SCHOOL FOOD SERVICE WORKSHOP—Four participants in the West Kentucky School Food Service Workshop held on the campus of Murray State University June 10-13 take advantage of a break in sessions to discuss the program. Shown (left to right) are: Helen Hogancamp, food service director for Calloway County schools and workshop instructor; Margot McIntosh, food service director for the Murray city schools, and also a workshop instructor; John Hicks, West Kentucky area consultant for the School Food Service Division of the Kentucky Department of Education; and Eleanor Ligon of Atlanta, home economist with Nutrition and Technical Services of the U. S. Department of Agriculture. About 140 food-service personnel from 28 Kentucky school districts were enrolled in the workshop sponsored by the West Kentucky School Food Service Area in cooperation with the Kentucky Department of Education. They attended classes on work simplification, overview of school food service, quantity food preparation, and organization and management.

Council Moves Closer To Centralization Of Services

A recommendation that the City of Murray's street and sanitation departments be consolidated and that the city move ahead with a proposal designed to centralize the billing and collection of municipal utility charges were both received favorably by the Murray City Council at its regular meeting Thursday night.

The council members were presented with two reports in their final form, one dealing with the feasibility of centralization of the billing and collection activities for the city's utilities and the second dealing with a study and recommendations on needed changes to improve the city Sanitation Department's operation. Both studies were done through the Center for Regional Services at Murray State University, which is under the direction of Dr. Jules Harcourt.

The sanitation system study was made by Robert A. Summers, of MSU's Department of Industry and Technology, who recommended that the city consolidate the sanitation and street departments under one superintendent.

Summers said, based on his calculations, such a move could save the

city up to \$12,000 during the first year.

The council members were told that presently there are no detectable established collection routes in the system, and that no formal organization could be determined in the individual crews.

Summers also pointed out his findings concerning an apparent lack of enforcement of city ordinances pertaining to the collection system which is creating a cost burden on the department.

In his recommendations, Summers told the council that he felt an ordinance should be enacted that would require waste containers to be in an accessible location; preferably alongside the drive next to the house on collection days. "Consideration might be given in the future to requiring placement along the curb side," Summers added. He said the system could realize a 50-55 per cent savings in manpower with curbside pickup.

Another recommendation was that

consideration be given to the use of night collection for commercial customers so that sanitation crews would not be hampered by traffic.

The council directed the sanitation committee, headed by Art Lee, to study the recommendation consolidation of the departments and report back to the council at its next meeting.

Central Billing Boosted

Harry Hamilton, instructor in the computer sciences program at Murray State University who presented a preliminary report on his study of central billing and collection for city utilities on May 22, last night presented his final report to the council, which authorized a go-ahead on the project.

Hamilton listed two alternatives in his recommendations to the council, both based on computerization of the utility services' bills, and both setting up a separate centralized agency.

The primary difference in the two alternatives is that under the first plan the city would contract with an outside agency for computer services and under the second plan the city would purchase its own computer system.

Hamilton said that the centralization of billing and collection for the utilities would not place an additional cost burden on the consumer.

The council directed the central purchasing committee, chaired by Rex Alexander, to meet with the Murray Electric System board of directors to inform them of the council's feelings on the plan and to open negotiations with the MES board for transfer of property and buildings. (The MES board has previously made an offer to the council which included the building of a new office building for the electric system, space for the centralized agency, and the transfer of the Murray Natural Gas System office from city hall to the present Murray Electric-Murray Water & Sewer building.)

Vandalism Costly To City Taxpayers

Vandalism to city owned property is becoming a costly item in the city budget according to reports given the council last night.

Lee Bolen, street department superintendent, reported to the council that during the month of May, 31 street signs in the city were destroyed or stolen and the replacement cost of those signs was \$894—for signs alone. Bolen said that labor costs would boost the total expenditure to \$1,800.

Bolen reported that a survey of the city revealed that there are presently 1,652 signs in the city varying from stop signs to loading zone signs and that the total estimated value of the signs is \$51,938. The street superintendent said his department averages spending from \$600 to \$800 per month on replacing signs.

The council urged the Police Department to be alert for vandalism to the signs.

Restrooms Locked

The council was also informed by park and recreation director Gary Hohman that the restrooms at the City Park were now being locked due to excessive vandalism and destruction.

Hohman described on incident that resulted in the sewer line to the restrooms being dug up all the way to the street in order to clean it out. He said that apparently someone had literally forced rocks down a toilet with so much pressure that a plumber's auger could not break them loose.

In other business, the council: —approved the use of state gasoline tax money to initiate a three-year curb and gutter program in the Douglass Community;

—approved the use of funds designated for the repaving of Payne Street on the south side of the City Park for correcting a drainage problem on the street and delaying the paving;

—delayed action on a proposal to chip and seal Glendale Road from Ninth Street to Broad Street;

—heard a report from Councilman Ed Chrisman who said the city received a net return of \$6,630 on the sale of six surplus city vehicles;

—and authorized the transfer of \$15,000 from the city general fund to the joint park committee for the payment of bills.

Kentucky's Debt Needs Evaluation, Clarke Says

FRANKFORT, Ky. (AP) — Kentucky should see if its total state debt, which ranks seventh nationally per capita, is too big to handle, the head of a key legislative committee has said.

Rep. Joe Clarke, D-Danville, told his interim committee on appropriations and revenue Thursday Kentucky was much like New York City. He said that city was near bankruptcy and has had to default on some of its bonds.

In contrast to its ranking of seventh in total debt, he said, Kentucky is 43rd in per capita income.

Some of Kentucky's debt is in revenue bonds, which theoretically are paid off with revenue generated by the facilities funded by them. But Clarke pointed out most of those bonds actually are paid off largely with tax dollars.

"With the national average long-term state debt at \$234 and Kentucky owing \$444 per citizen, have we already passed the point of no return?" Clarke asked. He said he was not sure Kentucky has passed that point but said the state should develop some mechanism to determine the effect of its long-term debt.

Kentucky owes \$94.8 million on revenue bonds already issued and commitments have been made in the last year to more than double that amount, Clarke said.

Turnpike Authority revenue bonds have an outstanding principal balance of \$734 million and their annual debt service is

\$54.5 million, he said. But the toll roads only bring in \$6 million a year above their maintenance costs, he said.

A special legislative subcommittee on the Turnpike Authority has indicated it will recommend a bill prohibiting issuance of any new toll road bonds without prior legislative approval.

Now, the Turnpike Authority and the State Property and Buildings Commission each can issue revenue bonds on their own authority. Both are controlled by the governor, who is chairman of each and whose appointees comprise two of the other four members.

Clarke said the state road fund was "in serious trouble." That is because it grows by only 5 per cent a year, being based on the number of gallons of gasoline sold, while the road construction and maintenance it funds cost 8 per cent more a year, because of inflation.

That problem is intensified when the problem of coal-haul roads is added, he said. The state recently estimated it would cost nearly \$2 billion to improve to acceptable standards all the roads now used for hauling coal.

Of the \$284.5 million estimated road fund receipts for 1976, Clarke said, 48.6 per cent already is obligated for debt service. He predicted there will be strong pressure to transfer money from the state's general fund to the road fund, unless taxes are raised.

Crusher May Be Culprit In Auto Case

An investigation by the Murray Police Department will hopefully reveal whether or not an automobile was inadvertently crushed by mistake in the recent junk car pickup in Calloway County.

Joe L. Davis, 521 South Fourth, reported to police that sometime during the third week of May he left his 1964 model vehicle parked on Highway 121 South, just beyond the Clarks River Bridge. Davis reported that he had permission from the owner of the property to do so.

Davis said that when he returned to pick up the car, it was gone, and that he has been checking since then with no success with local wrecker services to see if they had picked up the car.

Davis said he now believes that the car was taken to be one of those to be crushed as a junked car.

An investigation is continuing into the incident by local police.

School Board Handles Several Items Thursday

Several items of school business were discussed at the regular meeting of the Murray Independent School Board Thursday night.

The board postponed action concerning no-fault insurance for public school vehicles until after the department of pupil transportation has had a chance to study an opinion from the Kentucky Attorney General's office.

The board approved, after some discussion, the continuation of the local district's participation in a program designed to support a consultant to assist the school districts in Kentucky obtaining federal aid. The cost to the local system is \$44.40 per year.

The board also approved the continuation of the district's participation in a cooperative bidding arrangement with 12 other school districts in this region. It was pointed out that the schools can save a considerable amount on certain supplies because of the larger quantity purchased through this arrangement.

The board also voted to increase the retainer fee paid to attorney Wm. Donald

Overbey from the present \$50 per month to \$60 per month beginning July 1, 1975. It was pointed out that Overbey had served the board for several years with no increase in the retainer.

Also approved was Supt. Fred Schultz's recommendations on certified personnel for the coming school year.

