# Citizen of the Year for 1989: WILDA T. LITTLE

## Resolution

- WHEREAS, she has served the Town of Pembroke as a Supervisor of the Checklist for 12 years, and;
- WHEREAS, she has served for many years as a Ballot Inspector during elections, and;
- WHEREAS, she has been a faithful and active member of the Pembroke Congregational Church for more than a half century, and;
- WHEREAS, during this time she has served terms on the Diaconate and the Board of Trustees, and;
- WHEREAS, she has been a member of the Women's Fellowship of the Church for a similar period, and;
- WHEREAS, she has served as President of the Women's Fellowship several times, and;
- WHEREAS, she has been a member and President of the Pembroke Women's Club, and;
- WHEREAS, she is on the State Honor Roll of the Federated Women's Clubs of New Hampshire, and;
- WHEREAS, she has served since 1954 as a nurse volunteer at American Red Cross blood drawings, and;
- WHEREAS, she has served since 1968 as a nurse volunteer at Well Child Clinics for the Concord Regional Visiting Nurse Association,

THEREFORE, be it resolved that Wilda T. Little, in recognition of her many years of volunteer service to the Citizens of Pembroke and her constructive, conscientious and continuous participation in community and Church activities, exemplifying values which sustain and enrich a sense of community for all of us, be named as

**PEMBROKE  
CITIZEN OF THE YEAR  
FOR 1989**

with the thanks and admiration of all its Citizens.

Charles Whittemore, Moderator  
James F. Goff, Town Clerk  
Harold Paulsen, Selectman  
Chester R. Martel, Selectman  
Daryl Borgman, Selectman

AMENDMENT #5: Amend Section 5.00 - Retail & Services, ¶13, Automobile Repair, Auto Service Station or Garage: To read NOT PERMITTED in the R-1, R-3 or LO Zones, Special Exception in the B-1 Zone, and Permitted in C-1 Zone.

YES: 335 NO: 182 (Article Passed)

AMENDMENT #6: Amend Section 5.00 - Retail & Services, ¶14, Miscellaneous Business Repair & Service: To read NOT PERMITTED in the R-1, R-3 or LO Zones, Special Exception in the B-1 and Permitted in C-1 Zone.

YES: 357 NO: 191 (Article Passed)

AMENDMENT #7: Amend Section 5.00 - Wholesale, Transportation and Industrial, ¶2, "Gravel Pit Operation": To read NOT PERMITTED in the R-1, R-3 and LO Zones, by Special Exception in B-1 Zone and Permitted in C-1 Zone.

YES: 357 NO: 171 (Article Passed)

AMENDMENT #8: Amend Section 5.00 - Accessory Uses, ¶3, Accessory professional office of a licensed medical or dental practitioner, architect, lawyer, engineer, CPA or similar type use in dwelling: To read by Special Exception in the R-1, R-3 Zones, Permitted in B-1 and LO Zones and NOT PERMITTED in the C-1 Zone.

YES: 378 NO: 165 (Article Passed)

AMENDMENT #9: Amend Section 2.00 - Definitions. Delete definition of street and substitute the following: STREET: relates to an includes a public street, avenue, boulevard, road, highway, freeway and other ways.

YES: 427 NO: 110 (Article Passed)

AMENDMENT #10: Amend Section 5.00 - Retail & Service, ¶8, Lodging House: Delete in its entirety.

YES: 356 NO: 164 (Article Passed)

AMENDMENT #11: Amend Section 10, Article 10.09, ¶2 & 3 respectively - Board of Adjustment:  
10.09.2 - Appointment: delete RSA 31:67. Add RSA 673:5.  
10.09.3 - Powers: delete RSA 31:72. Add RSA 674:33.

This amendment will update the ordinance with current NH RSA numbering.

YES: 408 NO: 104 (Article Passed)

AMENDMENT #12: Amend Section 10, Article 10.10 - Variances. Delete entire article. Substitute wording as specified by the Board of Adjustment in NH Handbook (per RSA 647:33). The substitute wording defines the "powers" more clearly than the present ordinance.

YES: 431 NO: 87 (Article Passed)

**Minutes of the Annual Town Meeting  
Town of Pembroke, NH  
March 18, 1989**

**DELIBERATIVE SESSION**

The Meeting was opened at 10:00 a.m. by Moderator Whittemore with a reading of the Warrant and the results of the March 14, 1989 Town Meeting on Articles #1 and #2.

