Warrant 2009

To the inhabitants of the Town of Milan, in the county of Coos and the State of New Hampshire qualified to vote in town affairs:

You are hereby notified to meet at the Milan Village School Gym on Tuesday the 10th day of March, 2009 at 6:30 PM to act on the following subjects:

1. To choose all Town Officers for the ensuing year.

2. To see if the Town will vote to raise and appropriate \$254,865.00 for General Government. (Majority vote required)

Executive/Administrative	\$42,000.00
Election/Registry/VS	\$56,695.00
Financial Administration	\$14,000.00
Property Assessment/Reval	\$33,570.00
Legal Services	\$3,000.00
Employer Expenses	\$18,000.00
Planning and Zoning Boards	\$9,100.00
Government Buildings	\$52,000.00
Cemeteries	\$16,500.00
Insurance	\$7,000.00
Regional Associations	\$3,000.00
	\$254,865.00

3. To see if the Town will raise and appropriate \$99,800.00 for Public Safety. (Majority vote required)

Police Department	\$46,000.00
M&D Ambulance	\$3,600.00
Crossing Guard	\$ 5,000.00
Fire Department	\$27,700.00
Building Inspector	\$2,500.00
Emergency Management	\$15,000.00
	\$99,800.00

4. To see if the Town will vote to raise and appropriate \$191,333.00 for Highways, Streets and Bridges. (Majority vote required)

Town Maintenance	\$130,000.00
Highway Block Grant	\$36,333.00
Street Paving	\$20,000.00
Street Lighting	\$5,000.00
	\$191,333.00

5. To see if the Town will vote to raise and appropriate \$158,530.00 for Sanitation. (Majority vote required)

Solid Waste/Recycle Collection	\$95,244.00
District Disposal	\$63,286.00
	\$158,530.00

6. To see if the Town will vote to raise and appropriate \$15,000.00 to be added to the Capital

Reserve Funds previously established. (Selectmen recommend this Appropriation. Majority vote required)

M&D Ambulance	\$5,000.00
Fire Truck	\$5,000.00
Highway Equipment	\$5,000.00
	\$15,000.00

7. To see if the Town will accept the balance of the budget as prepared by the Selectmen to raise and appropriate \$41,125.00 for this purpose, which is exclusive of preceding articles. (Majority vote required)

Health Administration	\$700.00
General Assistance	\$6,000.00
Intergovernmental Programs	\$3,000.00
Parks and Recreation	\$ 9,000.00
Library Trustees	\$15,925.00
Patriotic Purposes	\$500.00
Timber Management	\$1,000.00
Conservation	\$1,000 00
Int. Tax Anticipation note	\$4,000.00
	\$41,125.00

8. To see if the Town of Milan will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of building construction and renovations and to raise and appropriate the sum of twenty five thousand dollars (\$25,000) to be placed in this fund. The Selectmen recommend this appropriation. (Majority vote required)

9. To see if the Town of Milan will vote to raise and appropriate the sum of thirty thousand dollars (\$30,000) to be used for repair and/or replacement of the tanker and pump trucks stationed at the West Milan Fire Station. The Selectmen recommend this appropriation. (Majority vote required)

10. To conduct any other business which may legally come before this meeting. The polls will be open from 1:00PM to 7:30PM.

Given under our hands and seal this 9th day of February in the year of our Lord, Two Thousand Nine.

The Milan Board of Selectmen Erik Gagne Randy Fortin George Pozzuto

ACCOUNTANTS' COMPILATION REPORT

To the Board of Selectmen, Milan, New Hampshire:

We have compiled the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of Town of Milan, New Hampshire, as of and for the year ended December 31, 2007, which collectively compose the Town's basic financial statements as listed in the table of contents, in accordance with *Statements on Standards for Accounting and Review Services* issued by the American Institute of Certified Public Accountants.

A compilation is limited to presenting in the form of financial statements information that is the representation of management. We have not audited or reviewed the accompanying financial statements and, accordingly, do not express an opinion or any other form of assurance on them.

Management's discussion and analysis, on pages two through six, and the combining non-major fund financial statements presented in Schedules 1 and 2, are not a required part of the basic financial statements but are supplementary information required by the Governmental Accounting Standards Board. Supplementary information contained in Schedules 3 and 4 is presented for purposes of additional analysis and is not a required part of the basic financial statements. We have compiled the supplementary information that is the representation of management, without audit or review. Accordingly, we do not express an opinion or any other form of assurance on the supplementary information.

We are not independent with respect to Town of Milan.

Crane & Bell, PLIC

DEPARTMENT

REPORTS

2008 Selectboard Report

Another year has passed and the selectboard would like to begin by thanking the residents of Milan for the opportunity to serve and for the patience we have received. We would also like to thank those both in the town office and those with past town government experience for allowing the board to use them as a reference for information and for pointing us in the right direction in regards to any queries we may have had throughout the past year.

This past year we witnessed great volatility in major markets and local employment opportunities. This did have some effect in the timely collection of taxes and our payments dispersed to the school. Additionally, the payment to the county was tight in getting out on time as it is a onetime yearly payment. All payments were made without having to borrow and the board will continue to send out taxes at the earliest possible date to help alleviate cash flow issues.

The Municipal Building completed a maintenance cycle on its fire alarm system as well as extensive boiler repairs. The heating system continues to cause problems and operates both inefficiently and is prone to break downs. This situation has been addressed in a warrant you will be voting on this year in the form of a building capital reserve fund.

In regards to the West Milan Town Hall, the board decided in an effort to cut heating costs it would be prudent to close the hall during winter months. The building was shut down and plumbing drained. Should the building be needed in the event of a disaster there would be minimal time required to get the building back in operation and heated. This decision to close the hall for the winter will have no effect on its non-winter uses or functions.

Finally, the board has been made aware of the possibility of junk cars and other materials being brought into the town. Discussions have begun and meetings held on how to properly investigate and handle the situation. At this time it is prudent to hold all investigations and inquires until spring at which point a course of action has been laid out and will be followed.

We remind all residents that Milan does have a Zoning Ordinance and a requirement for building permits. The Select Board intends to enforce these requirements, and encourages residents to learn of their responsibilities. There are no fees for building permits in the Town of Milan.

Again thank you to all those who aided us throughout this year and to the towns people for allowing us to serve.

Respectfully submitted,

ANDROSCOGGIN VALLEY REGIONAL REFUSE DISPOSAL DISTRICT

2008 ANNUAL REPORT OF DISTRICT ACTIVITIES

The AVRRDD 2008 Budget apportionment for our member municipalities totaled \$467,000. A surplus of \$354,510.56 from the 2007 budget was used to reduce apportionments with a net budget of \$112,489.44 being billed to the member municipalities. The proportionate share of the credit for the Town of Milan was \$18,600.19 reducing your gross apportionment of \$22,133.59 to \$3,533.40. Preliminary reconciliation of the 2008 budget shows a surplus of approximately \$271,152.28 being available to credit toward 2009 apportionments.

Our Materials Recycling Facility marketed a total of 1,674.40 tons of recyclables, for the period January 1, 2008 through December 31, 2008, representing \$142,132.63 of marketing income to the District.

