TOWN COUNSEL

Peter G. Hastings, Esq.	Fryeburg, ME.
-------------------------	---------------

SELECTMEN'S REPORT

Those who were Conway residents in the 1950s and 60s remember Novembers when they only had each other to talk to; when shops could close from mid March to mid June, scarcely missing a sale.

It was a country town, and for the most part, those who lived here liked it that way. Local businessmen, however, had reason for concern; industry was dying, and tourist business was neither stable enough nor profitable enough to support those who worked in it at more than a minimum level. We were a town of older people, as our children looked for jobs in greener pastures.

Local promotional efforts of the 1960s and 70s, coupled with our wealth of natural assets — and a large dash of chance — resulted in a stronger economy, with more customers than anyone had forecast.

As the Town grew, so did the sophistication of the investors and developers who bankrolled the growth. To match their expertise, the Town has had to create an organization that would be flexible enough to adapt to change, but strong enough to keep us from being inundated by it. Fortunately, Conway had as its base a solid group of employees whose low turnover and length of service provided a sturdy foundation of knowledge and experience on which to build.

In 1983 Curt Lunt was hired as Town Manager. Though from small town roots himself, he is one of the new breed of career municipal managers. His credentials, including a Masters degree in his field, equip him with the tools to guide Conway through the strains of the 80s. In addition to a full daytime schedule he is often at evening meetings, to keep himself current on Town problems and lend his knowledge to their solution. The Town would be poorer without him.

In 1986, after several years of paying substantial sums to outside consultants, the Town hired Scott Johnstone as its full time Engineer. His talents and energy working "in house" have saved the Town his salary several times over.

Following up on Town adoption of the BOCA Building Code, last year Bob Babine was added as Building Inspector. A former contractor himself, he can communicate on the same level as builders and developers. The very nature of his job, like Scott's, means he often has to make unpopular decisions, but ones healthy for the safety of the Town.

This year one final member of the team is being recommended — a Town Planner. With the Planning Board nearly buried under six months of subdivision and site plan requests, the need is for a qualified person to project the future of the Town and develop means for getting there by the least upsetting, most productive routes.

The words “final members” as used above are only in context of what can be seen today. Town facilities and services must grow at the same pace as its economy. However, except for the horrendous traffic situation (which a State by pass will not cure without local connector roads), the strains of growth are being accommodated, and the resulting increased valuation should more than cover increased costs, keeping the municipal portion of the tax rate from going higher.

We are not the same town we were 30 years ago. Though it seems as though most all of the change has taken place in the last five years, the fact is that we have been doubling our economy every seven years or so since the early 1960s. The words “destination resort” will seldom find more application than they now do here. In complete reversal of the trend of small towns across the nation, Conway is an economic success story, and town government is working to adapt to it.

Respectfully submitted,

CHARLES PETER PINKHAM
Chairman, Board of Selectmen

Conway Board of Selectmen: Paul W. Hutchins, Jr. - Charles Peter Pinkham - Robert Bumstead. (Robert Bumstead wearing jacket).

CONWAY TOWN WARRANT

STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE TOWN OF CONWAY, County of Carroll, in the State of New Hampshire, qualified to vote in Town Affairs:

You are hereby notified to meet at the Karl Seidenstuecker Auditorium at Kennett High School, Conway, New Hampshire, on Tuesday, the eighth day of March, 1988, at nine o'clock in the forenoon to act upon the following subjects hereinafter set forth. Voting on Articles 1, 2, 3, 4, 5, 6 and 9, will be by official ballot, and the polls shall open for balloting at nine o'clock in the forenoon or as soon thereafter as the Moderator calls the meeting to order and declares a quorum present. The remaining articles of the Warrant shall be acted upon at seven o'clock in the evening or at the closing of the polls if the meeting shall vote to keep the polls open to a later hour.

ARTICLE 1. To choose all necessary officers.

ARTICLE 2. To see whether or not the Town will vote to adopt Amendment No. 1 as proposed and recommended by the Planning Board for the town zoning ordinance amending Conway Code Article 147-17 and 147-17.1 by changing the set-backs and frontage requirements for certain lots in the Business District and certain lots abutting watercourses and water bodies.

ARTICLE 3. To see whether or not the Town will vote to adopt Amendment No. 2 as proposed and recommended by the Planning Board for the town zoning ordinance amending Conway Code Article 147-17.2 by changing the definition and manner of measuring building heights.

ARTICLE 4. To see whether or not the Town will vote to adopt Amendment No. 3 as proposed and recommended by the Planning Board for the town building permits ordinance amending Conway Code Article 88-2 through 88-3 and 88-5 by redefining when a building permit is required, registration of contractors, requirements of zoning permit and the application for the same.

ARTICLE 5. To see whether or not the Town will vote to adopt Amendment No. 4 as proposed and recommended by the Planning Board for the town code by creating a new Conway Code Article 91 defining when and how a fire suppression sprinkler system shall be required in new and renovated buildings, except single and two-family dwelling units.

ARTICLE 6. To see whether or not the Town will vote to adopt Amendment No. 5 as proposed by the petition of R. (Robert P.) Lenzi and others, to the town zoning ordinance, by amending Conway Code Article 147-21.B. by changing the Residential/Agricultural District to the Village Commercial District in the area of town southerly along both sides of Route 16 from the present North Conway Village area over Hitching Post Hill (a/k/a Pine Hill) to the northern boundary of the Eastern Slope Campground property. This is a petitioned article not recommended by the Planning Board.

ARTICLE 7. To see if the Town will vote to raise and appropriate the sum of Seven Hundred Eleven Thousand Five Hundred Dollars (\$711,500) for the purposes of developing and constructing a new district court building on land of the Town in Redstone, Town of Conway, New Hampshire, with authority for the Selectmen to enter into a lease and sale of the new courthouse and the land under the same to the State of New Hampshire through a lease/purchase agreement and with further authority for the Selectmen to borrow up to said sum under the Municipal Finance Act with the Selectmen to arrange all terms and conditions of such borrowing and said lease/purchase agreement (the principal and interest of this borrowing to be repaid under the lease payments to be paid by the State of New Hampshire to the Town of Conway). Recommended by the Budget Committee (9-1-0).

ARTICLE 8. To see if the Town will vote to raise and appropriate the sum of Nine Hundred Twenty Two Thousand Five Hundred Dollars (\$922,500) for the purposes of developing and constructing a new police building on land of the Town in Redstone, Town of Conway, New Hampshire, and to authorize the Selectmen to borrow up to said sum under the Municipal Finance Act with the Selectmen to arrange all terms and conditions of such borrowing and its repayment. Recommended by the Budget Committee (10-0-0).

ARTICLE 9. To see whether or not the Town will vote to establish a CHARTER COMMISSION for the purpose of revising the municipal charter, or establishing a new municipal charter for the Town of Conway.

ARTICLE 10. To see what sums of money the Town will vote to raise and appropriate for the following purposes:

GENERAL GOVERNMENT

- Town Officers' Salaries
- Town Officers' Expenses
- Election and Registration Expenses
- Cemeteries

See State Form MS-7, Budget of the Town of Conway, N.H., attached hereto and incorporated under this article.

ARTICLE 11. To see if the Town will vote to adopt amendments to Conway Code Chapter 113 as follows:

AMEND CONWAY CODE 113-13 by deleting its title and inserting as follows: Solid Waste Facility System.

