Selectmen's Report for 2005

Another year is past and it brought the typical changes and trials. It was a good year as we had no major storms, washouts or other natural disasters.

There was a freeze up at the CD building Dec 15th. We had planned on finishing the restroom area there but the freeze brought to light the fact it needs handicap access. There being no signed contract before Dec 31st, we will do the work this spring. Due to contractor issues, we didn't get the Vets Hall parking lot or the handicapped restroom projects completed. One down side to the year was the desecration of the Veteran's Hall in the spring. We managed to get it cleaned up with the help of the persons responsible and hope to get the building painted this summer. Due to the Park Committee budget being cut to zero, there was no money for mowing the ball field. We had to have it mowed for a helipad and for Pavilion rentals. We want to thank Bob Van Brocklin for his hard work in getting it mowed and cleaned up.

We had 26 building permits. 6 were houses, 7 were additions, 8 were garages and barns etc and 5 were porches and decks. Our office is getting adjusted to the new assessing and mapping software and we are looking forward to the upgrades to be installed in 2006. We will soon be able to print out property maps as well as property cards.

We want to thank Dan Reppucci for his service as Health Officer and Lynn Adams for her long time service as Selectmen Secretary. You can still find Lynn in the Police Department as Andy's secretary and as a member of the Rescue Squad. We had an interim secretary in Elaine Pierce and she deserves our thanks as well for filling in. She was a welcome addition to our office. We also want to welcome Ron Raymond. Ron has been a long time resident in Richmond and will be taking over the Health Officer position. A special thank you to Janel Swanson, our Selectmen's Assistant, for her accurate, efficient and dedicated job performance that helps us stay on task.

Steve Boscarino became our new Tax Collector. He arrived along with our new tax collection software. He has done a great job in learning the software and getting our bills out on time in spite of being new to both the office and the software. Andy Wood deserves congratulations for becoming certified as a full time police officer.

Thank you to Neil Moriarty who has been appointed to the All Hazards Regional Planning Group to work on the inoculation plan project. This is part of the FEMA plan to protect residents in the event of bio or viral hazards such as small pox or bird flu. We'd like to compliment the CD, Fire Department and Rescue Squad members that worked so hard to give Richmond the great review for the Vermont Yankee Drill in the late summer.

One final thank you to all the volunteers and employees that work so hard to keep our Town the great place to live that it is. This includes all the committee members that devote so much of their time.

Respectively submitted,

Dana Taylor, Chairman

THE STATE OF NEW HAMPSHIRE

TOWN WARRANT

MARCH 2006

The polls will open from 11:00 A.M. to 7:00 P.M.

To the inhabitants of the Town of Richmond, in the County of Cheshire in said state,
Qualified to vote in Town Affairs;

You are hereby notified to meet at the Veterans Memorial Hall in said Richmond on
Tuesday the 14th of March, next at 11:00 A.M. of the clock in the morning to act upon the
following subjects:

1. To choose all necessary Town Officers for the year ensuing.

Amendments to the Zoning Ordinance

2. Amendment 1

Article 305: This amendment replaces article 305 in the current ordinance. A recreational vehicle may be used as a temporary dwelling, on a transient basis, which shall not exceed 3 consecutive months in 12 month period, unless such vehicle is stored in a campground or a recreational vehicle camping park. However, upon written application from the owner of said vehicle, the Board of Selectman may grant an extension not to exceed 3 additional consecutive months. Recreational vehicles shall not, under any circumstances be used as a permanent place of residence. A safe and sanitary method of sewage, wastewater and solid waste disposal shall be provided.

Are you in favor of this amendment?

The Richmond Planning Board recommends a vote of yes on this amendment.

3. Amendment 2

Article 312: This amendment will replace article 312 in the current ordinance. All dwelling units and additions are to be built on a permanent foundation. Foundations will consist of footings and foundation walls. All footings must be constructed of concrete, placed below the level of frost. All foundation walls must be constructed of a contiguous concrete, cement block, brick, stone, or other approved permanent type material, providing lateral, horizontal and vertical support.

Definitions: Foundations: This definition will replace the existing definition in the current ordinance. Foundations: Foundations will consist of footings and foundation walls. All footings must be constructed of concrete, placed below the level of frost. All foundation walls must be constructed of a contiguous concrete, cement block, brick, stone, or other approved permanent type material, providing lateral' horizontal and vertical support.

Are you in favor of this amendment?

The Richmond Planning Board recommends a vote of yes on this amendment.

4 Amendment 3

Article 312.1 This amendment is an addition to the current ordinance.

Non dwelling Units, if they are attached to a dwelling unit, may have a foundation constructed of masonry or wood piers with a footing placed below the level of frost.

Examples are decks, porches, or barns. If a non dwelling unit is converted to a dwelling unit it shall conform to all applicable dwelling requirements.

Are you in favor of this amendment?

The Richmond Planning Board recommends a vote of yes on this amendment.

5. Amendment 4

316: An addition to the current ordinance. Depositing, storing or dumping of combustion products, ash, burned or unburned materials from any type of power plant or commercial incinerator is prohibited at any location in Richmond.

6. Amendment 5 Article 406 Cluster Development replaces article 406 in the current ordinance.

The purpose of this amendment is to create and preserve open space permanently, reduce infrastructure cost and enable manageable growth.

406.1 A cluster development shall consist of a minimum of six or more dwelling units and be located in the residential district or lakeside district.

406.2 A minimum of 3 acres, including wetlands, for each dwelling unit is required.

Are you in favor of this amendment?

The Richmond Planning Board recommends a vote of yes on this amendment.

406.3 Each building lot within the cluster shall be a minimum of 1 1/2 acres excluding wetlands. The remaining land (open Space) shall contain a minimum of 50%, including wetlands, of the total land of the cluster. This shall be owned in common by all the lot owners and maintained by them. The open space shall be contiguous, with no long narrow strips. With the exception of the case that a common septic system is to be constructed, the minimum lot frontage shall be 125 feet on the common driveway and contain a square of 125 feet per side. In the case of the common septic system, the building lot size may be reduced to 3/4 acre and the frontage to 75 feet with the requirement that the lot contain a square of 75 feet per side. The additional land resulting from the reduction in lot size must be added to the total dedicated to open space. The land required for construction of the common driveway shall be taken from the building lots in the depth direction. The land required for the septic system may be taken from the open space land held in common by all.

A common well may also be constructed but must comply with current Zoning requirements and included in the common space.

When each lot is sold the deed will transfer an undivided pro rated share of ownership in the open space appurtenant to ownership of the lot.

406.4: The common driveway serving the building lots shall be constructed to a design approved by the Selectmen.

406.5: The minimum frontage for the cluster on a public road (class 1,11, IV, or V) or an approved subdivision road shall be 125 feet per dwelling unit. The common Driveway may enter the public road from this frontage. No building lots may front on the public road.

406.6: Single family dwelling units, two family dwelling units and multiple family dwelling units are permitted. The individual lot size shall be 1 1/2 acres per dwelling unit or a lesser size down to 3/4 acre minimum if a common septic system is chosen. If a common septic system is chosen, a state approved design must be presented to and approved by the Planning Board.

406.7: The commonly owned open space shall not be used for any structure with the exception of a common approved septic system. Recreational areas, trails or paths are permitted. A private non profit organization consisting of all land owners shall be established by the developer to manage, maintain, support, and finance necessary actions to the common facilities and common area of the cluster and enforce any covenants.

406.8: There shall be deed restrictions, conditions, covenants, or easements which will protect and preserve the open space and provide a suitable enforcement mechanism to ensure that the open space will remain open and undeveloped except as permitted herein.

406.9: Recreational such as hiking, bicycling, cross country skiing, horseback riding, and picnicking, and including agriculture are encouraged in open spaces.

406.10: All other provisions of article 4 and article 3 shall apply except that the setback from the front property line shall be a minimum of 40 feet. In the case of a cluster utilizing a common septic system, a minimum of a 10 foot setback from side and rear property lines and 40 feet from the front property line are required for any structure. The common septic system must be a minimum of 75 feet from any dwelling lot.

Cluster: A special arrangement of land with a reduced minimum building lot size with multiple lots on a contiguous parcel of land to remain permanently undeveloped.

Common Space: The land in a cluster commonly owned by the building lot owners used for various functions such as a common driveway serving the property owners. It must be apart from the minimum 50% of open space.

Open Space: The parcel of land in a cluster with an easement that ensures that it will remain permanently undeveloped.

Are you in favor of this amendment?

The Richmond Planning Board recommends a vote of yes on this amendment.

7. Amendment 6. Article 407: Accessory dwelling Units.

The accessory unit's amendment is an addition to the current ordinance it provides homeowners the opportunity to add to their dwelling unit an apartment to house a relative when the lot size meets the requirements for a single family dwelling.

407:1. Only one accessory dwelling unit shall be permitted per lot.

