# Town Warrant

## THE STATE OF NEW HAMPSHIRE

*To the Inhabitants of the Town of Hudson in the County of Hillsborough in said State, qualified to vote in Town Affairs:*

You are hereby notified to meet at the Town Hall in said Hudson on Tuesday, the ninth day of March, next, at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see what sum of money the Town will vote to raise and appropriate for the maintenance and improvement of town roads.

4. To see what sum of money the Town will vote to raise and appropriate for the permanent construction of sidewalks.

5. To see what sum of money the Town will vote to raise and appropriate for the maintenance of the Police Department.

6. To see what sum of money the Town will vote to raise and appropriate for the maintenance of the Fire Department.

7. To see what sum of money the Town will vote to raise and appropriate for the observance of Memorial Day.

8. To see if the Town will authorize the Selectmen to administer or dispose of any Real Estate acquired by the Town through Tax Collector's Deeds.

9. To see if the Town will authorize the Selectmen to pledge the credit of the Town in anticipation of taxes.

10. To see if the Town will vote to accept numerous bequests as Trust Funds, the income to be used for the Perpetual care of the various Cemetery lots.

11. To see if the Town will vote to accept a payment of Fifty Dollars (\$50.00) already made by Post 48 American Legion in full discharge of a mortgage in amount of \$350.00 now held by said Town for land and buildings now occupied by said Legion Post and formerly a part of the Melendy property upon petition of J. Eugene Gauthier and others.

12. To see what action the Town will take relative to the disposal of the Melendy Mill property now held by said Town by virtue of a Tax Collector's deed.

13. To see if the Town will vote to donate to the City of Nashua, the sum of Two Hundred Dollars (\$200.00) per year in appreciation for ambulance service.

14. To see if the Town will vote to raise and appropriate the sum of \$100.00 for the purpose of improving by gravel Clark and Cross Streets in the section of Riverside Pines so called upon petition of Mrs. Marjorie Gagnon and others.

15. To see if the Town will vote to raise and appropriate the sum of \$300.00 for the permanent improvement of E. Street in the section of Brookside so called upon petition of Harland Muzzey and others.

16. To see if the Town will vote to construct a road from a point on the Lowell Road near the Clover Farm Store so called to a point on Central Street near the residence of Isaac King thus eliminating a dangerous intersection of Central Street and the Lowell Road near the Rochester Bridge so called and raise and appropriate money for the same upon petition of Fred G. Steele and others.

17. To see if the Town will vote to discontinue the Burse Road, so called at a point near the residence of J. Econonopoulos to the Massachusetts State Line in the Town of Tyngsboro, and further vote to close said road entirely to winter travel. (Note: This road is situated in the Southerly part of the Town opposite the Road that leads to the residence formerly owned by the late James Sanders off the Lowell Road.)

18. To see if the Town will vote to discontinue a portion of the Chase Hill Road not now in use due to new construction to eliminate a bad hill and curve.

19. To see if the Town will vote to accept State Aid Construction for the continuance of the Kimball Hill Road, so called and raise and appropriate for that purpose the sum of \$2,283.75.

20. To see if the Town will vote to raise and appropriate the sum of \$1,416.83 representing the amount spent due to the flood of March 1936.

21. To see if the Town will authorize the Selectmen to accept certain W. P. A. projects and raise and appropriate money for the same.

22. To see if the Town of Hudson will vote to raise and appropriate a sum of money necessary to grade and improve Buswell Street in said Town, upon petition of Fred R. Connell and others.

23. To see what sum of money the Town will vote to raise and appropriate for the permanent improvement of Riverside Ave. at Riverside Pines, so called, upon petition of Christis Rodis and others.

24. To see if the Town will vote to raise and appropriate a sum not to exceed \$1,150.00 being a part of the Town's share to widen and repair the bridge over Beaver Brook on the Windham Road, so called.

25. To see if the Town will vote to erect a monument or tablet at the site of the First Meeting House in the section of Musquash, so called and raise and appropriate money for the same.

26. To see if the Town will vote to increase the salary of the Auditors from \$10.00 to \$25.00 per year.

27. To see if the Town will vote to instruct the Selectmen to appoint a local meat inspector, said inspector to be self-supporting from fees received for his services, upon petition of Robert Andrew and others.

28. To see if the Town will vote to purchase the land now owned by Miss Ina Davis being a continuation of the land now owned by the Town and known as the School playground or baseball field and raise and appropriate the sum of \$375.00 for that purpose, upon petition of C. A. Daniels and others.

29. Is it expedient to revise the constitution?

30. To see if the Town will vote to put in a sewer pipe from the manhole, at the corner, in front of the Webster School to the Merrimack River, of sufficient size to take care of the surface water and sewerage at this point, and raise and appropriate money for the same upon petition of Karl E. Merrill and others.

