Selectmen's Report for 2003

The year started out quietly with the usual preparations of budgets and the Warrant for Town Meeting. We hired Janel Swanson to put the Town Report together, so that we would have more time to focus on Town business.

Due to ice, there were problems with several of the roofs on the Town Buildings. The Library roof leaked into the Archives, and our insurance company covered most of this cleanup. The Police Department and the Civil Defense buildings also had leaks caused by ice. A dehumidifier was purchased to help keep the Archives drier.

After Town Meeting, we welcomed J.C. Boudreau who was elected to a 3-year term. Dana Taylor was elected to take the rest of Art Amato's term. A big thank you to Stan Pogorzelski who was appointed as interim Selectman.

In March, we signed a contract with Cartographics to remap the whole town. The maps will be on computer, and will help with the revaluation. Later in the year, we contracted with Earls, Nieder, Perkins, LLC to do the property revaluation.

The Town buildings received some general maintenance. The Vets Hall and Town Hall both had snow guards put on the roof after the slate was repaired. The chimney on the Vets Hall was taken down.

Our Police Department grew. Four new Part-time Officers were hired during 2003. One didn't work out, and two will need to be certified in 2004. A replacement for the Caprice cruiser was looked into, but we decided to wait until Town meeting for the voters' approval.

Building permits remained stable in 2003 - only 39 total were given out. Five new homes were built; 8 additions were made; 7 garages/barns were erected and there were 19 other building projects submitted.

The Selectmen take this opportunity to thank all the employees and volunteers who do so much for our Town. Without your dedication, we wouldn't get as much done. Your efforts are noticed and greatly appreciated.

At the end of 2003, the Selectmen hired an assistant to help with various projects in the office. Janel Swanson will work with the secretary, Lynn Adams, to make the office more efficient at processing information. This will be especially important with the set-up and maintaining of the assessing computer system after the reval is complete.

As we look forward to 2004, we see more changes ahead. This will help our Town grow and continue to be a great community to live in. Our best wishes to all.

RSA 72:35 1 which reads Veterans Service Connected Total & Permanent Disability Tax Credit of \$700.00. The Town shall adopt the provisions of RSA 72:29-a 11 to increase the Veterans Tax Credit from \$700.00 to \$1,400.00. The moderator asked for an amendment to conform to RSA wording, "Shall we adopt the provisions of RSA 72:35, IV for an optional tax credit on the taxes due on residential property for a service-connected total disability? The optional disability tax credit is \$1,400, rather than \$700." Amendment Passed Article as amended Passed

45. *The Health Care for New Hampshire Resolution*

Whereas, New Hampshire residents pay the 12th highest cost of insurance in the country; and

Whereas, the cost of health insurance premiums for families has increased by 45% over the past three years; and

Whereas, 1 00,000 New Hampshire residents have no health coverage and 77% of them have a full-time worker at home; and

Whereas, due to these rising costs almost half of New Hampshire's small business cannot afford health coverage for their employees, therefore be it resolved

That we, the citizens of RICHMOND, New Hampshire, call on our elected officials from all levels of government, and those seeking office, to work with consumers, businesses, and health care providers to ensure that:

- **Everyone, including the self-employed, unemployed, un - and underinsured, and small business owners has access to an affordable basic health plan similar to what federal employees receive;**
- **Everyone, including employers, consumers, and the state, local and federal government makes a responsible and fair contribution to finance the health care system;**
- **Everyone receives high quality care that is cost efficient and medically effective; and**

- That these efforts help control the skyrocketing cost of health care.

The above language represents a resolution signed by the required number of RICHMOND registered voters. We request that this be placed on the 2003 Warrant for town consideration. This resolution is non-binding and represents no fiscal impact. Failed

46 The Town voted to approve the limiting of pre-payment of taxes to only the pre-payment of property taxes. Passed

47 The Town voted to authorize the Selectmen to sign contracts necessary for the operation of Town affairs. Passed

48 The Town voted to authorize the Selectmen to borrow money for the use of the Town in anticipation of taxes. Passed

49 The Town voted to authorize the Selectmen to sell tax deeded property. Passed

50 The Town voted to hear any reports of Agents, Committees, etc. heretofore chosen and to take any action thereon. Passed Stan Pogorzelski was thanked for doing a fine job filling in as selectman for Art Amato who has been ill. Notice was given of a Civil Preparedness drill to be held. Janel Swanson was thanked and congratulated for a nice looking Town Report. It was recommended that the selectmen not furnish articles with zero's in them. It was suggested that Selectmen meetings be held periodically at the Veterans' Hall.

51 The Town voted to take any action that may legally come before the meeting. Passed Moderator, Ted Aldrich was thanked for doing a nice job running the Town Meeting. It was suggested that all people speaking at Town Meeting should first be recognized by the moderator.