407:2. A record property owner shall occupy either the primary dwelling unit or the accessory dwelling unit as his or her primary residence. The property owner shall submit an affidavit in support of conditional use for accessory dwelling unit to the Board of Selectmen with his or her application for conditional use permit, stating under oath that he or she satisfies the owner occupancy requirement of this section. In addition, within 90 days of a transfer of title, any property is subject to the terms and conditions of a conditional use permit for an accessory dwelling unit, the new owner must state under oath that he or she satisfies the occupancy requirement of this article.

407.2 a. The term "primary residence" for determining owner occupancy shall mean the location where the owner(s) is/are domiciled and has a place of abode, and the place, where the property owner has, through all of his or her actions, demonstrated a current intent to designate said residence as his or her place of physical presence. Such intent on the part of the property owner is evidenced by, among other things, his or her voter's registration, vehicle registration, drivers license, or the placement of his or her children in public or private schools. Any temporary lapse of owner occupancy caused by the death of a property owner shall be permitted for a reasonable period.

407.2 b If the owner is a trust, the term property owner shall mean the creator or a beneficiary of the trust.

407:3 There shall be no more than two bedrooms in an accessory dwelling unit

407:4. An accessory dwelling unit shall have a minimum floor area of 400 square feet but in no case shall the floor area comprise more than 30% of the gross floor space of the primary single family dwelling. The accessory dwelling unit shall be part of the primary single family dwelling unit. An accessory dwelling unit shall comply with the Town building codes. An accessory dwelling unit may also contain a single living room, dining room, kitchen, and up to two bathrooms. If the proposed accessory dwelling unit cannot meet said requirements it is prohibited.

407:5. State septic system plan approval is required prior to the issuance of a building permit.

407.6. A dimensional plot plan of the property shall be submitted as part of the conditional use permit application. This shall show the location of driveway and paving, building setbacks, utilities, fences, buffer yard and other relevant features of the site.

407.7. No more than one driveway access is permitted.

407.8. All dimensional requirements of the zoning ordinance for a single family dwelling shall be observed.

407.9. Adequate notice, for recording at the registry of deeds, shall be prepared by the owner of record identifying the property on which the accessory dwelling unit is located by source deed. The notice should also state the date and conditions of approval of the accessory dwelling unit permit sufficient to notify the successor owner that the accessory dwelling unit is subject to the town's zoning ordinance and the conditional accessory dwelling unit use permit issued by the Board of Selectmen.

407. 10. If the owner decides to transfer the property and is unable to identify a buyer interested in fulfilling the conditions of paragraph 2, the deed of transfer of the property must state that this property is no longer allowed to have an accessory dwelling unit until they meet the requirements of this ordinance.

Definitions: The following is new and will be added if this amendment is approved.

Accessory Dwelling Unit: A second dwelling unit attached to the principle dwelling unit on a building lot approved for a single dwelling. Both of the units on the lot must be occupied by the record primary owner/owners and relatives of the owner/owners only. Relatives are defined as parents or children of one of the primary owners or the deceased spouse of one of the primary owners.

Are you in favor of this amendment?

The Richmond Planning Board recommends a vote of yes on this amendment.

8. Amendment 7

This amendment will replace article 605 in the current ordinance.

605: Uplands must constitute at least 50% of the of the minimum lot requirements and no septic tank or leach field may be closer then 100 feet to any wetlands.

Are you in favor of this amendment? The Richmond Planning Board recommends a vote of yes on this amendment.

9. Amendment 8

This amendment is an addition to the current ordinance.

903.2: All buildings, building components and structures shall comply with the STATE BUILDING CODE, and the STATE FIRE CODE. The construction design, structure maintenance and use of all buildings or structures to be erected and the alteration, renovation, rehabilitation, repair; maintenance, removal or demolition of all structures and buildings previously erected shall be governed by the provision of the STATE BUILDING CODE according to State Law. RSA I 55-A:2.

The standards including definitions established by the most recent entity the LIFE CYCLE CODE, NFPA Doc Shall take precedence over all standards in the STATE BUILDING CODE relative to means of egress. All new buildings shall conform to the requirements of the STATE FIRE CODE.

Definition: The following will be adopted if the amendment is adopted

State Building Code: Adopted by reference of the International Building Code, the International Plumbing Code, the International Mechanical Code and the International Energy Code as published by the International Code Council and the National Electric Code.

Are you in favor of this amendment?

The Richmond Planning Board recommends a vote of yes on this amendment.

THE STATE OF NEW HAMPSHIRE

TOWN MEETING RESULTS

MARCH 2005

The meeting was called to order at 7:15 P.M. We were unable to have the flag ceremony because the weather prevented the Boy Scouts from attending the meeting. Reverend David Berman led the prayer.

The moderator made several announcements. He stated that a majority vote is required on each article. People need to raise their hands and get permission to speak. All comments are to be directed through the moderator. Articles will not be reconsidered. Residents have the right to challenge the moderator's decisions, and the moderator is required to put such issues to vote.

1. OFFICERS VOTED ON EARLIER:

- Supervisor of the checklist for 1 year, Melissa Herman -105
- Library trustee for 3 years, Barbara Woodward - 133
- Cemetery trustee for 3 years, Gregory Cormier - 121
- Planning Board for 3 years, James Buzzell – 137
- Planning Board for 3 years, Gordon Oxx Jr. - 98
- Selectman for 3 years, Stan Pogorzelski - 178
- Trustee of trust funds for 3 years, Geraldine Lutz - 137
- Moderator for 1 year, William Watt - 208

The Town voted by ballot on changes proposed by the Planning Board to the Cluster Development provisions in the Zoning Ordinance.

2. The Town voted against Amendment 1 as follows: **Article 15 Definitions**
1536 Open Space (Cluster Development) - Undeveloped, set aside land with conservation easements and other deeded restrictions insuring the land will remain permanently open and undeveloped
1537 Common Area (Cluster Development) - Any land area apart from the open space set aside for common ownership and common facilities. Does not include residential lots.
1538 Narrow Strips (Cluster Development) - Land in the open space that is too narrow to maintain features of "Open Space". 117 – yes; 143 – no Failed.

3. The Town voted against Amendment 2 as follows: Delete articles 406.1 thru 406.7 of the current ordinance and replace with article 406.1 as amended.

Article 406.1 A cluster development shall consist of multiple dwelling units and an amount of land equal to 3 acres per dwelling unit. It shall contain a minimum of 20 acres. At least half of the land shall be dedicated by perpetual easement to be open space

remaining permanently undeveloped.

a. The open space shall be owned jointly by the owners of the cluster residential housing lots.

b. No more than ½ of the open space may consist of wetlands, areas with some surface water or areas with unaltered slopes of greater than 25%.

c. The open space shall be contiguous with no long narrow strips.

d. Only passive recreational uses such as hiking, bicycling, cross country skiing, horseback riding and picnicking are permitted in the open space.

e. Streets and driveways shall not be counted as open space.

f. The common area where residential lots shall be located shall be served by a town approved road which shall enter from a public road (class 1, 2, 4, and 5 or an approved subdivision road). The right of way at the entrance shall be 150 feet wide.

g. Residential lots must have frontage on the cluster road of 175 feet and a setback from the road of 75 feet. Other dimensional requirements shall be the same as those for standard residences in article 4. If a common septic system or a common well is to be constructed the frontage may be reduced to 50 feet when required to make the facility feasible. Setbacks to adjacent lots may be adjusted accordingly.

h. Common land will not contain any wetlands, surface water or unaltered slopes greater than 25%.

i. Residential lots in the cluster but fronting on the public road shall conform to all requirements in article 4, except that driveways must enter the cluster road. 103 – yes; 149 – no Failed.

4. The Town voted against Amendment 3 as follows: Delete Article 406.1 thru Article 406.7 of the current ordinance and replace with Article 406.2 as amended.

Article 406.2 The Planning Board may offer cluster developers a “Density Bonus” for innovative open space protection. Such bonuses constitute an increased number of residential units in the common space over the number that would be permitted under Article 406.1. The total of this increase can in no case exceed the number of lots possible by more than 25%. These bonuses shall be awarded for the following:

j. If the open space is 60% or more, a bonus up to 10%.

k. If the open space is 70% or more, a bonus up to 20%.

l. Trails made available to the general public (no motorized vehicles), a bonus up to 5%.

m. Preservation of agriculturally valuable lands may qualify for a bonus of 10% up to 25% depending on the amount of valuable land available.

n. When the open space is at least 70% mature forest and any plan to cut is approved by the Planning Board a bonus of up to 15% may be granted.

o. If the developer protects a visually desirable landscape then, at the discretion of the Planning Board, a bonus of up to 5% may be awarded.

p. Preservation of historically significant buildings or landscapes identified by the Planning Board may be awarded a bonus of up to 5%.

q. If the tract contains lots fronting on a public road (class 1, 2, 4 or 5 or an approved subdivision road) that meet the requirements for a residential lot as stated in articles 401 thru 405, that are to be preserved in the undeveloped condition then the developer may be awarded a bonus. This bonus may be an additional building unit for each lot so preserved up to a maximum of 4 extra building units. 99 – yes; 154 – no

Failed.

