson-Gay Gymnasium, as planned by the "Y" organizations.

A party for all students, rather than for couples only, the admission is twenty cents per person. Besides the Bowery decorations, tough-looking clothes are encouraged to complete the old-fashioned setting.

Chaperons for the "nite" are Miss Camilla B. Stahr, Miss Lynell Reber, Prof. and Mrs. F. I. Sheeder, and Mr. and Mrs. Eugene Miller. The committee in charge includes Lois Taylor '40, Roger Wardlow '39, Ruth Ludwig '41, Glenn Eshbach '39, Vivian Judd '40, Kenneth Bishop '40, Edith Houck '39, Elizabeth Lawton '40, Elizabeth Shearer '40, and Nicholas Barry '41.

McClure Named to Official Post

President Norman E. McClure was elected treasurer of the Pennsylvania College Presidents' Association at the annual meeting of the group held Friday, January 20, in Harrisburg. At the same time the Trustees' Association of Liberal Arts Colleges of Pennsylvania elected Donald L. Helfferich, College vice-president, as secretary.

Curtain Club Tryouts Tomorrow

Second semester tryouts for membership in the Curtain Club will be held tomorrow evening at 8 o'clock in Bomberger. Candidates will recite or read any dramatic passage, prose or poetry, not to exceed three minutes in length.

Ursinus Students and Faculty To Attend Temple Conference

Ursinus students and faculty members have been invited to attend the Post-Madras Conference which will be held at Temple University's Mitten Hall this Thursday, February 10, from 4:30 to 7:30 p. m.

The conclave will hear three speakers report on the International Missionary Conference held at Madras, India, from December 12-30, 1938, and show its relation to the present critical world situation.

Professor Gonzalo Camargo, of Mexico, will deliver the main address. Dr. P. S. Hasu, former professor of philosophy at Yenching University, China, and Miss Sircar, an executive secretary of the Student Christian Movement in India, will speak briefly.

Dinner at the conference will cost fifty cents per person. Transportation arrangements and dinner registrations should be made with William Wimer '39, or Jane Poling '39, by Wednesday, February 8.

Women Debate Swarthmore

The women's varsity debating teams opened their season against the Swarthmore men's team last Tuesday in a no-decision debate on the question, Resolved: that the United States Government should cease to use public funds, including credit, for the purpose of stimulating business.

The debate was held before the Swarthmore Women's Club. Mabel Ditter '39, and Elizabeth Funk '40, upheld the affirmative. Robert Austin and John Pemberton argued for Swarthmore on the negative side.

The same "pump priming" question argued at Swarthmore will be the subject of the next debate to be held on February 8 with Drexel.

Chern, Keehn Scintillate as Strong Foes Fall 40-39, 54-34

A last minute field goal by Abe Chern enabled the Ursinus College quintet to nose out a previously undefeated P. M. C. team Friday evening in the Thompson-Gay Field Cage by a score of 40-39.

In the closest game of the season the lead changed hands no less than nine times. Going into the last minute of play, the Chester Cadets, conquerors of LaSalle, were leading 39-38 by virtue of a long shot by Willy Piff, but Bobby Keehn took the ball up-court and flipped a pass to Chern. Chern took the ball in full stride and whipped it into the basket for the two points that meant a Bear victory. A few seconds later the gun ended one of the most exciting games ever played on the local court.

Gardecki led the Cadet attack with 6 goals and a brace of fouls. Teaming with all-around athlete Willy Piff, he kept the Bears on their toes all evening.

Chern High

Abe Chern, with 5 field goals and a pair of fouls, led the Ursinus attack; Sparky Meade chalked up 4 field goals and 2 fouls for ten points; Bob Keehn landed 4 buckets and a single foul.

The game started off peacefully enough with Gardecki dropping a basket for P. M. C., and Sparky Meade tying the score. Willy Piff scored, but then the Bears began to click. Hal Moyer dropped a foul shot and Bob Keehn sank a set shot to send Ursinus ahead, 5-4. Keehn then dropped two more sensational long shots. Piff whipped the ball into the cords, and the score stood at 9-6. On a foul shot, Chern got one of these back again, and Meade split the cords for 12-6. Spang broke into the scoring with a basket, and the teams took time out.