For calendar year 2008, our Transfer Station received 2,605 deliveries from District residents for a total of 724.26 tons of bulky waste and construction and demolition debris. In addition, our 232 commercial accounts delivered 357.07 tons of bulky waste and construction and demolition debris and 1,130.18 tons of wood. Recycling at the Transfer Station consisted of 2,037.39 tons of wood that was processed through a grinder, 189.93 tons of scrap metal, 256.55 tons of leaf and yard waste and 121.20 tons of brush which was chipped with the District owned chipper. In addition, 363 refrigerators/air conditioners; 391 propane tanks; 4,534 tires; 16,294 feet of fluorescent bulbs; 362 pounds of ballasts and 42.81 tons of electronics were recycled. We also received 2,235 gallons of waste oil from our residents which was used in our waste oil furnace to heat the recycling center. Transfer Station recycling income totaled \$26,355.87. The Recycling Center and Transfer Station are operated, under contract with the District, by FERCO Recycling, Inc. of Berlin.

Election of officers was held at the District Annual Meeting in April 2008: Linda Cushman of Jefferson was re-elected Chairman; Yves Zornio of Gorham was re-elected Vice Chairman and Clara Grover of Errol was re-elected Secretary-Treasurer. Other District Representatives are: Raymond Holt of Dummer, David Tomlinson of Randolph, Richard Lafleur of Berlin, Paul Grenier for the Coos County Unincorporated Places, Erik Gagne of Milan, Winston Hawes of Northumberland and George Bennett of Stark.

In June, the District conducted its seventeenth annual Household Hazardous Waste Collection Day. The collection was held at the District Transfer Station with 265 households participating. The project was funded through the District Household Hazardous Waste Fund with a \$15,000 payment from the Mt. Carberry Landfill Budget. No assessment was made to the District communities. In addition, a grant from the State of New Hampshire reimbursed the District at fourteen cents (\$.17) per capita. The next Household Hazardous Waste Collection Day will be held Saturday, June 6, 2009 at the District Transfer Station.

2008 was the sixth year of operations for the AVRRDD- Mt. Carberry Landfill. Since purchasing the landfill in December 2002, no assessments have been made to the District municipalities for Mt. Carberry Landfill operations, with income raised through landfill tipping fees covering operating expenses. The landfill is operated, under contract with the District, by Cianbro Corp.

Sharon E. Gauthier Executive Director

MILAN FIRE DEPARTMENT

As I am writing this report, it seems only a few weeks ago I was doing the same thing.

Now it is February of 2009, and I am looking back trying to remember the many incidents and training opportunities we experienced in 2008. As my memory suffers almost as bad as my paperwork upkeep, I'll recap some of the highpoints of 08 and hope that 09 will have less incidents and more good opportunities for the department and the community.

2008 was a busy year for our department with some major fires (the Gallant fire, the King fire @ Cedar Pond) as well as many, many automobile accidents. Our Extrication Training has paid off with the saving of lives and suffering on many accidents this year.

We participated in a live burn fire training session with the Stark Fire Department + others. We also started training with the one fire hydrant we have in town to better our ability for water supply should we have a fire in down town.

We had a pumper truck donated to the town from the North Madison Volunteer Fire Department in North Madison, Conn., to replace our aging 1973 Maxim pumper.

The department has the first female firefighter applicant in the history of the department. We also have some new members who are young and willing as well as enthusiastic about helping our town.

On the down side, this winter (09) we had the furnace in the West Milan Station go out during a very cold spell. This in turn froze up our "new" donated pumper truck and our tanker truck ruining them both. We are in the process now of acquiring replacement apparatus, which brings us to this years town meeting.

Please drive safe, be careful with your wood fires, and God Bless America.

Respectfully Submitted,

Ted Tichy-Fire Chief

Milan & Dummer Ambulance Service

During 2008 we had some of our equipment stolen from the ambulance that was in the town building. The insurance paid for the replacement of stolen items and we were up to date as required by state rules and our needs. We still need our ambulance to better serve our communities. Again without our service injured and sick people have to wait for backup service from Berlin or Gorham EMS. When they are not available due to their greater demands other services may take over an hour to respond. We have 6 active members on the Milan & Dummer Ambulance Service and 4 members when in the area will help with calls. With the members this year we have been able to respond to more calls.

The Milan & Dummer Ambulance Service responded to 25 calls out of a total of 52 calls. On 3 of the other calls one member responded but another service was called to transport patients, as two EMTS are required to staff an ambulance.

Finally after about 18 months Medicare accepted our application for re-enrollment and as of the first of 2009 we started receiving money. The appropriations will be the same for 2009 from each town and hopefully by taking more calls in 2009 and gaining more EMT members these appropriations can be reduced for 2010.

We are always looking for registered EMTS or people interested in becoming EMTS with the Milan & Dummer Ambulance Service. We depend on volunteers to serve our communities health needs. Volunteers are harder to find for our ambulance service. As Director I am sending out a plea once again to our communities for people able to help injured and sick people to please become an EMT. We cannot afford to loose our ambulance service. Helping people with medical needs gives our attendants great satisfaction and a good feeling as a helpful volunteer.

Town of Milan Zoning Board of Adjustment Annual Report Year Ending 2008

BUSY YEAR FOR ZBA

I want to start off by publicly acknowledging the hard work and dedication of the ZBA board members. It is a job that requires knowledge of the history in Milan, past precedence and current law. It is often a judgment call for the board members to address both the concerns of the landowners and their abutters. It is usually a thankless job with sometimes difficult decisions and compromises to try to do the right thing for all involved. We are forced to make decisions based on state law, the spirit of the master plan and our local zoning ordinances.

As a refresher of what the Milan ZBA does, I will outline the following major responsibilities of our board. The ZBA collects evidence, finds the facts, and applies legal tests to determine if relief from the zoning ordinance should be granted. Decisions are not made based upon the presence or absence of opposition, but solely on the evidence. The burden of proof is upon the applicant. The ZBA is the only board where a minimum of 3 "Yes" votes are required to act, rather than a majority.

The Milan ZBA has the authority to act in four separate categories. However, the two most common, approval of special exceptions and granting of variances are outlined below.

A special exception is a use of land or buildings that is permitted by the ordinance, subject to additional criteria or standards. There are six criteria elements to be investigated in order to grant a special exception. Providing for special exceptions makes it possible to allow uses where they are reasonable in a uniform and controlled manner, but to prohibit them where the specified conditions cannot be met. Requirements are measurable and are the same at all times and can be expressed in specific terms.

A variance is a waiver or relaxation of particular requirements of an ordinance when strict enforcement would cause undue hardship because of circumstances unique to the property. A variance serves to exempt a property and its use from the application of the zoning ordinance. It cannot be granted unless five legal elements are met. The relief also "runs with the land", not specific to the applicant. The ZBA does not have legislative powers, and cannot change zoning laws.

I hope this brief description will help those individuals who might be in need of our services to determine what we do, what we are limited to and the difference between a special exception and a variance. The Milan ZBA has ended the year with a busy schedule. We did not see much activity at the start of the year in the Town requiring zoning consideration. However, from mid-year right through until the end of the calendar year we experienced an influx of business issues.

On a positive note we did see a major decline in "after the fact" applications. We are happy that word has gotten around that landowners are much better off by following the letter of the law and coming to the zoning board BEFORE construction begins, rather than after receiving a cease and desist order from the Town.

