**WARRANT
STATE OF NEW HAMPSHIRE**

To the inhabitants of the Town of Dummer, in the County of Coos in the said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Dummer on Tuesday, the 14th day of March, 2006 next at 6:45 of the clock in the evening, to act upon the following subjects:

- Art 1. To choose all necessary Town Officers for the year ensuing. (**Vote by Ballot**)
- Art 2. Are you in favor of of having the office of Town Clerk combined with the office of Tax Collector for a one year term? (**Vote by Ballot**)

The Selectmen recommend a YES Vote.

- Art 3. Are you in favor re repealing Article VII of the Ordinance entitled "Floodplain Development Ordinance" and re-numbering the successive Articles of the Ordinance to reinstate the Ordinance as it existed prior to 1999? (By Petition) (**Vote by Ballot**)

Planning Board Recommends a NO Vote

- Art 4. Are you in favor or repealing Article IV of the Ordinance, which created three zoning districts and a conservation overlay zone, and amending the Zoning Map accordingly,, by reinstating Article IV of the Ordinance as it existed prior to 1999, which provided that the entire Town shall be one zoning district, and defined permitted uses and uses permitted by special exception? (By Petition) (**Vote by Ballot**)

Planning Board Recommends a NO Vote

- Art 5. Are you in favor of repealing Sections 5.02 and 5.03 of Article V of the Ordinance entitled "Area Regulations" and repealing the caption of Section 5.01 and renumbering the remaining subsections as Section 5.01 through 5.06, respectively, to reinstate Article V of the Ordinance as it existed prior to 1999, which applied the same area regulations to the entire Town as one zoning district? (By Petition) (**Vote by Ballot**)

Planning Board Recommends a NO Vote

- Art 6. Are you in favor of amending section 4.02.2 of the zoning ordinance (commercial/industrial) to include single family dwelling? (By Petition) (**Vote by Ballot**)

Planning Board Recommends a YES Vote

This appropriation was so voted.

TOWN OF DUMMER, NH

Robert Loven said at this time that the Library would like to repair the chimney, paint inside the Library and put in a warning light so if the furnace goes out someone will know.

Art. 8 A motion was made by Lorna Stiles and seconded by Regena Elliott to see if the Town will vote to raise and appropriate the sum of **\$10,000** to be added to the Truck Capital Reserve Fund previously established. (4915)

The Selectmen recommend this appropriation.

This appropriation was so voted.

Art. 9 A motion was made by Allen Wentworth and seconded by Regena Elliott to see if the Town will vote to raise and appropriate the sum of **\$10,000** to be added to the West Dummer Bridge Capital Reserve Fund previously established. (4915)

The Selectmen recommend this appropriation.

This appropriation was so voted.

Art. 10 A motion was made by Robert Loven and seconded by Allen Wentworth to see if the Town will vote to raise and appropriate the sum of **\$30,000** to be added to the Road Repairs and Reconstruction Capital Reserve Fund (4913). Work will be done on Hill Road to get rid of stumps, dig the ditches and get the road ready for gravel.

The Selectmen recommend this appropriation.

This appropriation was so voted.

Art. 11 A motion was made by Robert Loven and seconded by Beverly Kennard to see if the Town will vote to authorize the Selectmen under RSA 80:42 to advertise for sealed bids for the sale of tax lot R21 Lot 56 on Hawkins Road (a.k.a. the Levesque lot). A discussion followed on this article and it was decided that the marketable wood should be cut and sold off the lot and wait till next year to sell the lot. A show of hands vote was taken, results were:

YES	5 votes to sell lot
NO	11 votes not to sell lot

This article was defeated to sell the lot.

TOWN OF DUMMER, NH

Art. 12 To transact any other business that may legally come before the meeting. A request was read from the Ambulance Director Peter Roberts asking for help, he needs people to work on the Ambulance and needs EMT's as he is losing some of the EMT's.

Greg Kennard mad a motion at this time to adjourn the meeting and was seconded by Lorna Stiles.

This article was so voted.

Respectfully Submitted

Louise Gagnon
Town Clerk

TOWN OF DUMMER, NH

Your Selectmen had a busy year in 2005, and we have several changes and challenges to report.

As many of you know, two outstanding officers are retiring after more than three decades of service (each!) to the town. Doris Bergeron, with 32 years as Town Treasurer, decided that she would not seek re-election this year. At the same time, Doris' good friend and tag-team member, Louise Gagnon, made the same decision and she will not run again for Town Clerk after 31 years in that office! Needless to say Louise's and Doris' departures are going to leave a large hole in the town operations. They are Dummer's institutional memory and we depended heavily upon them because they knew their jobs so well. We will miss them but we wish them the very best and a well deserved rest! On behalf of Dummer's citizens, we sincerely thank them for their selfless, loyal service to us all.

After several months of recuperation from an unfortunate automobile accident last spring, Louise also relinquished her position as Administrative Assistant to the Selectmen. Again, we were discouraged to lose Louise's knowledge and service, but we are pleased to have Mariann Letarte to fill the position since October 31. She has quickly and enthusiastically taken to the work and is efficiently redesigning the office systems to suit her. She frequently comments that, "I wish I had one tenth the knowledge that Louise has!" The good news is that Louise has been very gracious in sharing her knowledge with all of us when we get "stuck."

In connection with these changes, we hired Brenda Stone, of The Accounting Connection, to write our checks and maintain the books and then to coach Mariann in those functions when she came to work. The expense for Brenda's work was covered by the budget item for the Administrative Assistant, which was not being used in Louise's absence.

On the warrant this year you will be asked to combine the offices of Town Clerk and Tax Collector. The combination of these jobs will introduce a number of efficiencies, including uniform office hours for both jobs and "one stop shopping" when it comes to inquiries and business with your town government. It also should help us with recruiting candidates for town office. We are a small town and we frequently have difficulty finding enough people to fill these positions.