A pair of quick goals sent the Cadets into a tie, but Johnny Wise spun one through the hoop for a Bear lead. Gardecki's foul cut this to a single point until Wise's free throw made it 15-13. Meade made good a short shot, which Gardecki countered. Chern sank a long shot from the side to increase the narrow edge, but Gardecki tossed in

Alumnus to Address Society

Robert Trucksess, an Ursinus alumnus and Norristown attorney, will be the guest speaker at the Pre-Legal Society meeting next Monday evening, February 13. His subject will be—"The Activities of a General Law Practitioner in a Small City." Mr. Trucksess is the donor of the Robert Trucksess prize, given annually to the senior who has excelled in studies leading toward the law.

Men Captain Dean's List By Slight Edge; Stine, Five Women's Halls Tie For Minority

By Denton Herber '42

On Sunday, January 29, the first devout pilgrims, with fingers crossed and hearts in mouths, began the tedious climb up the winding stairs of Bomberger. Fearfully did they advance toward the office of the Dean, and with trepidation did they consult the glass-enclosed oracle to learn their fate. After a detailed survey, their findings have been tabulated, checked, and rechecked in true Gallup fashion, and are here presented for your edification.

Of the forty-eight students whose names appear on the list, the men hold a slight edge, twenty-five to twenty-three. Compared with the list at the end of the first quarter, there is an increase of three, for at that time the names of fourteen women and thirty-one men students graced the list.

Freshmen and sophomores dominate the list with twenty-four and seventeen, respectively, while juniors and seniors lag behind with five and three in that order.

The Chemistry-Biology group again furnished the most students to the list, eighteen. Next in order of ranking came English, eleven; Business Administration, ten; History-Social Science, six; Mathematics, two; Modern Language, one; and Physical Education, one.

Classifying according to men's dorms, Curtis led the way with seven. Close on its heels came Brodbeck with five, while Highland and Freeland were tied at three. Derr and Stine contributed but two and one respectively. The women's halls ranked as follows: Glenwood, five; 944, three; 612, three; Sprinkle, two; South, Lynnewood, Clamer, Shreiner, and Maples, one apiece. Ten day students completed the list.

GAFF from the GRIZZLY

Flash=Light High-Lights

Flash—From "the other" well-known columnist we borrow that too, too delightful custom of passing out posies for memorable deeds. We offer daisies rather than orchids, for daisies not only "do not tell," but in the Language of the Flower they mean "Innocence" (a protection against libel).

Our first daisy to be plucked goes to the kitchen force and all college officials concerned with trying to make the digestive tract function a bit more smoothly during the strain of exams. Especially for the "Wolf-dorf Hysteria" type meal of fried chicken, les pois, et cetera. "A" daisy? A whole darn bouquet!

Flash—Contrary to persistent rumors, no one has been expelled from Ursinus for calling one of our higher officials names. The statement was "That's our dean," not "that sardine."

Flash—A tip to those tricky Byron girls—tricky, that is, in the professional field:

If in need of a stage hand versed in sleight-of-hand work and the art of quick change, first inquire into the experience of Freshman Heefner, our up and coming organist. He pounds a mean ivory, but you should see his quick change act. Hoopes, my deah!

Flash—Advance reports have it that the 1939 edition of gridiron grunners will reside at the Ursinus Outpost — Highland Hall. Preceptress Pierre Stevens will turn out the lights for the boys at 9:30 p. m. and run them through plays each morning from their Horsepower Haven to Bomberger.

Loud protests are already emanating from Maples and the College Drugery. Train athletes at Ursinus? Tush, tush—we nevah did before.

Flash—The Ursinus medico dept reports of the following diseases on campus, and warns to watch for the common symptoms as well as the common simletons.

1. The Jitterbug Hoof Disease—rare examples found at Doc's.
2. Bookworn scourge—common at exam time — dangerous to those not used to books.
3. Bright-ies' Disease—The B list students afflicted mainly.
4. Hardening of the Arteries—Usually found in the faces of women who have just found out they weren't bid by a sorority.

Flash—Hollywood is contemplating a sequel to Robin Hood, but it hasn't quite decided what it should be. Here's your columnist's suggestion for title and cast. "Hash Hood and His Fightin' Five"

- "Little John" Wise
- "Much" Point Keehn
- "Friar Tuck"ered out Meade
- "Mayor of Sherwood Maples Forest"—Chern
- "Scarlet" Red Faced Power

- Cinema Similes:**
1. Idiot's Delight—Psych 1, 2.
 2. Son of Frankenstein—Anybody challenging Steinmetz?
 3. A Man to Remember—He who gave you an E at semesters. Just forget him if you got an F.
 4. Jesse James—Same as "A Man to Remember". The Robber!
 5. Topper Takes a Trip—Sea-graves goes to another Beaver Blow out. Tails, Toppers, et al.