I am proud to be a part of making Milan a better place. My last five years on the Milan ZBA have flown by. This is a great place to live, let's keep it that way!

Members in 2008 Included: Christy Langlois, Rodney Young, Mike Lavoie, Linda Lamirande.

We did have one alternate, Mickey Miller. If you are interested in becoming an alternate member of the board, contact us. We meet the 3rd Thursday at 7:00P.M. every month at the Town Office.

Respectfully Submitted,

Christy Langlois, Chairman Milan ZBA

ROAD AGENT

2008 was really a good old fashion winter. From Jan 1st until sometime in April the trucks were out 5 to 6 days per week plowing, pushing back drifts, or sanding. We were all glad to see spring so we could park the plow trucks.

Our biggest problem all winter was the build up of ice and snow on the River Road. We are now using a "magic mix" on the River Road and what a big difference. We actually have bare pavement showing.

The gravel roads were all graded and chloride was applied early in the season. Despite all the heavy rains the roads lasted very well all summer. We started some construction on Success Loop Road which is in need of a rebuild on most areas. This project will take approximately three to four-years to complete with current funding. We also reconstructed and graveled the first 300 feet of French Hill Road.

At this time most of the graveled roads are in fairly decent shape. However, most of the paved roads are in need of some attention. We will deal with these issues one at a time. Thank you very much

Sincerely yours

Harley Mason Jr Road Agent

North Country Council, Inc.

Regional Planning Commission & Economic Development District The Cottage at the Rocks 107 Glessner Road Bethlehem, New Hampshire 03574 (603) 444-6303 FAX: (603) 444-7588 E-mail: nccinc@nccouncil.org

Town of Milan PO Box 300 Milan, NH 03588

I would like to thank all of you for your support of the council this past year. We have made a number of positive changes and completed a number of projects throughout the region. Once again, we reaffirmed the Council's commitment to serve community and regional needs.

Over the past year, we have continued to deliver planning and economic development services throughout the region. We have and we will continue to adjust our capacities to respond to the needs of the communities and I think you will see this in the programs that we will be introducing in the coming years. The North Country Council has continued its strong relationship with the Department of Commerce and the Economic Development Administration (EDA) in bringing funding and project development to the region. As we all know, these are tough economic times and we will be working with our State and Federal elected officials to do whatever we can to assist our communities economically. We will continue our Community Planning Outreach program targeted at helping our planning boards in the difficult tasks of managing the planning activities in their communities. We will continue to seek your input as to the communities' needs and, as always, be providing the necessary technical support and education as our resources allow. These programs as well as all the other traditional programs in master planning, solid waste management, grant writing, natural resource planning, Brownfields assessments, and transportation planning will continue to be the focus of North Country Council. Please take the time to look over our Annual Report and give us some feedback as to where you think the Council could improve and how we might better serve our communities.

Again, thank you for all of your support for the Council and hope that I and my staff can continue to be of service to your community. The Council is here to serve you. It is your organization. Our staff and Board are committed to responding to community need. If there is a project or a need in your town, please call us. We are dedicated to both supporting our individual towns and promoting regional unity in the North Country.

Respectfully submitted; Executive Director

Annual Report of the Milan Public Library for the year 2008

It's hard to imagine that another year has flown by and it's Town Meeting time once again. Many thanks to those of you who took advantage of our library this year and welcome to our many new registrants. We've worked hard to keep our shelves current, and our aisles clear.

This year we coordinated with the Dummer Library and conducted a successful 3 day Summer Reading Program. We kicked off with an Old Fashioned Ice Cream Social held at the Dummer Town Hall with delicious ice cream sundaes and live entertainment. The theme for this year's program was "G'Day For Reading". In keeping with that theme the children had a chance to try their hand at creating aboriginal art, got a lesson on the Great Barrier Reef, listened to aboriginal music and it's most famous instrument, the didgeridoo.

In August the library received a very generous donation from Bruce and Cynthia Brown in memory of Rita Rich. This money has been earmarked to purchase both large print books and audiobooks.

The Trustees have updated the library's by-Laws and policy statement including the policy on un-returned, damaged or lost books and other materials. The Selectmen informed us that they would no longer be preparing our payroll checks so the library has hired an accountant to take over that responsibility.

We are constantly expanding our collections of children's books, large print books, bestsellers, DVD's, and audiobooks. If you haven't visited in a while stop by and see what you've been missing.

Our hours of operation are:

Mondays 1:30 pm - 7:30 pm Tuesdays 11am - 4 pm Wednesdays 11am - 4 pm

Town of Milan Annual Town Meeting March 11, 2008

Polls opened at 1:00 PM

David S. Woodward, Moderator, called the meeting to order at 6:30 PM, with the reading of the warrant. The Moderator announced that the polls would remain open until 7:30PM.

1. To choose all Town Officers for the ensuing year.

This article would be decided by official ballot and therefore no action was needed at this time.

2. To see if the Town will vote to raise and appropriate \$230,600.00 for General Government. (Majority vote required)

Executive/Administrative	\$42,000.00
Election/Registry/VS	\$55,000.00
Financial Administration	\$14,000.00
Property Assessment/Reval	\$19,000.00
Legal Services	\$3,000.00
Employer Expenses	\$18,000.00
Planning and Zoning Boards	\$9,100.00
Government Buildings	\$44,000.00
Cemeteries	\$16,500.00
Insurance	\$7,000.00
Regional Associations	\$3,000.00
	\$230,600.00

Motion to accept was made by Jackie Quintal and seconded by Ernie Miner. There were no questions or discussion. A voice vote was taken and the motion carried.

3. To see if the Town will raise and appropriate \$95,100.00 for Public Safety. (Majority vote required)

Police Department	\$45,000.00
M&D Ambulance	\$3,600.00
Crossing Guard	\$ 6,000.00
Fire Department	\$28,000.00
Building Inspector	\$2,500.00
Emergency Management	\$10,000.00
	\$95,100.00

Motion to accept was made by Ernie Miner and seconded by Beverly Hawkins. There were no questions or discussion. A voice vote was taken and the motion carried.

4. To see if the Town will vote to raise and appropriate \$189,917.00 for Highways, Streets and Bridges. (Majority vote required)

Town Maintenance	\$130,000.00
Highway Block Grant	\$34,917.00
Street Paving	\$20,000.00
Street Lighting	\$5,000.00
	\$18 9 ,917.00

Motion to accept the article was made by Lucille St. Onge- Hickey and seconded by Jackie Quintal. There were no questions or discussion on the article. A voice vote was taken and the motion was carried.

5. To see if the Town will vote to raise and appropriate \$147,454.00 for Sanitation. (Majority vote required)

Solid Waste/Recycle Collection	\$91,950.00
District Disposal	\$55,504.00
	\$147,454.00

A motion to accept the article was made by Norm Frechette and seconded by Beverly Hawkins. There was no discussion on this article and a voice vote was taken. The article passed.

6. To see if the Town will vote to raise and appropriate \$15,000.00 to be added to the Capital Reserve Funds previously established. (Selectmen recommend this Appropriation. Majority vote required)

M&D Ambulance	\$5,000.00
Fire Truck	\$5,000.00
Highway Equipment	\$5,000.00
	\$15,000.00

A motion to accept was made by Ernie Miner and seconded by Zanita Morin. Jackie Quintal asked about the number of people that are currently on the ambulance service. Peter Roberts, Ambulance Director, responded that there are currently three members. He indicated that it is difficult to get people on the service, as the National Registry Testing is very difficult. There were no more questions. A voice vote was taken and the article passed.