AMEND CONWAY CODE 113-13 by inserting a new paragraph D. and E. as follows:

D. User Fee:

(1) COMMERCIAL HAULER OF SOLID WASTE USER FEE: As of April 1, 1988, a user fee for all solid waste will be paid by all commercial haulers of solid waste per truckload or any fractional load thereof as follows:

- a. Pickup and light trucks of 1 ton but less than 2 tons
mfr's rated capacity \$ 10/load
- b. 16 yard capacity packers \$ 80/load
- c. 20 yard capacity packers \$100/load
- d. All other trucks and/or tractor trailer trucks or haulers \$100/load

(2) RESIDENTIAL SOLID WASTE CREDIT: The Selectmen shall determine the weekly average amount of residentially generated solid waste tipped weekly by each commercial hauler of solid waste at the solid waste facility of the town based on such hauler's number of residential customers times 100 pounds per week. This weekly amount of residentially generated solid waste of a commercial hauler of solid waste divided by the total of all solid waste tipped at such facility by such commercial hauler of solid waste per week shall determine the percentage known as the "residential solid waste credit" for such commercial hauler of solid waste. The user fee per Paragraph D. (1) next above determined for such commercial hauler of solid waste shall be reduced by the same percentage as the Residential Solid Waste Credit.

E. Definitions:

(1) "Commercial haulers of solid waste" means a person disposing solid waste at the Town's solid waste facility from trucks having a manufacturer's rated capacity of one (1) ton

or more, and shall not include those who deposit residentially generated solid waste which is collected and hauled without fees or other charges.

(2) "Person" means any individual, partnership, corporation, non-governmental unit or agency, or any combination thereof.

(3) "Septage Haulers" means transporters of septage, septic tank effluent and other similar putrescible materials.

(4) "Residentially generated solid waste" means the solid waste generated from dwelling units which provide living quarters for persons, excluding hotels, motels and similar commercial type operations.

AMEND CONWAY CODE 113-13 D. by re-lettering the same to be subparagraph F. and deleting subparagraphs (1) and (2) therein and inserting therefor new subparagraphs (1) and (2) and adding a new subparagraph (5) thereto respectively as follows:

(1) All commercial haulers of solid waste and septage seeking to access the solid waste facility with solid waste or any septage must obtain a written permit from the Town to be issued by the Office of Town Manager.

(2) Septage haulers must provide a means of ascertaining the total gallonage of each load delivered to the lagoon for storage.

(5) A commercial hauler of solid waste to the Town's solid waste facility shall present to the solid waste attendant a manifest containing the following information:

(a) Name, address and telephone number of the commercial hauler together with the capacity of the subject truck or packer and the driver's signature.

AMEND CONWAY CODE 113-13 E. by deleting the same and inserting a new subparagraph G. as follows:

Billing for User's Fee: Based on the manifests submitted, a monthly statement shall be sent to each commercial hauler of solid waste and septage hauler for the solid waste and septage tipped at the solid waste facility by such commercial hauler of solid waste and septage hauler during the preceeding month for which payment shall be due within twenty (20) days next following the date of billing, but this shall not preclude other collection procedures including prepayment requirements as the Town Selectmen may direct. Credit shall be given on each

such billing for the percentage of solid waste so generated by residential customers in an amount as finally determined by the Selectmen of Conway after consultation with each commercial hauler of solid waste respectively. If a commercial hauler of solid waste or septage hauler owes money to the Town for solid waste or septage disposed of at the solid waste facility which is past due more than thirty (30) days, the permit for such commercial hauler of solid waste or septage hauler may be revoked or suspended by the Town Manager until satisfaction of all arrearages. A permit which is revoked or suspended may, on reissue, or reinstatement, have special conditions on manner and time of payment of user fees imposed by the Town Manager. Recommended by the Budget Committee.

ARTICLE 12. To see if the Town will vote to raise and appropriate the sum of Twenty Five Thousand Dollars (\$25,000) for repairs to the CONWAY LAKE DAM. Recommended by the Budget Committee (9-0-0).

ARTICLE 13. To see if the Town will vote to raise and appropriate the sum of Sixty Thousand Dollars (\$60,000) for the reconstruction of approximately 3,500 ft. of SOUTH CONWAY ROAD, from Gulf Road to Clark Brook. Recommended by the Budget committee (9-0-0).

ARTICLE 14. To see if the Town will vote to raise and appropriate the sum of Five Thousand Five Hundred Dollars (\$5,500) for a HOUSEHOLD HAZARDOUS WASTE COLLECTION PROGRAM. Recommended by the Budget Committee (9-0-0).

ARTICLE 15. To see if the Town will vote to raise and appropriate the sum of Fifteen Thousand Dollars (\$15,000) for the RECREATION SWIMMING AREA ACQUISITION AND DEVELOPMENT CAPITAL RESERVE FUND. Recommended by the Budget Committee (8-1-0).

ARTICLE 16. To see if the Town shall vote to appropriate the sum of Eight Thousand Two Hundred Dollars (\$8,200) to be placed in the MT. WASHINGTON VALLEY INCINERATOR CAPITAL EQUIPMENT RESERVE FUND, and authorize the withdrawal of the amount, plus any interest, from the Federal Revenue Sharing Fund. Recommended by the Budget Committee (8-1-0).

ARTICLE 17. As a non-binding expression of Town opinion, the Selectmen seek, for the benefit of the Townwide Fire Department Committee, discussion and vote to indicate whether or not to proceed as follows: To see if the Town desires to have a TOWN-WIDE FIRE SYSTEM to be developed through acquisition of the

existing fire suppression equipment of the various Town districts and precincts with the Town paying the actual cost paid for the equipment by each district or precinct less reasonable depreciation and manner of payment to be arranged under a lease/purchase agreement, provided the district or precinct vote to concur.

ARTICLE 18. To see if the Town will vote to raise and appropriate the sum of Twenty Five Thousand Dollars (\$25,000) to provide RADIO AND COMMUNICATIONS EQUIPMENT for the purpose of setting up a 911/Central Dispatch System for handling emergency fire, police and medical emergency alarms townwide, and to provide the necessary radio and communications equipment to the five fire departments in the Town of Conway for integration with the above townwide system. This equipment will include a backup dispatching base radio with a tone encoder, additional tone activated pagers for firefighting personnel, replacement of obsolete mobile radios for apparatus, additional and replacement hand held portable radios, and the conversion of existing radios for bases in outlying stations. These items will supplement existing equipment and are intended to bring the dispatching and communication system of the Town into line with current needs. Agreeable to a petition signed by Raymond E. Lowd and others. Recommended by the Budget Committee (12-0-0).

ARTICLE 19. To see if the Town will vote to raise and appropriate the sum of Twelve Thousand Dollars (\$12,000) to employ a full time FIRE INSPECTION OFFICER, whose duties shall be primarily enforcement of Life Safety Code 101, Conway Code Chapter 90, in new and existing buildings, and as prescribed by the requirements of State fire laws, in cooperation with the local fire chiefs, and such other building inspection duties as directed by the Town of Conway Building Inspector. Agreeable to a petition signed by Raymond E. Lowd and others. Recommended by the Budget Committee (12-0-0).

ARTICLE 20. To see if the Town will vote to raise and appropriate the sum of Fifteen Thousand Dollars (\$15,000) to the CONSERVATION FUND as authorized by RSA 36-A:5, and authorize the Selectmen to accept private donations of land, interest in land or money to be deposited into the conservation fund for the purposes of contributing conservation land or interest in land and other costs associated therewith for permanent conservation use under the N.H. Land Conservation Investment Program (LCIP) RSA 221-A, and authorize the Selectmen to apply for and accept the State matching funds under the LCIP for the purposes of acquisition of the fee or lesser interest in conservation land. Said appropriated or donated funds and State matching funds may be

expended by majority vote of the Conservation Commission. Recommended by the Budget Committee (10-0-0).

