THE STATE OF NEW HAMPSHIRE

TOWN WARRANT

MARCH 2005

The polls will open from 11:00 A.M. to 7:00 P.M.

To the inhabitants of the Town of Richmond, in the County of Cheshire in said state,
Qualified to vote in Town Affairs;

You are hereby notified to meet at the Veterans Memorial Hall in said Richmond on
Tuesday the 8th of March, next at 11:00 A.M. of the clock in the morning to act upon the
following subjects:

1. To choose all necessary Town Officers for the year ensuing.

Changes Proposed by the Planning Board to the Cluster Development provisions in the Zoning Ordinance.

2. Amendment 1, Article 15 Definitions

1536 Open Space (Cluster Development) - Undeveloped, set aside land with
conservation easements and other deeded restrictions insuring the land will remain
permanently open and undeveloped

1537 Common Area (Cluster Development) - Any land area apart from the open space
set aside for common ownership and common facilities. Does not include residential lots.

1538 Narrow Strips (Cluster Development) - Land in the open space that is too narrow
to maintain features of "Open Space".

3. **Amendment 2:** Delete articles 406.1 thru 406.7 of the current ordinance and replace
with article 406.1 as amended.

Article 406.1 A cluster development shall consist of multiple dwelling units and an
amount of land equal to 3 acres per dwelling unit. It shall contain a minimum of 20 acres.
At least half of the land shall be dedicated by perpetual easement to be open space
remaining permanently undeveloped.

a. The open space shall be owned jointly by the owners of the cluster residential
housing lots.

b. No more than ½ of the open space may consist of wetlands, areas with some
surface water or areas with unaltered slopes of greater than 25%.

c. The open space shall be contiguous with no long narrow strips.

d. Only passive recreational uses such as hiking, bicycling, cross country skiing,
horseback riding and picnicking are permitted in the open space.

e. Streets and driveways shall not be counted as open space.

f. The common area where residential lots shall be located shall be served by a
town approved road which shall enter from a public road (class 1, 2, 4, and 5 or an
approved subdivision road). The right of way at the entrance shall be 150 feet wide.

g. Residential lots must have frontage on the cluster road of 175 feet and a setback from the road of 75 feet. Other dimensional requirements shall be the same as those for standard residences in article 4. If a common septic system or a common well is to be constructed the frontage may be reduced to 50 feet when required to make the facility feasible. Setbacks to adjacent lots may be adjusted accordingly.

h. Common land will not contain any wetlands, surface water or unaltered slopes greater than 25%.

i. Residential lots in the cluster but fronting on the public road shall conform to all requirements in article 4, except that driveways must enter the cluster road.

4. **Amendment 3:** Delete Article 406.1 thru Article 406.7 of the current ordinance and replace with Article 406.2 as amended.

Article 406.2 The Planning Board may offer cluster developers a “Density Bonus” for innovative open space protection. Such bonuses constitute an increased number of residential units in the common space over the number that would be permitted under Article 406.1. The total of this increase can in no case exceed the number of lots possible by more than 25%. These bonuses shall be awarded for the following:

j. If the open space is 60% or more, a bonus up to 10%.

k. If the open space is 70% or more, a bonus up to 20%.

l. Trails made available to the general public (no motorized vehicles), a bonus up to 5%.

m. Preservation of agriculturally valuable lands may qualify for a bonus of 10% up to 25% depending on the amount of valuable land available.

n. When the open space is at least 70% mature forest and any plan to cut is approved by the Planning Board a bonus of up to 15% may be granted.

o. If the developer protects a visually desirable landscape then, at the discretion of the Planning Board, a bonus of up to 5% may be awarded.

p. Preservation of historically significant buildings or landscapes identified by the Planning Board may be awarded a bonus of up to 5%.

q. If the tract contains lots fronting on a public road (class 1, 2, 4 or 5 or an approved subdivision road) that meet the requirements for a residential lot as stated in articles 401 thru 405, that are to be preserved in the undeveloped condition then the developer may be awarded a bonus. This bonus may be an additional building unit for each lot so preserved up to a maximum of 4 extra building units.

5. **Amendment 4**

Article 406.3 The Planning Board may require an applicant to use a cluster development design if the property to be developed possesses special features important to the Town:

a. Large contiguous tracts of unfragmented land.

b. Agricultural land with soils designated as prime or of statewide significance.

c. Rare, threatened, or endangered species or exemplary natural communities.

d. Frontage on any surface water body ten acres or greater, or on any third or fourth order stream as shown on topographical maps.

e. A portion of an aquifer with a transmissivity in excess of 1000 sq. ft. per day.

f. Unique natural, cultural and/or historical features as identified in the current version of the Richmond Master Plan.

