# Correction: Rivastigmine modifies the $\alpha$ -secretase pathway and potentially early Alzheimer's disease

Balmiki Ray, Bryan Maloney , Kumar Sambamurti, Hanuma K. Karnati, Peter T. Nelson, Nigel H. Greig and Debomoy K. Lahiri 

## Correction to: *Translational Psychiatry*

published online 03 February 2020

The original article contained few errors: Hanuma K. Karnati's name was misstated in the author list, references 2 and 55 referred to the wrong sources, and the authors

wanted to expand on their discussion of ChEIs on page 13. These errors have all been updated in the XML, PDF, and HTML versions of this article.
