SELECTMEN'S REPORT

Most of the business of the Board of Selectmen in the past year involved management of the customary operations of Town government. We were involved in enforcement of a number of state statutes and town ordinances dealing with health, safety and the general welfare of Henniker. We handled the financial responsibilities of town government. We supervised the specialized activities of departments and employees of our town. We were attentive to warrant articles and budgets passed by Town Meeting and organized and administered those numerous details that bring about the "nuts and bolts" of this Town Meeting.

We were called upon to answer questions, facilitate the transaction of town business and even to arbitrate and/or adjudicate neighborly disputes. We hope we helped most of you who asked for our help.

Certain matters that occupied us deserve special notice in this report. We are moving in the direction of shifting our solid waste disposal from our local landfill to a regional waste-to-energy plant being constructed in Concord. In June, we convened a Special Town Meeting which authorized our affiliation with a Cooperative consisting of three cities and twenty-four towns in Central New Hampshire. We employed engineers and consultants to begin the process of test drilling that will determine the environmental character and quality of our existing landfill. This will provide us with necessary information as we move toward the inevitable closing of this town landmark.

We rejected the application of a couple of business people to use our town sewer and sewage treatment plant in connection with an electroplating business they proposed to install in Henniker. They have now sued the town, asking the Superior Court to require us to approve their request. We are contesting this case vigorously, taking the position that we refused to allow them to discharge into the town facilities for good and lawful reasons that the Court should not overturn. So far, they have requested a preliminary injunction, which we have opposed and the Court has denied.

The Selectmen actively supported and campaigned for the approval of the John Stark Regional School District, emphasizing our view that the proposal would help Henniker to stabilize and plan for both its educational and fiscal needs. We were pleased that the proposal was supported by such an overwhelming majority of Henniker voters and look forward to the development of the new school.

We cooperated closely with the Henniker Civic Association, a group of Henniker citizens and business people. This has resulted in the preparation and filing of an application with the N.H. Office of State Planning for a Community Development Block Grant. If we are successful, the grant will help to fund several projects to enhance public facilities and economic development in the Town.

Several weeks ago, we received the disquieting news that a section of Henniker was within a 78 square mile area that had achieved the dubious distinction of being one of several possible sites that may be chosen for installation of a nuclear waste disposal facility. You will hear more about this in the course of this Town Meeting. As this report is being written, the Selectmen are making every effort to unite with other towns and other groups to oppose this development, and to have the pall of this selection removed from this town and this area as rapidly and completely as possible.

The year 1985 was marked by the inauguration of Dr. William R. O'Connell, Jr. as President of New England College. This has also been a year of unprecedented cooperation and reciprocal activity and good will between the College and the Town. We think that Dr. O'Connell's arrival at New England College has a lot to do with that happy and worthwhile state of affairs, and we express our gratitude to him and to all of those in the staff and among the College community who have helped bring this about.

We express much gratitude to all of you people who have worked hard and worked well to move Henniker along. You include volunteers on civic committees, boards and commissions, folks who are employed by the town on its paid staff, the wonderful people who work in the Town Hall, particularly Louise and Joan who manage things so well in the Selectmen's office. Our thanks also are extended to those citizens and neighbors who don't do anything in town except pay their taxes. Everybody helps — even those who are "just taxpayers." We couldn't manage without you.

Finally, we cannot ever forget that 1985 is the year in which we lost our dear friend and colleague, Charlie Damour. The three of us are on a long, long list of folks who were enriched because Charlie lived among us, and who are diminished by his passing. Still, we can be comforted, because to remember a righteous man is a blessing.

*Marvin Braiterman, Chairman
David P. Currier
Wayne E. Colby
Henniker Board of Selectmen*

The Auditor's Report is available for review in the Selectmen's Office during office hours.

STATE OF NEW HAMPSHIRE

TOWN WARRANT 1986

TOWN OF HENNIKER

To the inhabitants of the Town of Henniker in the County of Merrimack in said State qualified to vote in Town Affairs: (LS)

You are hereby notified to meet at Cogswell High School Auditorium in Henniker on Tuesday the eleventh of March, next, at ten of the clock in the morning to act upon the following:

1. To choose all necessary Town Officers for the Ensuing Year.

THE POLLS WILL BE OPEN FROM 10:00 AM TO 6:00 PM FOR VOTING
TOWN MEETING WILL CONVENE AT 7:30 PM

As voted at Town Meeting March 16, 1985, you are hereby notified to meet at Cogswell High School Auditorium in said Henniker on Tuesday, the eleventh day of March, following voting for Town and School officers to act upon the following:

2. To hear and act upon the report of Town Officers, Library Trustees, Trustees of Trust Funds and other Committees.

3. To raise and appropriate such sums of money as may be necessary to defray Town charges for the ensuing year.

4. To see what sums of money the Town will vote to raise and appropriate for the repair of highways and bridges and repair or purchase of machinery.

5. To see what sum of money the Town will vote to raise and appropriate to rehabilitate Bridge #095/100 on Western Avenue over the Contoocook River.

6. To see what sum of money the Town will vote to raise and appropriate for the purchase of a new highway truck.

7. To see if the Town will vote to authorize the Selectmen to withdraw from the Heavy Equipment Capital Reserve Fund, the balance of said fund with accumulated interest for use as set-offs against the budget appropriation for the new highway truck.

8. To see if the Town will vote to authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against budget appropriations for the following priority purpose and in the amount indicated or take any other action thereon:

Appropriation: Highway Truck Amount: \$19,000.00

9. To see what sum of money the Town will vote to raise and appropriate for the fourth phase of a five year road improvement project.

10. To see if the Town will vote to appropriate the sum of three thousand dollars (\$3,000.00) from the accumulated income from the John Proctor & Proctor Family Fund for the purpose of hiring a qualified Bridge Engineer to ensure that the proposed expansion of the stone bridge on Rte. 114 retains the original character of that bridge, if such a service becomes necessary.

11. To see what sum of money the Town will vote to raise and appropriate for the maintenance of the Police Department.

12. To see what sum of money the Town will vote to raise and appropriate to replace a police cruiser.

13. To see if the Town will vote to authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against budget appropriations for the following priority purpose and in the amount indicated or take any other action thereon:

Appropriation:	Police Cruiser	Amount: \$11,500.00
----------------	----------------	---------------------

14. To see what sum of money the Town will vote to raise and appropriate for the maintenance of the Fire Department.

15. To see what sum of money the Town will vote to raise and appropriate for the purchase of land and site development for a new Fire/Police Station.

16. To see if the Town will vote to authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against budget appropriations for the following priority purpose in the amount indicated or take any other action thereon:

Appropriation:	Land Purchase and Site Development for new Fire/Police Station	Amount: \$15,000.00
----------------	---	---------------------

17. To see if the Town will vote to oppose the burial, storage, transportation and production of high level radioactive waste in the Town of Henniker; and to call upon Congress to conduct an independent investigation with full public participation into the feasibility and prudence of the US Department of Energy's (DOE's) present plan to dispose of radioactive waste and into the DOE's competence to carry out such a plan. The record of the vote on this article shall be transmitted to the Governor of New Hampshire, the New Hampshire Congressional Delegation, and to the President of the United States. (By petition).

18. To see what sum of money the Town will vote to raise and appropriate for the purpose of funding efforts to have the Nuclear Waste Dump site (designated as NE-5) removed from the U.S. Department of Energy's list of Proposed Potentially Acceptable Sites.