James Buzzell, Chairman of the Supervisors of the Checklist made the following remarks, "As a Supervisor of the Checklist during the past few years I have had the pleasure of working with Bob Van Brocklin to insure the checklist was current and accurate. The commitment, experience and understanding that Bob and Sylvia have provided the town of Richmond during their combined 50 years of service is commendable. Bob is not a candidate this year. He and Sylvia have decided to pursue their many other interests. It's a great loss for Richmond. I would thereby like to take this opportunity to commend them for their 50 years of unselfish service to the Town of Richmond. As a town, and many of us individually, we have benefited greatly from their generosity. Thank you Bob and Sylvia. God bless you both."

Motion to adjourn. Passed
Meeting adjourned at 10:00 PM.

Respectfully submitted,

Pamela R. Goodell

To the Board of Selectmen
Town of Richmond, New Hampshire

We have audited the general purpose financial statements of the Town of Richmond, New Hampshire as of and for the year ended December 31, 2003, and have issued our report thereon dated May 12, 2004.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement.

The management of the Town of Richmond, New Hampshire is responsible for establishing and maintaining an internal control structure. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control structure policies and procedures. The objectives of an internal control structure are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of general purpose financial statements in accordance with accounting principles generally accepted in the United States of America. Because of inherent limitations in any internal control structure, errors or irregularities may nevertheless occur and not be detected. Also, projection of any evaluation of the structure to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the effectiveness of the design and operation of policies and procedures may deteriorate.

In planning and performing our audit of the general purpose financial statements of the Town of Richmond, New Hampshire for the year ended December 31, 2003, we obtained an understanding of the internal control structure. With respect to the internal control structure, we obtained an understanding of the design of relevant policies and procedures and whether they have been placed in operation, and we assessed control risk in order to determine our auditing procedures for the purpose of expressing our opinion on the general purpose financial statements and not to provide an opinion on the internal control structure. Accordingly, we do not express such an opinion.

Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of one or more of the internal control structure elements does not reduce to a relatively low level the risk that errors and irregularities in amounts that would be material in relation to

the general purpose financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control structure and its operation that we consider to be material weaknesses as defined above.

This report is intended for the information of management and the Board of Selectmen. However, this report is a matter of public record, and its distribution is not limited.

Selectmen's Report for the Year 2004

2004 was a year for rebuilding the systems we use at the town hall for mapping, property value and, generating tax bills. We put the old software to rest and started using QuickBooks accounting software to manage the Town finances. The old system of managing taxable property ownership and value was retired and replaced by Proval software. The re-valuation of the whole town was completed in the fall and all the data was entered on our computer. The tax maps were redrawn with AutoCad using arial photos, deed research and survey information. We also began to convert the old tax collector software to Munismart. Changing all of this at once was not easy but had to be done to make things easier in the future as the Town grows.

We said "goodbye" to Mim Johnson as she moved out of town in November. Mim was a very dedicated board member and we wish her the best in her new home. Stan Pogorzelski was appointed to fill out Mim's term.

Our moderator, Ted Aldrich, and librarian, Dianne Jacobson, also moved out of town, and we thank them for their many years of service.

Neil Moriarty retired from his position as collector, and we thank him for running his office with integrity.

Some of the Town buildings received much needed repairs. The library roof was reshingled and the railing replaced. Part of the roof facing south needs some structural work before the roofing can be finished. The CD building got a new roof also. The Vet's hall south parking lot was cleared and plans were made to install a handicap accessible restroom and move the ramp to the side of the building as a result of a visit from the State voting officials.

The Selectmen wish to thank all of the Town employees and citizens who volunteer their valuable time to keep our Town departments and committees running smoothly. With your efforts the Town continues to be a great place to live.

TOWN CLERK'S REPORT
DECEMBER 31, 2004

Revenue collected in the Town Clerk's office (\$181,598.70) was up by over \$7,000 from last year. The biggest part of the increase was due to motor vehicle registrations.

There have been a lot of changes in motor vehicle, vital records and election procedures due to the computer. We now have a high speed Internet cable in the Town Clerks office for use with Vital Records. This service is provided and paid for by the Bureau of Vital Records through Time Warner Cable. It means we can now create birth, death and marriage records from online information. The Motor Vehicle Department also continues to work towards having all town clerks online with them. Perhaps this will happen for us in 2005. 2005 may also be the year that the computerized central database for the checklist is completed.

All town clerks are now being required to undergo training sessions for the Privacy Act. This means a little more bother for our customers as they now have to bring in their present registrations in order to renew their vehicles. We thank people for their understanding and patience with this new act.

This year we welcomed Betty Grondin-Jose to our office and are pleased that she was able to join us.

Respectfully submitted,

Pamela R. Goodell

Tax Collector's End of Year Report - December 30, 2004

The 2004 tax year was significant in that we collected many years of old delinquent taxes. Richmond is starting 2005 with what should be a normal delinquency.

Ms Marsha Garone has asked me to clarify why she was listed as delinquent for property taxes in the 2003 Town Report. The reason she was shown as delinquent is because I did not ask for the payment from her bank – the money was available to the town had I asked for it.