Official Praises College Med School Record

In a recent letter to the officials of Ursinus College Dr. F. C. Zapffe, Secretary of the Association of American Medical Colleges, writes as follows:

"Ursinus should be proud of the record of its students in medical schools. During the past eight years, seventy-four Ursinus students have entered medical school.

Of that number, only one student failed; sixty-eighty-one percent, came through with a clear record, and thirteen had subject conditions or failures — seventeen and five-tenths percent.

"This is a very good record for any school to make. Last year, 1937, all five Ursinus students came through with a clear record; in 1936, eight out of ten."

Montgomery County Alumni to Dine, Dance, on February 17

The Montgomery County Alumni Association will dine and dance at Norristown's Valley Forge Hotel on Friday, February 17, at 7 p. m. Chairman of committee for arrangements is Harvey B. Danehower '08, of Norristown. All Ursinus Montgomery County alumni are invited.

"Pug" Williams Gets the Rabbit Foot

We were a hundred miles from home to play our biggest out-of-town game. In the afternoon practice, Snake Jones, our star forward, was terrible.

He couldn't put a ball through a ten-foot basket—the way he was shooting. Finally he says, "I can't help it, Pug. I left my rabbit foot home."

"Don't worry!" I told him. "I'll get you one." "No use," says he. "It's got to be that rabbit foot or I can't shoot 'em."

Then I thought of Long Distance. In five minutes I had one of Snake's fraternity brothers on the road with the lucky hunk of fuzz.

Not that I believe in that voodoo stuff, y'understand. But it certainly works on Snake! Personally, I'd rather depend on some scientific magic—like a Long Distance call.

The Observer

Last week I was fortunate in being able to see two more basketball games played on our home court. I was fortunate not because I had the opportunity to attend two games, but because I did witness the play of a revived team. I mean a team that was convalescing—convalescing from the disease of "inconsistency."

Followers of the Ursinus squad never doubted that our team was capable of the team-play so prevalent against Lebanon Valley. No followers refused to give our players credit for the fight they displayed in the P. M. C. game. But the majority of fans who attend an Ursinus game always do so unassured of the quality of the play to be exhibited. This attitude in all probability had received a rough set-back by the time the P. M. C. game culminated. Our boys, starting to play smart basketball with the Gettysburg game, played before exams on January 14. From the first minute of the game they demonstrated a fine grade of basketball. All this causes me to wonder if the high potentialities, so often connected with our team, will not be finally realized.

Fast Cuts Pay Off

Coach Hashagen must have enjoyed a few happy moments when he saw his team set up opportunities for blocks, followed by deceptive and quick cuts, a fast accurate pass, and then a basket. Hal Moyer and Sparky Meade, on the receiving end of several of these plays, deserve plenty of credit for eluding their men, enabling them to receive a pass for a fast but easy under-the-basket shot. In the Lebanon Valley game especially were our men alert to the openings and opportunities for quick dashes toward the basket.

Meade looked better than ever before in his driving in to retrieve the ball from both banking boards. Since height is at a premium on our team, this service is most necessary, and Meade has done yeoman duty in the past in this respect. Keehn was steady on his shots and usually made his attempts, or was fouled in his efforts.

No Let-Down Against P. M. C.

This writer expected a let-down in the team for the P. M. C. game, but such a slackening failed to materialize, and another whirlwind ended in our favor. The fast, short passing common during the forty minutes of the Lebanon Valley game was missing in the first half of Friday night's fray, but began with the second half after Coach Hashagen had probably prompted his boys to move the ball faster via their passing attack.

In this game Moyer and Meade again stood out somewhat above their team mates. Moyer did a fine job of guarding one of the trickiest and shiftest men ever on our court. Chern and Wise also guarded well, but Keehn had his hands full with the game's high scorer, who was a dribbler and floor worker par excellence. Against Frey of Lebanon Valley, though, Keehn did well, and guarded him as capably as any two-armed person could.