31. To transact such other business that may legally come before the meeting.

Given under our hands and seal, this 27th day of February, in the year of our Lord nineteen hundred and thirty-seven.

#### THE FLOOD OF 1936

When reading this report please bear in mind that these were trying times, that everything possible was done to relieve human suffering and to rehabilitate families in their homes as quickly as conditions warranted. Members of the Police Department donated 1-3 of their time which in many instances was continuous for nearly two weeks. Members of the Fire Department were actively engaged during the height of the flood in assisting to remove persons and valuable livestock to places of safety. They served without pay. Members of the medical profession, the nurses, the

American Legion, the Legion Auxiliary, the Community Church, the Hudson Grange, Red Cross and all others were so valiantly served that victims might not suffer are to be complimented for their good deeds.

These remarks are incorporated in the Town Report of 1936 for the benefit of future generations.

## THE STATE OF NEW HAMPSHIRE

*To the Inhabitants of the School district in the town of Hudson qualified to vote in district affairs:*

You are hereby notified to meet at the I. O. O. F. Association Hall in said district on the 13th day of March, 1937, at 2:30 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.
9. To see if the district will vote to raise any sum of money for the building, repairing, or furnishing school houses or to in any way keep in repair or improve the school property of the district.
10. To see what action the district will take in regard to establishing a high school in Hudson, and raise and appropriate money for the same.
11. To see if the School District will vote to hold their annual meetings in the future in conjunction with the Town Meeting or take some action relative to a suitable place to hold such meetings where the seating capacity will be more suitable and comfortable. (Request and petition of Arnold Andrews and others).

12. To transact any other business that may legally come before the meeting.

Given under our hands at said Hudson, this 24th day of February, 1937.

# Report of School Board

To the Citizens of Hudson:

We have the honor of submitting the Fifty-second Annual Report of the School Board.

This coming year we are again faced with an increase in the cost of high school tuition, it being \$107 for 1937-38. We also have a larger number who plan to attend high school next fall. Hudson ranks ninth from the lowest of all the towns and cities in the state in its per pupil cost for elementary schools, with a cost of \$54.07 per elementary pupil. This is \$22.86 less than the median of the state. If our enrollment continues to increase it will be either necessary to have added school rooms in Hudson, or send more children to Nashua Junior High.

The Robinson playground lot has been improved by W. P. A. funds, and we are in hopes that it will be completed this coming summer. Contributions have been made by the Parent Teacher Association, and others toward this work.

Several of the pupils who signified last year that they expected to attend high school did not start this fall, and we have applied the saving thus afforded in our High School Tuition toward a reduction of the 1937-38 appropriation.

We respectfully submit the budget of 1937-38.

KARL E. MERRILL,  
REUBEN S. GROVES,  
IDA GATZ,

*School Board.*

# REPORT OF SUPERINTENDENT OF SCHOOLS

Hudson, New Hampshire

February 1, 1937

To the School Board and Citizens of the Town of Hudson:

Following is my seventh annual report as Superintendent of Schools.

Enrollment January 4, 1937:

Grades	1	2	3	4	5	6	7	8	Total
Webster Building	39	37	38	40	38	41	78	60	371
Portable Building	11	12	7						30
I. O. O. F. Building				12	9	15			36
Center School	12	13	7	12	13	13			70
Totals	62	62	52	64	60	69	78	60	507

Attending Nashua High School we have 53 in Grade 9, 49 in Grade 10, 34 in Grade 11, and 26 in Grade 12, making a total of 162.

In June, 1936, Miss Lilla Deering, who had taught in the schools of Maine and New Hampshire for fifty-one years, resigned her position as teacher in the lower grades at the Center School. The community was shocked on June 24 to hear of the sudden death of Miss Deering soon after she arrived at her sister's home in Maine. Miss Deering left a host of friends, many of whom received their initial start in education under her guidance. Miss Deering was always professionally-minded and spent much of her vacation time in study and travel. Her loss is also felt in the welfare and social activities of the community in which she was always keenly interested and took an active part.

Virginia Stickney, a Plymouth Normal graduate with two years experience was secured to fill the vacancy in the Center School.

Stella Shaw, a graduate of Keene Normal School with two years experience was secured to fill the vacancy in the Portable caused by the resignation of Hazel Burnham. Jeannette Paquin, a graduate of Plymouth Normal School with four years experience was secured to fill the vacancy in the first grade caused by advancing Barbara Smith, with the first grade children to the second grade. Marjorie Carroll, a graduate of Wheelock and Boston University, where she specialized in remedial reading and special help procedures, was secured to fill the vacancy caused by the resignation of Alice Kiley.

