## SELECTMEN'S REPORT

---

To the Citizens and Taxpayers of Gilford:

We present herewith the annual reports of the Selectmen and the Treasurer, the Town Clerk, Collector of Taxes, Trustees of Trust Funds, also the reports of various other Town Officers and Committees, and the annual report of the School Board for the fiscal year ending January 31, 1928.

In considering a budget for the ensuing year, we meet constantly increasing demands for money, and it becomes the duty of the Selectmen to carefully consider each proposition which calls for the expenditure of money, and recommend in our budget, only the things that are absolutely necessary and that seem advisable.

During the year just ended, work on the Winnepesaukee road has been carried on under the continuing appropriation which was authorized at our last Town Meeting. We are asked to appropriate enough money this year to enable us to complete the construction of this Road.

The following appropriations are recommended for the ensuing year:

Current maintenance expenses	\$1,800.00
Memorial Day	50.00
Support of public library	250.00
Old Home Day	100.00
Highways and bridges	8,500.00
For improving road at the village	300.00
For improving Lake Shore road	300.00
Trunk line construction	3,800.00

There are several other propositions presented in the Warrant which should have careful consideration when we

make our appropriations as only very careful planning will enable us to keep our tax rate down.

Respectfully submitted,

LELAND M. JAMES,  
WILLIAM I. HARRIS,  
JOHN A. HAMMOND,

Selectmen of Gilford.

REPORT OF GILFORD PUBLIC LIBRARY

---

To the Citizens of Gilford :

The undersigned, trustees of Gilford Public Library, respectfully submit the following report.

We wish to thank all who have contributed to our library in any way during the past year.

Camp Samoset for Boys, under the management of Thomas E. Freeman, again gave a minstrel show, the proceeds of which were given us for the purchase of juvenile literature.

A splendid picture of the old mission at San Gabriel, California, was presented through the generosity of Mrs. Laura A. Weeks of Providence, Rhode Island, a native of our town.

We are indebted to Mr. Allen Scheck of Boston, Massachusetts, for a three-year subscription to "The Country Gentleman."

Other generous contributors of books and magazines were Mrs. W. A. Jackson of Cambridge, Massachusetts, and Gilford, Mr. S. F. Claffin of Manchester, Mrs. Abbie V. Smart, Mrs. Carrie H. Gill, Mrs. Carrie K. Morrill, Mrs. Ida I. Glidden, and Mr. Arthur Hersey, all of Gilford.

Owing to the interest and public spirit of Mr. and Mrs. Orman M. Sanborn and Mr. Charles H. Collins our grounds have been kept in an attractive condition. Mr. and Mrs. Sanborn planted and cared for the flowers and Mr. Collins cared for the lawn.

Three new magazines have been added to the subscription list. They are "The Woman's Home Companion," "The Christian Herald," and "The Junior Magazine" for children.

We have the promise of a sign for the building and also a retaining wall for the basement entrance. Water has been piped to the basement of the building and is an appreciated convenience.

As has been our custom since occupying the new building we have reserved a part of the fund in anticipation of insurance.

Our present needs are for a toilet in the building, a settle for the reception room and a set of more modern reference books.

Respectfully submitted,

LIZZIE A. SANBORN,  
EUNICE L. HUNT,  
CHARLES H. COLLINS,  
Trustees Public Library.

## REPORT OF THE SUPERINTENDENT OF SCHOOLS

---

To the School Board and Citizens of Gilford :

I have the pleasure and duty of submitting to you my annual report as Superintendent of Schools.

