

CHICHESTER CENTRAL SCHOOL

FRANK P. MARINACE / ARCHITECT, P.A.

University of New Hampshire
Library

Our cover shows the architect's sketch of the latest addition to the Chichester Central School.

Because bids received on the project exceeded our budget, some cuts and modifications were necessary. Following a series of negotiations, Bonnet, Paige & Stone, Inc., of Laconia, New Hampshire were awarded the contract. Ground was broken in October, 1988 and work has been progressing steadily through the fall and winter. It is hoped that graduation will be held in the new multi-purpose room and expected that the remodeling projects and new addition will be ready for the opening of school in September, 1989.

THE STATE OF NEW HAMPSHIRE

THE POLLS WILL BE OPEN FROM 10:00 AM TO 6:00 PM

TOWN OF CHICHESTER

WARRANT

To the Inhabitants of the Town of Chichester in the County of Merrimack in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Chichester on Tuesday, the 14th day of March, next at 10:00 of the clock in the forenoon, to act upon the following subjects:

- *1. To choose all necessary Town Officers for the year ensuing.
2. To see if the Town will vote to amend certain sections of the Town Zoning Ordinance as proposed by the Planning Board. (See attachment)
- *3. To see if the Town will vote to adopt the OPTIONAL ADJUSTED ELDERLY EXEMPTION (RSA 72:43-F) from the property tax? The optional exemption is based on the assessed value for qualified taxpayers and shall be as follows; for a person at least 65 years of age, up to 75 years; \$15,000.00: for a person at least 75 years of age, up to 80 years; \$22,000.00: for a person at least 80 years of age, or older; \$30,000.00. To qualify the person must have been a New Hampshire resident for at least 5 years and owned the real estate individually or jointly (or if the real estate is owned by the spouse, they must have been married for at least 5 years). In addition the taxpayer must have a net income of less than \$10,000.00 (or if married a combined net income of less than \$12,000.00) and own assets of less than \$50,000.00, excluding the value of the person's residence.

Article 4 through Article 44 will be taken up at the second session of the Annual Town Meeting on Saturday, March 18, 1989, beginning at 9:00 AM at the Grange Hall.

- *4. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same and reduce same by any funds received from other than tax dollars.

- *5. To see if the Town will vote to authorize the Selectmen and the Town Treasurer to borrow a sum or sums of money not to exceed in the aggregate more than 75% of the anticipated amount to be collected in taxes for the current municipal year and to issue in the name of and on the credit of the Town of Chichester, negotiable notes therefore, said notes to be paid in 1989, from taxes collected during the year.
- *6. To see if the Town will vote to authorize the Selectmen to apply for, accept and expend money from the State, Federal or another Government unit or private source which becomes available during the year in accordance with the procedures set forth in RSA 31:95b.
- *7. To see if the Town will vote to authorize the Selectmen to dispose of lands acquired by tax deed from the Tax Collector.
- *8. To see if the Town will vote to allow a 2% discount on all property taxes paid within thirty days after presentation of the tax bill. (by petition)
- 9. Shall we adopt the provisions of RSA 72:1-C which authorize any Town or City to elect not to assess, levy and collect a resident tax? (requested by the Tax Collector)
- *10. To see if the Town will vote to authorize the Selectmen to dispose of unused highway equipment. (requested by the Road Agent)
- 11. To see if the Town will vote to raise and appropriate the sum not to exceed \$3,700.00 for the purchase of a rock rake for the Highway Department. (requested by the Road Agent)
- *12. To see if the Town will vote to raise and appropriate the sum not to exceed \$35,000.00 to replace Kelly Corner Road bridge, and to authorize the Selectmen to withdraw and expend from the revenue sharing account all principle and interest accrued as an offset against said appropriation.(the revenue sharing account has approximately \$6,200.00 in it) (requested by the Road Agent)
- *13. To see if the Town will vote to authorize the Selectmen to enter into an agreement or contract with an ambulance service to provide ambulance service to the Town and to raise and appropriate the sum not to exceed thirty thousand dollars (\$30,000.00) as the Town's cost of operating this service.

14. To see if the Town will authorize the Selectmen to administer, lease, sell, convey, or otherwise dispose of the Town's interest in the present incinerator under such terms and conditions as the Selectmen determine are in the interest of the Town, and to authorize the Selectmen to enter into contracts and other necessary agreements regarding any sale or other transfer of any interest in the present incinerator to other parties. (on all Refuse District Town Warrants)
15. To see if the Town would vote to grant to the Chichester United Methodist Church first refusal to purchase the building currently known as the Chichester Fire Department.(by petition)
- *16. To see if the Town will vote to authorize the Board of Selectmen to convey to the Chichester Town Library Board of Trustees the funds being held in the Library Building Capital Reserve Fund. (requested by the Library Trustees)
17. To see if the Town will vote to raise and appropriate the sum not to exceed ten thousand dollars (\$10,000.00) for the purpose of developing areas of Carpenter Park for Little League Baseball and Youth Soccer Fields. (requested by the Conservation Commission)
18. To see if the Town will vote to raise and appropriate the sum of fifteen thousand dollars (\$15,000.00) to purchase a Police Cruiser for the Police Department. (requested by the Police Department)
- *19. To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of purchasing a new Police Cruiser and to raise and appropriate the sum not to exceed five thousand dollars (\$5,000.00) to be placed in this fund. Said fund to be called the "Police Crusiser Capital Reserve Fund". (requested by the Police Department.)
20. To see if the Town will vote to raise and appropriate the sum not to exceed one hundred sixty thousand dollars (\$160,000.00) for the purpose of building an new Fire Station; money to be raised in the following manner: forty thousand dollars (\$40,000.00) to be transfered from the capital reserve fund established for that purpose; and to authorize the Selectmen, by bid process, to sell the exsisting Fire House and land and to instruct the Selectmen not to accept any bid under fifty thousand dollars (\$50,000.00) and to remit all funds received for the purpose of building the new station and to authorize the Selectmen to issue not more than seventy thousand dollars

(\$70,000.00) in notes or bonds in accordance with provisions of the Municipal Finance Act (RSA chapter 33), and to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, payable in equal installments in the years 1990, 1991, 1992, and 1993. (2/3 ballot vote required) (requested by the Fire Department)