Motion to adjourn. Passed 10:34 PM

Meeting adjourned at 10:34 PM.

Respectfully submitted,

Pamela R. Goodell

To the Board of Selectmen
Town of Richmond, New Hampshire

We have audited the general purpose financial statements of the Town of Richmond, New Hampshire as of and for the year ended December 31, 2002, and have issued our report thereon dated February 21, 2003.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement.

The management of the Town of Richmond, New Hampshire is responsible for establishing and maintaining an internal control structure. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control structure policies and procedures. The objectives of an internal control structure are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of general purpose financial statements in accordance with accounting principles generally accepted in the United States of America. Because of inherent limitations in any internal control structure, errors or irregularities may nevertheless occur and not be detected. Also, projection of any evaluation of the structure to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the effectiveness of the design and operation of policies and procedures may deteriorate.

In planning and performing our audit of the general purpose financial statements of the Town of Richmond, New Hampshire for the year ended December 31, 2002, we obtained an understanding of the internal control structure. With respect to the internal control structure, we obtained an understanding of the design of relevant policies and procedures and whether they have been placed in operation, and we assessed control risk in order to determine our auditing procedures for the purpose of expressing our opinion on the general purpose financial statements and not to provide an opinion on the internal control structure. Accordingly, we do not express such an opinion.

Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of one or more of the internal control structure elements does not reduce to a relatively low level the risk that errors and irregularities in amounts that would be material in relation to the general purpose financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control structure and its operation that we consider to be material weaknesses as defined above.

This report is intended for the information of management and the Board of Selectmen. However, this report is a matter of public record, and its distribution is not limited.

TOWN CLERK'S REPORT
DECEMBER 31, 2003

Revenue collected in the Town Clerk's office (\$174,254.42) increased by approximately \$18,000 over the amount collected last year. This is almost double the amount of increase we have had in past years. Perhaps that is because we had very little increase last year. Except for last year when we plateaued, a \$10,000 increase has been the pattern since I became Town Clerk in 1991.

The Windows based vehicle program we installed at the end of last year is finally working fairly well. We received numerous updates throughout the year to fix the early "bugs". Thank you for your patience with us during the past year.

In 1999 the State Title Law was changed from a 10-year to a 15-year law. Therefore, this is the last year that a 1989 vehicle needs to be titled. Starting in January, 1990 vehicles and newer will need to be titled.

The State continues to work towards on-line transactions for motor vehicles and vital records. In fact they are predicting a starting date of summer 2004. Now that we have Internet access, we should be ready when the time comes. However, it will mean much training and many changes for us as we learn the new processes. How far the computer is taking us!

We will also be busy in 2004 adjusting to many election law changes. A national Help American Vote Act was passed in 2002 with many of its conditions starting in 2004 and continuing into 2005. We have already been to one workshop to learn how to implement the new law and expect to have more sessions to follow. Within this time frame a computerized central computer database for a state checklist will be established, and we will be online for elections. Again the computer takes over!

We look forward to serving you in 2004.

Respectfully submitted,

Pamela R. Goodell

Tax Collector's Report End of Year 2003
Cornelius (Neil) Moriarty - Tax Collector

Well, after three (3) years of trying, we finally issued the tax bill in the year it was due – let's hope that this problem is behind us. I notified the banks and mortgage companies that Richmond NH had issued three (3) property tax bills in 2003; hopefully, this notification will prevent the people that have escrow accounts from being over charged.

Refinancing and property sales continue to keep the older tax delinquency down. However, this year was about 33% higher in liens applied for the prior year (2002 levy). We all hope that the recovery will get this situation back to normal soon. In keeping with past practice, the people shown as delinquent for 2003 are as of the day we go to the printer (February 2004); therefore, the totals will not be the same as the year-end MS 61 report.

Town Report

The Richmond Police department had another very busy year in 2003. The following is an overview of major events for the year. A parent reported that they thought that their juvenile son had bomb making information on his computer. We inspected the computer and were unable to find any information relating to bombs. Sgt. LaBelle responded to a subject with a firearm threatening to commit suicide. Fortunately Sgt. LaBelle secured the weapon prior to other officers arriving. The subject was taken into protective custody and transported to Cheshire Medical Center for counseling. Officer Bosquet received a complaint from a resident that there were two suspicious subjects in the 4 Corners Store. The resident was concerned that the subjects were going to attempt a robbery at the store. When Officer Bosquet arrived, the subjects were gone. Shortly after, there were two armed robberies in Fitzwilliam and Troy. Information obtained later by the New Hampshire State Police was that the suspects involved in the Fitzwilliam and Troy robberies were to begin their spree at the 4 Corners Store in Richmond but after casing the store had decided to skip it because it was too busy. We also have investigated several thefts, burglaries and criminal mischief calls as well as several domestic disputes throughout the year. Again this year we were subjected to a rash of smashed and damaged mailboxes but no suspects were located. We are working with other area police departments to solve these problems.