Only Three More Home Games

At this point I cannot help but look to the future, when I see lying ahead of the team eleven games, of which only three are played at home. I have no fear for the outcome of these games as long as our team decides to play the caliber of basketball they demonstrated in the past week. One poorly played game that ends in defeat, however, can easily erase all memories of two hard-played and well-deserved victories. The actual playing season for basketball is a short one comparatively, and our boys should look ahead with teams like Muhlenberg, Swarthmore, St. Joseph's, F. and M. and Gettysburg well in mind. They are the obstacles in the road, and in less than one short month—26 days to be exact—the season will be history.

The league race is still wide open. Victories over non-league opponents would gain us no little prestige. Look out, though, for that disease of inconsistency!

Temple Matmen Trounce Stevens' Proteges, Capture All Bouts in Season's Inaugural

"Pete" Stevens' Ursinus wrestling team received rough treatment Saturday afternoon in Philadelphia when Temple University crushed the Bear grapplers, 34-0.

The Owl matmen won all eight events, including a forfeit in the 155 pound class as a result of a leg injury suffered by Captain George Meklos last week.

The Philadelphians had little trouble in handing ex-Temple football star "Pete" Stevens' charges this decisive setback. Robert Worthing, John R. Witman, and Charley Steinmetz all lost on decisions, while Bill Snyder, Joe Lobby, Jim Armstrong, and Max Zeski were pinned by their rivals.

Lobby fell in the shortest time of the day when Al Barshay dropped him with a half-nelson in 3 minutes and 20 seconds. Armstrong lasted 9 seconds longer while Captain Paul Risser took 4:43 to squash Zeski. Snyder succumbed to a double armlock after 7 minutes and 54 seconds with Pete Bernardino.

Captain Meklos injured his leg during practice last week and could not compete, but Stevens expects him to be in shape by Saturday when the formidable Lafayette matmen play host to the Bears on the Easton mat. The Bears received a jolt earlier when "Gordy" Astheimer, veteran of last year's squad, was declared ineligible due to scholastic difficulties. However, Stevens expects to mold a winning outfit out of his squad in spite of the difficulties.

Cubs Beat Lighthouse, Lose To Perkiomen

The Ursinus Frosh broke even last week, dropping their game on Wednesday to a strong Perkiomen Prep quintet, 32-29, and then coming back to swamp the Lighthouse Boys' Club of Philadelphia on Saturday, 54-30.

The Bear Cubs, led by the high-scoring MacMahon, played a good game in the first three periods and rolled up a lead of 25-18, going into the fourth quarter. But here the Preppers rallied to tie the game and send the contest into overtime. The Frosh weakened in this extra period and were finally nosed out, 32-29.

The game with the Lighthouse Boys' Club was a different story with the Cubs enjoying an easy romp over the Philadelphia quintet, rolling up a lead of 31-14 in the opening half, and increasing this to 54-30 before the final whistle blew. MacMahon, high scoring forward from Brown Prep, topped the field with 9 baskets and 3 fouls for a total of 21 points.

Sportland Ferry Tale

The following item appeared in the Friday, February 3, issue of "The York Dispatch."

"Jing Johnson, Director of Athletics at Ursinus College, knows more about his geography for having tangled with the girls' hockey team over a match at William and Mary College but it cost him a pretty penny. The gals wanted to make the trip and Jing likes to keep expenses down so he agreed that the College would pay all other expenses if the gals paid their own gas and oil. The cunning cuties then decided to save gas and oil by ferrying across from Cape Charles and the ferry bill was \$20."

The Weekly sports department suggests that a "floating" loan be provided for the girl sticksters the next time they travel to William and Mary College.

two hard ones from the pivot and tied the ball game up. Biasiotte converted a free toss to send P. M. C. ahead, 20-19, as the half ended.

Second Half Hot

The second half began as the first had ended, Biasiotte sinking another foul to increase the cadets' margin. Boandl scored, but Chern converted a pair of foul shots and then whipped the ball into the net, after making a beautiful pivot, to tie the game, 28-28. Hal Moyer slipped under the basket for another, but Shroeder tapped the ball in on a close play before Keehn sent the home team into the lead with a beautiful set shot and then converted a foul toss to give Ursinus a 33-30 margin.