The following table makes it easy to compare certain records and items of expenditures of last year with those of the previous year :

	1925-6	1926-7
Total enrollment	111	122
Average membership	94	94
Per cent. of attendance	93	94
No. tardinesses	339	214
No. pupils perfect in attendance	1	6
No. visits by superintendent	117	81
Teachers' salaries	\$5,278.00	\$3,909.96
Transportation	570.00	1,205.00
High school tuition	1,802.67	1,865.00
Elem. school tuition	480.00	694.48
Total payments, all purposes	10,053.05	9,899.36

We sometimes neglect to give deserved commendation. I wish to commend the boys and girls whose faithfulness, good health and good fortune made it possible for them to have perfect records in attendance during the last school year. The following is the Honor Roll :

No. Twelve school	Robert Smith
Lily Pond	Lester Blackey
	George Landry
	Irene Smith
	Wilson Smith
Intervale	Iva Batchelder

George Landry's perfect record extends over two years. Six pupils successfully completed the work of the eighth grade and were presented certificates of graduation in June. The following is the class list:

Village	Carroll Dennison
Intervale	Iva Batchelder
	Priscilla Flanders
	Eunice Sawyer
No. Nine	Edith Bean
	Walter Weeks

All six of these children entered the Laconia High school in September.

The schools in session this year are the same as last year, namely, Intervale, Village, No. Nine, No. Twelve, and Lily Pond. There is no pupil left at the present time in the Lake Shore Park District, and only one pupil at East Gilford. This child is being transported to the Village school. The policy of transporting the children on Liberty Hill to Laconia has been continued. The question of opening the Liberty Hill school was thoroughly considered last summer, but it was decided that the policy of transportation was much more satisfactory from every standpoint.

Our teaching force has only one change from last year. Miss Dorothy Hill resigned in June and Miss Helene Martin of Keene Normal school was appointed to fill this vacancy at No. Twelve. The following table gives the present teachers, the salaries paid and the enrollment in each school:

School	Teacher	Salary	Enrollment
Intervale	Eunice Hunt	\$792	10
Village	Helen Clow	792	14
No. Nine	Alice Clow	720	9
No. Twelve	Helene Martin	900	26
Lily Pond	Mary Brackett	850	18

The total enrollment is 77, a decrease of eleven over this time last year. This decrease is in part due to the policy inaugurated last September of paying the tuition of any seventh and eighth grade pupils who might avail themselves of the opportunity of attending the Laconia school. In my report of last year I called attention to the handicap to which our eighth grade graduates are under as they enter upon the work of the ninth grade, or first year of the High school proper, at Laconia. Nine Gilford children are now enrolled in the seventh and eighth grades in Laconia. In addition there are eleven children enrolled in the lower grades at Laconia, and twenty-six in the Laconia Senior High school, and one in the Alton High school. This makes a total school population of 124. One year ago it was 140.

The No. Twelve school continues to have a large enrollment with no immediate prospect of a decrease in numbers. Several factors make this school a difficult one. All of these children reside within easy access of Laconia schools. It may be that it would prove a wise policy to send these children to Laconia. I would recommend that this matter have the serious consideration of the School Board.

No special repairs have been made on school buildings this past year. If the No. Nine building is to be used for school purposes for any considerable time there should be alterations and repairs made which would mean considerable outlay. The relocating of the highway near the Intervale building makes it advisable to move this building and put it on a foundation. A special article in the school warrant calls for an appropriation for this purpose.

The following table will afford an opportunity to compare the School Board's proposed budget for the next fiscal year with the budget as submitted a year ago:

	1927-28	1928-9
Teachers' salaries	\$4,800.00	\$4,500.00
Text-books and supplies	250.00	250.00
Flags	15.00	15.00
Other expenses of instruction	15.00	15.00
Janitors	90.00	90.00
Fuel	250.00	250.00
Repairs	300.00	200.00
Medical inspection	30.00	30.00
Transportation of pupils	1,300.00	1,000.00
Elementary school tuition	700.00	1,000.00
High school tuition	2,000.00	2,200.00
Superintendent's excess salary	280.00	280.00
Per capita tax	310.00	342.00
Salaries district officers	142.00	142.00
Assessment recommended	10,408.40	10,208.40

I wish at this time to thank the members of the School Board for their helpfulness and cooperation during the past year.

Respectfully submitted,

CHANNING T. SANBORN,  
Superintendent of Schools.