The department logged the following hour statistics for 2003.

Patrol:	904.5 hours
Investigative:	73 hours
Administrative:	1014.5 hours
Training:	60 hours
Court:	127 hours
Call Backs:	139 hours
Call Outs:	189.5 hours
On Call:	<u>95.75 hours</u>
Total Time:	2880.25 hours

Patrol time consists of actual time officers are out in the cruiser patrolling the roads in town. Investigative time is time officers spend investigating crimes. Administrative time is time officers spend writing reports, doing daily logs, writing arrest warrants, arrest affidavits, criminal complaints, calls for service reports and doing follow ups. Administrative time is also time spent by the Chief or Sergeant to complete administrative functions of the department to include Selectmen's meetings or other meeting, budget preparations, reviewing and approving reports, equipment maintenance and a variety of other tasks. Training time is time that officers spend training. All officers are required to complete firearms training, defensive weapons training, or any other training that I feel is relevant and beneficial to Richmond. Sergeant LaBelle attended several terrorism trainings, while Officer Ammann and I completed several other trainings. Court time is time spent in court for arraignments, trials, probable cause hearings, juvenile hearings, ALS hearings and Superior Court trials. Callbacks are hours spent calling citizens back while off duty; Callouts are times when Officers are called out to handle emergency calls while off duty. "On call" hours are times that officers are off duty but must be available for recall. Officers are not required to take "on call" time but if they agree to take this it is compensated by paying them 1 hour of duty time for every four hours that they are on call. I do not get paid for being "on call", but I am responsible for the majority of the "on call" time. The total hours worked by officers on this department are 2880.25 hours. This includes all the above listed items.

We continue to struggle to find qualified additional part time officers to fill the vacant positions. We started the year with a vacant position, which we had been trying to fill since October. Brendon Bosquet filled this position in February. Brendon has been a part-time officer in Gilsum for approximately two years. Brendon's full time position is a Campus Safety Officer for Keene State College. In March, J. Eric Ammann submitted his resignation as a part time officer citing family and full time work obligations. This has left yet another vacant position with the department.

An active search was conducted for additional personnel and two additional officers were hired in December. Rachel Derosier, a Communication Specialist for Cheshire County Sheriffs Office and Joseph Filipi, a Campus Safety Officer for Keene State College were hired and are in the process of field training. Both officers are scheduled to attend the Part-time police officers course provided by the New Hampshire Police Standards and Training Council beginning this February in Keene. Rachel is a native of Troy and currently resides in Keene while Joe is from Richmond. Joe is also a fireman for the Richmond Fire Department.

The Town of Richmond should be proud of the quality and dedication that encompasses the employees of the Police Department and its support staff.

Remember, that crime does not start nor does it stop at the edge of town. Be aware of your surroundings and the people in it. Please report all suspicious activity no matter how small it is. This will hopefully be a deterrent to criminal activity.

Fire Department Report -- 2003

We are all grateful for another year without a major loss due to fire. We ran on 84 calls this year, and not a single chimney fire. Thanks to everyone for keeping those chimneys clean and using care with wood stoves!

Thirty nine of those runs were medical, keeping the Rescue Squad hopping.

We had only two brush fires, but keep in mind that we live in the woods, and if they burn, so may our houses!! Please keep a well cleared area around your hose.

In 2003 we asked the Town to replace our first response engine, a 1970 GMC pumper. It has been in service for over 30 years, and is now having brake and suspension problems. The support was unanimous. For the first time in years, I was speechless! Thanks again!! The new engine was ordered in December, delivery should be late this summer. We got a stainless steel body and still came in about \$5000 under budget.

We were fortunate this year to add a number of new members. I would like to thank them and all of the members for their time in work, training and, of course, emergency response. Richmond is one of the few towns in the area with a truly volunteer fire department, one whose members draw no pay at all. We are very proud of this status, and ask that anyone with any interest in fire, rescue, or medical work to join us. Just contact any of our members.

RICHMOND FIRE DEPARTMENT RESCUE SQUAD

Richmond Rescue Inc.

Richmond, N.H. 03470

During the year 2003 your Rescue Squad was continuously training all for the opportunity to be available to serve the needs of the town. What a dedicated group of people our volunteers are.

Many thanks to the townspeople for the funds to purchase a new stair chair. This is a chair that enables our EMTs to safely and comfortably transport a person down a flight of stairs while not compromising or injuring the backs of the EMTs.