It was reported that the board had been requested to sell a lot presently owned by the school district located near the Robertson school campus on the north side of Poplar extended. The lot is currently used for bicycle parking but the paving and opening of Poplar Street will present a safety hazard that will prohibit its use for this purpose.

After considerable discussion, the board voted to advertise the lot for sale with the minimum acceptable bid being \$3,750.

Last Rebates In Mail Today

WASHINGTON (AP) — The last of the federal government's tax rebates were in the mail today, but the effect of the rebates on the economy may not be known for some time.

The Treasury Department said 63,221,161 tax rebates with a total value of \$7,896,737,163 were sent to taxpayers.

Some straggler rebates — where there is doubt as to the amount to be returned or who is to receive it — may still be mailed in weeks ahead, but the last of the routine rebates have been mailed, a treasury spokesman said.

Early results of the rebates in the first weeks after the government started mailing them were inconclusive.

Terhune-Martin Vows Read At Presbyterian Church

Mr. and Mrs. Jeffrey Joseph Martin

The sanctuary of the First Presbyterian Church was the scene of the wedding of Miss Rebecca Gulielma Terhune, daughter of Mr. and Mrs. Russell W. Terhune of Murray, to Jeffrey Joseph Martin, son of Mr. and Mrs. Robert L. Martin of Florence.

Rev. Charles Moffett officiated at the double ring ceremony read at 2:30 p. m. on Sunday, May 11. A program of nuptial music was presented by Mrs. Richard Farrell, organist.

The altar was decorated with vases of white snapdragons, white daisies, and blue baby's breath. The pews were marked with leatherleaf, white daisies, and white bows.

Bride's Dress
The bride was lovely in her white acetate peau formal gown featuring a bibbed bodice of imported French Chantilly lace and sheer-ganza neckline with long bell sleeves, cuffed and bordered at the wrist. The a-line skirt outlined in Chantilly lace swept to a full chapel train. Her mantilla veil of illusion encircled with matching imported lace was attached to a camelot headpiece.

She carried a French bouquet of white roses, lilies of the valley, and baby's breath with lace streamers.

Miss Penny Terhune was maid of honor for her sister. The bridesmaids were Miss Connie Dillon of Indianapolis, Ind., cousin of the bride, and Miss Selwyn Schultz of Murray.

The attendants were attired in hooded cape floor length a-line gowns in soft pastel blue qiana knit. Their flowers were nosegays of white daisies and blue baby's breath.

Artie Martin served as best man for his brother. Groomsmen were Ronnie Kenner of Cynthia and Bryan Terhune, brother of the bride.

The mother of the bride chose to wear a floor length mint green crepe dress with jacket. Mrs. Martin, mother of the

groom, was attired in a printed blue acetate floor length knit dress with a draped neckline. They both wore corsages of white cymbidium orchids.

Mrs. Joseph Martin, maternal grandmother of the groom, was attired in an ivory qiana knit dress with splashes of pastel print, designed with a v-neckline and sash. Mrs. Ruth Martin, the groom's paternal grandmother, wore a light blue floor length dress with lace trim. Both had corsages of white carnations.

Reception
Immediately following the ceremony, a reception was held in the fellowship hall of the church.

The bride's table was centered with a beautiful arrangement of white snapdragons, daisies, and blue baby's breath in a silver bowl. The traditional white three tiered wedding cake was accented with cascading roses down the tiers and topped with a triple bell and tulle ornament.

Mrs. Alfred Lindsey directed the reception. Serving the guests were Miss Debbie Dillon, Miss Nancy Dillon, and Mrs. Joseph Dillon. Mrs. Daniel Terhune, sister-in-law of the bride, registered the guests.

Presenting special music at the reception was a string quartet composed of Leo Blair, Kathryn Mason, Linda Johnson, and Susan Carp.

Following the reception the couple left for a wedding trip. Out of town guests included Mr. and Mrs. Richard Dillon and daughter, Mary Katherine, Mr. and Mrs. Dalton Hayden, Mrs. James Dillon, Mrs. Dennis Dillon, Mrs. Joseph Dillon and daughters, Connie, Debbie, and Nancy, all of Indianapolis, Ind.; Mrs. Stella Piper, Mrs. Ruth Martin, Mr. and Mrs. Clifford Poppe, Mr. and Mrs. Joseph Martin, Miss Lauretta Ritter, Mr. and Mrs. Artie Martin, and Mr. and Mrs. William Gex, all of Florence; Mr. and Mrs. William Wells of Evansville, Ind.; Miss Marcia Dillon of Waukegan, Ill.

Rehearsal Dinner
Mr. and Mrs. Robert L. Martin, parents of the groom, were hosts for the rehearsal dinner held on Saturday, May 10, at seven p. m. at the Holiday Inn, Murray.

The table was adorned with a centerpiece of pink daisies and candles. Covers were laid for members and guests of the wedding party.

Prenuptial Events
Prior to the wedding Mrs. S. M. Matarazzo and Mrs. Fred Schultz entertained with a tea in honor of Miss Terhune at the Matarazzo home.

A breakfast was given for Miss Terhune at the Holiday Inn with Mesdames Neale Mason, John Winter, David Gowans, Richard Farrell, and Josiah Darnall as hostesses.

Dutch salad
If you enjoy a wilted salad, Dutch style, be sure and use iceberg lettuce. This firm, tender-crisp lettuce holds up nicely under the warm dressing, especially when lettuce is well chilled.

Anita Chaney presided at the meeting. The officers discussed the past year participation of the chapter and some plans to make the new year a success. There were individual meetings of old and new officers. The new officers practiced on the opening and closing rituals of the Chapter.

Following the council meeting, the officers and their advisors, Mrs. Bess Kerlick and Miss Lucy Forrest, had lunch together.

Members present were Anita Chaney, Patsy Burkeen, Brenda Outland, Renee Thompson, Janet Murdock, Sandy Gray, Gail Smotherman, Norita Cassidy, Rhonda Burkeen, Becky Blackford, Amy Prittenger, Bonnie Smith, Barbara Pierce, Diane McCuiston, Renee Tobey, and Cresti Bucy.

Conner Home Scene, Meet

The home of Mrs. Gusta Conner was the scene of the May 21st meeting of the Wadesboro Homemakers Club.

Mrs. Gladys Young presented the main lesson on "Services of the Health Department."

The president, Mrs. Max Hurt, presided. The club voted to donate ten dollars to send a child to camp.

Refreshments were served by Mrs. Conner.

The next meeting will be held Wednesday, June 18, at 1:30 p. m. at the home of Mrs. Burma McDaniel.

PERSONALS

ATTENDED GRADUATION

Mr. and Mrs. Dana Roberson attended the graduation of Mrs. Roberson's brother, William H. Clapp, from the University of Kentucky Medical School, Lexington. Dr. Clapp will be doing his residency at the Trover Clinic in Madisonville. While there the Robersons were guests in the home of Mr. and Mrs. Gary Wilkins and son, Sean, of Frankfort.

Vows To Be Read

Miss Karen Russell

Mr. and Mrs. Eugene Russell of Murray Route Five announce the engagement and approaching marriage of their only daughter, Karen, to Terry Michael Hannah, son of Mr. and Mrs. F. P. Hannah, Sr., of Louisville.

Miss Russell was a 1973 graduate of Murray High School and is presently a junior at Murray State University.

Mr. Hannah was a 1970 graduate of Durrett High School, Louisville, and will attend Murray State University in the fall.

The wedding has been planned for Saturday, August 2, at the home of the bride-elect's parents.

Mrs. D. N. White Gives Program Hazel Meet At Brandon Home

Mrs. D. N. White gave a most interesting program for the Hazel United Methodist Women on Tuesday, June 3, at 7:30 p. m. in the home of Mrs. H. O. Brandon.

Mrs. Bertha Hines of Hazel and Mrs. J. E. Underwood of Jackson, Tenn., were guests. The program subject for Mrs. White was "One Body—Many Functions." She was assisted by Mrs. Claude White who gave the devotion taken from Romans 12:4-10.

Mrs. White stressed the importance of each person realizing that God had given special gifts to each one and that as Christian Women, we are responsible in using these gifts in love and service to others. Some of the gifts listed were teaching,

encouragement, sharing, leadership, kindness, and mercy. She said that many persons have been blind to the fact that we have gifts and have buried them in the business of ordinary days.

A short business session preceded the program.

Mrs. Brandon served frosted drinks to the fifteen members and two guests present.

Those present, not previously mentioned, were Mesdames Elbert Albritten, Olga Freeman, Mildred Hering, Koska Jones, Madeline Jones, John McCullough, H. A. Newport, Jack Roach, Leland Strader, Robert Taylor, Clate Wilson, and Leroy Province.

