Annual Report

of the Selectmen
and Treasurer

Together with the Reports of the Road Agent
and other Officers of the Town for the Fiscal Year

Ending December 31, 1988

Citizen of the Year for 1988: FLOYD T. SMITH

Resolution

- WHEREAS,** Floyd T. Smith served as a Member of the Town of Pembroke Planning Board from 1972 to 1987; and
- WHEREAS,** he served as Chairman of the Board from 1975 to 1977 and 1982 to 1985; and
- WHEREAS,** he served as Vice Chairman from 1986 to 1987 and as Chairman of the important Roads Committee during the same years; and
- WHEREAS,** he served as a Member of the Suncook Vitalization Committee from 1983 to 1986; and
- WHEREAS,** he helped to revise the Towns Master Plan and negotiate the acquisition of land for the new Town Hall; and
- WHEREAS,** he served as an unofficial overseer on behalf of the Town of Pembroke for the Pembroke Hill Road Reconstruction Project and the Main Street Reconstruction Project, and has long served as advisor on Town Road and Highway Maintenance; and
- WHEREAS,** he served as a Member of the Pembroke Town Zoning Advisory Committee which developed our first Town zoning ordinance; and
- WHEREAS,** he served as a Representative of the Town of Pembroke to the Central New Hampshire Regional Planning Commission; and
- WHEREAS,** he was an early member and now serves as a member of the development of the Plausawa Valley Country Club; and
- WHEREAS,** he has been a faithful and devoted member of the Pembroke Congregational Church having served as a Deacon, as Trustee and in several other capacities; and
- WHEREAS,** Floyd has devoted his life and his professional knowledge to assisting the Town of Pembroke to deal with the impact of growth on the future well being of all its' citizens; and
- WHEREAS,** as a mark of the Towns regard for this exemplary list of contributions he was nominated as Pembroke's candidate for the Governor's Volunteer Recognition Award in 1987.

NOW, THEREFORE, be it **RESOLVED** that in recognition of his services and in order to signify their gratitude, affection and respect, the citizens of the Town of Pembroke here assembled do designate,

**FLOYD T. SMITH
CITIZEN OF THE YEAR FOR 1988**

and commend especially to the young people of the town that they consider this record of selfless devotion as a model for the kinds of contribution which they may emulate during their lives.

Dated in Pembroke, New Hampshire this Twelfth day of March 1988

Charles Whittemore, Moderator
John Goff, Town Clerk
Daryl Borgman, Chairman of the Board of Selectmen

**Denotes Elected*

ARTICLE #2 To see if the town is in favor of the adoption of the following amendments to the existing zoning ordinance of the Town of Pembroke as proposed by the Planning Board:

AMENDMENT #1

Amend Section 11.00 to add a Section 11.02.1.C and add a new Section 11.23 (to create an architectural overlay district on Route 3 - Pembroke Street)

YES: 263 NO: 197 (Amendment Passed)

AMENDMENT #2

Amend Sections 3.00, 5.00, 6.00, 7.00, and 8.00 accordingly (to create a new limited office zoning district)

YES: 246 NO: 200 (Amendment Passed)

AMENDMENT #3

Amend Section 11.08 conditions — special exception and permitted (to redefine home occupation and create a home occupation over-lay district)

YES: 237 NO: 209 (Amendment Passed)

Minutes Of The Annual Town Meeting

Town Of Pembroke, N.H.

March 12, 1988

The meeting was opened at 10:00 a.m. by Moderator Whittemore with a reading of the warrant and the results of the March 8 Town Meeting on Articles 1 and 2.

ARTICLE #3 To see if the town will vote:

(a) To raise and appropriate a sum not to exceed \$300,500 for the following purposes:

\$65,000 for a large truck with snow plow for the Highway Department

\$65,000 for a large truck with snow plow for the Highway Department

\$45,000 for a backhoe for the Highway Department

\$29,000 for a tractor for the Highway Department

\$16,500 for a utility truck for the Highway Department

\$80,000 for a loader for the Highway Department

(b) To withdraw a sum not exceeding \$75,000 from the equipment capital reserve fund for the purpose of defraying the cost of the forgoing, and

(c) To borrow in the name of the Town by the issue of bonds or serial notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and Amendments thereto, and any other statutes thereto enabling a sum not exceeding \$225,500 for the purpose of defraying the cost of the forgoing and to authorize the Selectmen to determine the time and place of payment and the rate of interest on such bonds and notes, provided that any interest received or available may likewise be applied to the purchase to the maximum extent permitted by law, and

(d) To authorize the Selectmen to do all things necessary or convenient to carry the foregoing into effect.

(This article is approved by the Budget Committee)

Moved by Daryl Borgman, seconded by Lorette Girard

YES: 107

NO: 52

(Article Passed)

ARTICLE #4 To see if the town will vote to authorize the Board of Water Commissioners to construct a new water tank; to appropriate the sum of two hundred and seventy-five thousand dollars (\$275,000) for this purpose; and to authorize the Board of Selectment to borrow said sum of money on the credit of the town, by the issue of bonds or serial notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and amendments thereto, and to determine the time and place of payment, the rate of interest thereon, and to provide for the sale thereof.

(This article is approved by the Budget Committee)

Moved by Harold Paulsen, seconded by Roy Annis, Sr.

YES: 133

NO: 25

(Article Passed)

Following a discussion on each of the articles and motions to pass were seconded, the Moderator declared the polls open at 11:05 am. The polls remained open for voting until 12:05 pm at which time the ballots were counted and the results announced.

ARTICLE #5 "Shall we adopt the provisions of RSA 80:58-86 for a real estate tax lien procedure?" These statutes provide that tax sales to private individuals for nonpayment of property taxes on real estate are replaced with a real estate tax lien procedure under which only a municipality or county where the property is located or the state may acquire a tax lien against land and buildings for unpaid taxes.

Moved by Daryl Borgman, Seconded by Harold Paulsen

YES: 149

NO: 10

(Article Passed)

ARTICLE #6 "Shall we adopt optional adjusted elderly exemptions from property tax?" The optional exemptions, based on assessed value, for qualified taxpayers shall be as follows: For a person 65 years of age up to 75 years, \$5,000; for a person 75 years of age up to 80 years, \$10,000; for a person 80 years of age or older, \$20,000. To qualify, the person must have been a New Hampshire resident for at least five (5) years; own the real estate individually or jointly, or if the real estate is owned by his spouse, they must have been married for at least five (5) years. In addition, the taxpayer must have a net income of less than \$10,000 or, if married, a combined net income of less than \$12,000; and own net assets of \$30,000, excluding the value of the person's residence.

Moved by Alan Topliff, seconded by Charles Albee

An Amendment was made;

Moved by Charles Hamilton, seconded by Vincent Greco

Voice Vote; YES

To Reconsider;

Moved by Helen Fryer, Seconded by Lorette Girard

New Vote to Reconsider; YES

New Vote on Amendment; NO

Vote on original article

YES: 148

NO: 11

(Article Passed)

ARTICLE #7 To see if the Town will vote to establish the land acquisition Capital Reserve Fund, as authorized in RSA 35:1, III (a), for the purpose of acquiring conservation land or interests in land for permanent conservation use, to be used as local matching funds or part of the local matching funds required under the New Hampshire Land Conservation Investment Program (LCIP RSA 221-A), and to appoint the Conservation Commission as agents for the Town for purposes of expending the principals of said fund, and to raise and appropriate \$38,000 to said fund, and to authorize the Selectmen to apply for and accept State matching funds under the LCIP for the purposes of acquisition of the fee or lesser interest in conservation land and other costs associated therewith. Said appropriated funds and state matching funds may be expended by a majority vote of the Conservation Commission with the approval of the Selectmen. The unexpended funds from this appropriation shall not lapse but shall be carried forward into the Land Acquisition Capital Reserve Fund for the purposes stated above.

(This article is approved by the Budget Committee)

Moved by Gordon Reidesel to approve, seconded by Shirley Whittemore

(Article Passed)

-
- ARTICLE #8 To see if the Town will vote to raise and appropriate an amount not to exceed \$16,500 for the purpose of water and sewer extension. Any unexpended funds from this appropriation shall not lapse but shall be carried forward into the sewer and water extension Capital Reserve Fund.
(This article is approved by the Budget Committee)
Moved by Floyd Smith to approve, Seconded by Lorette Smith
(Article Passed)
- ARTICLE #9 To see if the Town will vote to create a Capital Reserve Fund for the future purchase of an Aerial Fire Truck and to appropriate the sum of \$67,000 in the current year.
(This article is not approved by the Budget Committee)
Moved by Henry Munroe to dismiss, seconded by Roy Annis, Sr.
(Article Dismissed)
- ARTICLE #10 To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.
Moved by Daryl Borgman to approve, seconded by Don Hill
(Article Passed)
- ARTICLE #11 To see if the Town will vote to authorize its Selectmen to sell any real estate which the town may have acquired by deed as a result of non-payment of taxes or acquired by deed or security for the completion of any development, and to authorize the Selectmen to give a deed, in the name of the Town, to the purchaser of such land.
Moved by Harold Paulsen to approve, seconded by Daryl Borgman
(Article Passed)
- ARTICLE #12 To see if the Town will vote to authorize the Selectmen to apply for, accept, and expend without further action by the Town Meeting, money from the state, federal, or other government unit or a private source which becomes available during the 1988 budget year, provided that such expenditure be made for purposes for which a Town may appropriate money and that such expenditure not require the expenditure of other town funds. Further, that the Selectmen hold a public hearing prior to accepting and spending such money.
(This article is approved by the Budget Committee)
Moved by Phil Kennedy to approve, seconded by Charles Hamilton
(Article Passed)
- ARTICLE #13 To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations to the same.
Moved by Charles Connor to accept, seconded by Vinny Greco

AMENDMENT #1

Moved to increase the Fire Department Budget by \$5,000. For maintenance, \$2,300 for masks to be carried in the cars of two members of the Fire Department, and \$2,500 to purchase a rescue boat. For a total increase of \$9,800.

Moved by Henry Munroe, seconded by Mark Munroe

(Amendment Passed)

AMENDMENT #2

Moved to amend the Town Officers expenses to add the sum of \$500. And that the Board of Selectmen appoint a three member committee to study the feasibility of cooperative, participating or combining with the Allenstown Fire Department in order to provide better fire protection for the citizens of both Towns. The money appropriated for this study will be used to defray any costs this committee may incur and this committee report to the Board of Selectmen of the Towns of Pembroke and Allenstown by November 1, 1988.

This motion is contingent that the Town of Allenstown also passes this motion.

Moved by Chester Martel, seconded by Charles Putnam

(Amendment Passed)

(Article passed as amended)

ARTICLE #14 To hear the reports of auditors, agents and committees or of officers heretofore chosen, and to pass any vote relating thereto.

Amendments have been prepared to correct Tax Collectors report wrongly printed in the Town Report:

Tax Collectors Report, page 24

Uncollected Taxes — Beginning of Fiscal Year (2)

Land use change taxes		Prior to 1986	-0-
Yield Taxes	1986 — 1,196.30	Prior to 1986	900.00
Sewer Rents	1986 — 27,148.71	Prior to 1986	55.60

Interest collected on Delinquent Taxes. . . (property/yield/sewer)
1986 — 21,619.09

Moved by Charles Connor to accept as amended, seconded by Floyd Smith

(Article passed as amended)

ARTICLE #15 To transact any other business that legally come before said meeting.

Moved by Ernest Petit, seconded by Vincent Greco

To print name and salary of all elected Town Officials and Town Employees in the Town Report. Amended by Roy Annis to print name and salary of all Town Officials and print salary schedule of all Town positions.

(Passed as amended)

Recognition was given to Floyd T. Smith as Citizen of the Year.

The Proclamation is printed elsewhere in this report.

There being no further business to come before the annual meeting the Moderator accepted a motion to adjourn. It was seconded and the 1988 Annual Town Meeting of Pembroke, N.H. adjourned at 1:09 p.m.

John B. Goff
Town Clerk
Pembroke, N.H.

Minutes Of The Special Town Meeting Town Of Pembroke, N.H. June 13, 1988

The meeting was opened at 7:00 a.m. by Moderator Whittemore with a reading of the warrant.

ARTICLE #1 To see if the town will, pursuant to RSA 31:5-b (as enacted by Chapter 224 of the laws of 1988), vote to legalize all actions taken by the Town at the second session of its annual meeting held on March 12, 1988, including without limitation all votes on bond issues which were taken without the use of a separate ballot box for each bond article as required by RSA 33:8-a (II).

(2/3 ballot vote required)

Moved by Harold Paulsen to approve, seconded by Thomas Petis

Moved to amend by Harold Paulsen to take out the words (including without limitation all votes) so Article will read:

To see if the Town will, pursuant to RSA 31:5-b (as enacted by Chapter 224 of the laws of 1988), vote to legalize all actins taken by the Town at the second session of its annual meeting held on March 12, 1988 on bond issues which were taken without the use of a separate ballot box for each bond article as required by RSA 33:8-a (II).

Seconded by Chester Martel

(Amendment passed)

Following a discussion on the article and motions to pass were seconded, the Moderator declared the polls open at 7:19 p.m. The polls remained open for voting until 8:19 p.m. at which time the ballots were counted and the results announced.

YES: 54

NO: 16

(Article Passed)

There being no further business, the Moderator accepted a motion to adjourn. It was seconded and the Special Town Meeting of the Town of Pembroke, N.H. adjourned at 8:45 p.m. June 13, 1988.

James F. Goff
Deputy Town Clerk
Town of Pembroke, N.H.

Town Warrant for Pembroke, New Hampshire

TO THE INHABITANTS OF TOWN OF PEMBROKE, IN THE COUNTY OF MERRIMACK, IN SAID STATE, QUALIFIED TO VOTE IN TOWN AFFAIRS:

You are hereby notified to meet at the High Street School, in said Pembroke on Tuesday the 14th of March, 1989 from 10:00 a.m. until 7:00 p.m. for the casting of ballots; and at the Pembroke Academy Auditorium in Said Pembroke Saturday the 18th day of March, 1989, 10:00 a.m. to act upon the following articles:

Ballot Articles

1. To choose all necessary town officers for the year ensuing.
2. To see if the Town is in favor of the adoption of the following Amendments to the existing Zoning Ordinance of the Town of Pembroke, as proposed by the Planning Board.

