STATE UNIVERSITY
UNIVERSITY OF MONTANA
MISSOULA

MAY 9, 10, 11, 12, 1928

WELCOME

Spring at the State University would not be the joyous season it is if it did not bring to Missoula with the leaves and flowers the crowds of high school boys and girls from all over Montana to participate in the Annual Interscholastic. More welcome than just the Spring is this blossoming of Montana's "most important crop." To assist its growth is the purpose of the Interscholastic games and contests and of the State University itself. The mature crop will meet all of the tests, both individual and social, satisfactorily if the blossoming is as sound and as happy as it is beautiful and welcome.

C. H. CLAPP,
President.
