Potential Of 240 Employees Seen For New Clothing Company Here

The Calloway Manufacturing Co. has signed a lease for a building located at the corner of Poplar and Second Streets here, according to Hoyt Roberts of Roberts Realty.

The building has been recently purchased from the Swan Estate by Roberts, Clark Hicks, and William Cappelock.

The company is a new corporation formed by Hicks and Cappelock. Both men have a wide range of experience in the manufacturing and sales of clothing.

The new company has a potential employment of as much as 240 within 1½ years.

James L. Johnson, executive secretary of the Murray Chamber of Commerce, said this morning "The Murray Chamber of Commerce and the Murray-Calloway County Industrial Foundation extend a cordial welcome to this new company. We believe it will be a much needed shot in the arm for the whole region. As in the past, we will extend every effort to see this new organization successful."

Hicks began his work in the garment industry while he was still in college. He graduated from Freed-Hardeman College and Memphis State University with a major in Industrial Engineering. He worked in the garment industry in

Alabama before moving to Murray in 1966 when he was appointed Production Manager of the Standard Textile Co. here.

In 1967, Hicks moved to Hopkinsville where he became vice-president in charge of production for the Elk Brand Co. of Hopkinsville-Cadiz. Hicks and his wife, the former Nancy Strickland, have three sons.

Cappelock is a graduate of Georgetown University in Washington, D. C. His experience with the garment industry began in 1959 when he became an associate buyer for the J. C. Penny Co. of New York. By 1967, Cappelock had advanced to president of the Burlington

Manufacturing Co., as well as a member of the Board. In 1972 he accepted the position of vice-president of Marketing, Elk Brand Manufacturing Co. in Hopkinsville. He and his wife, Penny, are the parents of three children.

The company plans to begin production as soon as the machinery can be installed. Initial plans are to employ 60-80 people upon opening. The number of employees should triple within 12-18 months, a spokesman said.

No applications for positions with the firm are being accepted at this time. Announcements will be made later in regard to applications.

Carter Names Mondale To Fill VP Slot On Democratic Ticket

NEW YORK (AP) — Presidential candidate Jimmy Carter acted today to complete the Democratic ticket by designating Sen. Walter F. Mondale as his choice for the vice-presidential nomination. Carter's decision will be ratified at tonight's closing session of the Democratic National Convention.

Asked why he had settled on Mondale, Carter said he had found "a remarkable compatibility between his stands on the issues and my own."

Mondale described Carter as "an uncommon man, terribly gifted, committed, experienced, ready, but, above all, a good man and I'm proud and honored to be a part of this team."

Carter kept his choice a secret until the moment, a few minutes after 10 a.m., EDT, when he strode into the

Royal Ballroom of the Americana Hotel to make his announcement.

It was the only suspenseful moment in a convention that belonged totally to the man from Plains, Ga., whose capture of the nomination the night before represented one of the most remarkable coups in American political history.

About an hour before Carter left his suite for the press conference, he received a telephone call from President Ford, who is fighting to be the Republican nominee whom Carter will run against.

According to White House Press Secretary Ron Nessen, Ford told Carter he hoped the campaign could be conducted on "a high level" and "I look forward to a good contest this fall."

The vice-presidential selection process was drawn out over 30 days during which Carter said he changed his mind three times.

"This has been, as you can well imagine, one of the most difficult decisions I have had to make," he told the news conference. "But I have absolutely no doubt that this is the right decision."

Carter called the Minnesota senator "the best person to lead this country if something should happen to me." He

added that Mondale has "a very clear concept of what the presidency should be."

Mondale arrived at the Americana during Carter's news conference. He was accompanied by his wife, Joan.

Carter said Mondale had suffered from mild hypertension, but that "since he has been taking medication he has had no problem."

Carter said Mondale's medical records had been examined by a doctor and they showed nothing unusual for a 48-year-old man.

With his wife at his side, Mondale joined Carter at the ballroom podium and said, "I am proud and honored to be a part of this team."