Due to differences in opinion with the selectmen on how the tax office should be run – I resigned as tax collector on December 29, 2004. It has been my pleasure to serve the residents of Richmond since the fall of 1997.

Regards,

Neil Moriarty

LIBRARY REPORT

2004 was a year of great changes at the Richmond Public Library. In the spring, Dianne Jacobson, who had been our beloved librarian for over a decade, announced that she was moving to Kentucky. Evelyn Huston graciously volunteered to serve as librarian while we searched for Dianne's replacement, a task that was far more difficult and took more time than the trustees had ever imagined. Beginning in April and continuing over the summer and into the fall, Evelyn, assisted first by Katie Coll and then by Jessica Connell, not only kept the library running smoothly but also continued the job of weeding the collection begun by Dianne. They also began and completed the massive job of clearing out decades of accumulated "stuff." Maureen Blackledge was able to thoroughly clean the entire library for the first time in ages, and Elaine Moriarty volunteered to redecorate the bathroom and begin painting the Atkins room. In November when the trustees were fortunate enough to hire Wendy O'Brien, she was able to begin work in a bright and cheerful library thanks to all their dedicated work. We, and all town residents, should be very grateful for all their help.

The library added 629 new volumes to the collection in 2004, along with 120 uncataloged paperback books, 27 audio books, 50 videos, and 3 DVDs. In preparation for the automation of library services, the fiction and juvenile easy reader collections were given close scrutiny and many of the older and damaged volumes were removed for the annual book sale.

The children's programming remained busy, with Elaine Moriarty presenting a monthly story hour. Evelyn Winter made the eye-catching exterior signs for the program. Elaine also coordinated the summer reading program, "Check Out a Hero" with 23 children participating. She continued to update the bulletin boards in the children's room monthly.

The Library's fundraising also remained active. The book sale brought in \$149.00. A special "Give Away Day" was also held following the sale to help clear the remaining volumes from the storage room. Other fundraising events included the bake sale at the Richmond Craft Fair coordinated by Roberta Jaffe and Fred Goldberg, which raised over \$100. Several private donations were also received.

This year the library received a large bequest from the Estate of Edith Atkins, and the Trustees voted to use the funds towards automation of the library's services. This will include the purchase of a new computer and software, which will allow patrons to view the library's collection on an online catalog, as well as have a faster and easier checkout. In addition, a computer with internet access will be available for public use. Data entry into the state library system has already begun, and you can access our catalog from home at www.nhu-pac.library.state.nh.us.

The Librarian and the Trustees wish to thank the Richmond residents for their continued support of the library in the Town's budget. Stop by and see your dollars at work!

Richmond Archives Report

2004

For the second time in the archives twenty-seven year history there was a flood in the last days of 2003. This time water poured in from the sudden thaw of a huge pile of snow on the upper level of the library parking area. The edge of the newly asphalted area for library parking had a ten foot pile of snow from plowing. Seventy-three linear feet of lower shelves in the archives were saturated. Thanks to members of the Fire Department and Serve-Pro Inc., materials were moved to other buildings. Twenty-seven books and ledgers were stored in a freezer (to prevent mold and rot) and are now being dried out by Multers, a firm that deals with the drying process. Loose documents were hand dried. New conservation materials were purchased, documents recatalogued, shelves raised four inches, and items replaced. Much time was required to complete this process before visitors could once again come for research. Insurance will pay for the professional help and volunteers aided in many hours of work.

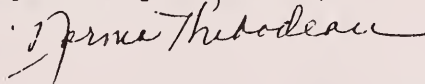

Archives collections were increased by additional gifts of Richmond photographs and materials from the Edith Atkins Estate, for which we are very grateful. Visitors and correspondents have given gifts of photographs, funds, and materials adding to history and conservation. Work will continue to conserve the collections by subject and period. Collections are only beneficial to people when they can serve for whatever purpose, whether it be civic or familial history.

This year our friend and most ardently dedicated assistant in the archives, Ruth Flanders, retired and moved to Arizona. For over ten years Ruth has spent countless hours cataloging and conserving historical materials. Ruth's help in the conservation processes and the creativity to make collections we receive user friendly will forever be part of Richmond's wonderful history. A more dedicated person does not exist. I will not only miss Ruth's tremendous work, but a good friend. We thank her and wish her well.

As part of life, death claimed one of our staunch supporters, Dr. Richard Martin. Dick was brought up in Richmond and never forgot his early life here. The archives received so much from his expertise and knowledge of a period in history which is not documented in a book. His creative mind, care, and interest remain for us all in his writings, photographs, and his many contributions.

Inevitable changes in 2004, including deaths of a number of our residents, the relocation of others, and the influx of new residents adds to our history. Time does not stand still. We grow, whether it be old or new, and we hope, with grace and dignity. Our collections will also grow and we hope remain part of our culture for many generations to come... to learn... to enjoy... and to show who we were and how we lived.