TOWN OF DUMMER, NH

Many towns in New Hampshire have chosen this option and Tax collector Angie Jewett brought this to our attention and recommended that we place this article in the warrant. Angie has offered to stand for office this year but told us she will not run for the Town Clerk/Tax Collector office if we vote to combine them.

Our most visible activities, of course, are the care of our streets and highways. As always, we feel extraordinarily fortunate to have Donald Bacon as Road Agent. He knows his job well and does it without supervision, keeping us up to date on his activities at our Monday night meetings. Last summer he spent most of his time working on our capital road program, upgrading the Hill Road between Ray and Diane Holt's to the Witham Road. Our plans are to have him continue with that project again this summer. As we reported earlier, our long-range plan for that road to the Ferry Road junction is to maintain a gravel surface. We believe it will be easier and less expensive to maintain than pavement.

We had no capital building projects last year, except to finish the sand shed and to buttress the northwest corner of the foundation which exhibited some stress cracks last year. That work was done as part of the original contract and appears as a footnote on the budget.

We had a new access ramp built for the Town Hall. Our old one was too steep and out of compliance in several respects. We are now pleased to report that we are in compliance with current polling place requirements.

Last fall Diane Holt noticed that we had a leak in the Town Hall roof. It appeared in the small room off the end of the stage. We asked Claude Lemelin to inspect it for us and learned that the entire roof was in very poor condition. Rather than risk a catastrophic failure during the winter we contracted with Claude for a new roof. We dispensed with competitive bidding because winter was fast approaching and we decided that time was of the essence.

One budget item which did not get spent, which helped cover the cost of the new roof, was \$1,100 for the town line survey. The Town of Stark was to let that contract, but circumstances prevented its completion, so we are budgeting for that work again in 2006.

The folks from Milan Container approached us with an increase from \$23,640 to \$31,840 in their contract for trash pickup. They had done a careful review of their business and discovered that they could no longer afford to do the work for the same price plus inflation. They substantiated their costs and offered to have us go out to bid for the

TOWN OF DUMMER, NH

contract. After careful consideration and comparing their cost history against the consumer price index, we decided that a competitive bid would not likely save us much money and it would put us at risk of losing the excellent service we have enjoyed from Milan Container. See the comparative chart below. Please let us know if you disagree with this decision.

Solid Waste Collection Cost vs CPI

Articles Two through Five on this year's Warrant relate to the Town Zoning Ordinance. According to New Hampshire law, they must be voted on by secret ballot and there will be no debate from the floor at Town Meeting. There was a public hearing for that debate on January 18 which was attended by about 38 citizens. Articles Two, Three and Four would eliminate the flood plain ordinance and all conservation and commercial zoning, effectively gutting the 1999 ordinance that was voted in in response to a town-wide survey that highly valued our small town atmosphere and natural areas. Article Five is a simple request by the only residential owners within the commercial zone to add residential use to those uses permitted in that zone.

The Planning Board has recommended against Articles Two through Four and in favor of Article Five. We are particularly alarmed that we might lose our flood plain ordinance, because that would render the Town no longer eligible to participate in the National Flood Insurance Program. This could cause considerable hardship to certain of our citizens who may be required to acquire flood insurance by their mortgagers.

The Town is engaged in two lawsuits.

In *Kalil v. Town of Dummer ZBA*, Mr. Kalil was denied a variance or

TOWN OF DUMMER, NH

special exception to build a residence and barn in the conservation overlay zone along the Androscoggin River south of Bay View. He took the ZBA to court, the court remanded the case to the ZBA for a re-hearing with more attention to detail, and then the parties agreed to postpone further action pending the results of the voting on warrant articles three and four.

In *Town of Dummer v. Hafslund Power Corp.* (aka Pontook Hydro), we have asked the court to issue a Declaratory Judgment on our agreement for payment in lieu of taxes (PILOT). As we have explained in the past two years, the Pontook facility has written a contract with a wholly owned sister subsidiary power marketing company to sell the power generated here at a rate of \$0.036/kwh. This is substantially below the market rate for electricity, which in recent months has approached \$0.10, and we contend that their contract is a “sweetheart” deal which artificially suppresses the gross receipts of the hydro plant, costing us over \$100,000 in PILOT in the last two years. We are concurrently holding discussions with the Pontook people to see if we can settle out of court. A more thorough explanation will be offered at Town Meeting.

We are addressing a new issue about fire protection. In the fall we were surprised to receive a bill from the Stark fire department for \$1,190 for responding to a camper fire on the Paris Road. Since we pay \$10,000 for coverage from Milan, and not having been charged in the past by Stark, we were not prepared for this charge. The Stark fire department has suggested that if we are unwilling to pay for their services they will simply not respond to calls in Dummer. While this may be acceptable for property owners on the east side of town, Stark has a faster response time and better equipment near West Dummer than does Milan. Stark has put us on notice that they were called out by Milan for the fire at Matt Young’s in the village and if payment is not forthcoming from his insurance they will be sending us a bill for that as well. This new policy on the part of Stark raises questions about how to budget for coverage that is not provided by Milan.

Last year we reported that we were awaiting our “report card” of compliance with the NH Department of Revenue Administration (DRA) State Property Tax guidelines. The report stated that we are meeting the required standards. Nonetheless, recent high prices on property sales in town are threatening to cause us to update our valuations. Our current five-year contract with AVITAR provides for this work, but we are budgeting an additional \$2,500.00 to pay for a full scale assessment of the Pontook Hydro facility, as we have been asked to

TOWN OF DUMMER, NH

been asked to justify the current assessment on the tax roles.