ARTICLE #3 To see if the Town will vote to raise and appropriate the sum of twenty-eight thousand seven hundred dollars (\$28,700) to be added to the Land Aquisition Capital Reserve Fund previously established.

*(This article is approved by the Budget Committee)*

Moved by Harold Paulsen, Seconded by Chester Martel

An amendment was made to change the dollar amount back to the original Thirty-eight thousand nine hundred dollars (\$38,900)

Moved by Dale Robinson, Seconded by Faye Donaghey

Floyd Smith spoke in opposition saying the Budget Committee wanted to maintain only a moderate budget.

Vote on Amendment - NO

Vote on original artice - YES

*(Article Passed)*

ARTICLE #4 To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the acquisition of fire equipment and to raise and appropriate the sum of Forty-five thousand dollars (\$45,000) to be placed in this fund.

*(This article is approved by the Budget Committee)*

Moved by Harold Paulsen, Seconded by Daryl Borgman

*(Article Passed)*

ARTICLE #5 To see if the Town will vote to raise and appropriate the sum of Twenty-two thousand dollars (\$22,000) to be added to the Town Equipment Capital Reserve Fund previously established.

*(This article is approved by the Budget Committee)*

Moved by Daryl Borgman, Seconded by Chester Martel

Harold Paulsen explains the purpose of this article.

*(Article Passed)*

ARTICLE #6 To see if the Town will vote to raise and appropriate the sum of Eight thousand five hundred dollars (\$8,500) to be added to the Sewer and Water Line Extension Capital Reserve Fund previously established.

*(This article is approved by the Budget Committee)*

Moved by Daryl Borgman, Seconded by Henry Lewis

*(Article Passed)*

---

ARTICLE #7 To see if the Town will vote to change the purpose of the existing Sewer and Water Line Extension Capital Reserve Fund to designate the Board of Selectmen as agents to expend.  
( $\frac{2}{3}$  Vote Required)

*(This article is approved by the Budget Committee)*

Moderator Whittemore appointed Ed Currier and George Fryer as vote counters.

Moved by Chester Martel, Seconded by Ted Natti

Vote was taken by standing hand count.

*(Article Passed)*

ARTICLE #8 "Shall we modify optional adjusted elderly exemptions from property tax? The optional exemptions, based on assessed value, for qualified taxpayers shall be as follows:

For a person 65 years of age up to 75 years, \$15,000;

for a person 75 years of age up to 80 years, \$30,000;

for a person 80 years of age or older, \$60,000.

To qualify, the person must have been a New Hampshire resident for at least 5 years; own real estate individually or jointly, or if the real estate is owned by his spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of less than \$12,000; and own net assets of \$30,000 excluding the value of the person's own residence."

*(Majority Ballot Vote Required)*

Moved by Henry Lewis, Seconded by Isabelle Racine

An amendment was made to change the wording of the last sentence of the article to read; "In addition, the taxpayer must have a net income of less than \$12,000; and own net assets not in excess of \$30,000 excluding the value of the person's own residence."

Moved by Harold Paulsen, Seconded by Chester Martel

Vote on Amendment YES

Harold Paulsen answers a question asked by Dr. Carroll as to how assets are determined.

An amendment was made to change the wording of the last sentence of the article to read; In addition, the taxpayer must have a net income of less than \$18,000; and own net assets not in excess of \$30,000 excluding the value of the person's own residence."

Harold Paulsen explains that the RSA's declare that you cannot change the article as such.

Moved by Charles Hamilton, Seconded by Thomas Sargent

After Harold Paulsen's explanation, Charles Hamilton withdrew the amendment.

It was moved to hold the ballot vote at the end of the Town Meeting.

Moved by E. Monroe Hornsby, Seconded by Mark Johanson

A vote was taken to defer the ballot vote at the end of the Town Meeting.

Vote YES

ARTICLE #9 To see if the Town will vote to authorize the Board of Selectmen to enter into a written agreement with the City of Concord for the use and contribution toward closing costs of the Concord Landfill.

Moved by Daryl Borgman, Seconded by Harold Paulsen

*(Article Passed)*

---

ARTICLE #10 To see if the Town will vote to accept the provisions of RSA 149-M:13 to enable the Board of Selectmen to make by-laws governing the solid waste facility and to establish rates.