21. To see if the Town will vote to raise and appropriate the sum not to exceed thirty thousand dollars (\$30,000.00) to be added to the Fire Station Capital Reserve fund previously established. (requested by the Fire Dept.)
22. "To see if the Town will vote to raise and appropriate the sum not to exceed \$10,500.00 to rebuild approximately 750 feet of class VI Town Road between Mason Road and Towle Road. (requested by the Road Agent)
23. To see if the Town will vote to apply for and accept the state matching funds under the NH Land Conservation Investment Program (LCIP) in an amount up to \$250,000.00 and to appropriate this same \$250,000.00 for the purpose of acquisition of the fee or lesser interest in conservation land and other costs associated therewith. (requested by the Conservation Commission)
24. To see if the Town will vote to raise and appropriate the gross sum of \$7,500.00 to the conservation fund as authorized by RSA 36-A:5; to be used to pay for property surveys, property appraisals, engineering plans, and other costs incurred when private land owners donate land and conservation easements to the Town, the value of which may be used as the local matching funds or part of the local matching funds required under the NH Land Conservation Investment Program (LCIP). RSA 221-A (requested by the Conservation Commission)
25. To see if the Town will vote to create a capital reserve fund under the provisions of RSA 35:1 for the purchase of conservation lands and raise and appropriate the sum of \$15,000.00 to be placed in said fund; and to authorize the conservation commissioners to be agents to expend said capital reserve fund, to be used as the local matching funds or part of the local matching funds required under the NH Land Conservation Investment Program (LCIP) RSA 221-A. (requested by the Conservation Commission)

26. To see whether the Town will vote to deposit fifty percent of the revenues collected pursuant to RSA 79-A (the land use change tax) in the conservation fund in accordance with RSA 36-A;5 III, as authorized by RSA 79-A:25 II. (requested by the Conservation Commission)
27. To see if the Town will vote to accept Perry Brook Road so called as a Class V Town Road and to raise and appropriate the sum of ten thousand dollars (\$10,000.00) for upgrading of said road. (by petition)
28. To see if the Town will vote to raise and appropriate the sum not to exceed eighty thousand dollars (\$80,000.00) for the purchase of a new rescue vehicle. Money to be raised in the following manner: \$8,500.00 to be accepted from the Rescue Squad as a donation, \$15,000.00 to be transferred from the Capital Reserve Fund established for that purpose, \$11,300.00 to be raised from current year taxes, and to authorize the Selectmen to issue not more than \$45,200.00 in notes or bonds in accordance with the provisions of the Municipal Finance Act (RSA chapter 33) and to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon; payable in equal installments in the years 1990, 1991, 1992, and 1993. (2/3 Ballot Vote Required) (requested by the Rescue Squad)
29. To see if the Town will vote to raise and appropriate the sum not to exceed eighty thousand dollars (\$80,000.00) for the purchase of a new rescue vehicle. Money to be raised in the following manner: \$8,500.00 to be accepted from the Rescue Squad as a donation, \$15,000.00 to be transferred from the Capital Reserve Fund established for that purpose, and the remaining \$56,500.00 to be raised from current year taxes. (requested by the Rescue Squad)
30. To see if the Town will vote to raise and appropriate the sum not to exceed twenty thousand dollars (\$20,000.00) to be added to the Rescue Vehicle Capital Reserve Fund previously established, and authorize the withdrawal from said fund and expenditure of up to thirty five thousand dollars (\$35,000.00), by the Selectmen, towards the purchase of a rescue vehicle. (requested by the Rescue Squad)
- *31. To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of building a stump dump and to raise and appropriate the sum not to exceed two thousand dollars (\$2,000.00) to be placed in this fund. Said fund to be called the "Stump Dump Capital Reserve Fund".

- *32. To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of building a septic disposal facility and to raise and appropriate the sum not to exceed five thousand dollars (\$5,000.00) to be placed in this fund. Said fund to be called the "Septic Disposal Capital Reserve Fund".
- *33. To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of purchasing a Computer system for the Town Offices and to raise and appropriate the sum not to exceed two thousand dollars (\$2,000.00) to be placed in this fund. Said fund to be called the "Computer System Capital Reserve Fund".
- *34. To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of purchasing a new Fire Truck and to raise and appropriate the sum not to exceed ten thousand dollars (\$10,000.00) to be placed in this fund. Said fund to be called the "Fire Truck Capital Reserve Fund".
- *35. To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of expanding town office land and facilities and to raise and appropriate the sum not to exceed five thousand dollars (\$5,000.00) to be placed in this fund. Said fund to be called the "Town Facilities Capital Reserve Fund".
- *36. To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of replacement of Town Bridges and to raise and appropriate the sum not to exceed ten thousand dollars (\$10,000.00) to be placed in this fund. Said fund to be called the "Town Bridge Capital Reserve Fund".
- *37. To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of refuse disposal facilities and to raise and appropriate the sum not to exceed five thousand dollars (\$5,000.00) to be placed in this fund. Said fund to be called the "Refuse Disposal Capital Reserve Fund".
- *38. To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of reappraisal of the Town and to raise and appropriate the sum not to exceed five thousand dollars (\$5,000.00) to be placed in this fund. Said fund to be called the "Town Reappraisal Capital Reserve Fund".

- *39. To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of major rebuilding projects on Town Roads and to raise and appropriate the sum not to exceed ten thousand dollars (\$10,000.00) to be placed in this fund. Said fund to be called the "Town Road Capital Reserve Fund".
40. To see if the Town will vote to adopt the provisions of the Municipal Budget Law. (by petition)
41. To see if the Town will vote to elect a budget committee consisting of 5 members-at-large, one member chosen by the school board and one member of the board of selectmen to be designated by said board as provided in the Municipal Budget Law. (by petition)
42. To see if the Town will vote to instruct the Town's representatives to the General Court to respond to our solid waste crisis by taking all necessary measures to insure that New Hampshire adopt legislation that will permit consumers to return for refund of deposit within New Hampshire all soda, beer, wine cooler and liquor containers and that all unclaimed deposit monies shall be collected by the state and no less than 80% shall be returned annually to local municipalities for the sole purpose of implementing, expanding and reimbursing community recycling projects. (by petition)
43. To see if the Town, in accordance with RSA 674:43, having adopted a Town wide zoning ordinance in 1963, will authorize the Planning Board, which adopted subdivision regulations in 1965, to review and approve or disapprove site plans for the development of tracts or changes or expansion of use of tracts for non-residential uses or for multi-family dwelling units, which are defined as any structures containing more than 2 dwelling units, whether or not such development includes a subdivision or resubdivision of the site. This resolution shall take effect upon passage and the Town Clerk shall file a certificate of notice with the Merrimack County Register of Deeds showing that the Planning Board has been so authorized and the date of approval by the Town of the authorization. (requested by the Planning Board)
- *44. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this _____ day of February, in the year of our Lord nineteen hundred and eighty nine.