We made just one adjustment in the budget for wages and salaries this year. We increased to hourly rate for the Administrative Assistant to reflect the higher level of office skills training that Mariann brings with her.

As always, we need interested citizens to volunteer for important posts in Town government. The ZBA, Planning Board and Conservation Commission are always looking for members. Furthermore, we pay approximately one third of the Milan fire department operating budget. They are in need of volunteers and for years Earl Wadsworth has been the only fire department volunteer from Dummer. Please take some time to help your town operate as well as it can. Furthermore, when someone resigns from a position, please be sure to write the resignation to the Town Clerk to that we can maintain our records. Contact your Board of Selectmen. We meet on Monday evenings, 7:00 to 9:00.

TOWN OF DUMMER, NH

**GENERAL PURPOSE
FINANCIAL STATEMENTS**

TRANSMITTAL AND COMMENTARY LETTER

To the Board of Selectmen,
Dummer, New Hampshire:

In planning and performing our audit of the financial statements of the Town of Dummer for the year ended December 31, 2004, we considered the Town's internal control structure to determine our auditing procedures for the purpose of expressing an opinion on the financial statements and not to provide assurance on the internal control structure. Such study and evaluation disclosed no material weaknesses.

We believe that the Board of Selectmen and Town employees are doing a good job administering the Town of Dummer.

Implementation of New Accounting Model

As explained further in the auditors' report and Note 6 to the financial statements, management has elected not to implement the provisions of GASB Statement No. 34. This statement sets forth a new financial reporting model for states and local governments.

One of the provisions of the GASB 34 reporting model is that the town must inventory its capital assets (buildings, equipment, vehicles, roads, bridges, infrastructure), identify the original cost and date of acquisition of each capital asset, and determine accumulated depreciation that would have been recorded from date of acquisition to December 31, 2004. It is our understanding that management believes that the cost of developing this information exceeds its usefulness, and the time required to do so would unnecessarily delay the issuance of the financial statements. Therefore, management has elected not to do implement GASB 34 at this time.

Many other very small local governments and school districts have come to similar conclusions regarding GASB 34 and have elected to defer or simply ignore implementation. We believe that management's reasoning is sound, though it should be reviewed annually to determine when, or if, implementation may be appropriate in the future.

Timeliness of Deposits

For the past two years the Town has requested transfers from accounts held by the Trustees of Trust funds. In both cases, the transfers did not occur until February and March of the following year. We recommend that the Trustees should transfer the funds when requested.

We extend our thanks to the officials and employees of the Town for their assistance during our audit.

Dineen & Crane, LLC

June 7, 2005

INDEPENDENT AUDITORS' REPORT

To the Board of Selectmen,
Dummer, New Hampshire:

We have audited the accompanying financial statements of Town of Dummer as of December 31, 2004, and for the year then ended, as listed in the table of contents. These financial statements are the responsibility of the Town's management. Our responsibility is to express opinions on these financial statements based on our audit.

Except as discussed in the following two paragraphs, we conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

Management has chosen not to implement Governmental Accounting Standards Board (GASB) Statement No. 34, *Basic Financial Statements – and Management's Discussion and Analysis – for State and Local Governments*. Therefore, these financial statements are presented following the principles that were in effect prior to GASB Statement No. 34. Management has not presented government-wide financial statements to display the financial position and changes in financials position of its governmental activities and business-type activities. The financial statements presented do not contain separate statements for governmental, proprietary, if applicable, and fiduciary fund types, nor are major and non-major funds separately identified and classified. The financial statements presented report expendable trust funds which should be reported as special revenue funds under the new reporting model. The financial statements also present a general long-term debt account group which should not be reported as such, but the information contained therein should be included in the government-wide financial statements, were such statements presented. Also, the financial statements do not contain any information on capital assets because the government has not maintained historical cost records of such assets. Management has not presented its discussion and analysis as required. The amounts that would be reported in the missing statements and the required supplementary information, and the effects of reclassifying and properly reporting the information presented are not reasonably determinable.

We were unable to examine invoices or other evidence supporting substantially all of the expenditures made by the Library Fund for the year ended December 31, 2004, and therefore were unable to satisfy ourselves as to classification or propriety of such expenditures in the Library Fund's statement of revenues, expenditures, and changes in fund balance included in the accompanying financial statements.

In our opinion, because of the effects of the matters discussed in the second preceding paragraph, the financial statements referred to above do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of Town of Dummer as of December 31, 2004, or the changes in its financial position or its cash flows, where applicable, for the year then ended.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively compose Town of Dummer's basic financial statements. The combining and individual fund statements and schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements. For reasons stated in the third paragraph of this report, we expressed an opinion that the financial statements of Town of Dummer do not fairly present financial position, results of operations, and cash flows, if applicable, in conformity with accounting principles generally accepted in the United States of America. Therefore, we do not express an opinion on the accompanying combining and individual fund statements and schedules.

REMINDERS FOR TRUSTEES

- SIGNATURES** - Print and sign on lines provided above.
- INVESTMENT POLICY** - RSA 31:32 requires the trustees to adopt an investment policy and review and confirm this policy at least annually.
- PROFESSIONAL BANKING AND BROKERAGE ASSISTANCE** - RSA 31:38-a enables you to have a professional banking or brokerage firm assist you in performing your trustee duties. Refer to the law for further information. Attributable expenses may be charged against the trust fund involved, however, please be advised the fees can be taken from income only and not from principal.
- WEB SITE** - A trustee handbook can be down loaded from the web site for the Attorney General's Charitable Trust Division. www.nh.gov/nhdof/charitable/
- FAIR VALUE** - Fold and complete page 4 to disclose the fair value (market value) of principal only. This information may be obtained from financial publications or from your professional banker or broker.
- CAPITAL RESERVE FUND** - Must be kept in a separate account and not intermingled with any other funds of the municipality (RSA 35:9).
- WHEN and WHERE TO FILE** - By March 1 if filing for a calendar year and by September 1 if filing for optional fiscal year. See addresses on page 4 of this form. If you hold funds for the school, the school business administrator will also need a copy for the school's financial report.