Progressive Homemakers Club Has Dinner

Mrs. Glenda Wilson, 1514 Canterbury, opened her home recently for the annual spring dinner meeting of the Progressive Homemakers. The members enjoyed a Chinese menu with each member contributing a dish.

A tour of Mrs. Wilson's home and a brief business meeting followed the meal.

New officers for the 1975-76 year were selected as follows: Betty Hassell, president; Jean Richerson, vice-president; Vickie Baker, secretary; Marie Forrester, treasurer; and Marilyn Herndon, crafts chairman.

The craft-auction and plant exchange were rescheduled for the June meeting.

Those attending not already mentioned were Linda Cooper, Shirley Morton, Barbara Rose, Judith Nall, Janie Blair, and guest, Lynda Venza.

Hubby's Dirty Jokes Turn Guests Off

By Abigail Van Buren

DEAR ABBY: My husband was recently the master of ceremonies at a banquet that about 300 people attended. Many of the town's leading citizens were there.

Well, my husband stood up there and told one dirty joke after another. (He never told me those jokes at home.) Some in the audience laughed, but I noticed the looks on the faces of some of the others, and they seemed shocked and somewhat disgusted. I was embarrassed, to say the least, and could hardly hold up my head.

Afterward, when I went to the powder room, none of the women there even spoke to me.

Abby, why would an educated man like my husband get up before a group of men and women, and tell filthy jokes?

I can't have you sending your reply to the house since my husband gets the mail first and I don't want him to know I wrote to you.

ASHAMED

DEAR ASHAMED: Your husband probably thought he was being entertaining. It was simply a case of bad judgment. Let him know that you were disappointed in him. He may learn from it.

DEAR ABBY: My problem is my mother. She is usually a very sweet and considerate person, but when we take her to the movies, she hoots and howls and talks out loud. This is not only annoying to the other people in the theater, it is also very embarrassing for my husband and children.

We really love Mums and wouldn't hurt her feelings for the world, but talking her to a movie is a hassle.

Please give us any suggestions you might have since Mums is coming again soon and she loves to go to the movies.

HER DAUGHTER

DEAR DAUGHTER: Hooting and howling during the funny parts would normally distract no one, but if Mums is the only one who thinks a sequence is funny, her problem may be bigger than yours.

Talking out loud is unfair to others, so gently shush her when she gets carried away.

Or take her to drive-in movies. Only those in your car will be annoyed, which would eliminate the embarrassment.

DEAR ABBY: My mother has been dead for several years, but a friend of hers (now quite elderly) asked me if she could use my home to entertain 16 ladies at a birthday luncheon. She explained that her small apartment wasn't adequate.

I agreed gladly, but I did absolutely nothing for the party. The woman who gave the party provided the food and flowers, and even hired the help.

I later learned that one woman declined the invitation because she felt that since the party was being given at my home, the invitation should have come from ME!

This has bothered me. Should I have sent out the invitations?

A FRIEND

DEAR FRIEND: No. You were not the hostess. You only agreed to have the party in your home.

Everyone has a problem. What's yours? For a personal reply, write to ABBY: Box No. 69700, L.A., Calif. 90069. Enclose stamped, self-addressed envelope, please.

For Abby's booklet, "How to Have a Lovely Wedding," send \$1 to Abigail Van Buren, 132 Lasky Dr., Beverly Hills, Calif. 90212. Please enclose a long, self-addressed, stamped (20¢) envelope.

Mrs. Dan Hutson Speaks On Her Travels At The Theta Meeting

Mrs. Dan Hutson was the special guest speaker at the meeting of the Theta Department of the Murray Woman's Club held on Monday, May 26, at 7:30 p. m. at the club house.

The special guest, owner of the Gibson Frozen Foods and former teacher of speech and English at Murray State University, delighted the members with her discussion of her travels in parts of Africa.

Dressed in a special dress she had purchased in Kenya, Mrs. Hutson discussed informally highlights of her travels in Kenya and Morocco made with her husband early this year. Mrs. Hutson and her husband have traveled in many coun-

tries of the world but she said she was always so happy to return to the United States and thankful that she lived in this country.

Mrs. James C. Martin, chairman, presided at the meeting. Mrs. Robert Hendon, treasurer, presented Mrs. Hutson with a special gift.

Serving as officers for the 1975-76 year will be Mrs. J. B. Burkeen, chairman, Mrs. Cliff Campbell, vice-chairman, Mrs. Z. C. Enix, secretary, and Mrs. Robert Hendon, treasurer.

A social hour was held with refreshments being served by the hostesses, Mrs. Durwood Beatty, Miss Evelyn Bradley, Mrs. Ewing Swann, and Mrs. C. W. Jones.

Rev. Phillip McClure Speaks At Good Shepherd UMW Meet

The Good Shepherd United Methodist Church Women met on Tuesday, May 27, at 1:30 p. m. at the church with the president, Mrs. Mildred Smith, presiding.

Members opened the meeting by repeating in unison the purpose of the UMW. Mrs. Smith gave a poem and led in prayer.

Rev. Phillip McClure, church pastor, presented the program on "Worship." Points of worship as explained by the minister include prayer,

scripture, music, participation, confession, and offering. He concluded with prayer.

The minutes were read and treasurer's report given by Mrs. Alice Knight. The members voted to sponsor a child to Lakeshore.

Delicious fresh strawberry cake, coffee, and Cokes were served by Mrs. Smith to Rev. McClure, Mesdames Katherine Wilson, Ruth Wilson, Olla Lassiter, Lee Lassiter, Marie Jacobsma, Maggie Woods, Emma Knight, and Alice Knight.

Letters to the editor in response to editorials and opinionated articles are encouraged. The editors of this newspaper strongly believe that to limit opinionated articles to only those which parallel the editorial philosophy of this newspaper would be a disservice to our readers. Vandalism In City Costly, Disgraceful

An English poet of the 18th Century, William Cowper, once said "My soul is sick with every day's report of wrong and outrage with which earth is filled."

We join Cowper in his statement but our feelings are directed specifically at the disgraceful, costly vandalism that is evident right here in our community.

The doors to the restrooms at our City Park have been locked because of excessive destruction and users who do not practice accepted sanitation procedures when using the facilities.

The Murray City Street Department spent over \$1,500 during the month of May just to replace street signs that have been stolen or destroyed.

We wonder where it will all end. Have parents become so lax in their teachings to their children that wanton destruction of public property is now thought to be acceptable?

Are our city and county governments spending over \$700,000 on a new multiple purpose park and recreational facility, only to see it defaced within a few weeks?

Do parents realize the cost of those stop signs, yield signs and street markers their children have hanging on their bedroom or playroom walls?

A stop sign costs the city \$35, not including labor to install it. A street marker costs the city \$42, also not including the labor.

The city street department, according to one conservative estimate is spending in the neighborhood of \$1,000 per month just to

replace signs on city streets. This destruction must be halted. Those responsible should know that their acts are criminal and that if and when they are apprehended, they can, and we feel they should, be prosecuted.

Our present city budget is strained to the limit in an attempt to provide the services the citizens demand. The money spent on repairing damage caused by vandals (criminals, if you will) could be put to a much better use elsewhere.

Realism Wins A Point

Considering the trouble that an offshore oil spill caused for Santa Barbara in 1969, we would expect that residents of that community would be more suspicious than most Americans toward any new oil operations in their neighborhood. Yet a majority of Santa Barbara County voters rejected an effort by environmental organizations to halt construction of an oil processing plant in the county.

The vote was very narrow, but it casts serious doubt on the claim of some environmentalists that their tactics aimed at obstructing oil or energy projects have powerful public support. Our guess is that the majority of Santa Barbara voters are not in love with refineries, but they realize the folly of trying to prevent the development of facilities that the country must have to meet its energy needs.

THE VALUE OF THE BIBLE

The Bible communicates the message of the living God to its readers, telling them how to be saved and what to do after they are saved. The Bible is food for the soul, and therefore indispensable to Christian growth. As the physical body cannot develop without proper nourishment, neither can man's spiritual nature develop without feeding upon the truths of God's Word. The Bible is the guidebook of life, but we must use it if we are to go forward on the right road, exert the right influence, and work in the right way.

The Uniqueness of the Bible

- 1. It is perfect. Psalm 19:7
The law of God reveals to us our duty both to God and to our fellowmen.
- 2. It is sure. Psalm 19:7
We can always depend absolutely on what the Bible reveals.
- 3. It is right. Psalm 19:8
In the Bible man has a perfect standard of righteousness.
- 4. It is pure. Psalm 19:8
God has never commanded man to do anything that is degrading or wrong.
- 5. It is true and righteous. Psalm 19:9
It depicts the true course of right conduct.
- 6. It is desirable. Psalm 19:10
It is worth more than money. The spiritual nourishment and enjoyment gained by the study of the Bible far exceeds the pleasure and joy experienced from eating the finest honey.
- 7. It is beneficial. Psalm 19:11
The Bible promises a reward of peace

and satisfaction to every child of God who obeys it. When rightly used, the Bible refreshes the spirit, gives wisdom to the mind, illuminates the understanding, brings joy to the heart, and gives effectiveness to the life. We must study and obey this unique Book if we are to become the persons God wants us to be.