**ARTICLE II
ESTABLISHMENT OF DISTRICTS**

D. Purposes, Permitted Uses and Special Exceptions

GENERAL REQUIREMENTS - Presently reads:

1. Industrial uses shall have a minimum lot size of three (3) acres and a minimum frontage of three hundred (300) feet, and only be allowed by special exception. The minimum building set back requirements are front 50 feet, side 20 feet and rear 20 feet.
2. Commercial uses shall have a minimum lot size of two (2) acres and a minimum frontage of two hundred (200) feet. The minimum building set back requirements are front 30 feet, side 15 feet and rear 15 feet.
3. All Commercial uses shall require:
 - A. Site plan review by the Planning Board
 - B. Public Hearing
 - C. Building permit as required, and
 - D. Occupancy permit fee of \$25.00 which will be waived if a building permit is required
4. All Industrial and Multi-family uses shall require:
 - A. Site Plan review by the Planning Board
 - B. Public Hearing
 - C. Building permit as required
 - D. Occupancy permit fee of \$25.00 which will be waived if a building permit is required
 - E. Approval by the Board of Adjustment as a special exception

GENERAL REQUIREMENTS - PROPOSED TO READ

1. Industrial uses shall have a minimum lot size of three (3) acres and a minimum frontage of three hundred (300) feet. The minimum building set back requirements are front 50 feet, side 20 feet and rear 20 feet.
2. Commercial uses shall have a minimum lot size of two (2) acres and a minimum frontage of two hundred (200) feet. The minimum building set back requirements are front 30 feet, side 15 feet and rear 15 feet.
3. Residential uses shall have the minimum lot size determined in the same manner as with the zoning districts outside of the commercial-industrial/multi-family zone (Article IIC) that is to coincide with the soil lines shown in the Merrimack County Soil Survey, issued June, 1965.
4. All Commercial, Industrial and Multi-family uses shall require:
 - A. Site Plan review by the Planning Board
 - B. Public Hearing
 - C. Building permit as required
 - C. Occupancy permit fee of \$25.00 which will be waived if a building permit is required

QUESTION NO. 1:	Are you in favor of the adoption of the above amendment to the Town Zoning Ordinance which adds No. 3 above and combines No. 3 and 4 of the original ordinance and eliminates 4E.	YES <input type="checkbox"/>
		NO <input type="checkbox"/>

**ARTICLE II
ESTABLISHMENT OF DISTRICTS**

D Purposes, Permitted Uses and Special Exceptions

PERMITTED USES AND SPECIAL EXCEPTIONS - Presently reads:

PERMITTED USES

- A. Hotels
- B. Motels
- C. Restaurants and snack bars whose primary purpose is serving food
- D. Professional establishments such as: dental/medical, law, engineering, and accounting
- E. Service establishments such as: real estate, barber shops, and financial institutions
- F. Retail sales establishment such as: drug stores, grocery stores, lumber yards, hardware and clothing
- G. Automotive uses such as: service stations, repair garages and car washes
- H. Office and administrative buildings
- I. Funeral Homes
- J. All uses allowed in District R (Residential)

SPECIAL EXCEPTIONS

- A. Restaurants with entertainment or night club facilities
- B. Plaza, malls, multiple use businesses
- C. Warehouses or distribution centers
- D. Recreational facilities
- E. Commercial parking lots
- G. Manufacturing, assembly, processing, packaging and research facilities
- H. Sawmills
- I. Auto body shops
- J. Public & Institutional facilities
 - (1) Hospitals
 - (2) Nursing homes & elderly housing
 - (3) Churches
 - (4) Schools
 - (5) Libraries
 - (6) Museums
- K. Cemeteries
- L. Excavation, sand & gravel
- M. Public service utilities
- N. Multi-family uses (such as apartments and condominiums)

PERMITTED USES AND SPECIAL EXCEPTIONS - PROPOSED TO READ

PERMITTED USES

- A. Hotels
- B. Motels
- C. Restaurants and snack bars whose primary purpose is serving food
- D. Professional establishments such as: dental/medical, law, engineering and accounting

- P. Manufacturing, assembly, processing, packing and research facilities

- Q. Sawmills
- R. Auto body shops
- S. Public & Institutional facilities

- (1) Hospitals
- (2) Nursing homes & elderly housing
- (3) Churches
- (4) Schools
- (5) Libraries
- (6) Museums

T. Multi-family uses (such as apartments and condominiums)

SPECIAL EXCEPTIONS

The following uses may be by approval of the Board of Adjustment as a special exception in addition to meeting all the requirements of the Planning Board as referred to in Section 4 of this Ordinance.

- A. Salvage yards, junk yards, auto grave yards
- B. Cemeteries
- C. Excavation, sand & gravel
- D. Public service utilities

QUESTION NO. 2:	Are you in favor of the adoption of the above amendment to the Town Zoning Ordinance which combines the permitted uses with the special exceptions except for the four articles as listed above?	YES <input type="checkbox"/>
		NO <input type="checkbox"/>

**ARTICLE II
DESIGNATION OF DISTRICTS**

D. Purposes, Permitted Uses and Special Exceptions

No Ordinance presently exists for the following:

ADD: Aquifer Conservation District

Authority and Purpose

Pursuant to the authority granted under RSA 674.21, the Town of Chichester hereby adopts the following regulations. The purpose of these regulations is, in the interest of public health, safety and general welfare, to protect, preserve, and maintain existing and potential groundwater supply and and groundwater recharge areas within known aquifers from adverse development, land use practices or depletion.

This is to be accomplished by regulating land uses which would contribute polluted water to designated aquifers identified as being needed for present and future public and private water supply. It is the intention of this ordinance to respect agriculture uses as defined in the NH Statute 672.1.