7. To see if the Town will accept the balance of the budget as prepared by the Selectmen to raise and appropriate \$41,750.00 for this purpose, which is exclusive of preceding articles. (Majority vote required)

Health Administration	\$700.00
General Assistance	\$6,000.00
Intergovernmental Programs	\$5,000.00
Parks and Recreation	\$ 9,000.00
Library Trustees	\$14,550.00
Patriotic Purposes	\$500.00
Timber Management	\$1,000.00
Conservation	\$1,000 00
Int. Tax Anticipation note	\$4,000.00
	\$41,750.00

Motion to accept was made by Jackie Quintal and seconded by Zilla Young. Beverly Hawkins wanted to know what was included in intergovernmental Programs. Dick Lamontange responded the list was on page 46 of the Town Report. Question was also raised by Jackie Quintal about the increase in the budget in the Parks and Recreation Department. Dick Lamontagne explained that the amount actually was a decrease from the previous year. A voice vote was taken and the motion carried.

8. To see if the Town will vote to raise and appropriate \$8000.00 for the purpose of putting on a fireworks display on July 4th 2008 in the Town of Milan. (Selectmen recommend this appropriation. Majority vote required, petitioned article)

A motion was made to pass over this article by Paulette Frechette it was seconded by Gisele Ouellette. A count of hands was 50 in favor of passing over the article and 22 not in favor. The article received the necessary two-thirds majority to pass over the article.

9. To see if the Town will vote to approve the following resolution to be forwarded to our State Representatives, our State Senator and our Governor:

Resolved: We the citizens of Milan, NH believe in a New Hampshire that is just and fair. The property tax has become unjust and unfair. State leaders who take a pledge for no new taxes perpetuate higher and higher property taxes. We call on our State Representatives, our State Senator, and our Governor to reject the "Pledge", have an open discussion covering all options, and adopt a revenue system that lowers property taxes. (Selectmen do not recommend. Majority vote required, petitioned article)

A motion to accept the article was made by Sandy Pouliot and seconded by Lucille St. Onge-Hickey. According to Julie Evans the article was forwarded by the Granite State Fair Tax Organization to approximately 100 towns in the State to be placed on their warrants. The goal of the article was for the elected officials in Concord to understand the state's reliance on the property tax system places an unfair burden on homeowners. Erik Gagne stated that the selectmen did not recommend the resolution. He argued that the present system allows for local control of taxes. Numerous residents spoke both in favor and against the resolution. After a lengthy discussion period Ernie Miner called for the question. A voice vote was taken and the article was rejected.

10. To conduct any other business which may legally come before this meeting.

Erik Gagne presented outgoing selectman Dick Lamontagne with a gift in behalf of the Town for his fifteen years of service to the town. David Woodward was also thanked for his service as Town Moderator. Sandy Pouliot asked if a page could be in next year's annual report of the Robert Rules of Order. The selectmen said that they would include it in the next year's report. The meeting was adjourned at 7:15 PM. The moderator announced that the polls would remain open until 7:30PM.

Respectfully submitted,

SCHOOL WARRANT THE STATE OF NEW HAMPSHIRE

To the inhabitants of the School District in the Town of Milan qualified to vote in District affairs:

You are hereby notified to meet at the Milan Village School gymnasium in said District on Monday, the 9th of March 2009 at 7:00 PM in the evening to act upon the following subjects:

1. To see if the District will vote to accept the reports of agents, auditors, committees, and officers heretofore chosen, as presented in the Annual Report.

2. To set the salaries of the school district	c officers:
School Board Chair \$750.0)
School Board (2) \$500.0) each
Treasurer \$1,000.0)
Clerk \$ 75.0)
Truant Officer \$150.0)
Census Taker \$150.0)
Moderator \$ 50.0)
Supervisors of the Checklist(3)\$25.0) each
Ballot Clerks (3) \$ 25.0) each

- 3. To see if the District will vote to raise and appropriate the sum of \$3,064,377 for the support of the Milan Village School and for the payment of statutory obligations of the District and for the payment of tuition for students in grades 7-12 to the Berlin School District; (Berlin Junior High School totals \$350,970 and the Berlin High School totals \$735,910 which is included above). This article does not include appropriations voted in other warrant articles.
- 4. To see if the District will vote to raise and appropriate the sum of \$38,700.00 for the operation of the Food Service Program. (Recommended by the School Board)
- 5. To see if the District will vote to raise and appropriate the sum of \$120,000.00 for the operation of the Federal Entitlement Grant programs. (Recommended by the School Board)

- 6. To see if the School District will vote to raise and appropriate the sum of \$7,000.00 to be added to the Tuition Expendable Trust Fund previously established and to authorize the use of that amount from the year end undesignated fund balance (surplus) available on July 1 of this year. (Majority vote required. Recommended by the School Board)
- 7. To see if the District will vote to raise and appropriate the sum of up to \$10,000.00 to be added to the Technology Capital Reserve Fund and to authorize the use of that amount from the year end undesignated fund balance (surplus) available on July 1 of this year. (Majority vote required. Recommended by the School Board)
- 8. To see if the School District will vote to create Energy Expendable Trust Fund under the provisions of RSA 198:20-c for the purpose of energy related costs. Furthermore, to raise and appropriate the sum of \$5,000.00 toward this purpose and to name the school board as agents to expend from this fund and authorize the use of that amount from the year end undesignated fund balance (surplus) available on July 1 of this year. Majority vote required. Recommended by the School Board.
- 9. To see if the School District will vote to change the name and purpose of the School Roof Capital Reserve Fund to the Building & Grounds Capital Reserve Fund. Furthermore, to raise and appropriate the sum of up to \$75,000.00 to be added to said fund and to name the school board as agents to expend from this fund and authorize the use of that amount from the year end undesignated fund balance (surplus) available on July 1 of this year as a closeout of the Building Project. Majority vote required. Recommended by the School Board. (2/3 vote required).
- 10. Do you want the school board to look into increasing cooperation between the school districts of the Androscoggin Valley?
- 11. To transact any other business that may legally come before this meeting.

Given under our hands at said Milan this 3rd day of February 2009.

Patricia Shute, Chair Kevin Evans Sandy Pouliot MILAN SCHOOL BOARD

SCHOOL WARRANT THE STATE OF NEW HAMPSHIRE

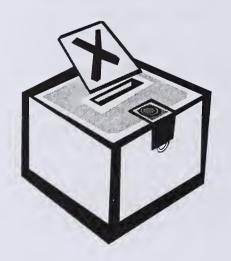

To the inhabitants of the School District in the Town of Milan qualified to vote in District affairs:

You are hereby notified to meet in the gymnasium of the Milan Village School in said District on the 10th of March 2009 at 1 o'clock in the afternoon to act by ballot, upon the following subject:

Polls are open for election of officers from 1:00 PM to 7:30 PM.

- 1. To choose a member of the school board for the ensuing three (3) years.
- 2. To choose a treasurer for the ensuing year.

Given under our hands at said Milan the 3rd day of February, 2009.