ARTICLE 21. To see if the Town will authorize the Selectmen to accept private donations of land, interest in land or money to be deposited into the CONSERVATION FUND for the purposes of contributing to the local matching portion required for acquiring conservation land or interest in land and other costs associated therewith for permanent conservation use under the N.H. Land Conservation Investment Program (LCIP) RSA 221-A, and authorize the Selectmen to apply for and accept the State matching funds under the LCIP for the purposes of acquisition of the fee or lesser interest in conservation land. Said appropriated or donated funds and State matching funds may be expended by majority vote of the Conservation Commission.

ARTICLE 22. To see if the Town will vote to authorize the Selectmen on behalf of the Town of Conway to enter into a five year lease, at \$1.00 per year, with the Conway Village Fire District, for the premises on Main Street in Conway, which house the CONWAY RECREATION CENTER; and to see, further, if the Town will vote to raise and appropriate the sum of Fifty Eight Thousand Nine Hundred Eighty Dollars (\$58,980) to operate the Conway Recreation Center. Recommended by the Budget Committee (9-0-0).

ARTICLE 23. To see whether or not the Town will vote to raise and appropriate the sum of Sixty Thousand, Four Hundred and Twenty Nine Dollars (\$60,429), said sum to be turned over to the NORTH CONWAY COMMUNITY CENTER to be used for the program of the North Conway Community Center. Agreeable to a petition signed by Herbert D. Hunt, Jr. and others. Recommended by the Budget Committee (9-0-0).

ARTICLE 24. To see whether or not the Town will vote to authorize the Conway Planning Board to prepare and/or amend a recommended PROGRAM OF MUNICIPAL CAPITAL IMPROVEMENT PROJECTS for purposes of aiding the Town and its Budget Committee, pursuant to RSA 674:5-8, inclusive.

ARTICLE 25. Shall we adopt the provisions of RSA 80:58-86 for a REAL ESTATE TAX LIEN PROCEDURE? These statutes provide that tax sales to private individuals for nonpayment of property taxes on real estate are replaced with a real estate tax lien procedure under which only a municipality or county where the property is located or the State may acquire a tax lien against land and buildings for unpaid taxes. Agreeable to a petition signed by Mary E. Conlon and others.

ARTICLE 26. To see if the Town will vote to raise and appropriate the sum of Nine Thousand Seven Hundred Seventy Five Dollars (\$9,775) for the purpose of providing services for the YOUNG MOTHERS' PROGRAM of the Children and Youth Project of Mt. Washington Valley. Agreeable to a petition signed by Evelyn B. Dole and others. Recommended by the Budget Committee (9-1-0).

ARTICLE 27. To see if the Town will vote to raise and appropriate the sum of Nine Thousand Eight Hundred Eighty Dollars (\$9,880) for the support of the CHILDREN AND YOUTH PROJECT OF MT. WASHINGTON VALLEY. Agreeable to a petition signed by Evelyn B. Dole and others. Recommended by the Budget Committee (10-0-0).

ARTICLE 28. To see if the Town will vote to raise and appropriate the sum of Fifteen Thousand Dollars (\$15,000) for the support of the GIBSON CENTER FOR SENIOR SERVICES AND THE GIBSON CENTER MEALS AND WHEELS PROGRAM. Agreeable to a petition signed by Glenna Mori and others. Recommended by the Budget Committee (10-0-0).

ARTICLE 29. To see if the Town will vote to raise and appropriate the sum of Nineteen Thousand dollars (\$19,000) to provide a VALLEY SOCIAL SERVICE WORKER to assist the eight towns now served by Gibson Center for Senior Services. Agreeable to a petition signed by Glenna Mori and others. Not Recommended by the Budget Committee (0-10-0).

ARTICLE 30. To see if the Town will vote to raise and appropriate the sum of Thirteen Thousand Dollars (\$13,000) for the CENTER OF HOPE, INC. Agreeable to a petition signed by Arlene Cloutier and others. Recommended by the Budget Committee (10-0-0).

ARTICLE 31. To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000) for the support of the EASTERN SLOPE AIRPORT AUTHORITY. Agreeable to a petition signed by Jeffrey D. Hall and others. Recommended by the Budget Committee (10-0-0).

ARTICLE 32. To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000) for the support of the EASTERN SLOPE AIRPORT AUTHORITY CAPITAL INVESTMENT PROGRAM. Agreeable to a petition signed by Scott S. Saunders and others. Recommended by the Budget Committee (10-0-0).

ARTICLE 33. To see if the Town will vote to raise and appropriate the sum of Fourteen Thousand Eighty Six Dollars (\$14,086) for the VISITING NURSE SERVICES OF NORTHERN CARROLL COUNTY, INC., said sum being equal to \$1.80 per person in the Town of Conway (7,826 - based on 1986 Census from the Office of State Planning). Agreeable to a petition signed by Virginia F. Small and others. Recommended by the Budget Committee (10-0-0).

ARTICLE 34. To see if the Town will vote to raise and appropriate the sum of Two Thousand Three Hundred Dollars (\$2,300) for the support of the COMMUNITY ACTION OUTREACH PROGRAM. Agreeable to a petition signed by Margaret Lemieux and others. Recommended by the Budget Committee (12-0-0).

ARTICLE 35. To see if the Town will vote to raise and appropriate the sum of Five Thousand Nine Hundred Forty Dollars (\$5,940) to assist the FAMILY HEALTH CENTER. Agreeable to a petition signed by Karen Dlugosinski and others. Recommended by the Budget Committee (11-0-1).

ARTICLE 36. To see if the Town will vote to raise and appropriate the sum of Four Thousand Dollars (\$4,000) to help defray the expenses of the service and programs as carried out by the MT. WASHINGTON VALLEY CHAPTER OF THE AMERICAN RED CROSS. Agreeable to a petition signed by Dianne R. Mohla and others. Recommended by the Budget Committee (12-0-0).

ARTICLE 37. To see if the Town will vote to raise and appropriate the sum of Two Thousand Five Hundred Dollars (\$2,500) for the purpose of running and maintaining the Conway Information Booth; to be carried out and accounted for by the CONWAY VILLAGE CHAMBER OF COMMERCE. Agreeable to a petition signed by Merle Sweeney and others. Recommended by the Budget Committee (12-0-0).

ARTICLE 38. To see if the Town will vote to raise and appropriate the sum of Three Thousand Dollars (\$3,000) for the MT. WASHINGTON VALLEY CHAMBER OF COMMERCE; said funds to be dedicated to the Chamber's Visitor Information Services. Agreeable to a petition signed by Edward O'Halloran and others. Recommended by the Budget Committee (12-0-0).

ARTICLE 39. To see if the Town will vote to raise and appropriate the sum of Nine Thousand One Hundred Dollars (\$9,100) to assist the CARROLL COUNTY MENTAL HEALTH SERVICE. Agreeable to a petition signed by Roberta M. Bunker and others. Recommended by the Budget Committee (10-0-0).

ARTICLE 40. To see if the Town will vote to raise and appropriate the sum of Two Thousand Four Hundred Dollars (\$2,400) to

assist the ADVOCATES FOR SPECIAL PEOPLE, to be used to provide a recreation program for the special needs children that live in the Town of Conway. Agreeable to a petition signed by Kenneth M. Jones and others. Recommended by the Budget Committee (12-0-0).

ARTICLE 41. To see if the Town will vote to raise and appropriate the sum of One Thousand Five Hundred Dollars (\$1,500) in support of CARROLL COUNTY AGAINST DOMESTIC VIOLENCE AND RAPE. Agreeable to a petition signed by Loraine Cormack and others. Recommended by the Budget Committee (12-0-0).

ARTICLE 42. To see if the Town will vote to raise and appropriate the sum of Four Thousand Two Hundred Sixty Nine Dollars (\$4,269) for CHILDREN UNLIMITED, INC., said sum being equal to \$.55 per person in the Town of Conway. Agreeable to a petition signed by Paul F. Ross and others. Recommended by the Budget Committee (12-0-0).