5. The Town voted against Amendment 4 as follows:

Article 406.3 The Planning Board may require an applicant to use a cluster development design if the property to be developed possesses special features important to the Town:

- a. Large contiguous tracts of unfragmented land.
- b. Agricultural land with soils designated as prime or of statewide significance.
- c. Rare, threatened, or endangered species or exemplary natural communities.
- d. Frontage on any surface water body ten acres or greater, or on any third or fourth order stream as shown on topographical maps.
- e. A portion of an aquifer with a transmissivity in excess of 1000 sq. ft. per day.
- f. Unique natural, cultural and/or historical features as identified in the current version of the Richmond Master Plan 102 - yes; 151 - no Failed.

At 7:00 P.M. the following;

6. The Town voted to raise and appropriate the sum of \$51,925 for Executive Salaries and Expenses. Passed.

7. The Town voted to raise and appropriate the sum of \$34,332 for Election, Registration & Vital Statistics. Passed.

(Recommended by Selectmen) Passed.

43. The Town was asked to raise and appropriate the sum of \$5,000 to add to the Expendable General Fund Trust Fund, Established 2001, Article 14, under the provisions of RSA 31:19-a, known as the Public Safety Radio Communication Fund, for the purpose of purchasing and/or upgrading radio communication equipment. (Recommended by Selectmen) An amendment was made to raise and appropriate \$2,500. The amendment was withdrawn. Fire Chief, Mike Pearsall indicated there is no longer a need for this fund. Article Failed.

44. The Town voted against raising and appropriating the sum of \$15,000 to add to the Expendable General Fund Trust Fund, Established 1999, Article 42, under the provisions of RSA 31:19-a, known as the Municipal Building Fund, for the purpose of building a new municipal building(s). (Recommended by Selectmen) By hand vote yes – 36; no – 40 Failed.

45. The Town voted to raise and appropriate the sum of \$37,443 to add to the Expendable General Fund Trust, Established 1999, Article 43, under the provisions of RSA 31:19-a, known as Property Revaluation Fund, for the purpose of revaluation of all Town property, with said amount to come from General Fund being the monies appropriated, and not expended, by article 41, March 2003 Warrant. (Recommended by Selectmen) Passed.

46. The Town voted to authorize the Selectmen to borrow money for the use of the Town in anticipation of taxes. Passed.

47. The Town voted to authorize the Selectmen to sell tax deeded property. Passed.

48. To hear any reports of Agents, Committees, etc. heretofore chosen and to take any action thereon. Passed. There were no reports.

49. To take any action that may legally come before the meeting. Passed. A resident asked if the Town Report could be printed with larger size type. Jim Carnie questioned why the zoning ordinances on the ballot were so different from the information which was discussed at the Planning Board hearing.

Motion to adjourn. Passed

Meeting adjourned at 10:15 PM.

Respectfully submitted,

Pamela R. Goodell

INDEPENDENT AUDITOR'S REPORT

To the Board of Selectmen
Town of Richmond, New Hampshire

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Richmond, New Hampshire (the Town) as of and for the year ended December 31, 2004, which collectively comprise the Town's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the Town's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Richmond, New Hampshire as of December 31, 2004, and the respective changes in financial position, thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

As described in Note 1 to the basic financial statements, the Town adopted Governmental Accounting Standards Board Statements Nos. 34, 37, 38 and GASB Interpretation 6 during the year ended December 31, 2004.

The management's discussion and analysis and the budgetary comparison information on pages 3-8 and 25-26, respectively, are not a required part of the basic financial statements but are supplementary information required by the Governmental Accounting Standards Board. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Richmond, New Hampshire's basic financial statements. The combining nonmajor fund financial statements are presented for purposes of additional analysis and are not a required part of the basic financial statements. The combining nonmajor fund financial statements have been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, are fairly stated in all material respects, in relation to the basic financial statements taken as a whole.

TOWN CLERK'S REPORT
DECEMBER 31, 2005

Revenue collected in the Town Clerk's office was pretty much the same as last year. This is only the second time since I have been Town Clerk that the revenue has plateaued. Usually there is an increase each year.

We did not go online with our motor vehicle program this year, but may do so in the spring of 2006 if the "bugs" are worked out of it by then. Once we do go online, we will be able to more transactions for our customers than we are allowed to do now. This will require additional training on our part and a few additional pieces of computer equipment, all of which has been budgeted for 2006.

By the end of 2006 we should also be using a centralized database for our voters checklist. Residents have been really good about re-registering for the checklist at the Town Clerk's office. A voting machine for the handicapped should also appear in 2006.

This year we welcomed Annette Tokunaga to our office as additional personnel. She is a very capable and conscientious person, and we are delighted to have her aboard. We thank Deb Vaughan, Betty Grondin-Jose, and Joe Mondello for continuing to work for us also.

Respectfully submitted,

Pamela R. Goodell

Pamela R. Goodell
Town Clerk

TOWN CLERK 'S RECEIPTS
2005

Gentlemen:

I hereby submit my report of receipts from January 1, 2005 through December 31, 2005.

2/20/2006 Submitted by: Trustees of the Trust Funds - Rebecca Haskins, Debra Coll, Marie Knowlton

February 15, 2006

Dear Richmond Residents and Taxpayers,

This was my first year as your tax collector. It has been a privilege and an honor to serve the residents and taxpayers of Richmond. I came on board in April '05 and assumed the job from the Acting Tax Collector, Abby Connell, who was gracious enough to hold down the fort until the Selectmen could appoint a new tax collector. Thanks, Abby! Abby filled in at a time when the office of tax collector became vacant, new tax software was being installed, tax bills hadn't been issued, and the town underwent a property evaluation. Phew! How did she do it?

I took over the reigns from the acting tax collector and dove into the task of learning the job, the new tax software, the laws and so forth.

The first issue 2005 tax bills were mailed out 6/15/2006, two weeks beyond the earliest date required by law. Second issue 2005 were mailed on 12/12/2005, a month and a half later than required by law but well before the end of the year and in time for tax payers to take advantage of the income tax deduction. It was the school district that caused the delay in bills getting out late. Thanks go to Geraldine Lutz, assistant tax collector, for helping prepare and mail out the tax bills in lickety-split-time. In all, there were three tax billings in 2005. Knock on wood and with no foreseeable delays, bills should go out on a timely basis.

To close the year out, the tax rate decreased by \$.062 per thousand from \$19.10 on the 1st issue 2005 bills to \$18.48 on the 2nd issue 2005 bills.

For those of you behind on your tax bills, stop in or give me a call and we can work out a payment plan to get you caught up on delinquent taxes.

Regards,

Steve Michael Boscarino

Library Report

2005 was a busy year for the library! It included expanded children's programming, the introduction of interlibrary loan, joining a library cooperative, painting of the non-fiction room, high speed public internet access, and the start of the automation process of the library.

During 2005, the library added approximately 512 new and donated volumes, doubled its video and audio tape collections, and added 6 DVDs. The audio-visual media, including the children's materials, have been consolidated in the entry room. In addition, several individual collections received special attention. The old "classics" section in the entry way was integrated with the regular collection. The Science-Fiction collection, originally in two places, was brought together behind the new books collection. Finally a Young Adult collection was established with both new books and appropriate books from the juvenile collection. Evelyn Huston, our dedicated volunteer who comes for two hours every day the library is open, was integral to making these changes.

The children's programming saw several important additions. The monthly story hour, led by volunteer Elaine Moriarty, focused on a wide range of topics. These included Ireland, with an Irish Step Dancing presentation by the Connell Family; as well as celebrating a special Christmas around the world, where children received passports and airplane tickets as they read stories, made crafts, and ate Christmas treats. Our thanks to Deb Watson who provided yummy treats for many of the story hours.

Our Camp Wannaread Summer Reading Program for the children was a great success. We had 26 children signed up for the program, which included a small prize for each week the child read a book, a weekly "Make-it and Take-it" craft, and a special storytelling and music presentation by the professional performance group Partners in Rhyme. This program was brought to us through a grant of \$116 by the New Hampshire State Council on the Arts, the New Hampshire State Library, the Byrne Foundation, CHILIS, and the Cogswell Benevolent Trust. Many of the children completed the reading program and were able to attend the final wrap-up sleep-over party, where we hiked to Royalston Falls, then returned to the Veterans Hall for a "Survivor" themed evening. The kids participated in various games, crafts, and had a delicious dinner. In the morning we had a pancake breakfast served by Deb Watson. Our biggest "thank you" goes to Elaine Moriarty for coordinating the summer reading events, cooking a delicious dinner, and preparing all the games and prizes. Elaine raised over \$175 towards the programming costs through donations from Christopher Bush, Abby Connell, Betty Grondin-Jose, Evelyn Huston, Mrs. Swanson, Deb Watson, Hannaford Supermarkets, Shaws Supermarkets, Wal-Mart, and Richmond Blueberries.