TOWN OF DUMMER, NH

ANDROSCOGGIN VALLEY REGIONAL REFUSE DISPOSAL DISTRICT 2005 ANNUAL REPORT OF DISTRICT ACTIVITIES

The AVRDD 2005 Budget apportionment for our member municipalities totaled \$885,491. A surplus of \$521,057.64 from the 2004 budget was used to reduce apportionments with a net budget of \$364,433.36 being billed to the member municipalities. The proportionate share of the credit for the Town of Dummer was \$7,295.91 reducing your gross apportionment of \$12,959.09 to \$5,663.18. Preliminary reconciliation of the 2005 budget shows a surplus of approximately \$323,230 being available to credit toward 2006 apportionments.

Our Materials Recycling Facility marketed a total of 1,833 tons of recyclables for the calendar year 2005 representing \$113,617.56 of marketing revenue to the District. A new - used oil furnace as well as a new horizontal baler were purchased for the Recycling Facility, replacing the original units that were installed in 1991.

For calendar year 2005, our Transfer Station received 3,414 deliveries from District residents for a total of 985.46 tons of bulky waste and construction and demolition debris and bulky waste and 256.60 tons of wood. Recycling at the Transfer Station consisted of 1,205.68 tons of wood that was processed through a grinder, 564 gross tons of scrap metal and 250.51 tons of brush which was chipped with the District owned chipper. In addition, 623 propane tanks; 10,576 ft of fluorescent lights; 219 lbs. of ballasts; 15 HID lights; 472 refrigerator/air conditioner units and 5,015 tires were received. Transfer station revenue from all sources totaled \$90,480.

During 2005, the District developed a wetland mitigation plan and commenced site work to expand the working area on our original 11 acres at the Materials Recycling Facility and Transfer Station. Of the 40 additional acres purchased in late December 2004, adjacent to the facility, approximately 10 acres have been designated for future development and approximately 30 acres have been placed into a conservation easement.

Election of officers was held at the District Annual Meeting in April 2005: Raymond Chagnon of Berlin was re-elected District Chairman; Clara Grover of Errol was re-elected Vice Chairman and Earl Wadsworth of Dummer was re-elected Secretary-Treasurer. Other

TOWN OF DUMMER, NH

District Representatives are: Yves Zornio of Gorham; Richard Lamontagne of Milan; David Tomlinson of Randolph; Linda Cushman of Jefferson; Paul Grenier for the Coos County Unincorporated Places; Lorna Aldrich of Northumberland and George Bennett of Stark.

In June, the District conducted its fourteenth annual Household Hazardous Waste Collection Day. The collection was held at the District Transfer Station with 239 households participating. The project was funded through the District Household Hazardous Waste Fund, with an assessment of one dollar (\$1) per capita to the District communities. In addition, a grant from the State of New Hampshire reimbursed the District at eighteen and one-half cents (\$.185) per capita. The next Household Hazardous Waste Collection Day will be held Saturday, June 3, 2006.

2005 marked the third successful year of operations from AVRDD - Mt. Carberry Landfill. In 2005, an additional 2,515 acres of land adjacent to the Mt. Carberry Landfill in Success was purchased. This land will serve as a buffer and will also provide sand and gravel deposits for the landfill. Since purchasing the landfill in December 2002, no assessments have been made to the District municipalities for Mt. Carberry Landfill operations, with income raised through landfill tipping fees covering operating expenses. Any landfill funds remaining at the end of the year are held in reserve, by the District, to pay for Mt. Carberry operating and capital expenses.

Respectfully submitted,

Sharon E. Gauthier
Executive Director

TOWN OF DUMMER, NH

2005 LIBRARY REPORT

The library started out 2005 with the Mad Hatter's-Tea Party hosted by the Friends group at the town hall on March 20th. Many ladies from the community joined us for an afternoon of tea and hat decorating.

Our hope of having a garden tour was put off until Summer 2006. So, the friends had a garden party and presented our ever faithful and amazing volunteer, Butch Loven with a gift certificate to Libby's Bistro in Gorham as a special thank you for the numerous hours of work Butch and his wife, Karen devote to the library. Butch is always here on Monday afternoons like clockwork and he turned the library garden into his summer project by pruning, weeding, trimming and relaying the stone and mulch throughout. A special thanks to Round Table Farm Greenhouse for their contribution of annuals for our flower boxes.

In addition to Butch's efforts are the Thursday volunteer crew made up of Katie Doherty, Marcel & Ruth Campbell, Martha Holt and our Friend's president, Lynne Bacon. We are always looking for new volunteers who can devote tow hours every 4 to 6 weeks.

The Summer Reading Program theme for this year was "Camp Wannaread". Our two days of activities were complete with toasting marshmallows, stories in a tent, crafts and a visit from Wildlife Encounters, a "mini" traveling zoo. The kids had a great time learning about hedgehogs, bearded dragons, tarantulas, snakes and chinchillas. The library was open for story hour the first Saturday of each month and for Halloween, we had plenty of candy on hands for the little goblins about town.

Fall brought he Harvest Soup Supper again hosted by the Friends of the Dummer Public Library. All I can say is people arc still talking about how fantastic the soup selection was this year. It was a nice opportunity for the townsfolk to come together for a delicious meal and stimulating conversation.

We raised \$400 for the replacement of the ceiling tiles in the library building and a fresh coat of interior paint for 2006.

