# Town Warrant

## THE STATE OF NEW HAMPSHIRE

*To the Inhabitants of the Town of Exeter, in the County of Rockingham, in said State, qualified to vote in Town Affairs:* [L. S.]

You are hereby notified to meet at the Town Hall in said Exeter on Tuesday, the 9th day of March, next, at ten of the clock in the forenoon, to choose all necessary Town Officers, for the year ensuing, by ballot, the polls to be open at ten of the clock in the forenoon and to close not earlier than six of the clock in the afternoon, and to act upon the following subjects:

1. To choose by ballot and plurality vote a town clerk.
2. To choose by ballot and plurality vote one selectman for three years.
3. To choose by ballot and plurality vote a town treasurer.
4. To choose by ballot and plurality vote a tax collector.
5. To choose by ballot and plurality vote one trustee of the Robinson Fund for the term of seven years.
6. To choose by ballot and plurality vote one trustee of the trust funds held by the Town of Exeter, to hold office for three years.
7. To choose by ballot and plurality vote one trustee of the Swasey Parkway for three years.
8. To choose all other necessary town officers, auditors, or committees for the ensuing year.
9. To see what sums of money the Town will raise and appropriate for the maintenance of the poor, for repairing highways, for repairing and building bridges, for repairing and building sidewalks, for building drains and sewers, for oiling streets, for payment of the town debt, for lighting streets, for defraying expenses of decorating the graves of soldiers, for preventing the spread of insect pests within the town, for the payment of firemen for the ensuing year, and for other charges arising within the Town.

10. To hear the reports of agents, auditors and other officers and committees heretofore chosen and pass any vote arising therefrom.

11. To see if the Town will vote to authorize the town treasurer, with the approval of the Selectmen, to borrow money in anticipation of taxes.

12. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of revenue of the water department.

13. To see if the Town will vote to authorize the Selectmen to have an annual Town Audit made by the Municipal Accounting Division of the State Tax Commission or an accountant approved by it and expend a reasonable amount for the same.

14. To see if the Town will vote to authorize the Selectmen to sell property of the Town acquired by tax collector's deeds as the result of tax sales.

15. To see if the Town will vote to raise and appropriate the sum of Five Hundred (\$500.00) Dollars for the issuance and distribution of printed matter to call attention to the resources and natural advantages of the Town and to assist on planning and development for the benefit of the Town in co-operation with other Towns co-ordinated in the Seacoast Regional Development Association.

16. To see if the Town will vote to instruct its representatives to the New Hampshire General Court to sponsor and support enabling legislation now pending to permit the Town to adopt city or council-manager form of government.

17. To see if the Town will vote to authorize the Selectmen to employ professional appraisers to appraise all taxable real estate in the Town and to raise and appropriate the sum of thirty thousand dollars (\$30,000.00) for this purpose, to be raised by taxation in the sum of fifteen thousand dollars (\$15,000.00) for the year 1965 and fifteen thousand dollars (\$15,000.00) for the year 1966.

18. To see if the Town will vote to purchase the "County Records Building" and land of the County of Rockingham situate on the Easterly side of Front Street in Exeter for the sum of fifty thousand dollars (\$50,000.00) and to raise and appropriate an amount not exceeding fifty-five thousand dollars (\$55,000.00)

for the purpose of financing the said purchase, alteration of the building and purchase of equipment for use of the town offices and departments in said building, such sum to be raised by the issuance of serial notes under and in compliance with the provisions of the Municipal Finance Act. (N.H. R.S.A. 33) and any amendments thereto, and to authorize the selectmen to issue and negotiate such notes, the discretion of fixing the date, maturities, denominations, the interest or discount rate, place of payment, form and other details of said notes and of providing for the sale thereof to be delegated to the board of Selectmen, as shall be in the best interest of the Town, and to pass any vote relating thereto.

19. To see if the Town will vote to authorize the Selectmen in the name of the Town to sell and convey a parcel of land to John F. Walsh and Florence W. Walsh containing 3,545 square feet of land situate on Hospital Hill, formerly the site of the standpipe of Exeter Water Works and adjacent to land presently owned by John F. and Florence W. Walsh, for the sum of One Hundred (\$100.00) Dollars.

