To the Selectmen:

Each year there is a demand for a statement on forest fires for publication in the annual town report. It is believed they serve a good purpose locally in preventing fires. May we respectfully request publication of the following in your town report.

Sincerely,

THOMAS J. KING,
District Fire Chief.

PREVENTION IS EVERYBODY'S BUSINESS

The year 1959 was fortunate from a forest fire standpoint. New Hampshire had the best record in the nation. Fewer acres were burned, suppression costs were substantially reduced and damage to woodlands held to a minimum. The record resulted from a combination of favorable weather conditions, an alert warden service and a cooperating public.

Yet, despite all this, there still persists a disturbing note

58%, or 6 out of every 10 fires in 1959 were caused by careless smokers and debris burners.

10%, or 1 out of every 9 fires was caused by children.

Careless, indifferent, thoughtless and independent minded individuals and failure of parents to properly supervise children and keep matches out of their reach, annually cause these unnecessary fires which cost large sums to extinguish and cause extensive damage. The elimination of these three causes of fires would radically change this picture. The rules are simple —

1. Before burning, secure a permit from your local forest fire warden — the law requires it.
2. Be sure to properly supervise your burning.
3. Make certain your fire is DEAD OUT before leaving it.

4. Don't throw lighted matches, cigars and cigarettes from moving vehicles — use your ash tray.
5. Don't burn at home — Use your town dump and save yourself much possible difficulty, both personal and financial.

Number of local fires — 3

Number of acres burned — $1\frac{3}{4}$

Number of permits issued — 367

THOMAS J. KING
District Fire Chief.

ALMOND R. WATSON,
Forest Fire Warden.

GILFORD PUBLIC LIBRARY

To the Citizens of the Town of Gilford:

The undersigned Trustees of the Gilford Public Library submit the following report for the year ending December 31, 1959.

Mrs. Dorothy Simonds, Librarian, attended the Neighborhood Association meeting sponsored by the State Library Association at Alton in October. She was hostess at a similar meeting held last spring in the Gilford Public Library.

Mr. William S. Lord, in May, was elected a trustee of the New Hampshire Library Trustees' Association at Concord. He was also made co-chairman on the Committee to Report on Laws relating to Libraries.

During the November Book Week, Mrs. Hazel Weed read stories to a pre-school, kindergarten and first-grade group of children. Mrs. Kathleen Taylor held a story hour for the second and third graders. Two classes of third graders from the Gilford Grade School visited the library with their teachers, Mrs. Gustafson and Mrs. Phelps, to learn about the library and its method of operation. Later on that week, Mrs. Simonds spoke on books and the library to the fifth and sixth grades at the Gilford Grade School.

Mr. Dave Smith has again added to the general beauty of the library surroundings by the planting of flowers in the spring. Mr. Smith is the conscientious and hard-working person who has done so much toward the neat appearance of the library buildings and grounds. We are grateful to have him.

New shelves near the librarian's desk, along with a typewriter table and storage drawers, have contributed to the greater efficiency of cataloging and recording our old and new books. A large display rack to the left of

the entry has been installed for all current fiction and non-fiction. For the convenience of those who cannot always get to the library the days it is open, a large white box has been installed at the library doorway for the deposit of books.

Many new books have been purchased and we are trying to build up our collection of classics, both adult and juvenile. We urge the people of Gilford to come to their library and become acquainted with the most wonderful gift to mankind . . . the gift of books and the worlds they open. With the help of our State Library and Book-mobile, we endeavor to bring to the people of Gilford, the best, the latest, and the most diversified of books.

Respectfully submitted,

KATHLEEN B. TAYLOR, Chair.

Report of Librarian of Gilford Public Library for 1959

During 1959 significant progress has been made in the project of cataloging the entire collection of books in the Gilford Public Library.

Printed catalog cards have been purchased from the H. W. Wilson Co. for all those books for which they are available. These cards come in sets for each book, which includes a shelf-list card, author card, title card, and usually one or more subject entries. All the non-fiction catalog card sets have subject entries, and also many of the fiction sets have them when pertinent. About three-fourths of these sets have been filed and are ready for use in the new card catalog case. When this filing has been finished, there will still be a considerable backlog of books for which similar sets will have to be type-written. Cards for new books as purchased usually are available, but many of the older sets have been discontinued by H. W. Wilson Co.

Many readers have used the excellent service provided by the N. H. State Library for borrowing books by mail on every conceivable subject, including science, philosophy, religion, history, etc. Also the State Bookmobile's frequent visits that leave approximately two hundred books at a time for readers of all ages have been much appreciated.

The librarian would like to urge every resident of Gilford to visit the Gilford Public Library during 1960 and to make use of its services.

GILFORD FIRE DEPARTMENT

1959

During the past year, your Fire Department responded to 36 alarms. Of these, 20 occurred in structures, 10 were grass, brush or forest fires. We responded to search for a lost child. We were called for Mutual Aid assistance on five occasions and received assistance from Mutual Aid for three fires.

Our new F. W. D. pumper-tanker combination truck arrived in September. It successfully passed the test of the Board of Underwriters and has been fully approved by their office. We are more than pleased with our new equipment and take this opportunity to extend our thanks.

Grateful appreciation is also extended to all those who assisted during and after the Weeks Farm fire. Special acknowledgment is made to our Ladies Auxiliaries, the Salvation Army and the Lake Shore Manor, who fed us such quantities of "coffee and." It is also noted that without the splendid cooperation of our own Police Department it is doubtful that the 46 truckloads of water used at the fire could have been delivered with such ease. Also, we feel that the response of the Mutual Aid apparatus would have been delayed without the able assistance of these men.