Matthew 4:1-10

When Jesus Christ was lifted out of the baptismal waters by John the Baptist, He listened to the testimony as to His divine sonship, heard the Father speak His approval of the action of His beloved Son, and immediately thereafter was led by the Spirit into the fires of temptation. Oftentimes the most blessed experiences are followed by the greatest conflicts and temptations. At the behest of the Spirit, Christ went into the remote, desolate, and forlorn part of the wilderness to contend with Satan.

Temptation, or solicitation to do wrong, is the common lot of God's children. While none of them can escape temptation, all can resist and overcome it through the strength which God imparts to those who desire it and will receive it.

The Tempter

The tempter is Satan. God never tempts anybody to do wrong. Temptation always comes directly or indirectly from Satan. Those who acknowledge the truthfulness and authority of the Scriptures do not doubt that Satan is a real person.

The Temptations

Taking advantage of the situation at the end of His fast of forty days and nights, Satan tempted Christ to distrust God's care and use His divine power to work a miracle and satisfy His personal hunger. Had the Master done so He would have separated Himself from His brethren, for they were not able to work miracles to satisfy their hunger or their other needs.

Christ's power was for the benefit of others, but Satan tried to get Him to use it in a miraculous way to satisfy His own personal desires and needs, but He refused to do it. Instead of arguing with Satan, which would have been useless, Christ merely quoted God's Word (Deuteronomy 8:3).

Repulsed at one point, Satan tried to get Christ to put God's keeping power to the test by jumping from one of the wings of the temple in view of the crowds below, with the expectation that the Father would protect Him from any injury. From Christ's refusal we learn that it is right to trust God, but that it is wrong to make presumptuous experiments in order to discover how far God can be trusted. In reply to Satan's appeal to do something spectacular and sensational, Christ quoted Deuteronomy 6:16.

Having failed in his temptation of Christ in the realm of the appetite, and in the realm of adventure, Satan then turned to the realm of ambition. He boldly sought to get Christ to render to him that worship which belonged to God alone. Satan tempted Christ to sacrifice principle for property and power. In abhorrence at this subtle suggestion, our Lord quoted Deuteronomy 6:13.

The Triumph

Each time that Satan sharply assailed the Lord Jesus, in the hope that he would bring Him into subjection to his own wicked will, he made a miserable failure. He was unable to stand before the incisive power of God's Word, so he fled and left Christ alone for a season.

In His triumph over Satan our Lord used the threefold method of all victory over him, namely, absolute dependence on God, accompanied by absolute faith in God, and reinforced by obedience to God. If you, as a Christian, will follow Christ's example, you will be triumphant over Satan too.

Bible Thought

Now I tell you before it come, that when it is come to pass, ye may believe that I am he. John 13:19.

You don't have to believe a prophet, but when things come true as He said you really ought to admit it.

CRIME

Seaside Heights, N. J. — Somewhere there's an auto thief who may want to kick himself. For two months, he didn't look in the trunk of the car he stole, where he would have found \$250,000 in negotiable securities and jewelry. Police here found the car abandoned Sept. 23, and they only got around to looking in the trunk yesterday, when they finally located the owner. (Hudson Dispatch)

Norwich, England — Nell Marshall, 23, and Terence Bloomfield, 17, laborers, chose the wrong place to hitchhike the day after stealing overcoats from an orchestra's bus. Members of the Romanian Rhapsody Orchestra recognized the coats worn by the hitchhikers, the bus stopped and all 35 musicians surrounded the thieves, holding them till the police arrived. (Norwich Daily Press)

In Sofia, Bulgaria, the management of a hotel called police to investigate the theft of a 45 by 20 carpet from the lounge — until it remembered that it had been sent to the cleaners.

Today In History

By The Associated Press

Today is Friday, June 13, the 164th day of 1975. There are 201 days left in the year.

Today's highlight in history: On this date in 1956, Britain turned the Suez Canal over to Egypt after having operated the waterway for 74 years.

On this date — In 1502, Christopher Columbus sighted the West Indian island of Martinique.

In 1841, the first Canadian parliament opened in Ottawa.

In 1917, Gen. John Pershing and his headquarters arrived in Paris in World War One.

In 1940, Paris was declared an open city in World War II.

In 1942, the U.S. Office of War Information was created, with broadcaster and writer Elmer Davis as director.

In 1967, Thurgood Marshall was named as the first black on the U.S. Supreme Court.

Ten years ago: A new military government was being formed in South Vietnam after removal of Premier Phan Huy Quat.

Five years ago: The government of Brazil agreed to ransom the kidnaped West German ambassador by freeing 40 political prisoners.

One year ago: The army in the Republic of Yemen seized power in a bloodless coup.

Today's birthday: Former football star Red Grange is 72.

Thought for today: Whoso diggeth a pit shall fall therein — The Book of Proverbs.

Contemporary Religious Thought

The Church - A Creative Force

By DAVID ROOS
First Christian Church

In recent years one of the most favorite past-times has been to debunk the church referring to it as irrelevant, obsolete, decadent, and reporting its anticipated obituary. In spite of such rave notices it continues to outlive its Monday morning quarterbacks and to be a forceful, realistic, and creative force whatever its failures, weaknesses, irrationalities, or provincialism. Without it Western society would not have reached its present development and without it the future would be utterly hopeless.

Part of our problem, as Dr. T. T. Swearingen has alluded, seems to be that we achieve some noble "end" and quickly decide that (1) the "end" created itself, (2) that it is continuously self-creating. Democracy, for instance, has roots and soil which democracy itself did not plant and which democracy as a system cannot transplant. As a tree cut off even with the ground will quickly die, it will also die if set down in any other soil.

These roots are represented by what our forefathers described as government of the people, by the people, and for the people. The soil in which these roots find life is the fundamental concept of the infinite worth of the individual which comes from Christianity, and Christianity comes from God. These revelations were given to people through the church, first gathered and then scattered.

Another important example is the broad field of benevolence. The United States is the most benevolent nation in the world. It is populated by people of the benevolent spirit. Where in the world, are there more causes to be supported and more widespread response? Is this an accident? I think not! Has it been self-induced, self-created? Does it have within itself, in the "collecting agencies" themselves, an inward sustaining source of power? Again, I think not! The fact is that the Red Cross, Heart Fund, Cerebral Palsy, Muscular Dystrophy, Cancer Society, Boy Scouts and Girl Scouts, the March of Dimes, Comprehensive Care Center, or the NEEDLINE, all worthy causes, simply do not have any machinery for the creation of the benevolent spirit.

It is my calculated guess that if the

"established church" ceased to exist for three generations, maybe sooner, every enterprise dependent upon charitable gifts would go bankrupt. Somebody must plant, water, cultivate, and tend the kindly heart. Someone must teach — do unto others as you would have them do unto you; it is more blessed to give than to receive; every person is of infinite worth and all persons are my neighbors. This is the role and the power of the church!

I support these causes. I hope you do.

HEARTLINE

HEARTLINE is a service for Senior Citizens. Its purpose is to answer questions—fast. Write HEARTLINE, 8514 North Main St., Dayton, Ohio, 45415.

Heartline: Our 19-year old son was severely injured in a motorcycle accident and it is doubtful that he will ever be able to work without special help and training. Where can we go for some help? W. C.

Answer: First, your son may be eligible for monthly Social Security disability benefits if he has credit for 6 calendar quarters (about 1 1/2 years) of work under Social Security. Check with your Social Security office right away. If he applies for Social Security, he will automatically be considered for services and help from your State vocational rehabilitation agency. If he inquires but doesn't apply for Social Security the people from that office will help you get in touch with the vocational rehabilitation office.

Heartline: I've been receiving disability benefits for the last 15 months and I have the chance now to go back to work. My problem is that my condition hasn't improved and I'm not sure that I will be able to do this job very long. What happens to

my disability benefits if I do take the job? W. H.

Answer: The Social Security law provides for continuing your benefits during a period of up to 9 months while you try out your ability to work. If it is then determined that you are able to do substantial gainful work your benefits will be paid for an adjustment period of 3 additional months and then terminated. If it is determined that you are not able to do substantial gainful work, your benefits would, of course, continue to be paid.

Heartline: What is the allowable amount of income that you can receive and still draw a V. A. Pension for a man and wife and one child? E. H.

Answer: Four thousand two hundred dollars.

Heartline: What is meant by the "recent work test" when applying for Social Security disability? W. B.

