## Wednesday Forums To Be Held Next Year

### Ditter New Chairman Of Reorganized Committee

Forum meetings, between ten and fifteen in number, will be held every other Wednesday evening. Speakers will be secured with an appropriation given by the College, as well as by personal contact.

The decision to depart from the usual Sunday afternoon forums of the past years came as a result of recent meetings of the Forum Committee, directed by retiring chairman Paul guest '38.

At the reorganization meeting, Mabel Ditter '39, was unanimously elected chairman for the coming year. Other officers elected were William Wimer '39, publicity manager; Doris Chew '40, secretary; and David Hartman '40, treasurer.

## Spring Play Among Ten Best Two Years Ago

### Three Character Changes Made During Week

Over six hundred performances in New York City and six-weeks' stand in San Francisco — this is part of the record achieved by "First Lady", comic, satire on Washington society, which will be presented by the Curtain Club on May 7 and 14.

This play, which will be the second major production of the Curtain Club this year, was, according to Burns Mantle, famous dramatic critic, one of the ten best plays in New York during the 1935-36 season.

The writers of "First Lady," Katherine Dayton and George S. Kaufman, are both well-known. Miss Dayton is familiar to magazine readers because of her "Mrs. Democratic and Mrs. Republican" stories in the Saturday Evening Post, while George S. Kaufman, who lists among his triumphs "What Price Glory?" is a familiar name to theatre-goers.

In the stage play the leading role of Lucy Chase Wayne, which will be characterized by Miss Stoult, was played by Jane Cowl. In the movie the same part was played by Kay Francis while the second lead, that of Irene Hibbard, to be played here by Miss Plunkett, was done by Veree Teasdale.

Several changes have been made in the cast of characters previously published in the Weekly. Raymond Harbaugh '39, will portray the General, succeeding Jean Ehlers '41, Raymond Hess '40, will play the part of Protopopescu, and Charles Blum '41, will portray Signor Ortiga.

Tickets will be on sale every day this week for both performances. Reserved seats will be seventy-five cents, while general admission will be fifty cents.

## ACTIVITIES COUNCIL

An important meeting of the Council on Student Activities will be held tomorrow at 12:30 in room 5, Bomberger. All organizations which have reorganized, or which plan to reorganize, must send both new and old members. Student events not on the College calendar must be approved at this meeting.

## Let There Be Light

College courses are instituted for the purpose of helping to fit a person for some definite walk of life. A student, if he so desires, can find somewhere, in some educational institution, instruction for almost any vocational endeavor which he intends to pursue after graduation. But there is one phase of life after graduation which has been, until recently, almost universally ignored in colleges, but which is, in our minds, every bit as important as a vocation, and that is marriage.

Why, one may ask, should a college have a marriage course? Is not marriage outside the realm of subjects with which a college should concern itself? Today the answer is no. Social experts, psychologists, divorce judges—all bear testimony proving that knowledge of the physical, economic, and psychological aspects of marriage, properly taught at the right time, is imperative to insure a happy home life. Is it not true, then, that college, a place where young men and young women are in the process of attaining their physical, mental, and social maturity, is the logical place to teach them how to get along with those whom they will choose as their life partners?

A marriage course would, of course, have to be frankly taught by a sympathetic, competent authority, or it might degenerate into a farce. True, certain phases of marriage are treated in some courses at Ursinus, but they are treated inadequately, that is, the correlation of the facts into a comprehensive whole is impossible.

Almost one-third of the colleges of this country now have courses in marriage, and the students in these courses have shown, under capable guidance, that they can discuss sanely and unemotionally the problems of sex hygiene and marriage. Can Ursinus afford to ignore this unmistakable educational trend, this opportunity of better preparing students for future life?

### GAFF from the GRIZZLY

Along with the budding trees we have a budding romance, Peg Haas and "Chubby" Dietz.

Tay is recuperating from his week as Rec. Hall host. . . (He considered it the duty of the host to dance with all maidens in distress).

Glenwoodite, of Derr man seen with towel, at window: "He looked just like anyone else from in back, and thank goodness he didn't turn around!"

