Commencement Convocation

WILLIAM "BILLY" J. NICKS, SR. BUILDING
SATURDAY, DECEMBER THIRTEENTH

2014

To our guests

Commencement is a significant and solemn event, recognizing years of study and sacrifice. To make this ceremony more meaningful, we ask all guests and participants to avoid unnecessary conversation and movement during the exercises. We also ask that cellular phones be turned off during the ceremony.

Please withhold your applause during the presentation of degrees until each degree group is acknowledged and the candidates have returned to their seats.

Following the singing of the Alma Mater, there is a Recessional for the platform party and all degree recipients. We ask the audience to remain seated during this period.

For your assistance, an Emergency Medical Services station is available in the William "Billy" J. Nicks, Sr. Building. Please ask an usher for assistance.

PRAIRIE VIEW A&M UNIVERSITY COMMENCEMENT PROCESSION

An appropriate costume is a necessary part of Commencement. The costume includes a cap, a gown, and a hood. Each part of the costume has special significance. The most common headpiece (or cap) for the ceremony is the black square, flat-topped, or "mortar board" type with gold or black tassel. It is called a "mortar board" because it is shaped like the board of the mason which holds mortar. Recently, we are seeing large velvet Tam-O-Shanter style of headpieces replacing the mortar board. Some of the velvet tams are brilliantly colored such as orange or bright blue.

The tassel on the doctor's cap is usually gold, and permanently fastened on the left side. The master's cap has a black tassel worn on the left. The bachelor's cap has a black tassel worn on the right prior to graduation then moved to the left during the ceremony.

The hood can be the most colorful part of the entire costume. The colors inside the hood are those of the college or university which is awarding the degree. The colors of the outside rim of the hood symbolizes one of the following departments of learning:

Agriculture.....	Maize	Medicine	Green
Architecture	Lavender	Music	Pink
Arts, Letters, Humanities.....	White	Nursing	Apricot
Commerce, Accountancy, Business	Drab	Oratory (Speech)	Silver Gray
Dentistry	Lilac	Pharmacy	Olive Green
Economics	Copper	Philosophy	Dark Blue
Education	Light Blue	Physical Education	Sage Green
Engineering.....	Orange	Public Administration, including	
Fine Arts	Brown	Foreign Service.....	Peacock Blue
Forestry.....	Russett	Public Health	Salmon Pink
Geography	Blue and Green	Science	Golden Yellow
Home Economics.....	Golden Yellow	Social Work	Citron
Journalism.....	Crimson	Technology	Golden Yellow
Industrial Education.....	Light Blue	Theology	Scarlet
Law	Purple	Veterinary Science.....	Gray
Library Science.....	Lemon		

The gown is usually black. The traditional doctor's gown has velvet panels down the front and three velvet bars on the regular sleeves. The master's gown has no velvet, but does have unusually long sleeves. The bachelor's gown is similar to the master's gown but has regular long sleeves which tend to be pointed.

Some gowns may be in the color of the department granting the degree, such as "Education Blue." Others may be "Yale Blue" or "Harvard Crimson" for the graduates of these universities. Customized stoles honor those students who have served the nation in the Armed Forces.

THE MACE

The mace is an ancient symbol of authority which is carried by the marshal ahead of the academic procession. The mace for Prairie View A&M University is four feet long and contains four bronze figures atop a Honduras mahogany base which tapers to fit into its stand(m). The four figures are symbolic of the four undergraduate academic years. Within the hollow area beneath the figures, and shared equally, is a flame which denotes knowledge and excellence. The base which serves as a grip and is carried by a faculty member, symbolizes the entire faculty; the stand which supports the mace characterizes the administration. The visual impact of the mace as a whole is "torch-like." The eight tassels represent the academic organization of the University.

THE MEDALLION

The President's Medallion, the official symbol of the Office of the President at Prairie View A&M University, was created especially to commemorate the lineage of the Presidency by the late Mr. Frank Hayden, nationally famous sculptor and Professor of Fine Arts at Southern University, Baton Rouge, Louisiana. The first medallion was presented to Dr. Percy A. Pierre, fourth president of Prairie View A&M University, on March 21, 1985.