ARTICLE 43. To see if the Town will vote to DISCONTINUE AND ABANDON AS A PUBLIC HIGHWAY OF THE TOWN, OLD ROUTE 16 as it runs northerly from New Hampshire Route 16 to its junction with U.S. Route 302, said highway running between Parcel 57 of Tax Map 11 on the East, and Parcels 59, 59-7, 59-8 and 59-9, of Tax Map 11 on the West. Agreeable to a petition signed by D. David Douglass and others.

ARTICLE 44. To see if the Town will vote to designate DAVIS HILL ROAD from Brownfield Road to the Town land and cemetery as a scenic road under the provisions of RSA 231:157 and 231:158 for the purpose of enhancing and preserving the scenic beauty of the Town of Conway. The Selectmen of said Town of Conway shall, regarding such road or roads designated as scenic, file the appropriate request for suspension of specifications when making application to the Commission of Public Works and Highways for Town Road Aid funds. Agreeable to a petition signed by Gary R. Poquette and others.

ARTICLE 45. To see if the Town will vote to designate LEAVITT ROAD from Gulf Road to the Eaton Town Line as a scenic road under the provisions of RSA 231:157 and 231:158 for the purpose of enhancing and preserving the scenic beauty of the Town of Conway. The Selectmen of said Town of Conway shall, regarding such road or roads designated as scenic, file the appropriate request for suspension of specifications when making application to the Commission of Public Works and Highways for Town Road Aid funds. Agreeable to a petition signed by Chester B. Lucy and others.

ARTICLE 46. To see if the Town will vote to designate GREELEY ROAD from Leavitt Road to the Eaton Town Line as a scenic road under the provisions of RSA 231:157 and 231:158 for the purpose of enhancing and preserving the scenic beauty of the Town of Conway. The Selectmen of said Town of Conway shall, regarding such road or roads designated as scenic, file the appropriate request for suspension of specifications when making application to the Commission of Public Works and Highways for Town Road Aid funds. Agreeable to a petition signed by James Doucette and others.

ARTICLE 47. To see if the Town will vote to designate BIRCH HILL ROAD from Leavitt Road to the Eaton Town Line as a scenic road under the provisions of RSA 231:157 and 231:158 for the purpose of enhancing and preserving the scenic beauty of the Town of Conway. The Selectmen of said Town of Conway shall, regarding such road or roads designated as scenic, file the appropriate request for suspension of specifications when making application to the Commission of Public Works and Highways for Town Road Aid funds. Agreeable to a petition signed by Thaddeus Thorne and others.

ARTICLE 48. To see if the Town will vote to designate CROWN HILL ROAD, from Gulf Road to the point of abandonment at the west side of parcel 3-27, as a scenic road under the provisions of RSA 231:157 and 231:158 for the purpose of enhancing and preserving the scenic beauty of the Town of Conway. The Selectmen of said Town of Conway shall, regarding such road or roads designated as scenic, file the appropriate request for suspension of specifications when making application to the Commission of Public Works and Highways for Town Road Aid funds. Agreeable to a petition signed by Robert Kimberley-Bryant and others.

ARTICLE 49. To see if the Town will vote to authorize the Selectmen to hire upon the credit of the Town such sums of money as may be needed, such sums not to exceed the combined school, town and county tax budgets, in anticipation of town, county and school purposes.

ARTICLE 50. To see if the Town will vote to authorize the Selectmen, in behalf of the Town of Conway, N.H. to accept gifts and/or Federal or State aid in the name of the Town of Conway, N.H. applied for, and to receive and expend them in accordance with the purposes thereof.

ARTICLE 51. To see if the Town will vote to authorize the Selectmen to withdraw Capital Reserve Funds established by the Town from time to time and disburse the same in accordance with the purposes for which such funds were created respectively.

ARTICLE 52. To see if the Town will vote to authorize the Selectmen to sell, at their discretion, at public auction, any real estate in the Town to which the Town has title by Collector's Deed; except when it is being sold back to the former owner, or to a party who has succeeded to the title of the former owner, in which case private sale may be utilized; any such real estate to be sold and conveyed on or before the next annual Town Meeting.

ARTICLE 53. To act upon any other business that may legally come before said meeting.

Given under our hands and seal at Center Conway, New Hampshire, this 12th day of February, 1988.

CHARLES PETER PINKHAM, Chm.
ROBERT BUMSTEAD
PAUL W. HUTCHINS, JR.

A true copy Attest:

JOHN D. STEVENS, Justice of the Peace

We hereby certify that we posted a like copy of the within Warrant on February 16, 1988, at the post offices at Conway, North Conway and Center Conway, at the Town Hall at Center Conway, and at Karl Seidenstuecker Auditorium at Kennett High School, the place of meeting, all public places within the said Town of Conway.

CHARLES PETER PINKHAM, Chm.
ROBERT BUMSTEAD
PAUL W. HUTCHINS, JR.

State of New Hampshire
Carroll ss.

Personally appeared Charles Peter Pinkham, Robert Bumstead, and Paul W. Hutchins, Jr., Selectmen of the Town of Conway, New Hampshire, and made oath that the foregoing certificate by them is true, before me,

JOHN D. STEVENS
Justice of the Peace

AUDITOR'S REPORT ON FINANCIAL PRESENTATION

To the Members of
the Board of Selectmen
Town of Conway
Conway, New Hampshire

We have examined the general purpose financial statements of the Town of Conway, New Hampshire and the combining fund financial statements of the Town as of and for the year ended December 31, 1986, as listed in the table of contents. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1B, the general purpose financial statements referred to above do not include the General Fixed Asset Group of Accounts, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Assets Account Group is not known.

In our opinion, except that omission of the General Fixed Asset Group of Accounts results in an incomplete presentation, as explained in the above paragraph, the general purpose financial statements referred to above present fairly the financial position of the Town of Conway, New Hampshire, at December 31, 1986, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year. Also, in our opinion, the combining fund financial statements referred to above present fairly the financial position of each of the funds of the Town of Conway, New Hampshire, at December 31, 1986, and the results of operations of such funds for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole and on the combining fund financial statements. The accompanying financial information listed as supporting schedules in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements of the Town of Conway, New Hampshire. Such information has been subjected to the auditing procedures applied in the examination of the general

purpose and combining fund financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements of each of the respective funds taken as a whole.

TOWN MANAGER'S REPORT

To the Board of Selectmen and the Citizens of Conway:

1987 was a banner year with record sunshine and prosperity. Services were strained and, in the case of the famous septage lagoons, broken. Garbagemen had a huge mountain of business; traffic snarled, backed up, and public officials dashed (when traffic permitted) from one call to the next. However, I remain optimistic that these problems are well on the way to resolution.

The voters approved funds for reconstruction of the septage lagoons, now reopened. The voters of the North Conway Water Precinct approved funding of a sewer system; the voters approved funding for a 10,000 sq. ft. Town Garage, now under construction. The Town completed 3.5 miles of road betterment projects — Birch Hill West and Cranmore Shores. The Town reconstructed Davis Hill Road and Old Mill Road under the first user fee road impact approach by the Planning Board. Impact fees will become more common as elected officials grapple with rapid development. We anticipate more growth and more pressure to provide more and better services.

The Board of Selectmen signed a 3-year contract extension with Sanco Landfill (a state of the art lined facility in Bethlehem), and are searching for a local landfill. While the cost is huge, closeout and environmental protection are built in, unlike our existing landfill which continues to plague us.

The Town continues to have overcrowded offices, District Court and Police Department facilities. With your support for funding, these problems can be resolved. The Town continues to have organizational problems and a Charter Commission is offered for your consideration.