Patricia Shute, Chair Kevin Evans Sandy Pouliot

SCHOOL BUDGET FORM

OF:

MILAN

NH

Appropriations and Estimates of Revenue for the Fiscal Year From July 1, 2009 to June 30, 2010

IMPORTANT:

Please read RSA 32:5 applicable to all municipalities

1. Use this form to list ALL APPROPRIATIONS in the appropriate recommended and not recommended area. This means the operating budget and all special and individual warrant articles must be posted.

2. Hold at least one public hearing on this budget.

3. When completed, a copy of the budget must be posted with the warrant. Another copy must be placed on file with the school clerk, and a copy sent to the Department of Revenue Administration at the above address below within 20 days after the meeting.

This form was posted with the warrant on (Date):____

SCHOOL BOARD MEMBERS Please sign in ink.

Patricia State Savay Poulist

THIS BUDGET SHALL BE POSTED WITH THE SCHOOL WARRANT

FOR DRA USE ONLY

Milan Village School Principal's Report 2008-2009

The 2008-2009 school year has brought many rewards and opportunities for the staff and students of the Milan Village School. With the consistent and generous support of the staff, parents, volunteers, school board, SAU personnel, students and Milan community, we have enjoyed the tremendous advantages of operating in a small school environment while keeping up with national standards. In addition, our active school community has helped us to continue to refine our many excellent programs designed to give individual students the skills and knowledge that they will need to succeed in a diverse world. The following are examples of these programs:

- We implemented the Positive Behavior Intervention Support (PBIS) program in the fall of 2004. Since then we have seen major positive changes in the atmosphere of the school. The staff members embrace their role as a support network for students and are thoughtful and passionate about creating a nurturing educational environment. In addition, students are consistently rewarded with positive consequences for appropriate behavior and held accountable with negative consequences for inappropriate behavior.
- The school's new Science Program was a year in development with all teachers dedicating the majority of their PD time to its creation. The program is focused on the new state science frameworks. It was developed as a vertical scope and sequence so that each grade develops scaffolding for the next in order to create young scientists by the 4th grade. The focus of the program is using inquiry based activities to promote true learning in science, writing, reading and math.
- The Student Support Center (SSC) was created during the 2006-2007 school year and offers the opportunity for individual targeted intervention for small groups of students using the Response to Intervention model. Students are targeted if they are struggling in a subject or if they are excelling. The SSC is also used to create enrichment programs for all students. The Student Support Center Coordinator instructs students in GPS and GIS mapping projects of local areas, the creation of brochures for local attractions and the development of a nature trail near school grounds. The Coordinator also oversees a peer mediation program, student council and a photo club.
- The Curriculum Committee and Data Team are both made up of teachers and administrators. They use the school's 5-10 year curriculum plan as a guide as they set goals and advise changes based on the school's needs and the findings of current data.
- The Milan Village School has partnered with many outside organizations including NH Fish and Game, Project WET and Project WILD, Project Learning Tree, the Appalachian Mountain Club and others in order to bring varied and important real world perspectives the students.
- The PTO continues to accomplish wonderful enriching activities for our students. The volunteer effort in general is truly amazing. Volunteers have helped with a myriad of programs including: cultural events throughout the school year, the Ski Program, the Recreation Department, the Bike-a-thon, the Walk-a-thon and Wood's Day. Thank you, volunteers.

December 9, 2008

Mr. David Backler Principal Milan Village School 11 Bridge Street Milan, NH 03588

Dear Principal Backler:

Thank you for hosting the School Approval Team during our visit to the Milan Village School on November 7, 2008. Your students and staff made us feel most welcome. I am sure that you are aware of how wonderful they are.

Enclosed are the individual reports from the reviewers. We were quite satisfied with the overall level of compliance with the state standards that were reviewed. We were quite impressed by the presentation on the science curriculum. It is obvious that a great deal of time and effort is being expended to ensure that classroom teaching meets the state curriculum expectations.

We really have no significant recommendations for improvement, which is unusual. You will note some requests for policies that we did not review. We never did receive the materials that you mailed to us prior to the visit. Please send those policies to us when you have an opportunity.

This information is provided for the use of the school and district administration. No response is required.

Please call me at 271-2037 if you have any questions.

Sincerely,

florand Twentered

Edward R. Murdough Administrator Bureau of School Approval and Facility Management

cc: Superintendent, SAU 20 🗸

SCHOOL APPROVAL SITE VISIT REPORT

SCHOOL: Milan Village School

DISTRICT: Milan

SAU: 20

DATE OF VISIT: November 7, 2008

REVIEWER: Ed Murdough

PHONE: 271-2037

ITEMS REVIEWED(refer to Minimum Standards, Ed 306): Ed 306.04, Policies; Ed 306.07, Facilities; Transition to grade 7

OBSERVATIONS, STRENGTHS & WEAKNESSES

- 1. The Milan school facility is in good condition. It appears to be clean and well maintained.
- 2. The district has a working transition process with the Berlin School District for students transitioning from grade 6 to grade 7.
- 3. The Milan district has current policies in place to address:
 - a. Promoting an environment conducive to learning (Ed 306.04(11))
 - b. Behavior management and intervention (Ed 306.04(16))
 - c. Homeless students (Ed 306.04(17))
 - d. Meeting the instructional needs of each student (Ed 306.04(g))
- 4. The district has an extensive policy book that appears to be quite thorough. Policies other than those identified in 3 above were not reviewed as part of this visit.
- 5. The staff presented information on their process to develop science curriculum. Although not a high school, this process breaks the curriculum down into discrete areas tied to the GLEs. This provides clear direction for teachers and ensures that all material in the GLEs is covered. It results in much more than the identification of competencies.
- 6. The school has an improvement plan in place to review each content area for alignment with the GLEs.
- 7. The Parent/Student Handbook is very well done. It is thorough without being overwhelming. Information is clear and easy to find.
- 8. This is the first elementary school where the visitation team has found the schedule for the distribution of instructional time required by Ed 306.26(b).

None

RECOMMENDED ACTIONS

- 1. The parent/student handbook includes summaries of various district policies. A statement should be added to indicate that these are only summaries and to inform readers where to find the actual school board policies.
- 2. The method for curriculum development being used for science should be implemented for all academic content areas.

OTHER COMMENTS

The staff at the Milan Village School seem to be focused in the same direction. It is clear that the improvement plan is not a document that just sits on the shelf in the principal's office.

SCHOOL APPROVAL SITE VISIT REPORT (Draft #1)

SCHOOL: Milan Village School (Grades – P, K – 6, Enrollment: 140) Principal: David Backler

DISTRICT: Milan and Dummer School Districts SAU: 20 Phone: 449-3306

DATE OF VISIT: Friday, November 7, 2008

REVIEWER: Leslie Higgins and Marie Morgan Phone: 271-4125

ITEMS REVIEWED (refer to Minimum Standards for Public School Approval-- Ed 306):

Ed 306.14 - Basic Instructional Standards.

(a) <u>Assignment of incoming students</u>: The School has few new students each year and since there is only one class for each grade, a child is usually placed in a class with students their own age.

(b) <u>Homework policy</u>: The 2008-09 Parent/Student Manual explains the School's Homework Guidelines including how parents can be involved and how much homework is expected each night for each grade.