Asked about his trip to Plains where he was interviewed by Carter, Mondale said they had a long talk about the role of the vice-president in a Carter administration.

"I was not interested in a ceremonial post," the senator said. "I was pleased to see he plans to use his vice president

in a broad range of responsibilities."

"I am determined to put major responsibilities on the head of the vice-president," Carter told the news conference.

Mondale said he expects Carter to be president for eight years. "I'm not taking this job with the expectation of becoming president," he added.

Two years ago, Mondale made an exploratory run at the presidency but dropped the idea when he failed to generate widespread support.

Carter said that in the last few days "I have had very serious allegations" made against the six senators on his final list but that no evidence was found to support the charges.

"I don't know of anything that would have been embarrassing about the six," he said.

Bell Charges Violations By Kentucky PSC

LEXINGTON, Ky. (AP) — South Central Bell Telephone Co. has charged in federal court here that its constitutional rights were violated when the Kentucky Public Service Commission granted less than half of a \$33 million rate increase sought by the utility.

In a statement filed Wednesday in U.S. District Court here, Bell claimed that the \$15 million rate hike allowed by the PSC resulted in "confiscation of the company's property," which the company claimed was a "violation of (the firm's rights under) the 5th and 14th Amendments" to the Constitution.

Bell filed the statements in hopes that U.S. District Judge Eugene Siler Jr. would grant a court hearing of the rate case. Siler allowed the company to file the statements after refusing to issue a restraining order against the PSC rate decision. The PSC has been given seven days to answer the Bell charges.

The utility had been granted such a restraining order by Franklin Circuit Court last March, but it was struck down last month by the Kentucky Supreme Court.

Inventories Up By \$1.9 Billion

WASHINGTON (AP) — A big increase in manufacturing raw materials and goods in stock during May triggered the biggest jump in business inventories in 18 months, the Commerce Department says. But this hopeful sign for the economy was muted somewhat by the first drop in business sales in more than a year.

The over-all inventory increase in May was listed Wednesday as \$1.9 billion, or seven-tenths of 1 per cent. It was the largest jump since the \$4 billion climb in December of 1974.

That 1974 increase occurred at a time when manufacturers were rebuilding stockpiles after letting them dwindle because of slumping sales during the recession.

In the manufacturing sector, the May increase in the amount of raw materials and goods in stock was slightly more than a billion. This almost matched the \$1.1 billion increase in the previous four months.

May's retail sales figures slipped three-tenths of 1 per cent. It was the first sales decline in 14 months, and left sales at \$186.4 billion.

Activities Continue At Fairgrounds; Motorcycle Rodeo To Be Held Tonight

A sparse crowd was treated to some high quality Bluegrass music at the Murray-Calloway County Fair last night.

In its third day of activities, the Murray-Calloway Jaycees Fair presented "Arnold Chin," an Owensboro-based group. On the same program was Fire Mountain, a local country music group, and the Murray "Square-A-Naders," a square dancing club.

Mrs. Helen Michael of Hamlin was the winner of a portable color television given away by the Jaycees, and Rodney

Adams held the lucky ticket in the \$500 drawing.

Richard Roehr of Hopkinsville received the award for the Best in Show, Meat Breed in the open rabbit show held last night. Don Burchfield of Murray received the award for Best in Show, Fancy Breed.

Today is kiddies day, beginning at one p.m., with the 4-H and FFA dairy show at six p.m., and the motorcycle rodeo at 7:30.

Friday will feature the beef cattle shows at ten a.m., with the Facis O'Life Music Show at 7:30 p.m.

Dear Abby

Says Daughter's an Unfit Mom

By Abigail Van Buren

DEAR ABBY: I am the grandmother of a beautiful little granddaughter I love dearly. I used to babysit with her while my daughter worked because she didn't care all that much about being a mother. Actually, my daughter never really wanted this child, but she had no choice.

My daughter and her husband moved to another state, and I know that my granddaughter is being neglected. She is left at a daycare center all day, and a sitter comes in on some evenings. Whenever I call my daughter, the child has a cold and doesn't feel well.