Report of Community Park Committee

This year, the Community Park Committee came a little closer to installing the playground equipment purchased a few years ago. As you may recall, there have been dilemmas in the past regarding where to put this equipment. It could not go in the same location as the current equipment, as this would be too close to the Fire Station and could pose a danger should there be a fire and our Town volunteers would need to park in that general area. The next proposed location was near the pavilion at the edge of the ball field. It was decided that the equipment couldn't be put there either, as it could pose a danger with being too close to the ball field and the fact that the ball field area needs to be kept available for an emergency helicopter landing spot.

We do, however, finally have a good location for our new playground equipment. Our thanks to the Library Board of Trustees for allowing us to use part of the land given to them in back of the library. This spot is far enough away from the ball field, but still close enough to the pavilion for people to be able to keep an eye on the children playing.

This area was cleared of trees in December. The budget request for 2005 includes monies needed to take out the stumps and bring in suitable fill to bring the level of the ground up and serve as a good base for the playground equipment. Once this is done, we will plan a time to install the new equipment. We hope to get several volunteers to help us in this project! Many hands make light work! We will post the proposed weekend when we get closer to this final step.

Conservation Comm. 2004 Annual Report

The Richmond Conservation Commission held its regularly scheduled meetings, wetland field reviews and special work sessions.

A stream and pond siltation complaint filed by a town resident with the State of N.H. Wetlands Bureau, was investigated by the conservation commission. Erosion from a children's ATV and dirt bike trail resulting from heavy rains during the month of August created the problem. The landowner of the dirt bike trail, cooperatively agreed to install a siltation fence until the area could be stabilized, thus controlling the erosion of the stream and pond.

In July the commission hosted a program presented by Richard Ober and Kristen Grubbs from the Monadnock Conservancy, about the advantages of preserving open space through conservation easements on their properties. The talk also included a discussion about the protection of the Metacomet – Monadnock trail which runs from Connecticut to Mt. Monadnock. Landowners interested in protecting the rural character of Richmond and open space and its potential tax – savings opportunities, may contact the Richmond Conservation Commission or the Monadnock Conservancy at 603-357-0600.

With much regret, the commission accepted the resignation of its Secretary, Marie Knowlton, effective December 31st, 2004. For many years Marie kept exceptional minutes and records of our activities and was instrumental in directing our financial assets into an MBIA account. We wish Marie the best of luck and appreciate the contributions she made to the commission.

The conservation commission does not request town tax funding and is solely supported by the generosity of private contributions, grant funding or monies derived from Bennett Town Forest silvicultural practices.

Report of Forest Fire Warden and State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands cooperate to reduce the risk of wildland fires in New Hampshire. To help us assist you, contact your local Forest Fire Warden or Fire Department to find out if a permit is required before doing ANY outside burning. A fire permit is required for all outside burning unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 1-800-498-6868 or www.des.state.nh.us for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information contact the Division of Forests & Lands (603) 271-2217, or online at www.nhdfi.org.

This last year was fairly wet throughout the spring and summer months, however we finished the season with an active fall fire season. In order to meet an increased demand for services, the Forest Protection Bureau was reorganized into three regions with smaller Forest Ranger Districts and over the last several years we have added two Forest Rangers. The fifteen state fire towers were the first to report on many fires throughout the state and they completed many other projects on the low fire danger days. The state implemented a program called Tower Quest to help citizens learn about fire towers and the need to protect New Hampshire's forest resources. The United States celebrated Smokey Bear's 60th birthday in 2004, and celebrations were held throughout the state. Please help Smokey Bear, your local fire department and the state's Forest Rangers by being fire smart and fire safe!

RICHMOND FIRE DEPARTMENT RESCUE SQUAD

Richmond Rescue Inc.

Richmond, N.H. 03470

Another year gone! But, your Rescue Squad has been quietly and consistently training to keep our skills sharp. With the Town's funding, we are also able to keep our equipment up-to-date.

This year, we saw the addition of two new First Responders. If there is anyone who would like to join the Rescue Squad, please contact any one of our members who could give you more information. Volunteers are always needed.

Just a little reminder, if you're reporting an emergency, dial 9-1-1 and describe the emergency and what is being done. Give your name, phone number you are calling from, location and the number of persons involved. DO NOT hang up, more information may be needed.

Our continuing thanks to the Town and the family members of our volunteers for their on-going support.

The Richmond Police Department has had another busy year. We have had several events this year that have been notable. We have covered multiple motor vehicle crashes and have made several arrests throughout the year.

A couple of the noticeable events that come to mind are a reported burglary that took place in May at a summer cabin in town. Several subjects entered the cabin and destroyed the inside of the cabin. Sgt. LaBelle responded to the complaint and began an investigation. His investigation lead to the arrest and conviction of several people in connection with the incident. In May we received information that led to a search warrant being granted on a subject growing marijuana in the center of town. Officer Derosier and I executed the search warrant and located several illegal weapons along with marijuana. In late August and early September, the department received 2 reports of stolen all terrain vehicles from their yards. Officer Bosquet and I conducted investigations and subsequently the vehicles were located in two different areas and returned to the owners. The suspects in the case were indicted by a grand jury. These are only highlighted areas of the events handled.