(c) <u>Organized plan to record student progress in meeting objectives</u>: Students in Grades K - 6 are tested on local or state assessments regularly. Teachers set goals for students who score less than "proficient" on the state assessments to help focus their efforts.

(e) Instructional materials are appropriate to students' skill levels: A curriculum team meets every 3 weeks to plan the implementation of a 5 - 10 year curriculum plan. Teacher's lesson plans will be fully aligned to the state's Grade Level Expectations (GLEs) and Frameworks in all subjects by 2013. Any textbooks which do not match the state's Grade Level Expectations are supplemented as needed.

There has been a tremendous effort in the last year to upgrade the math and science curriculums. Last year the math curriculum was revised so 5th and 6th grade work was aligned with the state's GLEs. The School has adopted EveryDay Math as its core math program.

Last year most of the teachers' professional development time was focused on revamping the science curriculum. All staff worked with the science committee to create a vertical curriculum following the state's frameworks for grades K - 6.

Fourth and sixth grade students are involved in a project interviewing local senior citizens. They are also preparing a brochure for the town

Ed 306.26(b) - Daily Instructional Schedule for K-8. Page 17 of the 2008-09 Parent/Student Manua	1
shows a detailed outline of how much time should be spent on each subject on a weekly basis for grade	es
1-6. This schedule allows about 5 hours per week for flexibility.	

Ed 306.04 (l) - Recommending developmentally appropriate daily physical activity.

Every student at the Milan Village School has recess for 30 minutes each day. Physical Education is scheduled for a minimum of 40 minutes per week for each grade. Ski classes at the Balsams are scheduled each March. Obesity among children is not a problem at this school.

Students are encouraged to participate in the Milan Recreation Department's various athletic programs including soccer, basketball and softball competitions. During our visit, a representative from the local town recreation department was awarding second grade students ribbons earned during the fall soccer season.

Ed 310.04 (a)(3) encourages the integration of health and physical activity across the school curriculum. We saw an example of this as the 4th graders participated in a lively Quidditch game held in the gym. The teacher interspersed questions regarding the Harry Potter novel throughout the activity. The students finding the Golden Snitch were heroes to their team mates!

Ed 310(b)(4) - Recommending developmentally appropriate daily physical activity.

We did not view a district wide policy in this area as is required. Please send us a copy if one exists. The school encourages physical activity during its two school wide fundraisers to support school activities. In the fall students participate in a bike marathon to the Milan State Park, a mile away. Students solicit sponsors to donate money based on the number of miles the students bike. In the spring students perform community service for 2 hrs at the school and 2 hrs elsewhere for \$20.00 and the chance for 4 free tickets at Storyland.

Ed 306.12 - School Health Services.

1. The school's part-time (4 ½ hrs per day) registered nurse is also a certified health instructor who retired from the Berlin School District where she taught health occupations in the CTE Center for more than 20 years. She is certified as a Red Cross trainer and has trained other staff in the building as CPR and/or first aid responders. She prepares emergency bags for field trips with emergency equipment and notification cards for each student and staff participating on the field trip. When she is unable to be at the school, a substitute nurse is usually available.

2. The school requires physical examinations and immunizations for all students as required by state law. The nurse uses a medical database which alerts her to those students needing updated immunizations. She notifies the parents early since there are few physicians in the area and medical appointments must be scheduled far in advance. She has surveyed parents regarding interest in flu shots and has held a flu shot event at the school.

3. We did not have an opportunity to review the school board's actual policies supporting Ed 306.12 and Ed 311 - <u>School Health Services</u>. Please send us a copy if one exists.

Ed 311.02(h) - Medication During School Day (2008).

We did not have an opportunity to review the school board's policies and procedures relative to the protection and controls of medications in the schools. Please send us a copy if one exists.

Ed 306.26 (b)(1)(c) and Ed 306.40 – Health Education Program.

We did not have an opportunity to review the present health curriculum or determine its relationship to state guidelines. The nurse and the part-time physical education teacher plan to revamp the health curriculum. Since both are part-timers, it's difficult to understand when they will find the time to do this. We highly encourage them to confer with Mary Bubnis at the Department of Education's Office of School Health (271-3889) for advice, if they haven't yet done so.

The School has a Wellness Committee which meets 4 times per year. The one Food Service staff member is included as needed.

OBSERVATIONS, STRENGTHS & WEAKNESSES:

Facility. The school facility appears to be well maintained. Classrooms and office areas were not crowded. The multi-purpose lunch room and the library appear quite sufficient for an enrollment of about 140. The fenced playground area was large and surrounded by corn fields. Unfortunately the district has had to make many costly repairs as a result of shoddy work done during renovations about six years ago.

Leadership Team. The superintendent and principal appear to be an effective team. District policies were completely redone since 2004. The principal has been at the Milan Village School for 4 years. He has high standards and has worked closely with his staff to instill a positive climate where continual improvement is to be desired and expected by all. When not submitting grant proposals, he continues to push the local vendor for improved technology access. Due to his efforts the school is wireless, a huge advantage for a North Country school. A plan is underway to have one of the teachers serve as a technology mentor for others. He also encouraged the PBIS initiative to improve student behavior. Data shows the number of students being referred to the principals' office for disciplinary reasons has dropped significantly.

Students. During our school tour and our lunch with the students it was evident that students enjoy being at Milan Village School. They showed respect for each other whether it was in the lunch room, in the gym, or in line waiting for their turn at the school's store. We appreciated the building tour led by the Student Council officers: Carly, Nicholas, and Amanda. They are excellent ambassadors for the School and the community.

Other. The largest class has 18 students. With 9 enrolled in kindergarten and 11 in preschool, it is likely that multi-age classes will be necessary. Art, music, physical education, library skills, technology and health are scheduled once per week for all students in grades 1-6. The guidance counselor is shared with the Ed Fenn School which has 200 students. The district media specialist visits all the schools and works with the library assistants. At Milan Village School the kindergarten teacher also serves as the "librarian" in the afternoon. This school has been recognized as a Blue Ribbon School for 26 years due to parent involvement. The school is presently hosting four student teachers from Plymouth State University and the White Mountains Community College at Berlin.

UNRESOLVED ISSUES & UNANSWERED QUESTIONS: Please send us the school board policies we did not get to see. If they are not available or are under review, please let us know.

OTHER COMMENTS: Emergency response plans in accordance with RSA 189:64 are required by July 2009. Every public and nonpublic school is required to develop a site-specific school emergency response plan conforming to the National Incident Management System.

2008 Superintendent's Report

Dear Citizens of Milan,

I hope that this annual letter finds you well.

The staff and administration of the Milan Village School are constantly working to improve the curriculum, instruction and atmosphere at your elementary school. All members of the school community embrace Positive Behavior Intervention Strategies (PBIS). The number of students visiting the office for behavior issues has declined significantly since the program's inception, a direct result of PBIS. The Student Support Center has evolved into a classroom that serves the needs of students who seek enrichment, academic challenges and remediation. What began as an area for discipline issues has become an area of instruction and enhancement. The Student Support Center has evolved into what Mr. Backler envisioned when he proposed it three years ago.