AMENDMENT # 1: Amend Section 9.00 - Community Facilities, ¶8, Crematory: To read NOT PERMITTED in the R-1 and R-3 Zones and by Special Exception in the LO Zone. Permitted in the B-1 Zone.

AMENDMENT # 2: Amend Section 5.00 - Agricultural, ¶5, Commercial Stables: To read Special Exception in the R-3 and NOT PERMITTED in the R-1, B-1, C-1 and LO Zones.

AMENDMENT # 3: Amend Section 5.00 - Retail & Services, ¶11, Membership Clubs: To read Special Exception in all Zones except R-1 where it is NOT PERMITTED.

AMENDMENT # 4: Amend Section 5.00 - Retail & Services, ¶12, Professional & Business Offices and Services: To read Permitted in B-1, C-1 & LO Zones and NOT PERMITTED in the R-1 and R-3 Zones.

AMENDMENT # 5: Amend Section 5.00 - Retail & Services, ¶13, Automotive Repair, Auto Service Station or Garge: To read NOT PERMITTED in the R-1, R-3 or LO Zones, Special Exception in B-1 Zone and Permitted in C-1 Zone.

AMENDMENT # 6: Amend Section 5.00 - Retail & Services, ¶14, Miscellaneous Business Repair & Service: To read NOT PERMITTED in R-1, R-3 or LO Zones, Special Exception in B-1 Zone and Permitted in C-1 Zone.

AMENDMENT # 7: Amend Section 5.00 - Wholesale, Transportation and Industrial, ¶2, "Gravel Pit Operation": To read NOT PERMITTED in R-1, R-3 and LO Zones, by Special Exception in B-1 Zone and Permitted in C-1 Zone.

AMENDMENT # 8: Amend Section 5.00 - Accessory Uses, ¶3, Accessory Professional office of a licensed medical or dental practitioner, architect, lawyer, engineer, CPA or similar type use in dwelling: To read by Special Exception in R-1, R-3 Zones, Permitted in B-1 and LO Zones and NOT PERMITTED in C-1 Zones.

AMENDMENT # 9: Amend Section 2.00 - Definitions. Delete definition of street and substitute the following: STREET: Relates to and includes a public street, avenue, boulevard, road, highway, freeway and other ways.

AMENDMENT #10: Amend Section 5.00 - Retail & Service, ¶8, Lodging House: Delete in its entirety.

AMENDMENT #11: Amend Section 10, Article 10.09, ¶2 & 3 respectively-board of adjustment.
10.09.2 - Appointment: delete RSA 31:67. Add RSA 673:5.
10.09.3 - Powers: delete RSA 31:72. Add RSA 674:33.
This amendment will update the ordinance with current NH RSA numbering.

AMENDMENT #12: Amend Section 10, Article 10.10 - Variances. Delete entire article. Substitute wording as specified in the Board of Adjustment in NH Handbook (per RSA 674:33). The Substitute wording defines the "powers" more clearly than the present ordinance.

AMENDMENT #13: Amend Section 10, Article 10.13 - Public Hearing, Lines 3 and 5:
Line 3 - delete RSA 675:7 and add RSA 676:5-7
Line 5 - delete RSA 677:3 and add RSA 674:33 & 676:7
This amendment will update the ordinance with current NH RSA numbering.

AMENDMENT #14: Amend Section 10, Article 10.14 - Decision. Delete entire section and substitute new section.

Following the public hearing of an appeal, the Board shall, in accordance with RSA 676.3, within 72 hours of the decision, file a copy with the Selectmen and notify the applicant in writing of the decision.

AMENDMENT #15: Amend Section 11.00, Article 11.05, ¶D - Types of Cluster Residential development: Add after the words "areas of land" the following: . . . (sec. 6.03) and street rights of way (sec. 11.055A)

AMENDMENT #16: Amend Section 11.00, Article 11.04.2 - Removal of Sand, Gravel, Loam, Quarry or other raw materials, will require all excavation operators to submit monthly reports of amounts of excavated gravel, and will provide for annual & periodic inspection of all licensed operations at operator's expense.

AMENDMENT #17: Add a new Section 11.24 - Aquifer Conservation District. Creates an overlay district to protect, preserve and maintain existing and potential groundwater supply and groundwater recharge areas within known aquifers from adverse development, land use practices, or depletion.

DELIBERATIVE SESSION

3. To see if the Town will vote to raise and appropriate the sum of twenty-eight thousand seven hundred dollars (\$28,700) to be added to the Land Acquisition Capital Reserve Fund previously established.

(This article is approved by the Budget Committee)

4. To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the acquisition of fire equipment and to raise and appropriate the sum of forty-five thousand dollars (\$45,000) to be placed in this fund.

(This article is approved by the Budget Committee)

-
5. To see if the Town will vote to raise and appropriate the sum of twenty-two thousand dollars (\$22,000) to be added to the Town Equipment Capital Reserve Fund previously established.

(This article is approved by the Budget Committee)

6. To see if the Town will vote to raise and appropriate the sum of eight thousand five hundred dollars (\$8,500) to be added to the Sewer and Water Line Extension Capital Reserve Fund previously established.

(This article is approved by the Budget Committee)

7. To see if the Town will vote to change the purpose of the existing Sewer and Water Line Extension Capital Reserve Fund to designate the Board of Selectmen as agents to expend.

($\frac{2}{3}$ Vote Required) (This article is approved by the Budget Committee)

8. "Shall we modify optional adjusted elderly exemptions from property tax? The optional exemptions, based on assessed value, for qualified taxpayers shall be as follows:

for a person 65 years of age up to 75 years, \$15,000;

for a person 75 years of age up to 80 years, \$30,000;

for a person 80 years of age or older, \$60,000.

To qualify, the person must have been a New Hampshire resident for at least 5 years; own real estate individually or jointly, or if the real estate is owned by his spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of less than \$12,000; and own net assets of \$30,000 excluding the value of the person's own residence."

(Majority Ballot Vote Required)

9. To see if the Town will vote to authorize the Board of Selectmen to enter into a written agreement with the City of Concord for the use and contribution toward closing costs of the Concord Landfill.
10. To see if the Town will vote to accept the provisions of RSA 149-M:13 to enable the Board of Selectmen to make by-laws governing the solid waste facility and to establish rates.
11. To see if the Town will vote to authorize the Planning Board to review and approve or disapprove site plans for the development or change or expansion of use of tracts for non-residential uses or for multifamily dwelling units, which are defined as any structure containing more than two dwelling units, pursuant to RSA 674:43. Further, it shall be the duty of the Town Clerk to file with the Merrimack County Registry of Deeds a Certificate of Notice showing that the Planning Board has been so authorized and giving the date of such authorization.
12. (By Petition) To see if the Town will vote to instruct the Town's Representatives to the General Court to respond to our solid waste crisis by taking all necessary measures to insure that New Hampshire adopt legislation that will permit consumers to return for refund of deposit within New Hampshire all soda, beer, wine cooler and liquor containers and that all unclaimed deposit monies shall be collected by the state and no less than 80% shall be returned annually to local municipalities for the sole purpose of implementing, expanding and reimbursing community recycling projects.
13. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

-
14. To see if the Town will vote to authorize its Selectmen to sell any real estate which the Town may have acquired by deed as a result of non-payment of taxes or acquired by deed as security for the completion of any development, and to authorize the Selectmen to give a deed, in the name of the Town, to the purchaser of such land.
 15. To see if the Town will vote to authorize the Selectmen to apply for, accept, and expend without further action by the Town meeting, money from State, Federal, or other Governmental unit or a private source which becomes available during the 1989 budget year, provided that such expenditure be made for purposes for which a Town may appropriate money and that such expenditure not require the expenditure of other Towns funds. Further, that the Selectmen hold a public hearing prior to accepting and spending such money.
 16. To see if the Town will vote to raise and appropriate the sum of \$3,447,637 which represents the bottom line of the posted budget (MS-7). Said sum is inclusive of all special articles addressed.

(Majority Vote Required)

17. To hear the reports of auditors, agents and committees or of officers heretofore chosen, and to pass any vote relating thereto.
18. To transact any other business that may legally come before said meeting.

Given under our hands and seals this 23rd day of February, 1989.

Harold Paulsen, Chairman
Chester R. Martel
Daryl L. Borgman
SELECTMEN, TOWN OF PEMBROKE, N.H.

We hereby certify that we gave notice to the inhabitants within named, to meet at the time and place and for the purpose within mentioned, by posting up an attested copy of the within Warrant at the places of meeting within named, and a like attested copy at the following: Pembroke Town Library, being a public place in said Town, on the 27th day of February, 1989.

Harold Paulsen, Chairman
Chester R. Martel
Daryl L. Borgman
SELECTMEN, TOWN OF PEMBROKE, N.H.

State of New Hampshire Department of Revenue Administration

61 South Spring Street, P.O. Box 457
Concord, NH 03302-0457

November 9, 1988

Board of Selectmen
Town of Pembroke

Your summary Inventory of Property Valuation and Statement of Appropriations have been approved. You may proceed with the assessment of 1988 taxes on the basis of the following figures.

Net Assessed Valuation	\$268,081,950.
Taxes Committed to Collector:	
Town Property Taxes Assessed	\$ 5,353,597.
Precinct Taxes Assessed	0.
Total Gross Property Taxes	\$ 5,353,597.
Less: Est. War Service Tax Credits	23,650.
Net Property Tax Commitment	\$ 5,329,947.
Tax Rate—Town	\$19.97

In the event any adjustment was made in the Appropriations Section, we have enclosed a copy of the changes. Revenues and Credits have been approved as shown on the enclosed copy of the third page of the Statement of Appropriations. In accordance with RSA 21-J:35,II, we also enclose a written explanation of the change.

The net amounts approved for school, county and precincts are indicated below. These amounts are the total monies which should be transferred to each of these units of government.

Net School Appropriations	\$ 3,973,525.
County Tax Assessment	\$ 373,535.
Net Precinct Appropriation (1)	\$ 0.

In arriving at the above approved rate the Overlay has been set in the amount of \$10,299.

Very Truly yours,
Barbara T. Reid
Director

February 19, 1989

Board of Selectmen
Town of Pembroke
Pembroke, New Hampshire 03275

We have examined the financial statements of the Town of Pembroke, New Hampshire for the year ended December 31, 1987, and have issued our report thereon dated February 19, 1988. As part of our examination, we made a study and evaluation of the Town's system of internal accounting control to the extent we considered necessary to evaluate the system as required by generally accepted auditing standards. The purpose of our study and evaluation was to determine the nature, timing and extent of auditing procedures necessary for expressing an opinion on the Town's financial statements. Our study and evaluation was more limited than would be necessary to express an opinion on the system of internal accounting control taken as a whole.

The establishment and maintenance of a system of internal accounting control is an important responsibility of Town officials. The objective of internal accounting control is to provide reasonable, but not absolute, assurance as to the safeguarding of assets against loss from unauthorized use or disposition and the reliability of financial records for preparing financial statements and maintaining accountability for assets. The concept of reasonable assurance recognizes that the evaluation of these factors necessarily requires estimates and judgements by Town officials.

Because of the inherent limitations in any system of internal accounting control, errors or irregularities may nevertheless occur and not be detected. Also, projection of any evaluation of the system to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the degree of compliance with the procedures may deteriorate.

Our study and evaluation made for the limited purpose described in the first paragraph would not necessarily disclose all material weaknesses in the system. Accordingly, we do not express an opinion on the system of internal accounting control of the Town of Pembroke taken as a whole. However, our study and evaluation disclosed that no conditions that we believe result in more than a relatively low risk that error or irregularities in amounts that would be material in relation to the financial statements of the Town of Pembroke may occur and not be detected within a timely period.

These conditions were considered in determining the nature, timing, and extent of the audit tests to be applied in our examination of the 1986 financial statements, and this report does not affect our report on these financial statements dated February 19, 1988.

We wish to express our appreciation for the cooperation we received from Town officials at all levels.

We would be pleased to discuss our comments further with you should you do desire. This report is intended solely for the use of management and should not be used for any other purpose. The provisions of RSA 71-A:21 require that this letter be published in the next annual report of the Town.

Respectfully submitted,
Jon R. Lang

I. INTERNAL CONTROLS

A) Cash Receipts and Disbursements

Significant internal accounting controls -

Cash Receipts - Segregation of duties, prompt recording and depositing and bonding of employees handling cash.

Cash Disbursements - Segregation of duties, control over unused, returned and voided checks, monthly reconciliation of bank accounts, authorization for payment and cancellation of invoices.

We have evaluated all of the internal accounting controls in the foregoing paragraph. We found no material weaknesses.

B) Purchasing and Receiving

Significant accounting controls: bid process procedures, use of pre-numbered orders, and segregation of duties.

We have evaluated the internal controls in the preceding sentence. No material weaknesses were found.

C) Accounts Payable

Significant internal accounting controls: control established over incoming invoices, segregation of duties, authorized payment, review of vouchers to check that proper procedures were followed, and program charged checked against budget.

We have evaluated the internal accounting controls in the preceding sentence. No material weaknesses were noted.

D) Payroll

Significant internal accounting controls: Segregation of duties, written personnel policies, payroll charges to approved budget, and wages paid at or above Federal minimum wage.

We have evaluated the internal controls identified in the preceding paragraph. No material weaknesses were found.

Message From The Board Of Selectmen

As part of the Annual Report, the Board of Selectmen attempt to recap the year's accomplishments. Some of our accomplishments are as follows:

The revaluation of all properties and buildings in Town was completed in the early fall and we are currently in the final stages of reviewing applications for abatement. We would like to thank all of the citizens that patiently waited to speak with the assessors during the hearings.