Moved by Floyd Smith, Seconded by Nancy Despres

*(Article Passed)*

ARTICLE #11 To see if the Town will vote to authorize the Planning Board to review and approve or disapprove site plans for the development or change or expansion of use of tracts for non-residential uses or for multifamily dwelling units, which are defined as any structure containing more than two dwelling units, pursuant to RSA 674:43. Further, it shall be the duty of the Town Clerk to file with the Merrimack County Registry of Deeds a Certificate of Notice showing that the Planning Board has been so authorized and giving the date of such authorization.

Moved by Chester Martel, Seconded by Vincent Greco

*(Article Passed)*

ARTICLE #12 (By Petition) To see if the Town will vote to instruct the Town's Representatives to the General Court to respond to our solid waste crisis by taking all necessary measures to insure that New Hampshire adopt legislation that will permit consumers to return for refund of deposit within New Hampshire all soda, beer, wine cooler and liquor containers and that all unclaimed deposit monies shall be collected by the state and no less than 80% shall be returned annually to local municipalities for the sole purpose of implementing, expanding and reimbursing community recycling projects.

Moved by Vincent Greco, Seconded by Kevin Verville

*(Article Passed)*

ARTICLE #13 To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

Moved by Roy Annis Sr., Seconded by Manson Donaghey

*(Article Passed)*

ARTICLE #14 To see if the Town will vote to authorize the Selectmen to sell any real estate which the Town may have acquired by deed as a result of non-payment of taxes or acquired by deed or security for the completion of any development, and to authorize the Selectmen to give deed, in the name of the Town, to the purchaser of such land.

Moved by Andre St. Germain, Seconded by Isabelle Racine

*(Article Passed)*

ARTICLE #15 To see if the Town will vote to authorize the Selectmen to apply for, accept, and expend without further action by the Town Meeting, money from State, Federal, or other Governmental unit or a private source which becomes available during the 1989 budget year, provided that such expenditure be made for purposes for which a Town may appropriate money and that such expenditure not require the expenditure of other Town funds. Further, that the Selectmen hold a public hearing prior to accepting and spending such money.

Moved by Daryl Borgman, Seconded by Henry Lewis

*(Article Passed)*

---

ARTICLE #16 To see if the Town will vote to raise and appropriate the sum of \$3,447,637 which represents the bottom line of the posted budget (MS-7). Said sum is inclusive of all special articles addressed.  
*(Majority vote required)*

Moved by Floyd Smith, Seconded by Vincent Greco  
Floyd Smith explains the budget.

*(Article Passed)*

ARTICLE #17 To hear the reports of auditors, agents and committees or of officers heretofore chosen, and to pass any vote relating thereto.

Moved by John Goff, Seconded by Isabelle Racine  
Subject to change to fix any typographical errors.

*(Article Passed)*

ARTICLE #18 To transact any other business that may legally come before said meeting.  
Recognition was given to Wilda T. Little as Citizen of the Year.

Moved by Charles Whittemore, Seconded by Redmond Carroll

It was decided to hold the ballot vote on Article #8.

Moderator Whittemore declared the Polls open at 11:39 am. The Polls remained open for a period of one hour. At 12:39 pm the Polls were closed.

Out of 1805 ballots printed, 131 were cast.

YES - 128

NO - 3

*Article Passed*

There being no further business to come before the annual meeting, Moderator Whittemore accepted a motion made by Chester Martel to adjourn. The motion was seconded by Barbara Payne and the 1989 Annual Town Meeting of Pembroke, NH was adjourned at 1:00 p.m.

James F. Goff  
Town Clerk  
Town of Pembroke, N.H.

# Town Warrant for Pembroke, New Hampshire

TO THE INHABITANTS OF TOWN OF PEMBROKE, IN THE COUNTY OF MERRIMACK, IN SAID STATE, QUALIFIED TO VOTE IN TOWN AFFAIRS:

You are hereby notified to meet at the High Street School, in said Pembroke on Tuesday, March 13, 1990, from 10:00 a.m. until 7:00 p.m. for the casting of ballots; and at the Pembroke Academy Auditorium in said Pembroke on Saturday, March 17, 1990, 10:00 a.m. to act upon the following articles:

## Ballot Articles

1. To choose all necessary officers for the year ensuing.
2. To see if the Town is in favor of the following Amendments to the existing Zoning Ordinance of the Town of Pembroke, as proposed by the Planning Board:

**AMENDMENT # 1:** Amend Section 6.02 Table of Dimensional and Density Regulations to increase the square footage of usable land required in the R-1 and R-3 districts for second unit in a building.