Monies that were procured through the mediation and settlement of the 2003 construction project are still being utilized to address issues in the roof and heating system at Milan Village School. Summer work on the chimney, roof and heating control system has contributed to a marked savings in oil consumption. A few minor issues will be resolved soon and the project will be "closed" to the relief of administration, staff, citizens and Department of Education Officials. The task of rectifying these problems has required countless hours of work from administration and school board members. This has been a long process and we thank all the citizens of Milan for their patience and trust in our efforts, as administers and school board members who worked countless hours, to rectify the problems.

The Milan School Board has established some goals for the past year and they are listed as follows:

Milan School Board Goals for 2008-2009

- 1. Research and Recommend Alternate Energy Sources.
- 2. Begin to look at regionalization of educational services.
- 3. Improve communication with town officials and constituents.
- 4. Continue to promote programs to best serve the interest of our students.

The Milan School Board has successfully completed the majority of its goals. The Board continues to research pellet boilers and wind energy for the Milan Village School. The Superintendent submitted a grant for alternate energy sources on January 5, 2009.

At the October 6, 2008 meeting with the Berlin and Dummer School Boards, Patricia Shute, Milan Board Chair, was adamant in her statements that some type of collaboration or regionalization for all schools in the Valley needs to be considered. The pursuit of this subject needs to be looked at seriously, but must also follow New Hampshire State Statute.

The Board invited the Town Selectmen to their January 2009 meeting to discuss budget issues and further open up lines of communication with the Town of Milan Government Officials. Collaboration is taking place in regards to the possible transitioning of the Milan Recreation Department activities becoming the responsibility of the School. A pilot of this effort has recently been put in place with the School and Town Officials working in tandem to provide quality recreational activities for the children of the Milan Village School.

Meeting times, dates and agendas are posted at the Milan Village School, the Milan Town Hall, and in West Milan so that the citizens of Milan may attend any board meeting. Meeting minutes are posted as quickly as possible on the SAU 20 website and efforts are being made to post the Milan School Board Policies online so that communication with all members of our community continues to develop.

The Board supports the development of new curriculum and the use of new curriculum materials so that students will benefit academically by using current science, language arts and mathematics resources. The Board is striving to refine and complete these goals throughout the rest of the school year, and I remain committed to assisting them in their endeavors.

Please feel free to contact me at 466-3632 if you have any questions regarding the education of your children.

Thank you for supporting the children of Milan!

Respectfully submitted,

Paul Bousquet Superintendent, SAU 20

SCHOOL DISTRICT MEETING TOWN OF MILAN, NEW HAMPSHIRE MONDAY, MARCH 10, 2008

The School District Meeting for the Town of Milan was held on Monday, the 10th day at the Milan Village School gymnasium. The School District Moderator, Rodney Young called the meeting to order at 7:00 PM. School Board Members present were Patricia Shute, Chair; Kevin Evans and Sandy Pouliot. Also in attendance Paul Bousquet, Superintendent of Schools, Pauline Plourde, Certified Business Administrator, Steven Gordon, Co0Director of Special Services, David Backler, Lucille St.Onge-Hickey, District School Clerk. Moderator, Rodney Young called the meeting to order and detailed the process of addressing one article at a time, ballot format and protocol.

To the inhabitants of the School District in the Town of Milan qualified to vote in District affairs:

You are hereby notified to meet at the gymnasium of the Milan Village School in said District on Tuesday, the 11th day of March 2008 at 1 o'clock in the afternoon to act by ballot, upon the following subject:

Polls are open for election school board officer from 1:00 PM to 7:30 PM.

1. To choose a member of the school board for the ensuring three (3) years.

You are hereby notified to meet at the Milan Village School gymnasium in said District on Monday, the 10th of March 2008 at 7:00 PM in the evening to act upon the following subjects:

<u>Article 1:</u> To see if the District will vote to accept the reports of agents, auditors, committees, and officers heretofore chosen, as presented in the Annual Report.

Motion made by Jackie Quintal, seconded by Mary McLain. Motion to Amend Article 1 made by Pauline Plourde to correct the name of Moderator from David Woodward to Rodney Young. Motion seconded by Norman Frechette, the motion carried. Article 1 now reads:

To see if the District will vote to accept the reports of agents, auditors, committees, and officers heretofore chosen, as presented in the Annual Report, as amended.

Article 2. To set the salaries of the school district officers:

School Board Chair	\$ 750.00	
School Board (2)	\$ 500.00 ead	ch
Treasurer	\$1,000.00	
Clerk	\$ 75.00	
Truant Officer	\$ 150.00	
Census Taker	\$ 150.00	
Moderator	\$ 50.00	
Supervisors of the Checklist (3)	\$ 25.00 ead	ch
Ballot Clerks (3)	\$ 25.00 ead	ch
(Recommended by the School Boa	rd)	

Motion made by Norman Frechette, seconded by Glen Gagne. There was no discussion, the motion carried and Article 2 passed unanimously.

<u>Article 3.</u> To see if the District will vote to raise and appropriate the sum of \$3.054, 547.00 for the support of the Milan Village School and for the payment of statutory obligations of the District and for the payment of tuition for students in grades 7-12 to the Berlin School District; (Berlin Junior High School totals\$324,800.00 and the Berlin High School totals \$707,078.00 which is included above). This article does not include appropriations voted in other warrant articles. (Recommended by the School Board)

Motion made by Sandy Pouliot to amend Article 3 to raise and appropriate the sum of \$3,500,492.00 for the support of the Milan Village School and for the payment of statutory obligations of the District and for the Payment of tuition for students in grades 7-12 to the Berlin School District (Berlin Junior High School totals \$324,800.00 and the Berlin High School totals \$707,078.00 which is included above) This article does not include appropriations voted in other warrant articles. Motion seconded by Andy Mullins. Mike Fortier asked if the sum included teacher salary and benefits for Title I and student support center teachers.

Second motion made by Mary McLain to amend Article 3 to raise and appropriate the sum of \$2,976,522.00 for the support of the Milan Village School and for the payment of statutory obligations of the District and for the payment of tuition for students in grades 7-12 to the Berlin School District; (Berlin Junior High School totals \$324,800 and the Berlin High School totals \$707,078.00 which is included above). This article does not include appropriations voted in other warrant articles. Motion seconded by Glen Gagne.

Dave Woodward asked if Title I and Support Center teach was something new. Resident asked if students will feel the affects of the cuts and how much of the cuts would be made from administration and salaries and benefits. Patricia Shute answered, wherever the cuts are made the children will feel the cuts.

Glen Gagne made statement that we must be more fiscally conservative and expenses must be looked more closely. After very lengthy discussion, Glen Gagne called for the question, ceasing any further debate. The moderator called for a vote, the motion for \$2,976,522. carried and Article 3 passed.

<u>Article 4.</u> To see if the School District will vote to raise and appropriate the sum of \$25,000.00 to be added to the Tuition Expendable Trust Fund previously established and to authorize the use of that amount from the year end undesignated fund balance (surplus) available on July 1 of this year. (Majority vote required. Recommended by the School Board)

Motion made by Mary McLain, seconded by Monique Dube. Mike Fortier asked if this fund would cover in case student moves into area. Was told yes. Also asked what amount was in the fund as of this date. Pauline Plourde answered \$116,453.00. Randy Fortin asked what the cap amount is. Paul Bousquet answered \$150,000.00. Andy Mullins asked when the fund was established. Pauline Plourde answered fund was established March, 2005. There was no further discussion, the motion carried and Article 4 passed unanimously.