The Town was renumbered and each home (and 100' of property with frontage) now has a number/street address. We undertook this project to eliminate the confusion that the police department, fire department and ambulance service experienced when attempting to find a home in an emergency situation.

We instituted regulations for the Town's solid waste facility in order to operate the facility in an efficient manner. The regulations have helped us eliminate non-residents from using the facility as well as charge commercial haulers a fee in line with the burden that they place on the facility.

Finally, the new Town Hall was completed and is in use. We would like to thank the members of the building committee, Dick Pitman, Bill Clark, Floyd Smith, George Fryer, Lissa Dorfman, and David Stack for their work in helping us meet our occupation date of December, 12.

We would also like to thank all of the Town employees and the volunteers who serve on the boards, committees and commissions of the Town. Most of all, we would like to thank the citizens of the Town of Pembroke for their support and cooperation.

Harold Paulsen
Chairman

Chester Martel

Daryl Borgman

Board of Selectmen

Pembroke Highway Department

The year 1988 was exciting and full of accomplishment and some disappointment. We scheduled a long list of projects with only a few failing to be completed.

The major projects involved the road system. This included the oiling and sanding of 8.1 miles of road in the North Pembroke area. This project will continue through 1989 and 1990. In addition, major improvements were made on Church Road, Beacon Hill Road and Plauswa Hill Road. Turn-arounds were constructed on 3rd Range Road and Staniels Road. We were again able to grade and shape all the gravel roads within the Town twice during the summer, as well as sweeping the winter sand from the Town streets and parking lot.

Brush cutting along the roads in North Pembroke was not as successful nor completed to the degree we would have liked. It will however be a priority during the coming year as will the clearing of drainage ditches.

We were all excited with the new equipment and we are sure the townspeople can see the improvement in town services.

Once we had access to the new vehicles we were able to do several things that were neglected in the past for lack of proper equipment. For example, we were able to rebuild several catch basins badly in need of repair.

Other projects were the construction of new hangers for the new spreaders, a new roof on the shed portion of the Highway Department garage, reshaping the dump area behind the garage, the removal of the used tires from the dump and the installation of a dump permit system to restrict the use of the facility to the residents of Pembroke.

Additional projects were basically those we do as a matter of routine, ie; collecting rubbish, maintenance of the town dump, cutting the grass at the parks and cemeteries, sweeping the streets, burying the dead, plowing the snow, sanding and salting the ice, spring and fall cleanup, etc.

We believe that 1989 will be an even better year. We have one more year of experience together, plus the best crew of people in the history of the Town of Pembroke. A vote of thanks is due the following:

Henry Malo - Maintenance Foreman	13 years of Service
Clifton Chadbourn - Laborer	15 years of Service
Darrell Amell - Fleet Mechanic	2½ years of Service
Michael McGranaghan - Laborer	1½ years of Service
Ron Wyman - Laborer	1½ years of Service
Michael Baum - Driver - Laborer	1 year of Service
Steve Berube - Laborer	6 mos. of Service
Glen Altimari - Driver - Laborer	6 mos. of Service
Gerald Frechette - Driver - Laborer	6 mos. of Service
David Bouffard - Driver - Laborer	3 mos. of Service

Respectfully,
Thomas P. Connell
Road Agent

Building Department Annual Report – 1988

A significant decrease in major construction resulted in 1988. Single family homes and duplexes decreased 10% from 1987, however, alterations increased 15%. Permits have been issued to Hodges Development Corp. for their construction of condominiums on Pembroke Street (south of Littlefield) but construction will not commence until Spring of 1989. Stoneybrook Development Phase VI is nearing completion and Phase VII is slated to begin in April.

The new Town Hall kept the Building Department busy during its construction from September through December. The building was occupied December 12 and in full operation on December 14. A few finishing touches still need to be tended to. The Chairman of the Board of Selectmen and our Administrative Assistant, were a great help to the Building Department during this project and their support is greatly appreciated.

Summary of Building Permits Issued

Single Family Homes	41
Duplexes	04
Multi/Condos	04 Bldgs/24 Units
Garages	15
Additions	10
Alterations	58
In-ground Pools	06
Miscellaneous	<u>03</u>
TOTAL	141
Alteration Permits Issued	152
On-site Inspections Conducted	324
Fire Inspections Conducted	93

Code Enforcement Officer

Jack Hoadley
Fire Inspector
Safety Officer

Pembroke Police Department

The dictionary defines the word Police as regulation and control of a community, especially with reference to matters of public order, safety, health, moral *and so forth*. The last part of the definition where it says "and so forth" can be quite challenging to a Police Officer. This is when something takes place and people are not quite sure how to handle the situation. For example, when a sick skunk crawls into the main entrance of the school and will not move, a Police Officer is called, and without special training on how to remove skunks, removes it.

The activities for the Pembroke Police Department have been quite interesting in 1988. We have seen the Driving While Intoxicated arrests go from 113 in 1987 to 73 in 1988. We have also seen the arrests of drug violaters go from 39 in 1987 to 12 in 1988. We are not saying that these problems are disappearing, but by using tough enforcement tactics, it does suggest that the word is getting out onto the streets, and those words simply say that we will not tolerate the sales and possession of illegal drugs, or people who drive while intoxicated by alcohol or drugs.

In 1988 we have seen new improvements in our station. In the basement part of the station, new construction of a holding cell area has started and this will make handling of prisoners a lot easier and safer for the Officer. Trained Officers, good police equipment and new construction, as I have mentioned, are essential if you want good police protection. The activity log and motor vehicle log shows that your Police Department has put into action the definition of the words police protection, but it takes more then just equipment and trained men, it also takes the support of the community. This support by the community shows them that they are appreciated for what they do for the town. The Pembroke Police Department wishes to thank the citizens for that support and the equipment.

We would also like to thank Harold Paulsen and his son Eric Paulsen for their time and energy in getting set up a new street number system for the citizens of Pembroke. This new system has made our new job in responding to emergency calls alot easier and faster. The numbers especially on Pembroke Street used to be very hard to find because they were not in a numerical order. This was a very big problem during night hours responding to an emergency.

We would also like to thank all of the Town Departments and volunteers who have helped us make our job easier and safer.

Finally I would like to thank the Officers for working those Holidays and sacrificing their time with their families and friends, so that they could protect and serve the citizens of Pembroke.

Pembroke Fire Department

As of this report your Fire Department has a new Chief, Richard Chase, who follows in the footsteps of his father, former Chief Jacob A. Chase.

When I was appointed Chief, I said I would serve in a caretaker capacity. During this time the department has purchased a new engine that meets the regulated safety edict, that all firefighters will ride in an enclosed cab. Fully approved protective clothing has been issued to all members. New members are required to be State Certified, and most of our officers have attended the prestigious National Fire Academy. As the add proclaims "we have come a long way". We have, however, an even longer way to go as new regulations promulgated by Federal, State, and professional organizations, may well end the volunteer fire service as we know it.

When I entered the Pembroke Fire Department in 1952, the fire service embarked on a period of exciting and radical change emanating from the second world war. Radios, self-contained air masks, tank trucks, protective clothing, and training schools hitherto unknown became standard

Pembroke was then a quiet town whose main source of employment was the mills. The fire department answering some 100 calls annually and most of the fires consumed natural products. The town employed 3½ persons - a road agent and his assistant, a superintendent of water services, and a part time bookkeeper. Today, the town employs some 20 people. The cause, a population explosion that has seen our fields sprout condominiums, commercial enterprise, and housing developments. Pembroke Street, once a pleasure to drive down is one of the busiest streets in New Hampshire.

In 1952 we had time to belong to a volunteer department while enjoying family and recreation. The economic conditions were such that a single wage earner could provide for the needs of his dependents. Today, most wives are working and time to spend with family is limited, yet your fire department makes more demands than in the 50's. Training, maintenance, fires, medical calls, mandate several evenings each week be spent after work at the station. Add time and effort to meet an ever increasing number of regulations such as Hazardous Materials, The Right to Know, and Occupational Safety Acts and you can see why the volunteer fire department has difficulty in recruiting and retaining members. Most of our neighboring towns, having been unable to maintain sufficient volunteers to provide adequate protection, now employ several full time firefighters. The cost is high. In communities where there are no volunteers the cost of fire protection is second only to schools. Pembroke needs to take action soon if it wants to maintain its volunteer fire department.

In other States, towns with recruiting problems have offered volunteers such incentives as reduction in real estate taxes, small retirement programs, and educational opportunities. At the National level Congress fearful of the decline of the volunteer emergency services, is considering an income tax rebate. I hope Pembroke will address this problem before it is too late.

I have enjoyed and am proud of my years with the Pembroke Fire Department. I wish Chief Chase and the "boys" only the best and God's safe keeping as they labor now in yours and my behalf.

Henry W. Munroe
Fire Chief (Retired)

Pembroke Planning Board

In 1988, the Planning Board reviewed and approved twenty-three applications for subdivision or residential site plan approval, authorizing thirty new residential lots and eighteen commercial lots. Seven applications for non-residential site plan review were approved, authorizing five new business locations.

Currently pending before the Board are several applications requesting approval for an additional fifty-eight lots and ninety-seven cluster units.

Due to the hard work of the Conservation Commission and in cooperation with the Central New Hampshire Regional Planning Commission, the Board adopted a Water Resources Management and Protection Plan for the town. The Office of State Planning has certified that the Plan meets their regulations. It addresses surface water (rivers and streams) and groundwater (the source for the town's water supply and private wells). Ordinances implementing the Plan will be proposed in 1989.

Both the Board and the Conservation Commission will be making the protection of wetlands a priority in the coming year. Contaminated wetlands lead quickly to contaminated surface and groundwater. Wetlands serve as vital habitat for, and produce nutrients needed by, many plants and animals.

Development in the commercial zone along Route 106 has proceeded with special attention to its possible effects on the nearby wells that serve as the town's major water source. Special engineering studies will be sought in 1989 to improve our ability to protect that source.

In November, the voters accepted the recommendations of the Board concerning amendments to the Zoning Ordinance. The revision of the cluster housing provisions will make it easier to preserve open space in Pembroke.

Thanks to everyone who returned the questionnaire from the Board last Fall. The detailed results are available at Town Hall. In general, those responding indicated that they did not favor expanding the commercial zone (65%) with 33% favoring expanding the zone. Of those favoring the expansion, 31% favored expansion in the Route 106 area and 29% in the Route 28 area. With respect to open space preservation, 96% were in favor of such preservation with 38% indicating that the developers should bear the cost and 53% felt that both the town and the developers need to pay the cost for open space lands. Also of note was the fact that 78% of the respondents indicated that they would use recycling if it were available in the town.

The Board recently revised the Capital Improvements Plan for the town, providing a description and a suggested schedule for those anticipated expenses.

Like Pembroke's other boards and commissions, the Planning Board consists of volunteer citizens who sacrifice their personal time to help govern our town. We are very grateful for their dedication. Our Roads Committee and the Capital Improvements Committee deserve special mention for the many extra hours they have contributed in 1988.

In December, our Chairperson, Patricia Fair, resigned to devote more energy to her new position as one of our representatives to the Legislature. We will miss her strong leadership and good humor, which have seen us through some difficult times in these recent years of increased growth.

With the expert assistance of Town Planner Chuck Clifford and Town Engineer Greg Miller, as well as the entire Town Hall staff, we look forward to another year of challenges and successes in 1989.

Pembroke Town Library

The Pembroke Town Library staff and trustees invite you to visit the library. We offer a selection of over 40 periodicals including Smithsonian, Life, Newsweek, Time, New England Monthly, Popular Science and more. The Library is the perfect spot to read the daily newspapers, we offer the Concord Monitor and the Union Leader.

During 1988 the current edition of Lovejoy's College Guide and the 1988 World Book Encyclopedia were acquired for our reference section along with other important additions.

We offer a varied selection of current best sellers as well as your old favorites. Our childrens' section has offerings for every age group.

Building improvements for 1988 included a spotlight to enhance the library facade.

We welcome town residents as borrowers of the Library. Your suggestions for improvements in the library collection or services would be appreciated.

Central New Hampshire Regional Planning Commission

329 Daniel Webster Highway
Boscawen, New Hampshire 03303
(603) 796-2129

The Central New Hampshire Regional Planning Commission (CNHRPC) is an association of municipalities in central New Hampshire. Seventeen towns and the City of Concord are within Merrimack County and two towns are within Hillsborough County. Thirteen towns, the City of Concord, and Merrimack County are members in fiscal year 1989. The Town of Pembroke is a member of the Commission.

The CNHRPC is organized under RSA 36:45-53, which states that the purpose of the Commission is to prepare a coordinated plan for the development of the region. The statute also enables us to assist communities with local planning activities.

Three planners and one support person are currently employed by the CNHRPC. The staff prepares regional plans and provides professional planning assistance to member communities.

In 1988 the Commission adopted the regional *Housing and Community Development Plan*, the regional *Septage Management Plan*, the *Initial Transportation Report*, the *Regional Profile*, the *Transportation Facilities and Information Report*, and the *Guide to Municipal Plans and Regulations*. The *Guide* contains models and outlines for master plans, capital improvements plans, zoning ordinances, subdivision regulations, and site plan regulations. We had contracts to help six towns with master plans or land use regulations and helped communities write grant applications.

Local water resource management and protection plans were a new activity in 1988. We completed and received Office of State Planning consistency approval on two plans, prepared a complete draft of a third, and started work on two more.

During 1988 CNHRPC activities in Pembroke included:

- The preparation and successful NH Office of State Planning consistency review of the Pembroke Water Resource Management and Protection Plan.
- Providing information and sample regulatory language on park dedication requirements for proposed subdivisions.
- Providing census and NH OSP population information and estimates.
- Providing information on recycling programs to the recycling committee.

Pembroke Conservation Commission

Conservation efforts in Pembroke have been widespread and significant this past year. As a lively and active Commission we have been involved with many projects and programs that impact our environment and natural resources. We believe the protection of the spotted turtle and its habitat is both a real and a symbolic victory for the Town. Press coverage of the spotted turtle through the year made many of us aware of at least one very special aspect of Pembroke's natural resources. There are many other resources we are dedicated to protect and preserve.