Traffic has been our chief dilemma for years, while increased capacity is clearly needed for continued economic prosperity. The legislature has agreed to approve funding, and your input into the massive Conway bypass project is vital to a better decision this year.

The Board of Selectmen meet in open public session each Monday afternoon, and your input is welcome.

Thank you for your support and assistance.

Respectfully submitted,
CURTIS H. LUNT
Town Manager

JAMES FENNESSY
Assessor

REPORT FROM THE CHIEF OF POLICE FOR 1987

Another year has passed and as usual there has been a significant increase in traffic and requests for police services. I hate to bore you with statistics, but it is the only way I know of to inform you of how busy your police department has been during the past year. For example, this year the department responded to 7,068 requests for police services. This is a 14% increase over 1986. We also had a 9% increase in D.W.I. arrests and a 58% increase in motor vehicle accidents. The department made 678 criminal arrests, 540 motor vehicle arrests, 88 court warrant arrests, and has issued 3,051 traffic summons for a total 4,537 court offenses for 1987.

In a way, our beautiful town is very unique. It appears to have been chosen the factory outlet center of northern New Hampshire. By this time next year we will have approximately one hundred more stores and eating establishments opening in town which will, of course, mean more people, more requests for police services, etc., which will require more police personnel in the near future to keep up with the tremendous expansion that we are experiencing.

During 1987 Leslie Waltzer and Robert Grant were hired to fill two vacancies in Dispatch. We hired Patrol Officers, Wayne E. Harriman and Frank S. Curtis, to fill two vacancies created by personnel leaving. We also hired Patrol Officers Sean Billert and Lauri Nickerson to fill the two positions allotted us at last year's Town Meeting. These two dispatchers and four officers have done an outstanding job and they should be proud of their accomplishments.

Of the four new officers hired in 1987, two received department recognition. Patrolman Frank Curtis was chosen Officer of the Year by the uniformed members of the department. Patrolman Lauri Nickerson was awarded a commendation for delivering a baby in the passenger seat of a vehicle in the parking lot of the police station. Lauri's alertness and motherly instincts saved the infant's life and the mother and baby survived the emergency with no complications. I would like to express my sincere congratulations to these two officers for a job well done.

As I start my fifth year as your Chief of Police, I would like to express my sincere thanks for your tremendous support over the past four years and I hope that we have your support this year for the approval of a new police station, which is badly needed. I would also like to thank the Conway Police Commissioners and the

members of the Conway Police Department for their support in assisting me in giving you a police department of which you can be proud.

Respectfully submitted,

WILLIAM R. SCALETTI
Chief of Police

REPORT OF THE CONWAY POLICE COMMISSION FOR 1987

The Conway Police Commission and the Taxpayers of the Town of Conway can be thankful for a very competent and conservative Chief of Police and a department that for the fourth consecutive year has lived well within its budget for 1987. I, as Chairman of the Commission, feel that this is a magnificent accomplishment in these days of inflation.

The Conway Police Commission regretfully accepted resignations from four of the personnel from the department during 1987 for reasons listed. Christopher Ruel resigned from Dispatch to become a full time patrol officer for the Town of Bartlett. Thomas Dewhurst passed his New Hampshire Bar Exam and went into private practice. Roger Stearns left the department to enter the military service to become a member of the military police, and Robert Martin moved back to New York to become an assistant district attorney.

The Conway Police Commission hired two more persons as patrolmen, those being Sean Billert and Lauri Nickerson.

Upon the recommendation of the Chief, the position of Captain was created and the Commission voted to promote Lt. Robert J. Mullen to that position. Sgt. David G. Bennett was promoted to Lieutenant, Jeffery L. Dicey was promoted from Corporal to Sergeant and O. Jonathan Saxby was promoted from Patrolman to Corporal.

The most critical request for 1988 is the construction of new police headquarters. The present building has been outgrown by the needs of the department. In working with the architects, STEVEN BLATT ARCHITECTS, we the Commissioners and the Executive Officers of the Conway Police Department, have come up with what we feel is a very viable and simple, yet reasonably economical solution for the headquarters. We urge you, please come out and vote for this proposal for 1988 at the Town Meeting on March 8th.

We welcome any taxpayer of the Town of Conway to tour the present station at any time. We are open 24 hours each day, 7 days a week. I feel sure that if anybody wants to tour the station and the Chief, Captain or Lieutenant are not available, all they have to do is contact one of the Commissioners and any of the Commissioners will be more than happy to give any taxpayer a guided tour of the present facility to show how cramped the department is, and to show how the department works.

We, the Police Commissioners of the Town of Conway, are very grateful for the faith and trust you have shown in us to serve in this position and, hopefully, you have not been disappointed in our performance during 1987. We look forward to serving you in the same capacity in 1988.

Respectfully submitted,

CONWAY POLICE COMMISSION
Commissioner Ronald A. Light, Chairman
Commissioner Paul D. Whetton
Commissioner Robert F. Porter

REPORT OF DWI TASK FORCE COMMITTEE

The Conway DWI Task Force was formed in 1985 with assistance from the New Hampshire Highway Safety Agency. The Task Force has a goal of looking at DWI issues from a local perspective and attempting to find solutions to some DWI problems.

The Task Force has written grants for the following: to fund an alcohol and drug survey at Kennett High School; to support the chemical free graduation; to have students to offset peer pressure introduced to the Junior High students; and to fund a bartenders against drunk drivers seminar.

A major goal for 1988 has been to close the Conway Liquor Store on Sundays. The liquor store opened for Sunday business in May, 1987. The Task Force is responsible for the non-binding referendum on the Town Warrant which asks voters to answer the question, "Are you in favor of the Conway Liquor Store being open on Sundays?" The Task Force is hoping the townspeople vote overwhelmingly that they are not in favor of having the store open Sundays. Surrounding townspeople will also have a chance to answer this question. If the townspeople feel that six days are enough time to buy liquor, the Task Force will pursue having the store closed on Sundays by working with the State Liquor Commission Chairman.

The Task Force meetings are monthly and the public is always welcome.

Respectfully submitted,

Diane Bilotta

REPORT OF THE TOWNWIDE FIRE DEPARTMENT COMMITTEE (TWFD)

The TWFD Committee has met regularly during the past year in a continuing effort to work out details, recommendations, and courses of action. We hope these will lead, with the voters' approval, to the eventual forming of a single fire department organization for the entire Town of Conway, incorporating the present five separate departments. It is the feeling of the Committee that this should be a step by step process, at least for now.

At last year's Town Meeting the voters approved money to engage the services of Firepro, Inc., a consultant firm of excellent reputation in the fire protection field. The Committee has met with members of their staff on several occasions and has received much good advice and technical assistance.

It has been apparent to the Committee from the start that improvements in dispatching and in the communications system on a townwide basis are of paramount importance. Without an upgrading and reorganization of these basic services, an efficient townwide fire service is not possible. A committee was set up two years ago to work out the details to implement a 911 telephone system and central dispatch to handle all fire, police and emergency medical alarms in the Town of Conway. Under this system a citizen anywhere in the Town of Conway will need only to dial 911 to summon the appropriate emergency service. The TWFD Committee has worked closely with the 911/Central Dispatch Committee in establishing policies and procedures for this system which is scheduled to be put in operation this summer.

An article in the 1988 Warrant asks for \$25,000 to carry out and implement the 911/central dispatch system, and to equip the five fire departments with necessary communications equipment to allow them to utilize the improvements in dispatching. The pagers, base radios, mobile radios and portable radios which this money will buy, will be used along with existing equipment to provide a standard system of communications between the five fire departments, the dispatch center at the police station, and other emergency and municipal services.