Gardecki broke loose on the pivot again but Moyer made good a free throw. P.M.C. scored on a hot fight under the basket to tie up the ball game and then forged ahead on Gardecki's foul throw. Meade shot from the corner to bring back the lead, 36-35, but Boandl wiped it out with a short center shot. Hal Moyer, cutting quickly under the basket, gave the Bears 38-37. Chern missed a brace of fouls, just before Gardecki fouled Keehn and was sent to the showers. Keehn failed to convert with 2 minutes of the game remaining. Piff then sank the beautiful long shot which sent the Cadets ahead by a single point, but Chern took Keehn's pass to win the ball game, 40-39.

Ursinus 54, Lebanon Valley 34

The Bear courtmen seemed to suffer no let-down from the exam lay-off, as they rolled over Lebanon Valley in top form last Wednesday night 54-34, on the home boards.

Chief Metoxen's boys had beaten the highly rated Muhlenberg quintet the night before, but were powerless against the Hashagen sharpshooters. Bob Keehn was once again high scorer, with 18 points, while Frey was tops for the visitors with 14, before leaving the fray on personal fouls. The Bears also probably established a League foul-shooting record, looping 16 out of 20 fouls.

Keehn broke the ice with 2 fouls in the first minute, followed quickly by John Wise's foul and field goal. Keehn, Meade, and Keehn again accounted for successive field goals on tricky passing to establish an 11 point lead before Frey tossed up a one hand stab from the corner for the visitors.

The Bears continued to hold their lead despite Frey's sensational one hand shots, and led 25-15 at half time.

Meade Strong After Half

Sparky Meade started to work in earnest in the third period, scoring 5 field goals, assisted by beautiful passes from his mates, while Hal Moyer almost kept pace with Sparky, scoring 3 field goals and 2 fouls. With about four minutes to go, the Bears led 52-30 and Coach Hashagen put his subs in. The Valley boys made a pair of field goals before the regulars returned to action to put on a dazzling exhibition of weaving and passing which was stopped only when Moyer was fouled and Hal ended the game with a good toss.

LOOKING 'EM OVER

Miss Snell's smile is a little broader now that Bunny Harshaw's creak-back is straight again.

Exams slowed some of us up but seemed to spark Hash's sharpshooters.

The club looked really hot against Lebanon's "Flying Dutchmen" in putting out like they know how.

Howard Wise is forced out of action by a shoulder injury but Ed Thompson's release came through from the front office to fill up the gap.

The sisterhoods are sworn to secrecy about the hug-fest finale, but the sale of ring-side tickets is mounting daily.

Intramural "tong wars" have started in the gym with an evenly balanced league in evidence.

The P. M. C. scrap had the fans more on edge than the "Smiling Jack" serial in the Inquirer.

The girl hockeyists should have used those boots on the W. and M. trip last fall instead of the Charleston ferry.

Chern's port side heave which sank the Chester Cadets ignited a new high in fans' frenzy.

The boys appreciate Collegeville's and surrounding citizens' support during the games. Rabid fans and friends among the town folks are no little help.

Philadelphia dailies don't overwork their linotype operators setting up publicity for Ursinus. At the rate their clubs are going they had better look past their noses for some good copy.

Drexel, Muhlenberg, and St. Joseph's will more than keep Hash and his crew busy this week.

Temple's grapplers didn't treat Pete's pets like they were being rushed for a fraternity.

The "Chester Times'" feeble attempt at an alibi for P. M. C.'s loss to the Bears holds as much water as an inverted glass.

Ursinus to Vie With LaSalle In Sports Quiz Next Monday

Alleged Ursinus College sports authorities will match wits with La Salle College over station WIP in Philadelphia next Monday night in Stoney McLinn's weekly sports quiz.

The quiz is conducted in the form of a baseball game with scoring allowed according to the difficulty of the questions asked. Each school will be represented by 5 "players" who will answer one question each on some phase of athletics. Arrangements are being made by Athletic Director "Jing" Johnson, but he has not as yet selected the "team" to represent Ursinus.

Male Forencists Argue Over Radio With Penn Saturday

Charles Barnes '40, and Samuel Laucks '39, represented Ursinus in a radio debate with the University of Pennsylvania last Saturday afternoon over radio station WFIL. The University of Pennsylvania was represented by Jacob Scitt and Joseph Silvers.

The topic discussed was the Pi Kappa Delta question, Resolved: that the U. S. should cease to use public funds (including credit) for the purpose of stimulating business. Ursinus upheld the affirmative side. The decision, rendered by the radio audience, will be given in a few weeks.