I am so worried about her, Abby. I'm afraid something will happen to her if she doesn't get better care.

Do you know of any legal steps I could take to bring charges against my daughter and her husband for being unfit parents? Please answer before it's too late.

PENNA. GRANDMA

DEAR GRANDMA: If (as you say) your daughter doesn't care "all that much" about being a mother, perhaps if you offered to take the child off her hands, she would be glad to let you have her.

In order to take the child from her legally, you will need a lawyer and proof to support the charges that your daughter is an unfit mother. But you'd better be sure of your facts. Mother, or you could stir up a hornet's nest.

DEAR ABBY: I am seeing a Hungarian woman, and before we part, she always shakes hands with me. Is she trying to tell me something? Or do all Hungarian women do this?

CURIOS

DEAR CURIOS: No. Some of them kiss.

DEAR ABBY: My husband and I are very friendly with another married couple I'll call "Bob" and "Joan." Bob is having an affair and Joan knows it, but she suspects the wrong woman and has been bad-mouthing her.

Most of Bob's friends (including us) know who his girlfriend is because he has introduced her around. I don't think it's fair for an innocent party to be slandered, and I want to tell Joan that she is on the wrong track, but my husband says I should stay out of it.

I would NOT tell Joan who the right party is: I would only tell her she has put the finger on the wrong woman. Would I be out of line?

FOR TRUTH

DEAR FOR: Yes. And you would also be in the middle. Stay out of it.

For Abby's booklet, "How to Have a Lovely Wedding," send \$1 to Abigail Van Buren, 132 Lasky Dr., Beverly Hills, Calif. 90212. Please enclose a long, self-addressed, stamped (24¢) envelope.

Down the Garden Path
By MRS. W. P. WILLIAMS

The rains of last week gave all growing things a good push, but along with the roses, shrubs and annuals, we may find we have a lush crop of weeds of every variety. And how they do grow! It is going to take a lot of extra attention to keep our gardens in good condition from now on, throughout the summer. Pull the weed, it doesn't do much good to just cut them off, for they will sprout at the root. But try to get them before they go to seed and bring next year's crop.

The humid weather has made itself known in the appearance of black-spot on the roses. This is one of the hardest diseases to combat. Spray or dust with any good rose dust, and most important, try to keep the spotted leaves picked up and burned. The spores from fallen leaves will spread to healthy ones.

Several plants may be trimmed back now to prolong the blooming season. Bachelor Buttons, petunias, pinched back now will put out new shoots and continue blooming. Pansies can be cut back also and they will bloom for another month or so, especially if they are in a shady place, away from the afternoon sun.

Feed your zinnia plants now and give them plenty of water and you will have blossoms all summer long. Everything will need water. Even though we have a good rain, the hot sun draws it up so quickly that they are drooping before you realize they are thirsty.

If you have a started compost pile, now is a good time to stir it up. Turn it over so that the dry leaves on the outside will be covered. Continue to add leaves and clippings all summer and fall. It will be worth its weight in gold. Don't wait until the leaves start falling in November, get your place ready for them. You will be so glad you did.

Have you ever had the Fall Blooming Crocus? It is time now to start putting them in. The shades of coloring are much lighter than the spring ones, but just as pretty. Plant around your trees or in a bed in the lawn. I am still planting annuals. I sowed Portulaca earlier and a rain washed the tiny seed away, so I have set out a dozen plants by the door way. And I couldn't resist a bunch of blue Ageratum. I am just going to have to stay away from places that sell plants. They all appeal to me. Don't you have a corner that needs a colorful blossom?