District Defined

The Aquifer Conservatin District shall encompass those areas which have been designated as having medium potential to yield groundwater as shown on the Town of Chichester Aquifer Conservation District map which is on file with the Planning Board. The basis for said map is the map titled "Availability of Ground Water in the Middle Merrimack River Basin, Central and Southern New Hampshire" which was prepared by the U.S. Geological Survey in cooperatin with the New Hampshire Water Resources Board and dated 1976 which is on file with the U.S. Geological Survey Office in Concord.

The Town of Chichester Aquifer Conservation District map is hereby adopted by reference as a zoning overlay district within which additional standards apply to the underlying zoning classification. In all cases where the standards for this district conflict with those of the underlying district, the more restrictive requirement(s) shall apply.

Incorrectly Designated Zones

When the actual boundary of the Aquifer Conservation District is disputed by any owner or abutter affected by said boundary, the Planning Board, at the owner/abutter's expense and request, may engage the services of a professional geologist or hydrologist to determine more accurately the precise boundary of said District. The Planning Board shall have the authority to make the final determination as to the location of a disputed boundary.

Prohibited uses

The following uses shall not be permitted within the Aquifer Conservation District:

1. Disposal of solid waste.
2. Subsurface storage of petroleum and refined petroleum products and chemicals.
3. Disposal of liquid or leachable wastes, except from residential, commercial, or industrial systems which discharge human sanitary wastes only.
4. Industrial uses which discharge contact type process waters on site. Non-contact cooling water discharge is permitted.
5. Outdoor unenclosed or uncovered storage of road salt.
6. Dumping of snow containing de-icing chemicals if the snow is brought in from outside the Aquifer Conservation District.
7. Excavation of sand or gravel, except where conducted in accordance with a permit issued pursuant to RSA 155-E, or except when incidental to a permitted use.
8. Disposal, processing or recycling of hazardous or toxic materials.
9. Automotive service or repair shops.
10. Junk and salvage yards.
11. Bulk storage of toxic material for resale or distribution.

Conditional Use Permit

Any use permitted in the underlying district, except those which are expressly prohibited in Section D. above, shall be reviewed by the Planning Board and shall conform to the provisions of this ordinance. Conditional Use Permits shall be granted by the Planning Board subject to the following additional limitations:

1. No more than 50 percent of any lot shall be rendered impervious by buildings and pavement.
2. Petroleum products, chemicals, road salt, and other materials which have the potential for contaminating groundwater shall be stored above ground level within a fully enclosed structure designed to contain any spill within the structure.
3. In the case of any sand or gravel excavation permitted in accordance with RSA 155-E, or with respect to any earth removal allowed as being incidental to any permitted use, such excavation or removal shall not be carried out within eight (8) vertical feet of the seasonal high water table.
4. Storm drainage facilities shall be designed so that normal infiltration to groundwater is retained.
5. Single family and two-family homes are exempt from Conditional Use Permit review.

Special Exceptions

Any use which may be allowed by special exception in the underlying zoning district must be found by the Zoning Board of Adjustment, in written findings of fact, that all of the following are true:

1. The proposed use will not have a detrimental effect on the quality of the groundwater contained in the aquifer by directly contributing to pollution or by increasing the long-term susceptibility of the aquifer to potential pollutants;

2. The proposed use will not cause a significant reduction in the long-term volume of water contained in the aquifer, or in the storage capacity of the aquifer;
3. The proposed use will discharge no waste water on site other than that which is permitted under the provisions of this Article; and
4. The proposed use complies with all other applicable sections of this article.

The Zoning Board of Adjustment may require that the applicant for a special exception provide data or reports prepared by a professional engineer or qualified groundwater consultant to assess any potential damage to the aquifer that may result from the proposed use. The Zoning Board of Adjustment may engage such professional assistance as it requires to adequately evaluate such reports and to evaluate, in general, the proposed use in light of the above criteria. Costs for any of the above-mentioned services shall be paid by the applicant.

Prior to rendering a decision on an application for a special exception, the Zoning Board of Adjustment shall request from the Planning Board and the Conservation Commission opinions as to whether the proposed use is consistent with the purpose of this Article.

Definitions

For the purpose of this Article, the following terms shall have the meaning given herein:

AQUIFER: Aquifer means a geologic formation, group of formations, or part of a formation that is capable of yielding quantities of groundwater usable for municipal or private water supply.

CONDITIONAL USE PERMIT: Approval required subsequent to Planning Board review of a development proposal, other than those for single family and two-family construction, in accordance with this ordinance, and prior to the issuance of any building permit by the Town.

GROUNDWATER: Water in the subsurface zone at or below the water table.

HAZARDOUS OR TOXIC MATERIALS AND WASTE: Waste material which may pose a present or potential hazard to human health or the environment when improperly stored, transported or disposed of or otherwise managed. Examples of hazardous waste include: toxic (poisonous) wastes; flammable wastes (paint, varnish removers, solvents and oils); reactive wastes; and corrosive wastes (acids).

LEACHABLE WASTES: Waste materials, including solid wastes and sludge that are capable of releasing contaminants to the surrounding environment.

SLUDGE: Residual materials produced by water and sewage treatment processes and domestic septic tanks.

SOLID WASTE: Any discarded or abandoned material including refuse, putrescible material, septage, or sludge as defined by New Hampshire Solid Waste Rules He-P 1901.03. Solid waste includes solid, liquid, semi-solid, or certain gaseous waste material resulting from residential, industrial, commercial and mining from community activities.

Non-conforming Uses

Any non-conforming use may continue and may be maintained, repaired and improved, unless such use is determined to be an imminent hazard to public health and safety by the Selectmen or Health Officer. No non-conforming use may be expanded, changed to another non-conforming use, or renewed after it has been discontinued for a period of twelve (12) months or more.

Administration

The provisions of the Aquifer Conservation District shall be administered by the Planning Board or Zoning Board of Adjustment. All development proposals, other than single or two-family residential construction not involving the subdivision of land, shall be subject to subdivision and/or site plan review and approval, and shall require a Conditional Use Permit if located within the Aquifer Conservation District, in accordance with Planning Board rules and regulations. Such review and approval shall precede the issuance of any building permit by the Town.