20. To see if the Town will vote to authorize the Selectmen in the name of the Town to sell and convey a parcel, adjacent to the Boston and Maine Railroad, of land containing 9,240 square feet to Rupert Tavitian, said land being a portion of the same acquired by the Town from Boston and Maine Railroad and on which the building occupied by him as Rockingham Feed & Supply Co. is located, for the sum of One Thousand (\$1,000.00) Dollars.

21. To see if the Town will vote to authorize the Selectmen in the name of the Town to sell and convey a parcel of land containing 2,520 square feet to Joseph Morrissette on the Westerly side of Kossuth Street, this land being a portion of that acquired by the Town from Boston and Maine Railroad and partially occupied by a dwelling house owned by Morrissette, for the sum of Three Hundred (\$300.00) Dollars.

22. To see if the Town will vote to adopt the provisions of R.S.A. 252:9 to 25 inclusive and to delegate to the Selectmen the performance of the duties and powers conferred by said Chapter in relation to assessment for sewers, the establishment of sewer rentals

and the collection thereof and all other pertinent duties and powers under said Chapter.

23. To see if the Town will vote to raise and appropriate the sum of Thirty-Five Hundred (\$3,500.00) Dollars for the establishment of a capital reserve fund for the financing of part of the cost of acquisition of equipment for use by the Fire Department.

24. On petition of Roger P. Sloan and nine others to see if the Town will vote to adopt the provisions of R.S.A. Chapter 36-A to establish a conservation commission for the promotion and development of the natural resources and for the protection of watershed resources of the Town, and to authorize the Selectmen to appoint a commission of seven members to administer and exercise the powers conferred by said Chapter.

25. On petition of Paul S. LaPerle and ten others to see if the Town will vote to raise and appropriate the sum of Twelve Hundred Dollars (\$1,200.00) for the purpose of seven band concerts to be played during the summer of 1965 by the Exeter Brass Band.

26. On petition of Dana T. Drown and sixteen others to see if the Town will vote to create a planning board composed of seven members and make available to it the powers and duties prescribed by New Hampshire Revised Statutes Annotated, Chapter 36, Sections 1 through 18, inclusive, and thereafter make its recommendations to the Town at the next Annual Town Meeting.

27. On petition of Edwin L. Saari and forty-seven others to see if the Town will vote to increase the pay of each regular call fireman of the Exeter Fire Department from the present pay of One Hundred Fifty Dollars per year to the sum of Two Hundred Fifty Dollars per year.

28. On petition of James H. Folland and ten others to see if the Town will vote to adopt the non-partisan ballot system for Town elections as provided by Revised Statutes Annotated, Chapter 59.

29. On petition of Roswell O. Moore and eleven others to see if the Town will vote to authorize the Board of Selectmen to establish a Recreation Commission under the provisions of New Hampshire Revised Statutes Annotated 31:44-47 to establish and maintain

public playgrounds, conduct and promote thereon play and recreation activities, to equip and operate the Community Center building, to establish and maintain a system of public recreation in the Town of Exeter and in connection therewith to construct, equip and operate any building necessary therefor, to operate a public swimming area and charge reasonable admission in connection with the operation thereof, and to employ such play leaders, playground instructors, supervisors, recreation director, and other officials as it deems best.

30. On petition of Benjamin F. Swiezynski, Jr., and ten others to see if the Town will vote to appropriate the sum of Two Hundred Dollars (\$200.00) for conducting the annual Halloween Party for Exeter children in the Town Hall.

31. To transact any other business that may legally come before said meeting.

## Selectmen's Report

---

*To the Citizens of Exeter:*

The Board of Selectmen take pleasure in making this annual report to the citizens of Exeter. Many accomplishments have been achieved during the past year, and Exeter is fast regaining its high standards as the finest town. One of the greatest achievements this year is that the town ended its fiscal year with a budget surplus. This could only have been done by the excellent administration and supervision of our town manager and the cooperation of department heads and personnel.

The police department during the past year was increased by one full time officer. This was necessary due to the amount of vandalism and juvenile delinquency, and giving the town more police coverage during the night. The morale and efficiency of the police department was improved tremendously this year. The superintendent of the Police Department was largely responsible for the upgrading of the department.

The operation of the ambulance service by the fire department has been outstanding the past two years. Much credit must be given to the chief of the department for his organization and operation of the ambulance service, also the personnel who operate the ambulance for their cooperation in making this service the success that it is. The addition of the new fire department pumper increases the efficiency of the department many times.

