President's Welcome

The welcome mat is out for Montana's high school students, guests and contestants in the 48th Annual Interscholastic. It is a delight to have you here.

We hope you will get acquainted with your University. The people of Montana have established it for your needs and those of future generations. Our teachers and students, many of whom have been participants in past Interscholastics, are anxious to meet you and visit with you while you are here.

It will be a pleasure to see you here again later as University students but, if you do not go to college or if you attend one elsewhere, we want you to know that in the years to come you will always be welcome as a guest or visitor at Montana State University.

Carl T. McFarland