19. To see what sum of money the Town will vote to raise and appropriate for the maintenance of the Sanitary Landfill.

20. To see what sum of money the Town will vote to raise and appropriate for sidewalk maintenance.

21. To see what sum of money the Town will vote to raise and appropriate for the Rescue Squad.

22. To see if the Town will vote to authorize the Selectmen to establish a committee to review and make recommendations regarding the current delivery of quality emergency medical services to the Town of Henniker.
23. To see what sum of money the Town will vote to raise and appropriate for the support of Tucker Free Library.
24. To see what sum of money the Town will vote to raise and appropriate to support the Henniker Athletic and Recreation Programs.
25. To see what sum of money the Town will vote to raise and appropriate to support White Birch Community Center in administering the Henniker Youth Services and Senior Citizen programs.
26. To see what sum of money the Town will vote to raise and appropriate for the support of the Community Action Program.
27. To see what sum of money the Town will vote to raise and appropriate for continuing work on the Property Tax Map.
28. To see what sum of money the Town will vote to raise and appropriate for the operating expenses of the Wastewater Treatment Plant. This sum is to be funded by sewer assessments.
29. To see what sum of money the Town will vote to raise and appropriate to support a series of eight outdoor concerts by the Community Band during July and August.
30. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.
31. To see if the Town will vote to authorize the Selectmen to apply for, accept and expend, without further action by the Town Meeting, money from the state, federal or another governmental unit or private source which becomes available during the fiscal year in accordance with the procedures set forth in RSA 31:95-b.
32. To see if the Town will vote to authorize the Selectmen to sell by sealed bid or public auction any lands which become available through purchase at tax sale.
33. To see if the Town will vote to authorize the Selectmen to sell Lot 43, deeded to the Town in 1985 for non-payment of taxes, to Dorothy M. Pilon, the previous owner, for back taxes, costs and interest. (By request)
34. To see if the Town will vote to authorize the Cogswell Spring Water Commissioners to take appropriate measures to treat the corrosiveness of the water supply. This sum to be funded by water assessments and capital reserves of the Cogswell Spring Water Works.
35. To see if the Town will vote to direct the Cogswell Spring Water Commissioners to present to the Selectmen an annual operating budget in accordance with generally accepted accounting principles and Department of Revenue Administration regulations.

36. To see if the Town will vote to authorize the Selectmen to accept a street to be known as Old Mill Pond Road when the street meets Town specifications. (By request)

37. To see if the Town will authorize the Selectmen to improve a section of Old Hillsboro Road to meet Class A specifications. (By request)

38. To see if the Town will vote to adopt written welfare guidelines as proposed by the Board of Selectmen. Chapter 380 of the Laws of 1985 requires the Town to adopt written welfare guidelines prior to April 1, 1986. (Copies of the full text of the proposed guidelines are on file with the Town Clerk.)

39. To transact any other business that may properly come before this meeting.

Given under our hands and seal this 19th day of February in the year of our Lord, Nineteen Hundred and Eighty-six.

A true record of all amounts of money raised and/or appropriated at Town Meeting, March 16, 1985.

Attest: *Janet Murdough*
Town Clerk

**RECORD OF AFFIRMATIVE VOTES
AT ANNUAL TOWN MEETING 1985
MARCH 16, 1985**

Article 2: VOTED, that the Town accept the report of Town Officers, Library Trustees, Trustees of Trust Funds and other Committees.

Article 3: VOTED, that the Town raise and appropriate the sum of two hundred thirty-five thousand one hundred sixty-four dollars and sixty-eight cents (\$235,164.68) to defray Town Charges for the ensuing year, divided as follows:

Town Office Salaries	\$21,747.25
Town Office Expenses	54,340.06
Elections and Registrations	2,000.00
General Government Buildings	20,557.50
Insurance	54,891.50
Planning & Zoning	3,000.00
Civil Defense	150.00
Conservation Commission	150.00
Animal Control	1,220.00
Visiting Nurse Assoc.	8,685.80
Street Lighting	13,000.00
Memorial Day	800.00
Hydrant Rental	2,000.00
Damages & Legal Expenses	4,000.00
Advertising & Regional Assoc.	862.32
Interest on Tax Anticipation Notes	9,000.00
General Assistance	6,000.00
Old Age Assistance	15,000.00
Communications	17,760.25

and that the Town Officers be paid at the following rates: Ballot Clerks, Fence Viewers, Health Officer, Selectmen, Supervisors of Checklist, Surveyors of Wood and Lumber, and Moderator at \$4.00 per hour; Treasurer at \$1,500.00 per year; Tax Collector, Sewer and Water Assessments Collector at an annual salary of \$8,000.00 and Town Clerk at \$2,450.00 per year; and that the funds appropriated for the Henniker Athletic & Recreational Programs be earmarked for the support of summer swimming, Peewee League Baseball and other Henniker Children's Town Teams and that payments be made through the Selectmen of Henniker and by the Town Treasurer.

Article 4: VOTED, that the Town raise and appropriate the sum of one hundred and eighty-four thousand nine hundred twelve dollars and no cents (\$184,912.00) for the repair of highways and bridges and repair or purchase of machinery; that sixty-seven thousand four hundred ninety-nine dollars and fifty-three cents (\$67,499.53) come from the Highway Block Grant and that one hundred seventeen thousand four hundred twelve dollars and forty-seven cents (\$117,412.47) be for Highway Expenses.

Article 5: VOTED, that the Town raise and appropriate the sum of one hundred thousand dollars and no cents (\$100,000.00) for the third phase of a five-year Road Improvement Project.

Article 6: VOTED, that the Town authorize the withdrawal of fifty thousand dollars and no cents (\$50,000.00) from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against budget appropriations for Phase III of the Road Improvement Project.

Article 7: VOTED, that the Town raise and appropriate the sum of twenty thousand dollars and no cents (\$20,000.00) for the purchase of land and site development for a new Fire/Police Station.

Article 8: VOTED, that the Town authorize the withdrawal of twenty thousand dollars and no cents (\$20,000.00) from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against budget appropriations for the purpose of purchasing land and developing the site for a new Fire/Police Station.

Article 9: VOTED, that the Town raise and appropriate the sum of one hundred and thirty-one thousand dollars and no cents (\$131,000.00) for the maintenance of the Police Department.

Article 10: VOTED, that the Town raise and appropriate the sum of twenty-eight thousand dollars and no cents (\$28,000.00) for the maintenance of the Fire Department.

Article 11: VOTED, that the Town raise and appropriate the sum of twenty thousand dollars and no cents (\$20,000.00) for the maintenance of the Sanitary Landfill.

Article 12: VOTED, that the Town raise and appropriate the sum of four thousand dollars and no cents (\$4,000.00) for sidewalk maintenance.

Article 13: VOTED, that the Town raise and appropriate the sum of ten thousand eight hundred ten dollars and no cents (\$10,810.00) for the Rescue Squad.

Article 14: VOTED, that the Town raise and appropriate the sum of seven thousand dollars and no cents (\$7,000.00) for the support of the Tucker Free Library.

Article 15: VOTED, that the Town raise and appropriate the sum of three thousand eight hundred twenty-three dollars and five cents (\$3,823.05) for the installation of a fire alarm system in the Tucker Free Library.

Article 16: VOTED, that the Town authorize the withdrawal of three thousand eight hundred and twenty-three dollars and five cents (\$3,823.05) from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against budget appropriations for the purpose of installing a fire alarm system in the Tucker Free Library.

Article 17: VOTED, that the Town authorize the Selectmen to borrow money in anticipation of taxes.

Article 18: VOTED, that the Town raise and appropriate the sum of eight thousand four hundred dollars and no cents (\$8,400.00) for the support of the Henniker Athletic and Recreation Programs.

Article 19: VOTED, that the Town raise and appropriate the sum of two thousand dollars and no cents (\$2,000.00) to support the White Birch Community Center in administering the Henniker Youth Services and Senior Citizen Programs.