We would like to bring to the attention of the citizenry some of the problems we are faced with. The most pressing problem is that of equalizing the property tax. We feel that the most expeditious way is to have a revaluation of the entire town immediately by expert appraisers. In so doing the task will be accomplished in twelve months and each property owner will be carrying his fair share of the tax burden.

Our present town offices and police department offices are crowded beyond the capacity of the space. If the growth of the town continues as it has in the past few years, it will be necessary to find more space for the proper administration of the town. We feel it would be very shortsighted on the part of the citizens of the town not to acquire the Rockingham County building which is presently used by the Register of Deeds, Probate Court, and County Commissioners. With the purchase of this building the town would have sufficient office space for a great many years.

During the past year the town through its employees have started to improve Gilman Park. The Trustees of Gilman Park approved spending some of their funds for this type of work. We have been thinking of Gilman Park in long range terms of improvement namely play area, picnic area, and swimming area. It is our hope that through the cooperation of the citizens that someday Gilman Park will once again be an asset to the Town of Exeter.

Another problem we are faced with is not having a planning board for long range planning in the town. There is a definite need for a planning board to attract new industry to our town.

In conclusion we, the selectmen, wish to thank the people of the town for their wholehearted cooperation and patience, and trust that you will continue to have the same confidence in us as you have in the past.

Respectfully,

THOMAS H. CRONSHAW,  
NORMAN J. MORRISSETTE,  
JAMES D. HOUSTON,

*Selectmen.*

A New Industry

## Town Manager's Report

---

*To the Honorable Board of Selectmen and the Citizens of the Town of Exeter:*

I submit this Annual Report for the year 1964 for your convenience and study. I have tried to incorporate more interesting facts and figures in the town report.

We ended the year financially in the black. There was an unexpended balance of \$44,675.66 in appropriations. Our revenues exceeded the estimates by \$21,229.10. This financial status was achieved by close supervision and through the cooperation of department heads and department personnel.

In June the first contract of the town's pollution abatement was awarded. Construction was started June 25, 1964. This contract is approximately 95 per cent complete. Contracts for the construction of the two "custom pump stations" and the inverted syphons across the Squamscott River were advertised for bids, and contracts were awarded. The two remaining contracts, namely the construction of the lagoons and holding pond, and the final interceptors and laterals will be advertised for bids in the spring. The estimated date of completion of the entire project is in December of 1965.

During the past year building construction was increased markedly with the completion of Sylvania Electric Products building as was the Exeter Clinic and Ralston Tree Company buildings. There were also many new dwellings constructed.

The revaluation of all properties in the town is very much needed in order to distribute the tax burden more equitably among all taxpayers. Revaluation of the properties will also provide a system and the tools to maintain good assessment practices.

We in local Government are very grateful and appreciative for the assistance we received from all the citizens of the town.

THEODORE A. NOWAK, *Town Manager,*  
Exeter, N. H.

# Report of Examination and Audit

HUNT'S ACCOUNTING SERVICE  
5 MORNINGSIDE DRIVE  
HAMPTON, NEW HAMPSHIRE

January 28, 1965

Board of Selectmen  
Exeter, New Hampshire

*Gentlemen:*

Submitted herewith is the Audit Report for the Town of Exeter, for the fiscal year ended December 31, 1964.

## Scope of Audit

All Departmental Divisions of the Town Government, which include, The Board of Selectmen, Treasurer, Clerk, Tax Collector, Trustees of Trust Funds, Clerk of Municipal Court, Library, Swasey Parkway, Parking Meters, Sewerage Fund and Water Department were audited.

## Financial Statements

Exhibit A-1 contains the Comparative Balance Sheets, as of December 31, 1963, and December 31, 1964. The Assets and Liabilities are shown with the Liabilities exceeding the Assets, showing a Net Debt of \$1,254,374.09 for 1964 as compared to a Net Debt of \$44,800.16 for 1963. The reason for the large increase is the new sewerage Bond Issue. The Current Asset ratio exceeds the Current Liabilities by \$79,625.91, a tremendous improvement over 1963, when the Current Liabilities exceeded the Current Assets by \$9,800.16.