On Friday evening, a men's debating team, composed of Charles Blum '41, and Harry Showalter '41, debated with representatives from Connecticut State College in Bomberger. Normand Du Bean, manager, and Lester Allen represented the visitors.

The topic discussed was the same as Saturday's on the air. No decision was rendered.

Vocal Scholarships Offered

For the second semester Miss Marion Spangler, of the Music Department, is offering a free class scholarship to any two Ursinus girls in the same class interested in singing, thus introducing at the College a method of instruction in vogue today at many music schools and colleges.

Auditions will be held at the Studio Cottage on the east campus driveway any time Monday, or Wednesday and Thursday morning. Appointments may be made through Dorothy Newhard '41, or with Miss Spangler.

Betty Usinger '40, "From seeing it other years, I think it will be worth seeing again."

Five New Freshmen Enrolled As Sixteen Students Leave

Sixteen students who matriculated in September did not return to campus after the semester vacation. Enrollment of five new students, however, reduces the net loss to eleven.

Among the freshmen who left school are Betty Alexander, David Babnew, Jean Conklin, David Edmonds, Jean Kahlbaum, Aurora Kework, Dorothy Kreisher, Susan McMurtrie, Jane Miller, Margery Anne Nussear, Mabel Pursell, and Kenneth Wesneski.

Students with advanced standing who did not return include Walter Hughes '40, William Yoh '41, and Michael Sion and Jerome Salinger, social sophomores.

Of the five new students, four are from Philadelphia and one from Collegeville. Florence Bechtel is from Collegeville High School, John Bierbeck from Northeast High School, Jean Calhoun from Germantown High School, Gladys Heibel from Olney High School, and Robert Rush from Haverford Township High School.

German Clubbers Sing Folk Songs at Tuesday Meeting

German folk songs were sung by members of the German Club at the social meeting last Tuesday night. The meeting was held at the home of Dr. George W. Hartzell, adviser of the group.

Standard College Ring Here In Two Weeks

The long-awaited Ursinus College standard ring will soon become a reality.

Authorized to do so by the college administration, the Standard Ring Committee has awarded a five-year contract to Loren Murchison, of Newark, N. J., eastern representative of the Herff-Jones Company of Indianapolis, Indiana. Samples of the new ring will be here in two weeks.

The committee decided to allow the College Supply Store to handle the rings, and established prices after providing for a nominal allowance to the Supply Store to cover the cost of handling and ordering.

The standard ring, although not revolutionary in design, nevertheless embodies several new features. The stone, either onyx or ruby, is set in an oval table surrounded by the words "Ursinus College" and the date of founding. The "U" is set on top of the stone.

The traditional bear appears on each shank, and below it the class numerals in full on a shield. The ring is of ten karat gold, the girls' size weighing five pennyweight, and the men's ten pennyweight.

The ring comes in either yellow or green gold. A choice of four finishes is offered: rose, Roman, and light or dark military.

The men's ruby ring will cost \$15, the onyx, \$14.50. The price of the girls' ruby ring is \$10.75, and the onyx, \$10.00. A deposit of five dollars is necessary for ordering, the balance payable on delivery of the ring. Orders will be taken immediately, provided the sample ring is approved by the committee.

Anyone who has been or is now a student at Ursinus may purchase a ring. This includes freshmen, who formerly could not own a College ring until they attained the status of sophomores.

"Photon" To Be Published Soon

The second issue of the Photon, official publication of the Inter-collegiate Student Chemists, of which Ursinus is a member, will appear this week.

The magazine, edited by Robert Null '40, will contain several interesting topics among which will be a detailed description of the Science Building, and one on the "newly" discovered 93rd element.

The RIGHT COMBINATION is Chesterfield

when you're bidding for More Smoking Pleasure

By combining (blending together) the right kinds of mild, ripe American and aromatic Turkish tobaccos, Chesterfield brings out all their fine smoking qualities and gives you a cigarette that's outstanding for mildness . . . for aroma . . . for taste.

When you try them you will know why Chesterfields give millions of men and women more smoking pleasure . . . why THEY SATISFY

The colorful P. HAL SIMS, master bridge authority and player says, "It's the right combination of keen bidding and skillful play of the hands that takes the tricks".