The department logged the following hour statistics for 2004.

Patrol:	891.25 hours
Administrative:	944.25 hours
Training:	288.5 hours
Court:	80.5 hours
Call Backs:	156 hours
Call Outs:	136.5 hours
On Call:	<u>459 hours</u>
Total Time:	2956 hours

Patrol time consists of actual time officers are out in the cruiser patrolling the roads in town. Administrative time is time officers spend writing reports, doing daily logs, writing arrest warrants, arrest affidavits, criminal complaints, calls for service reports, follow ups, and times doing investigations. Administrative time is also time spent by the Chief or Sergeant to complete administrative functions of the department to include Selectmen's meetings or other meeting, budget preparations, reviewing and approving reports, equipment maintenance and a variety of other tasks. Training time is time that officers spend training. All officers are required to complete firearms training, defensive weapons training, or any other training that I feel is relevant and beneficial to Richmond. Training time also includes time that officers spend becoming certified part time officers and field training of those officers. Court time is time spent in court for arraignments, trials, probable cause hearings, juvenile hearings, ALS hearings and Superior Court trials. Callbacks are hours spent calling citizens back while off duty; Callouts are times when Officers are called out to handle emergency calls while off duty. "On call" hours are times that officers are off duty but must be available for recall. Officers are not required to take "on call" time but if they agree to take this it is compensated by paying them 1 hour of duty time for every four hours that they are on call. I am responsible for the majority of the "on call" time. I am only compensated for part of the time that I am "on call". The total hours worked by officers on this department are 2956 hours. This includes all the above listed items.

I had also worked to secure an upgraded vehicle from a local dealership to replace our quickly failing 1993 Chevrolet Caprice cruiser. Fairfield Motors of Keene worked very hard to locate a 1998 Chevrolet S-10 Blazer that would serve Richmond for a while. This vehicle has 100 thousand miles less on it than the Caprice had. It is also a 4-wheel drive, which better suits the roads and conditions in town. Fairfield's donated 1/2 of the cost of the vehicle to the town, which allowed me to upgrade some of the aging equipment that was in the Caprice. A total of \$8000 was spent to purchase and upgrade of the equipment in vehicle.

During 2004 we added two part-time officers to the staff. In the early part of the year, Officer Derosier attended the part-time police officer certification required by the State. Officer Filipi was hired by the Keene Police Department as a Full-time officer. Unfortunately for Richmond, Keene does not allow their recruits to work anywhere else for at least one year. In August Officer Melia was hired to fill the open slot. Officer Melia is attending the part-time school in early 2005. We had searched for qualified people that were already certified but had no luck. Officer Derosier and Officer Melia are also required to complete a minimum of 80 hours of field training within the department. This means that Sgt. LaBelle and I have to train them and evaluate their performance during this time. This ensures that they are qualified to handle any call or situation and not get injured in the process. This reduces the liability to the town.

Unfortunately training new officers puts a burden on a part time department. It becomes very difficult to schedule time that both the recruit and the training officer are available from their full time jobs at the same time. There is also the expense of having 2 officers working at the same time. These steps cannot be bypassed due to the liability issue.

As I have stated in the past, the Town of Richmond should be proud of the quality and dedication that encompasses the employees of the Police Department and its support staff. I would like to take a moment to thank Margie Wyman for her dedication and service to the Richmond Police Department as our administrative assistant. Margie and Rudd moved out of Richmond early this year. The Police Department would also like to welcome Lynn Adams as our new secretary. After receiving a couple of applications, Sgt LaBelle and I evaluated those applications and had to make a very difficult decision between 2 highly qualified applicants. We agreed on one and Lynn was hired in the middle of the year. I have seen some positive administrative changes. We look forward to a positive future.

Remember, that crime does not start nor does it stop at the edge of town. Be aware of your surroundings and the people in it. Please report all suspicious activity no matter how small it is. This will hopefully be a deterrent to criminal activity.

Road Agent's Year in Review 2004

The 2004 season began with the posting of Town roads on February 28th. We began spring repair on March 10th bringing gravel onto Taylor Hill road, filled in around culverts and repaired a small washout on Lang road. On March 22nd we had frozen culverts on Greenwoods road. General road cleanup began on March 23rd, cleaning ditches and culverts. On April 6th gravel was drawn to repair Tully Brook and Fay Martin road potholes. We began sweeping off intersections on April 9th. Trees were marked for cutting on Fay Marin road April 14th. Finnish Grade began to grade roads on April 15th. May 6th we finished grading, raking and ditching town roads. May 10th a washout culvert was repaired on Taylor Hill road, and we began picking up stones for a culvert wall to be built and finished on May 13th. May 15th brush was cut on Honey Hill road. June 3rd began by digging a ditch on Bullock road by Kelley's. On June 7th a section of Bullock road was graded due to a small washout from house on hill. June 8 – 10 Sandy Pond, Mill and part of Fish Hatchery road were ditched with the grader. On June 22nd Annual brush cutting was started. June 24th we began to put out crushed gravel on Whipple Hill road from Pudding Hill road toward the Massachusetts State line, from Schofield's to Merwins. Crush gravel was also put out on Turnpike road from the bridge up through to Lang road. This totaled 1058 cubic yards @ \$4.25 per yard, trucked, spread and graded. In July we began to widen the Fay Martin road past the church. September brought problems with beavers on Greenwoods road; we put up fence above culverts. In September Sandy Pond road was paved from Rt.# 32 to past Brokenshire's. On October 10th fall grading began. New runner planks were installed on the Turnpike Bridge. On November 10, overhang was cut on Turnpike road. December 6, finished picking up brush.