Article 20: VOTED, that the Town raise and appropriate the sum of two thousand four hundred ninety-eight dollars and no cents (\$2,498.00) for the support of the Community Action Program.

Article 21: VOTED, that the Town raise and appropriate the sum of eighteen hundred dollars and no cents (\$1,800.00) for continuing work on the Property Tax Map.

Article 22: VOTED, that the Town raise and appropriate the sum of one hundred fifty-eight thousand eight hundred twenty-eight dollars and fifty cents (\$158,828.50) for the operating expenses of the Wastewater Treatment Plant. This sum is to be funded by sewer assessments.

Article 23: VOTED, that the Town appropriate the sum of twenty thousand dollars (\$20,000.00) from the accumulated income from the John Proctor & Proctor Family Fund for the renovation of the second floor of the Town Hall.

Article 24: VOTED, that the Town raise and appropriate the sum of one thousand dollars and no cents (\$1,000.00) to support a series of eight outdoor concerts during July and August to be given by the Community Band. By request.

Article 26: VOTED, that the Town authorize the Board of Selectmen to apply for, accept and expend, without further action by the Town Meeting, money from the State, Federal or another governmental unit or private source which becomes available during the fiscal year in accordance with the procedures set forth in RSA 31:95-b.

Article 27: VOTED, that the Town authorize the Selectmen to sell by sealed bid or public auction any lands which become available through purchase at tax sale and, as amended, selectmen will consult with and receive the agreement of the Planning Board and Conservation Commission before selling any piece of land.

Article 29: VOTED, that the Town transact any other business that may properly come before this meeting.

#1. VOTED, that beginning in March of 1986, Henniker's Town Meeting will take place on the Tuesday evening following voting for Town and School offices.

#2. VOTED, that a dedication, biography, and a photograph of Norman C. Parmenter be in next year's (1986) Town Report.

A true copy attest:
Janet Murdough
Town Clerk

The following article was the only article voted on at the Special Town Meeting held in Henniker, N.H. on June 4, 1985 at 7:30 P.M. in the Cogswell Memorial High School Auditorium.

Affirmative Vote.

Janet Murdough
Town Clerk
A true copy attest:

VOTED, that the Town authorize the Board of Selectmen on behalf of the Town to enter into a cooperative agreement, pursuant to RSA Chapter 53-A, for the purpose of joining together towns and cities in a joint and cooperative effort for the disposal of solid waste in a manner which will meet federal and state regulations and for the economical and efficient recovery of energy from said solid waste disposal. The Cooperative to be formed under the cooperative agreement will be designated the "Concord Regional Solid Waste/Resource Recovery Cooperative." A copy of the current draft of the proposed cooperative agreement is posted with the warrant and is available at the town offices

during normal business hours. The Board of Selectmen is specifically authorized on behalf of the Town (a) to execute and deliver the cooperative agreement (with such changes therein from the posted agreement as the Board of Selectmen shall approve, such approval to be conclusively evidenced by the Board of Selectmen's execution thereof) and such other instruments, documents, and agreements as the Board of Selectmen may deem necessary or desirable in furtherance of the purposes of the cooperative agreement; (b) to cause to be performed all obligations which may from time to time be required pursuant to the terms of the cooperative agreement; and (c) to take action relative thereto.

A true copy attest:

HENNIKER RESCUE SQUAD 1985 ANNUAL REPORT

The 1985 calendar year has been very dynamic for the Squad. We responded to 221 calls during 1985. The Rescue Squad continued to provide exceptional emergency medical and rescue services for the Town of Henniker. To provide quality emergency care takes a team of dedicated volunteers who have the integrity, time, and desire to complete the training requirements for state licensure. But members must also have the personal drive to want to know more about the human body and the consequences of the insults that occur to it from accidents and illness. Henniker has been fortunate over the past 15 years to have had both the quantity and quality of volunteers necessary to gain a reputation as one of the best emergency medical teams in the state. We cannot carry out our mission, however, without the constant support on our calls from the Henniker Police Department and Henniker Fire Department. The members of both these departments are on each appropriate scene to help us and to provide the necessary hands to make each emergency into a controlled non-emergency. Without their assistance, we could not succeed.

The Rescue Squad currently has thirteen nationally registered emergency medical technicians and five members who are currently either on leave or are in their basic training courses. Five members are students at New England College. These students are tremendous assets to the Squad and to the Town and should be especially appreciated. The most serious situation facing the Town of Henniker in providing emergency medical services at this junction is that of obtaining trained and dedicated technicians who are available to respond regularly during the weekday hours. Our current personnel shortages at this time period are critical.

An Article on this year's Warrant asks for your vote that the Selectmen appoint a committee of interested persons to investigate and report alternatives for coverage to the Selectmen's Office. The Squad welcomes the views and opinions of the Community to this important committee.

As Chief of the Henniker Rescue Squad, I am proud to introduce the membership of the Squad in this report. These volunteers have worked hard to train and respond to meet the emergency needs of the Town. 1985 Henniker Rescue Squad members include:

Steven Arnold, William Belanger, Raymond Boivin, David Currier, George Daoud, William Damour, Training Officer, Gary Guzouskas, Jean Hooker, Elizabeth Lundberg, Keith Lyle, Jill Maynard, Andre Nadeau, George Patterson, Secretary, Debra Pinto, Steven Randall, Treasurer, Hilda Weiss and Richard Weiss.

Respectfully submitted,

*James K. Crane, Chief
Henniker Rescue Squad*

CONCORD REGIONAL VISITING NURSE ASSOCIATION

The Concord Regional Visiting Nurse Association, Inc. continued to service Henniker for this past year. In the Home Care program, service is provided under a physician's plan of treatment to patients who are essentially home-bound with diagnosed illness. This service is rendered by health professionals (Registered Nurses, Physical Therapist, Occupational Therapist, Speech Therapist, Nutritionist) and paraprofessionals, (Homemaker/Home Health Aides, Home Assistants) according to the patient's and family's needs. Hospice care is provided to patients in the last six months of a terminal illness. The Health Promotion Program has services (child health, family planning, screening) that are provided to low income/high risk patients and families in group settings, such as clinic and screening sites.

Health Education and Instruction is part of each home visit or clinic visit.

Anyone in Henniker may request service: patient, doctor, health facility, pastor, friend or neighbor. Patients are also referred by other agencies. All requests are answered, but continuing home care can be provided only with a physician's orders.

A call to the Concord Regional Visiting Nurse Association, Inc., (224-4093) between the hours of 8 a.m. and 7 p.m., seven days a week is all that is necessary to start services or make inquiries. Hospice staff are on call (224-4093) 7 p.m. to 8 a.m.

Federal regulations specify a charge is applicable to all visits. Fees are scaled for those unable to pay the charge if that person has no other funding source available. However, for fee scaling, federal regulations require a financial statement be completed and a fee appropriate for which the patient will be responsible. Town monies subsidize those visits that are scaled or that no fee is collectible.

This Agency is accredited by National League for Nursing and American Public Health Association Certified for Medicare and is a member agency of Home Care Association of New Hampshire, United Way of Merrimack County, and National Association for Home Care.

Visits made during the year beginning October 1, 1984 to September 30, 1985 were:

	No. of Clients	Visits
Home Care	38	907
Health Promotion	44	125

November 25, 1985

PLANNING BOARD

ANNUAL REPORT FOR THE YEAR 1985

At the end of 1985 the Planning Board had under review the first subdivision plan large enough to include construction of a new road since the Tanglewood and Hillside proposals of a number of years ago. To judge from development in neighboring towns such as Hopkinton and Weare, this town should expect many such proposals in the years immediately ahead.