One of the greatest gains came through the acquisition of lands for conservation purposes by either purchase or by conservation easements. Pembroke has received approval for funding of a 27 acre parcel of land from the Trust for New Hampshire Lands' program known as the Land Conservation Investment Program (LCIP). With funds allocated by Town Meeting last year the Conservation Commission has been able to purchase the Bragfield Pond Property which is located between Beacon Road and Brickett Hill Road just off the 3rd Range or T-Bridge Road. With this purchase, Pembroke joins a handfull of New Hampshire towns that have been able to protect locally significant lands with the financial assistance of the LCIP. The pond and adjoining land is home to many species of wildlife and provides excellent habitat for both permanent and transient species. The Town also acquired a conservation easement on a high and hilly ten acre parcel on Cross Country Road. The generosity of the land owner, Charlotte Scripture, has enhanced the future of Pembroke's natural lands. The owners of the wetland and marsh on Church Road adjacent to the Church Meadows subdivision have granted the town a conservation easement on the area where the rare spotted turtle is known to live. The protection and preservation of such habitat is an unusual occurrence during these days of high pressure to develop even marginally buildable lands. All told, over 40 acres of land have been added to the conservation lands of Pembroke in 1988.

Development in Town required that 12 Dredge and Fill Permits be filed with the NH Wetlands Board. The Conservation Commission intervened and walked the sites for 10 which required our inspection. In cases where permits were granted most were given with certain conditions. In another water related issue the Commission was the town's primary agency in developing, with the Central New Hampshire Regional Planning Commission, a Water Resources Protection Plan. Pembroke's plan was submitted to the Office of State Planning for review and approved for consistency with statewide guidelines. This document will help the Town protect its surface and groundwater resources. On this plan and on other issues the Conservation Commission has worked with the Town's Planning Board in order to better coordinate planning and conservation activities.

Members have attended conferences on rare plants, gravel pits and their impact on the environment, and for the New Hampshire Association of Conservation Commissions. We have spent time working on the Town Forest and are making plans for utilizing it and our newly acquired Bragfield Pond parcel. Those of you who participated, or tried to participate, in the 3rd Annual Household Hazardous Materials Clean Up Day found that it has grown and that the need for such clean up days is great. Our coordinator this year, Susan Seidner, did an excellent job in both planning and participating in this important project.

For 1989 we plan to continue with our activities and encourage anyone to get involved with conservation. Contact the town offices if you would like to participate. With environmental issues once again making front page news we urge everyone to "Think Globally, Act Locally."

Pembroke Recreation Commission

Each year the Pembroke Recreation Commission supports: soccer league for children (grades kindergarten-6), kiddie basketball (grades 4-6), Little League baseball and softball, summer recreation softball, summer recreation program, summer swimming and Old-Home Day activities.

Youth soccer is off and running. Under the direction of Dick Giroux, a program for children in kindergarten through grade two was very successful. Two teams in grades 3-4 and one team in grades 5-6 were entered in the Merrimack Valley Youth Soccer League. Alan Williams directed those teams. The commission would like to thank both Dick and Alan for their time and effort.

Last year a soccer goal post was placed on the utility field at Memorial Field. The backstop was replaced at the major Little League field. New fencing was installed at the horseshoe pits, the right field line of the softball field, and general repairs to the Little League fence at the Point. Picnic tables, redwood benches and trash receptacles were placed around the park. Player benches were installed on the utility field. Much-needed bike racks and posts were installed along with two new children's toys for the playground area. Water fountains were placed at the playground area and the major softball field. Signs were replaced at the entrance of the park. Tractor tires, a reel mower and a fertilizer spreader were purchased to greatly enhance the general upkeep of the fields.

Carolyn Tucker and Donna Ong directed our summer recreation program. Children participated in sports and activities, arts and crafts, and weekly field trips. At times, more than 70 children were involved. Plans for next year include the possibility of renting another bus to accommodate the increase of children for field trips. The program was well organized and we look forward to another exciting summer.

Helen Fryer organized our summer swimming program. Classes were offered in Beginner A, Beginner B, Advanced Beginner, Intermediate, and Swimmer. More than 100 children participated in these classes. Mrs. Fryer continues to do an outstanding job coordinating the program.

Our intent next year is to: upgrade and build an addition to the bathrooms; build a storage area that would be added on to the softball building to house equipment; install a fence around the playground area; construct a beach volleyball area to the south of the recreation building; repair horseshoe pits; assist the Lions' Club in the construction of a pavillion and picnic area; purchase an additional set of portable bleachers to be used for soccer, softball, and Old-Home Day activities; purchase and plant shade trees; upgrade the area between the Little League building and the recreation building; assess the possibility of upgrading the boat launch area; replace the large sign at the entrance of the park and repair fence at the entrance of the park.

The increased use of the physical fitness course and the horseshoe pits has encouraged the commission to look into other activities that would provide more recreational activities for both individuals and teams.

The commission would like to thank the Highway Department for its help and assistance last summer, Johnson's Flower Shop for its annual planting of flowers around the monument and Maurice Lafond who donated wood chips that were placed around the park.

Old Home Day Pembroke and Allenstown

Theme: A New Beginning

Our seventh anniversary of Old Home Day and our first effort at a joint celebration proved to be very successful. We welcomed nine active members from Allenstown and several new members from Pembroke. I would like to take this opportunity to thank a wonderful group of hard working people for providing both communities with a fun filled day.

Thanks are also extended to both towns' municipal departments: selectmen, police, fire, highway and recreation. Rose Galligan and her staff did an excellent job at preparing Memorial Field for the day's event.

Through the generosity and support of many, we have met our financial needs. Thus enabling us to begin a new tradition we hope to be able to continue each year. The donation of half of our yearly profits to a worthy town cause. This year's profits will go to the Lions Club project - a new permanent pavillion at Memorial Field.

Plans are already underway for our eighth celebration which will be held August 26, 1989. Join us, we have as much fun planning as you have attending the day's events. Photo albums of the entire day's celebrations may be found in both town libraries.

Thank you for your continued support. The following poem sums up the day beautifully.

Lorette Girard, Chairman

The day started with a drizzle,
but our hopes didn't fizzle.
With many people participating,
the parade was given a top rating.
By noon, the sun was shining,
and vendors were busy with everyone dining
The events were for all to enjoy,
great fun for every girl and boy.
A day to renew old acquaintances,
to buy some chances and dance a few dances.
About 20 minutes people waited,
. . . then, the cow cooperated.
The fireworks that lit the sky at nine,
put an end to a day that was just fine.
We thank you for your participation,
contribution and handmade donation.

Tri-Town Volunteer Emergency Ambulance Service, Inc.

Tri-Town Volunteer Emergency Ambulance Service, Inc. will soon start its 18th year of service to our communities and we would like to take this opportunity to express our appreciation for the support you have shown us through these years.

1988 was the busiest year on record for Tri-Town. As of December 1st, we have responded to 954 calls and expect to respond to more than 1,000 calls by the end of the year, a major increase of emergency transports over previous years. Nearly one-third of these calls were in the Pembroke area. From January through November of 1988, Tri-Town responded to 291 calls in the Town of Pembroke - 86 by day personnel and 205 by volunteers. A breakdown of calls and other facts are shown on the following page.

The spring of 1988 found Tri-Town acquiring its third ambulance (502). On numerous occasions since its acquisition, all three ambulances have been in the field at the same time. Use of the three units to date (11 months of 1988):

Unit 500:	435 calls
Unit 501:	201 calls
Unit 502:	286 calls

Tri-Town's ambulances continue to be equipped with the very best medical supplies and equipment available. At this time we are also hopeful that we can acquire a defibrillator unit in the near future. We are fortunate to have several I V trained attendants riding with our Service. We continue to attract highly qualified and dedicated volunteers and personnel. Presently we have 14 licensed ambulance attendants covering approximately 100 square miles and serving a population of over 20,000 residents.

We continuously strive to improve and better our service to the citizens of the Tri-Town area. In the process, we have advanced from a BLS (Basic Life Support) service to an ALS (Advanced Life Support) service staffed day crew and volunteers who are continuously upgrading their levels of training.

Although we have staffed coverage during weekdays, having only 14 volunteer attendants covering this large area is stretching our resources to their limits. In fact, some of our volunteers are residents from surrounding communities who contribute their time for our area. More volunteers are needed.

To date we have missed approximately 30 calls on Saturdays and Sundays where we have not been able to have attendants available. Soon the possibility of paid attendants for weekends and the hours between 4 - 7 p.m. each weekday may become necessary. This option has been discussed and we will seek the counsel and support of residents in the Tri-Town area as to whether these hours should be covered by part-time paid personnel, in addition to the regular staff (7 a.m. to 4 p.m.) we now have. In order to do this, the three communities should decide if it is feasible to fund such a project.

Tri-Town's 1989 budget is over \$100,000. Our request this year is for \$7,500 for operating expenses and \$18,341 for personnel costs. We respectfully request \$25,841 from each of the Towns for 1989 funding.

Tri-Town not only needs the funds to operate our emergency medical service, but as mentioned above, volunteers to respond to these emergencies. Please consider contacting the Membership Committee and finding out more about how you can make an important contribution to your community by serving with Tri-Town Volunteer Emergency Ambulance Service:

Membership Committee
Tri-Town Ambulance
P.O. Box 149
Suncook, N.H. 03275

The 1988 Fund Drive brought in approximately \$18,000. We wish to thank those donating to the drive. As you know, we are a volunteer organization which provides free emergency ambulance service to the residents of Allenstown, Hooksett and Pembroke, and the contributions from residents and businesses in the Tri-Town area are truly appreciated.

The support of these people contributes to our ability to provide the high standard of care Tri-Town Volunteer Emergency Ambulance Service is proud to offer the residents of our communities.

Thank you for your continued support.

1988 Summary of Services Provided to Pembroke Residents by the Suncook Area Center Belknap-Merrimack Community Action Program

SERVICES	UNITS OF SERVICE	# OF HOUSEHOLDS/ PERSONS	VALUE
CONGREGATE MEALS - All senior citizens are welcome to our congregate meal site for nutritious hot meals, social/recreational activities, and field trips. Value - \$4.42 per meal.	2,081 Meals	27 Persons	\$ 9,198.02
MEALS-ON-WHEELS - Provides the delivery of nutritionally-balanced hot meals to homebound elderly or adult residents five days per week. Value - \$4.91 per meal.	8,444 Meals	41 Persons	41,460.04
SENIOR COMPANION PROGRAM - Provides friendly visiting and respite services for homebound elderly. Income eligible seniors (60 +) serve as companions. Value to companions include mileage, weekly stipend (\$3.80 per unit). Value to visitees is compared to similar private services (\$4.50 per unit/hour).	1,033 Volunteer Hours	1 Person	3,925.40 (volunteer)
	515 Visitee Hours	2 Persons	2,317.50 (visitees)
FUEL ASSISTANCE - Income-eligible households, particularly the elderly, are assisted with energy costs during the heating season. The average assistance per household is \$452.24.	240 Applications	240 Households	108,539.10
WEATHERIZATION - Improves the energy efficiency of income eligible households. Supplemental Program also includes furnace replacement, water heater replacement and roof repair. Value includes materials and labor costs. \$1,070.11 average support costs.	2 Homes	2 Homes	1,809.98 (materials)
			\$2,140.22 (support costs)
RURAL HOME REHABILITATION PROGRAM - Offers income eligible clients home repairs such as foundation replacement, septic systems, wells or roofing. Also includes general weatherization measures. These services are provided when major home repairs are necessary, which are not covered by the Weatherization Program.	3 Homes	3 Homes	\$8,704.60
PERSONAL EMERGENCY RESPONSE SYSTEM - Provides automated emergency response equipment to income eligible elderly, disabled and medically at-risk individuals who are physically or socially isolated. Value based on cost for similar private service. \$25.00 per month.	1 Unit	1 Household	300.00

SERVICES	UNITS OF SERVICE	# OF HOUSEHOLDS/ PERSONS	VALUE
CAMP SEBAGO - A camping experience and transportation in cooperation with Salvation Army. Value approximately \$250. each child.	10 Children	10 Persons	\$ 2,500.00
WOMEN, INFANTS AND CHILDREN - Provides specific foods to supplement daily diet of pregnant or nursing women as well as children under 5. Participants receive medical/nutritional screening, counseling and education. Value includes monetary value of vouchers and clinical services. \$31.75 per unit.	910 Voucher Packets	80 Persons	28,892.25
HEAD START - This child development program serves children before they enter public school. Provides classroom and in-home learning services for both children and their families. Value - \$3,297.00 per child, per year.	7 Children	7 Households	23,079.00
RURAL TRANSPORTATION - Provides regularly scheduled transportation to and from towns in Belknap and Merrimack Counties to medical and professional facilities, shopping centers and congregate meal sites. Value - \$2.50 per ride.	482 Rides	67 Persons	1,675.00
USDA COMMODITY FOODS - Distribution of Federal Surplus Foods to income eligible people through scheduled mass distributions. Value of Cheese - \$6.33/5 lb. block Value of Butter - \$1.42/1 lb. block Value of Dry Milk - \$3.68/4 lb. box Value of Rice - \$.42/2 lb. bag Value of Corn Meal - \$.68/5 lb. bag Value of Flour - \$.60/5 lb. bag Rounds I, II, III	1,139 Blocks of Cheese 861 Blocks of Butter 206 Boxes of Dry Milk 622 Bags of Rice 174 Bags Corn Meal 172 Bags of Flour	230 Households Persons 230 Households 206 Households 230 Households 174 Households 172 Households	7,209.87 (Cheese) 1,222.62 (Butter) 758.08 (Dry Milk) 261.24 (Rice) 118.32 (C.M.) 103.20 (Flour)
EMERGENCY FOOD PANTRIES - Provides up to three days of food for people facing temporary food crisis. Value - \$2.50 per meal.	283 Meals	76 Persons	707.50
CLOTHING ASSISTANCE - Provides locally donated clothing to families in need. Value - \$25.00 per family.	344 Families	344 Households	8,600.00

SERVICES	UNITS OF SERVICE	# OF HOUSEHOLDS/ PERSONS	VALUE
INFORMATION AND REFERRAL - CAP provides utility, landlord/tenant, legal and health counseling, as well as referrals for housing, transportation and other concerns to anyone in need. Value of service varies from client to client.	3,764 Units	Not tracked	---
CHRISTMAS BASKETS - A Christmas dinner and a few toys. Value \$35.00 each basket.	107 Families	107 Households	\$ 3,745.00
SUMMER RECREATION PROGRAM - A six-week summer recreation program. Value approx. \$100. each child.	11 Children	11 Persons	1,100.00
		TOTAL:	\$258,366.94

AN OLD FRIEND . . .