	<b>Proposed Ordinance</b>
<i>District</i>	<i>Usable Square Feet Proposed</i>
R-1	Any permitted use with Town water and sewer available 20,000 plus 20,000 for second unit
R-1	Any permitted use with only Town water available 60,000 plus 60,000 for second attached unit
R-1	Any permitted use with only Town sewer available 40,000 plus 40,000 for second attached unit
R-1	Any permitted use without Town water and sewer available 80,000 plus 80,000 for second attached unit
R-3	Any permitted use 80,000 plus 80,000 for each dwelling unit more than one per building.

**AMENDMENT # 2:** Amend Section 6.02 Table of Dimensional and Density Regulations to increase the frontage requirements in the R-1 and R-3 districts an additional 30 feet for second unit in a building.

**AMENDMENT # 3:** Amend Section 6.02 Table of Dimensional and Density Regulations to increase the square footage of usable land required in the R-1 district for 3 or more units per building from the current 8,000 square feet per unit to 10,000 square feet per unit.

**AMENDMENT # 4:** Amend Section 6.02 Table of Dimensional and Density Regulations to increase the frontage requirements in the R-1 and R-3 districts an additional 10 feet for each unit more than 2 per building.

**AMENDMENT # 5:** Amend Section 11.05.4.B by deleting said section and substituting the following:  
11.05.4.B All roads shall be built to the Town Subdivision requirements for new public roads and may be offered to the Town for public acceptance.

**AMENDMENT # 6:** Amend Section 11.05.4.H.14 by deleting said section and substituting the following:

---

11.05.4.H.14 A performance bond and other legal data acceptable to the Board of Selectmen shall be submitted as required by the Planning Board to ensure the completion of streets, buffers, and amenities in accordance with approved plans and subdivision regulations of the Town.

**AMENDMENT # 7:** Amend Section 11.05.5.A by deleting all after "restricted for" and substituting the following:  
. . . common open space uses by means of a document in a form satisfactory to the Planning Board and the Board of Selectmen.

**AMENDMENT # 8:** Amend Section 11.05.6.A.2 by deleting said section and substituting the following:  
11.05.6.A.2 The development shall be served by Town water and Town sewer services and the plans proposed for providing such services within the development shall be approved by state and local officials with respect to design and construction.

**AMENDMENT # 9:** Amend Section 11.05.7.A.5 by deleting all prior to "the Planning Board" and substituting the following:  
11.05.7.A.5 In recognition that where both Town water supply and Town sewer systems are not available, (the remainder of this section is unchanged)

**AMENDMENT #10:** Amend Section 9.06 by deleting the words "and if in accordance with the dimensional and density regulations of this ordinance." and substituting the words "and if rebuilt in kind (following the original footprint)."

**AMENDMENT #11:** Amend Section 7.03 by adding the following after the first sentence:  
Signs permitted in the L-O district shall be limited to one sign for each building and shall not exceed 12 square feet in surface area.

#### DELIBERATIVE SESSION

3. "Shall we adopt the provisions of RSA 72:35,IV for an optional property tax exemption on residential property for a service-connected total disability? The optional disability exemption is \$1,400 rather than \$700." (Majority Ballot Vote Required)
4. To see if the Town will vote to adopt the Public Conservation Land Ordinance.
5. To see if the Town will vote to designate and proclaim Sunday, April 22, 1990 as Earth Day 1990 and encourage all residents to participate in public activities to promote the preservation of the global environment during this "Decade of the Environment".
6. To see if the Town will vote to discontinue subject to gates and bars and make Class VI Church Street Extension pursuant to RSA 231:45.
7. To see if the Town will vote to discontinue subject to gates and bars and make Class VI Plausawa Hill Road beginning 2,700 feet from North Pembroke Road and terminating at the Chichester Town Line, pursuant to RSA 231:45.
8. To see if the Town will vote to discontinue subject to gates and bars and make Class VI Beacon Hill Road beginning 800 feet from Pembroke Street (Rte. 3) and terminating 1,900 feet from Pembroke Street (Rte 3), pursuant to RSA 231:45.
9. To see if the Town will vote to adopt the Solid Waste Management Ordinance.