The Library also received two grants from the Children's Literacy Foundation (Clif). The first involved the presentation of \$1,300 worth of new books to the Library. Clif offers these grants to rural public libraries that serve towns of less than 5,000 people in order to improve their children's book collections. Two storytelling presentations were given, the first at the Immaculate Heart of Mary School, and the second at the Veterans Hall. A second grant of \$250 from Clif enabled a NH author/illustrator, Marty Kelley, to visit the Immaculate Heart of Mary School for a lively presentation on book authorship. In total, \$1,841 was raised for children's programming in 2005.

The introduction of inter-library loan has proved to be a great success. Since its inauguration in May 2005, approximately 100 requests for books have been filled. This has proved to be a great boon to the community, as it has saved money for purchasing new books, has helped high school and college students obtain the books they need, and has allowed readers to obtain books not available here in the library. The Library also participates in a reciprocal relationship with other libraries throughout the state of New Hampshire, as we send our books to other libraries state-wide.

During 2005, the Library also joined the Nubanusit Cooperative, a group of area libraries. This group meets once a month, along with a representative from the State Library, to discuss ongoing concerns, develop library policies, and find out what is going on at the state level. We also now belong to the Coop's video exchange, giving us the opportunity to borrow approximately twenty videos every two months.

The library's non-fiction room received a lovely new coat of paint thanks to Elaine Moriarty. Stains from the roof leak have now been eradicated, and cheery curtains were selected by Ronna Rajaniemi. Thank you Elaine and Ronna!

The automation of the library's materials began with the purchase of two new Dell computers and setting up a high-speed internet connection. Patrons now have access to the internet through a patron station, and this option has been heavily used throughout the year. By the end of the year, approximately 1500 books had been added into both the state and local online systems. Many thanks to Felicity and Oliver Bloom who entered in many of these volumes. A scanner and barcodes were purchased in November, and barcoding of the books began in early December.

The Silent Auction and Book Sale had great success this year, raising \$498.00. Fred Goldberg and Roberta Jaffe solicited donations from area vendors for the Silent Auction, and their sons Noah and Sam ran the auction during the day. The Bloom family helped move books out to the sale, ran the sale throughout the day, and helped with cleanup at the end. Thank you to everyone! The annual bake sale was also successful, raising approximately \$120.00. Thank you to everyone who baked goodies to be put in the sale.

The Librarian and the Trustees wish to thank the Richmond residents for their continued support of the library in the Town's budget. Come by and see the new changes in your library!

Respectfully submitted,

Wendy O'Brien

Barbara Woodward

The fifth year of the new millennium provided help to people from several states seeking information on their ancestors. This was only at cost for copies (and postage when written requests was received). Donations made in gratitude were accepted for our trust fund. Some of these funds were used in re-publishing copies of THE Town in the Forest by Neith Boyce. (The Richmond Archives holds the Copyright.) Our visitors enjoyed viewing our album collections of photographs. Several visitors also added copies of photographs of their ancestors as well as sites of areas in town which we did not have.

We welcome Beverly Hart, of Richmond who is volunteering and helping with news paper articles indexing and cataloging. Her efforts are very much appreciated.

On September 4th (Firemen's Barbbque Day) the archives display at the Civil Defense building, provided information and photos of Richmond's bygone schools. Approximately thirty to forty people visited, some requesting copies of the old photogyaphs. This past year articles of historic interest have been written for the "Richmond Rooster." This fall the archives has purchased a copy of work by Cliff Struthers Jr., of Winchester, listing all of the tomb stones in Richmonds' twenty-two cemeteries.

The perimeter drain on the west side of the library was not working correctly for some time. This fall a section was dug up and replaced providing once again adequate drainage from run-off. (This was paid for by archive funds) It is hoped that in the coming year a large pine tree will be removed from the rear west corner of the library so that the perimeter drains can continue to work properly and not be clogged again.

During the winter months the archives is usually closed to visitors due to inclement weather and heat conservation. (It is very cool and dry there,) however, written requests can be made.

Our mission of conserving Richmond's history continues with cataloging and indexing to provide a source of information that is accessible to all who are interested.

We thank everyone who has donated funds or information and the Town for its support. For a town the size of Richmond our collections of historical information are quite noteworthy.

Respectfully submitted,

Darna Theobald

Fire Department Report

Congratulations on yet another year without a major loss due to fire. We ran on 93 calls this year, and, for the third year in a row, not a single chimney fire. Thanks for keeping those chimneys clean!

Fifty seven of those runs were medical or accidents, continuing a trend that keeps the Rescue Squad our busiest group.

We had five brush fires, so please be careful in the woods, and keep a well cleared area around your house.

This year we received a VERY generous bequest from Mrs. Irene Baker on her passing. This will allow us to buy some equipment, including an off road vehicle and a medical response vehicle, both of which will be in service soon.

At our annual barbecue, we dedicated our new Kenworth pumper to two of our longest serving volunteers, Ed Martin and Bob Van Brocklin. Bob still makes most every call!

I would like to thank them and all of the members for their time in work, training and, of course, emergency response. Richmond is one of the few towns in the area with a truly volunteer fire department, one whose members draw no pay at all.

We are very proud of this, and encourage anyone with any interest in fire, rescue, or medical work to join us. Just contact any of our members.

Respectfully submitted,

Michael Pearsall
Chief

RICHMOND FIRE DEPARTMENT RESCUE SQUAD

Richmond Rescue Inc.

Richmond, N.H. 03470

The past year of 2005 found your Rescue Squad continuously training to keep our skills sharp and up-to-date. This year we also received a very generous bequest from the late Irene Baker. We will be looking into purchasing a new rescue vehicle.

Just a reminder, if you're reporting an emergency, dial 9-1-1 and describe the emergency and what is being done. Give your name, phone number you are calling from, location and the number of persons involved. DO NOT hang up, more info may be needed.

Our thanks to the town and to the family members of our volunteers for their continuing support. More volunteers are always needed. Please consider becoming one.

Respectfully submitted,

RICHMOND RESCUE SQUAD

Report of Forest Fire Warden and State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. A fire permit is required for all outside burning unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 1-800-498-6868 or www.des.state.nh.us for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2217, or online at www.nhdfi.org.

Fire activity was high during the first several weeks of the 2005 fire season, with red-flag conditions issued by the National Weather Service and extreme fire danger in the southern and central portions of the state. This period of increased initial attack activity prompted a 5-day ban on open burning, the first such ban in several years. Despite the dry conditions, the state's largest wildland fire was contained at 29 acres. Our statewide system of fire lookout towers is credited with keeping the fires small and saving several structures this season due to their quick and accurate spotting capabilities. Fires in the wildland urban interface damaged 10 structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department and the state's Forest Rangers by being fire wise and fire safe!

2005 FIRE STATISTICS (All fires reported as of November 4, 2005)

Lynn Adams	Secretary

Town Report

The Richmond Police Department has had another busy year. We have had several events this year that have been notable. We have covered multiple motor vehicle crashes and have made several arrests throughout the year.

During this year we covered incidents where we had several stolen vehicles reported, we covered several burglaries, thefts, vandalism complaints and arrested many suspects on motor vehicle related charges. Investigations lead to several arrests and convictions on varies criminal events.

The department logged the following hour statistics for 2005.

Patrol:	804 hours
Administrative:	838.5 hours
Training:	159.5 hours
Court:	122.25 hours
Call Backs:	68 hours
Call Outs:	55.5 hours
On Call:	<u>11 hours</u>
Total Time:	2058.75 hours

Patrol time consists of actual time officers are out in the cruiser patrolling the roads in town. Administrative time is time officers spend writing reports, doing daily logs, writing arrest warrants, arrest affidavits, criminal complaints, calls for service reports, follow ups, and times doing investigations. Administrative time is also time spent by the Chief or Sergeant to complete administrative functions of the department to include Selectmen's meetings or other meeting, budget preparations, reviewing and approving reports, equipment maintenance and a variety of other tasks. Training time is time that officers spend training. All officers are required to complete firearms training, defensive weapons training, or any other training that I feel is relevant and beneficial to Richmond. Training time also includes time that officers spend becoming certified part time officers and field training of those officers. Court time is time spent in

court for arraignments, trials, probable cause hearings, juvenile hearings, ALS hearings and Superior Court trials. Callbacks are hours spent calling citizens back while off duty; Callouts are times when Officers are called out to handle emergency calls while off duty. "On call" hours are times that officers are off duty but must be available for recall. Officers are not required to take "on call" time but if they agree to take this it is compensated by paying them 1 hour of duty time for every four hours that they are on call. I am responsible for the majority of the "on call" time. I am only compensated for part of the time that I am "on call". The total hours worked by officers on this department are 2956 hours. This includes all the above listed items.

The Bike Rodeo that we conducted during the Fireman's picnic was an excellent success. Officer Bosquet secured a variety of prizes through local businesses as well as businesses in the Keene area. We were very happy to give all of the children that attended a prize. Through Officer Bosquet's hard work, every child left the rodeo with a prize or gift of some sort. All of the children appeared to have a great time participating. The entire day was a great success. The members of the police department and its volunteers worked very hard to distribute child identification packets and other fun things. We hope to build on the day each year, adding new and exciting things for the children to do.