Remember, if you're reporting an emergency, dial 9-1-1 and describe the emergency and what is being done. Give your name, phone number you are calling from, location and the number of persons involved. DO NOT hang up, more information may be needed.

Thank you to the town and the family members of our volunteers for your continuing support.

Report of Forest Fire Warden and State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests and Lands cooperate to reduce the risk of wildland fires in New Hampshire. To help us assist you, contact your local Forest Fire Warden or Fire Department to find out if a permit is required before doing ANY outside burning. Fire permits are mandatory for all outside burning unless the ground where the burning is to be done (and surrounding area) is completely covered with snow. Violations of the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines up to \$2,000 and/or a year in jail, in addition to the cost of suppressing the fire.

A new law effective January 1, 2003 prohibits residential trash burning. Contact the New Hampshire Department of Environmental Services at (800) 498-6868 or www.des.state.nh.us for more information

Help us to protect you and our forest resources. Most New Hampshire wildfires are human caused. Homeowners can help protect their homes by maintaining adequate green space around the house and making sure that the house number is correct and visible. Contact your fire department or the New Hampshire Division of Forests and Lands at www.nhdf.org or 271-2217 for wildland fire safety information.

Richmond Archives Report

2003

The winter snows brought damage to the Richmond Public Library and the archives. January 31, 2003, the snow and ice build-up on the library roof caused water to run down the north walls of the library addition into the two archive rooms located beneath the Edith Atkins room. The archive collections were boxed and moved to the upper part of the library and to other town buildings. Repairs to the interior were carried out in the summer and by September the archival collections were returned to their catalogued locations. We thank the firemen, librarian, and library trustees for their help in our time of need. Due to the upheaval of the collections many of our summer inquiries and summer visitors were not able to be accommodated because the collections were boxed and stored. Only a very few items received water soaking and were quickly rescued.

This fall our visitors enjoyed seeing a refurbished and well lighted archives. The Star Spangled Banner publication gave us excellent coverage. Our most distant visitor hailed from Chicago. Alice Collar (grew up in Richmond) enjoyed going through the collections on Richmond Fire and Rescue Department; Alice's father, Arthur Stinson, was chief number of years ago. We thank Alice for her contribution of photographs and support of the Archives.

With the passing of Edith Atkins in mid year, the archives received much material on Richmond's history from the estate. Photographs of numerous subjects in Richmond, places, people, memorabilia and ephemera, as well as recordings of conversations concerning history, have been received during the fall months. We are grateful to Sybil Dupuis, Edith's niece for all of the items which we have received. Cataloging will continue in 2004.

Many who visit the archives mention the very small space in which we are located and wonder how we exist. Over time (since 1975) we have learned many things and continue to catalog, integrate where we can, and make more room in almost any tiny space we can negotiate. We often wonder how long this can continue. Our collections in the meanwhile continue to grow, showing us lifetimes of ages past. Many visitors are amazed and remember some of the events we have photographs of as well as old friends and neighbors. Yes, we will definitely need more space in the future as long as we have an archives and continue to save Richmond's history for future generations. It would be nice to start saving for expansion. In the interim we will continue to work and learn to maintain that which we have, and whatever we receive to the best of our abilities. A big thank you to Ruth Flanders for her dedication and hard work this year.

LIBRARY REPORT FOR 2003

During the past year 375 new books (including 200 uncataloged paperback books), 4 audio books, 21 videotapes, and 15 magazine subscriptions were added to the library's collections.

New shelving was added to the children's room and outdated and worn children's fiction titles were removed.

The Summer Reading Program had 58 children enrolled. The program ended with a party in the pavilion where Elaine Moriarty provided games and treats that were enjoyed by all the attendees. All children who completed the program received a \$5.00 gift certificate to the Toadstool Bookshop.

Elaine Moriarty provided monthly story hours throughout the past year, with activities and refreshments tied to the theme of featured stories. Each month Mrs. Moriarty installed a new display on the bulletin board in the children's room. These services are a wonderful compliment to our collection of children's materials. Thank you Elaine.

The library raised \$93.00 from the annual book sale.

Thanks to the Friends of the Library (Thank you Roberta and Fred Goldberg!) for their fundraising efforts which support the summer reading program and to the Toadstool Bookshop who contributes to the cost of the gift certificates.

Both the library and the archives suffered water damage in February caused by ice build-up on the north-facing roof. In December the archives received water damage as the result of heavy rains that flooded the basement. Thanks to the firemen who helped remove items from the archives for safekeeping while water damage was treated and repaired. Special thanks also to the Connell family who reshelved hundreds of books after the library repairs were completed, and to Traci Fryba for volunteering time from her busy life throughout the past year.