Exhibit A-2 shows Analysis of Change in Debt. Exhibit A-3 shows appropriations as raised by the vote of the Town, receipts and reimbursements of appropriations, expenditures and balances as under-expended and over-expended. The final unexpended balance of appropriations was \$57,772.11. This was as compared to the year 1963 overdraft of \$1,512.49, a tremendous accomplishment.

Exhibit A-2 shows Analysis of Change in Debt. Ex-amounts actually received by the Town. The final excess of receipts over estimates resulted in a revenue surplus of \$32,727.57, compared to the year 1963 revenue surplus of \$9,957.75, a surprising increase.

Comparing the accomplishments of 1963 and 1964:

<b>1964</b>	
Unexpended Appropriations	\$57,772.11
Revenue Surplus	32,727.57
	<hr/>
Net Budget Surplus	\$90,499.68
<b>1963</b>	
Overdrafts of Appropriations	\$ 1,512.49
Revenue Surplus	9,957.75
	<hr/>
Net Budget Surplus	\$ 8,445.26

For these tremendous achievements, the Board of Selectmen and the Town Manager should well be proud of their deeds and the citizens of Exeter should likewise be proud. Your auditor was amazed. My congratulations to the Board of Selectmen and the Manager.

### Departments

Exhibits B-1 through K show summaries of each Department's receipts, expenditures and proof of balance. All monies were accounted for by reconciling with depository banks.

### General Comments

In past years it has grieved your auditor to write of the poor financial condition of the Town of Exeter. This year, however, we are proud to point out the achievements made by the Officials of the Town.

Controlled budgets and purchasing with bids required on most articles obtained by the Town, have improved the financial condition.

To the Officials of the Town, many thanks for the cooperation and assistance given to me during the course of the audit.

Very truly yours,

HERBERT E. HUNT,  
*Auditor.*

HUNT'S ACCOUNTING SERVICE  
5 MORNINGSIDE DRIVE  
HAMPTON, NEW HAMPSHIRE

January 28, 1965

---

**Certificate of Audit**

This is to certify that the accounts and records of the Town of Exeter have been audited for the fiscal year ended December 31, 1964.

The following Exhibits show the financial condition, revenue sources and expenditures of the Town for the fiscal year ended December 31, 1964.

Respectfully submitted,

HERBERT E. HUNT,  
*Auditor.*

## INDEX

### *EXHIBITS:*

#### **Financial Information:**

- A-1 — Comparative Balance Sheets — As of December 31, 1963, and December 31, 1964
- A-2 — Analysis of Change in Financial Condition
- A-3 — Comparative Statement of Appropriations and Expenditures
- A-4 — Statement of Estimated and Actual Revenues and Budget Summary

#### **Treasurer:**

- B-1 — Classified Statement of Receipts and Expenditures
- B-2 — Summary of Receipts, Expenditures and Proof of Balance

#### **Tax Collector:**

- C-2 — Summary of Warrant — Levy of 1964
- C-2 — Summary of Warrants—Levies of Prior Years
- C-3 — Summary of Tax Sale Account

#### **Town Clerk:**

- D — Summary of Motor Vehicle Permits and Dog License Accounts.

#### **Swasey Parkway:**

- E — Statement of Swasey Parkway Receipts, Expenditures and Proof of Balance

#### **Municipal Court:**

- F — Statement of Municipal Court Receipts, Expenditures and Proof of Balance

#### **Library:**

- G — Summary of Library Receipts, Expenditures and Proof of Balance

#### **Trust Funds:**

- H — Summary of Trust Fund Principal, Income and Investments

#### **Parking Meters:**

- I — Summary of Parking Meter Account and Proof of Balance

#### **Indebtedness:**

- J — Statement of Bonded Debt, Showing Annual Maturities of Principal and Interest
- K — Summary of Sewer Bond Issue

#### **Surety Bonds:**

- L — Town Officers' Surety Bonds

Meter Damages	57.75
	<hr/>
Total:	\$12,910.78
	<hr/>
Overdraft:	\$ 44.93

Department statistics during the past year are nearly comparable to those of the previous year. One exception is the reduction in the number of breaking and entering crimes. In comparison with 1963 the instances in which business establishments and homes were forcibly entered with a consequent loss of property resulted in a 23 per cent decrease. This might be coincidence, but could conceivably be the direct result of the addition of one regular officer to the force. This was effected during the middle of the year in order to give better police coverage during the night hours by keeping both cruisers on constant patrol.