Another facet of the overall fire protection of any community should be an active program of fire prevention and life safety. State laws spell out many things which the local communities are responsible for through the application of safety codes in all types

of public buildings. These include restaurants, lounges, hotels, apartments, stores, offices, and many other types of occupancies open to the public. Storage, handling, and use of flammable and explosive materials such as gasoline, fuel oil, propane, etc., require inspections and code compliance.

The explosive growth in commercial and residential development throughout the Town in recent years, and the requirements of state and local safety codes have caused a snowballing of the fire safety inspection needs. The sheer numbers of periodic inspections required, and the related paperwork, along with the increase in general fire and emergency medical activities brought about by growth, have put heavy demands on the time of the chiefs who do most of the inspections. Their duties are many and they are finding it difficult to do all that should be done, not only in the field of inspections and code enforcement, but in training programs, maintenance programs, public relations, personnel matters, etc.

The Town of Conway now has a Building Inspector whose job it is to see that new construction conforms to building codes and fire codes. He is not responsible for fire safety inspections in established buildings, nor does he have time for it. To address this problem, \$12,000 is being asked for to hire a Fire Safety Inspector to take some of the load off the fire chiefs. This sum would be for approximately half a year's salary since it would be mid year before the right man could be found and brought on board.

This Fire Safety Inspector would work in cooperation with the fire chiefs and under their authority as spelled out by State law. He could also collect vital information and make sketches for preplans for fire suppression operations in buildings, complexes, and facilities which pose outstanding fire problems due to size, life hazard, location, or involving quantities of highly flammable products. When, and if, the Town of Conway takes over the fire services, this inspector would then be working directly under the town fire chief as a part of the fire department.

The TWFD Committee also supports the Planning Board article requiring sprinkler systems in certain types of new buildings. One and two family residences will not be required to have sprinklers. Basically, it requires sprinkler systems in larger multi unit residential occupancies, and large commercial buildings and places of assembly. There are several reasons for requiring sprinklers. The foremost is life safety. There are very few lives lost in sprinklered buildings. Secondly, it places at least a portion of the added fire protection load on the developers and owners of new large occupancies instead of placing all the added load on the fire departments. In the long run it will not be necessary to expand the fire suppression

forces as much if more buildings are sprinklered. Fires in sprinklered buildings tend to be much smaller, thus requiring less manpower and apparatus. Many new buildings are located in fairly remote locations where response time of the fire department may be quite long. The response of sprinklers is practically instantaneous and right on the fire. If the sprinklers do not extinguish the fire, they should at least hold it in check until the fire department can get there. Fire losses, loss of business, and loss of tax base would be less.

These three steps are being presented for voter approval this year. There are several crucial steps ahead involving some difficult decisions before a Townwide Fire Department can be fully implemented.

Perhaps the most controversial of these is how the ownership of the apparatus, equipment and fire stations should be transferred from the precincts and volunteer departments to the Town of Conway. There are several possible courses of action, all of which would require the approval of the voters of the Town and the precincts involved. One approach would be for the Town of Conway to reimburse the precincts for the fair value of the property involved. This would require all parties to agree on the price first of all, which in itself might be difficult. A fair price for all the apparatus, equipment and real estate would surely be quite a few hundred thousand dollars. This could impose a substantial tax load on the Town whether paid in one large payment or in installments. The other side of the coin is that the precincts would apply this money to offset precinct taxes. This approach is probably the fairest since it reimburses the precinct taxpayers who originally bought all these assets at the expense of the whole town who will now own them and benefit from them.

Still another school of thought is for the precincts and volunteer departments simply to turn over all assets to the Town under the rationale that they are still getting the protection afforded by these assets, but the Town as a whole would be picking up the bill henceforth for all fire protection.

Another possibility is some sort of lease-purchase agreement whereby the Town would lease the assets in exchange for a yearly fee and after a predetermined period of time would own them.

Another potentially difficult decision would be how to handle the cost of fire hydrants in the precinct water systems. It can be argued that the people getting the main benefit from these hydrants are the ones living near them. These would be the precinct taxpayers and under this line of reasoning should continue to pay for the hydrant upkeep. The opposite view could be that the hydrants are part of the

overall Town fire suppression system, therefore, the Town should pay for their upkeep.

These are all questions which must ultimately be decided by the voters. Patience, fairness, compromise and cooperation on all sides will be needed to settle these and other questions. Other towns have done it in order to provide more efficient fire protection; I am sure we can.

Respectfully submitted,

RAYMOND LOWD, Chairman
Townwide Fire Dept. Committee

911/CENTRAL DISPATCH COMMITTEE 1987

In the summer of 1986, the 911/Central Dispatch Committee was formed to implement an emergency call system for the Town of Conway. The target date was proposed for the summer of 1988, and I am happy to report that New England Telephone and the Town of Conway are right on schedule.

As you are well aware, 911 is an emergency telephone number that is used across the nation by towns and cities of all sizes. It allows one to simply call one telephone number, 911, for all needed emergency services. That call is received by a dispatcher who in turn processes the call, and tones out the proper emergency department or departments.

In studying the implementation of the 911 network, the committee has found that it is not as simple as having a new phone line installed. The committee, through its study, has found that in order for emergency communications to be effective, the call must be easy to place, reacted on by trained personnel, dispatching should be done according to approved procedures, and a good communication network needs to be in effect for personnel in the field.

Most of the above mentioned are being done to various degrees. Establishment of the 911 telephone numbers will make placing the initial call easier than the present system of six or more different phone numbers now being used.

The police department already has dispatchers in place, but it is foreseen that more personnel and training for the personnel will be needed. This is reflected in the police budget.

Approved procedures also need to be put in place for fire and rescue calls. The Conway Townwide Fire Department Committee has agreed to develop procedures, and this should be in place by the time 911 is employed.

Proper communications for fire department personnel also needs some attention. This area is addressed in a special article on the Town Warrant. Basically, the committee found that a simple back up radio for the police department is needed. This could be used in the event of a malfunction of the major dispatching console, which has happened in the past. Another

area of concern is the fact that all fire department personnel do not have toners. This would greatly help to guarantee adequate members responding to emergencies. Also, it was found that all fire and rescue departments need to be on the same emergency frequency. This is not true at the present, since some departments are using the highway department channel, or simply lack adequate radios. All of this translates to a fairly major expenditure of \$25,000, but the committee is unanimous in support of this article.

Overall authority and location of 911/central dispatch were also concerns of this committee. It has concluded that since the majority of the emergency calls are police calls, and since they already have an established dispatching center, all dispatching should be kept at the police station and under the supervision of the Police Commissioners and the Police Chief. A policy has been developed to protect all departments and interests. This policy has been approved by the fire departments and the police department.

In conclusion, I want to thank the members of the 911/Central dispatch for their hard work and valuable time. The Town of Conway will be better off in an emergency because of their efforts.

CONWAY BOARD OF ADJUSTMENT

The Board of Adjustment has had another busy year in acting upon 52 appeals that were brought before it. One of the more controversial subjects to be brought before the Board was the question of density. The Board adhered to the direction of the ordinance, particularly as this was a change made during Town Meeting of 1987. It is a question that will become more important to the Town, especially with the debate over affordable housing and the method to achieve this. In this regard we would urge careful consideration of, and input from, all members of the community in trying to solve a problem that will be of benefit to the citizens of the community, and allow the Town to offer the quality of services that we now enjoy.

The Board took the following action on appeals:

SPECIAL EXCEPTIONS:

Granted:	29
Denied:	3
Withdrawn:	7

VARIANCES:

Granted:	3
Denied:	7
Withdrawn:	2

APPEAL FROM ADMINISTRATIVE DECISION:

Withdrawn:	1
------------	---

The Board welcomed the appointment of two new members and one alternate during the year. As Chairman, I would like to express my appreciation for the time Board members and Alternates have made available so that the zoning process can be successful. We would urge that interested members of the community offer their services not only to this Board, but to the entire planning process, particularly as it impacts on the development of our community.