Two members of the Science Department ate lunch one day. Each was assessed forty-five cents, whereupon the botany man, magnanimously slapping down two quarters, said: "Take them both out of this."

Another experiment gone wrong.

Ray Hess thought it a good idea to have a camera down by Shreiner when they had their "Kiddy Party"—or was it just an excuse to be near "612", and a Betty Dietz?

And "Pappy", did you see "Terry" in her pig-tails?

We wonder if in South hall's Charm School the first three lessons are "How to charm your man?", and the fourth, "How to get rid of him." At any rate they're doing quite well.

Overheard at girls' room drawings: "If she takes that room, I'll take the one above and practice my tap dancing." Girls will be girls.

It's a "hang-over" from last week—but this was seen at the woods at Sixth avenue. "Bobby" entertaining Charlie Steinglotz and other members of a doggie roast with a Spring Dance—probably practice for May Day.

Our bashful waiter, Ed Knetter, wants it known that he is very much interested in a young lady, at home—so you 'agressive females' take notice!

And did "Papa Bailey or the Tau Sigs have the most fun on that doggie roast? . . . He only worried when the young innocents borrowed his knife to chop down the forest.

### Zoll Helps Nine Divide Early Week Games

Beat Swarthmore 4-1, But Lose To Temple 6-5

The baseball nine split even in last week's first two games, with Captain "Dizzy" Zoll turning in his first victory of the season on Wednesday at Swarthmore, and Fred Swift losing his first game, though through no fault of his own, against Temple on the home field last Monday.

The Owls took a 5-1 lead early in the game on costly errors by the Bears, who rallied with four runs in the fifth inning to tie the count, but in the seventh, Nick Mottola put the visitors in front and won the game with Temple's second home run of the game. Jim Honnochiek clouted the first in the third inning.

In the second game, the Bear hurlers defeated the Swarthmore Quakers 4-1, making it five straight losses for the losers. The Bears scored two runs in the third inning on hits by Power, Atkinson, and Zoll, and in the ninth on the blows of Wise, Harris, Eavenson, and Snyder and a sacrifice hit by Keehn. Tapley scored Swarthmore's only run in the third inning.

### Bears To Play First League Games This Week

Russell "Jing" Johnson's baseball Bears open their Eastern Pennsylvania Conference race this week when they meet Juniata and Muhlenberg on Tuesday and Friday respectively. Juniata will be met on the Huntingdon field as the first half of a two day jaunt, which will find Ursinus at Dickinson on Wednesday in a noon league fracas.

"Jing" is not overly optimistic about his charges' chances but thinks that once past the crack Juniata nine they should make plenty of trouble in the loop. Fred Swift and Harry Zoll are in top form and are sure to be the starters on the coming trip.

### MILLS DEMONSTRATES PUNTING

Leroy Mills, dean of American football kickers, gave his annual demonstration and lecture Saturday afternoon to Don Kellett's footballers on Patterson field. Rain interrupted the session and forced it into the gym.

Mills showed the boys all the fine points and technicalities of punting and drop-kicking, and then proceeded to give an amazing exhibition of skill and mastery over the ball by spot kicking and knocking down flags with well-aimed boots.

In the evening Mr. Mills showed moving pictures in the Science Building of some of the great games of past years.

### Tennis Teams Break Even With Beaver, Haverford

Women: Ursinus 5, Beaver 0

The girls' tennis team of Ursinus defeated Beaver College Saturday on the Beaver courts by a score of 5-0 for their second consecutive victory of the young season.

Bunny Harshaw found the going easy in winning 6-1, 6-1, while Captain Libby Ware scored again 6-1, 6-3 for their second triumph in two starts. Squeaky Von Kleck, diminutive dynamo, eked out a slim 6-4, 7-5 win in straight sets and teamed up to score with Bunny in their doubles match. They won 6-0 in the first set and then an injury to one of the Beaver players gave the Bear duet a default.

Ruth Shoemaker and Mary Robbins scored a double 6-3 win in their doubles match to account for the 5th Ursinus tally.