QUESTION NO. 3: **Are you in favor of the adoption of the above amendment to the Town Zoning Ordinance which would establish an aquifer conservation district to protect the water supply of the Town for the future?** **YES** **NO**

**ARTICLE III
GENERAL PROVISIONS**

C. Trailers, Mobile Homes and Trailer Parks

PRESENTLY READS:

- 3. The Board of Adjustment may, as special exception, permit:
 - A. Single trailers and/or mobile homes owned by residents and stored or parked during periods of non-use on the premises of the owner. Recreational trailers and vehicles are exempt.
 - B. The temporary use of a trailer or mobile home for one year to be maintained as living quarters by a person for whom a residence is being built, or as an office, storeroom or showroom, in connection with construction work or in connection with logging operations, providing that such use is shown to be a temporary expedient and also that the use will conform with sanitary protection requirements.
 - C. More permanent use of a house trailer or mobile home to an existing residence as a temporary accessory solely for the purpose of elderly housing for relations, permitted during life of occupant, and thereafter removed.

PROPOSED TO READ:

- 3. The Building Inspector may permit:
 - A. Single trailers and/or mobile homes owned by residents and stored or parked during periods of non-use on premises of the owner. Recreational trailers and vehicles are exempt.
 - B. The temporary use of a trailer or mobile home for one year to be maintained as living quarters by a person for whom a residence is being built, or as an office, storeroom or showroom, in connection with construction work or in connection with logging operations, providing that such use is shown to be a temporary expedient and also that the use will conform with sanitary protection requirements.
 - C. More permanent use of a house trailer or mobile home to an existing residence as a temporary accessory solely for the purpose of elderly housing for relations, permitted during life of occupant, and thereafter removed.

QUESTION NO. 4: **Are you in favor of the adoption of the above amendment to the Town Zoning Ordinance which would allow the Building Inspector to issue permits for the use of temporary trailers or mobile homes?** **YES** **NO**

**ARTICLE IV
NON-CONFORMING USES**

PRESENTLY READS:

The zoning ordinances as adopted and amended shall not apply to existing structures or to the existing use of any building which is non-conforming. It shall apply to any alteration or expansion of a non-conforming use or building which by reason of such alteration or expansion is made substantially different from the non-conforming use or condition existing prior to the alteration or expansion. When an existing non-conforming use has been discontinued, the land and buildings shall thereafter be used only in conformity to this ordinance. For the purpose of this provision, a use

will be considered discontinued when it has ceased for a period of six (6) consecutive months. The Board of Selectmen may approve an extension of the discontinuance if applied for in advance and if the reasons are justified and meet the intent and spirit of the ordinance.

PROPOSED TO READ:

The zoning ordinances as adopted and amended shall not apply to existing structures or to the existing use of any building which is non-conforming. It shall apply to any alteration or expansion of a non-conforming use or building which by reason of such alteration or expansion is made substantially different from the non-conforming use or condition existing prior to the alteration or expansion. When an existing non-conforming use has been discontinued, the land and buildings shall thereafter be used only in conformity to this ordinance. For the purpose of this provision, a use will be considered discontinued when it has ceased for a period of twelve (12) consecutive months. The Board of Selectmen may approve an extension of the discontinuance if applied for in advance and if the reasons are justified and meet the intent and spirit of the ordinance.

QUESTION NO. 5:	Are you in favor of the adoption of the above amendment to the Town Ordinance which would allow the period of discontinued use to be extended from six (6) months to twelve (12) months?	YES <input type="checkbox"/>
		NO <input type="checkbox"/>

CHICHESTER POLICE DEPARTMENT

1988

This has been a busy year for the Police Department. The position of Chief changed in mid-June and as the incoming Chief, I reinstated former Officers Bruce Graham and Tim Whitmarsh. Officer Googins resigned in August and moved back to Maine for family reasons. I hired Officer Alden Brown as a Special officer. Al came to us with many years of knowledge and experience behind him. He has been of great help during the day when extra coverage is needed. Recently added to our roster is Officer John Martel. Although John has no past experience as a Police officer he has been riding with our officers while on patrol gaining first hand knowledge and basic "on the job training". John will start the Part-Time Officers Academy in the near future. The roster may seem large for the Town of Chichester but due to New Hampshire Police Standards and Training Council Policy limiting part-time officers' duty time and the increased activity in the Town it is necessary, if we are to ensure 24 hour-a-day, seven days a week coverage.

In the last quarter of 1988, the Department covered twenty-eight motor vehicle accidents. The statistics for the year show ninety-three motor vehicle accidents ranging from "fender benders" to two fatalities. This does not include any accidents covered by the State Police when we were not available. Burglaries and thefts have increased by 30%. Juvenile problems have increased by 125%. Domestic situations have increased by almost 50%. There was a basic increase of at least 15% in most situations where the Police Department was called or needed as a necessary element.

In the third quarter of 1988, we purchased a 1982 Ford LTD cruiser from Pittsfield. It is similar to the existing 1982 Ford LTD the Department owns. The purchase was necessary because of the mechanical condition of the existing vehicle. The age and former useage of both these vehicles are showing in maintenance and repair bills. The newest purchase has had body work and new paint. This is why most of you will not recognize it on patrol. With the addition of decals on the doors we hope it becomes familiar to you.

We are a part-time department with the majority of us having other full-time jobs, but we intend to serve the Town of Chichester as fully as is needed. Please, never hesitate to call us, if you feel you need us. We are here to serve you.

Chief Ann L. Emrson	#701
Lt. Bruce Graham	#702
Off. tim Whitmarsh	#703
Off. Al Brown	#705
Off. John Martel	#706

If needed, just call 225-5006.

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

1988

Between July 1987 and June 1988, we experienced more fires than normal. The three leading causes of forest fires were again children, fires kindled without written permission of a Forest Fire Warden and debris burning. All causes are preventable but only with your help.

Please help our town and state forest fire officials with forest fire prevention. Contact your forest Fire Warden for more information.

Enforcement of a state timber harvest regulation is the responsibility of State forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest law may be violated, call your Forest Fire Warden, Concord Forest Protection Headquarters at (603) 271-2217, or local Forest Ranger.

On January 1, 1989, the Deceptive Forestry Business Practices Law (RSA 224:54) goes into effect. This law, in summary, states that a person is guilty of a misdemeanor if, in the course of buying or selling a forest product, uses a false weight or measure for falsely determining any quality or quantity of a forest product. For more information, contact one of the persons mentioned above.