Elizabeth Ruediger

MILAN & DUMMER AMBULANCE SERVICE

With the help from grants during the 2005 year of a new computer and printer we were able to comply with the new requirements of reporting our ambulance calls to the State using the internet. With the dial up system of internet service it takes longer to do reports. We hope that in the near future a high speed connection will be available in our area to make this new change easier. A new analog and digital mobile radio was installed in our ambulance also due to a grant. Our ambulance still has new equipment to provide better Basic and Advance life saving care to our area.

Thanks to a Wal-Mart grant, other personal donations from families, and using a new billing agent we are and obtaining money sowed to the M&D ambulance fro individuals and insurance companies, we were able to keep the appropriations the same as last year. Again this is where the M&D Ambulance needs help from our town citizens by becoming EMTS to provide better service with our area health care. With more attendants taking most of our missed calls we could reduce appropriations even more.

At the time of this report The Milan & Dummer Ambulance Service has 11 active members. M&D ambulance responded to 29 out of 53 calls this year. On 12 of the 24 missed calls one of our members responded, however to transport a patient tow EMTS are required by law and the calls were taken by another ambulance service. As stated earlier if we can get more people to become EMTS fro the Milan & Dummer Ambulance, this would help to save on our taxes.

I would like to personally thank our dedicated volunteers for their time and effort, the people who supported us with all donations and in all other ways during the year that helped the M&D Ambulance to accomplish our goals.

Respectfully submitted,

Peter Roberts
Director Milan & Dummer Ambulance Service

TOWN OF DUMMER, NH

NORTH COUNTRY COUNCIL 2005 ANNUAL REPORT

Dear Members and Friends of North Country Council,

I would like to thank all of you for your support of the council this past year. We have made a number of positive changes and completed a number of projects throughout the region. Once again we reaffirmed the Council's commitment to serve community and regional needs.

Over the past year we have continued to deliver planning services throughout the region. We have and we will continue to adjust our capacities to respond to the needs of the communities and you will see this in the programs that we will be introducing in the coming year. We continued our strong relationship with the Department of Commerce and the Economic Development Administration (EDA) in bringing funding and project development to the region. The Mount Washington Valley Technology Village and the Dartmouth Region Technology Center are two projects that are being implemented with funding provided by EDA. We have begun a Community Outreach program targeted at helping our planning boards in the difficult tasks of managing the planning activities in their communities. We have entered into an agreement with the Environmental Protection Agency (EPA) to do site assessments in our communities under the National Brownfield's program. We are also very hopeful that the region will receive technical assistance for a Rural Development Heritage Initiative program from the National Trust for Historic Preservation to promote Heritage Tourism in our region. These programs, as well as all the traditional programs, in master planning, solid waste management, grant writing, natural resource planning and transportation planning, will continue to be the focus of North Country Council. Please take the time to look over this annual report and give us some feedback as to where you think the council could improve and how we might better serve our communities.

Thank you for all of your continued support for the council and I hope that myself and my staff can continue to be of service to your community. The Council is here to serve you. Our staff and Board are committed to responding to community needs. If there is a project or a

TOWN OF DUMMER, NH

need in your town, please call us. We are dedicated to both supporting our individual towns and promoting regional unity in the North Country.

Respectfully submitted,

Michael King
Executive Director

TOWN OF DUMMER, NH

NORTHERN HUMAN SERVICES

Northern Human Services' The Mental Health Center in Berlin (formerly Androscoggin Valley Mental Health & Developmental Services) respectfully requests that the Town of Dummer continue its support of this agency through an appropriation in the amount of \$309.00 at the 2006 Town Meeting. This amount represents a \$1.00 per capital contribution based on figures from the most recent census. These funds will be used exclusively for the support of outpatient services provided through The Mental Health Center.

Over the past 39 years this agency has provided mental health services to hundreds of people living, working, raising families and going to school in the Androscoggin Valley area. Outpatient mental health services are not funded by state or federal dollars. They are expected to support themselves through client fees, third-party insurance payments, and through local support such as contributions from towns, cities and the United Way. In order to make these services affordable to all persons in need of them, fees are adjusted according to the recipient's ability to pay. Your present and past appropriations have enabled us to follow this practice and your support this year will assure its continuance. We see these services as the backbone of our community's mental health efforts and as essential in the prevention of more serious emotional, social and community problems.

We fully appreciate the pressures, financial, social and emotional, that all sectors of our local communities are experiencing at this time. These pressures are resulting in a significant increase in persons seeking our services at a time in which there has been severe erosion of the health insurance base supporting providers such as us. More than ever we need your ongoing assistance to continue to provide your citizens with the care they are seeking.

Charles P. Cotton
Area Director

TOWN OF DUMMER, NH

TRI-COUNTY COMMUNITY ACTION

Tri-County Community Action is requesting \$875.00 in funding from the Town of Dummer to help support its Community Contact Program. Community Contact is the field services arm of Tri-County CAP. Our purpose is to assist low-income, elderly and handicapped persons to solve problems and meet their physical and financial needs. We accomplish this by providing information, counseling, referrals, budget counseling, guidance, and organizational assistance and by effectively linking households with CAP assistance programs and using community resources.

Below is a breakdown of assistance that CAP Community Contact office provided to Dummer residents over the last year:

	<u>Households</u>	<u>Dollar Amounts</u>
Fuel Assistance 2004-2005	15	\$11,384.00
Weatherization 2004-2005	1	\$ 3,261.00
Food Pantry visits-24	2	\$ 1,026.00
Electric Assistance	8	\$ 4,918.00
Commodity Surplus Food	3	\$ 1,080.00
Total	29	\$21,669.00

TOWN OF DUMMER, NH

NORTH COUNTRY ELDERLY PROGRAMS

On behalf of North Country Elderly Programs, I would like to respectfully request funding in the amount of \$110.00 for the Senior Meals Program to be included in the upcoming Town of Dummer budget process.