Fire destroyed the original Town Hall on August 27, 1965.

Below: Construction begins on new Town Hall, Sept. 6, 1988.

Foundation for New Town Hall

Concrete slab work

Exterior framing for first & second floor

Interior framing of first floor

PEMBROKE TOWN HALL

Gable end in place

Raising the cupola

The finished product. Built on the site of the original Town Hall, the new building strongly resembles the old. Welcome back!

Concord Regional Visiting Nurse Association

The Concord Regional Visiting Nurse Association continues to offer three major health services to the residents of Pembroke: Home Care, Hospice, and Health Promotion.

Home Care Services respond to the health care needs of those patients with acute or chronic illnesses that require skilled professional and paraprofessional care so they may return to or remain in their homes. Emphasis is on promoting independence and maximum functioning of the patient within the least restrictive setting.

Hospice Services provide professional and paraprofessional services to the terminally ill patient with a limited life expectancy. The goal is to enhance the quality of the patient's remaining life by helping he/she remain at home in comfort and dignity. Emphasis is on pain and symptom management and skilled intervention to meet the patient's special physical and emotional needs.

Health Promotion Services focus on the low and marginal income families and individuals to prevent illness by professional assessment and screening for health risks and needs, by early intervention to prevent, eliminate, or minimize the impact of illness and/or disability, and by anticipatory guidance and health teaching. Services rendered in the clinic setting are: child health, family planning, sexually transmitted disease, adult screening, immunizations, and HIV testing and counseling. Home visits are made in crisis situations or when needed health care cannot be given in the clinic. Senior Health services are provided at congregate housing sites. Professional and paraprofessional hourly home services are provided on a private fee-for-service basis. Emphasis is on promoting healthy children, families, and individuals through early intervention and health teaching.

Health Education and Instruction is part of each home visit or clinic visit.

Anyone in Pembroke may request service; patient, doctor, health facility, pastor, friend or neighbor. All requests are answered, but continuing home care will only be provided with a physician's order.

A call to the Concord Regional Visiting Nurse Association (224-4093) between the hours of 8:00 a.m. - 4:00 p.m. seven days a week is all that is necessary to start services or make inquiries. A Hospice nurse is on call (224-4093) 4:00 p.m. - 8:00 a.m. daily.

Federal regulations specify a charge is applicable to all visits. Fees are scaled for that person without a health plan who is unable to pay the full charge. However, for fee scaling, federal regulations require a financial statement be completed by the patient or responsible person. Town monies subsidize those visits that are scaled or that no fee is collectible.

This agency is certified as a Medicare/Medicaid Provider, licensed by the State of NH and is a member agency of the United Way of Merrimack County.

Total visits made during the year October 1, 1987 through September 30, 1988.

	No. of Clients	Visits
Home Care	42	543
Health Promotion	185	413

Pembroke Water Works Annual Report

A complete water main system for a new industrial park on Route #106; a new water main for Willow Street in Allenstown; a main for a new street off of Buck Street; the completion of phases 6 and 7 of Stoneybrook Development; and a new 900,000 gallon water tank testify to the expansion of the town owned water system. All of the above represents over 8000 feet of new mains laid and 13 new hydrants installed to better serve our water users.

The most important event of the past year was the building of the new tank atop a hill on the Allenstown/Hooksett line on land generously given to the Town Water Department by the Parker Bailey Trust. The Board of Water Commissioners is most grateful to the Trustees; Ruth McKay, Mary Louis, C. Benjamin Bailey, and Richard Bailey for their public spirited gift.

After a road was built and the site work done the tank firm arrived and installed a glass lined steel tank that will now balance the system and prevent low pressure problems that many of our users had whenever a fire hydrant was used in certain sections of the system.

Major improvements to the pump station on Pembroke Street were accomplished when we installed a new gas fired boiler and hot water system to the building. In addition we installed a gas powered generator to provide electricity for our pumps whenever power fails to the building.

For 1989 we see a few big projects on the horizon. We are particularly interested in the reconstruction of Glass Street that will require much attention from the water department.

Board of Water Commissioners

Pembroke Water Works Balance Sheet

December 31, 1988 and 1987

ASSETS

	1988	1987
CURRENT ASSETS:		
Cash:		
Savings accounts	\$ 69,523	\$ 112,727

Pembroke Water Works

Notes to Financial Statements

Years Ended December 31, 1988 and 1987

NOTE A - ACCOUNTING POLICIES

The principal accounting policies of Pembroke Water Works ("the Water Works") are as follows;

Accounting Basis

The Water Works uses the accrual method of accounting for all revenue and expenses.

Property and Equipment

These assets are carried at cost. Maintenance repairs and minor renewals are expensed as incurred and renewals and betterments are capitalized. When an asset is retired or disposed of, the related costs and accumulated depreciation are removed from the accounts and any gain or loss on the disposition is credited or charged to income. Provision is made on the straight-time method for depreciation by annual charges to operations calculated to absorb the costs over the estimated useful lives of the assets.

The cost of water mains included under the caption "Water distribution equipment" reflects only those costs actually expended by the Water Works. In prior years, the Water Works acquired title to additional mains located in housing development areas. The cost of such mains has been borne by the developer. Under the standard contract provision mains installed in development areas become the property of the Town after a specified period of time. The cost of mains so acquired is not reflected in the property and equipment accounts.

Inventory

Materials and supplies inventory is valued at cost using the first-in, first-out method.

NOTE B - EASEMENT AGREEMENT

In August, 1973, the State of New Hampshire granted to the Water Works an easement and right of way for the construction of a well and pumping station on land situated in Bear Brook State Park. Under the terms of the easement agreement, the Water Works is obligated to supply up to 50,000 gallons of water a day indefinitely to the State at no charge.

NOTE C - LONG TERM DEBT

Long-term debt consisted of the following at December 31, 1988 and 1987.

	1988	1987
7.5% serial bond issued 1988, and maturing at the rate of \$30,000 annually beginning in 1990 and maturing in 1999, backed by the full faith and credit of the Town of Pembroke.	\$275,000	-
6.4% serial water bonds issued in 1975 and maturing at the rate of \$15,000 annually through 1990.	30,000	45,000
Less portion payable within one year classified as a current liability	15,000	15,000
TOTAL LONG-TERM DEBT NET OF CURRENT PORTION	\$290,000	\$30,000

Principal is to be repaid as follows:

Year Ending December 31,	Amount
1989	\$ 15,000
1990	45,000
1991	30,000
1992	30,000
1993	30,000
	<u>\$150,000</u>

NOTE D - MUNICIPAL INVESTMENT

During fiscal year 1985 Pembroke Water Works constructed a new water main on Route 106 from Pembroke Street to the Concord City Line. The town of Pembroke voted to authorize \$200,000 for this construction and issued this amount to Pembroke Water Works. This increased the municipal investment to \$213,693 at December 31, 1985. The total construction cost of this project was \$213,815.

NOTE E - CAPITAL RESERVE FUND

During fiscal year 1986, Pembroke Water Works established a \$750 per unit tap fee to finance construction, reconstruction, acquisition of needed water works system equipment, improvements and/or acquisition of land for water system expansion. The fee is only charged to Pembroke and Allenstown applicants; monies are held by the town trustees of trust funds. The fund amounted to \$47,318 and \$67,211 at December 31, 1988 and 1987, respectively.

NOTE F - DEFERRED COMPENSATION PLAN

During 1988, the company established a deferred compensation plan available to all employees in accordance with section 457 of the Internal Revenue Code. The plan expense for 1988 was \$969. The plan will be administered by a third party.

Pembroke Sewer Commission

Planning and "catch-up" are the words that reflect the past year on the Sewer Commission.

We have had a number of possible projects come to the Board for plan review but few are yet to be built. Stoney Brook did finish laying all of their sewer lines and every lot is now connected to the system.

The Waste Water Treatment Plant has a new superintendent and he has seen to the complete rehabilitation of the Bridge Street Station and has also made needed repairs to the Bow Lane Station. Both Stations are now operating in a satisfactory manner. Their appearances also have been enhanced by a sandblasting job and new paint.

We will replace the sewer main that runs from the Hill School all the way to Pembroke Street. This line is old and we had it inspected using TV cameras this year. We found the line damaged in many places and roots are invading. All the plans are complete and we will begin work in the early spring.

The short line that we have on Academy Road will also need examination in the spring. If it is found deficient we will arrange for its replacement.

The best news is that again this year we will not need to increase the user fee. We are doing our best to keep the system up to standards, save for "a rainy day" and still keep the costs down. For the last three years we have succeeded.

Zoning Board of Adjustment

The Zoning Board of Adjustment (ZBA) heard 25 cases in 1988. The breakdown of the cases is as follows:

Variations — 19 cases: 8 granted, 8 denied, 2 dismissals, 1 recessed

Special Exceptions — 6 cases: 2 granted, 3 denied, 1 recessed

As the Town has grown, so has the complexity of the hearings. Many cases now require detailed, technical reports and studies.

Planning and Zoning Board's joint hearings have proven very beneficial. Information presented by the applicant is heard and shared by both groups. The expertise from the Boards has helped everyone involved in the hearing process.

It is with great pleasure that the Zoning Board of Adjustment moves into its new meeting accommodation. The meeting room in the new Town Hall will give access to town records and the many maps housed there. Having assessment cards and deeds, maps and lot measurements available to us from the Building Inspector's records will certainly aid in answering detailed questions.

The Board would like to thank the Fire Departments for allowing us to hold our prior public hearings in the Gile Room. We realize that at times we have inconvenienced them, but they were always a gracious host. Thanks again.

Abstract of the Meeting of the Pembroke School District

March 5, 1988 and March 8, 1988

The Pembroke School District Meeting on Saturday, March 5, 1988, was called to order by Moderator Thomas Petit at 1:06 p.m. at the Pembroke Academy Auditorium. Moderator Petit called for a moment of silence prior to the reading of the Warrant. The reading of the Pembroke School District Warrant was the first order of business.

Article 1. TO SEE IF THE DISTRICT WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF \$6,300,000.00 FOR THE CONSTRUCTION AND ORIGINAL EQUIPPING AND SUPPLYING OF A NEW PEMBROKE MIDDLE SCHOOL, SAID SUM TO BE IN ADDITION TO ANY FEDERAL, STATE, OR PRIVATE FUNDS MADE AVAILABLE THEREFOR, AND TO AUTHORIZE ISSUANCE OF NOT MORE THAN \$6,300,000.00 OF BONDS OR NOTES THEREFOR IN ACCORDANCE WITH THE MUNICIPAL FINANCE ACT (RSA CHAPTER 33); TO AUTHORIZE THE SCHOOL BOARD TO CONTRACT OR APPLY FOR, OBTAIN AND ACCEPT FEDERAL, STATE OR OTHER AID, IF ANY, WHICH MAY BE AVAILABLE FOR SAID PROJECT AND TO COMPLY WITH ALL LAWS APPLICABLE FOR SAID PROJECT AND TO AUTHORIZE THE SCHOOL BOARD TO NEGOTIATE AND ISSUE SUCH BONDS OR NOTES AND TO DETERMINE THE RATE OF INTEREST THEREON AND THE MATURITY AND OTHER TERMS THEREOF; FURTHERMORE TO AUTHORIZE THE SCHOOL BOARD TO USE INTEREST EARNED FROM SHORT-TERM INVESTMENT OF BOND OR NOTE PROCEEDS TO APPLY TO THE COST OF CONSTRUCTION, EQUIPMENT, AND FURNISHINGS OF THE PROJECT, AND FURTHER, TO AUTHORIZE THE SCHOOL BOARD TO TAKE ANY AND ALL ACTION NECESSARY TO CARRY OUT ANY VOTE HEREUNDER AND TO TAKE ANY OTHER ACTION RELATIVE THERETO. ($\frac{2}{3}$ BALLOT VOTE REQUIRED) (BUDGET COMMITTEE RECOMMENDS APPROVAL).

Charles Mitchell moved that Article 1 be accepted. Clint Hanson seconded the motion. Charles Mitchell reviewed the recent history of the Pembroke Schools and the phases which the District has gone through. Clint Hanson, the School representative on the Building Committee gave a report on the middle school building project. Steve Clayman explained the site selection and discussed the design of the proposed middle school and the rationale for this design. Gerald Fleury, member of the Building Committee highlighted the findings of this committee. Allen Zipke described the program needs of the middle school and how they could best be met with the proposed school building project. Jack Henderson, Assistant Superintendent of Schools for Business, explained the impact this middle school building project would have on our present and future property tax rates.

Patricia Fair, Chairman of the Pembroke Planning Board, made the following amendment to Article 1. The proposed middle school project shall be submitted to the Planning Board for site plan review with a decision that is binding on the School Board. This amendment was seconded by Charles Whittemore. After a brief discussion concerning this amendment, the amendment was defeated

by a voice vote. The balloting on Article 1 began at 2:38 p.m. and ended at 3:42 p.m. A total of 358 ballots were cast. A two-thirds majority vote or 239 YES votes were needed to pass this article. The resulting count was 216 YEAS and 142 NAYS. Article 1 was defeated.