During this year, several officers completed a variety of training. During the spring, I completed the New Hampshire's 137th Police Academy for the Town of Rindge and received my full-time police certification. I also attended several other training classes throughout the year. Sgt. Labelle attended Terrorism classes, Alcohol enforcement classes, Tazer certification and attended a week-long Field Training Officer school in Florida in December. Officer Bosquet attended several trainings to include suicide prevention classes, evaluating personal qualities and became Campus Safety training instructor. Officer Derosier completed several communications and computer classes. Officer Melia completed the New Hampshire 234th Police Academy and received his Part-time police certification. He also attended several other training classes throughout the year.

Fortunately we have been able to retain our staff this year which has lessened the burdon on training issues. Most of our staff has been able to secure training through their full-time employers. This may change in the future or I may find the need to send them to additional training through Richmond.

The police department has seen several positive administrative changes. Lynn has been completing projects I assign her and has been developing computer programs to better track details and billings. She has rearranged

several areas of the filing systems to ensure a better flow and more efficient methods of tracking.

The members of the police department would also like to welcome Lynn's newest addition to her family, her daughter Rebecca. Rebecca was born on June 25, 2005.

As I have stated in the past, the Town of Richmond should be proud of the quality and dedication that encompasses the employees of the Police Department and its support staff.

Remember, that crime does not start nor does it stop at the edge of town. Be aware of your surroundings and the people in it. Please report all suspicious activity no matter how small it is. This will hopefully be a deterrent to criminal activity.

Respectfully Submitted,

Andrew M. Wood
Chief of Police

Winchester Solid Waste Management District Report

July 1, 2004 – June 30, 2005

The amount of municipal solid waste (household rubbish) handled at the Winchester Transfer Station rose approximately 110 tons over last year's figures while there was a slight decrease in some recyclable items and an increase in others. The largest cost factor in operating the transfer station by far is the amount of trash we have to truck to certified lined landfills. Tipping fees, trucking costs, and labor have all seen major increases.

The following is a list of materials and amounts handled at the transfer station during the past year:

Municipal Solid Waste (Trash)		1,169 Tons
Construction & Demolition Debris		476.4 Tons
Metals		93.86 Tons
Mixed Paper		134.9 Tons
Corrugated Cardboard		62.04 Tons
Commingled (Tin, aluminum, glass, #1 Plastic)		137.4 Tons
Waste Oil		820 Gallons
Used Clothing (Salvation Army)		1.5 Tons
Tires	(approx.)	4.93 Tons
Compost	(estimated)	220 Cubic Yards

The burn pit also accepts untreated or painted wood, brush, or slash less than 5 inches in diameter.

The Winchester Solid Waste Management District includes the Town of Winchester and Richmond and the administrators of the District are comprised of three select board members from Winchester and one from Richmond. The cost to operate the facility is shared based on the latest population figures from the Office of State Planning and broken down by the appropriate percentage.

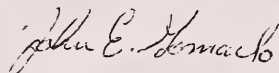

Responsibilities of the District also include maintenance of the closed landfill with groundwater and methane gas testing done three times per year. We also survey settlement platforms, check areas for erosion, and loam and seed the capped portion of the landfill when necessary, and check and clean drainage swales. Reports are sent to the Department of Environmental Services and we are pleased to report that everything is in good condition.

The contract to operate the facility will change hands this coming year. The District went with the low bid from Sunrisc Wastes Disposal after having been serviced by Waste Management for the last eight years. We can only hope that the new company will be able to match the excellent service and communications we have experienced in the past.

The Winchester Solid Waste Management District meets several times per year and public comments are welcomed. Check with your Selectmen's representatives or watch for postings for times and locations. Highlights of recent discussions and possible changes for the future are listed below:

1. Increasing the sticker price from \$10.00 to \$20.00 with the additional sticker for the same residence costing \$1.00.
2. Limiting transfer station use to residential use only, eliminating all business and commercial use.
3. Better signage at the facility.
4. User-friendly improvements to the recycling containers, especially those used for paper and corrugated cardboard.
5. Stricter enforcement of the mandatory recycling ordinance, even if this means spot checks by opening trash bags.
6. Updating the Landfill/Transfer Station ordinance.

Respectfully Submitted,

John E. Gomarlo
Landfill Superintendent

HOURS OF OPERATION

Tuesdays: 8:00 AM to 4:00PM
Thursdays: 8:00 AM to 7:00PM
Saturdays: 8:00 AM to 5:00PM
Telephone: 239-8136

Road Agent's Year in Review 2005

The 2005 season began with the posting of Town roads on March 16th for mud season. We were busy draining water from ditches and getting ready for grading. In April, parts of Sprague Road and Whipple Hill needed repair due to wash outs as well as spots on Benson Road and Fay Martin Road for mud holes. Toward the middle of the month Morgan Road, Pondwoods Road, Fish Hatchery Road and Activity Road needed clean up due to downed trees. Finnish Grade began grading the Town roads on April 19th. The job was complete on May 11th. The rest of May was busy with cleaning culverts on Morgan Road, replacing the Fay Martin Road sign and putting up railings on the Fay Martin Bridge. In addition, we put out cold patch on Tully Road and Fish Hatchery Road and worked on culverts on Lang Road and Taylor Hill. In June culverts on Whipple Hill and Sandy Pond Road were cleaned, a downed tree was cleaned up on Sprague Road and we dealt with beavers on Greenwoods Road. We also painted the signposts and worked on the bridge on Turnpike. July kept us busy with fixing various road washouts and we even built a wall of stone on the steep bank of Taylor Hill to keep it from washing away. Then we started cutting brush and finished out the month with posting weight limit signs on Turnpike Bridge. In August Thomas drilled rocks on Honey Hill Road and Lang Road. During September we ditched Fish Hatchery Road and Mill Road and did grading touch ups for winter. In November Fay Martin Bridge was repaired and cleaned up. We also unplugged a culvert on Greenwoods Road and dug a ditch at Tim Smart's on Whipple Hill along the boundary line as water was flooding his building. Finishing out the year, in December Dan Firmin cut trees pushed over with excavator on Greenwoods Road and we cut a tree on Lang Road.

Winter Season 2005/2006 Road Maintenance Bids were awarded to:
West Side of Rte 32 to Buddy Blood for \$31,746.
East Side of Rte 32 to Dan Firmin for \$31,450.

Respectfully submitted,

Leonard Davis, Road Agent

CONSERVATION COMMISSION 2005 ANNUAL REPORT

The Richmond Conservation Commission held its regularly scheduled meetings, field reviews and work sessions.

In accordance with the goals of the Bennett Forest Management plan, the Commission is pursuing opportunities to enhance the wildlife habitat within the Bennett Town Forest. One area of focus is the former Red Pine, 6 acre, clear cut of several years ago. This particular site contains some important wildlife habitat due to its diversity of fruit bearing shrubs, grasses, herbaceous cover and small tree saplings. The Commission applied for a funding grant under the Wildlife Habitat Improvement Program administered by the Natural Resource Conservation Service, to assist in maintaining this site in an early plant succession stage which is of important value to the town forest. Due to the overwhelming response of many other applicants for this program, our application was rejected for FY 2005 due to limitation of funds. The Commission will re-apply for consideration in 2006-07.

The Commission continues to seek a qualified individual to fill the vacant secretary's position. This individual should have a strong interest in the Town's natural resources and the spirit to tolerate black flies and hiking through swamps. Anyone interested in this volunteer position, may contact any Commission member for more details.

The Commission meets the first Thursday of every month at the CD building at 7:00 p.m. unless otherwise posted.

Respectfully submitted,

Norma Reppucci
Dick Drew

Recreation Committee – Town Report

On October 29, 2005, the Recreation Committee had our 1st Halloween Party at the Veteran's Hall. We had snacks, games and a craft for the children. They really seemed to enjoy all of the activities. Each child was able to take home several pumpkins, of which they were able to decorate with foam pieces, construction paper, and feathers. We had great snacks that were kid friendly. Each child also took home a loot bag filled with candies, a plastic pumpkin with a surprise inside, and McDonald's gift certificates. We played several games including pin the nose on the pumpkin, pass the pumpkin, the mummy wrap, musical chairs, and many others. The children were also able to make their own scarecrow to take home.

On December 12th, the Recreation Committee had our 1st Holiday Party at the Veteran's Hall. This time we had 10 different crafts for the children to do. Including ornaments, cards, necklaces, wreaths, magnets, signs, etc. The children really seemed to enjoy all of these activities. We also played games again and had some wonderful snacks. We also arranged for a special visitor to come. The children were each able to sit on Santa's lap and have a picture.