During the time period of July 1, 2004 to June 30, 2005 (Fiscal Year 2005) we served Dummer residents 425 congregate meals and 331 home delivered meals. The Senior Meals Program in Fiscal Year 2005 was able to prepare and serve 129,270 meals county-wide to senior citizens in need of nutritional assistance.

The current need in Dummer for senior meals services is evident and is likely to continue on the same trend as the population continues to age and require nutritional assistance offered through the Senior Meals Program. The many benefits received by the residents of Dummer is one of socialization and personal growth as participants at the congregate site receive not only a hot, nutritious meal, but opportunities to interact with their peers through volunteering, social activities and one on one contact. On the other hand, homebound individuals receive nutritious meals delivered directly to their homes by the Meals on Wheels delivery team, and oftentimes, it is the participants only contact with the community. It is, therefore, vital that the needs of this frail population be met with support from their local friends and neighbors.

The Town of Dummer's past support for this community-based program has been greatly appreciated and we welcome your questions and comments pertaining to this request for funding. Please call the administrative offices at 752-3010, Monday through Friday, and we'd be glad to speak with you.

Again, thank you for your consideration and past support.

Respectfully,

Suzanne Kearns, Director
North Country Elderly Programs

TOWN OF DUMMER, NH

AMERICAN RED CROSS

On behalf of our clients, the board of directors, volunteers and staff we are requesting consideration for a Red Cross appropriation in your next fiscal year annual budget. The funding requested will support services provided by our chapter to the residents of the town of Dummer. We are requesting support at the rate of .40 (forty cents) per resident, for a total of \$130.80 based on a population of 327. This rate has not been increased since 1992, even though the cost of services continues to rise.

The mission of the Red Cross is to help people prevent, prepare for, and respond to emergencies. Responding to emergencies includes providing disaster relief services, 24 hours a day, 365 days a year. The services that the American Red Cross provides are described below.

Disaster Services

This direct emergency assistance includes vouchers for food, clothing, medicine, emergency shelter, basic household necessities, mental health counseling, emergency home repairs, damage assessments and building repair estimates. In addition, American disaster volunteers work as case managers for disaster victims, providing linkage to non profit organizations that offer fuel assistance, emergency care for pets, donations for needed goods and services and pre-disaster needs. All direct assistance from the Red Cross is based on verified, disaster-caused needs. *We never send a bill for these services, no matter how long we must stay on the scene of a disaster.*

International Services

The Red Cross works with other national societies to trace family members in the midst of war, civil unrest or disaster in other countries. This service includes; exchanging family messages, making international disaster relief inquiries and providing information and referral services.

Armed Forces Emergency Services

The Red Cross also serves as the official communication link between active members of the military and their families relaying urgent messages regarding birth, death, and serious illness. This service is also provided 24 hours a day, 365 days a year, around the world, without federal or state funding.

TOWN OF DUMMER, NH

Health and Safety Programs

Preparing for emergencies is also a vital part of the Red Cross Mission. We achieve this goal by providing health and safety courses, including first aid, CPR, life guarding training, water training, water safety and swimming lessons and HIV/AIDS education. Each year, thousands of residents throughout the Greater White Mountain region receive certification in these classes and stand ready to assist when help is needed.

The American Red Cross provides these services to 69 communities in its jurisdiction, covering more than 3,000 square miles from Gilmanton to the Canadian border.

The Red Cross is not a government agency and receives no federal or state government funding. We are a non profit organization that depends on charitable gifts of time and money from the American people to provide our services.

An appropriation of \$130.80 dollars from the town of Dummer will help to ensure that the Red Cross can respond swiftly in times of tragedy, crisis and disaster.

If you require additional information, please let us know.

Thank you for your consideration of this request.

Sincerely,

Shelley M. Roulx, Manager
Greater White Mountain
American Red Cross
Laconia, New Hampshire

TOWN OF DUMMER, NH
GOVERNOR'S COUNCILOR

As one of your elected public servants, I am honored to report to you in my role as Executive councilor for District One.

My Constitutional and legal responsibilities while serving in this position parallel those of a Board of Directors. We administer state law and budgets passed by the NH House and Senate. We also must comply with federal laws and regulations when we accept federal programs, projects and grants.

One responsibility of the Governor and Council is to seek citizens willing to serve on the state volunteer boards and commissions. It is important that your region be well represented. If you are interested in serving on a board or commission, please send your letter of interest and resume to my office or directly to Kathy Goode, Director of Appointments/Liaison to the Council, Governor's Office, State House, 107 North Main Street, Concord, NH 033301, Tel. (603) 271-2121. Visit the Secretary of State's website to see what is available/open at: www.sos.nh.gov/redbook/index.htm

CERTIFIED BUSINESS ADMINISTRATOR

Pauline Plourde

DIRECTOR OF SPECIAL SERVICES

Rebecca Hebert-Sweeny

**SCHOOL WARRANT
THE STATE OF NEW HAMPSHIRE**

To the inhabitants of the School District in the Town of Dummer qualified to vote in District affairs:

You are hereby notified to meet at the Town Hall in said District on the 13th of March 2006 at 6:00 PM in the evening to act upon **Articles 3 through 11.**

The ballot voting will take place the following day on Tuesday, March 14th. The polls are open for the election of officers from 11:00 AM to 7:00 PM. to act, upon Articles 1 through 2.