Winter Season 2004/2005 Road Maintenance Bids were awarded to:
East Side of Rt.#32 Dan Firmin for \$28,600.00
West Side of Rt.# 32 Elton "Buddy" Blood Jr. for \$28,860.00

Winchester Solid Waste Management District Report

The district is nearing completion of a 3-year contract with Waste Management to run the facility and is presently drafting a request for proposals to operate the transfer station. These requests should be mailed early in the coming fiscal year. The partnership between Waste Management and the district for the past seven years has been one of strong communication with very minimal problems. Preliminary indications have shown that the next contract should be very competitive.

The amount of construction and demolition debris handled at the transfer station rose 11% this year, while municipal solid waste (household trash) had a 7% increase. The following is a list of materials and amounts handled at the transfer station during this past year:

Municipal Solid Waste (Trash)	1,075.97 Tons
Construction/Demolition Debris	488.42 Tons
Metals	71.75 Tons
Mixed Paper	112.47 Tons
Cardboard	53.92 Tons
Co-Mingled (Tin, aluminum cans, glass, #1 plastics)	159.81 Tons
Waste Oil	820.00 Gallons
Compost	Approx. 220.00 Yards
Tires	Approx. 400.00 Tires
Used Clothing (Salvation Army)	Approx. 1.50 Tons

We also accept untreated or unpainted wood, brush, and slash less than five inches in diameter in our burn pit area.

This past year we had very little erosion problems on the closed landfill and we fertilized and seeded a small portion of the eastern slope. Surface water, ground water, and methane gas testing have all continued to yield good results showing steady improvements in the capped landfill. With added equipment, the town now does all of the mowing at the site as opposed to contracting the work to an outside source.

The landfill stickers that allow property owners or residents to enter the facility must be renewed on October 1st of every year and must be attached to your vehicle and be plainly visible. For households that have more than one vehicle, additional stickers are available for \$1.00 each after the initial \$10.00 sticker is purchased.

Remember...Recycling is mandatory per the Winchester Town Ordinance!

Office of the Selectmen
Town of Richmond
105 Old Homestead Highway
Richmond, NH 03470

Dear Selectmen:

I am writing to request that The Community Kitchen, Inc. be placed either on your March, 2005 Town Meeting warrant or in your town budget, for an operating budget request in the amount of \$ 1,250.00.

In setting our request amount, we try to balance the amount of use the individual town has made of The Kitchen in the last year with the town's ability to pay. Between 1/1/2004 and 9/30/2004, The Community Kitchen distributed 134 boxes of food, containing 2,538 meals, to residents of Richmond. Based on these numbers, we have projected distribution totals for the year 2004 of 179 boxes, containing 3,384 meals to residents of Richmond, for a total cost to The Community Kitchen of \$ 1,861.20.

Attached is a sheet showing different facts about our distribution to residents of Richmond, including how many of people served were under age 19 or over age 59. The average cost per meal to The Community Kitchen is \$ 0.55, which covers all of our costs - including salary, property and liability insurance, vehicle operation and maintenance, utilities and food purchases.

Not included in the \$ 0.55 is the actual value of the donated food as well as the hundreds of hours of volunteer time and other in-kind donations we receive. If we factored these in, the \$ 0.55 cost per meal would jump to over \$ 2.50 per meal. As you see, in terms of value received, the \$1,250.00 we are requesting from Richmond is a bargain.

An average of 674 families come to the Pantry for food assistance every week. We have asked for written proof of names, ages, addresses and income for each member of every household. A typical weeks' box will contain cereal, juice, yogurt, bagels, bread, pasta, sauce, chicken, fresh fruits and vegetables, soup, dessert items and personal care products. Approximately 70.00% of the items we distribute are donated from local wholesalers, retailers and restaurants. We purchase the remaining 30.00% locally, or from the NH Food Bank in Manchester, where we are charged \$ 0.17 per pound. Approximately \$105,000.00 is spent each year on food.

At the Hot Meal program, dinner is prepared and served family style Monday through Friday, between 5:00 and 6:30 pm at our building on Mechanic St., Keene. Although we serve dinner to residents of most Cheshire County towns, we are not requesting reimbursement for those meals.