CONWAY BOARD OF ADJUSTMENT

Phyllis Sherman, Chairman 1989

John Connolly 1988

Susan Kuemmerle 1989

James Doucette 1990

Donald Ekberg 1990

Roberta Gleason, Alt.

Janice Weinraub, Alt.

John Colbath, Alt.

CONWAY PLANNING BOARD 1987

The Conway Planning Board was very busy in 1987. The economy in the Northeast was very healthy and development in the Conways was in full swing. The approval process was bogged down in detailed review of site plans and subdivision reviews. The Planning Board set the following priorities in March to review the following:

1. Master Plan review
2. Redistricting
3. Mapping of roads
4. Local septic ordinance
5. Impact fee ordinance

After review of the Master Plan, the Board agreed that the following issues should be addressed:

1. Set up a Capital Improvements Plan
2. Submit a gravel and excavation ordinance
3. Keep the ordinances updated to current trends

STATISTICS - See Graphs

The Planning Board and Town Officers agreed that more planning and professional help will be needed to keep up with the future growth of the Town. The planning process has come a long way since the Zoning Ordinance was adopted in 1980. Scott Johnstone, Town Engineer, has been an invaluable asset to the Planning Board. Scott's work load has been increasing with the Town's work load. This year in the Planning Board budget is a proposed full-time Planner to assist the Planning Board. The Planner would help achieve the many goals set down by the Planning Board.

The State of New Hampshire Planning Commission projects the Town of Conway will double in the next twenty years. Careful planning needs to be done in the future.

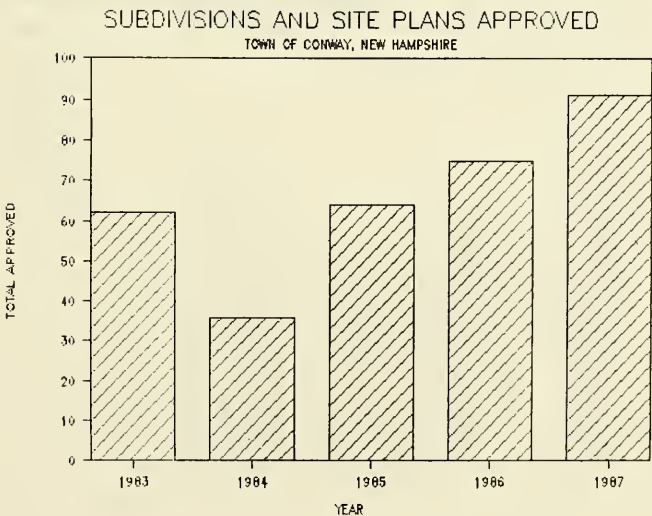

I would like to thank all the Planners and Alternates of the Board. The Board has worked together to make sure the regulations are met and to address problems caused by growth. A special thanks to Vice Chairman, Bill Marvel, who has served five years on the Planning Board and is a valuable source of knowledge when interpreting plans and presenting changes to the Conway Code.

Affordable housing and traffic have been on the front burner of issues this year. The Town needs to keep abreast of these issues in the near future and hopefully will find solutions to ease the problems.

In closing, I would like to thank all the townspeople who participated in the approval process and the planning process to make the Zoning Ordinance work.

Respectfully submitted,

WILLIAM P. CROWLEY
Conway Planning Board Chairman

REPORT OF LIBRARY TRUSTEES - 1987

The library continues to be a very active place. During 1987 there was an increase of 8% in the number of people coming in to take out books, do reference work, read, and attend meetings. Reference questions answered increased 2%. 1419 books were added to the collection - an increase of 21%.

The use of the library for meetings by community groups such as the Women's Club, The Garden Club, the School for Lifelong Learning, the Historical Society, and Tin Mountain Conservation Center increased 9.2%.

The Trustees have been devoting time to long range planning for the future, addressing such subjects as establishing goals that will help to give the community better library service, the adequacy of the building, and its move toward automation in library work.

As the result of a State law passed in 1987, libraries must have an odd number of trustees; therefore, beginning in 1988 there will be 7 trustees instead of 6.

The professional staff is loyal and enthusiastic. Their work is augmented by volunteers who give many hours of service. The trustees are grateful for their support and are proud of the position of the library in the life of the community.

Respectfully submitted,

HELEN BUMSTEAD, Chairman
Library Trustees

CONWAY CONSERVATION COMMISSION 1987 ANNUAL REPORT

1987 was a year of transition for the Conway Conservation Commission. David Sorensen, Chairman and member for over twelve years, resigned early in the year, and he has since accepted an appointment to the Conway Recreation Advisory Committee. David Brooks, the former Executive Director of the Tin Mountain Conservation Center, was appointed to fill out the remaining year of Sorensen's term, while Thomas Earle replaced retiring member Philip Clain. Carl DeWitt was appointed to fill a previously unfilled position as a seventh member.

With the Commission back up to strength, new procedures were instituted. John Walsh, the Assistant Town Manager, is now working closely with the Commission in providing support and liaison with other Town departments. The Town Engineer, Scott Johnstone, is reviewing dredge and fill permit applications and monitoring activities as they occur in the Town wetlands.

The following has been accomplished by the Conservation Commission during 1987:

1. Inspectional tours of all conservation properties held by the Town were made.
2. Whitaker Woods: New signs were erected calling attention to the \$1,000 fine for prohibited activities in the area such as the use of motorized vehicles, the kindling of camp fires, and camping. The Quarry Hill Trail was revamped with the installation of waterbars to divert water run-off over the steeper sections.
3. Pudding Pond Conservation Area: A right-of-way easement was negotiated with the N.H. Bureau of Off-Highway Vehicles to permit the construction and maintenance of a snowmobile trail. The Conway Board of Selectmen signed the agreement with the understanding that the bureau would monitor unauthorized usage in restricted areas. A contract was signed for the reconstruction of a foot bridge over the Pudding Pond outlet.
4. Walker's Pond Conservation Area: A contract was made with naturalist Craig Altobell for the creation of an interpretative

trail and guide booklet for the historic Cotton's Mills site at the foot of Conway Lake. Work is to be completed in June of 1988.

5. Conway Lake: In meetings with Nancy Earle, a member of the Walker's Pond Conservation Society, the Conservation Commission agreed to cooperate in controlling shoreline alteration activities, promoting safe boating, and in preventing milfoil introduction.
6. Eastern Bypass Corridor: At the request of officials from the N.H. Department of Transportation, the Commission met with bypass consultants and drafted a letter listing mitigation steps necessary if that corridor was to remain under consideration.
7. The Task Force for Land Acquisition: Two Commission members, Susan Nichols-Lucy and Thomas Earle, will serve with other local members to identify and seek grants for land acquisition on behalf of the Town following recent legislation which funded the Land Conservation Investment Program under the stewardship of the Trust for New Hampshire Lands.

The Conservation Commission looks forward to addressing the conservation concerns of the citizens, and invites attendance at its regular meetings which are held on the second Tuesday of each month at 7:00 P.M. at the Conway Town Hall.

REPORT OF CONWAY RECREATION CENTER

This has been a busy year for the Conway Recreation Department. In the 1987 Town Meeting an article was presented to the voters of the Town of Conway directing the Conway Recreation Commission and the Conway Town Recreation Advisory Committee to explore the feasibility of a transfer of the existing Conway Recreation Dept., which is under the authority of the Conway Village Fire District, to the Town of Conway. A joint resolution was approved by the above two committees and is as follows:

PROGRAMS: The approximately 60 programs offered by the Conway Recreation Center are a vital part of the overall recreation opportunities available to citizens of Conway and should be maintained at current levels.