The librarian and the trustees wish to thank Richmond residents for their support of the library by generously voting for the library budget at Town Meeting each year, and by gifts of cash, materials and labor during the year.

The library hours are Tuesdays 4:30-8:00, Thursdays 4:30-7:00, and Saturdays 9:00-1:00. If you haven't visited the library, please come and browse and please bring your children. We look forward to seeing you in 2004.

**2003 ANNUAL REPORT
OF
THE PLANNING BOARD
TOWN OF RICHMOND, NEW HAMPSHIRE**

The Richmond Planning Board was occupied with several projects and one subdivision during 2003

Our subdivision application procedure was revised to include a pre-application review by a Planning Board designee. This was done to help the applicant of a subdivision to have a complete application presented to the Board. This will allow the Board to concentrate on the merits of the subdivision. The intent is to speed and simplify the subdivision process. Also an updated subdivision checklist and procedure matrix has been added to our regulations.

After thousands of man-hours of effort by the Planning Board the Master Plan is nearly complete. We are anticipating public hearings shortly after Town Meeting. We encourage the public to attend these meetings to provide their input.

One eight-lot subdivision was approved on Athol Road. This is the first subdivision approved under our cluster-zoning ordinance.

RICHMOND CONSERVATION COMMISSION 2003 ANNUAL REPORT

The Conservation Commission held its regularly scheduled monthly meetings plus special work sessions and field reviews.

Mr. Richard Drew was appointed by the Town Selectboard in August to fill a vacancy on the commission. Prior to his appointment, Dick, a NH licensed Land Surveyor, provided his expert assistance with researching Town Forest property deeds in preparation for the Bennett Town Forest Conservation Easement. Dick's experience as member and current chairman of the Planning Board, will provide the commission with valuable insight into land use issues and we welcome his enthusiasm and expertise.

Finally, we are pleased to report that in September, after five years of planning and preparation, The Richmond Conservation Commission and the Monadnock Conservancy cooperatively signed a conservation easement affording permanent protection to the 305 acre Harry J. Bennett Town Forest. A 1998 Town Warrant Article, initiated by former Conservation Commission member Pete Tandy, provided the authorization to proceed with the process that assures protection of the forest, wetlands, waterways and wildlife habitat from future development, thus preserving rural town character. Additionally, the easement protects public access for hiking, hunting, fishing; appropriate forest management, and agricultural activities. The Monadnock Conservancy will monitor activities within the Forest to assure compliance of the easement in perpetuity.

Road Agent Report 2003

The year got started with the posting of roads for mud season on March 17th. Gravel was hauled on the 19th – 22nd to Whipple Hill, Fay Martin, Tully Brook and Monument roads for mud. Road clean up began on April 14th. Grading roads started on April 22 and was completed on May 19th. Mary Beers painted new road signs for Lang, Morgan and Whipple Hill roads and they were installed on May 17th. Sand on Mill road was cleaned up and culverts and ditches were cleaned by the 30th. Brush cutting began on June 13th. Thomas drilled rock on Sprague road on June 25th. On July 1st 350 tons of cold patch was mixed at John Holman's Pit on Mill road. July 3rd Whipple Hill (tar part) was ditched, July 7th Morgan and Bowl Road (tar part) were ditched. On July 10th Buddy Blood dug out culvert ditches on Taylor Hill, Lang, Turnpike, Lang and Whipple Hill roads. On July 11 water was drained from the south side of the Veteran's Hall. On July 18th we began shaping up Tully Brook road for paving which took place on July 21st from Rt. 119 to Fay Martin road. In August brush was cut and on September 5th, Tully, Martin, Morgan, Bullock roads and the Town Hall lot was graded. In October the Beavers took over! They had to be dealt with at the culvert on Whipple Hill Road by Mary Schofields, Greenwoods road and Tully Brook road. On October 2nd Buddy Blood took care of a blown down tree on Whipple Hill road and hauled gravel to Sprague road. Then it was winter! Dan Firmin was awarded Winter Maintenance on the East side of Town and Buddy Blood was awarded Winter Maintenance on the West side of Town.

Winchester Solid Waste Management District Report

The amount of municipal solid waste (M.S.W./household rubbish) rose to above 1,000 ton this year (for the first time), some recyclables increased and others decreased. The following is a list and amounts of materials handled at the Transfer Station.

Municipal solid waste	1007.92 tons
Construction/demolition debris	439.57 tons
Metals	84.44 tons
Mixed paper	129.69 tons
Cardboard	31.67 tons
Co-mingled	139.79 tons
Waste oil	720.00 gals
Compost	approx. 200.00 yards
Tires	approx. 300.00 each
Used clothes (Salvation Army)	approx. 12.00 yards

We also accept untreated or painted wood, brush or slash less than 5" in diameter in our burn pit area.