For several years the Superintendent and School Board have studied and discussed the advantages and possibility of keeping the children in the first and second grades under the guidance of the same teacher for two years. Last June, Barbara Smith, who had started the children in the first grade last year, was assigned to the second grade to continue her instruction and guidance of the same children. In doing this when School opened in September it was not necessary for the young children in the second grade to spend several weeks in becoming acquainted with the new teacher, or was it necessary for the new teacher likewise to spend time in becoming acquainted with the varied abilities and characteristics of her forty individual children.

Thus the teacher and children were prepared to get right down to actual accomplishment the first day of school in the fall.

This policy will provide an enriched opportunity for each boy and girl and better prepare them for the work of the next grade.

Next year Miss Smith will return to the first grade and start a new group, and Miss Paquin will go along with her present group to the second grade.

## HIGH SCHOOL

We all know that Nashua is constructing a new Senior High School, and that this will be completed for occupancy in September, 1937. At that time Nashua is to adopt the 6-3-3 system (so-called) for education. This means that at the end of the sixth year, pupils will be promoted to Junior High School, which is to be conducted in the present High School plant, and at the end of the ninth grade they will be promoted to the Senior High School for the last three years of their secondary school work.

*What does this mean* for our boys and girls from Hudson? It means that at the end of the eighth grade, our boys and girls will be promoted to the Nashua Junior High School for one year. During this year they will have to make their new social and educational adjustments which come from a change of buildings, a change of administration, and a great change in the pupil personnel of the two schools. At the end of this year they will again be promoted to the Senior High School, which will mean a repetition of social and educational adjustments, which it seems will react to an increased loss in educational achievement over what would be lost if but one adjustment were necessary.

*What should Hudson do?* Hudson should provide educational facilities for the first nine grades, adopt the 6-3 plan, and then send our boys and girls to Nashua High School for the next three years, thus avoiding the break in their Junior High School work. The present building facilities of our school plant in Hudson will not permit of this increased instruction.

It would seem that increasing our building facilities to such an extent that we could take care of the ninth grade, offering them the same facilities which they will receive in the ninth grade in Nashua, would offer an increased educational opportunity to all of our boys and girls, and that the cost in the long run would not exceed the cost of tuition in Nashua.

Such a program would offer the following advantages:

1. It would keep a number of boys and girls in school for the ninth grade who are now leaving because of the break in going to Nashua. It is the additional advantage of these boys and girls, and to the future social and economic welfare of the community that they should attend the ninth grade.

2. It would help every boy and girl in the matter of transportation who now have to walk or be otherwise transferred to Nashua High School.

3. It would offer additional educational opportunity by doing away with the necessary break in transferring from the eighth grade in Hudson to the ninth grade in Nashua.

The physical facilities needed to put the ninth grade into operation in Hudson would require two more rooms than we have at the present time. If any construction were done, our school plant facilities should really be increased by four rooms, which would permit the closing of the Portable and the I. O. O. F. rooms,

Respectfully submitted,

FRED W. HALL,

*Superintendent.*

February 5, 1937

To the School Board and Citizens of Hudson:

I tender my report as school nurse from February 1, 1936 to February 1, 1937.

Number of Children examined	508	
Number of defective teeth	229	187 corrected
Number of defective tonsils	29	14 corrected
Number of defective vision	29	18 corrected
Number of defective anthropedic	6	6 under treat.
Number of defective hearts	6	6 under treat.
Number of defective goiters	1	1 under treat.

In spring the school attendance was broken somewhat with the measles, and we had a few cases of chicken pox in the fall.

During and after the flood a close watch was kept on those affected in order to avoid the spread of any disease. Innoculations were given to 70 people, including workers in the flood area.

The Thursday morning dental clinic is still being continued throughout the school year, and is well patronized. The Webster Teachers' Association helps needy children to secure dental correction.

In September an all day clinic was held in Hudson Center and Webster School. Dr. Robert Kerr and Mrs. Irene Birchell from the Tuberculosis Association were in attendance. Ninety-five children were examined. Out of this number seven were skin tested and recommended for X ray, which was later done through the kindness of the Tuberculosis Association.

Through the Parent Teacher Association and cooperation of other organizations in town, generous baskets were given to needy families at Thanksgiving.

Cod liver oil is given in grades one to six inclusive, this being donated by the American Legion and American Legion Auxiliary. This, I feel, does help in checking colds in the children.

The hot lunch served at the Webster School for the convenience of the children is well patronized and beneficial to them.

I wish to thank the teachers and parents for their fine co-operation given in helping to carry out the health program of the school.

Respectfully submitted,

HELEN J. HOUSE,  
*School Nurse.*