- 
10. To see if the Town will vote to accept the provisions of RSA 41:9-a ESTABLISHMENT OF FEES to authorize the Board of Selectmen to establish or amend fees or charges for the following purposes: (a) The issuance of any license or permit which is part of a regulatory program which has been established by a vote of the Town, and (b) The use or occupancy of any public revenue-producing facility, as defined by RSA 33-B:1, VI, the establishment of which has been authorized by vote of the Town.
  11. To see if the Town will vote:
    - (a) To appropriate a sum not to exceed \$12,000 for the purpose of defraying costs which may be incurred in the process of accepting land which may be donated to the Town for the expansion of Town Cemeteries. Costs which may be incurred include, but are not limited to, surveying, deed research, legal fees, fencing, land preparation and layout of lots, and
    - (b) To withdraw a sum not to exceed \$12,000 from the Improvements to Cemetery Land Capital Reserve Fund for this purpose, and
    - (c) To authorize the Board of Selectmen to accept, without further action by Town meeting, land which may be donated by private sources for the purpose of cemetery expansion or improvement.  
(This article is approved by the Budget Committee)
  12. To see if the Town will vote to authorize the Board of Selectmen to sell any real estate which the Town may have acquired by deed as a result of non-payment of taxes or acquired by deed as a security for the completion of any development, and to authorize the Board of Selectmen to give a deed, in the name of the Town, to the purchaser of such land.
  13. To see if the Town will vote to authorize the Board of Selectmen to apply for, accept, and expend without further action by the Town Meeting, any money from State, Federal or other governmental unit or private source which becomes available during the 1990 budget year, provided that such expenditure may be made for purposes for which a Town may appropriate money and that such expenditure not require the expenditure of other Town funds. Further, that the Board of Selectmen hold a public hearing prior to accepting and spending such money.
  14. To see if the Town will vote to authorize the Board of Selectmen to borrow money in anticipation of taxes.
  15. To see if the Town will vote to raise and appropriate the sum of \$3,645,011, which represents the bottom line of the posted budget (MS-7). Said sum is inclusive of all special articles addressed.
  16. To hear the reports of auditors, agents and committees or of officers heretofore chosen, and to pass any vote relating thereto.
  17. To transact any other business that may legally come before said meeting.

Given under our hands and seals this 23rd day of February, 1990.

|S| Chester R. Martel, Chairman  
|S| John B. Goff  
BOARD OF SELECTMEN,  
TOWN OF PEMBROKE, N.H.

We hereby certify that we gave notice to the inhabitants within named, to meet at the time and place and for the purpose within mentioned, by posting up an attested copy of the within Warrant at the places of meeting within named, and a like attested copy at the Pembroke Town Hall, being a public place in said Town, on the 26th day of February, 1990.

# Mason & Rich Professional Association

Accountants and Auditors  
Two Capital Plaza, Suite 3-1  
Concord, New Hampshire 03301

February 23, 1989

Selectmen  
Town of Pembroke  
Pembroke, New Hampshire 03275

In planning and performing our audit of the financial statements of the Town of Pembroke, New Hampshire for the year ending December 31, 1988, we considered the Town's internal control structure to determine our auditing procedures for the purpose of expressing an opinion on the financial statements and not to provide assurance on the internal control structure.

However, during our audit, we became aware of several matters that are opportunities for strengthening internal controls and operating efficiency. The memorandum that accompanies this letter summarizes our comments and suggestions regarding those matters. This letter does not affect our report dated February 23, 1989, on the financial statements of the Town of Pembroke, New Hampshire.

We will review the status of these comments during our next audit engagement. We have already discussed many of these comments and suggestions with various Town personnel, and we will be pleased to discuss them in further detail at your convenience, to perform any additional study of these matters, or to assist you in implementing the recommendations.

Respectfully submitted,  
Jon R. Land  
Certified Public Accountant  
MASON & RICH PROFESSIONAL ASSOCIATION  
Accountants and Auditors

## (1) General Fund Account:

**Finding** - The Treasurer and the accounting department are not reconciling cash monthly. Certain entries for interest were not recorded in the accounting department records.