The town will also face new questions about multi-family rental housing, condominiums, manufactured housing, mobile home parks, campgrounds, other recreational second homes, commercial and industrial land use.

To equip our town boards to work diligently with developers in the public interest, the Planning Board must (1) update Phase I of the master plan and complete the missing sections of Phase II; (2) propose for a Town vote an appropriate expansion of our present limited zoning ordinance; (3) revise and update our present Subdivision regulations; (4) arrange for easily accessible technical help from consultants for these projects and for specific prompt review of each complex subdivision proposal.

In addition to our ongoing subdivision and boundary adjustment review, we can report progress in several areas:

1. **Master Plan and Zoning.** With the help of several volunteers, a start was made in the fall of 1985 on new master plan sections. Board members had begun work on a revision of the zoning ordinance. At the regional level, the New Hampshire Office of State Planning has initiated a new effort to revive the Central New Hampshire Regional Planning Commission, so that Concord and the towns of this area can again have the advice and technical services of professional planners. As before, this would be funded in part by state and federal funds and partly by dues from member towns according to population.

2. **Planning for Business Areas.** Local planning has been encouraged by the formation of the Henniker Civic Association during the fall. The membership includes many owners of businesses and properties in the town center together with representatives of New England College. Their objective is to coordinate and develop plans for improvements in the business area, including parking, traffic circulation, sidewalks, lighting, landscaping. The needs for new housing and employment opportunities are being studied. Private and public funding may be available. The Planning Board welcomes this initiative and will help in all appropriate ways.

3. **Swimming and Recreation Area.** Design ideas of a year ago for construction of a brook-fed pond as the swimming facility in a future recreation area on federal land downstream from the town center were reviewed by professional engineers. The recommendations were negative for this kind of pond, although the site could accommodate a standard concrete swimming pool. The U.S. Army Corps of Engineers is willing to have the land used for public recreation and swimming, but need an overall design, engineering specifications, a plan for funding, and a proposed time sequence before giving formal approval.

4. **Manufactured Housing Ordinance.** A major revision of the town's two manufactured housing ordinances was approved by the voters at the March Town Meeting. This combines former regulations, and adopts the term "manufactured housing" in place of "mobile home" as required by recent state legislation.

5. **Gravel Regulation.** An inventory of tax lots on which old and current gravel operations are located was made last spring. A new effort was begun to publicize the excavation regulations adopted in 1980 as mandated by act of the N.H. legislature in 1979. By earlier Town Meeting decision, the Planning Board acts as regulator for these rules. All owners and operators of new gravel excavations must receive a permit, including approval of a restoration plan for the land affected, before beginning operations.

The following actions were taken under subdivision regulations:

1. John Costello, Foster Hill Rd., Lot 279 divided into four lots.
2. Arthur Hadley, Foster Hill Rd., Lot 306-X divided into two lots.
3. Nelson Maine, Western Ave., Lot 349 divided into two lots.
4. Steven Cunliffe, Patch Rd., Lot 663-A divided into two lots.
5. Archie Morse, Newton Rd., Lot 369-A divided into two lots.
6. Dana Daniels, Foster Hill Rd., Lot 303 divided into two lots.
7. Herve Aucoin, Gulf Rd., Lot 574-A divided into two lots.
8. James Nazer, Old Hillsborough Rd., Lot 556 divided into two lots.

Boundary line adjustments approved:

1. PSNH and D. Fleury, Tanglewood Drive, Lots 275-A13 and 275-A12.
2. Wilfred and Louise French, Warner Rd., Lots 74 and 74-E.
3. H. Aucoin and Leedon Associates, Weare Rd., Lots 522 and 522-B.
4. H. Aucoin and J.E. Langille, Flanders Rd., Lots 587-B and 587-C.
5. Nelson Maine and Burns Barford, Western Ave., Lots 349-A and 349-D.
6. Patenaude Lumber Co. and Contoocook Valley Paper Co., Old Hillsborough Rd., Lots 359 and 360-X.
7. Patenaude Lumber Co. and Contoocook Valley Paper Co., Old Hillsborough Rd., Lots 359 and 359-C.
8. Patenaude Lumber Co. and Edward Hatlack, Old Hillsborough Rd., Lots 359-B and 359-D.
9. Steve Cunliffe and Michael Sklader, Patch Rd., Lots 663-A and 663.

The following subdivision proposals were under review at the end of 1985:

1. Patenaude Lumber Co., Old Hillsborough Rd., Lots 359 and 359-B to be divided into 7 lots fronting on new road to be built.
2. Ivan and Nelson Maine, Western Ave., Lot 349-D to be divided into four lots.
3. Aram Terlemezian and others, Cressey St., Lot 488 to be divided into four lots.

Lois Brown, Secretary

REPORT OF THE LIBRARY TRUSTEES — 1985

Everyone who reads the excellent report by Librarian Peggy Ward will appreciate, as do the trustees, the many services provided to the town by the Tucker Free Library. They will also realize, as do the trustees, that it is people who make these things happen — in this case, the staff and their helpers.

The regular library staff consists of three people — Peggy, Laurie Buchar, and Dawn Hauptman. We are frequently told how pleasant and efficient they all are with the public, and we would like to point out other things about them that the public may not know. Books and magazines do not appear automatically in libraries, but are selected from countless possibilities — we think Peggy does a great job of seeing that Tucker Free provides materials very closely tuned to the interests and needs of Henniker people.

Parents of children have a pretty good idea of the beehive of activity in the Junior room, and the trustees would like people not in that group to visit the room, go to a film showing, and get acquainted with this particular phase of our activities. We think you'll be as pleased and appreciative as we are.

Dawn started her library career as a part-time helper, and has now learned the operation thoroughly. We hope that this may lead to a library career for her, which would be a sort of contribution from Henniker to the world at large.

When Louise French, who did such a good job of keeping the library premises in spic and span condition, had to resign, it was Dawn who stepped in and added that work to her schedule.

Norma Currier is the most prominent of our volunteers and an indispensable element when school classes come to the library on their regular visits. She has us so spoiled we don't know how we ever got along without her.

J. Philip Chase resigned this year after almost precisely 20 years as a trustee, many of them as chairman of the board. This is only one of many ways in which he has served the town, and he was a particular tower of strength to the other trustees. It was no secret that whenever anything particularly difficult came up, we always called on Phil.

Our new trustee is Chairman Tony Fowler, who has already begun to demonstrate the strengths he will bring to the position.

We would like to express our gratitude, as trustees, to everyone who makes possible what we believe is a really great library. We would like to remind you who read this that it is your library and that it is the job of the trustees to see that it is the kind of library you want and need. The more you talk to us and tell us how you feel, the better we will be able to follow your wishes.

Sincerely,
Trustees of the Tucker Free Library

TUCKER FREE LIBRARY ANNUAL REPORT 1985

The Tucker Free Library is proud to be an integral part of the community. Its functions range from the conventional checking out of books and dispensing information to entering a float in the Old Home Days Parade and hosting an annual Christmas open house. As the population of Henniker continues to grow, the library reflects this expansion in increased usage by the public. In 1984, we were delighted to achieve a long held goal of circulating just over 20,000 items, then during 1985 we exceeded our expectations by having a total circulation of 22,796. The increased volume reflects a new awareness in what a library can and will try to provide.