Approximately 68 per cent of property reported stolen was recovered. All other reported crimes: larcenies, malicious property damage, sex offenses, assaults, prowlers, fraud and forgery, were nearly equal in number to those of 1963.

Motor vehicle accidents increased as did resulting injuries. This appears to be in direct proportion to the

national auto accident rates. During the past year the cruisers were marked with identifying decals. This has helped considerably in traffic control and in the prevention of motor vehicle offenses. The installation of large dome lights on both cruisers has been safety factor for both the police and the public. Cruiser type winter insulated jackets are now worn by all department members and are not only more comfortable but much less expensive than the wool reefer type coats. Another uniform change is the wearing of an identifying shoulder patch by each member. Both these changes have produced many favorable comments. Sedans instead of station wagons were bought; they being less expensive to purchase and to operate.

While the published statistics give the citizens an idea of the type of police work accomplished during 1964, they do not show the workload increase. Police officers must not only enforce the laws, but also prevent and solve crimes. In addition to these duties, all officers utilize many hours in other functions of the department. We work in close cooperation with many other surrounding law enforcement departments and also with County and State agencies. Other varied responsibilities include traffic surveys, delivering emergency messages, counseling in family problems, school crossing safety, fingerprinting for both criminal and identification purposes, escorting merchants making bank deposits, construction traffic safety, checking vacant homes and a multitude of other details. These seem minor but are necessary in order to prevent loss of property and/or life.

Each year it is hopefully anticipated that we may make purchases of supplies and equipment which will enable us to maintain a modern law enforcement agency. One of our greatest needs is additional room. At present it is necessary to maintain files in all areas of floor space which is most inconvenient. Also we have no suitable conference or interrogation room. It is

hoped that these problems will be eliminated in the near future. During 1965 it is planned to have several officers attend available training schools to further their knowledge of police procedures.

We are fortunate in having many dedicated men serving as regular and special police officers, and also fortunate to have the cooperation of the public. For this, with the assistance of many persons and other departments, I am most grateful.

## Department of Public Works

---

### Report of the Superintendent of Exeter Water Division

*To the Honorable Board of Selectmen and the Town Manager:*

The following is my report of operation for the year 1964:

	Gallons
Pumped at Stadium Well (Electric)	164,037,100
Pumped at Lary Lane (Electric)	50,104,000
Pumped at Lary Lane (Diesel)	53,000
Pumped at Portsmouth Ave. (Gasoline)	183,840
Total	<hr/> 214,377,940
Average amount pumped per day	587,227
Maximum pumped in one day (June 2)	1,006,500
Minimum pumped in on day (Dec. 6)	380,500
No. of gallons more pumped in '64 over '63	13,086,500
<hr/>	
Total times pumps in operation	6,552 hrs., 23 min.
Average times pumps in operation	17 hrs.
Number of services at first of year	1,864
Number of new services installed	68
Number of services at end of year	1,932
Number of mains repaired	12
Number of services abandoned	4
Number of mains relocated	1
Number of services renewed	18
Number of services repaired	16
Number of services relocated	6
Number of meters tested or repaired	117
Number of new meters installed	63
Number of new hydrants installed (including 3 private)	4
Number of hydrants at end of year (including 7 private)	136
Number of hydrants repaired	2

All hydrants were inspected and flushed when necessary and snow removed from them in winter.

The following extensions were made to mains:

Location	Size	Length
Drinkwater Road	6"	416'
Grandview Terrace	6"	344'
Hampton Road	8"	300'
Pleasant View Drive	6"	591'
Ridgewood Terrace	6"	404'
Silvio Drive	6"	150'
Wayside Drive	6"	200'
Westside Drive	6"	1,388'

1964 was a very busy year for the department. When a new sewer system is installed it always makes extra work for the existing utilities.

The Lary Lane Well was cleaned and the pump re-conditioned. After cleaning, the well returned to its original capacity.

Even though we experienced another hot dry summer there was no curtailment in the use of water. At no time was either well pumped to its capacity and the reserve supplies at Skinner Wells and Water Works Pond were not touched. Many other New Hampshire communities were less fortunate.

A much needed dump truck was added to the department which will end the necessity of borrowing one from the highway department.

This year we hope to be able to have one of our storage tanks cleaned and painted inside and out with the other one scheduled for the following year.

