Mr. Wilder, Principle of Highschool,

Owing to the housing problem here, we are sending these boys back to the center for the winter. We regret that they have lost so much valuable time in school, but with some hard studying and some extry coaching we feel they will come through and make thier grades.

These boys have rendered us and our nation a great service this fall in helping to save our crops which are so urgently needed.

So if you can give the boys a few extry minuets to help them make the grade, we think it will be time well spent, and we know it will be greatly appreciated.

Very truly yours,

Hopper & Walker,

By- Frank Hopper