This year a new E.P.A Storm Water Management permit was required with samples required and testing done. Requirements for the Dept. of Environmental Service have become less stringent in testing areas because of steady improvements in surface water, ground water and methane gas. The monitoring results have lead to less sampling points which results in lower cost.

New equipment this year included a new waste oil tank, which allows for safer handling of our used oil. This was obtained with grant monies at no cost to taxpayers. A new mower was also obtained which eliminated the cost of contracting the cutting of the grass on the closed portion of the landfill twice a year.

As is the case every year we rely heavily on the Highway Department to perform all sorts of tasks that are essential for the facility to run smoothly. This year they widened the area where C&D and metal containers are kept and put down crushed gravel. They also daily or weekly push up our brush pile, pack our container (C&D and metal) and turn the compost area. The crew plows, sands or salts during winter months and removes the huge snow banks. We really owe them a sincere debt of gratitude for the way they perform and respond.

The landfill stickers that allow you to enter the facility are due October 1 of every year and must be attached to your vehicle, plainly visible. For households that have more than one vehicle, after the initial \$10.00 fee any additional stickers are available for \$1.00 each.

REMEMBER, RECYCLING IS MANDATORY PER TOWN ORDINANCE.

Richmond, New Hampshire 03470

Dear Selectmen:

Enclosed please find the HCS - Home Healthcare, Hospice and Community Services - Annual Report to Richmond. The Annual Report includes statistical and financial information about the services provided to residents this year. We hope that you will consider including this information in the Town Report to let residents know about the services that are available to them.

For 2004, we are requesting an appropriation of \$1,500.00 for home care services in Richmond. The home care appropriation will cover services that assist residents to recover at home, or to remain independent at home. These services include visiting nurses, rehabilitation therapists, home health aides and homemakers. In addition, prenatal and well child care, hospice services and health promotion clinics are available to residents.

HCS continues to make every effort to seek funding for patient care from a variety of sources. In 2003, services to residents were covered by the town's appropriation and other sources, including Medicare, Medicaid, insurances, grants and HCS's fund raising efforts. With the many changes that are taking place with funding at the federal and state level, as well as the increasing need for services by elderly residents, we respectfully request that the home care appropriation remain at the current level to care for residents.

Please do not hesitate to contact me at 352-2253 if you have any questions regarding this request.

Sincerely,

Susan Ashworth
Director of Community Relations

HCS - HOME HEALTHCARE, HOSPICE AND COMMUNITY SERVICES
REPORT TO THE TOWN OF RICHMOND
JANUARY 1, 2003 TO DECEMBER 31, 2003

ANNUAL REPORT

In 2003, HCS - Home Healthcare, Hospice and Community Services continued to provide home care and community services to the residents of Richmond. The following information represents HCS's activities in your community in 2003.

SERVICE REPORT

SERVICES OFFERED

SERVICES PROVIDED

Nursing	594 Visits
Physical Therapy	70 Visits
Occupational Therapy	1 Visit
Medical Social Worker	46 Visits
Homemaker	48 Hours
Home Health Aide	224 Visits
Outreach	2 Visits
Adult In-Home Care	185 Hours

Total Unduplicated Residents Served: 33

Prenatal care, hospice services and regularly scheduled wellness clinics and child health clinics are also available to residents. Town funding partially supports these services.

FINANCIAL REPORT

The actual cost of all services provided in 2003 with all funding sources is \$99,290.00.

These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. In 2003, town support of services not covered by other funding totaled \$1,077.00.

For 2004, we request that an appropriation of \$1,500.00 be available to continue home care for Richmond residents.

Thank you for your consideration.

Budget Committee
Town of Richmond
Town Offices
Richmond, NH 03470

Dear Budget Committee Members,

As you know, Monadnock Family Services is active in your community, providing quality mental health services to anyone who needs them regardless of their ability to pay. As part of this mission, we feel it is important to let you know the extent of our work, and are pleased to give you the enclosed census report which outlines services provided to residents in your town during 2002-2003. Over the past year, MFS provided services to over 7,500 adults, children and older adults, of which 25 were residents of Richmond.

Once again, MFS is asking for your financial support to help underwrite the cost of services we provide to the uninsured and underinsured individuals in your town. Based on figures from the 2002 population estimates from the NH Office of State Planning, we are asking for the equivalent of \$1.25 per capita, which for the town of Richmond, amounts to \$1,386.25.

We ask for your continued consideration and support of our request. The cost to MFS to serve the uninsured has increased steadily with rising treatment costs and more people seeking subsidized services. The cost of serving the uninsured and under-insured residents of the Monadnock Region has averaged a half a million dollars annually for the past four years. United Way funds and town subsidies cover about a third of this significant expense. Our services to uninsured adults are further jeopardized as state regulations prohibit us from supplementing non-funded or under-funded services with state funds.