Men: Ursinus 0, Haverford 7

Coach George Tyson's tennis squad lost its first match of the season on Friday when the strong Haverford College racketeers completely outclassed the Bear players to make a clean sweep by a 7-0 score.

Captain Jus Bodley dropped straight sets 6-0, 6-1, while Jim Dietz fell in like manner before the slashing play of "Winnie" Shaw, famous in eastern amateur tennis circles.

"Blub" Gushard opened with a promising drive but lost 6-4 in his first set. "Gus", however, fell behind in the second set and was crushed, 6-0. Freshmen Felix Karpinski and Frank Wood lost 6-1, 6-1 and 6-1, 6-2 respectively in their first collegiate scraps.

The freshmen duet lost out in doubles 6-3, 6-0 while Dietz and Bodley fell 6-1, 6-0 to give Ursinus a complete whitewashing for the day. The team made the trip to Gettysburg Saturday, but was rained out by a sudden storm which broke at noon.

### MEL KOONTZ—FAMOUS HOLLYWOOD ANIMAL TAMER—WRESTLES A FULL-GROWN LION!

HERE'S MEL KOONTZ alone in the cage with four hundred and fifty pounds of lion. The huge lion crouches—then springs straight at Koontz. Nerves cool as ice, Mel meets the charge head on. Man and lion clinch while onlookers feel their nerves grow tense. But Mel

shows himself complete master of the savage beast. No doubt about his nerves being healthy! And, as Mel points out, one big difference in Camels has to do with having healthy nerves. Mel says: "No matter how many I smoke, Camels don't frazzle my nerves."

"I'll say it makes a difference to me what cigarette I smoke"

SAYS MEL KOONTZ TO PENN PHILLIPS

PEOPLE DO APPRECIATE THE COSTLIER TOBACCOS IN CAMELS

THEY ARE THE LARGEST-SELLING CIGARETTE IN AMERICA

On the air Mondays: E-D-D-I-E C-A-N-T-O-R America's great fun-maker and personality, brought to you Monday evenings by Camel cigarettes. Over Columbia Network. See your local newspaper for time.

On the air Tuesdays: BENNY GOODMAN Hear the Goodman Swing Band "go to town." Every Tuesday evening at 8:30 pm E.S.T. (9:30 pm E.D.S.T.), 7:30 pm C.S.T., 6:30 pm M.S.T., 5:30 pm P.S.T., over Columbia Network.

"I guess you have to be particular about your cigarette, Mel. I've often wondered if Camels are different from other kinds?"

"Take it from me, Penn, any one-cigarette's-as-good-as-another talk is the bunk. There are a lot of angles to consider in smoking. Camel is the cigarette I know really agrees with me on all counts. My hat's off to 'em for real, natural mildness—the kind that doesn't get my nerves ragged—or make my throat raspy."

MEL KOONTZ and Penn Phillips got to talking on the subject of cigarettes. Like Mel Koontz, millions of people find what they want in Camels. One smoker tells another: "Camels agree with me!" Yes, those costlier tobaccos in Camels do make a difference!

ONE SMOKER TELLS ANOTHER...

# "Camels agree with me"

Camels are a matchless blend of finer, MORE EXPENSIVE TOBACCOS—Turkish and Domestic

"I know the kind of tobacco used for making various cigarettes," says Mr. Beckham Wright, who has spent 19 years growing tobacco, knows it from the ground up. "Camel got my choice grades last year—and many years back," he adds. "I'm talking facts when I say Camels are made from MORE EXPENSIVE TOBACCOS."

Mr. George Crumbaugh, another well-known planter, had a fine tobacco crop last year. "My best yet," he says. "And the Camel people bought all the choice lots—paid me more than I ever got before, too. Naturally, Camel's the cigarette I smoke myself. Fact is, most planters favor Camels. So I know that Camels use finer tobaccos."

Mr. Cecil White, successful planter of Danville, Ky. "Like most planters around here, I sold the best of my last crop to the Camel people. And at the best prices. I stick to Camels and I know I'm smoking choice tobaccos."