If you are interested, I would be happy to set up a time for a meeting or phone conversation with you in order to answer any further questions you may have. Please let me know when that might be convenient. Thank you for your time and consideration.

Sincerely,

Mindy Cambiar

REQUEST FOR FUNDING PROPOSAL
TO THE
TOWN OF Richmond, NEW HAMPSHIRE

AGENCY NAME: The Community Kitchen, Inc.

DATE: October 1, 2004

1. Briefly describe the role of the agency:

The Community Kitchen, Inc., is a not-for-profit, direct service agency which provides hot meals, take home boxes containing food and personal care items, information and advocacy to low and moderate income men, women and families with children in the Cheshire County, NH area. Since its founding in 1983, the Kitchen has served and/or distributed over 6.8 million meals to people in need.

2. Identify the services that Town funding will provide:

The Pantry Box Program operates out of a space in our building on Mechanic Street. Each box provides approximately three days' worth of meals for each family member. Computerized and handwritten records are kept of family names, number of people, street addresses, dates of receiving each box, income and age. Each family or individual coming in for the first time must fill out a form required by the USDA, and provide back-up documentation for all of the above information. Many referrals have been made to this program from Town and City Welfare offices, school nurses and other agencies. Almost 70.00% of the food for this program is donated, and over 1,000 volunteer hours each month are donated by community members to ensure the success of the program. Take-home boxes of food are available on Wednesdays from 12:30 pm to 5:30 pm and on Thursdays from 11:00 am to 4:00 pm, or by special arrangement.

Hot meals are served Monday through Friday from 5:00 to 6:30 pm at our Mechanic Street location. Meals are prepared by a volunteer staff under the supervision of the Hot Meals Coordinator. Menus are planned after donated food is picked up at bakeries, delicatessens, supermarkets and restaurants. Meals consist of two or more entrees, salads, vegetables, fruit, bread, soup, desserts and beverages, and are served by volunteers. Guests/participants make up over 35.00% of our volunteer crew and help primarily with set-up and clean-up. We are not requesting any funding from your town for our Hot Meal program, but thought you might want to know about it.

3. **a) Number of clients served 1/1/2004 to 9/30/2004 at the Pantry:**
Unduplicated individuals: 5,753
Unduplicated households: 2,251
- b) Number of those who were Richmond residents:**
Unduplicated individuals: 40
Unduplicated households: 13
- c) Number of above Richmond clients served who were under age 19: 14**
d) Number of above Richmond clients served who were over age 59: 6
- e) Number of Pantry boxes distributed 1/1/2004 to 9/30/2004: 25,600**
f) Number of those Pantry boxes distributed to Richmond residents: 134
- g) Number of meals in pantry boxes distributed 1/1/2004 to 9/30/2004:**
562,860
- h) Number of those meals in pantry boxes distributed to Richmond residents:**
2,538
- i) Estimated dollar cost, per client served, 2003: \$44.69**
Calculated using \$474,793.00 total cash expenses, 10,625 total clients
- j) Estimated dollar cost, per meal served, 2003: \$ 0.55**
Calculated using \$474,793.00 total cash expenses, 862,337 total meals
- k) Cost to Community Kitchen of pantry meals provided to Richmond residents, at 0.55 per meal through 9/30/2004: \$1,395.90**
- l) Percentage of total pantry box meals provided to residents of Richmond: 00.45%**

Please note that the numbers provided on this page are actual numbers for January through September only.

Traditionally, The Community Kitchen experiences a tremendous increase in both the number of families served and the number of meals distributed in November and December, due to Thanksgiving and Christmas holidays, cold weather and fuel bills. It is anticipated that at the end of the year over 34,133 pantry boxes will have been distributed in total.

The amount of reimbursement we have requested is based on the actual number for the first three quarters of the year and an estimate of the fourth quarter added together.

Town of Richmond
Board of Selectmen
Richmond, NH 03470

Dear Selectmen,

I am writing this letter on behalf of the Board, staff, volunteers and especially the individuals we serve to say thank you for your recent donation of \$250.

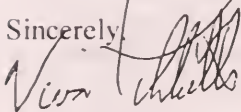

Because there is no federal or state funding for suicide prevention/crisis intervention services and because we do not charge for any of our services, we rely on the generosity of individuals and towns, like Chesterfield, to ensure that our services can continue to be available. Your willingness to support our work is an invaluable gift.

This letter serves as a formal acknowledgement for tax purposes and federal tax law requires that this receipt be maintained to substantiate the charitable deduction. The Samaritans is a 501 (c)(3) nonprofit organization and acknowledges that no goods or services were provided by The Samaritans for your contribution and you are entitled to deduct the full amount of your contribution, within the limits otherwise prescribed in the Internal Revenue Code.

We would enjoy working with you further and we are available to discuss issues concerning suicide prevention and the crisis intervention services. Please, call us if you are interested in having someone from The Samaritans come to speak.