The recreation committee would like to take this opportunity to thank all of the parents that brought their children and those who helped us clean up. We really appreciated all of the support. We also would like to thank the Four Corner Store for helping us advertise both events. We are looking forward to next year starting with our Easter Party on April 1st, 2006 at the Veteran's Hall from 10 a.m. – 12:00 p.m., so mark your calendars! We are planning an Easter egg hunt, crafts, games, and snacks.

Respectfully submitted,

Tina Thayer

The Emergency Notification / Reverse 911 system is on the Monadnock Regional School District warrant – article thirteen – please support this article.

Richmond Inoculation Plans
Residents and Visitors Extract

Revision: Initial Issue
Prepared by: Neil Moriarty 021406

Objective: This document is designed to help the Richmond residents and visitors to:

1. Become aware of what Richmond is doing in the area of New Hampshire's Inoculation Plan
2. To make the Richmond residents and visitors aware of some items they should take care of *before* we ever need any state sponsored inoculation.

Scope: This document covers the information about the Richmond's implementation approach of New Hampshire state Emergency Inoculation plans, and some items the Richmond residents and visitors should do now in preparation.

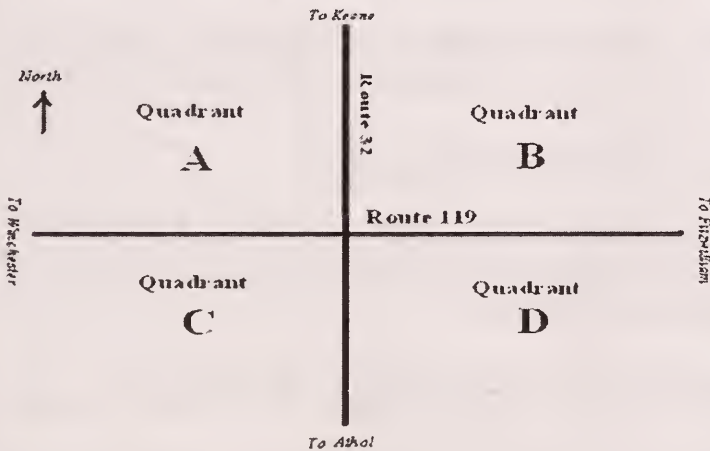

The complete inoculation plans are on file with the selectmen, or you can call the writer at 239 4031

Disclaimer

The Town of Richmond, including, but not limited to, the selectmen, Emergency Management member, and the health officer, provide this document and corresponding service to the citizens and visitors to the town of Richmond as a service. No elected, or appointed member, of the governing body of the town of Richmond indorses, nor discourages, any person from participation in the inoculations provided by the state of New Hampshire.

The decision to take any inoculation for any disease is yours, and should be discussed with your physician.

Sketch of Richmond Inoculation Plan Division of the Population

1. Background: The state of New Hampshire Department of Health Management (state) has developed three plans for the distribution of inoculations, and rabies incidents. The three (3) are divided by their required method of distribution:

Plan 1 Smallpox inoculation – where the citizens will travel to the site of inoculation

Plan 2 All other inoculations – where the inoculation will be given locally at the Richmond Veteran’s Hall (Vets hall)

Plan 3 The dog warden will alert a neighborhood if a **rabies incident** has happen in your area. This is exactly what it says, the state will inform the dog warden that a rabies case has been reported in your neighborhood, and the dog warden will inform the people that live close by.

Note: I am using the term inoculation or shot for all – however, some preventatives are in the form of pills.

The government is working hard to try and eliminate the need to leave Richmond for the smallpox inoculation.

II. What should the Residents of Richmond do to Prepare?

- 1. Make sure the town knows your phone number (it will remain confidential)**
- 2. Make sure that the fire department is aware of any resident that is home bound**
- 3. Find out if you, or your dependents, are allergic to any of the inoculations.**
- 4. You must be 18 years old, or have a signed permission slip (from parent or guardian) to get an inoculation.**
- 5. Don’t panic – there is time and you will be serviced.**

1. Fill in your phone number on the annual (Richmond) Town Inventory Form. The town needs to get a hold of you. Town Inventory Forms are confidential information – and the information will not be released.

Additionally, we may have access to a reverse 911 system to notify you of the emergency inoculation. If we don’t get the reverse 911 system, the notification will be by your NOAA radio.

You do have your NOAA radio on right?

2. Make sure that the fire department is aware of any resident, which is homebound
The Homebound list is used to get the inoculation to the person who cannot get to the inoculation site – **including the Smallpox inoculation.**

3. Find out if you, or your dependents, are allergic to any of the inoculations.

Note: At any inoculation provided by the state – a qualified person is in attendance to assist you in making the decision on taking or not taking the inoculation.

There will not be time to get to your doctor for his/her opinion when an emergency inoculation is announced. Attached is a list of the inoculations that the state is setup to give. The next time you visit your physician you can bring your list and get his/her opinion on the shots/pills.

III. How are the Inoculation Plans going to work?

Follow the instructions - There is no reason to panic there is adequate time allowed for you and your family to get the inoculation in plenty of time!

Plan 1 Smallpox inoculation – where the citizens and **all visitors** will travel to the site of inoculation.

At certain day and time you will be instructed to drive to a certain site within the Richmond (except in special emergencies [excess snow or mud season] – then you will drive to Monadnock Regional High School in Swanzey). Buses will be provided to take you to the site, and return you to your vehicle.

To avoid bottlenecks and save you time, the residents /visitors will go to the bus pickup site at a certain time by quadrant.

Example: The instructions on NOAA or Reverse 911 might say for **Quadrant A** (residing west of route 32, and north of route 119) to report to lot x at 9:00 AM.

It should be noted that if the state of emergency for smallpox is declared you must take the smallpox shot, or be quarantined for ten (10) days.

Although it will take all day for Richmond citizens and visitors to be serviced, once you personally start your trip to the parking lot – you should be home again in about two hours.

Given a town wide Plan 1 situation occurs - Bring any visitors to your home.

Given you have a homebound person that the fire department is not aware of notify them now.

Don't forget permission slips for minors – children under 18 years old cannot receive any treatment without a permission slip.

Plan 2 All other inoculations – where the inoculation will be given locally at the Richmond Veteran's Hall (Vets hall).

The situation where a whole town to receive plan 2 will be extremely rare; however, you should prepare.

You will be notified by either Reverse 911 or NOAA radio to go to the Vets hall at a certain time of the day; additionally you will be told the type shot that will be given. We are all aware of the lack of parking at the Vets hall - Please go in one car, and possibly share rides with neighbors. Although you should discuss the inoculation with your own physician – there will be someone there at the Vets Hall to answer your questions.

Given a town wide Plan 2 situation occurs - Bring any visitors to your home.

Given you have a homebound person that the fire department is not aware of notify them now.

Don't forget permission slips for minors – children under 18 years old cannot receive any treatment without a permission slip.

THE STATE OF NEW HAMPSHIRE
EXECUTIVE COUNCIL

DEBORA B. PIGNATELLI
EXECUTIVE COUNCILOR
DISTRICT FIVE

STATE HOUSE ROOM 207
107 NORTH MAIN STREET
CONCORD, N.H. 03301
(603) 271-3632

Executive Councilor Debora Pignatelli
Year End Report-2005

An Open Letter to Constituents

I have finished my first 12 months as Executive Councilor for District 5. Throughout my short tenure, I have loved the job and thank voters for supporting me.

The Executive Council is a body of five people elected from five districts throughout the State. My district consists of the southern border communities from Nashua to Peterborough to Keene and towns north from Merrimack, Goffstown and up to Dunbarton. The Council has been in existence since colonial times and its job is to serve as both a check as well as an advisor to the governor. Actually, the governor needs 3 votes to appoint a judge or state agency head, to enter into any contract greater than \$5000 and to confirm appointees to state boards and commissions.

Let me comment about a few of the many votes I have made on the Council in your behalf. I don't like the practice of awarding No Bid Contracts, and I have voted against a large number of them. At every meeting, I press State Agency heads and the word is getting out that they should be the exception, not the rule. Competitive bidding will save us money by encouraging bidders to sharpen their pencils for contracts involving multiple millions of taxpayer money. I am pleased the new E-ZPASS system is up and working. I always favored E-ZPASS ever since my days in the Senate because it speeds traffic, increases safety and reduces pollution. I cast a protest vote in favor of some modest toll relief for toll-bound Merrimack residents and still haven't given up on the issue, but overall, E-ZPASS has been an outstanding success.

Appointments of judges are crucial decisions. Judges serve until age 70, and must be thoroughly vetted before they are put into such a position of power. Governor Lynch recently brought our state an excellent person in Gary Hicks to become the newest member of our Supreme Court. I did my due diligence because I knew he would likely serve on our highest court for twenty years. I came to learn that he is a widely respected person and jurist. He was confirmed unanimously in January, 2006.

The position of Chief Justice of the Nashua District Court had remained vacant for more than 2 years. In late 2005, though, the Council voted unanimously to confirm James Leary as Chief Justice. I was pleased to lend my support. I was also delighted to support another constituent, Edward Burke, from Keene, as Justice of the Keene District Court.