Answer: If you become disabled at 31 or older, you must have worked five out of the last ten years immediately before your date of disability. Example: If you became disabled on January 1st 1975, you must have worked at least five years between 1965 and 1975.

Let's Stay Well

More Rewards For Good Behavior

By F. J. L. Blasingame, M.D.

BLASINGAME

Part of an editorial by William McGrath, M.D., writing in Arizona Medicine, bears repeating. He writes of an old but important principle: Reward good behavior and thereby lessen the bad.

He charges that many of us have become habitually negative in our outlook. He points out that it is not unusual for a person to live a dutiful life of 50 or 60 years and receive little credit or evidence of appreciation.

Dr. McGrath gives a few examples of how rewards or recognition could be used to better advantage. The license plates on a driver's car could show that it has been driven 5, 10, or 20 years without an accident or arrest, with the record transferred to the driver's new car. Such a driver might be excused from having to renew his driver's

license, except for stamping it in recognition of outstanding performance. Dr. McGrath feels that citations for courteous driving deserve more recognition than penalties for violations.

The punctual student could be rewarded with a cup of hot chocolate rather than an emphasis on a penalty for tardiness.

The thoughtful doctor suggests that the menu of a restaurant carry the heading, "Please tip only according to the quality of service."

Dr. McGrath believes that, somehow, the senior high school students who refrain from drinking or smoking could draw lots to see which student and date would have the free use, for an evening, of a demonstrator car from an automobile agency.

The author suggests that half the budget of law enforcement might be spent more wisely in designing and carrying out rewards for good behavior, hopefully, to reduce by half the amount of crime.

Applause for good performance on the stage could well be applied to many other life situations. A pat on the head indicating approval may be more effective than a swat on the tail, demonstrating disapproval.

Q: Mrs. D.S. asks why skimmed milk looks bluish and if that "change" affects its nutritional value.

A: The usual white appearance of milk is due to the globules, calcium and casein. Sometimes the food intake of the cow will also influence the appearance of milk. In skimmed milk, the removal of the fat

lessens the whiteness, and the bluish color is related to a vitamin (riboflavin) and milk solids. Caloric reduction of skimmed milk is caused by taking out the fat. Otherwise, the nutritional value is unchanged.

Q: Mr. H. R. wonders if pacemakers have past the "experimental stage." He asks how many are in use.

A: A recent estimate by the U.S. Department of Health, Education and Welfare indicated that 125,000 Americans have surgically implanted pacemakers. A pacemaker can greatly improve heart-function. Pacemakers have long passed the experimental stage and are safe and effective when inserted by well-trained physicians who understand clearly the conditions that require pacing.

DAD CAN HELP

Dad remembers what it's like to fumble the ball on the one yard line, or to strike out when the baseball game is all tied up.

God made fathers out of men that were once boys themselves. Dad can still help boys and girls who have trouble. Remember your Dad this Father's Day.

Aaron Finally Belts Homerun In Milwaukee

By HERSCHEL NISSENSON, AP Sports Writer

Hank Aaron finally came home to Milwaukee Thursday night ... with a home run.

It was Aaron's sixth of the season and 739th of his career, but his first regular-season homer in Milwaukee County Stadium since he connected off Philadelphia's Ray Culp on Sept. 20, 1965.

"I knew eventually it would come," said Aaron, who spent the first 12 years of his career in Milwaukee with the Braves and walloped 398 homers, 185 of them in County Stadium. But since the Braves moved to Atlanta in 1966, Aaron's only Milwaukee homer came in an exhibition game two years ago.

Aaron's solo blast off Vida Blue helped his new team, the Milwaukee Brewers, defeat the Oakland A's 9-7. Elsewhere in the American League, the Chicago White Sox trounced the Boston Red Sox 9-2, the Kansas City Royals edged the Cleveland Indians 2-1 in 10 innings, the Baltimore Orioles whipped the Texas Rangers 7-1 and the California Angels trimmed Detroit 7-1 after the Tigers got the final three outs in the suspended second game of Wednesday's two-night doubleheader to nail down a 5-3 triumph. The Minnesota Twins and the Yankees were rained out in New York.

Besides his homer, the 41-year-old Aaron singled and scored in a three-run first inning and doubled home a run in the second. George Scott also homered for the Brewers while Gene Tenace and Billy Williams connected for Oakland. It

was the 400th of Williams' career.

White Sox 9, Red Sox 2
Home runs by Deron Johnson and Bob Coluccio helped Jim Kaat to his ninth victory, although the Red Sox reached him for 11 hits. By losing for the fourth time in the last five games, Boston's lead over the idle Yankees in the East Division was chopped to one-half game.

Royals 2, Indians 1

Jim Wohlford raced home from third base with the winning run on a passed ball by Cleveland catcher John Ellis in the 10th inning, giving Steve Busby the victory over Eric Raich, his former teammate on a College World Series winner at the University of Southern California.

Harmon Killebrew tied the score in the Kansas City seventh with his ninth homer and 568th of his career.

Orioles 7, Rangers 1
Jim Palmer notched his 10th victory with a seven-hitter and Mark Belanger knocked in three runs. Palmer's victory gave him a 10-3 record, best in the American League. He ran his scoreless streak to 20 innings — his last outing was a one-hitter against Kansas City — until the Rangers scored in the eighth on singles by Cesar Tovar and Mike Hargrove around a walk.

Angels 3-7, Tigers 5-1
Joe Laboud drove in four runs with a pair of homers, including a three-run shot in a six-run third inning, as California beat Detroit. Earlier, John Hiller got the last three outs to complete a sparkling relief stint as the Tigers nailed down a 5-3 victory in the completion of the second game of Wednesday's two-nighter, which was suspended by an American League curfew after eight innings.

Defensive captain Ralph Baker of the New York Jets says the 1975 season will be his last as a player. He's been a top linebacker 11 seasons.

On a more positive note, DeBusschere announced two rule changes for the 1975-76 season. One will be the switch from the 30-second shot clock to a 24-second clock.

WHEELIE DEMONSTRATION — Motorcycle daredevil Doug Cross, who has announced he will jump over a helicopter in the near future in Murray, put on a short wheelie demonstration at the parking lot in Stewart Stadium Thursday. Cross said the wheelie was a little more difficult to do because of the slope in the lot. However, he was traveling at approximately 65 miles per hour when this picture was taken. Cross is the only person in the world to ever jump through fire and he has announced a fire-jump coming up June 21 in Marion, Ill.

Pirates And Cubs Gain Wins In Little League

Two more fine ballgames were played in the Little League Thursday night as the Pirates and Cubs chalked up wins.

In the opening contest, Robin Roberts allowed just four hits as the Pirates outscored the A's 10-1. In the nightcap, the Cubs doubled the score on the Twins by taking an 8-4 win.

Roberts had fine control in pitching the Pirates to victory. He fanned six batters and walked just one.

The Pirates got started in the scoring column early in the contest as Darwin Bumphis singled to open the game. Following a walk to Eddie Requarth, Jamie Morganti popped a homer and the Bucs were out and running to the tune of a 3-0 lead.

Three was the lucky number for the Pirates as they again scored three in each of the second and third frames.

In the second, Joe Oakley reached on an error, Bumphis singled and Requarth came through with a two-run double. Requarth scored when Morganti singled.

The A's got their run in the

second inning when Mark Alls reached on an error and later scored after a single by Johnny Robbins.

In the top of the third, the Pirates used a single by Oakley, a double by Bumphis and a three-run homer by Requarth to again score three and go ahead 9-1.

It was the third homer in two nights for Requarth who has suddenly become the terror of the Little League.

Bumphis paced the 13-hit attack for the Pirates as he had three hits. Requarth, Morganti, Tim Foster and Oakley each

For the losing A's, Kirk Starks had two hits while Robbins and Keith Lovett had one apiece.

In the nightcap, the Cubs surged to an 8-0 lead and held off the Twins.

Darren Hooper, who pitched four innings for the Cubs, picked up the win on the mound. Joel Klein got the Cubs started in the first by ripping a solo homerun.

In the second, the Cubs added another single run and led 2-0.

The Cubs scored two more runs in the third and added four in the fourth. In the fourth inning rally, Klein had a three-run homer.

There was one more homer in the contest, that coming in the fourth inning for the Twins.

Kim Kendall walked and Barry Alexander uncorked a shot that gave the Twins their first runs of the contest.

Klein had three hits for the Cubs while Kim Wilson, Kevin Calvin, Brad Miller and Mark McCuiston all had one hit apiece. For the Twins, Ben Underwood, Sammy Smith, Barry Alexander, Tim Holsapple and Chris Fazi all hit safely.

Little League games set for tonight will find the Astros and Yanks playing the opener at 6 p.m. while the Cards meet the Reds in the nightcap.