CHICHESTER, FOREST FIRE WARDEN - WALTER SANBORN

Telephone 798-5943

Dear Residents of Chichester,

I want to take this opportunity to say thank you for all your support during my years of being Fire Chief in Chichester.

A special heartfelt thanks go out to all my firefighters who gave so unselfishly of themselves. It was an honor and privilege to be Chief to such a fine group of caring volunteers.

Thank You,

David Lucier, Chief

Selectmen:
Town of Chichester
Chichester N.H. 03301

January 13, 1989

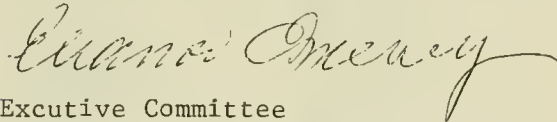

Dear Sirs:

Effective midnight, March 31, 1989 Center Barnstead Fire Department Ambulance will cease operations, the contract towns Chichester, Epsom, Barnstead and Pittsfield will continue with uninterrupted service until that date.

Due to this decision we withdraw all contracts and budget figures submitted for the year beginning April 1, 1989.

Sincerely,

Eleanor Emenev, President

Excutive Committee
Ctr. Barnstead Fire Dept.

I am frequently surprised by the number of Chichester residents who are not aware that Chichester has a town library, or who do not know where the Chichester Town Library is located; so let me begin by informing newcomers to Chichester (and maybe some not-so-new arrivals) that the Chichester Town Library is presently located on Main Street on the second floor of the Chichester Town Hall. Any resident of Chichester may borrow books from the library; no fee is charged to become a library patron, only a request for you to leave your name, address and phone number for the library records.

The library is staffed by one part time librarian and by volunteer library aides. June Hatch, after many years of service to the library, "turned in" her keys due to increased demands upon her time. She will be missed. Joyce Lemay and Purita Arnold were also unable to continue as aides during 1988. Hannah West left the Board of Trustees (and have we missed her!) but remained as a library aid. Carolee Davison joined the Board of Trustees and signed on as library aide. Also serving as library aides have been Faye McAnney, Barbara Frangione, Norma Cummings, Cathy Brooks, Milly Becker and Johanna Sanborn. With the increase in aides we have been able to increase the open hours of the library from six to eight hours a week.

The library has continued to increase the number of books available to patrons. We have continued to participate in a book leasing program that enables the library to have access to current fiction and non-fiction material without having to provide shelf space for the volumes. We have received donations of innumerable usable books from many town residents and from the State Library. The Trustees and librarian individually and as a group purchased books throughout the year. Many hours have been spent pruning the shelves to make room for new books without sacrificing any materials that should be retained. Good books that have been discarded or replaced have been made available to the general public through books sales at the library, on the West's front lawn or at Old Home Day.

Circulation at the library has remained at over 5,000 volumes for the year, a very healthy number for a town the size of Chichester. While the juvenile circulation continues to rise it has been encouraging to note an increase in adult fiction and non-fiction circulation. The juvenile circulation is aided by Story Hour, the use of the library by the kindergarten and by the Summer Reading Program. The Story Hour, normally held on Tuesday mornings for an hour of story telling, simple craft making and book borrowing, has temporarily been suspended due to lack of volunteers to lead the program. The kindergarten learns to use the library by attending once a week. The Summer Reading Program was as great a success as previously reported. Over 40 children joined in trying to find the "secret spot". Much thanks go to Wendy Kneeland for her many hours of work and her continuing interest in providing

this program for the youth of Chichester. This year we also thank John Prickett for providing the entertainment at the party and applaud Elizabeth Meehan for winning the prize for picking the right spot for her fish in the big blue sea.

The primary goal of the Board of Trustees remains to be able to provide the best possible service to the largest portion of the population of Chichester. We continue to feel that this goal can be best reach by admission to the Statewide Library Development System and by acquisition of a first floor spot for the library. The need for handicap accessible facilities with increased shelf space becomes greater each year; it also will become more expensive to achieve each year that passes. The library will be able to assist itself in funding but our access to other funding lessens each year that we are not able to meet public standards. It is hoped that this coming year will be the year that we face real progress towards achieving our goal.

Librarian

Joanne Serviss

Board of Trustees

CONSERVATION COMMISSION

1988

The Commission has begun work on developing management plans for the two larger properties designated as town forests - Carpenter Memorial Park and the Spaulding lot.

With the help of Ansel Sanborn and other volunteers in the youth recreation program of the town, plans have been drawn up to grade and reseed one or more areas of open land at Carpenter park for use as Little League Ball Fields and Youth Soccer Fields. We would like to do this in conjunction with work being done in 1989 on the school grounds to bring the baseball field there up to a size approaching a big league field, and ask for your support on this project.

The 110 acre Spaulding lot has a good potential for development as a town forest, and we hope to be able to harvest some timber there in the near future to acquire funds for timber stand improvement work both there and on the wooded areas of Carpenter Park.

We co-sponsored the Ground Water Protection Study and Plan with the Planning Board, and are working with other volunteers on proposals for the New Hampshire Land Trust.

We were pleased to welcome Betty Whitman and Ian Blackman as new members of the Commission, bringing our membership up to five and express our appreciation to the County Extension Forester and the SCS District Conservationist for their advice on plans for Carpenter Memorial Park.

Allen Mayville
for the Conservation Commission

HEALTH OFFICER

1988

The Health Officer received the following calls from April to December.

Three (3) inspections for foster care or day care.

One (1) inspection of a food service.

Four (4) inspections of complaints concerning possible sewage problems.

Edward J. Meehan, D.V.M.

ROAD AGENT

1988

This year the Block Grant Fund went to widening Cross, Bachelard, and Mason Roads. Chichester's only scenic road; Blackman, was ditched, trees thinned out and the bridge rebuilt.

Most of the tar roads were ditched and a small amount of tar shim in the worst areas.

The Tar Fund was spent largely on sand; sealing 4.5 miles of existing tar road. One-half mile of new tar was laid on Center Road and a blind dangerous corner on Canterbury Road was reconstructed.

The parking lot at the Grange Hall was built primarily from fill created by Cross road and ditching the tar roads. This solved two problems in one operation.

Working with the Fire Department, Selectmen and landowners, we have created two new waterholes for fire protection.

We, the Road Agent and crew have tried to work with the different town departments and townspeople to set goals and projects in everyone's best interest. We appreciate your input and patience on the different projects.