Article 2. TO SEE IF THE DISTRICT WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF \$500,000.00 FOR THE PURPOSE OF CONSTRUCTING ATHLETIC FACILITIES AT PEMBROKE ACADEMY TO INCLUDE TRACK FACILITIES, SOCCER AND OTHER ATHLETIC FIELDS, AND TENNIS COURTS AND TO CONSTRUCT ADDITIONAL PARKING LOT AT PEMBROKE ACADEMY, SAID SUM TO BE IN ADDITION TO ANY FEDERAL, STATE OR PRIVATE FUNDS MADE AVAILABLE THEREOF, AND TO AUTHORIZE ISSUANCE OF NOT MORE THAN \$500,000.00 OF BONDS OR NOTES THEREFORE IN ACCORDANCE WITH THE MUNICIPAL FINANCE ACT (RSA CHAPTER 33); TO AUTHORIZE THE SCHOOL BOARD TO CONTRACT OR APPLY FOR, OBTAIN AND ACCEPT FEDERAL, STATE OR OTHER AID, IF ANY, WHICH MAY BE AVAILABLE FOR SAID PROJECT AND TO COMPLY WITH ALL LAWS APPLICABLE TO SAID PROJECT AND TO AUTHORIZE THE SCHOOL BOARD TO NEGOTIATE AND ISSUE SUCH BONDS OR NOTES AND TO DETERMINE THE RATE OF INTEREST THEREON AND THE MATURITY AND OTHER TERMS THEREOF, FURTHERMORE TO AUTHORIZE TO SCHOOL BOARD TO USE INTEREST EARNED FROM SHORT-TERM INVESTMENT OF BOND OR NOTE PROCEEDS TO APPLY TO THE COST OF CONSTRUCTION, EQUIPMENT, AND FURNISHINGS OF THE PROJECT, AND FURTHER, TO AUTHORIZE THE SCHOOL BOARD TO TAKE ANY AND ALL ACTION NECESSARY TO CARRY OUT ANY VOTE HEREUNDER AND TO TAKE ANY OTHER ACTION RELATIVE THERETO. (2/3 BALLOT VOTE REQUIRED) (BUDGET COMMITTEE RECOMMENDS APPROVAL)

Ryland Weisiger moved that Article 2 be accepted. Clint Hanson seconded this motion. The discussion of Article 2 was taking place during the time allowed for the balloting on Article 1. Upon learning the results of the balloting on Article 1, Charles Mitchell moved that after the completion of all other business on this warrant, we reconsider our action on Article 1 at a recessed session of this meeting to be held on April 9, 1988 10:00 a.m. in the Pembroke Academy Auditorium. Clint Hanson seconded this amendment. Following a brief discussion this amendment passed by a voice vote. Charles Mitchell then moved to table any further discussion and action on Article 2 until the April 9, 1988, 10:00 a.m. meeting. Clint Hanson seconded this motion. This amendment passed by a voice vote.

Article 3. TO HEAR THE REPORTS OF AGENTS, AUDITORS, COMMITTEES, OR OFFICERS CHOSEN, AND TO PASS ANY VOTE RELATING THERETO.

There being none this Article was not acted upon.

Article 4. TO SEE IF THE DISTRICT WILL VOTE TO AUTHORIZE THE SCHOOL BOARD TO ACCEPT GIFTS AND DONATIONS FROM ANY SOURCE ON BEHALF OF THE SCHOOL DISTRICT.

Shirley Mitchell moved that this Article be accepted. Charles Hamilton seconded this motion. The motion was accepted by a voice vote.

Article 5. TO SEE IF THE DISTRICT WILL VOTE TO AUTHORIZE THE SCHOOL BOARD TO ACCEPT AND EXPEND ON BEHALF OF THE DISTRICT A SUM OF MONEY NOT TO EXCEED \$80,907.00 TO BE OBTAINED FROM THE FEDERAL GOVERNMENT OR OTHER SOURCES THAT MAY MAKE SUCH FUNDS AVAILABLE TO THE DISTRICT; PROVIDED THAT THE SCHOOL DISTRICT WILL NOT BE THEREBY REQUIRED TO RAISE ANY MONEY BY LOCAL TAXATION IN THIS OR SUBSEQUENT YEARS AS THE RESULT OF SUCH EXPENDITURE OF \$80,907.00. (BUDGET COMMITTEE RECOMMENDS APPROVAL)

Charles Hamilton moved that Article 5 be accepted. George Fryer seconded this motion. The motion was accepted by a voice vote.

Article 6. TO SEE IF THE DISTRICT WILL VOTE TO AUTHORIZE THE SCHOOL BOARD TO APPLY FOR, ACCEPT, AND EXPEND, WITHOUT FURTHER ACTION BY THE SCHOOL DISTRICT MEETING, MONEY FROM THE STATE, INCLUDING N.H. SWEEPSTAKES SURPLUS, FEDERAL, OR OTHER GOVERNMENTAL UNIT OR A PRIVATE SOURCE WHICH BECOMES AVAILABLE DURING THE 1988-89 SCHOOL FISCAL YEAR, PROVIDED THAT SUCH EXPENDITURE BE MADE FOR PURPOSES FOR WHICH A SCHOOL DISTRICT MAY APPROPRIATE MONEY AND THAT SUCH EXPENDITURE NOT REQUIRE THE EXPENDITURE OF OTHER SCHOOL DISTRICT FUNDS. FURTHER, THAT THE SCHOOL BOARD HOLD A PUBLIC HEARING PRIOR TO AC-

CEPTING AND SPENDING SUCH MONEY AND HAVE THE APPROVAL OF THE MUNICIPAL BUDGET COMMITTEE.

Dave Sheldon moved to accept Article 6. Clint Hanson seconded this motion. Article 6 passed by a voice vote.

Article 7. TO DETERMINE AND APPOINT THE SALARIES OF THE SCHOOL BOARD AND TRUANT OFFICER, AND FIX THE COMPENSATION OF ANY OTHER OFFICERS OF AGENTS OF THE DISTRICT.

It was moved by Charles Mitchell and seconded by Clint Hanson that Article 7 be acted upon with Article 9. This motion was passed by a voice vote.

Article 8. TO SEE IF THE DISTRICT WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF \$71,963.00 FOR THE PURPOSE OF ESTABLISHING A HALF DAY PUBLIC KINDERGARTEN FOR ALL ELIGIBLE CHILDREN IN THE DISTRICT. THE PROGRAM WILL BE VOLUNTARY FOR ALL CHILDREN. THE SUM WILL PROVIDE EQUIPMENT, SUPPLIES AND STAFFING. (BUDGET COMMITTEE RECOMMENDS APPROVAL)

Dolly Albee moved to accept Article 8. Dave Sheldon seconded this motion. Pat Fowler, member of the Kindergarten Committee, reported on the need for public kindergarten for all children. This article passed by a voice vote.

Article 9. TO SEE WHAT SUM OF MONEY THE DISTRICT WILL RAISE AND APPROPRIATE FOR THE SUPPORT OF SCHOOLS, FOR THE PAYMENT OF SALARIES AND BENEFITS FOR SCHOOL DISTRICT OFFICIALS AND AGENTS AND FOR THE PAYMENT OF STATUTORY OBLIGATIONS OF THE DISTRICT.

Charles Mitchell moved to adopt the budget of \$6,397,008.00 as presented. Ryland Weisiger seconded this motion. Charles Connor, Chairman of the Budget Committee highlighted major areas of change in this year's budget. Both Articles 7 and 9 passed by voice vote.

Article 10. TO CHOOSE AGENTS AND COMMITTEES IN RELATION TO ANY SUBJECTS EMBRACED IN THE DISTRICT.

There being none, this article was passed over.

Article 11. TO TRANSACT ANY OTHER BUSINESS THAT MAY LEGALLY COME BEFORE SAID MEETING.

There being none, this article was passed over.

Charles Mitchell moved to recess the meeting until April 9, 1988 at 10:00 a.m. at the Pembroke Academy Auditorium. Motion was seconded by Clint Hanson. The motion to recess was passed by a voice vote. The Pembroke School District Meeting was recessed at 4:36 p.m.

The meeting on Tuesday, March 8, 1988, was called to order by Moderator Thomas Petit at 7:00 a.m. The Moderator read the School District Warrant. Manson Donaghey made the motion to open the polls and Harold Paulsen seconded the motion. The polls were declared open until 6:00 p.m. for the purpose of electing a school board member and school district officers. The checklist was used with the following checklist supervisors and assistants attending: Manson Donaghey, Barbara Payne, Roland Young, Jr., Janet Anderson, Ed Currier, Louise Roberts, Florence Woods, Lorette Girard, and Maurice Lavoie.

1. To choose a Moderator for the ensuing year.
Thomas E. Petit—489 (elected)
2. To choose a Clerk for the ensuing year.
Roberta W. Doore—456 (elected)
3. To choose a member of the School Board for the ensuing three years.
Ryland Weisiger—431 (elected)
4. To choose a treasurer for the ensuing year.
Helen Fryer—460 (elected)

The polls were closed at 6:00 p.m. with 518 regular ballots cast and no absentee ballots. Tellers to count were: Barbara Payne, Darryl Borgman, Roland Young, Jr. and Manson Donaghey.

Respectfully submitted,
Roberta W. Doore
School District Clerk

Pembroke School District Warrant State of New Hampshire

TO THE INHABITANTS OF THE SCHOOL DISTRICT IN THE TOWN OF PEMBROKE, QUALIFIED TO VOTE IN DISTRICT AFFAIRS:

You are hereby notified to meet at Pembroke Academy in said District on the 21st day of March, 1989 at 7:00 p.m. to act upon the following subjects:

1. To see if the District will vote to raise and appropriate the sum of \$5,400,000 for the construction and original equipping and supplying of a new Pembroke Middle School, said sum to in addition to any federal, state, or private funds made available therefor, and to authorize issuance of not more than \$5,400,000 of bonds or notes therefor in accordance with the Municipal Finance Act (RSA Chapter 33); to authorize the School Board to contract or apply for, obtain and accept federal, state or other aid, if any, which may be available for said project and to comply with all laws applicable to said project and to authorize the School Board to negotiate and issue such bonds or notes and to determine the rate of interest thereon and the maturity and other terms thereof; furthermore to authorize the School Board to use interest earned from short-term investment of bond or note proceeds to apply to the cost of construction, equipment, and furnishings of the project, and further, to authorize the School Board to take any and all action necessary to carry out any vote hereunder and to take any other action relative thereto. (2/3 ballot vote required) (Budget Committee recommends approval)

2. To see if the District will vote to raise and appropriate the sum of \$300,000 for the purpose of constructing athletic facilities at Pembroke Academy to include track facilities, soccer and other athletic fields, and to construct additional parking lot at Pembroke Academy, said sum to be in addition to any federal, state or private funds made available therefor, and to authorize issuance of not more than \$300,000 of bonds or notes therefor in accordance with the Municipal Finance Act (RSA Chapter 33); to authorize the School Board to contract or apply for, obtain and accept federal, state or other aid, if any, which may be available for said project and to comply with all laws applicable to said project and to authorize the School Board to negotiate and issue such bonds or notes and to determine the rate of interest thereon and the maturity and other terms thereof, furthermore to authorize the School Board to use interest earned from short-term investment of bond or note proceeds to apply to the cost of construction, equipment, and furnishings of the project, and further, to authorize the School Board to take any and all action necessary to carry out any vote hereunder and to take any other action relative thereto. (2/3 ballot vote required) (Budget Committee recommends approval)

3. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and to pass any vote relating thereto.

4. To see if the District will vote to authorize the School Board to accept gifts and donations from any source on behalf of the School District.

5. To see if the District will vote to authorize the School Board to accept and expend on behalf of the District a sum of money not to exceed \$104,080 to be obtained from the Federal Government or other sources that may make such funds available to the District; provided that the School District will not be thereby required to raise any money by local taxation in this or subsequent years as the result of such expenditure of \$104,080.

6. To see if the District will vote to authorize the School Board to apply for, accept, and expend, without further action by the School District Meeting, money from the state, federal, or other governmental units or a private source which becomes available during the 1989-90 school fiscal year, provided that such expenditure be made for purposes for which a School District may appropriate money and that such expenditure not require the expenditure of other School District funds. Further, that the School Board hold a public hearing prior to accepting and spending such money and have the approval of the Municipal Budget Committee.

7. To see if the District will vote to establish a capital reserve fund under the provisions of RSA 35:1 known as the School Building Capital Reserve fund for the construction and/or reconstruction of school buildings and/or for the addition to existing school buildings and/or for the acquisition of land; and to raise and appropriate the sum of \$91,500 to be placed in this fund, and to authorize the expenditure of sweepstakes revenues in the amount of \$91,500 distributed by the Department of Education under the provisions of 1988 New Hampshire Laws, Chapter 278 to fund this appropriation. (Budget Committee recommends approval)

8. To see if the School District will authorize the School Board to convey to the town of Pembroke on such terms and conditions as the School Board deems are in the best interest of the district an easement in a portion of land at the Pembroke Hill School for the installation and maintenance of sewage and water lines.

9. To see if the School District will authorize the School Board to convey to Mr. Greg Makris on such terms and conditions as the School Board deems are in the best interest of the district an easement in a portion of land at the Pembroke Hill School for the installation of drainage pipe.

10. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the District.

11. To see what sum of money the District will raise and appropriate for the support of schools, for the payment of salaries and benefits for school district officials and agents and for the payment of statutory obligations of the District.

12. To choose Agents and Committees in relation to any subjects embraced in the District.

13. To transact any other business that may legally come before said meeting.

Given under our hands at said Pembroke this 28th day of February, 1989.

Charles Mitchell
Stanley Grimes
June Cote
Clinton Hanson
Ryland Weisiger
Pembroke School Board

Abstract of the Reconvened Meeting of the Pembroke School District

April 9, 1988

The Pembroke School District Meeting was reconvened on Saturday, April 9, 1988, and called to order by Moderator Thomas Petit at 10:09 a.m. at the Pembroke Academy auditorium. The reading of the Pembroke School District Warrant Article 1 was the first order of business.