ARTICLES 1-2:

1. To choose a member of the school board for a three (3) year term.
2. To choose one auditor for a two (2) year term.

ARTICLES 3-11:

3. To hear the reports of agents, auditors and officers heretofore chosen and pass any vote relating thereto.

4. To set the salaries of the school board, school district treasurer, auditors, truant officer, census taker, and moderator as listed:

School Board Chair	\$500.00
School Board (2)	\$400.00 each
Treasurer	\$250.00
Clerk	\$ 25.00
Moderator	\$ 25.00
Auditor (2)	\$ 30.00 each
Truant Officer	\$ 20.00
Census Taker	\$ 50.00
(Recommended by the School Board)	

5. To see if the District will vote to raise and appropriate the sum of **\$625,665** for the support of schools, for the payment of salaries for school district officers and agents, and for the payment of the statutory obligations of the District.
(Recommended by the School Board)

6. To see if the District will vote to raise and appropriate the sum of **\$15,000** to be placed in the **Tuition Expendable Trust Fund** previously established and to authorize the use of that amount from the year end undesignated fund balance (surplus) available on July 1 of this year. (Majority vote required. Recommended by the School Board)

7. Shall the school district accept the provisions of RSA 195-A (as amended) providing for the continuation of an Authorized Regional Enrollment Agreement (AREA) for the school located in Milan to serve the following grades K-6 (may include Pre-K) from the school district of Dummer in accordance with the provisions of the plan on file with the district clerk? *The AREA agreement shall be valid for a minimum of 10 years.* (Ballot vote; majority vote required)

Yes _____ No _____

8. Shall the school district accept the provisions of RSA 195-A (as amended) providing for the continuation of an Authorized Regional Enrollment Agreement (AREA) schools located in Berlin to serve the following grades 7-12 from the school districts of Dummer in accordance with the provisions of the plan on file with the district clerk? *The AREA agreement shall be valid for a minimum of 10 years.* (Ballot vote; majority vote required)

Yes _____ No _____

9. Shall the school district vote to undertake a study of the feasibility and suitability of a withdrawal from the AREA agreement between Dummer and Milan for its students in grades K-6. The study shall be conducted by a committee composed of 2 school board members from each district of the AREA, the superintendent of schools as a non-voting member, and 2 members of the town governing body from the school district requesting the study. (Majority vote required. *This article will be passed over if Article 7 is voted in the affirmative*)

10. Shall the school district vote to undertake a study of the feasibility and suitability of a withdrawal from the AREA agreement between Dummer and Berlin for its students in grades 7-12. The study shall be conducted by a committee composed of 2 school board members from each district of the AREA, the superintendent of schools as a non-voting member, and 2 members of the town governing body from the school district requesting the study. (Majority vote required. *This article will be passed over if Article 8 is voted in the affirmative*)

11. To transact any other business that may legally come before this meeting.

Given under our hands at said Dummer this 8th day of February 2006.

Joane Belleau, Chair
Mariann Letarte
Julie Glover

Superintendent's Annual Report/2005

Milan School District and Dummer School District
Milan Village School, Grades Pre-School - 6th
(with Tuition students joining us from the Dummer District)

Our Milan Village School continues to be a highly engaging setting for learning, as evidenced by the wealth of student work always on display within our school building. Three ideals drive our school operation: Safety, Respect and Responsibility. Reading skills continue to be a very high priority for our staff and School Board. With the continuation of Pre-School into its second year as well as the looping teacher in 1st and 2nd grades, MVS is very focused upon the goal of having all students reading at grade level or beyond by the end of 3rd Grade! Reflective thinking and writing (thinking on paper or a computer word file) are also key activities at MVS.

We continue to pursue the Performance Bond which supported the building project of several years ago. Working with legal counsel, our case/insistence for payment is now moving to the Coos County Court for review. If not resolved there, it will move to federal court. We will continue to keep you informed as to the status of our efforts on behalf of our students and constituents.

Communications with our parents and constituents remains strong and we thank the volunteer members of our P.T.O. for their efforts. Our Principal's monthly newsletter is a wonderful source for specific information about the operation of our school. Please also refer to our web-site (www.SAU20.org & click on Milan). Board Meeting Agendas are consistently posted at our school, the Town Hall and Post Office. Meeting Minutes are also consistently posted to the school web-site. You are also always welcome to attend our School Board meetings. Regular meetings are conducted the first Tuesday of each month in our MVS Library.

*Regular Dummer School Board meetings are the second Monday of every other month. Please consult our SAU20 School's calendar section of our web-site and/or contact our office.

Continuous School Improvement Goal and topic areas are:

- Reading (and Writing) as noted above
- Curriculum alignment (internal and with State guidelines)
- Infusion of Technology into the curriculum
- Communications & Showcasing our school and student

accomplishments

-Sustaining our school district and school through sound fiscal management

-Sustaining and enhancing a warm, welcoming and safe environment for our entire school population.

My special thanks to staff for their work with curriculum mapping, PBIS (Positive Behavior Intervention System; enhancing school environment and student behavior) and for striving to address the whole person/student each day.

My special thanks to Dennis and Elaine, Bldg. Mtnc., for their strong services in keeping our facilities looking very sharp. Thank you for the wonderful new painting completed in our school gym! My special thanks as well to Natalie for always being friendly and helpful in the Main Office and to our Special Services/Special Education Team for helping meet the needs of all our students. Our Food Service Team is also striving to be responsive to school input regarding services and to serve up healthy and appetizing food with a smile each day (thank you).

Please know that our annual audit provided very satisfactory findings. Our thanks to our Certified Business Administrator, Mrs. Pauline Plourde, for her outstanding services to MVS through our SAU20 office.

Enrollment holds steady at 125 students, plus or minus from month to month.

Updated Area Agreements have been approved by our Milan and SAU3 Boards and our Dummer and SAU3 Boards, renewing an agreement that was in place for another ten years. These Agreements have been approved by our N.H. Department of Education and supported by our State School Board. Voters will have the opportunity to vote on them at their respective March meetings.