Road Agent
Timothy Kenneally

BUILDING INSPECTOR

1988

The Building Inspector's office has had a busy year, although the total number of permits is down this year and the number of new homes being started has somewhat declined. Below are some figures showing an average month's activity for the office:

Building Plans Reviewed	2
Permits Issued	6
Construction Inspections	11
Occupancy Permit Inspections	2

Addition or renovation to a Dwelling	15	16
New Commercial Building	5	0
Commercial addition or renovation	8	7
Accessory Building	19	15
Swimming pool	3	3
Other	3	3

If you need the services of the Building Inspector's office, please call 798-4350. If no one is in, please leave a message so I can return your call.

Respectfully submitted,

Paul W. Sanborn

Board of Selectmen
Town Hall
Chichester, New Hampshire 03263

May 24, 1988

During the past few months the Chichester Building Committee has been studying the addition of Town Office Space to the Grange Hall.

As requested, the committee took a hard look at all the possible alternatives in connection with achieving the space that is needed at the present time, with consideration for future growth of the town.

With respect to an additon to the Grange Hall, it is believed this would be very costly and difficult to do. Some of the reasons for this are the present characteristics of the building as well as the site itself, being extremely awkward to work with.

The second alternative consered was the renovation of the basement under the Grange Hall. To better consider this alternative we enlisted the aid of a building contractor (Scott Tepper), to give us an estimate of the cost of doing such renovations. (A copy of the estimate accompanies this letter.)

After carefully considering both alternatives the committee is of the opinion that spending money for the purpose of Town Office Space at the Grange Hall, in the form of an addition, would be extremely expensive. We also feel renovating under the hall would be too costly for the quality of the space achieved.

The committee does recommend that the selectmen do the reonovations to the hall that would enable it to be used more efficiently. This would be the addition of two handicap toilets on the main floor, as

well as insulating and updating the electric along with the installation of a handicap ramp. At the same time the committee would ask that the selectmen consider other alternatives to acquiring office space, such as the purchase of land to house both the Fire Department as well as the Town Offices. These consideration should be addressed before money is spent on office space at the Grange Hall.

Though our recommendation does not allow for the expansion of the town offices, which will hamper the library expansion as well, the committee feels that more investigation as well as more planning is needed before any move is made. The committee would also request that the selectmen reimburse both Scott Tepper and Roger Lawdrey for their efforts.

If you have any questions please do not hesitate to call.

Sincerely,

Stanley W. Brehm
Chairman
Chichester Building Committee

THE STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE SCHOOL DISTRICT IN THE TOWN OF CHICHESTER, QUALIFIED TO VOTE IN DISTRICT AFFAIRS:

You are hereby notified to meet at the Grange Hall in said District on the 4th day of March, 1989 at 2:00 P.M. to act upon the following subjects:

1. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and to pass any vote relating thereto.

2. To see if the District will vote to authorize the School Board to accept gifts and donations from any source on behalf of the School District.

3. To see if the District will vote to authorize the School Board to apply for, accept, and expend, without further action by the School District Meeting, money from the state, federal, or other governmental unit or a private source which becomes available during the 1989-90 school fiscal year, provided that such expenditure be made for purposes for which a School District may appropriate money and that such expenditure not require the expenditure of other School District funds. Further, that the School Board hold a public hearing prior to accepting and spending such money.

4. To see if the District will vote to raise and appropriate the sum of \$26,400 for the purpose of upgrading the school parking facilities, ball fields and for the removal of asbestos and asbestos contained materials of the Chichester Central School; and authorize the expenditure of sweepstakes revenue in the amount of \$26,400 distributed by the Department of Education under the provisions of 1988 New Hampshire Laws, Chapter 278 to fund this appropriation.

5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the District.

6. To see what sum of money the District will raise and appropriate for the support of schools, for the salaries, negotiated and otherwise, of School District officials and agents and for the payment of statutory obligations of the District and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid together with other income; the School Board to certify to the Selectmen, the balance between the estimated revenue and appropriation, which balance is to be raised by taxes by the town.

7. To choose Agents and Committees in relation to any subjects embraced in the District.

8. To transact any other business that may legally come before said meeting.

Given under our hands at said Chichester this 10th day of February, 1989.

Mrs. Freda A. Jones

Brenda G. Frekey
District Treasurer

AUDITOR'S CERTIFICATE

This is to certify that we have examined the books, vouchers, bank statements and other financial records of the treasurer of the school district of Chichester of which the above is a true summary for the fiscal year ending June 30, 1988 and find them correct in all respects.

John L. Saturley
Auditor

SCHOOL BOARD REPORT

Several important events took place in our school district this past year.

At the March School District Meeting, it was voted to build a much needed addition to the school which includes the gym/cafeteria. The School Board wishes to thank all the people who donated many hours of their time helping us plan this very important project. The Space Needs Committee, Building Advisory Committee and the Chichester Building Resource Committee provided valuable assistance. Ansel Sanborn, as committee chairman, kept the project moving with enthusiasm and humor. There were delays in starting construction, but we expect the new facilities to be ready for the opening of school in September.

Richard Fowler retired after having been our principal for more than 20 years. A very special program was prepared in his honor. There were former students present from nearly every class who attended Chichester School during the time he was principal. A very large crowd gathered to honor him.

A committee was formed to assist the School Board in selecting a new principal. Stewart Armstrong was chosen to fill this position. He has worked hard to make the transition a smooth one.

Many people have commented on the cleanliness of the school. Be sure to let Francis Pike know you appreciate his efforts and the excellent job he is doing.

When we move into our enlarged facilities, new programs will be introduced. The Board has two years to conform to the new State Standards for Education. Our budget this year reflects part of these requirements. The balance will be in place the following year.

The Board wishes to thank all of you for your support.

Respectfully submitted,
Freda Jones, Chairman

SUPERINTENDENT'S REPORT

This past year has proven to be both very busy and most rewarding due, in a large measure, to the outstanding support from the community, the space needs advisory committee, and the efforts of the staff, principal and the School Board. Fine progress has been made in the capital project for the facilities expansion at Chichester Central School. After some necessary budget adjustments in August and September, and after a series of negotiations with a general contractor, the contract for construction was awarded to the company of Bonnett, Page and Stone, Inc., Laconia, New Hampshire. Work has progressed steadily throughout the fall and winter months and as of this writing the project is on schedule for completion in August, 1989. I would like to thank Mr. Ansel Sanborn and the members of the Building Advisory Committee for their outstanding efforts for making this project a success.