In closing I wish to thank all the town officers and other departments for their help when needed.

Respectfully submitted,

GEORGE J. MARION,  
*Superintendent.*

**Report of the Superintendent of Highway Department  
For the Year 1964**

*To the Honorable Board of Selectmen and the Town  
Manager:*

The following is my report covering most of the activities of the department during 1964.

In reference to winter maintenance there were a total of fifteen storms which deposited about seventy-six inches of snow. The first storm occurred on January 1st and the last one on December 22nd. The heaviest storm came on February 16th with a snowfall of fifteen inches followed by a ten inch snowfall on March 10th.

The worst sleet and ice storm in years started on the night of December 3rd and lasted until late into the night of December 6th. This storm left us with about four inches of snow on top of all the ice.

In the maintenance of the streets and roads for the winter, about 500 tons of salt and 850 cubic yards of sand were used. Besides the streets and the roads, the winter work included all the school parking lots and driveways, all town parking lots, and the erection and removal of several hundred feet of snow fence. Also to be included was the cutting and hauling of brush and tree removal in town during the year. Weather permitting, they were all burned in the old town gravel pit on Cross Road.

Our summer maintenance work was about the same as usual. Hired contractors did all our surface treating work with a substantial saving to the town over the old way of doing it. In this operation the following streets and roads were done this year.

Crawford Avenue	Gary Lane
Drinkwater Road	Whitley Road
Hall Place	Hale Street
Marlboro Street	Dagostino Road
Gardner Street	Garfield Court
Wheelwright Avenue	Front Street
Hickory Lane	Union Street
Thornton Street	Parker Street
Ann's Lane	Arbor Street

Smith Avenue  
Conant Lane  
Haven Lane  
Jady Hill Avenue  
Maple Street  
Brown's Court  
Court Street  
Gill Street

Arbor Court  
Cottage Street  
Hobart Street  
McKinley Street  
Washington Street  
Little River Road  
Spruce Street  
Spruce Court

Dewey Street

This is a total of 102,293 square yards. Also during the year about 400 tons of cold patch were mixed by our department. There remains a good sized stockpile on hand at the department yards to meet our needs, we hope, until the spring of 1965. This cold patch operation is almost a continuous operation the year around.

Other summer work included the painting of all traffic lines in parking lots and streets, the maintenance of all traffic signs, street signs and parking meter posts. Most of this work has to be done twice a year.

New sidewalks were also constructed in eleven different locations with about 1,575 square yards of coverage. This work was all done with the department equipment and labor on the usual cost basis of 50% by the town and the same by the property owner requesting the work. Also during the year, some of the roofs of the buildings at the town yards were newly shingled by the town employees.

Town road aid money (TRA) from the State is to be used on Class V roads. This money was used to complete the Watson Road except for penetrating and sealing. This we hope to get done with the 1965 money.

In our sewer operations for the year, there were about the same number of complaints and phone calls at all hours of the day and night. In the sewer work we have been very busy trying to correct places that have been trouble spots for years. We have installed new manholes in old existing lines so that these places can be cleaned out with our sewer cleaning bucket machines. There are several more of these places that we hope to be able to correct in 1965.

During the year new surface water drain lines and two new catch basins were installed on the hill on Drink-water Road. This was done to try and take care of the icy conditions we have had to contend with during the past years. Also, about the same kind of an operation was completed on Gary Lane and Crawford Avenue for the same reasons.

During the year about twenty-two catch basins were rebuilt and all catch basins in town were cleaned out twice.

The rubbish collection service has been kept very well under control since the regulation governing it was put into effect in May 1963. The collection zones have been increased due to the addition of new streets.

We are now badly in need of a new load packer truck heavy enough for this service. The repairs both to the present truck and packer are very costly.

Changes were made by the town manager during the year in the bookkeeping system of the department. These changes have been a big help in the office work. Changes were also made by the town manager for excavating permits which have also been a big help in our work.

In closing, I wish to thank all town officials, the department heads, personnel of all departments, and the citizens of the town for their assistance to me with our duties over the years.