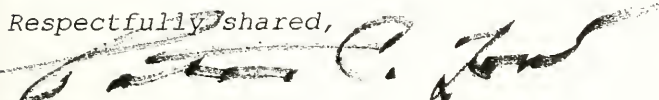

Both our Principal and myself are committed to working collaboratively with SAU3, as our 7th - 12th graders study there, and to share regional resources in significant ways. Efforts to provide an effective transition of our MVS students to their 7th-12th grade experience are well in place and a key priority for us.

The Dummer School Board is presently hearing from constituents referencing an interest in schools of choice. This discussion has primarily just begun this late fall.

If it were to ever move forward, there are specific RSA's to follow as well as N.H. D.O.E. guidelines requiring constituent input and voter approval, generally a multi-year process. Presently Dummer students attend our Milan Village School, grades Pre-K through 6th and then move on to SAU3/Berlin for Grades 7 - 12.

Feel free to contact our building Principal, Mr. David Backler or myself (office or home), if you have questions, comments or suggestions regarding the services of our Milan Village School and/or SAU20. Thank you for your continued support of our school, which we strive to make even better, day by day and for the opportunity to serve you.

Respectfully shared,

Patrick Christopher-Low, Ed. S.

Milan Village School
Principal's Report
2005-2006

The 2005-2006 school year at the Milan Village School has been rewarding. Through the consistent and amazing support of the staff, parents, volunteers, school board, SAU personnel, students and the Milan community, we have been able to continue on a path of academic rigor that creates an individual experience for each student.

Thanks to the tremendous support of all of these groups we have been able to continue to refine many wonderful programs designed to give individual students what they need to succeed in a diverse world. The following are examples of these programs:

- The Preschool program is in its' second year. With the addition of a strong new teacher running both the Kindergarten and the Preschool, we have seen significant growth. The Preschool serves ages 3-5 and focuses on pre-academic skills.
- This is the 3rd and final year of our Comprehensive School Reform Grant which enabled us to bring in our Junior Great Books program. This year's focus is writing. As we get closer to the end of this grant we are working hard to implement the steps required to continue with these programs on our own.
- We are in our second year of PBIS (Positive Behavioral Interventions and Strategies) and seeing a wonderful change in student behavior based on respect, responsibility and safety. The program supports data driven decisions and has enabled us to make adjustments that we have seen make a positive change based on data we have collected.
- We have continued to find ways to incorporate our mobile laptop computer lab into classroom's curriculum and with addition of a high-speed wireless connection we have made things like Science Fair research a seamless part of the computer's use.
- As part of the No Child Left Behind Act, students in grades 3-6 participated in the New England Common Assessment Program.
- As a district we have begun using the Measure of Academic Progress or MAP test. It has many benefits including quick results. It tests students in the fall and spring which gives us real data on individual students.
- The PTO has accomplished a tremendous amount already this year. We continue to have a co-directorship with one leader being a teacher and one a parent. This model is working well. The value added activities like the book fair and veteran's appreciation day are a great contribution to the school.
- As always volunteers made a significant positive impact on the school year. Because of all the hours people give to the school we continue to receive the Blue Ribbon Achievement Award. It has been truly amazing to see all the people and how much time they give. Examples of programs that volunteers have helped with are as follows: Ski Program, Recreation Department, Bike-a-thon, Walk-a-thon, Wood's Day and many other great things. Thank you, volunteers.

TOWN OF DUMMER

School Meeting

March 7, 2005

Meeting was called to order at 11:00 A.M. the polls were opened at this time and closed at the end of the meeting. Voting for all officers was by ballot. The school business meeting was called to order by Moderator Craig Doherty on March 7, 2005 at 6:00 P.M. in the evening to act upon Articles 4 through 7.

The ballot voting will take place the following day on Tuesday March 8, 2005. The polls were open for election of officers from 11:00 A.M. to the close of the meeting. Articles 1 through 3.

Articles 1-3:

1. To choose a member of the school board for a three (3) year term Julie Glover 18 votes was declared elected. Doris Bergeron 1 write-in, Heidi Holt 1 write-in,
2. To choose a member of the school board for a two(2) year term. Joane Belleau 31 votes was declared elected.
3. To choose one auditor for a two (2) year term. Peggy Jones 34 votes was declared elected.

Article 4: To hear the reports of agents, auditors and officers heretofore chosen and pass any vote relating thereto. Katie Doherty made the motion and Regena Elliott seconded it. Patrick Christopher Low Superintendent gave a report at this time and it was so voted to accept it.

Article 5: A motion was made by Regena Elliott and seconded by Saran Cordwell. To set the salaries of the school board, School district treasurer, auditors, truant officer, census taker, and moderator as listed:

School Board Chair	\$200.00
School Board (2)	\$200.00 each
Treasurer	\$200.00
Clerk	\$ 25.00
Moderator	\$ 25.00
Auditor (2)	\$ 30.00 each
Truant Officer	\$ 20.00
Census Taker	\$ 50.00

(Recommended by the School Board)

This article was so voted.

Article 6: A motion was made by Sarah Cordwell and seconded by Regena Elliott to see if the District will vote to raise and appropriate the sum of **\$595,141.00** for the support of schools, for the payment of salaries for school district officers and agents, and for the payment of the statutory obligations of the District. (Recommended by the School Board)

This article was so voted.

Article 7: To transact any other business that; may legally come before this meeting.

Julie Glover asked about the Guidance Teacher she feels the Guidance Teacher should be there at the School full time. Superintendent Low answered her question. Julie said she would like to be written in for the three (3) year term on the School Board.

Julie Glover then made a motion to adjourn the meeting at 6:20 P.M. seconded by Katie Doherty and this was so voted.