Thank you for helping and caring! We are truly grateful for your support.

Sincerely,

A Community Action Agency Serving Cheshire & Sullivan Counties

December 9, 2004

Office of the Selectmen
105 Old Homestead Avenue
Richmond NH 03470

Dear Chairperson,

We at Southwestern Community Services, Inc. wish to once again thank you for last year's appropriation for our agency.

As we indicated at that time, we are at a point where we are having to ask the communities we work with to consider a small appropriation to assist with our outreach effort. Although other CAP agencies in New Hampshire have always received town support, we have resisted, knowing how tight budgets are.

For your reference, I am enclosing a breakdown of the services we have delivered during the past year in Richmond. We would like to respectfully request that we be placed on your town warrant to see if the voters will appropriate an amount equal to that which they appropriated last year. In the case of Richmond, the amount was \$849.

In closing, I would like to offer to meet with the board of selectmen or budget committee or any group you suggest in an effort to further detail the significance of our request. I look forward to hearing from you in the near future.

Sincerely,

David W. Osgood, Deputy Director

Board of Selectmen
105 Old Homestead Hwy.
Richmond, New Hampshire 03470

Dear Selectmen:

Enclosed please find the HCS - Home Healthcare, Hospice and Community Services - Annual Report to Richmond. The Annual Report includes statistical and financial information about the services provided to residents this year. We hope that you will consider including this information in the Town Report to let residents know about the services that are available to them.

For 2005, we are requesting an appropriation of \$1,500.00 for home care services in Richmond. The home care appropriation will cover services that assist residents to recover at home, or to remain independent at home. These services include visiting nurses, rehabilitation therapists, home health aides and homemakers. In addition, prenatal and well child care, adult day care, hospice services and health promotion clinics are available to residents.

Home health care is a vital resource, particularly for elderly residents, who are discharged from hospitals and long term care facilities with complex medical needs and require nursing care and other support services to remain at home. The town's support of services for these residents is critical.

Please do not hesitate to contact me at 352-2253 if you have any questions regarding this request.

Sincerely,

Susan Ashworth
Director of Community Relations

HCS - HOME HEALTHCARE, HOSPICE AND COMMUNITY SERVICES
REPORT TO THE TOWN OF RICHMOND
JANUARY 1, 2004 TO DECEMBER 31, 2004

ANNUAL REPORT

In 2004, HCS - Home Healthcare, Hospice and Community Services continued to provide home care and community services to the residents of Richmond. The following information represents HCS's activities in your community in 2004.

SERVICE REPORT

<u>SERVICES OFFERED</u>	<u>SERVICES PROVIDED</u>
Nursing	680 Visits
Physical Therapy	105 Visits
Occupational Therapy	10 Visits
Medical Social Worker	37 Visits
Homemaker	52 Hours
Home Health Aide	290 Visits
Outreach	7 Visits
Adult In-Home Care	233 Hours
Home & Community Based Services*	11 Hours

*Home and Community Based Care is a Medicaid program which offers extended home care services to individuals who are in need of nursing home level care but can be maintained at home for a lower cost.

Total Unduplicated Residents Served: 54

Prenatal and well child care, adult day care, hospice services and regularly scheduled wellness clinics are also available to residents. Town funding partially supports these services.

FINANCIAL REPORT

The actual cost of all services provided in 2004 with all funding sources is \$137,612.00.

These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services not covered by other funding have been supported by your town.

For 2005, we request that an appropriation of \$1,500.00 be available to continue home care for Richmond residents.

Thank you for your consideration.

Board of Selectmen
Town of Richmond
Town Offices
Richmond, NH 03470

Dear Selectmen,

As you know, Monadnock Family Services is active in your community, providing quality mental health services to anyone who needs them regardless of their ability to pay.

Once again, MFS is asking for your financial support to help underwrite the cost of services we provide to the uninsured and underinsured individuals in your town. Based on figures from the 2002 population estimates from the NH Office of State Planning, we are asking for the equivalent of \$1.25 per capita, which for the town of Richmond, amounts to \$1,375.00.

We ask for your continued consideration and support of our request. The cost to MFS to serve the uninsured has increased steadily with rising treatment costs and more people seeking subsidized services. The cost of serving the uninsured and under-insured residents of the Monadnock Region has averaged a half a million dollars annually for the past four years. United Way funds and town subsidies cover about a third of this significant expense. Our services to uninsured adults are further jeopardized as state regulations prohibit us from supplementing non-funded or under-funded services with state funds.

Your ongoing support of our work is deeply appreciated, and we hope that our partnership in caring for the residents of Richmond will continue. We work very hard to keep our costs down, and to identify, whenever possible, alternate sources of funding for this population.

If you have questions, or require more information, a representative from the agency will be happy to speak with you.

Again, your support is very important to us. By working together, we help to insure our communities remain healthy and vital places to live, work and grow.

Thanks for your consideration.

Sincerely,

Ken Jue
Chief Executive Officer