One of my jobs is to try to ensure we are getting good state contracts for the billions we spend. Though that is a statewide responsibility, I have been very happy to support many substantial contracts benefiting my district and the businesses within it. One controversial contract award for

\$65 million for Medicaid Management hit the news because some wanted to support the bidder that was \$10 million high. They had their reasons, but I disagreed. Some had questioned the qualifications of the lower bidder, but I spent hours on the telephone with numerous officials from other states, and learned that the quality of work was just fine. I am pleased we gave the contract to the low bidder and saved so much money for the taxpayer.

The Council has a lot to say about docks and boathouses on our state's lakes. I am a strict-constructionist, if you will. The State owns the water and the space over it. Our lakes need to be preserved and enjoyed at the same time. In one controversial dock proposal on Lake Winnepesaukee, a homeowner's group wanted to build a 126-foot dock out into a busy portion of the Lake. I saw it as "too much" and too dangerous, and voted against it. Unfortunately, other councilors didn't see it my way, and the dock will be built.

The Council is in charge of the ten-year highway plan. I have held hearings in my district to get input from town leaders and citizens on what they would like to see in their areas. All state projects eventually get ranked, and the hearings are important. Unfortunately, money is scarce. On transportation issues, I am doing my part to try to steer attention to rail transportation from Nashua to Boston. The Council is not a big player on that issue, because it lies more in the realm of the legislature, but I speak out because I think it would be a great thing for our area.

We also approve nomination of State Agency Heads. As you would expect, they are truly key people in carrying out the business of the state and delivering services to the people. I always said I would support only people who believe in the mission of their agencies, who are good listeners, and who will work hard. Former Hampton Police Chief, Bill Wrenn, was confirmed to be our new Commissioner of Corrections. Former Portsmouth Superintendent of Schools, Lyonel Tracy was confirmed as Commissioner of Education.

I am always encouraging people in my district to let me know if they have an interest in serving on a state board or commission. It is service that most often becomes an enjoyable experience. The Governor and councilors are always looking for good people. Take the opportunity to get involved if you have the time. And be sure to let me know if I can help you.

I have tried to assist many people in many ways, and I will make myself available to my constituents if I can be of help in state government matters. First, check my website: www.debpignatelli.com. You can write me at the State House in Concord, e-mail me at deb@debpignatelli.com or call at 888-5245.

Over the next year, I'll be voting on millions of dollars of state contracts, judgeships, a new head of the state Department of Resources and Economic Development and much more. Feel free to give me your input.

Again, thank you for electing me to this position as Executive Councilor. I enjoy the work very much. I expect more good things for our beautiful state.

I hope this New Year is a healthy and happy one for you and your families.

All my best,

Debora

SEVERAL PAGES
CONTAIN REQUESTS
FOR FUNDS
FROM LOCAL
NON-PROFIT
ORGANIZATIONS
TO BE VOTED ON
AS PART OF
THE BUDGET
AT TOWN MEETING.

The
Community
Kitchen, Inc.

P.O. Box 1315
37 Mechanic Street
Keene, NH 03431
(603) 352-3200

October 1, 2005

Office of the Selectmen
Town of Richmond
105 Old Homestead Highway
Richmond, NH 03470

Dear Selectmen:

I am writing to request that The Community Kitchen, Inc. be placed either on your March, 2006 Town Meeting warrant or in your town budget, for an operating budget request in the amount of \$ 1,355.00.

In setting our request amount, we try to balance the amount of use the individual town has made of The Kitchen in the last year with the town's ability to pay. Between 1/1/2005 and 9/30/2005, The Community Kitchen distributed 118 boxes of food, containing 2,259 meals, to residents of Richmond. Based on these numbers, we have projected distribution totals for the year 2005 of 156 boxes, containing 3,012 meals to residents of Richmond, for a total cost to The Community Kitchen of \$ 1,807.20.

Attached is a sheet showing different facts about our distribution to residents of Richmond, including how many of people served were under age 19 or over age 59. The average cost per meal to The Community Kitchen is \$ 0.60, which covers all of our costs - including salary, property and liability insurance, vehicle operation and maintenance, utilities and food purchases.

Not included in the \$ 0.60 is the actual value of the donated food as well as the hundreds of hours of volunteer time and other in-kind donations we receive. If we factored these in, the \$ 0.60 cost per meal would jump to over \$ 3.00 per meal. As you see, in terms of value received, the \$1,355.00 we are requesting from Richmond is a bargain.

An average of 591 families come to the Pantry for food assistance every week. We have asked for written proof of names, ages, addresses and income for each member of every household. A typical weeks' box will contain cereal, juice, yogurt, bagels, bread, pasta, sauce, chicken, fresh fruits and vegetables, soup, dessert items and personal care products. Approximately 70.00% of the items we distribute are donated from local wholesalers, retailers and restaurants. We purchase the remaining 30.00% locally, or from the NH Food Bank in Manchester, where we are charged \$ 0.18 per pound. Approximately \$105,000.00 is spent each year on food.

At the Hot Meal program, dinner is prepared and served family style Monday through Friday, between 5:00 and 6:30 pm at our building on Mechanic St., Keene. Although we serve dinner to residents of most Cheshire County towns, we are not requesting reimbursement for those meals.

If you are interested, I would be happy to set up a time for a meeting or phone conversation with you in order to answer any further questions you may have. Please let me know when that might be convenient. Thank you for your time and consideration.

Sincerely,

A handwritten signature in cursive script that reads "Mindy".

Mindy Cambiar
Executive Director

A Monadnock
United Way Agency

REQUEST FOR FUNDING PROPOSAL
TO THE
TOWN OF Richmond, NEW HAMPSHIRE

AGENCY NAME: The Community Kitchen, Inc.

DATE: October 1, 2005

1. Briefly describe the role of the agency:

The Community Kitchen, Inc., is a not-for-profit, direct service agency which provides hot meals, take home boxes containing food and personal care items, information and advocacy to low and moderate income men, women and families with children in the Cheshire County, NH area. Since its founding in 1983, the Kitchen has served and/or distributed over 7.75 million meals to people in need.

2. Identify the services that Town funding will provide:

The Pantry Box Program operates out of a space in our building on Mechanic Street. Each box provides approximately three days' worth of meals for each family member. Computerized and handwritten records are kept of family names, number of people, street addresses, dates of receiving each box, income and age. Each family or individual coming in for the first time must fill out a form required by the USDA, and provide back-up documentation for all of the above information. Many referrals have been made to this program from Town and City Welfare offices, school nurses and other agencies. Almost 70.00% of the food for this program is donated, and over 1,300 volunteer hours each month are donated by community members to ensure the success of the program. Take-home boxes of food are available on Wednesdays from 12:30 pm to 5:30 pm and on Thursdays from 11:00 am to 4:00 pm, or by special arrangement.

Hot meals are served Monday through Friday from 5:00 to 6:30 pm at our Mechanic Street location. Meals are prepared by a volunteer staff under the supervision of the Hot Meals Coordinator. Menus are planned after donated food is picked up at bakeries, delicatessens, supermarkets and restaurants. Meals consist of two or more entrees, salads, vegetables, fruit, bread, soup, desserts and beverages, and are served by volunteers. Guests/participants make up over 35.00% of our volunteer crew and help primarily with set-up and clean-up. We are not requesting any funding from your town for our Hot Meal program, but thought you might want to know about it.

3. a) **Number of clients served 1/1/2005 to 9/30/2005 at the Pantry:**
Unduplicated individuals: 5,207
Unduplicated households: 2,137
- b) **Number of those who were Richmond residents:**
Unduplicated individuals: 30
Unduplicated households: 13
- c) **Number of above Richmond clients served who were under age 19:** 11
d) **Number of above Richmond clients served who were over age 59:** 9
- e) **Number of Pantry boxes distributed 1/1/2005 to 9/30/2005:** 22,468
f) **Number of those Pantry boxes distributed to Richmond residents:** 118
- g) **Number of meals in pantry boxes distributed 1/1/2005 to 9/30/2005:**
475,749
- h) **Number of those meals in pantry boxes distributed to Richmond residents:**
2,259
- i) **Estimated dollar cost, per client served, 2004:** \$50.35
Calculated using \$555,020.00 total cash expenses, 11,025 total clients
- j) **Estimated dollar cost, per meal served, 2004:** \$ 0.60
Calculated using \$555,020.00 total cash expenses, 929,271 total meals
- k) **Cost to Community Kitchen of pantry meals provided to Richmond residents, at 0.6 per meal through 9/30/2005:** \$1,355.40
- l) **Percentage of total pantry box meals provided to residents of Richmond:** 00.47%

Please note that the numbers provided on this page are actual numbers for January through September only.

Traditionally, The Community Kitchen experiences a tremendous increase in both the number of families served and the number of meals distributed in November and December, due to Thanksgiving and Christmas holidays, cold weather and fuel bills. It is anticipated that at the end of the year over 29,957 pantry boxes will have been distributed in total.