Artcraft Photography Plans Grand Opening

"Ten Queens For Our Day" could very well be the slogan for our grand opening festival," commented James Rice, owner of Artcraft Photography, 118 South 12th Street, as he outlined plans for celebrating the occasion at the new studios Sunday afternoon from one o'clock until five. Thus far, he said, area celebrities who will be present include Jane Wager, Miss Murray State; Sandy Bibb, Calloway County High School homecoming queen; Renee Gibson, Kentucky Little Miss; Kathie Broach, Calloway County Fair Queen; Christi Graham, Little Miss Murray-Calloway County; Lisa Wilson, Miss Puryear; Tammy Crouse, North Elementary Homecoming Queen; Tina Sheppard, East Elementary Senior Homecoming Queen; Anita Hill, East Elementary Junior Homecoming Queen; Susan Byars, Southwest Elementary Homecoming Queen and several others.

"Many of our friends have asked why it took us over nine months to arrive at a grand opening day," Rice said, "but the fact is we have been too busy to stage the sort of open-house that we have finally

managed to set up." Artcraft's unique combination of a full-fledged portrait studio, a full staff of competent photographers for on-location environmental portraiture, weddings, reunions and anniversaries, plus a fast film processing service for amateur photographers met with such an overwhelming response from the public that "We have just now managed to catch up a bit," he added.

"We are anxious to show off our plush new studio as well as our processing service," Rice said, and pointed out that an executive from Colorcraft Corporation, Wayne Martin, will be on hand presenting a video movie that takes the viewer on a guided tour of their modern laboratory where thousands of rolls of film are processed daily. Martin will also make dozens of candid photos of guests, with no charge for the finished prints when they are returned to Artcraft.

Door prizes will be awarded, including a complete camera outfit and several large color portraits. Refreshments will be served by Artcraft's own professionally-trained models, who will also act as guides.

Reagan Makes Good Showing In New Jersey

NEWARK, N.J. (AP) — Ronald Reagan headed for Pennsylvania today in search of uncommitted delegates after getting a friendly welcome in New Jersey from about 50 delegates supporting President Ford.

The former California governor told a meeting of Republican delegates from New Jersey and Delaware — all of them publicly uncommitted or pledged to Ford — reasons he thinks he has a better chance of defeating Democrat Jimmy Carter in November.

Carter was nominated Wednesday night at the Democratic National Convention in New York. Reagan was warmly received and applause was heard several times from the closed hotel conference room where he met the delegates. But there were no announcements of any new Reagan support.

But the chairman of the Ford campaign in New Jersey said Reagan made a good impression. He conceded to Reagan five to seven delegates in what previously had been considered a 67 to 0 Ford slate.

After meeting the entire delegation at a reception,

Reagan had a private dinner with six New Jersey delegates.

Today, Reagan planned a similar series of private meetings with uncommitted and Ford delegates in Harrisburg, Pa.

Ford leads Reagan nationally 1,032 to 999, with 1,130 needed for the nomination, according to an Associated Press survey.

Ford has the edge in Pennsylvania by a 72 to 5 margin, with 25 uncommitted delegates and one backing Sen. Howard Baker of Tennessee for president.

Again Wednesday, Reagan predicted victory. But he said he is sure the nomination will not be locked up by either himself or Ford before the GOP convention convenes Aug. 16 in Kansas City.

In a brief Newark news conference, Reagan placed unusually strong emphasis on his lack of interest in the second spot on a Ford ticket. "Under no circumstances whatsoever will I accept the vice-presidential nomination," Reagan said.

After meeting with Reagan, Thomas Kean, Ford's campaign chairman in New Jersey, was friendly toward the challenger.

Threat Helps Paducah To Rip Legion, 14-7

Paducah and the Murray American Legion warmed up for their upcoming three-game playoff series Wednesday night at Holland Stadium. And if the game is any indication of what will come in the playoff series, Murray is in trouble.

Paducah buried the hosts 14-7 with a 12-hit attack including a grand slam homerun by Bruce Threat in the eighth inning.

Murray, which was supposed to have good pitching and be rather weak with the bats, was just the opposite in the contest. Murray banded out 14 hits in the game but Murray pitching gave up eight walks and a hit batsman plus there were nine errors committed by the locals.

Paducah scored a single run in the top of the first off Murray starter Lindy Suiter.