As this report is written, a work party is in progress at the Glendale Fire Station and the latest report is that the interior finish of the building will be completed by the time this report is in print.

Once again, we feel it is our duty to remind you of the severe lack of water for fire fighting purposes in large areas of the town. This matter is worthy of your long range consideration and eventually an adequate hydrant system should be provided to protect the built up areas of the community.

Your Fire Department is now one of the best equipped in the area for its size. We hope to be as efficient as we are well equipped. You can help us in this regard by, First Know our telephone number, Second, do not hesitate to call, since delayed alarms are the cause of many major losses, Third, give clear concise instructions as to the location, and if possible the type of fire, Last, keep your premises clean and free from combustible waste material, check your heating equipment at the start of EVERY heating season.

ALMOND R. WATSON, Chief
J. F. GODDARD, JR., 1st Engineer
WILLIS H. HOYT, 2nd Engineer

REPORT OF THE POLICE DEPARTMENT

January 1 through December 31, 1959

I hereby submit my report for the year ending December 31, 1959.

I am happy to note that there was but one major crime reported to this department during the year, that being the burglary and attempted safe job at the Goodhue Boat Yard. Due to the "round the clock" work of the Gilford Officers plus the splendid cooperation of the Laconia, Meredith, Alton, Belmont and Weare Police Departments; the Belknap County Sheriff's Department and the State Police, along with the help of many residents, the culprits were apprehended and brought to justice.

There were fifty-four arrests made of which thirty-five were motor vehicle violations. The remaining nineteen were comprised of assault, drunk, larceny, disorderly conduct, unlawful possession of liquor, disturbing the peace and attempted rape.

The police cruiser responded to nineteen fires during the year plus checking several possible fires for the Forest Fire Warden and the watchman on Mt. Belknap. Two people were transported from two of these fires to the Laconia Hospital for treatment of burns and a hand injury.

At the present time your police department is comprised of one Sergeant, twelve active police officers, subject to call at any time plus two restricted special police officers, in addition to your Chief.

A few of the many improvements made during the past year are:

1. The addition of an office in the Town Hall.
2. The purchase of two .38 special revolvers through Civil Defense surplus commodities.

3. The purchase of two pairs of handcuffs and cases.
4. The addition of a typewriter and stand.
5. The addition of fingerprinting equipment.
6. The addition of a monitor radio receiver.

As in the past two years, we have continued to check doors and windows nightly at business establishments throughout the town and make periodic inspections of summer homes and cottages during the winter months.

The police cruiser was driven 28,965 miles during the year and in addition to this my own personal car, which is equipped with emergency lights and siren and State Police radio was operated an additional 3,500 miles.

Cooperation between all other town departments and all other law enforcement agencies, included the F.B.I., with this department has been excellent.

CHARLES F. BURDITT,
Chief of Police.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the Members of the School Board,
Parents and Voters:

School Proposed Budget

The budget proposed to the Municipal Budget Committee will carry an increase of forty-five hundred dollars for teachers' salaries to furnish twelve grade teachers for Grades 1-6 inclusive and a part-time teacher for kindergarten.

The transportation budget was \$17,802.00 for the 1959-1960 school year. Increased Gilford pupil enrollment will require an automatic increase in the 1960-1961 budget.

The tuition cost will decrease sixteen hundred seventy-five dollars, since the high school tuition rate has been reduced from four hundred four to three hundred fifty-seven dollars while the junior high school rate has increased by the slight margin of three hundred forty-one against three hundred thirty-nine for this year.

Tuition Rates and Costs

The following table shows the tuition rates and totals paid since the pupils of Grades 7 and 8 were assigned to Laconia in September 1947 because of lack of classrooms in Gilford:

Year	Total Payments	Senior High Tuition Rate	Junior High Tuition Rate
1960-61	\$71,761.00	\$357.00	\$341.00
1959-60	73,436.00	404.00	339.00
1958-59	59,660.00	376.00	300.00
1957-58	62,530.00	350.00	315.00

1955-56	38,384.41	321.00	292.00
1954-55	30,893.68	320.00	280.00
1953-54	27,148.17	305.00	265.00
1952-53	25,837.74	285.00	238.00
1951-52	21,781.14	262.00	233.00
1950-51	17,824.48	245.00	205.00
1949-50	15,176.56	195.00	125.00
1948-49	11,360.24	150.00	110.00
1947-48	9,133.43	125.00	100.00
1946-47	5,789.41	108.00	95.00
1945-46	4,239.56	100.00	92.00

Summary of Tuition Costs

The Laconia reduction was effected by the heavy increase in the number of high school pupils and the State Law which provides that the tuition rate shall be based on the local average cost or the state average tuition cost, whichever is lower.

Appreciation

I wish to express my appreciation for the excellent cooperation I have received from the three board members, Mrs. Esther Peters, Chairman, Mr. Jack Sawyer and Mr. James Stamps. They have used the money furnished by the taxpayers to give Gilford children an education unexcelled in the State of New Hampshire.

The school lunch program is unquestionably the best in the state. The board is continually developing a policy for the best efficient operation of the school.

The support and assistance of the Gilford Parent-Teacher Association will lead to continued cooperation with the school board for the continued improvement of the schools.

The cooperation of the Principal and teaching staff, cafeteria workers, custodians and bus drivers has been very helpful throughout the past year.

The playground committee is gradually developing the best equipped playground in the area.

The acquisition of two television sets through national defense education funds will help to develop the teaching of foreign languages, science, mathematics and social studies in the schools.

It is obvious that Gilford has one of the outstanding elementary schools in New England and will continue to maintain its prestige as one of the factors which has caused so many people to seek Gilford for a home for their families.

Cordially yours,

GORDON L. FOX,
Superintendent of Schools