Accept Bids

SYDNEY (AP) — Australian Bruce Crampton and American Bob Murphy have accepted invitations to play in the \$46,000 Masters Golf Tournament Oct. 23-26 in Melbourne, the tournament sponsors announced today.

Crampton, 39, won the tournament by three strokes in 1971 on the Victoria Golf Club course. Murphy won in 1972, when the tournament was played at the Australian Golf Club in Sydney.

DeBusschere Finding His Job As NBA Commissioner Rough

By BERT ROSENTHAL, AP Sports Writer

NEW YORK (AP) — Dave DeBusschere obviously is finding his new job as American Basketball Association commissioner very difficult.

"I would rather be playing," DeBusschere, a former National Basketball Association All Star, said Thursday at his first news conference since replacing Tedd Munchak as commissioner on May 15.

The 34-year-old DeBusschere, the youngest commissioner in the history of pro basketball, showed his unfamiliarity with the position and his nervousness by continually flipping and spinning an ABA ball during his brief encounter with the media.

"There are some very difficult decisions to make," admitted DeBusschere, "but that's par for the course, just as there were when I was a trustee."

DeBusschere prepped for the commissioner's job by serving one season as general manager of the New York Nets. In that position, he represented the Nets at several ABA Board of Trustees meetings.

The toughest decision DeBusschere has faced during his four weeks as commissioner occurred today when he presided at a trustees' meeting concerning disposition of the financially wobbly Memphis and San Diego franchises.

DeBusschere said Thursday he would prefer the league to operate with 10 teams next season, rather than eight if Memphis and San Diego were disbanded. It put him in conflict with league President John Y. Brown of Kentucky, who was one of DeBusschere's biggest boosters for the commissioner's job.

"It is a much healthier situation if we have 10 strong teams," said DeBusschere. But he admitted that at present, there are only eight strong clubs. The weak teams are Memphis and San Diego, which had the league's lowest attendance.

New Job

SEABROOK, N.H. (AP) — Herb Ralby, former Boston sports writer and publicity director for the Boston Bruins of the National Hockey League, was named today publicity director for Yankee Greyhound Racing, Inc., which operates Seabrook Park and is constructing another track in Plainfield, Conn.

Yankee Greyhound president Edward G. Keeland said that Ralby will work in conjunction with public relations director Ted Snell at the two dog racing tracks. Ralby lives in Milton

Mass., and he has been in the industry last season.

Brown, meanwhile, charged that the existence of the Memphis and San Diego teams contributed heavily to Kentucky experiencing its worst season financially although the Colonels won their first league title. "Our payroll was a little higher and the cost of operating has increased," Brown said, "but what made it doubly bad was Memphis and San Diego. They lost a million dollars each, and the other eight clubs had to make up for that."

On a more positive note, DeBusschere announced two rule changes for the 1975-76 season. One will be the switch from the 30-second shot clock to a 24-second clock.

The other also involves the shot clock. DeBusschere said it would not be reset to 10 seconds when the offensive team loses the ball out of bounds with less than 10 seconds remaining. Instead, it will be placed at the number of seconds remaining when the team lost the ball.

Walter Payne, who went four innings on the mound for the Cubs, was credited with the mound win.

The Cubs got started in the first inning as Greg Lovett doubled in the frame which produced one tally.

In the second, the Cubs added four runs. Bart Washer had a double, Ricky Barrow and RBI single, and Jerry Boggs walked with the bases loaded to drive in a run.

The key hit in the second frame was Payne's two-run single.

The Reds were trailing 8-2 when they came to bat in the top of the fifth. But they came up with five runs and trimmed the Cubs' lead to just one.

Jeff Garrison had an RBI single for the Reds' rally, Keith Houston had a two-run single and Ricky Watson had a run-scoring single.

The Cubs secured the win in the fifth inning when they scored three times. Payne had an RBI double while Lovett had a run-scoring single to insure the win.

For the Cubs, Payne had three hits while Barrow and Lovett each had two. Ray Abbott and Washer also hit safely. For the losing Reds, Jeff Miller, Garrison, Houston, Watson and Melanie Kelly all had hits.

The Nats and Yanks will play in tonight's 5:30 p.m. contest.

ROCKING ROBIN—Robin Roberts of the Pirates rares back and rocks and fires the ball to the plate. Roberts scattered four hits as the Pirates trimmed the A's 10-1 Thursday night.

Sleeping In Nude Definitely Out For Net Star Bjorn Borg

By GEOFFREY MILLER, PARIS (AP)

PARIS (AP) — Bjorn Borg, the heart-throb of a million female tennis fans, was given a new order by his coach today: "Stop sleeping in the nude."

The 19-year-old Swedish star, defending his French title, had the scare of his young life Thursday. He cricked his neck in his hotel shower and thought he would have to pull out of the quarter-finals.

Masseurs got him fit in time,

and he slammed Harold Solomon of Silver Springs, Md., 6-1, 7-5, 6-4.

But Lennart Bergelin, the coach who has made Borg into a world star, told him this sleeping in the nude has to stop.

"It is asking for trouble, sleeping naked in the air conditioning of hotel bedrooms," Bergelin said. "It may have had something to do with this neck trouble."

"I am going to buy him a smart modern night shirt, and he is going to wear it from now on."

Borg said that two hours before the match against Solomon, he thought it was impossible to play tennis. He sat in the dressing room at the Roland Garros Stadium, scarcely able to turn his head.

The match was put back 1 1/2 hours. The three masseurs took it in turn to gouge him, pummel him and jerk his head around.

Another of America's hopes bit the red dust of the center court when Adriano Panatta of Italy defeated John Andrews of Fullerton, Calif., 6-3, 5-7, 7-6, 6-2.

Andrews, ranked No. 47 in the United States, had caused a big surprise by reaching the quarter-finals.

Borg and Panatta are scheduled to meet in the semifinals Saturday. The last surviving American, Eddie Dibbs of Miami Beach, Fla., is paired against Guillermo Vilas of Argentina.

Meanwhile the attention Friday was centered on the women's semifinals, with two Americans still gunning for the title.

Chris Evert of Fort Lauderdale, Fla., the defending champion, was facing Olga Morozova of the Soviet Union. Janet Newberry of La Jolla, Calif., had to play the powerful Czech left-hander, Martina Navratilova.

Eyes Of Texas Smiling At Longhorns

By DAN EVEN
AP Sports Writer
OMAHA, Neb. (AP) — There'll be no third- or fourth-place finish for Texas this time around in the College World Series.

The Longhorns have finished in those disappointing positions five of the last six years.

"We came here with the idea of winning the national championship and our job is not over," said Texas Coach Cliff Gustafson after his team crushed South Carolina 17-6 with an 18-hit attack Thursday night.

"We hope to complete our mission Saturday night."

South Carolina's initial defeat in the tournament left three teams once-beaten. The Gamecocks battle Arizona State tonight to decide Texas' title game opponent.

Arizona State, 61-12, used a masterful four-hitter by John Poloni and Bob Pate's 11th-inning run-scoring single to eliminate Oklahoma 1-0 in the night's other game.

Astros Edge Cardinals In Park League Contest

Mickey Daniel slammed a two-run single into rightfield in the fifth inning to boost the Astros to a 17-16 win over the Cardinals in Park League play Thursday night.

The Cardinals scored twice in the first inning but the Astros came back with a pair of runs in their half of the first to knot the score.

The Cards then added a pair of runs in the second and third frames and led 6-2 going into the bottom of the third. But in the bottom of the third, the Astros sent nine runners across the plate and jumped to an 11-6 lead.

In the top of the fourth, the Cards tied the score with a five-run explosion but in the bottom of the inning, the Astros bounced back and added four

Curci Unhappy At Loss Of Murray To Orioles

LEXINGTON, Ky. (AP) — "Somewhere down the road, it's really going to hurt athletics in general," says Kentucky football coach Fran Curci of the signing of sophomore Leon Murray by the Baltimore Orioles.

Murray, considered a quarterback prospect for the Wildcats for the upcoming season, was injured last year and his football duties were limited to holding the ball for place kicks.

"I hope for his sake it's a lot of money, because there's quite a difference in a college education and a professional contract," Curci said Thursday.

"The money goes fast after Uncle Sam gets it and the youngsters go out and buy a car, and there's not much left," he said. "I just hope the pros somewhere down the line don't kill the goose which laid the golden egg."

It was the third loss to the professional ranks for the Wildcats in recent weeks. Basketball prospect Bill Willoughby of New Jersey, who had signed a national letter of intent to play basketball for Kentucky, was drafted by the Atlanta Hawks of the National Basketball Association, and Chuck Ross, a baseball prospect from Tates Creek High School in Lexington, was drafted by the Milwaukee Brewers.

"I think they owe us, any university they do this with, to pay the amount of the investment we have in the young fellow," said Curci.