But in the bottom of the second, Murray bounced back with two runs and went up 2-1. After two were out, catcher Mickey McCuiston tripled and Tony Bayless followed with an RBI single.

Steve Winchester, who like Bayless had three hits in the contest, then ripped a triple to give Murray the lead before Suiter fanned to end the inning.

The 2-1 lead held until the fourth inning when Fletcher opened for Paducah with a single and Cash walked. Latta singled to tie the game and Austin reached on a fielder's choice, scoring another run and giving Paducah a 3-2 edge.

Walston singled but later was thrown out at the plate. The two other Paducah runs scored on a sacrifice fly by Threat and an error, one of four local miscues in the frame.

Paducah scored a single tally in the sixth to go up 8-2 but in the bottom of the frame, Murray bounced back with three and it was close game again.

Paul Robertson led off the Murray sixth by reaching on a

GENERAL
ATLANTA — Hugh Hendrix, a starting offensive guard on the University of Georgia football team, died of a cardiac arrest caused by an acute blood infection.

unloaded his grand slam with nobody out in the top of the inning.

In the home half of the ninth, Murray left the bases loaded. In fact, Murray stranded 11 men in the contest.

Winchester and Bayless each had three hits while Thurmond, McCuiston and Oakley had two apiece while Thurman and Musgrow added one.

Murray now falls to 10-13 for the season and will attempt to break its four-game losing skid Saturday when Scott City, Mo., visits Holland Stadium for a 5:30 p. m. twinbill.

Then, beginning July 29, Paducah will play in a best-of-three series at Holland Stadium with the loser being finished for the year and the winner advancing to Regional play.

California Seals Plan To Move To Cleveland

CHICAGO (AP) — The National Hockey League announced here early Thursday morning that approval has been given for the transfer of the California Seals to Cleveland, effective immediately.

The announcement was made by NHL vice president Donald Ruck, who said the league's finance committee, acting on behalf of the Board of Governors, had given unanimous approval to the shift.

Mel Swig, the Chairman of the Board for California, will remain as one of the major owners in Cleveland. No nickname was announced for the team and Ruck said he anticipated it would remain a member of the league's Charles Adams Division in the Prince of Wales Conference for the 1976-77 season.

Swig, one of several owners who failed to make the NHL franchise in Oakland a successful one, had applied to the league for permission to move the franchise on June 30.

Oakland was one of six United States cities to receive an NHL franchise on June 5, 1967. The team has never had a winning record and missed making the Stanley Cup playoffs seven of its nine years, including the last six seasons.

The Cleveland team will play in the new Coliseum, located in Richfield between Cleveland and Dayton. The facility has a seating capacity of approximately 18,000 for hockey — one of the largest in the NHL.

"The league is very enthused with this development," Ruck said. "Cleveland has a long history as a successful pro hockey franchise in the minor leagues and we think it is going to be strong NHL franchise."

Cleveland had an American Hockey League team for many years and was the home of the Cleveland Crusaders in the World Hockey Association until recently. However, the WHA team had trouble drawing and recently announced the sale of its franchise to a group that was moving it to Florida.

Swig, who was unsuccessful in an effort to have a new hockey facility built for his team in San Francisco, then decided to move to Ohio.

TENNIS
KITZBUEHEL, Austria — Unseeded West German Hans Juerger Pohmann eliminated top-seeded Arthur Ashe 6-4, 6-3 in the third round of play in the \$75,000 Head Cup Tennis Tournament.

SUPER APPROACH — Mary Jane Alford's approach shot to the 18th hole left her about 15 feet away from the pin but she missed the birdie putt and settled for a par. The tourney win was the third Oaks crown for her.

Solomon Eats His Way Out Of Tennis Tourney

CINCINNATI (AP) — to a hearty meal. Thirty Third-seeded Harold Solomon minutes later he was on the sweaters court against unseeded Bill Scanlon.

Scanlon, a 19-year-old last-minute addition, rallied for wasn't due to play for several hours, Solomon helped himself

"I thought I had plenty of time," said Solomon. "I thought there was another match still to be played which meant I probably had two hours before I went on."