GORDON A. RAY,  
*Superintendent.*

## Exeter Visiting Nurse Association

---

There continues to be a yearly increase in the number of calls for Nurse Mary Chamberlain's services to the people of Exeter. The total of the calls made this year came to 1,440. The Visiting Nurse Association also ran a Tetanus Toxoid Clinic at the Community Center on May 4th and again on June 1st where over 130 adults received tetanus toxoid immunization shots for necessary protection against the infection encountered in summertime accidents.

Nurse Chamberlain is available for routine nursing calls, giving skilled and devoted service in caring for the aged, bed baths, hyperdermic shots and experienced help to new mothers. Her office is in the Exeter Community Center and her telephone number is 772-3321.

## Civil Defense Department

---

Exeter, N. H., January 25, 1965

The Town of Exeter acquired an additional 5,153 Shelter Spaces as a result of a concentrated survey made last Spring by the Engineers from the Civil Defense Headquarters in Howard, Massachusetts. This gives us a total of 6,758 shelter spaces with supplies consisting of carbohydrates (hard candies), crackers, metal drums containing water, medical, sanitation and radiation kits. We now have stored in our community a total of approximately 60,000 pounds of supplies valued at approximately \$12,000 which is financed by Federal Funds as part of the Civil Defense Program.

This whole program would not have been possible without the aid and consent of the Trustees of Phillips Exeter Academy, as 95% of our Shelters are on Academy grounds.

In February of 1964, ten men from Exeter and the surrounding towns participated in a Shelter Managers' Course undergoing simulated shelter conditions for forty hours.

We are also in the process of eliminating the sirens from the fire alarm system in an effort to do away with the added confusion which now exists.

We wish to thank the Selectmen, Town Manager and all the others who helped contribute their time and effort in making the program the success that it has been thus far.

### REPORT OF THE FOREST FIRE WARDEN AND YOUR DISTRICT CHIEF

The 1964 forest fire season surpassed the record year of 1963 in both length and severity. For the second successive year, we experienced a rainfall deficiency of more than ten inches and the compounding of such drought conditions, together with the many days of strong, dry winds, characterized 1964 as one of the most hazardous years in the past half century. Although our fire season was three weeks longer than that of 1963, the number of fires showed only a slight increase and more remarkable was the fact that the area burned dropped from 2,280 acres in 1963 to 900 acres in 1964. Early detection and rapid response kept many potential fire disasters from becoming reality. We all owe a debt of gratitude to the men in this community who responded and fought our fires so efficiently. Our state is now 86% wooded and its economy — both industrial and recreational — is greatly dependent on this forest resource. The responsibility for adequate fire protection of this great area — 4,350,000 acres — is everyone's re-

sponsibility and prevention is one of our more effective tools.

Prevention is good common sense.

1. Take your rubbish to the town dump. If you must burn, obtain a permit and watch your fire until it is dead out.
2. Instruct your children in fire safety. Keep matches from young children. Explain to them the dangers of lighting matches and making outdoor fires.
3. Be sure discarded smoking material and matches are out.

A major portion of our preventable fires this year are chargeable to three causes: (1) permit fires allowed to escape; (2) children playing with matches; and (3) smokers. Let's be mindful of the fact that all such fires endanger property and lives.

We wish to thank you for your very fine cooperation during the past fire season and with your continued cooperation we are confident that we can improve our fire record in 1965.

Number of Fires and Burned Area in 1964

RALSTON TREE BUILDING

## **Public Library Report**

---

It is with a true sense of satisfaction and pride that I present the following report for the year 1964.

### **Circulation**

Circulation of books and magazines showed a large increase over the past year in both departments. The juvenile room one was most gratifying, five thousand seven hundred and twenty-nine (5,729); adult, two thousand two hundred and ten (2,210). These jumps I feel represent a keener interest in reading. They also show that the young people are having more demands put upon them for outside study and reference work.

### **Juvenile Department**

Practically every day this room is filled with children either doing reference work, taking books out or returning them. Demands are so great and space is not adequate enough for us to have any special programs or entertainment. Toward the end of the year three book trucks were ordered to aid us in giving more space for books.

Several classes from the Elementary School and Exeter Day School visited the library accompanied by their teachers and classroom mothers. These visits are worthwhile for the pupils become acquainted at an early age with the benefits and facilities of the library.

### **Adult Department**

Again this year we felt the need for more and more space. To serve the reference work properly we should have as soon as possible another room for young adults. This would enable us to leave the regular reference room for older people.