Bench And Reds Heading Balloting

NEW YORK (AP) — Johnny Bench is among four Cincinnati Reds dominating the early balloting for the National League All-Star team, released Friday by Baseball Commissioner Bowie Kuhn's office.

Bench, who has been on the NL team the last seven years and started the last six, has a huge lead for the catching spot — 327,894 votes to 60,713 for runner-up Manny Sanguillen of Pittsburgh.

The other Reds topping early returns are Joe Morgan at second base, Dave Concepcion at shortstop and Pete Rose in the outfield.

Morgan has drawn 249,174 votes thus far, nearly five times as many as Pittsburgh's Rennie Stennett, presently second in the tally with 55,778.

Concepcion, seeking his first starting role, has attracted 182,836 votes, followed by Larry Bowa of Philadelphia with 136,121. Rose has 215,612 in the outfielder's race, followed close behind by the Mets' Rusty Staub with 151,322 and Del Unser with 147,583. Neither Staub nor Unser have started previously, though Staub was a reserve five consecutive times (1967-71) and played in three games.

Base-stealing ace Lou Brock of St. Louis is also an outfield contender with 108,086 votes, as is Los Angeles' Jimmy Wynn with 98,347.

American Legion To Open Play Tonight

The Murray American Legion team will open its season in Holland Stadium tonight with a home contest against Madisonville.

It will be the first of a three-game weekend swing which will conclude Sunday with a 2 p.m. game at Henderson.

On Saturday night at 7 p.m., the Legion will host Clarksville.

The contest tonight will start at 7:30 p.m. This should be one of the top Legion teams Murray has had in the past few years. The pitching is very strong with a good mixture from both sides.

Southpaws Greg Cruse, who pitched for Murray State this past season, and Mark Miller of Calloway County High are expected to be a big shot in the arm.

Righthanders Tony Thurmond, Joe Graves, Larry McGregor and Lindy Suiter will give the Murray Legion team a formidable mound staff for opponents.

Season tickets are still available for this year's home games.

Going to College This Fall? Let Us Make It Easy For You

Three two-day orientation and pre-registration sessions have been planned for June and July at Murray State University to help incoming freshmen and parents make the transition from high school to college life as smoothly as possible. Each session will include an overnight stay in a residence hall and meals in a campus cafeteria. You may attend any one of these scheduled sessions:

June 28 and 29
July 12 and 13
July 19 and 20

Participating students will be charged a \$15 fee, which will cover the costs of housing and meals and all social activities. The only charge to parents will be housing and meals, if they choose to stay on campus. This applies to Murray and Calloway County students as well as those from across the region.

A special feature of each orientation session will be a program for parents to help them understand the adjustments their sons and daughters will be making and to answer their questions.

AND, each student will be given individualized pre-college instruction by Murray State students specially selected and trained as student counselors.

Top University administrators will be on hand as well as faculty advisors and Student Government leaders. Tours of the campus will be offered, and a variety of activities planned to give new students a feel for the social side of college life.

If you have enrolled at Murray State, or if you are planning on enrolling, you should attend one of these sessions. You'll be all ready to get right into the swing of things when Murray State's classes start for the fall semester!

ANOTHER HIT — Thomas Kendall of the Pony League Astros rips another base rap in a game played Thursday night in the Pony League. The Astros won the game by forfeit after two innings.

Astros And Dodgers Pick Up Wins In Pony League Games

The Astros and the Dodgers picked up wins in Pony League play Thursday night. For the Astros, it was a bit of an unusual game as they found themselves with an astronomical lead after just two innings. The game was forfeited by the Indians and so the Astros were credited with a 9-0 win.

In the other contest, the Dodgers edged past the Mets 10-9. The Dodgers scored twice in the second inning to go up 2-0 as Alan Gibbs reached on an error, Marty Guthrie was hit by a pitch and then Jimmy Cochran emptied the bases with a triple.

In the top of the third, Gibbs had a two-run triple and came on in to score when Fred Kemp pulled off a successful suicide squeeze play.

That left the Dodgers with a 5-0 lead. The Mets got on the board with one in the third, added two more in the fourth and trailed 5-3 after four innings. But in the top of the fifth, the Dodgers again came back, this time, scoring three runs and pulling away to an 8-3 lead.

The Mets added two more in their half of the fifth while the Dodgers got those right back with two in the top of the sixth. And going into the bottom of the sixth, the Dodgers led 10-5. Bradley Wells had a single in the sixth inning for the Mets while David Brandon reached on an error. Mickey Spann came through with a two-run double and that left the Mets trailing only 10-7. Spann later scored on a passed ball.

In the sixth, Wells had a run-scoring double scoring Dycus who walked but Wells was left stranded on the bag and the Dodgers were able to pull off the one-run win.

Hal Hendricks, Gibbs and Cochran each had two hits for the Dodgers. Wells had a pair of base raps for the Mets while Charlie Wells, Spann and Danny Potts also hit safely.

Nolan Pitches Reds To Easy Win Over Redbirds

By KEN RAPPOPORT
AP Sports Writer
Gary Nolan doesn't want to set the world on fire — he just wants to put a little heat on the opposition.

"I have no special goals," says the Cincinnati pitcher. "All I'd like to do is go out every fifth day and keep us in the ballgame. That's my only goal."

For a fellow who's won six straight games, including Thursday night's 10-1 triumph over the St. Louis Cardinals, that's a pretty modest goal.

In the other National League games, the Montreal Expos beat the San Diego Padres 3-2 in 15 innings; the Philadelphia Phillies stopped the San Francisco Giants 4-1; the Pittsburgh Pirates trimmed the Houston Astros 4-2 and the New York Mets blanked the Los Angeles Dodgers 2-0. The Atlanta Braves beat the Chicago Cubs 5-4 in the first game of a doubleheader and their second game was suspended after eight innings because of a curfew with the Braves leading 6-2.

Nolan not only gave the Reds some pitching Thursday night, but some hitting as well. He doubled home two runs in Cincinnati's seven-run sixth inning.

Nolan's double followed two-run singles by Tony Perez and pinch hitter Joe Morgan.

The seven-run inning tied Cincinnati's high for the season and made it easy for Nolan, who allowed three hits in six scoreless innings before being replaced by Will McEnaney.

The Cardinals scored off McEnaney in the seventh on a double by Ted Simmons and Ken Reitz' single.

Loser Lynn McGlothen, 6-5, left for a pinch hitter in the top of the sixth and the Reds unloaded their big inning against veteran Ron Bryant and rookie Ryan Kurosaki.

Expos 3, Padres 2
Mike Jorgensen's double delivered Pete MacKanin with the winning run in the 15th inning as Montreal beat San Diego in a marathon game. MacKanin walked with two out and roared home with the tie-breaking run as Jorgensen belted his base hit to right.

Phillies 4, Giants 1
Left-hander Steve Carlton fired a four-hitter and aided his cause with a pair of singles, boosting Philadelphia over San Francisco. Carlton, who has allowed only two runs in his last three games, raised his record to 6-5 with his fourth straight victory.

Pirates 4, Astros 2
Rennie Stennett doubled across the tying run in the fifth inning and scored on Manny Sanguillen's single as Pittsburgh beat Houston.

Mets 2, Dodgers 0
Jon Matlack pitched a three-hitter and Felix Millan drove in a pair of runs with doubles to pace New York over Los Angeles.

Braves 5, Cubs 4
Darrell Evans scored when third baseman Bill Madlock booted Larvell Blanks' grounder with the bases loaded and two out in the ninth inning, enabling Atlanta to beat Chicago in the first game of their doubleheader. The second game was suspended after eight innings because the Cubs had to catch a plane home for an afternoon contest Friday.

Ray Floyd Sleeper In U. S. Open Tournament

By RALPH BERNSTEIN
AP Sports Writer
PHILADELPHIA (AP) — If you're looking for a sleeper in next week's U.S. Open Golf Championship at Medinah, Ill., circle Ray Floyd. He's playing superb golf now.

The 32-year-old Floyd won the Kemper Open last week for his first tour victory in six years. And Wednesday he tied the course record of 63 in winning the pro-am event of the rain-delayed \$150,000 Philadelphia Golf Classic which gets underway today.

Floyd settled down two years ago after he married Maria Primoli, daughter of a Philadelphia tavern owner, giving up a life that earned him a reputation of a playboy who was tossing away a potentially great golf career.

He didn't win in 1974, but his dedication was evident in his bank account. After earning \$39,646 and ranking 77th on the tour in 1973, Floyd picked up checks of \$119,385 last year, 18th on the money list. He is 12th on the list so far this year with \$85,000. So, he wasn't surprised when he won at Kemper. He felt it coming.

Floyd credits his wife with changing his attitude. Maria Floyd had heard about her husband's hidden talent. She also knew his playboy's reputation. So, they sat down and had a talk.