The amount of reimbursement we have requested is based on the actual number for the first three quarters of the year and an estimate of the fourth quarter added together.

The Samaritans, Inc.

24-Hour Hotlines: (603) 357-5505 and (603) 924-7000

September 15, 2005

Town of Richmond
Route 32, Old Homestead Highway
Richmond, NH 03470

Dear Selectmen:

Please support The Samaritans'
2006 Municipal Campaign

Did you know that families in your community have been effected by suicide?
Please see attached report.

Since 1981, The Samaritans have maintained the only completely confidential and anonymous, volunteer manned suicide prevention hotline in the Monadnock Region. I continue to be amazed at the compassion of our volunteers who help the lonely, depressed and suicidal of all ages throughout New Hampshire. I am both inspired and humbled at their dedication to be there when people just need someone to talk to. Unlike other nonprofit agencies, The Samaritans, Inc. does not charge any fees for the services that we provide. We must rely solely on our community's goodwill and generosity to sustain our programs.

Today I am asking you to join the towns of Antrim, Chesterfield, Keene, Hinsdale, Surry and Swanzey in their support of the work that we do.

Accordingly, we request a modest \$250 municipal grant to help maintain our 24-hour crisis hotline program, The SamariTEEN hotline program, our Safe Place Support groups, and our Educational and Outreach programs.

Together, we can make suicide prevention a partnership of our 29 cities and towns in the Monadnock Region.

Thank you in advance for your consideration of this request. If you have any questions, about our hotline or other programs, please don't hesitate to call me at our business office at (603) 357-5510. Additionally, if there is the opportunity for me to present this request at an appropriate town meeting, please contact me to arrange for that presentation.

Thank you for your time and consideration.

Sincerely,

Jennifer Costa
Executive Director

A Monadnock United Way Agency

Southwestern Community Services Inc.

A Community Action Agency Serving Cheshire & Sullivan Counties

November 18, 2005

Office of the Selectmen
105 Old Homestead Avenue
Richmond NH 03470

Dear Chairperson,

We at Southwestern Community Services, Inc. wish to once again thank you for last year's appropriation for our agency.

As we indicated at that time, we are at a point where we have to ask the communities we work with to consider a small appropriation to assist with our outreach effort. Although other CAP agencies in New Hampshire have always received town support, we have resisted, knowing how tight budgets are.

For your reference, I am enclosing a breakdown of the services we have delivered during the past year in Richmond. We would like to respectfully request that we be placed on your town warrant to see if the voters will appropriate an amount equal to that which they appropriated last year. In the case of Richmond, the amount was \$535.

In closing, I would like to offer to meet with the board of selectmen or budget committee or any group you suggest in an effort to further detail the significance of our request. I look forward to hearing from you in the near future.

Sincerely,

David W. Osgood, Deputy Director
Southwestern Community Services, Inc.

Board of Selectmen
105 Old Homestead Hwy.
Richmond, New Hampshire 03470

Dear Selectmen:

Enclosed please find the HCS - Home Healthcare, Hospice and Community Services - Annual Report to Richmond. The Annual Report includes statistical and financial information about the services provided to residents this year. We hope that you will consider including this information in the Town Report to let residents know about the services that are available to them.

For 2006, we are requesting an appropriation of \$1,500.00 for home care services in Richmond. The home care appropriation will cover services that assist residents to recover at home, or to remain independent at home. These services include visiting nurses, rehabilitation therapists, home health aides and homemakers. In addition, prenatal and well child care, adult day care, hospice services and health promotion clinics are available to residents.

HCS continues to make every effort to seek funding for patient care from a variety of sources. In 2005, services to residents were covered by the town's appropriation and other sources, including Medicare, Medicaid, insurances, grants and HCS's fund raising efforts. With the many changes that are taking place with funding at the federal and state level, as well as the increasing need for services by elderly residents, we respectfully request that the home care appropriation remain at the current level to care for residents.

Please do not hesitate to contact me at 352-2253 if you have any questions regarding this request.

Sincerely,

Susan Ashworth
Director of Community Relations

enc.

HCS - HOME HEALTHCARE, HOSPICE AND COMMUNITY SERVICES
REPORT TO THE TOWN OF RICHMOND
2005

ANNUAL REPORT

In 2005, HCS - Home Healthcare, Hospice and Community Services continued to provide home care and community services to the residents of Richmond. The following information represents HCS's activities in Richmond over the past twelve months.

SERVICE REPORT

<u>SERVICES OFFERED</u>	<u>SERVICES PROVIDED</u>
Nursing	460 Visits
Physical Therapy	144 Visits
Occupational Therapy	54 Visits
Medical Social Worker	5 Visits
Homemaker	76 Hours
Home Health Aide	213 Visits
Outreach	1 Visit
Adult In-Home Care	469 Hours

Total Unduplicated Residents Served: 40

Prenatal and well child care, adult day care, hospice services and regularly scheduled wellness clinics are also available to residents. Town funding partially supports these services.

FINANCIAL REPORT

The actual cost of all services provided in 2005 with all funding sources is \$119,176.00.

These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services not covered by other funding have been supported by your town.

For 2006, we request that an appropriation of \$1,500.00 be available to continue home care for Richmond residents.

Thank you for your consideration.

Board of Selectmen
Town of Richmond
Town Offices
Richmond, NH 03470

Dear Selectmen,

As you know, Monadnock Family Services is active in your community, providing quality mental health services to anyone who needs them regardless of their ability to pay.

Once again, MFS is asking for your financial support to help underwrite the cost of services we provide to the uninsured and underinsured individuals in your town. Based on figures from the 2002 population estimates from the NH Office of State Planning, we are asking for the equivalent of \$1.25 per capita, which for the town of Richmond, amounts to \$1,375.

We ask for your continued consideration and support of our request. The cost to MFS to serve the uninsured has increased steadily with rising treatment costs and more people seeking subsidized services. The cost of serving the uninsured and under-insured residents of the Monadnock Region has averaged a half a million dollars annually for the past four years. United Way funds and town subsidies cover about a third of this significant expense. Our services to uninsured adults are further jeopardized as state regulations prohibit us from supplementing non-funded or under-funded services with state funds.

Your ongoing support of our work is deeply appreciated, and we hope that our partnership in caring for the residents of Richmond will continue. We work very hard to keep our costs down, and to identify, whenever possible, alternate sources of funding for this population.

If you have questions, or require more information, a representative from the agency will be happy to speak with you.

Again, your support is very important to us. By working together, we help to insure our communities remain healthy and vital places to live, work and grow.

Thanks for your consideration.

Sincerely,

A handwritten signature in black ink that reads "Ken Jue".

Mr. Dana Taylor, Selectman
Town of Richmond
Route 119
Richmond, NH 03470

February 14, 2006

Dear Mr. Taylor,

The Learning Center is a non-profit 501(c)3 organization formed to care for children ages two to six and their families in Winchester and the surrounding communities. It provides encouragement, support, and role modeling for families when the rigors of parenting in this complex world become overwhelming. Although young children and parents are the primary beneficiaries, everyone in the area benefits from the availability of such an important resource. Employers benefit from the availability of high quality child care; the region becomes a more desirable area because of the availability of increased family services; and tax payers avoid future costs of family intervention and special education. It is difficult to argue against care, education, and support of our children: our future.

In the last fiscal year, 7 children from Richmond attended the Winchester Learning Center and 5 more enjoyed the Summer Camp 2005, also provided by the WLC. It is likely in the coming years that more Richmond residents will be commuting through Winchester and will take advantage of the child care preschool options of the WLC.

While families pay most of the cost of care, the Learning Center operates on a sliding fee scale in order to make the highest quality care available to all. No one is refused for financial reasons.

~ child care ~ preschool ~ family resource center ~

Therefore, cost of care exceeds the direct revenues. Nationwide, the market rates for quality child care are difficult for young families to afford. Many young families are on the lower end of their earnings potential and may find employment difficult or impossible without the availability of a child care alternative.

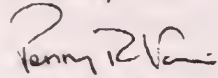

Costs are offset in a variety of ways. They are shared by the United Way, direct charitable donations, subsidized rent, heat and electricity from the United Church of Winchester, grants from foundations, Cheshire County Incentive funds, US Department of Agriculture reimbursement, and volunteer services from parents and friends. It is important for the Town of Richmond to be a direct supporter of this valued resource. This support is needed immediately and also serves as leverage for eligibility for other state, county, and foundation grants. At a modest cost to the community Richmond can support a licensed, sustainable, center based, community operated, model organization, which can grow and adapt to our needs.

In the words of the National Commission on Children: "development during the early years has important implications for children's success in school. When a young child's needs for affection, basic health care, adequate nutrition, safe environment and intellectual and social stimulation are met in the early years, the child is more likely to succeed in school."

It is within this context that I submit a request for \$1,000 from the Town of Richmond to provide child care and preschool services to Richmond children.

Thank you for your consideration,

Sincerely,

Penny R. Vaine