Throughout the year, thirteen different programs were presented. They included such diverse topics as a demonstration of stenciling to a talk on how to write, illustrate and publish a book. We also continue to show children's films on a regular basis. It is encouraging to see the large attendance, especially by our young patrons, that these events receive. The summer Story Hour had an enrollment of 75 pre-schoolers. To meet the needs of the slightly older children, a new "Mystery Club" story time was added. The reading program was also expanded to allow a wider age range to participate. The establishing of an "I can read" corner, featuring very elementary "beginner" books in the children's room, proved to be very popular. Most of the classes, kindergarten through sixth grade, from Henniker school visit the library on a scheduled weekly basis.

The Friends of the Tucker Free Library maintained their supportive role during the year. They held various fund raisers, including the annual book, bake and plant sale, a raffle and selling food on Old Home Day. They used some of these proceeds to purchase new shades for the stack room, fund the children's summer entertainment and pay the guest speakers' fees.

Again this year the library benefitted greatly from its long existent trust funds including the town trust funds, Willis Cogswell Trust, Francis L. Childs Trust and James W. Doon Memorial. Two recently established memorials, the Sanborn Connor Brown Memorial Fund and the Scott J. Berry Trust, have proven to be invaluable to the library. They have made possible the purchase of many quality books of lasting significance. The revenue from the Sanborn C. Brown Fund has now been expended in its entirety and the beneficial effects from this money, especially in the reference section, will be apparent in the library for many years to come.

The Tucker Free Library would like to publicly acknowledge with gratitude the gifts, help and support we receive constantly.

Respectfully submitted,

Peggy Ward
Librarian.

1985 SUMMARY OF SERVICES
 PROVIDED TO HENNIKER RESIDENTS
 BY THE KEARSARGE VALLEY AREA CENTER
 BELKNAP-MERRIMACK COMMUNITY ACTION PROGRAM

Services	Units Of Service	Households/Persons	# Of	Value
CONGREGATE MEALS - All senior citizens are welcome to our congregate meal site for nutritious hot meals, social/recreational activities and field trips. Value \$3.81 per meal.	195 meals		10 persons	\$ 742.95
MEALS ON WHEELS - Provides the delivery of nutritionally balanced hot meals to elderly home-bound residents five days a week. Value \$4.29 per meal.	2,288 meals		12 persons	9,815.52
OLDER WORKER TRAINING PROGRAM - Provides income eligible individuals 55 and older with vocational counseling, training and job placement services. Value - \$217.15 average cost per participant.	2 meals		2 persons	434.30
SENIOR COMPANION PROGRAM - Income eligible seniors (60 +) serve as companions to frail home-bound or institutionalized elderly or disabled people. Value to companions include mileage, weekly stipend (\$3.29 per unit). Value of visitees is compared to similar private services (\$4.00 per unit/hour).	580 volunteer hours		1 person	1,908.20
RURAL TRANSPORTATION PROGRAM - Provides regularly scheduled bus trips to and from towns and cities in Belknap and Merrimack Counties for shopping, medical appointments and to the congregate meal sites. Value - \$3.14 per ride.	183 visitee hours		5 persons	732.00
	593 rides		15 persons	1,862.02

FUEL ASSISTANCE PROGRAM - Provides an average of \$456.55 in fuel assistance to income eligible households in need, with special emphasis on serving the elderly.	52 applications	52 households	23,740.60
WEATHERIZATION - Improves the energy efficiency of income eligible households through the use of insulation, storm windows, caulking, weatherstripping, trailer skirting, attic ventilation, roof repairs/replace-ments, and cleaning, repairing and/or replacing furnaces. \$836.08 average support costs.	2 homes	2 households 2 persons	49.80 (materials) 1,672.16 (support costs)
PERSONAL EMERGENCY RESPONSE SYSTEM - (formerly Lifeline) - Provides automated emergency re-sponse equipment to income eligible elderly who are physically and/or socially isolated, frail or handicapped, and are at high risk of having a medical emergency. Value based on cost for similar private services - \$20.00 per month.	2 units for 14 months	2 persons	280.00
WOMEN, INFANTS AND CHILDREN - Provides nu-trition counseling, screening clinics and vouchers for high nutrition food to income eligible infants and children under five years old, pregnant women, nurs-ing and post-partum mothers at nutritional risk. Value includes monetary value of vouchers and clinic services - \$29.00 per unit.	193 voucher packets	18 households 26 persons	5,597.00
EMERGENCY FOOD PANTRIES - Provides up to three days of food for people facing temporary food crisis. Value - \$1.65 per meal.	21 meals	3 households 7 persons	34.65

SURPLUS FOODS - Provides surplus foods to income eligible households.

Value of Cheese - \$7.35/5 lb. block
 Value of Butter - \$1.55/1 lb. block
 Value of Rice - \$.41/2 lb. bag
 Value of Flour - \$.70/5 lb. bag
 Rounds I, II, III and IV

497 blocks of cheese	113 households	3,652.95 (cheese)
655 blocks of butter	196 persons	1,015.25 (butter)
53 bags rice	2 households	21.73
50 bags flour	10 persons	35.00
		50.00

CLOTHING ASSISTANCE - Provides locally donated clothing to families in need. Value - \$25.00 per family.

INFORMATION AND REFERRAL - Provides utility, landlord/tenant, legal and health counseling, as well as referrals for housing, transportation, and other concerns to anyone in need. Value is difficult to assign.

2 families	20 units	Not Tracked

WHITE BIRCH COMMUNITY CENTER

White Birch Community Center has continued its active Senior and Youth programming during this past year.

During 1985/1986 White Birch sponsored trips for Seniors to:

- The Boston Flower Show
- New York City
- Montreal and Quebec City
- Booth Bay Harbor, Maine
- Lake Sunapee Cruise
- Isle of Shoals and Portsmouth
- San Francisco and Hawaii (March, 1986)

Currently White Birch has 155 seniors from Henniker on its mailing list.

Youth activities have included:

- Swimming lessons for town youth
- Summer Camp for five weeks
- Canobie Lake Trip
- Water Country Trip

Youth activities in the planning stage:

- Shopping trip to Mall of New Hampshire (January)
- Babysitting Certificate Course (February vacation)
- February Vacation Daily Activities
- April Vacation Daily Activities

In addition to the above activities, White Birch Community Center offers Nursery School, Day Care, Toddler Day Care, and Before and After school programs.

White Birch is working with Contoocook Valley Counseling Center to begin to provide weekly programming for Seniors at Rush Square. This program should begin this Spring.

We hope you will continue to support this worthwhile community service. We welcome your suggestions and comments.

REPORT OF THE TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Between July 1984 and June 1985, we experienced more forest fires throughout our state than in any year in the last 50. Two of the leading causes of the 1,605 fires were children and fires kindled without written permission of a Forest Fire Warden. Both causes are preventable, but only with **your help**.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of state timber harvest regulations is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest law may be violated, call your Forest Fire Warden.

If you own forest land, you will become responsible for the timber tax payment starting April 1, 1986. This is a change in the Timber Tax Law that will impact all forest landowners. Contact your Board of Selectmen for timber tax forms.

FOREST FIRE STATISTICS — 1985

Number of Fires Statewide	1,605
Acres Burned Statewide	1,580
Cost of Suppression	\$246,017

Number of Fires	0
Acres Burned	0

HENNIKER OLD HOME DAYS

This report must begin with a special thanks to Kim Berry and New England College. Without this cooperation, we could not have accomplished what we did in 1985. The committee tried to offer a different look this year and add some new features. White Birch put on a very nice fair for the children and we wish to thank them also, especially Mary Beth Lalley for her coordination with the committee in arranging the project. I think it's safe to say that the Dunking Booth was a major success and the highlight of the day. As usual, we had a magnificent parade to kick things off, for which you, the entire town, are to be congratulated both for participating and attending.