Floyd hadn't exactly been a bust during his previous 12 years on the tour. He won the PGA in 1969, earning \$109,957 that year. It was the last championship he won, not very satisfying for the guy who was rookie of the year when he broke in 13 years ago.

Jack Nicklaus, Lee Trevino, Arnold Palmer and Hale Irwin are not competing here. Steady rains, which began early Wednesday night and continued through Thursday, were expected to move out of the area and the weekend forecast called for clear skies.

Blue Moon Odom Hoping Change Of Scenery Will Do Him Good

By ED SHEARER
AP Sports Writer
ATLANTA (AP) — John "Blue Moon" Odom, who once appeared headed for major league stardom, is hoping a change of scenery and more work will get him back in the groove.

The 30-year-old right-hander, acquired by the Atlanta Braves from Cleveland Saturday, hasn't approached the success he enjoyed in 1972 when he helped the Oakland A's begin their string of three straight world championships.

Odom had a 15-6 record with the A's in 1972 but plunged to 5-12 and 1-5 marks the last two seasons, working almost exclusively as a relief pitcher last year.

The plunge began shortly after Odom was shot in the side while attempting to foil a robbery in his home town, Macon, Ga., during the winter after the 1972 season.

It is something Odom declines to discuss, but says he doesn't think it contributed to his downhill slide.

"I was so close to death I don't even like to think about it," said Odom. "I've just tried to forget that. I don't want to talk about that."

Odom says he hopes things will be better for him in Atlanta, 70 miles north of his hometown. "I'm quite sure it will. It can't be any worse than what I've been through."

The veteran pitcher, in his eighth full season in the majors, started the year at Oakland, but was dealt last month to Cleveland, where he pitched a two-hitter against Kansas City on June 4. He had requested an additional \$8,000 from the Indians, but they refused and dealt him to the Braves.

"I wanted a change of scenery because I was not pitching much in Oakland, and then in relief, which I don't care for," he said. "I felt they had lost confidence in me at Oakland, but that was because of Alvin Dark and the pitching coach (Wes Stock)."

Odom made his Atlanta debut against St. Louis Monday night, but lasted only five innings and was tagged with a defeat, giving him a 1-3 record this season with three clubs.

High Price
PHILADELPHIA (AP) — The price of success — if you're a fan of the Philadelphia Flyers — is \$1 a game. That's how much the National Hockey League champions have raised prices.

Announcing the increase in a letter sent Thursday to season ticket holders, the two-time Stanley Cup winners blamed inflation and pointed out that they probably could have raised prices quite a bit more and still sold out every game.

ROCKY MOUNTAIN FEVER INCREASING

CHICAGO (AP) - Cases of Rocky Mountain spotted fever in the United States for 1974 ran about 19 per cent ahead of 1973, according to the Journal of the American Medical Assn. The federal center for disease control in Atlanta reports that the tick-borne disease has been increasing in its statistics since 1968. Not only is the increase due to improved surveillance, but "it appears there has been a real increase in incidence of the disease in recent years."

Rocky Mountain spotted fever is caused by Rickettsia rickettsii, a bacterium that infects the wood tick and other ticks. The rickettsiae are transmitted from ticks to humans, infecting the humans.
Rickettsiae are named for Howard T. Ricketts (1871-1910) of the University of Chicago. Bacteria of the genus Rickettsia cause epidemic typhus, murine or endemic typhus, Rocky Mountain spotted fever and other diseases.
Ricketts, after whom the University's Ricketts Laboratory is named, died of typhus after he had identified the specific bacterium, also named for him, that causes Rocky Mountain spotted fever.

BUZZ BOMB

Germany's highly publicized "secret weapon," the flying bomb, was dropped on English targets for the first time on June 13, 1944.

WRONG WAY CHILD REARING

NOTTINGHAM, England (AP) - "Ten Commandments" for those who want to bring up their children the wrong way have been compiled by the vicar of Bramcote parish near here, the Rev. James Hamilton-Brown.

The list of what not to do: 1, Never make them do anything they don't want to. 2, Expect them to have standards for life, without giving them a basis. 3, Leave them to make up their own minds about God and Jesus. 4, Expect them to do as you say, rather than to do as you do. 5, Assume that they are little angels. 6, Assume they are immune from bad influences. 7, Assume someone else will teach them the facts of life. 8, Keep them sheltered from the nasty things in the world. 9, Never have time to be their friend, and go out to work all day to give them everything they need instead. 10, Never inquire where they have been, or what they have been doing.

Your Individual Horoscope

Frances Drake

FOR SATURDAY,
JUNE 14, 1975

Look in the section in which your birthday comes and find what your outlook is, according to the stars.

ARIES
(Mar. 21 to Apr. 20) 
An analytical look at your position may indicate some new avenue to pursue in a tricky domestic situation. In any event, avoid anxiety.

TAURUS
(Apr. 21 to May 21) 
Unexpected complications may call for a sudden change in travel plans. Don't fret. Trip, as arranged, could have been disappointing.

GEMINI
(May 22 to June 21) 
Careful analysis, good judgment and understanding of the temperaments of associates will be required to make this a smooth-running day. Not too difficult for the intuitive Gemini!

CANCER
(June 22 to July 23) 
Especially favored now: teachers, students, homemakers. A good day, too, for those engaged in outdoor pursuits.

LEO
(July 24 to Aug. 23) 
Some new suggestions or propositions may be offered. Study each carefully and accept or reject on the basis of enduring worth — not immediate returns.

VIRGO
(Aug. 24 to Sept. 23) 
A few "surprises" indicated — some which will please; other which may not. Take all in stride: Things will work out in the long run.

LIBRA
(Sept. 24 to Oct. 23) 
Tighten reins a bit to observe with more surety and ease where you are headed. Nothing should sway you from high principles, but do avoid stubbornness.

SCORPIO
(Oct. 24 to Nov. 22) 
Watch trends and join forces with those who have a stake in the common welfare. Your priceless energy can be of great help.

SAGITTARIUS
(Nov. 23 to Dec. 21) 
A fine day! You may be the recipient of special favors, tokens of good will or other unexpected benefits.

CAPRICORN
(Dec. 22 to Jan. 20) 
Stars warn against vacillating, changing plans or projects before they have been given a fair chance to prove themselves. Steady does it!

AQUARIUS
(Jan. 21 to Feb. 19) 
The odds are against you right now, so it's no time to tackle the opposition. Postpone action until Tuesday when you'll have a better chance of getting what you want.

PISCES
(Feb. 20 to Mar. 20) 
Be cautious in making directives and taking others' feelings for granted. Alertness and flexibility of thought will help you to safer, quicker conclusions.

YOU BORN TODAY are imaginative, brilliant of intellect and dexterous of hand. Your versatility and love of life are outstanding, but you must learn to curb tendencies toward hypersensitivity and restlessness. You are idealistic and always aim high, but you're not a daydreamer. In fact, you abhor idleness and, once you've chosen the career which appeals to you most, will spare no effort to reach the top — which you usually do, since you are a realist and your goals are always within the realm of possibility. Fields in which you could attain your greatest successes: writing, theatrical direction, music, journalism (as reporter or editor), research; in the business world, as broker or dealer in commodities. Birthdate of: Harriet Beecher Stowe, author "Uncle Tom's Cabin"; John McCormack, singer; Burl Ives, theatrical entertainer.

MAYFLOWER II
On June 12, 1967, the Mayflower II, replica of the original vessel, arrived from England having made the voyage in 53 days, 14 days faster than the original ship that brought the Pilgrims to the new world.

Murray Memorial Gardens

Because of the increasing demand for Mausoleum burial in the Murray area, Murray Memorial Gardens, Inc. announces the planned construction of a Chapel

Mausoleum in Murray Memorial Gardens. This Mausoleum will contain 240 crypts with an all granite exterior and will have a beautiful chapel area.

WHY ABOVE GROUND BURIAL?

Above ground burial fulfills a heart felt want - complete and permanent protection against the unfriendly elements of the earth.

WHAT IS THE METHOD OF BURIAL?

The burial space is a clean dry chamber or crypt closed with the finest granite cover, with names in everlasting bronze.

IT SOUNDS EXPENSIVE; WHY ISN'T IT?

Above ground burial saves all these costs: Cemetery lot, preparation of graves, vaults, monuments and markers.

MUST I PAY ALL AT ONCE?

Payments may be spread over several years.

WHAT IF THE SPACE IS NEEDED BEFORE THE MAUSOLEUM IS COMPLETED?

Temporary entombment above ground is available now if the need should arise.

FOR A LIMITED TIME ONLY

Pre-construction prices at tremendous savings over finished building prices.

ONLY THE FIRST 50 WILL RECEIVE THIS MAXIMUM SAVINGS

You are urged to send the coupon below now. Be one of the first 50 to have above-ground burial at a price comparable to below ground cost.