Article 1. TO SEE IF THE DISTRICT WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF \$6,300,000.00 FOR THE CONSTRUCTION AND ORIGINAL EQUIPPING AND SUPPLYING OF A NEW PEMBROKE MIDDLE SCHOOL, SAID SUM TO BE IN ADDITION TO ANY FEDERAL, STATE, OR PRIVATE FUNDS MADE AVAILABLE THEREFOR, AND TO AUTHORIZE ISSUANCE OF NOT MORE THAN \$6,300,000.00 OF BONDS OR NOTES THEREFOR IN ACCORDANCE WITH THE MUNICIPAL FINANCE ACT (RSA CHAPTER 33); TO AUTHORIZE THE SCHOOL BOARD TO CONTRACT OR APPLY FOR, OBTAIN AND ACCEPT FEDERAL, STATE OR OTHER AID, IF ANY, WHICH MAY BE AVAILABLE FOR SAID PROJECT AND TO COMPLY WITH ALL LAWS APPLICABLE BONDS OR NOTES AND TO DETERMINE THE RATE OF INTEREST THEREON AND THE MATURITY AND OTHER TERMS THEREOF; FURTHERMORE TO AUTHORIZE THE SCHOOL BOARD TO USE INTEREST EARNED FROM SHORT-TERM INVESTMENT OF BOND OR NOTE PROCEEDS TO APPLY TO THE COST OF CONSTRUCTION, EQUIPMENT, AND FURNISHINGS OF THE PROJECT, AND CARRY OUT ANY VOTE HEREUNDER AND TO TAKE ANY OTHER ACTION RELATIVE THERETO. ($\frac{2}{3}$ BALLOT VOTE REQUIRED) (BUDGET COMMITTEE RECOMMENDS APPROVAL)

Clinton Hanson moved that his article be adopted. Charles Mitchell seconded this motion.

Clinton Hanson explained that the Pembroke School Board had carefully reviewed the middle school plan, student enrollment projections, and various ways to reduce the school per square foot cost, but decided to propose again the plan brought earlier to the voters.

After all questions pertaining to Article 1 had been asked, Lorette Girard moved to act upon the Article. Richard Therriault seconded her motion.

Mr. Petit, Moderator, then read Article 2.

Article 2. TO SEE IF THE DISTRICT WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF \$500,000.00 FOR THE PURPOSE OF CONSTRUCTING ATHLETIC FACILITIES AT PEMBROKE ACADEMY TO INCLUDE TRACK FACILITIES, SOCCER AND OTHER ATHLETIC FIELDS, AND TENNIS COURTS AND TO CONSTRUCT ADDITIONAL PARKING LOT AT PEMBROKE ACADEMY, SAID SUM TO BE IN ADDITION TO ANY FEDERAL, STATE OR PRIVATE FUNDS MADE AVAILABLE THEREOF, AND TO AUTHORIZE ISSUANCE OF NOT MORE THAN \$500,000.00 OF BONDS OR NOTES THEREFOR IN ACCORDANCE WITH THE MUNICIPAL FINANCE ACT (RSA CHAPTER 33); TO AUTHORIZE THE SCHOOL BOARD TO CONTRACT OR APPLY FOR, OBTAIN AND ACCEPT FEDERAL, STATE OR OTHER AID, IF ANY, WHICH MAY BE AVAILABLE FOR SAID PROJECT AND TO COMPLY WITH ALL LAWS APPLICABLE TO SAID PROJECT AND TO AUTHORIZE THE SCHOOL BOARD TO NEGOTIATE AND ISSUE SUCH BONDS OR NOTES AND TO DETERMINE THE RATE OF INTEREST THEREON AND THE MATURITY AND OTHER TERMS THEREOF, FURTHERMORE TO AUTHORIZE TO SCHOOL BOARD TO USE INTEREST EARNED FROM SHORT-TERM INVESTMENT OF BOND OR NOTE PROCEEDS TO APPLY TO THE COST OF CONSTRUCTION, EQUIPMENT, AND FURNISHINGS OF THE PROJECT, AND FURTHER, TO AUTHORIZE THE SCHOOL BOARD TO TAKE ANY AND ALL ACTION

NECESSARY TO CARRY OUT ANY VOTE HEREUNDER AND TO TAKE ANY OTHER ACTION RELATIVE THERETO. (2/3 BALLOT VOTE REQUIRED) (BUDGET COMMITTEE RECOMMENDS APPROVAL)

Stanley Grimes moved that Article 2 be accepted. Charles Mitchell seconded the motion.

Clinton Hanson explained the component parts included in Article 2. After all questions had been asked. Moderator asked if people were ready to vote. The balloting on both Article 1 and Article 2 began at 11:20 a.m. Two separate ballots were used, one for Article 1 and a different colored ballot for Article 2.

The checklist was used with the following checklist supervisors and assistants attending: Barbara Payne, Mansor. Donaghey, Roland Young, Jr., Dolly Albee, Lorette Girard, and Darryl Borgman.

The polls were closed at 12:58 p.m. Tellers to count were: Article 1: Patricia Fowler, Redmond Carroll, Chris Toy, Ryland Weisiger, Celeste Borgman, and Manson Donaghey; Article 2: Barbara Payne, Roland Young, Jr., Lorette Girard, Darryl Borgman, Stanley Grimes, Dolly Albee.

There were 596 votes cast for Article 1. Therefore, 398 votes for the Article were needed to pass the Article. Results were: 330 Yeas and 266 Nays votes. Article 1 was defeated.

There were 595 votes cast for Article 2. Therefore, 398 votes for the Article were needed to pass the article. Results were: 367 Yeas and 228 Nays votes. Article 2 was defeated.

Moderator Thomas Petit asked if there was any other business to come before the meeting. Charles Mitchell moved to reconsider Article 1 on Saturday, June 4, 1988, at 10:00 a.m. at the Pembroke Academy Auditorium and Clinton Hanson seconded his motion. This motion passed by a voice vote.

Chester Martel moved to reconsider Article 2 and Brian Tufts seconded the motion. This motion also passed by a voice vote.

Chester Martel moved to recess the meeting until June 4, 1988. Ryland Weisiger seconded the motion. This meeting ended at 1:30 p.m.

Respectfully submitted,
Roberta Doore
School District Clerk
April 9, 1988

Abstract of the Reconvened Meeting of the Pembroke School District

June 4, 1988

The Pembroke School District Meeting was reconvened on Saturday, June 4, 1988, and called to order by Moderator Thomas Petit at 10:04 a.m. at the Pembroke Academy Auditorium.

Charles Mitchell moved to pass over Articles 1 and 2. Stanley Grimes seconded this motion. The motion passed by a voice vote.

Charles Mitchell then moved to reconsider Article 9. Stanley Grimes seconded this motion. This motion passed by a voice vote.

Charles Mitchell moved to amend the budget upward by \$98,500 and that we adopt the new budget \$6,495,958 (6,397,008 + 98,950). Stanley Grimes seconded this motion.

Mr. Mitchell explained why this increase is needed. In order to provide answers to the questions asked by the taxpayers regarding the proposed middle school this money will be used to further study this building project.

Schematic Phase	\$43,650.00
Site Phase	37,500.00
Structural Review of Existing School	8,800.00
Surveys	9,000.00
Total	<u>\$98,950.00</u>

Following a brief question period this motion passed by a voice vote.

Under other business Charles Mitchell reconstituted the School Study Committee. Stanley Grimes asked people present to serve on this committee and take seriously the needs of the schools.

Stanley Grimes moved to adjourn the meeting. Ryland Weisiger seconded the motion. The meeting was closed at 10:15 a.m.

Respectfully submitted,
Roberta W. Doore
School District Clerk
June 4, 1988

Pembroke School District Warrant State of New Hampshire

TO THE INHABITANTS OF THE SCHOOL DISTRICT IN THE TOWN OF PEMBROKE, QUALIFIED TO VOTE IN DISTRICT AFFAIRS:

Superintendent's Report

The future of school enrollment combined with State recommended elementary standards continue to be the primary issues that are facing the Pembroke School Board and the school community in general. After last year's defeat of the proposed middle school, the Pembroke School Board charged a School Study Committee with reassessing the status of space needs of the Pembroke School District. The committee has met throughout the fall and winter months. The Board has not received a report as of this writing, but one is expected in time for the School District meeting. Members of the School Study Committee have worked very hard throughout the year and on behalf of the Pembroke School Board, I would like to extend my appreciation to all the members of the Committee for their time and effort in assisting the Board in deciding a course of action in dealing with the space issues.

The teachers, principals and support staff of the Pembroke School District have been active in providing the children of Pembroke with the very best in service and in program. Much time has been spent in the revision and rewriting of the district's mathematics, science and foreign language curricula. Completed program reports will be presented to the Pembroke School Board for adoption later this spring. The district has also continued its efforts in reviewing guidance and counseling services and in dealing with the ever present problem of student drop outs. I wish to express my appreciation to the teachers and staff of the Pembroke School District for their superior effort directed toward the development and review of programs and for their genuine concern of the children of Pembroke.

During 1988, the Pembroke School District and SAU #53 were fortunate in receiving several successful grant applications. Monies from state and federal resources supported the purchase of computers, printers, software and training for faculty along with the development of substance abuse awareness program and a drop out prevention program. Grants for these various activities at the local and SAU level approached \$115,000.

The Pembroke School District has joined other SAU #53 school districts in participating in the federally funded Chapter I program. Students in grades one through eight are selected for tutorial assistance in reading and mathematics based on achievement testing results and teacher recommendations. Pembroke's current allocation of \$24,614 funds three tutors along with the purchase of instructional and assessment materials. During 1988, an extensive long-range planning study of Chapter I services was conducted. Representatives of all SAU #53 districts participated in gathering and analyzing data upon which future programmatic decisions will be based. Chapter I provides valuable and worthwhile services to many of Pembroke's students.

Volunteerism is, once again, on the increase within the Pembroke School District. Citizen participation in an organized form through PALS are in less formal form, such as periodic volunteerism, is one important factor for the success of the schools. I thank all of you who have been involved in the schools and wish to encourage others to participate. Please feel free to contact your school principal should you wish to become more active in the schools.

The 1988 fall standardized tests scores show students in grades four, eight and ten scoring generally above national averages once again. Specific areas of increase over last year's achievement results at the fourth and eighth grade levels are in reading and social studies. Students at the tenth grade level continue to show high achievement, specifically in the areas of science and study skills. In addition, students at the grade four and grade eight levels have scored generally above their anticipated scores. Much time has been devoted to the analysis of these tests scores for the purpose of program review and for program changes.

As most of you know by now, the Pembroke School Board charged a screening committee to review the applications and to conduct interviews for the selection of a new headmaster. Mr. George Edwards was nominated and was elected unanimously by the Pembroke School Board last April to serve as the new headmaster of Pembroke Academy. Mr. Edwards, most recently, was assistant principal at the Milford Area High School in Milford, New Hampshire. He has had various successful teaching and administrative experiences during his career. Mr. Edwards received a bachelor's degree in Social Studies from Keene State College and a master's degree in educational administration also from Keene State College. He is certified as a principal in the State of New Hampshire and is indeed a most welcomed addition to the professional staff of Pembroke Academy.

I would like to express my most sincerest appreciation to Mrs. Roberta Doore for assuming the responsibilities of interim headmaster for a period of eighteen months. Mrs. Doore performed her professional duties as interim headmaster in a most professional and competent manner. Bobbie Doore has resumed her responsibilities as department head of the business education program at Pembroke Academy.

I thank you for your continued support of the Pembroke School District and of the SAU #53 Office and I look forward to working with you providing the very best education for the children of the Pembroke School District.

Respectfully submitted,
Paul DeMinico, Ed.D.
Superintendent of Schools

Pembroke Academy Headmaster's Report 1988

This has been a year of change at Pembroke Academy, however at the same time many important things have remained constant.

I was nominated as Headmaster of Pembroke Academy in April of 1988 and began my duties on July 1st. Mrs. Doore, the Interim Headmaster, returned to her duties as Department Administrator for the Business, Home Economics, Health and Computer Departments. I am very happy to have been chosen for this position and look forward to serving Pembroke Academy.

Pembroke Academy students and staff began school, again this year, during the last week of August, with great enthusiasm. We experienced a very successful opening of school with little of the expected confusion which sometimes accompanies the first week. This was due in great part to the diligent work of students, parents and the Pembroke Academy staff, especially the Guidance and Counseling staff who invested much time and effort in the selection and scheduling of classes. Hours of hard work spent checking and double checking student schedules by Ms. Jeannie Johnson and building the master schedule by Mr. Ron Rush contributed greatly to the smooth opening of school.

The faculty and staff at Pembroke Academy has not changed a great deal in the past year. Only three staff members: Mr. Russell Quinney, Ms. Kay Beaver and Mrs. Shirley Propper have left to pursue other professional challenges. In addition Ms. Barbara Stamm is on a leave of absence and Mrs. Carol Ehmling has been selected as Department Administrator of the Fine Arts Department. New teachers at Pembroke Academy include Mrs. Bonnie Allen, Latin; Ms. Aubre Brogden, Art; Mrs. Emily Burr, Science; Mr. Richard Dutremble, Math/Computer; Mrs. Joan Fossum, Home Economics; Ms. Joan Macfarlane, Librarian; Mr. John Munroe, Spanish; and Mrs. Helen Roth, Special Education.

Improvements in the curriculum continues to be an ongoing process in every area at Pembroke Academy. We are placing particular emphasis this year on Science, Foreign Language (which continues to grow in popularity at Pembroke Academy) and the services of our Guidance and Counseling Department.

All students are now required to complete 100 credits of coursework to be eligible for graduation. These new state standards have dramatically increased the number of classes students must complete and placed greater emphasis on student achievement.

Pembroke Academy continues to be accredited by the New England Association of Schools and Colleges. This year we reviewed the report of the visiting committee and responded with the progress we are making towards implementing all of the recommendations. We are also fully approved as a high school by the State of New Hampshire, Department of Education.