Next year new things will be added and enlarged upon to offer even more of a reason for you to come out and support the various civic groups and people that work so hard for free. Old Home Days is for you, the people, and I hope that a tradition has been started that will continue for every year with this summer celebration for Henniker.

Thank you.

The Old Home Day Committee

HENNIKER GIRL SCOUTS

There are 67 registered Girl Scouts in Henniker this year. Due to the large number of girls in the elementary school, we felt it was important to make Girl Scouting available to as many girls as possible. Therefore a new Brownie troop was formed to include Readiness, First and Second grade girls. The leaders for this new troop of 25 girls are Rosemary Blair, Margaret Glover and Cathy LaCasse. The girls made ornaments and decorated for the Elementary School Christmas Concert and the Congregational Church Parish House. A First-Aid badge is among the several badges they are working on.

The Third grade Brownie troop is led by Cheryl Morse and Carol Sullivan. There are 9 girls in this troop. They have bought and planted rhododendrons in front of the High School, and helped sort and deliver around 800 local Christmas cards.

Susan Ruggles and Lorraine Aucoin led the Junior Girl Scout troop of 23 girls. They also helped sort and deliver the Christmas cards. Earning a Halley's Comet patch is included in their activities this year.

There are two registered Cadette Girl Scouts, but the troop is inactive.

Many thanks to these dedicated leaders who give so much of their time to the girls of our community. Also thanks to Kleo Graffam, our town cookie manager, and the Henniker School System, and the Congregational Church for providing meeting places for the girls. A special thank you goes to parents and all of you who have supported Girl Scouting in Henniker by buying Girl Scout cookies. The program would not be possible without you.

Respectfully submitted,

*Linda Connor,
Community Chairman*

HENNIKER SCHOOL DISTRICT

SCHOOL WARRANT

To the inhabitants of the School District in the Town of Henniker qualified to vote in district affairs:

You are hereby notified to meet at the Cogswell School Auditorium on the 18th day of March, 1986, at 7:00 o'clock in the evening to act upon the following subjects:

1. To hear the reports of agents, auditors, committees and officers chosen or to take any action relating thereto.
2. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries of school district officials and agents, and for the payment of statutory obligations of the District; or take any other action in relation thereto.
3. To see if the District will vote to raise and appropriate the sum of \$36,100 (thirty-six thousand one hundred dollars) to repair and insulate the roof at Henniker High School, or to take any action in relation thereto.
4. To see if the District will vote to raise and appropriate the sum of \$3,944 (three thousand nine hundred forty-four dollars) for energy improvements to the West Annex, or to take any other action in relation thereto.
5. To see if the District will vote to raise and appropriate the sum of \$16,000 (sixteen thousand dollars) to install two (2) handicap lifts to make classrooms in the West Annex handicap accessible as required by the State of New Hampshire Architectural Barrier Free Design Code, or to take any other action in relation thereto.

6. To see if the District will vote to authorize the School Board to transfer to the John Stark Regional School District such surplus equipment as the School Board may determine to be surplusage for the Henniker School District and upon terms and conditions as determined by the School Board, or take any other action in relation thereto.

7. To see if the District will vote to accept gifts of labor, services, materials or other assets including cash given to the District for the purpose of assisting in the school building program and to apply the same to the reduction of the costs of the District in said school building program, or to take any other action in relation thereto.

8. To see what action the District will take to authorize the School Board to execute deeds and receive deeds in connection with the title to the land related to the school facilities.

9. To see if the District will vote to raise and appropriate the sum of \$2,000 (two thousand dollars) as a Contingency Fund, or to take any action in relation thereto.

10. To see if the District will vote to establish a special capital reserve fund pursuant to the provisions of RSA 35 for the purpose of meeting expenses of educating educationally handicapped children and to raise and appropriate the sum of \$5,000 (five thousand dollars) to be deposited in the capital reserve fund to meet the expenses of educating educationally handicapped children; or take any other action in relation thereto.

11. To see if the District will vote to authorize the School Board to apply for, accept and expend, without further action of the School District meeting, money from any source which becomes available during the fiscal year upon the following conditions:

- a. The money must be used for the legal purposes for which the School District can appropriate money.
- b. The School Board must hold a public hearing in connection with any proposed expenditure of funds.
- c. It shall not require the expenditure of additional School District funds. This action is taken pursuant to the authority of RSA 198:20-b, or to take any other action in relation thereto.

12. To choose agents and committees in relation to any subject in this warrant.

13. To transact any other business that may legally come before said meeting.

Given under our hands this 23rd day of January, 1986, at said Henniker.

HENNIKER SCHOOL BOARD REPORT

1985-86 has been one of the most exciting and productive school years for the town of Henniker. The elementary school has seen the completion of two more classrooms and the renovation of the Grange Hall into classrooms. Also the State Department of Education awarded our elementary school a 1-A rating. Only twelve percent of the state's elementary schools received this, which is the highest award the state grants.

The two track curriculum is in full operation at the high school and, according to the latest statistics from the State of New Hampshire, Henniker is a leader for students going on to postsecondary education and has one of the lowest dropout rates in the state. Credit has to be given to the outstanding young people found in our community, the many caring and involved parents

in our community, the large number of volunteers that assist education in our schools in numerous ways, the very professional teaching staff found throughout our school system, and the high quality educational and professional leadership from our principals' and superintendent's office.

However, the dramatic and rewarding event of the year has been the overwhelming approval of the John Stark Regional School District. This will finally allow Henniker to address its space needs in a manner that will improve the educational environment and set our educational course for years to come. Henniker has come a long way over the years. With the formation of the John Stark Regional School District, we now have the opportunity to develop one of the finest educational systems in New Hampshire.

Although this has been a good year, and the residents of Henniker have much to be proud of, the best is yet to come.

*Ronald J. Rosenbleeth,
Chairman of the School Board*

HENNIKER SCHOOL DISTRICT ANNUAL MEETING

March 16, 1985

Article I VOTED to table this article until after consideration of Articles 2 and 3.

Article 2 VOTED to create a cooperative school district planning committee consisting of three qualified voters, at least one of whom shall be a member of the school board (RSA: 18) and that the other two members shall be appointed by the moderator from the existing study committee.

Vote count: YES 208 NO 33

Article 3 VOTED to raise and appropriate the sum of \$5,000 (five thousand dollars) for the support of the cooperative school district planning committee's expenses to include but not to be limited to preparation and publication of a report to the district.

Article 1. A motion was made and seconded to raise and appropriate the sum of \$455,000 (four hundred fifty-five thousand dollars), said sum to be raised by the issuance of bonds or serial notes in accordance with the provisions of RSA 33, the Municipal Finance Act, said sum to be used for the design, construction, and original equipping of an addition to the Henniker Elementary School building and renovations to the existing school building, all in accordance with the plans and designs as approved by the Henniker School Board and on file at the School District office in Henniker, and further to appropriate to the purposes set forth in the bond issue any interest or income earned on the proceeds from the sale of the bonds.

Ballot vote. Polls were open from 4:05 to 5:35 p.m.

Ballot count: YES 205 NO 123

Article 1 failed to receive the 2/3 vote needed.

Article 4 VOTED to raise and appropriate the sum of \$4,060 (four thousand sixty dollars) for the removal of asbestos from Henniker High School and reinsulate areas where asbestos was removed.

Article 5 VOTED to raise and appropriate the sum of \$2,190 (two thousand one hundred ninety dollars) for the expansion of the fire escape at Henniker Elementary School.

Article 6 VOTED to raise and appropriate the sum of \$2,184 (two thousand one hundred eighty-four dollars) for the installation of a new roof and ice belt on the Henniker Grange Building.