During 1988, the Chichester School District and SAU #53 were fortunate in receiving several successful grant applications. Monies from state and federal sources supported the purchase of computers, printers, software, and training for teachers. Grant money was also approved at the high school level for substance abuse awareness and drop out prevention efforts. Grant funds for these various activities at the local and SAU level approached \$65,000.00.

The Chichester School District, as in the past years, has joined other SAU #53 communities participating in the federally funded Chapter I program. Students in grades one through eight are selected for tutorial assistance in reading and mathematics based on achievement testing results and teacher recommendations. Chichester's current allocation of \$26,152.00 funds two tutors along with the purchase of instructional and assessment materials. During 1988, an extensive long-range planning study of Chapter I services was conducted. Representatives of all SAU #53 districts participated in gathering and analyzing data upon which future programmatic decisions will be based. Chapter I provides valuable and worthwhile services to many of Chichester's students.

Citizens' participation in an organized form such as the P.T.A. and other forms such as periodic volunteerism in the Chichester Central School is one important factor for the success of our school. I thank you all for your involvement in the school and wish to encourage others to participate. Please feel free to contact the school principal, Mr. Stewart Armstrong, or Mrs. Candace Brehm, president of the P.T.A., should you wish to become more active in your school.

In 1988 fall standardized tests scores, once again, show high student achievement in areas of reading, mathematics, language, spelling, study skills, science and social studies. The students have scored well above national averages and generally above New Hampshire averages. Furthermore, students have scored generally higher than their anticipated scores. A good deal of time has been devoted to the analysis of these tests scores and while it is important that our standardized tests results are on the increased, I caution the reader that the standardized test scores are just one component of school success.

Mr. Richard Fowler announced his retirement last spring after more than 20 years of service to the Chichester School District. Mr. Fowler served children in his capacity of teacher and principal. His dedication and his care of children will be greatly missed. I wish Dick a very happy and well deserved retirement.

As you all know by now, the Chichester School Board charged a screening committee to review applications and to conduct interviews for the selection of a new principal. Mr. Stewart Armstrong was nominated and elected unanimously by the Board last June to serve as your new principal. Mr. Armstrong, most recently, was the director of the Pine Haven School in Allenstown, New Hampshire. He comes to Chichester with a variety of administrative and instructional experiences. He has had many varied successful teaching experiences primarily in the area of music. Mr. Armstrong received his bachelor's degree from Boston University and master's degree from Plymouth State College. He is a certified principal in the State of New Hampshire and is indeed a most welcomed addition to the professional staff of the Chichester Central School. It is a pleasure to have Mr. Armstrong involved in the school community at Chichester Central School. On behalf of the Chichester School Board, I wish him the very best for a very happy and successful stay at Chichester.

I thank you for your continued support of the Chichester Central School and of SAU #53. I look forward to working with you in providing the very best education for the children of Chichester.

Respectfully submitted,
Paul DeMinico, Ed.D.
Superintendent of Schools

PRINCIPAL'S REPORT

Chichester Central School opened on August 31, 1988 with an enrollment of 211 students. This total was up to 220 by January 3, 1989. The staff is as follows:

Readiness & Grade 1.....	Johanna Sanborn	Aides.....	Judy Clark, Hanna West
Grades 1 & 2.....	Marilyn Koladish		Elaine Lienhart, Robin Donovan
Grade 2.....	Virginia Sanborn	Speech Therapist.....	June Day
Grade 3.....	Sue Williams	Occupational Therapist.....	Jane Dyment
Grade 4.....	Janine Robinson	Guidance.....	Susan Barry
Grade 5.....	Jean Fifty	Music.....	Paula Jacobson
Grade 6.....	Patricia Brown	Custodian.....	Francis Pike
Grade 7.....	James Fifty	Library Volunteer	
Grade 8.....	John Farnum	Coordinator.....	Olive Edmunds
Learning Center.....	Elaine Coffey	Nurse.....	Betty Coughlin
Chapter I.....	Judy Snell	Secretary.....	June Hatch
	Betty Nitche	Hot Lunch Director.....	Natalie Henshaw
		Hot Lunch Aide.....	Catherine Locke

Chichester Central School is indeed an extraordinary school in a special community. It is a "family" school where everyone cares for and watches out for each other. There is a strong tradition of academic excellence, and pride in that record. Generally, the whole school is viewed by all in a positive light. This is reflected in the high level of involvement of the community in all aspects of school life--as volunteers, library aides, room mothers, PTO members, committee members, coaches, classroom helpers, lunch helpers, and as audience members at athletic, musical, and other school events. The turn outs for the Open House and Parent Conference Day were very encouraging.

The big news this year is, of course, the Building Project. Ground was finally broken in October, after much anticipation. Since then, the project has progressed well--due to hard work by all involved, good weather, and good luck. There is strong optimism that the eighth graders will be able to graduate in the new multi-purpose room, and that the whole project will be completed in early August. Our new building will allow many improvements--bringing us in line with modern State school standards.

As always, Chichester can point with pride to the performance of its students on State achievement tests. Our students scored above the national norm in all academic areas, and well above the anticipated scores. They were also above State mean score levels in all areas. These scores show the strong interest in education in Chichester, and the experience and dedication of the faculty. The school staff is a caring, stable group of people who want to be here working very hard with, and for our students.

This year saw the transition to a new principal. Everyone has been a tremendous help in making this process a smooth one. The lines of communication are open among all facets of the school community. We are working as a team to build on existing strengths, and to improve the overall effectiveness of the school--including academic excellence, school environment, team goal setting, and community involvement. There are a number of goals to be implemented as part of plans of action for 1989-90, and for future school years. The climate for gradual, logical change is ripe. Chichester has great potential for becoming a better, even superior school.

I would like to thank all who have welcomed me to Chichester, and helped make this year so exciting. It is with pleasure and anticipation that I look forward to many years of working together with everyone for the benefit of our students. I sincerely appreciate the opportunity to work in your school, with your wonderful youngsters.

I hereby submit this, my first Principal's Report.

Respectfully submitted,
Stewart Armstrong, Jr.
Principal