Your ongoing support of our work is deeply appreciated, and we hope that our partnership in caring for the residents of Richmond will continue. We work very hard to keep our costs down, and to identify, whenever possible, alternate sources of funding for this population.

In addition to the census report, I have enclosed materials describing the services we provide. If you have questions, or require more information, a representative from the agency will be happy to speak with you.

Again, your support is very important to us. By working together, we help to insure our communities remain healthy and vital places to live, work and grow.

Thanks for your consideration.

Sincerely,

Ken Jue

The
Community
Kitchen, Inc.

P.O. Box 1315
37 Mechanic Street
Keene, NH 03431
(603) 352-3200

October 1, 2003

Office of the Selectmen
Town of Richmond
105 Old Homestead Highway
Richmond, NH 03470

Dear Selectmen:

I am writing to request that The Community Kitchen, Inc. be placed either on your March, 2004 Town Meeting warrant or in your town budget, for an operating budget request in the amount of \$500.00.

In setting our request amount, we try to balance the amount of use the individual town has made of The Kitchen in the last year with the town's ability to pay. Between January 1, 2003 and September 30, 2003, The Community Kitchen distributed 79 boxes of food, containing 1,224 meals, to residents of Richmond. Based on these numbers, we have projected distribution totals for the year 2003 of 105 boxes, containing 1,628 meals to residents of Richmond, for a total cost to The Community Kitchen of \$879.08.

Attached is a sheet showing different facts about our distribution to residents of Richmond, including how many of the people served were under age 19 or over age 59. The average cost per meal to The Community Kitchen is \$0.54, which covers all of our costs - including salary, property and liability insurance, vehicle operation and maintenance, utilities and food purchases.

Not included in the \$0.54 is the actual value of the donated food as well as the hundreds of hours of volunteer time and other in-kind donations we receive. If we factored these in, the \$0.54 cost per meal would jump to over \$1.50 per meal. As you see, in terms of value received, the \$500.00 we are requesting from Richmond is a bargain.

An average of 625 families come to the Pantry for food assistance every week. We have asked for written proof of names, ages, addresses and income for each member of every household. A typical weeks' box will contain cereal, juice, yogurt, bagels, bread, pasta, sauce, chicken, fresh fruits and vegetables, soup, dessert items and personal care products. Approximately 70% of the items we distribute are donated from local wholesalers, retailers and restaurants. We purchase the remaining 30% locally, or from the NH Food Bank in Manchester, where we are charged \$0.14 per pound. Approximately \$85,000.00 is spent each year on food.

At the Hot Meal program, dinner is prepared and served family style Monday through Friday, between 5:00 and 6:30 pm at our building on Mechanic St., Keene. Although we serve dinner to residents of most Cheshire County towns, we are not requesting reimbursement for those meals.

If you are interested, I would be happy to set up a time for a meeting or phone conversation with you in order to answer any further questions you may have. Please let me know when that might be convenient. Thank you for your time and consideration.

Sincerely,

Mindy Cambiar
Executive Director

United Way Agency

REQUEST FOR FUNDING PROPOSAL
TO THE
TOWN OF RICHMOND, NEW HAMPSHIRE

AGENCY NAME: The Community Kitchen, Inc.

DATE: October 1, 2003

1. Briefly describe the role of the agency:

The Community Kitchen, Inc., is a not-for-profit, direct service agency which provides hot meals, take home boxes containing food and personal care items, information and advocacy to low and moderate income men, women and families with children in the Cheshire County, NH area. Since its founding in 1983, the Kitchen has served and/or distributed over 6 million meals to people in need.

2. Identify the services that Town funding will provide:

The Pantry Box Program operates out of a space in our building on Mechanic Street. Each box provides approximately three days' worth of meals for each family member. Computerized and handwritten records are kept of family names, number of people, street addresses, dates of receiving each box, income and age. Each family or individual coming in for the first time must fill out a form required by the USDA, and provide back-up documentation for all of the above information. Many referrals have been made to this program from Town and City Welfare offices, school nurses and other agencies. Almost 70% of the food for this program is donated, and over 1,000 volunteer hours each month are donated by community members to ensure the success of the program. Take-home boxes of food are available on Wednesdays from 12:30 pm to 5:30 pm and on Thursdays from 11:00 am to 4:00 pm, or by special arrangement.