Article 7 VOTED to raise and appropriate the sum of \$2,312 (two thousand three hundred twelve dollars) to install lighted exit signs and emergency lights in the Henniker schools as per state Fire Marshal(s) and insurance carrier's request.

Article 8 VOTED to raise and appropriate the sum of \$2,525 (two thousand five hundred twenty-five dollars) to update the electrical system at the Henniker Elementary School.

Article 9 VOTED to table this article.

Article 10 VOTED to raise and appropriate the sum of \$10,000 (ten thousand dollars) to complete the replacement of the boiler at Henniker High School.

Article 11 VOTED to raise and appropriate the sum of \$10,000 (ten thousand dollars) to repair and insulate the roof at Henniker High School.

Article 12 VOTED to raise and appropriate the sum of \$2,000 (two thousand dollars) to build a covered fire escape at the Henniker Grange building.

Article 13 VOTED to raise and appropriate the sum of \$15,000 (fifteen thousand dollars) to install additional heating controls in Henniker Elementary School.

Article 14 VOTED to accept gifts of labor, services, materials or other assets including cash given to the District for the purpose of assisting in the school building program and to apply the same to the reduction of the costs of the District in said school building program.

Article 15 VOTED to authorize the School Board to accept deeds in connection with the title to the land related to the school facilities.

Article 16 VOTED to accept the reports of agents, auditors, committees and officers; that the School District minutes of the annual meeting printed in a handout sheet be accepted in place of those printed in the Town Report due to an error in printing.

Article 17 VOTED to raise and appropriate the sum of \$1,656,925 (one million, six hundred fifty-six thousand, nine hundred twenty-five dollars) plus \$150,000 (one hundred fifty thousand dollars) for a total of \$1,806,925 (one million eight hundred six thousand, nine hundred twenty-five dollars) for the support of schools, for the payment of salaries of school district officials and agents, and for the payment of statutory obligations of the District.

Article 18 VOTED to raise and appropriate the sum of \$2,000 (two thousand dollars) as a Contingency Fund.

Article 19 FAILED

Article 20 VOTED to raise and appropriate the sum of \$4,681 (four thousand six hundred eighty-one dollars) for the purpose of funding a deficit in the 1984-85 school year resulting from expenses of students attending the Concord Vocational Education Program that have not been reimbursed by the State of New Hampshire.

Article 21 VOTED to authorize the School Board to apply for, accept and expend, without further action of the School District meeting, money from any source which becomes available during the fiscal year upon the following conditions:

- a. The money must be used for the legal purposes for which the School District can appropriate money.
- b. The School Board must hold a public hearing in connection with any proposed expenditure of funds.
- c. It shall not require the expenditure of additional School District funds. This action is taken pursuant to the authority of RSA 198:20-b.

Article 22 VOTED that the District choose agents and committees in relation to any subject in this warrant.

Article 23 VOTED to take a consensus vote of our opinion on a bill before the State House of Representatives to raise exemptions to colleges. Vote taken was on the negative.

A motion was made by Blithe Damour to reconsider Article 1. Vote in the affirmative.

Meeting is adjourned to Tuesday, March 26, 1985 at 7 p.m. at Henniker High School gym for reconsideration of Article 1. Polls will be open for one hour after voting begins.

A true attest

Lorraine C. Aucoin
School District Clerk

March 26, 1985
7:00 P.M.

Meeting opened for reconsideration of Article 1. Motion was read by the moderator.

Polls were open from 7:08 p.m. to 8:08 p.m.

Ballot vote: YES 237 NO 225

Motion fails to get the needed 2/3 vote.

Meeting adjourned at 8:18 p.m.

A true attest,

Lorraine C. Aucoin
School District Clerk

PRINCIPAL'S REPORT

As a new principal, I arrive at a time of many changes in the Henniker Schools.

We are growing. Elementary classes are expanding at a rapid rate. We anticipate the need for four kindergarten sessions next year. We also hope to expand the number of elementary classes to meet this growth.

We are changing the way we will educate our high school students. The community support for a cooperative high school will allow the students in grades nine through twelve to experience a greater variety of course offerings and classes that are better suited to their needs.

We are planning for the future. Plans are currently being reviewed for better ways to educate our students in grades kindergarten through eight, once the John Stark Regional High School is complete. Plans are also underway for changes in program to prepare our current junior high students, freshman and sophomores for their entry into the new high school.

We are enthusiastic. The morale among staff and students is continually improving. People around the schools have a positive outlook toward our schools. The result is a more favorable climate for learning, for all of our students.

We are diversifying. Students enrolled at Concord Vocational classes for a part of their daily program are at the highest number since the program began. They are learning many vocational skills.

We are working toward improvements to the existing facilities, to make the most of the resources we have at hand.

The support of our schools is evident by the number of people attending concerts, open houses, athletic contests, and school oriented activities.

We are deepening relationships with old friends. The staff and students of New England College, along with their new president, are working to expand the cooperative efforts between our schools and the college. Henniker Educator's Appreciation Day, sponsored by the School-Community Partnership, as well as Career Day, were huge successes. The spirit of positive measures that can improve the education of our children is contagious.

We need to continue our efforts. The cooperative high school is a major step, but not the only one. We will still need an involved community to provide the best education for our children. We will need the financial support to meet the challenges of increased enrollments. We are confident that our schools will continue to improve.

Respectfully submitted,

James T. Cournoyer
Principal

SCHOOL NURSE'S ANNUAL REPORT 1985-86

The School Nurse administers preventive and supportive health care to any situation that may create walls to a child's optimum level of learning. She is an important member of the school's professional staff and contributes her special knowledge to any problem or potential problem that might arise.

During my second year as school nurse, I would like to thank the various community organizations and volunteers that help to promote high quality health care in our school health program. The Henniker Lions Club's Eye Assistance program has generously supported several students in need of eye examinations and eye glasses. The New Hampshire Public Health Services Screening Program again conducted the preschool and kindergarten hearing and vision screening in October. With the help of several New England College students, 64 children were tested at the Congregational Church.

I am continuing to conduct various screenings to determine the health status of each child. An ongoing record is continually updated with the results of these screenings. The teaching staff has been helpful in referring any health problem areas that are noted during the classroom situations. These children are then screened as soon as possible and referrals are made to the parents if necessary. Annual vision, hearing, height and weight screenings are being conducted through the school year. With the assistance of Mr. Hamel, students will be screened for scoliosis. The New Hampshire state law requires scoliosis checks on all children of the 5th through 8th grades. Parents will be notified if a referral is necessary.

Since the first day of school, I have been making regularly scheduled checks for head lice. There have been relatively few cases found this year. Free "Patient Care Packs" from RID are available through my office to aid parents in the treatment of head lice.

The Cumulative Health Immunization Records of each student are annually checked and updated to remain in compliance with New Hampshire state policies. Approximately 95% of our students are fully immunized. Parents of those students in need of a booster shot will be notified.

This year we will continue to fight tooth decay through educational and training programs with the assistance of community volunteers. The students will learn proper brushing and flossing techniques to help fight dental caries.

I enjoy working with all of the students at Henniker Schools. I try to maintain an open door policy for students, parents, and teachers. Please feel free to contact me with any comments or questions that will help me to provide professional and complete health care.

Respectfully submitted,

Bonnie LoBianco, R.N.
School Nurse

HENNIKER-WEARE COOPERATIVE SCHOOL PLANNING BOARD REPORT

The Henniker-Weare Co-op Planning Board worked very diligently during the spring and summer months of 1985. The final report for a Cooperative High School District between the towns of Henniker and Weare was published in late August and sent out in early September. The red, white and blue John Stark Regional School District booklet included findings on Enrollment Projections, Curriculum Proposals, Building and Site, Transportation, Finance and the Articles of Agreement. Hearings on these Articles of Agreement were held in mid-September. Henniker Voted on October 1, 1985, to approve the Articles, and Weare voted on October 3, 1985, to approve the Articles.