Gifts in memory of people have been presented to us and they have been excellent selections and greatly appreciated.

### **Friends of the Library**

During National Library Week a very successful

and enjoyable tea was held on an April Sunday afternoon at the library. A large number of people attended and were enthusiastic about the affair. There were also special exhibits and one of note was letters from prominent people telling what was their favorite book and the reasons why they chose it. The Friends helped with weeding out old books and all of our Christmas decorations were done by them.

### Personnel

Mrs. Wilbur Burbank returned as part time assistant the first of February, 1964.

Miss Lucy Ross because of illness has been on leave of absence.

Roger Sloan, State Extension Forester for the University of New Hampshire, Cooperative Extension Service, was appointed to replace James A. Pirnie.

Mr. Edmund F. Richards, a valuable member of the Library Committee since 1942, passed away in February. He served on the Repair Committee and also gave of his time and advise as a lawyer.

Everett Holland was elected to replace Edmund Richards. He is a member of the firm of Perkins, Holland and Donovan.

Miss Mary E. Russell, former librarian at the Manchester Public Library, assisted us for several months during the absence of Miss Ross. We were most fortunate to have such an able person to help us.

I thank the staff and library committee for their loyal support at all times.

Respectfully submitted,

HARRIETTE M. PIRNIE,  
*Librarian.*

## Exeter Community Center

---

During the year 1964 our work with children, young people and adults has continued to meet with a full response and support from the community.

The Commission itself sponsored a number of activities:

(1) The summer playground for elementary and junior high age children, conducted at the Robinson Seminary Grounds and at the Court Street center for seven weeks in June, July and August. Although no public appropriation was made for this program again in 1964, over \$900 was raised in special gifts from individuals, business, industry and community service groups. Added to \$1,000 from Commission funds, received from rents and general donations, this was enough to carry out the full program. Excellent staff leadership was provided by Charles Burch, director, and Patricia Miles, in charge of the younger children at Court Street. Generous help was given by three paid and two volunteer assistants.

(2) The Saturday morning program for elementary school children in the Court Street building was continued during the winter and late fall months, under Mrs. Edward Echols in 1963-64 and Mrs. Christopher Brookfield in 1964-65. The number of children who have turned up occasionally or regularly indicates that it fulfills a real need.

(3) The Men's Basketball program on Monday nights in the High School gym was directed in the first part of the year by Paul Toland, and more recently by Lowell Cartmill. The charge paid by participants meets part of the cost, and the rest is covered by the Commission.

(4) In cooperation with the Y.M.C.A. a Christmas holiday tournament for boys and girls ages 8-14 was conducted at the Community Center, and in cooperation with the men of the Junior Chamber of Commerce the

Pee-Wee Hockey program has been continued this year at the Academy rink.

The Community Center building on Court Street, which is maintained by the Commission for the general use of the community, is almost constantly in activity. Regular tenants are the American Red Cross, the Visiting Nurse, the Calvary Baptist Church, and the shop work of the Exeter School for Retarded Children. A large variety of other organizations and activities also have the building for regular or occasional use. Among them are the Exeter and Newfields PTA's, the Y.M.C.A., the Girl Scouts, the Boy Scouts, the Veterans Auxiliary, the Government Study Committee, the Family Campers, the Minstrels, the Players, the Junior Women's Club, and so on. We are specially grateful to the Junior Women's Club for their continued interest in and support for the work of the Commission.

Two long-range projects have received much of our attention this year. One is the proposal for joint activities to benefit the community by students at the High School and the Phillips Exeter Academy. We have met with representatives of the two Student Councils to plan for continuation of the kind of service begun by these groups two years ago. The other is a proposal, coming from the Selectmen, to develop Gilman Park as a full-scale, year-round recreation area. While capital construction will be carried out by the town, the Commission or its successor will be asked to administer the program there.

At the 1965 Town Meeting the Commission will submit a request for a Recreation Commission to replace the Community Center Commission, with authority under New Hampshire statutes to operate a town-wide recreation program, using all available facilities and resources including Gilman Park.

While we continue to believe that a full-time Recreation Director is urgently needed in our community for

an adequate service to our children, young people, adults and senior citizens, we are not requesting an appropriation for a full-time salary at this time. We are grateful for all the confidence which the community has shown in the work of the Commission and we hope that a worthwhile relationship will continue to develop.