Struggling in the high humidity, he narrowly won the first set, then faltered. "I was already starting to feel bad then, and by the second set I was really sick."

At one point, he became ill and had to leave the court.

"He was in bad shape," said Scanlon, the junior-to-be from Trinity (Tex.) College who won the NCAA title last month.

The victory gave Scanlon his first tour points since turning pro.

It was the biggest upset of the three-day-old tournament. Another surprise came when Sherwood Stewart, runnerup in last year's tourney, was knocked out by Egypt's Ismail ElShafel.

Top-seeded Eddie Dibbs slammed his way to an easy second round victory, beating England's Roger Taylor 6-3, 6-2.

Earlier, fourth-seeded Stan Smith and fifth-seeded Dick Stockton advanced with easy victories. Smith defeated Brian Teacher 6-4, 6-3 and Stockton stopped Terry Ryan 6-2, 6-2.

Six-seeded Tom Gorman, who won the tournament last year, downed Bobby Webb of Atlanta 6-4, 6-4. Cliff Richey, the No. 7 seed, beat Pat Cramer 6-4, 6-2.

Tray Waltke surprised ninth-seeded Kim Warwick of Australia 7-6, 6-1 in another surprise, while Henry Bunis of Cincinnati knocked out 13th seeded Byron Bertram of South Africa 7-5, 6-1.

Eighth-seeded Dick Crealey of Australia eliminated Sashi Menon 6-0, 6-3 and eleventh-seeded Mike Cahill of Eagle, Wis., defeated Peter Flemming 6-4, 6-1.

Ford Celebrates Birthday As Demos Celebrate With Carter

WASHINGTON (AP) — President Ford celebrated his 63rd birthday with his family as the Democrats were celebrating the nomination of Jimmy Carter as their candidate for the White House.

Aides said Ford had expected to at least take a look at the televised proceedings of the Democrats in New York. But White House aides could not find out Wednesday night if Ford had actually tuned in.

The President said he didn't feel any older than 25 as he observed his birthday on Wednesday with three cakes and lunch at a downtown restaurant with his wife.

Mrs. Ford surprised her husband with the luncheon outing and put the \$25.36 cost of the meal on her credit card. It was the first time any president had dined at the Sans Souci in the 14 years the expensive restaurant has been operating near the White House, even though it has been a favorite haunt of presidential staff members, Washington personalities and first ladies.

"We should do this more often," said Ford, who skipped his usual White House menu of cottage cheese and salad. He said his wife's idea to get him out for a change was a "great surprise and fun."

Ford puffed on his pipe and sipped two martinis on the rocks. Mrs. Ford smoked a cigarette and had two gin and tonics as they ate at a private balcony table. He also had a half bottle of French wine. Ford ate a chef's salad and Mrs. Ford had broiled Dover sole.

President and serenaded him with "Happy Birthday." Ford started observing his birthday at midnight on a flight home from Philadelphia where he had been to the All-Star baseball game. Staff members produced a cake aboard Air Force One.

A second cake was provided by the restaurant at lunch and the White House had a third cake, chocolate angel food with chocolate icing, for a

private family dinner Wednesday night. The White House dinner menu included corned beef and cabbage, described as one of Ford's favorite dishes. Ford got an "excellent health" rating after a birthday physical examination. But he lamented that all the day's extra eating would require "swimming a few extra lengths" to keep his weight down.

Fruit Prices Should Rise Only Slightly

FRANKFORT, Ky. (AP) — Last April's freezing temperatures have shrunk Kentucky's apple and peach crops, but fruit lovers can take heart.

State Agriculture officials say prices for the limited supply will rise only slightly, if at all, since neighboring states are expected to produce enough for the Kentucky market.

And despite the sharply curtailed production forecasts for the northern and central parts of the state, things look good in western Kentucky.

State agriculture officials say growers there should produce 100 per cent of the peach crop — and it should be of exceptional quality.