The School Planning Board continued to study and research the proposed new facility, site and organization of the new high school district, until the November 23rd Organizational Meeting.

The Cooperative School Planning Board wishes to thank the many citizens who made the study possible. Our greatest appreciation and praise go out to the voters of Henniker and Weare, now the John Stark Regional School District voters, for tremendous support given throughout the entire project.

REPORT OF THE JOHN STARK REGIONAL SCHOOL BOARD

The John Stark Regional School Board was elected on November 23, 1985 during the Organizational Meeting.

During this meeting the district voted to raise and appropriate \$38,110 for the purpose of paying operational expenses of the district until June 30th, 1986. The sum of \$25,000 was also raised and appropriated for the purpose of professional engineering, legal and any other related costs for the construction of the school facility.

One of the first endorsements by the Board was to fully accept the curriculum proposal which was presented by the Cooperative Planning Board in its August 1985 Final Report. It appears at this time to best meet the educational needs of the students of John Stark Regional High School.

The John Stark School Board finalized the research for the proposed two-story high school facility, to be located on approximately 100 acres on the east side of Route 114, between the towns of Henniker and Weare.

A Bond vote for the proposed new John Stark High School took place on December 18, 1985 at New England College. The article passed with more than the required two-thirds vote. (Ballots: Yes - 757, No - 316).

Prior to the end of December 1985, the John Stark School Board proceeded with negotiations for the purchase of land from Crotched Mountain Foundation.

Site test borings and surveys were finished in mid-January, providing necessary information for engineering plans to be finalized and a ground-breaking date to be set for May 1986.

As members of the first John Stark Regional School Board, we wish to thank you for your enthusiasm and support during the initial development phase of this new high school district for our communities.

The Board has a sizable undertaking ahead to establish the school district organization, finalize construction of a new facility, formalize a comprehensive curriculum, and most important, bring together the first student body of the John Stark Regional High School in September 1987.

In these beginning years of our newly-formed school district, the continued support, enthusiasm, and participation of the citizens of the John Stark Regional School District will be of great value and needed to insure the success of our new cooperative venture.

We look forward to serving you in the year ahead.

Respectfully,

JOHN STARK REGIONAL SCHOOL BOARD MEMBERS

*Rosemary Blair, Henniker

Elizabeth (Lisa) Hustis, Henniker*

SUPERINTENDENT OF SCHOOLS
ANNUAL MESSAGE
To The Citizens of the Henniker School District

The past year has been an exciting one for education in Henniker. The most significant event was the realization of a new cooperative school district with Weare. We are extremely optimistic that the John Stark Cooperative High School will offer an educational program that will prepare our students both personally and academically to be successful contributing members of society. We expect this to happen within the educational atmosphere that this new high school will provide. The citizens of Henniker and Weare are to be commended for supporting this decision. The members of the Henniker/Weare Cooperative School Planning Board are to be thanked for their efforts and perseverance in advocating for this school. Without their hard work and diligence the new school would not have become a reality.

During this time Henniker has not neglected its elementary students. Our first grades are now located in two excellent new classrooms constructed this fall and our kindergartens are occupying space in the renovated West Annex. We encourage Henniker citizens to observe these classes in action.

Not only did Henniker acquire new classrooms this year, but it also acquired a new principal. James Cournoyer came to Henniker this summer having previously served as assistant principal in Hopkinton, New Hampshire. We feel that Jim and assistant principal, Judy Blood, offer fine administrative leadership to the district.

In conclusion, I would like to thank the taxpayers of Henniker for their continued support of our schools. I would also like to thank the hardworking Henniker faculty members who continue to provide a positive educational climate which leads our students through their school program.

Respectfully Submitted,
(Dr.) Cynthia E. Mowles
Superintendent of Schools

SCHOOL AUDITORS' REPORT

We have examined the financial statements of the various funds and account groups of the Henniker, New Hampshire School District, for the year ended June 30, 1985, and have issued our report dated October 3, 1985. As part of our examination, we made a study and evaluation of the District's system of internal accounting control to the extent we considered necessary to evaluate the system as required by generally accepted auditing standards. Under these standards, the purpose of such an evaluation is to establish a basis for reliance on the system of internal accounting control in determining the nature, timing, and extent of auditing procedures that are necessary for expressing an opinion on the financial statements.

The objective of internal accounting control is to provide reasonable, but not absolute, assurance as to the safeguarding of assets against loss from unauthorized use or disposition and the reliability of financial records for preparing financial statements and maintaining accountability for assets. The concept of reasonable assurance recognizes that the cost of a system of internal accounting control should not exceed derived benefits and that evaluation of these factors necessarily requires estimates and judgments.

There are inherent limitations that should be recognized in considering the potential effectiveness of any system of internal accounting control. In the performance of most control procedures, errors can result from misunderstanding of instructions, mistakes of judgment, carelessness or other personal factors. Control procedures, whose effectiveness depends upon segregation of duties, can be circumvented by collusion. Similarly, control procedures can be circumvented intentionally with respect to the estimates and judgments required in the preparation of the financial statements. Further, projection of any evaluation of internal accounting control to future periods is subject to the risk that the procedures may become inadequate because of changes in conditions and that the degree of compliance with the procedures may deteriorate.

Our study of the system of internal accounting control for the year ending June 30, 1985 would not necessarily disclose all weaknesses in the system because it was based on selective tests of accounting records and related data. The study and evaluation disclosed the following weaknesses which we consider to be material.

FOOD SERVICE FUND

During the course of our fieldwork we observed that Food Service cash receipts from sales for the month of September, 1985 were delivered to the SAU #24 office in a box. The cash had not been counted nor was it classified as to source or period or receipt. Our study of the Food Service Fund accounting process for the 1984-85 school year indicated a lack of formal procedures which probably led to this condition.

We recognize that the District does not have a large Food Service operation and that the costs of any system can not outweigh associated benefits. However, we believe that a system of internal accounting control is essential. We strongly urge the Henniker School Board to adopt policies which will insure that sound business practices are applied to Food Service operations.

STUDENT ACTIVITIES FUNDS

Our examination of the Elementary Student Activities Funds revealed the following...

- * The bank balances had not been reconciled to the books at any time during the school year.
- * Only running balances are maintained for each fund operated.
- * No documentation to support transactions is maintained.
- * Bank statements for each month are not consistently kept.

We recommend that the Elementary School establish a detailed ledger system which would describe transactions, maintain documentation to support transactions and reconcile bank balances to book balances on a monthly basis. We also recommend that custodians of the fund report to the School Board or its designated representative on at least a quarterly basis.

We also observed that disbursements in the High School Activities Fund were not always supported by documentation and were not consistently approved by a responsible person such as a student leader or faculty advisor.

FIXED ASSET ACCOUNTING

As with many New Hampshire governmental units, the Henniker School District has not maintained a record of its investment in fixed assets. These records are invaluable for capital budgeting as well as a means to control the assets.

We recommend that the District adopt a capitalization policy and establish fixed asset accounting records for all new acquisitions. An inventory of existing fixed assets should be made and accounting records established as resources permit. A program for periodically verifying the existence of assets in the accounting records or on the inventory should be initiated. Formal procedures to delete items from the records should be adopted.

CONCLUSION

A letter of this type concentrates on problem areas by its nature. We also found many examples of sound business management practices in our review of the District's systems. We wish to express our thanks to the officials and employees of the District for their assistance during the course of our audit.

Very truly yours,

Carey, Vachon & Clukay
Certified Public Accountants