STAFFING: The current Conway Recreation Center staff level, consisting of a full time director and part time assistants, is sufficient to maintain program levels. The current recreation center director would become a Town employee with seniority, benefits and salary transferred intact.

FUNDING: That portion of funding (approximately \$24,000) currently being provided by the precinct would be absorbed in the Town's overall recreation budget.

PHYSICAL FACILITIES: The transfer of the facility under a lease agreement from the precinct to the Town would satisfy the requirements of the grant gained from the National Park Service. The five year lease proposed, at \$1.00 per year, should contain a clause permitting renewal for a second five years and also a reverter clause should the Town cease to provide recreation services from the facility during the lease period.

DUAL TAXATION: Both the North Conway Precinct and Conway Precinct taxpayers are subject to dual taxation for recreational purposes. It would seem logical that this burden be borne by the full population of the Town since service delivery by either recreation center is not restricted to residents of the precincts. The North Conway Community Center would continue to be managed in the same manner as it is currently.

In the 1988 Town Warrant an article to authorize the Selectmen to implement this transfer is before the Town voters. The transfer is a sound one and should help the recreation departments of this Town of continue to provide the quality programs and facilities that you, the citizens of the Town of Conway, have come to expect.

Respectfully submitted,
KENNETH M. JONES
Recreation Director

NORTH CONWAY COMMUNITY CENTER 1987

The new playground equipment certainly had to be the highlight of 1987. The local community, along with out-of-state residents, donated \$22,400 towards its purchase. There was also a large number of in-kind services bringing the contribution level to \$26,000. A little more work will be done this spring to complete the project which will serve the area for many years to come. A warm thank-you has been extended to all donors.

Our programs are still strong and we realize the growth in the community. With grammar school enrollment growing, it places more responsibility on your Community Center. Our involvement with R.S.V.P., Cup Scouts, Flag Football, Pee Wee Softball, Special Olympians, Brownies and other events has shown us that there certainly is a need. Adults, too, have many programs that have shown sizable growth. Unfortunately, one of our most successful programs of many years had to be cancelled. Our Art Course, which has run for more than 25 years, will not be offered in 1988 because of lack of interest.

The Board of Directors is in support of the financial funding change of having the Town of Conway appropriate all tax funds for the two Recreation Departments in our Town. This will take financial responsibility from the two supporting precincts and will spread the operational costs over a larger and fairer base. The Board of Directors will still continue to raise a very large share of its budget through its many fund raising projects.

Respectfully submitted,

KIM PERKINS
Director

REPORT OF THE CONWAY RECREATIONAL ADVISORY COMMITTEE

The Conway Recreational Advisory Committee (CRAC) continued its efforts to improve recreational opportunity during 1987. CRAC wishes to commend Assistant Town Manager, John Walsh, for his diligent efforts in organizing and managing the improved and expanded recreation opportunities now in place.

1. **DAVIS PARK** - Park usage continued to increase under the direction of Park Supervisor, James Woodman. The parking area was paved and striped, which provided a more orderly parking situation for users. This was especially important because the ongoing repair of the covered bridge reduced available street parking. A swing set and sand lot was installed adjacent to the tennis courts to provide activity for children while their parents played tennis or pitched horseshoes. CRAC has approved a budget request of \$5,000 to provide lighting in the park. This will significantly expand the use of both the tennis courts and basketball court.
2. **CONWAY LAKE BEACH** - With good summer weather, beach attendance increased. Christine Rustad served as full time lifeguard and swim instructor, assisted by Sara Hounsell and Sara Lyons on a part-time basis. Because of safety concerns from increasing automobile traffic and boat launching activity, a post and chain fence was installed around the beach area.
3. **SWIMMING AREA ACQUISITION** - The search continued for a suitable site without success. CRAC is again recommending a \$15,000 appropriation in the capital reserve fund established for that purpose.
4. **FIRST BRIDGE AREA** - Usage continued at a high level. With the cooperation of the Conway Conservation Commission, the parking area was gravelled and fenced and an overflow parking area was established in a corner of the open field.
5. **ECHO LAKE STATE PARK** - CRAC carefully studied an offer from the New Hampshire Division of Parks for a long-term lease of the Echo Lake swimming area. A request by CRAC for additional time to study the implications of the offer was refused by the State Officials and the matter has been taken off the agenda.

6. CONWAY RECREATION CENTER - The Commissioners of the Conway Water Precinct indicated that they would no longer appropriate funding for the operation of the Recreation Center. A study of the issue was conducted, as provided for in a warrant article passed by the 1987 Town Meeting, and a joint resolution was issued by the Conway Recreation Commission and CRAC, recommending that the operation be continued under a five-year lease. A warrant article authorizing the lease and providing funding will be voted upon by the 1988 Town Meeting.
7. ALLARD LAND - Through efforts of CRAC member, David Sorensen, the Town received a gift of approximately six acres of land from the Smith Allard Family on the West Side Road. The land, which is adjacent to the North Conway Community Center, is to be used for recreation purposes.
8. WATER SAFETY PROGRAM - Under the joint sponsorship of the Town and the Red Cross, a swim instructional program was conducted at Echo Lake State Park and Conway Lake Beach. Kathryn Burnell, as she has done for many years, again served as program coordinator and head instructor. Some 250 children were given instruction by a staff made up of Roberta Hemeon, Christin Rustad, Shelly Osgood and Burnell. Heidi Chauvin and Katy Scaletti served as volunteer instructor aides at Echo Lake. The Echo Lake Program had a unique aspect in that the North Conway Day Care Center provided an instructor in return for direct participation in the program by its students.

TOWN BUILDING INSPECTOR'S REPORT

Although I have been on the job for only six months, I have seen a great deal of growth in the Conways, most of which has been in the commercial areas.

As the size of the buildings increases, so does the danger to public safety. My job is to insure that all public buildings are as safe as possible from a fire and structural viewpoint. Because of these factors, I am working closely with the State Fire Marshall as well as the local Fire Chiefs.

Total permits issued by this office in 1987 numbered 517. Included in these permits were 119 single family units, 266 condominium units and 95 commercial permits. The graph below demonstrates the growth which has occurred in town.

1988 will see the possible adoption of a sprinkler ordinance which will in itself provide the greatest safety from fire that could be put into any multi-family or commercial building. This ordinance, coupled with the 1986 adoption of the BOCA Building Code, the adoption of the Life Safety Code in 1987, inspection of all structures, and greater contractor awareness, creates greater safety and comfort for the people of Conway.

I would like to take this opportunity to thank the Town Engineer for helping me to get situated in my job, and the Town staff, elected officials, and local contractors for making this job a thankful and pleasant task.

Respectfully submitted,
ROBERT M. BABINE
Town Building Inspector

Robert M. Babine, Building Inspector

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Between July 1986 and June 1987, we experienced fewer fires than normal. The three leading causes of forest fires were again children, fires kindled without written permission of a Forest Fire Warden and debris burning. All causes are preventable, but only with YOUR help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of a state timber harvest regulation is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest tax law may be violated, call your Forest Fire Warden, or Concord Forest Protection Headquarters at (603) 271-2217.

If you own forest land, you became responsible for the timber tax payment starting April 1, 1986. This is a change in the Timber Tax Law that will impact all forest landowners. Contact your Board of Selectmen for timber tax forms.

FOREST FIRE STATISTICS - 1987

Number Fires Statewide	403
Acres Burned Statewide	189
Cost of Suppression	\$44,682
District Fires	32
District Acres	11
Town Fires	8
Town Acres	4 1/2