The apple crop will be short this year, but not from the spring frosts. Agriculture officials said there was such a heavy yield last year and apple trees cannot produce a heavy crop two years in a row.

Overall, the Kentucky Crop and Livestock Reporting Service predicted this week

that the state will produce 14 million pounds of apples, 35 per cent less than last year's bumper crop of 21.4 million.

Peach production will drop by as much as 45 per cent, the service said. The forecast is for a nine million pound crop, compared with 16.5 million last year.

The hardest hit counties were in the area north of Louisville and in the south central region.

The damage ocured when freezing temperatures hit — and stayed — in Kentucky after the fruit buds began to open. They were killed by the cold.

Agriculture Commissioner Tom Harris said the peach crop in northern Kentucky was wiped out, with the exception of two stronger varieties. The apple crop survived relatively well, with only the red delicious variety damaged, Harris said.

In south central Kentucky most of the peach crop was killed and about half the apple crop.

Your Individual
Horoscope

Frances Drake

FOR FRIDAY, JULY 16, 1976
Look in the section in which your birthday comes and find what your outlook is, according to the stars.

ARIES
(Mar. 21 to Apr. 20)
Watch trends; be guided by your innate sense of thoroughness and real needs. Don't let "outsiders" sway decisions, but do heed counsel from the trustworthy.

TAURUS
(Apr. 21 to May 21)
Your stars, fairly favorable, promise a generally satisfactory day. Keep yourself in line and you will help others to do likewise.

GEMINI
(May 22 to June 21)
You would make a big mistake if you lose control of emotions or become overly aggressive now. Take all situations in stride and problems will resolve themselves.

CANCER
(June 22 to July 23)
Your fine mind and keen perception should assist you in even the most difficult endeavors. If you don't stray off course, you can REALLY achieve now.

LEO
(July 24 to Aug. 23)
Mixed planetary influences. Be careful not to speak out of turn, and don't press too forcibly for what you want when a few well-chosen words could do the trick.

VIRGO
(Aug. 24 to Sept. 23)
Not much astral help here. In general, it would be better to stick to routine matters. Perhaps, too, to take a little time to make some long-range plans.

LIBRA
(Sept. 24 to Oct. 23)
Be careful of the way in which you make your moves, whom you include in your plans. Wrong decisions could break your success pattern.

SCORPIO
(Oct. 24 to Nov. 22)
You may encounter what seems to be undue opposition. Take whatever steps are necessary to overcome it, but do not mistake honest discussion for hostility.

SAGITTARIUS
(Nov. 23 to Dec. 21)
Jupiter, favorable, now promises increasing gains. But some minor situations may have to ironed out before you go ahead with long-range projects.

CAPRICORN
(Dec. 22 to Jan. 20)
Generous influences now stimulate your initiative and ambitions. Gains indicated through new enterprises, properly handled dealings with superiors, others in authority.

AQUARIUS
(Jan. 21 to Feb. 19)
An auspicious period. If you cooperate smartly, you can make up for lost time and break through any barriers to new attainment. Romance highly favored.

PISCES
(Feb. 20 to Mar. 20)
Plan your schedule so as to allow for handling, not only essentials, but some unexpected new activities. Be realistic, too, and do not confuse wishful thinking with "inspiration."

YOU BORN TODAY are endowed with a high order of intelligence; are a keenly analytical thinker and generally accurate in your appraisal of people and situations. You are not always cognizant of your own possibilities, however, since you lack confidence in yourself and often fear to try out your truly unique ideas. This is a trait which you should make every effort to overcome since, until you do, you can never fully realize your fine potentials. Extremely versatile, many fields are open to your talents, highest, on the list being medicine, science, the law, painting, music, journalism and chemistry. Birthdate of: Sir Joshua Reynolds, world-renowned painter; Mary Baker Eddy, founder of the Christian Science Church; Barbara Stanwyck and Ginger Rogers, film star.

MATINEE IDOL
Irish actor John Henry on Oct. 6, 1766, became the first matinee idol in America following his appearance in Philadelphia in "The Roman Father."