Hot meals are served Monday through Friday from 5:00 to 6:30 pm at our Mechanic Street location. Meals are prepared by a volunteer staff under the supervision of the Hot Meals Coordinator. Menus are planned after donated food is picked up at bakeries, delicatessens, supermarkets and restaurants. Meals consist of two or more entrees, salads, vegetables, fruit, bread, soup, desserts and beverages, and are served by volunteers. Guests/participants make up over 35% of our volunteer crew and help primarily with set-up and clean-up. We are not requesting any funding from your town for our Hot Meal program, but thought you might want to know about it.

3. **a) Number of clients served 01/01/03 to 09/30/03 at the Pantry:**
Unduplicated individuals: 4,909
Unduplicated households: 1,905
- b) Number of those who were Richmond residents:**
Unduplicated individuals: 8
Unduplicated households: 5
- c) Number of above Richmond clients served who were under age 19: 0**
d) Number of above Richmond clients served who were over age 59: 5
- e) Number of Pantry boxes distributed 01/01/03 to 09/30/03: 22,293**
f) Number of those Pantry boxes distributed to Richmond residents: 79
g) Number of meals in pantry boxes distributed 01/01/03 to 09/30/03:
508,158
h) Number of those meals in pantry boxes distributed to Richmond residents:
1,224
- i) Estimated dollar cost, per client served, 2002: \$46.43**
Calculated using \$411,661 total cash expenses, 8,867 total clients
- j) Estimated dollar cost, per meal served, 2002: \$0.54**
Calculated using \$411,661 total cash expenses, 767,766 total meals
- k) Cost to Community Kitchen of pantry meals provided to Richmond residents, at \$0.54 per meal through 09/30/03: \$660.96**
- l) Percentage of total pantry box meals provided to residents of Richmond: 0.24%**

Please note that the numbers provided on this page are actual numbers for January through September only.

Traditionally, The Community Kitchen experiences a tremendous increase in both the number of families served and the number of meals distributed in November and December, due to Thanksgiving and Christmas holidays, cold weather and fuel bills. It is anticipated that at the end of the year over 30,000 pantry boxes will have been distributed in total.

The amount of reimbursement we have requested is based on the actual number for the first three quarters of the year and an estimate of the fourth quarter added together.

Southwestern Community Services Inc.

A Community Action Agency Serving Cheshire & Sullivan Counties

November 25, 2003

Mr. Arthur Amato, Chair
Office of the Selectmen
105 Old Homestead Avenue
Richmond, NH 03470

Dear Mr. Amato,

We at Southwestern Community Services, Inc. wish to once again thank you for last year's appropriation for our agency.

As we have in years past, we are asking the local communities with which we work to consider a small appropriation to assist with our outreach effort. Although our costs have risen, as have yours I am sure, we are trying to keep our new request as low as possible, knowing that resources are limited.

I am enclosing an updated list of resources and services that Southwestern Community Services delivered to the residents of Richmond during the past year. Upon completion of your review, we respectfully request that we be placed on your town warrant to ask the voters to appropriate the sum of \$681. This will allow us to continue the outreach and service delivery in Richmond at the same level as in the past.

We look forward to continuing the excellent working relationship that we have had with Richmond over the past thirty-six years.

In closing, I would like to offer to meet with the Board of Selectmen or Budget Committee, or any group you suggest in an effort to further detail the significance of our request. I look forward to hearing from you in the near future.

Sincerely,

David W. Osgood, Deputy Director
Southwestern Community Services, Inc.

The Samaritans

of the Monadnock Region

November 20, 2003

Selectman's Office
Town of Richmond
Route 32, Old Homestead Highway
Richmond, NH 03470

Dear Selectmen:

Please support The Samaritans' 2004 Municipal Campaign

Did you know that families in your community have been effected by suicide?
Please see the attached report.

Since 1981, The Samaritans have maintained the only completely confidential and anonymous, volunteer manned suicide prevention hotline. I continue to be amazed at the compassion of our volunteers to help the lonely, depressed and suicidal of all ages throughout New Hampshire. I am both inspired and humbled at their dedication to be there when people just need someone to talk to. Unlike other nonprofit agencies, The Samaritans do not charge any fee for the services that we provide. We must rely solely on our community's goodwill and generosity to sustain our programs.

Today, I am asking you to join the towns of Antrim, Charlestown, Harrisville, Hinsdale, and Keene in their support of the work that we do.

Accordingly, we request a modest \$250 municipal grant to help maintain our 24-hour crisis hotline program, the SamariTEEN Hotline and our Educational and Outreach Programs.

Together, we can make suicide prevention a partnership of our 29 cities and towns.

Thank you in advance for your consideration of this request. If you have any questions, about our hotline or other programs, please don't hesitate to call me on our business line at 357-5510. Additionally, if there is the opportunity for me to present this request at an appropriate Town Meeting please contact me to arrange for that presentation.

Thank you for your time and consideration.

Sincerely,

Jennifer Costa