In June of 1988, 151 seniors graduated from Pembroke Academy with 33 of our students receiving Certificates of Proficiency from the Concord Regional Vocational Center.

Pembroke Academy students continue to score above the national average in both the Math and Verbal sections of the SAT. The class of 1988 had an average score of 438 on the Math and 478 on the Verbal section of the Scholastic Aptitude Test.

We continue to be concerned by factors which prevent students from reaching their full potential in school. Many times these factors will lead to a student dropping out of school. Pembroke Academy is striving to prevent this and help students succeed through a number of programs. JAGS, (Jobs for American Graduates) a program which was started last year, continues to be very successful at working with students to help them find successful employment and provide follow-up to ensure career development. This program has been supplemented by a similar program (Opportunity Awareness) designed to work with younger students and district-wide research to identify the factors which cause a student to drop out and further develop programs to help prevent students from dropping out.

Drug and alcohol use and abuse are two other factors which affect students everywhere and Pembroke Academy is no exception. Substance use and abuse directly and indirectly leads to many serious problems. Through the help of Federal, State and local resources including grant money, we have developed several programs to assist students who have problems related to substance use and abuse. We have also developed student counseling and peer outreach programs to help students understand better the social and emotional pressures which are a part of adolescence today.

Once again we are fortunate enough to have international exchange students studying at Pembroke Academy. There are students from Germany, Sweden and Venezuela at Pembroke Academy this year sharing their culture, language and customs. Our students also have the opportunity to travel the world through school approved trips. This spring students have traveled to England and Quebec on trips sponsored and chaperoned by our faculty.

Co-curricular activities continue to be an active and exciting part of student life at Pembroke Academy. Students have a wide variety of activities from which to choose. From the Key Club to Student Senate and FBLA to National Honor Society there are activities representing many student interests. Significant student achievements included award winning and published writing, participation in youth leadership seminars, state elected student officials, a successful Thanksgiving dinner for senior citizens, student selection to All State music and drama groups and student participation in the summer honors program at St. Paul's School.

Our Horticulture students were commended by Governor Sununu for their work with the propagation of the state flower, the lilac. The Quiz Bowl team had an excellent season of competition progressing to the second round of the Granite State Challenge and placing high against top New England schools in the Hanover Round-Robin Quiz Bowl Competition.

The Whittemore Chapter of the National Honor Society inducted seven new members this year and one student was named as a National Merit Scholarship semi-finalist. Students displayed their talents at the Christa McAuliffe Education Festival and one student was recognized for her contribution in the Voice of Democracy Essay Contest.

Pembroke Academy athletics has enjoyed continued success measured both through participation and accomplishments. Participation was good in all sports and each team played competitively. We competed in Girls' Varsity Soccer for the first time this year and narrowly missed qualifying for the tournament. The Boys' Varsity Basketball, Boys' Varsity Soccer and Girls' Varsity Field Hockey teams qualified for the Class I state tournament with the soccer team advancing to the second round. First time since 1976.

Student Senate has experienced a resurgence this year by sponsoring 2 highly successful blood drives, a voter registration drive and becoming much more involved in issues related to students and school.

We were fortunate to benefit from the generous donation of community members during the past year. Mr. Charles Whittemore donated a beautiful signed and numbered print of Christa McAuliffe, and Mrs. Diana Prescott donated a pottery kiln and supplies to the Art Department. The Four Girls' Memorial Fund received funds as the beneficiaries of the estate of the late Mrs. Shirley Ryan of Pembroke. This can be used to continue improving the library at Pembroke Academy.

This past year has also been one of challenges. With measles disrupting a part of the school year, field trips and athletic events had to be rescheduled. A vaccination clinic was held to inoculate students who were susceptible to the illness. We were also confronted by challenges of need in the community and our school family responded by helping to provide the necessities for those in need.

I'm sure you can see, it has been a very busy year for us at Pembroke Academy. I would like to thank the people of Pembroke for their continued support of education and Pembroke Academy. I would also like to thank the staff at SAU #53 for helping to make this busy year run more smoothly. I am very appreciative to the Pembroke School Board for their support and their confidence in allowing me to serve the community. I am also very appreciative to the students and staff of Pembroke Academy for the pride they have shown in the school and their commitment to making Pembroke Academy a great school. Finally, I would like to express my gratitude to Mrs. Roberta Doore for her thoughtful, patient and tireless dedication to Pembroke Academy, especially through this time of change and challenge.

Respectfully submitted,
George H. Edwards
Headmaster

Pembroke High Street School

Principal's Report 1988

Education at Pembroke High Street School continues to focus on basic academic skills while providing varied opportunities and assistance for interested students. Teachers begin the year by working with students on study skills. Students learned how to set up an assignment book, how to take notes, how to study, etc. Throughout the year, teachers continue to work with students on these skills and others that are important for success in school. We try to help students accept responsibility for their own learning.

Teachers in the regular subject areas (math, science, French, reading, English, social studies) work to help students progress as far as they can. Students are helped to maximize their potential and to accomplish as much as they can. Much of the teaching involves students in activities, which help them to retain what they learned.

When students are having difficulty with their academics, they are able to find ample assistance. Teachers provide students with extra help in class or after school. Teachers work as a team and regularly communicate about ways to help students. Special Education classes and assistance are available for students having special learning needs. Frequent communication with all parents ensures good school-home contact. Reports go home to parents every four weeks, and parent-teacher conferences are held in the fall and spring.

Students in grades 6-8 are passing through a very critical period of their lives. The change from childhood to adolescence is a tremendously important time of life, and it can also be very difficult. Students are changing physically, mentally, socially, and emotionally. They need to cope with many issues in order to be able to successfully focus on academics. Every student at the High Street School has an advisor, a teacher who "knows" that student. Students and advisors meet together weekly in a small group, in addition to the class time spent together. School related issues are discussed frequently.

Our counseling program offers a variety of services. All students meet in scheduled classes with our guidance counselor to cover important topics. Individual and group counseling are ongoing facets of the program. Special groups made up of students with common concerns meet as needed with the counselor.

Opportunities for student involvement in the school are many. We have a variety of interscholastic athletic sport teams, intramural sports, and musical activities for student participation. Also offered are art, drama, math, and skiing clubs. The math club is our newest club. Students from all grades are eligible to join and participate in math competitions with schools in five other area towns. The meets provide students the opportunity to use their math skills and to meet students from other schools.

Students are encouraged to be involved in writing activities through our literary magazine and student newspaper. Many of our students have excellent writing skills and enjoy having an outlet for their work.

Our mock trial activity has been very popular with students. The New Hampshire Bar Association conducts a competition each winter for interested schools. A trial transcript is provided. Students take part and act out the trial in front of a student jury. The trial is video taped and then judged by lawyers. In addition students attend a real trial and learn the basics of courtroom procedures. They film their trial in an actual courtroom.

Two experiential programs offer students the opportunity to use their interest in science. Seventh and eighth grade students participate in the Floating Lab Project through the University of New Hampshire. These students study the ocean and then go out on a boat to conduct experiments. Sixth grade students "experience" science by spending a week at an outdoor education camp in Maine.

We have expanded our involvement in the New Hampshire Artists in Residence Program. Through a successful grant application, we have been able to have two professional, practicing artists visit our school to work with students. For ten weeks in the fall a poet (Jim Kates) worked with students on their writing. In the spring a potter (Kathy Hanson) worked with students.

Our computer program continues to grow. All students are regularly scheduled into computer classes throughout their three years at the High Street Schools. Successful completion of the three year course will enable students to meet the state minimum competency requirement for high school students before entering ninth grade. Many students are proficient on the computer and use the computers not only for required classes, but also for their writing and course work.

We continue to examine certain curriculum areas each year. This examination helps us to see how well we are doing in particular areas and to update what we cover, what materials we use, and how we teach that subject. This year the focus is on science and french. A committee comprised of teachers from grades K-12 examine the topics covered and materials and methods used in teaching those topics. The examination results in a written curriculum describing the various skills and knowledge students should cover at each grade level.

Staff at the Pembroke High Street School is very committed to offering the best possible program for students. They are devoted to providing an excellent academic program, as well as helping students to do their best. The quality program at High Street reflects the concern of staff for every student's involvement and success. Staff also works hard in areas such as curriculum development, grant writing, school improvement committees, and self-improvement.

I would like to thank Dr. Paul DeMinico, our superintendent, and the staff of the Central Office for their encouragement and advice. I also want to thank members of our School Board, parents, and community members for their support of education in Pembroke.

Respectfully submitted,
Allen Zipke, Principal

Pembroke Hill School Principal's Report 1988

August 30, 1988, 600 students arrived at Pembroke Hill for the 1988-89 School year. It has been a yearly increase of 35-50 new students across the 6 grade levels. While 80 of the 600 students comprise our kindergarten, only 40 of them are in the building at one time, making up 4 sections, 2 in the morning and 2 in the afternoon.

The kindergarten program has been extremely successful for your children. I have never seen children adjust so readily to the school environment. When the children arrive at school, they are walked to their classrooms, by student volunteers. This has been a very positive process for the children. I would like to publicly say thank you to Matthew Baron and Heather Provencal for volunteering to help our youngsters go from the bus to the classroom each day.

Kindergarten teachers, Mrs. Cotter and Mrs. Plourde, and their aides, Mrs. Shea and Mrs. Sica, have worked extremely well together to provide your children with a program that has helped them through many phases of their development. The kindergarten program has been based on the development of children rather than strong academics. Our school philosophy encourages this approach, so children will learn at their own rate of development and be ready for what they are learning.

I would like to briefly explain that the kindergarten program has not been the cause of our building reaching its capacity. The growth in our population 2 years ago made it necessary to purchase a modular building for music and art, both areas are important to children's development. With music being offered in a classroom next to a regular classroom, both programs had to be somewhat limited, due to the noise from music. Therefore, when we moved music to the modular building, we recommended that the art program be housed there also, to provide us some expansion within the building. At that time, art was a half day program in our building. The art room became a resource room at that time.

When we realized the need for a kindergarten program, we relocated many of ancillary services within the building to some of our smaller areas and opened up some storage areas. Those services include enrichment, occupational therapy, Chapter I and special education classes. These programs are still providing superior services to your children. Readiness teachers, Lorry Gagne and Marilyn Wolf, were able to see the value of kindergarten and felt very qualified to provide the readiness program in the art area. At the present time, we have two readiness classes in the art space and children are very happy and quality education is continuing.

As we approach the 89-90 school year we shall once again face the space problem we had two years ago. But at this time we have made use of all our little spaces. Next year we will need an additional third grade classroom and fifth grade classroom. This is to provide for the present enrollment in grades two and four.

The educational program at Pembroke Hill presently meets all but two of the minimum State standards. One is in the area of library materials and by next year this standard will be met. The other is the area of a reading specialist. This standard needs to be met by 1990.

While State standards do recommend class size to be twenty-five for students in grades one and two, and thirty in grades three-five, it has been the philosophy of the Pembroke School Board to keep the maximum number of students per class at twenty-two. This philosophy is based on the fact that many youngsters with special needs are mainstreamed into our classrooms and this class size provides teacher and students the time to provide the kind of attention and program our children need.

Our teachers continue to be active in workshops and the development of curriculum. The science curriculum is presently being reviewed. We are implementing the math curriculum that was reviewed last year. The language arts committee continues their work on the writing process. The kindergarten, readiness and grade one staff are reviewing all curriculum areas.

Students continue to be involved in various programs. Our fifth grade students adopted the kindergarten program and have done various projects and activities together. Some of our third graders read to the readiness children, and some of our readiness children read to the older children. The first graders once again made their gingerbread house that was raffled off by the library to those children who did not have overdue books. The second graders held their annual Thanksgiving feast. Fourth graders had a play and feast that was the culmination of a unit in their reading program. Fifth graders presented a play during the holiday season. Students in the transition room have put together a newspaper. In spite of a long season of no snow our kindergarten and readiness children did get the opportunity to go cross country skiing on our play area.

Sixty students in grades four and five participated in the ski program at Pats Peak for five weeks. During this time the other students participated in mini units of mammal tracking, string art, poetry, crafts and sewing.

This year we started a student council. The students in grades four and five are the core representatives for the student body. The officers for the remainder of this year are: President, Sarah Martin; Vice President, Molly Gignac; Secretary, Lindsay Zeaman and Treasurer, Susan Thompson. This Board along with their representatives from each fourth and fifth grade classroom meet twice a week. Their goals this year are to have some fund raisers, a school store, a yearbook and help out in the library, office and nurse's office. They are a very active group and I am sure will discuss many issues as the year progresses.

I would like to thank your entire staff for their work and concern for your children. Children at Pembroke Hill are very creative, challenging, hard working, happy and going to be excellent citizens as they continue to grow and develop. It is the dedication of our staff that provides them with the environment and challenges to become all they are capable of.

I would like to thank Mrs. Suzanne Whitbeck, transportation coordinator and bus drivers, Joy Barker, Linda Beaudoin, Gordon Blais, Linda Haggett, Pat Houle, Patsy Malo, Margaret Myers and Kathy Olivier for their dedication and concern. These people have been very supportive of our children and strive to make their experience on getting to and from school as safe and happy as possible.

A special thank you to Linda Johanson for coordinating our volunteer program. Linda and Clair Loiselle, teacher, have worked closely to assist our teachers and students with mentors from the community to help with additional services in our classrooms.

Thank you to Cindy Little and Janet Dumas for their support of our PALS program. These people continued to operate our program until the new coordinator, Mary Destefano took over in January. We look forward to the continuing support of our PALS program within our school.

I would like to say thank you to Dr. Paul DeMinico and his office staff, Mr. Tom Haley, Mr. Jack Henderson, Ms. Janet Snyder, Ms. Kathy Conlin and Ms. Meg Stone for their continued support of all programs at Pembroke Hill.

Thank you to the Pembroke School Board for their continued support and caring for all the children and the staff at our school. It is their dedication that is the key to our being able to provide your children with such a quality and current educational program.

Last, but not least, thank you parents and Pembroke citizens for your encouragement and support of your children.