The medallion is designed to be worn with academic regalia at all official University programs. Abstract figures, representing the academic disciplines in an attitude of celebration, encircle the outer rim. The inner circle symbolizes the pursuit of excellence throughout four years of teaching and learning. The weave of the chain is the facsimile of that used by the ancient Greeks.

A replica will be presented to each subsequent President during his inauguration. The medallion will ultimately reflect the history of the presidency, revealing names and dates of inauguration.

COMMENCEMENT ORATOR

GEORGE C. WRIGHT, PhD
President
PRAIRIE VIEW A&M UNIVERSITY

Dr. George C. Wright is the seventh president of Prairie View A&M University, the second oldest public institution of higher education in Texas. For more than a decade, he has led the 138-year old HBCU in to an era of change, from the campus landscape to a focus on preparing students to compete in a global marketplace.

Wright received his bachelor's and master's degrees in history from the University of Kentucky and his doctorate in history from Duke University. In 2004, Dr. Wright was awarded an honorary doctorate of letters from the University of Kentucky.

His teaching experience began in 1977 as an assistant professor at the University of Kentucky. In 1980, he began teaching at the University of Texas at Austin where he would eventually become a full professor and the holder of the Mastin Gentry White Professorship of Southern History. After his first year at UT, he was voted one of the 10 best faculty every year on the annual list of the 10 Best and 10 Worst faculty. STATE OF TEXAS
OFFICE OF THE GOVERNOR

A Message from the Governor:

I am pleased and honored to extend greetings to everyone attending the Prairie View A&M University 2014 Fall Commencement Convocation.

Today, as you celebrate your achievements and the honor you have earned as graduates of this fine institution, Texas celebrates with you. You have demonstrated excellence and can take great pride in your accomplishments.

The diploma you receive today is not the goal you have worked diligently to attain. It is only a symbol of the education that has prepared you for a career, a productive life and an active membership in a society that needs your talents and energy.

You are the inheritors of not only the freedom and prosperity of this great state and nation, but also the responsibilities that accompany them. I urge you to rise to the challenge by building upon the foundation laid by the men and women who have come before you.

I am sure the milestone you celebrate today is only one of many achievements you can look forward to. I encourage you to recognize the support system that helped you reach this place — families, friends, teachers and professors — and to take the time to thank and honor them. The success you know today is the work of many, and those relationships will guide you as you continue on your way.

First Lady Anita Perry joins me in sending best wishes for your continued success.

Sincerely,

Rick Perry

Dear Graduates & Future Alumni:

Congratulations on your graduation from the Prairie View A&M University National Alumni Association, its Board of Directors and the entire Alumni family. You are now one of the many productive people produced by Prairie View. You join 60,000 Panther Proud Prairie View Graduates. Welcome to the Family!

I encourage you to go forth to a waiting world of endless opportunities. You have been well prepared by PVAMU in a caring and giving environment. You have gained much from the fountain of knowledge offered.

I also challenge you to look back, come back and most of all give back. We need you to help maintain and support our University so that others coming after you will have beneficial experiences.

Commit to be an Active Alumnus rather than merely a Grateful Graduate. Involve yourself in Alumni activities at the local level so that collectively we will have a strong national organization to advocate for and support our beloved Alma Mater and ensure its relevance for generations to come

We are what we are because of who we are! We are who in part because of PVU.

With Much Panther Pride!

ALMA MATER
DEAR PRAIRIE VIEW

Dear Prairie View, our song to thee we raise,
In gratitude we sing our Hymn of praise,
For mem'ries dear, for friends and recollections,
For lessons learned while here we've lived with thee.
For these we pledge our hearts full of devotion,
To serve thee now, and through eternity.

As days go by, our hearts will not grow cold,
We'll love thy purple royal and thy gold,
We'll through our lives exemplify thy teachings,
We'll always strive a blessing to be.
Thy children we our love and pride confessing,
We'll love thee now, and through eternity.