<u>Article 5.</u> To see if the District will vote to establish a Technology Capital Reserve Fund under the provisions of RSA 35:1-c for the purpose of technology related expenses and to raise and appropriate the sum of \$25,000.00 to be added to said fund and to further name the School Board Members as agents of said fund and authorize the use of that amount from the year end undesignated fund balance (surplus) available on July 1 of his year. Majority vote required. Recommended by the School Board) Motion made by Monique Dube, seconded by Ted Tichey. Mary McLain made motion amend Article 5 to see if the District will vote to establish a Technology Capital Reserve Fund under the provisions of

RSA 35:1-c for the purpose of technology related expenses and to raise and appropriate the sum of \$10,000.00 to be added to said fund and to further name the School Board Members as agents of said fund and authorize the use of that amount from the year end undesignated fund balance (surplus) available on July 1 of his year. Seconded by Jackie Quintal. Mary Mclain stated technology is important but feels \$10,000.00 would cover the expenses. Mike Fortier asked if there is a surplus where it go. Pauline Plourde explained the order of placement. Glen Gagne asked if this was a new RSA. Patricia Shute replied, no not a new RSA and not mandated. Rick Sarette asked if there were any grants for the purchase of computers/laptops. Paul Bousquet stated he would research. After the extensive discussion, Motion to amend Article 5 to raise and appropriate \$10,000.00 passed.

<u>Article 6.</u> To see if the School District will vote to raise and appropriate the sum of \$10,000.00 to be added to the Roof Capital Reserve Fund previously established and to authorize the use of that amount from year end undesignated fund balance (surplus) available on July 1 of this year. (Majority vote required. Recommended by the School Board)

Motion made by Mary McLain, seconded by Monique Dube. Randy Fortin asked if roof was leaking from same area as before. Paul Bousquet stated leaks were in same area and the contractors were working on them at their expense. Ernie Hawkins asked how much money was in the Capital Reserve Fund. Pauline Plourde answered \$39,492.00. There was no further discussion and the motion passed unanimously

<u>Article 7.</u> To see if the School District will vote to raise and appropriate the sum of \$10,000.00 to be added to the Underground Storage Tank Capital Reserve Fund previously established and to authorize the use of that amount from the year end undesignated fund balance (surplus) available on July 1 of this year. (Majority vote required. Recommended by the School Board)

Motion made by Norman Frechette, seconded by Paulette Frechette. Randy Fortin asked the age of the tank. Pauline Plourde stated it was installed in 1991 – 17 years. Andy Mullins asked for the estimate to replace. Pauline Plourde responded \$20,517.00, and we could salvage the Vetter route. There was no further discussion, motion passed unanimously.

<u>Article 8.</u> To see if the District will vote to raise and appropriate the sum of \$38,700.00 for the operation of the Food Service Program (Recommended by the School Board) Motion made by Monique Dube, seconded by Daniel Bennett. There was no discussion and the motion passed unanimously.

<u>Article 9.</u> To see if the District will vote to raise and appropriate the sum of \$120,000.00 for the operation of the Federal Entitlement Grant Programs. (Recommended by the School Board) Motion made by Jackie Quintal, seconded by Mary McLain. There was no discussion and the motion passed unanimously.

<u>Article 10.</u> To see if the Milan School District will vote to raise and appropriate the additional sum of \$23,748.00 for salary and benefits for a full-day Kindergarten program. By petition of M. McLain, et al (Recommended by the School Board)

Glen Gagne made motion to pass-over article 10, seconded by Jean Fortin. By a show of hands, motion to pass-over article 10 was defeated. Lengthy discussion was heard on Article 10. Andy Mullins asked why the school board wants a full-day kindergarten. Dave Bakler started to review gaps and studies on full-day kindergarten, sent out questionnaires to staff and parents. Norman Frechette stated he was for full-day kindergarten. There were numerous questions about whether children really benefited from full-day kindergarten. Resident commented felt full-day kindergarten was regarded as more of a babysitting service to some families. Stephanie Marino, Denise Doucette recommended fullday kindergarten and stated it would benefit children immensely. After lengthy discussion a secret ballot vote was held. The Article 10 was defeated, 42 to 37.

Article 11. To see if the Milan School District will vote to raise and appropriate the additional sum of \$25,297.00 for salary and benefits for a full-time nurse. By petition McClain, et al. (Recommended by the School Board

Jackie Quintal made motion to pass-over Article 11, seconded by Rick Sarette. Motion. By a show of hands motion to pass-over was defeated. Randy Fortin asked what is amount of salary and benefits for full-time nurse. Pauline Plourde answered \$23,372.00 salary and \$19,880 benefits. Rick Sarette stated it was his understanding RSA mandated 1 nurse for 500 students. Patricia Shute said no 1 nurse for 250 students; she further stated can you predict when an accident would occur and a nurse needed. Ted Itchy asked if there were any teachers who were certified in CPR and had first aid training. Paul Bousquet stated there is no requirement for teachers to be certified, some are, and some aren't. Randy Fortin asked what the nurse's schedule is now and what time does school start. Dave Bakler answered nurse there from 9:00 to 2:00 and school starts at 8:300, children arrive at 8:00. Randy Fortin asked if her schedule could be changed to cover the time the children are there before school. Could be looked at. There being no further discussion, a secret ballot was held on article 11. Article 11 was defeated, 58 to 21.

Article 12 To transact any other business that may legally come before this meeting.

Mary McLain made a motion to appoint a committee to study tuitioning out our children other schools. Pauline Plourde stated we still had a bond on the school; we also are committed to educate the children from the town of Dummer. By the time the study would be complete, it would be outdated. Moderator, Rodney Young stated that Article 12 has no legal force. Mary McLain made a motion to included knee-cap scores in next year's annual report. Seconded by Jackie Quintal. Principal, Dave Backler stated that those scores would be included. Beverly Hawkins made motion to pass-over Article 12, seconded by Ronald Hawkins.

Motion to adjourn made by Jackie Quintal, seconded by Glen Gagne. The meeting adjourned at 10:30PM

INDEPENDENT AUDITOR'S REPORT ON FINANCIAL PRESENTATION

To the Members of the School Board Milan School District Milan, New Hampshire

We have audited the financial statements of the governmental activities, the business-type activities, each major fund and the aggregate remaining fund information of Milan School District as of and for the year ended June 30, 2008, which collectively comprise the Milan School District's basic financial statements as listed in the table of contents. These basic financial statements are the responsibility of management. Our responsibility is to express an opinion on these basic financial statements based on our audit.

We conducted our audit in accordance with auditing standards that are generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the basic financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the basic financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general-purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the basic financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund and the aggregate remaining fund information of Milan School District, as of June 30, 2008, and the results of its operations and the cash flows of its proprietary fund types and fiduciary funds for the year then ended in conformity with generally accepted accounting principles.

The management discussion and analysis beginning on page iii is not a required part of the basic financial statements, but is supplementary information required by the Governmental Accounting Standards Board. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and therefore express no opinion on it.

Our audit was performed for the purpose of forming opinions on the basic financial statements taken as a whole. The accompanying individual fund financial statements and schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly presented in all material respects in relation to the basic financial statements taken as a whole.

The Mercier Group, a *professional corporation* December 22, 2008

Audit Report is available at the SAU Office upon request.