**Recommendation** - The Treasurer and the accounting department should reconcile cash activity and cash balances monthly. This will assure that both the accounting department and the Treasurer have complete records.

**Management's Comments** - Steps have been taken to correct this situation. In addition, the new computer system will enable us to institute better control.

---

## Board Of Selectmen — 1989 Report

The Board of Selectmen has had an active, and we believe productive, year completing some of the recommendations of the previous Board and initiating some changes designed to benefit the Town. Many of the changes may be considered as routine, while some are more imaginative. The Board has kept an open mind and listened to all suggestions that were offered so that citizen input would help in the formulation of a program reflecting the thought and expertise of many.

The composition of the Board itself changed rather dramatically this past year. For the first time in over fifteen years, the experience and guidance of Harold Paulsen was not available. Harold had made the decision not to run for re-election in March so that he could devote a little more time to his family. Then, about half way through the year, due to the pressures of business and family, Daryl Borgman reluctantly submitted his resignation from the Board. The balance of the year was completed by a very active and attentive two man Board.

The first major project facing the Board this past year was the implementation of a new and expanded computer system. The change over to the new system, though hectic at times, was completed due to the guidance of the Town Administrator, David Stack, and the efforts and patient cooperation of the entire municipal staff. The end result was nothing short of spectacular. We were able to set the tax rate in early October and the tax bills were all sent out by mid-October. We have already instituted far better accounting procedures and have been able to respond to citizen questions quickly with a depth of information literally at our fingertips . . . and we have barely scratched the surface of the potential of the system.

A major visible project during the last year was the Glass/Buck/Main Street road reclamation and improvement project. When this project was first planned, sidewalks on Glass Street were not considered. It became evident during the project, however, that it would be necessary to include new sidewalks because so many residents depend on them on a daily basis. The end result proved to be a wise investment of the funds allocated by the residents of the Town at the last Town Meeting. Additional projects will be proposed each year by the Board of Selectmen with the guidance of the Highway Commission. This type of planning is necessary to ensure that Pembroke does not fall behind in the roads program that is so important to the health of the Town as a whole.

There were other programs and changes made during the year such as the transfer of our police dispatch system to the Town of Bow which has proved to be a wise decision. The quality of service has been improved at a reduced cost to the Town. The Board also contracted with a new firm, Dufresne-Henry, for engineering services. The first project that the firm undertook was a study of the feasibility of extending the sewer system to the Rte. 106 industrial area with an eye to enhance land values and expand the tax base.

There were, however, no bigger and far-reaching decisions made than those involving trash pickup, solid waste, and the proper (and legal) utilization of our "dump" site. The closure of the Concord Landfill in August coincided with the opening of the trash-to-energy Solid Waste Facility in Penacook. Pembroke is a member of the Concord Regionals Solid Waste/Resource Recovery Cooperative and we now transport our household solid waste, by packer, to the Penacook facility. This procedure necessitated a review of the entire trash pickup policy and changes had to be made not only to contain costs but to establish a base for future needs and to fulfill the Town's responsibilities as spelled out by New Hampshire state statutes. The familiar "dump" site located behind the Town Highway Garage is not in fact a "dump" site and cannot be used as a dump. It is a site that can be used to properly accept, separate, and transport to an approved site, all household waste not acceptable at the Penacook facility. This procedure will involve the installation of dumpsters of various sizes and will mean the ultimate

cleanup of what has become an eyesore. The end result will be a much more appealing, and legal, operation. Grading and fencing are planned and unsightly piles of waste will be a thing of the past. Waste management will consume a lot of time, thought, and investment for all communities throughout the state and the nation. We have made a start, and with the help and cooperation of the residents of Pembroke, we will seek solutions to the problem.

These are just some of the plans and programs initiated by your Board of Selectmen and the Town Administrator. In 1990, the Board is looking at the possibility of semi-annual collection of taxes and the change to a July-June fiscal year with a May Town Meeting. Both of these changes would allow the Town to operate in a more efficient, business-like manner.

What is really important to the Board is that you keep in mind that we are your elected officials, and that we have a responsibility to represent you in our decisions. We solicit your input, whether it be by phone, personal contact, or attendance at the weekly meetings of the Selectmen. We cannot promise that every suggestion will be implemented, or that every complaint will be immediately resolved, but each one will be heard. With your help and input, Pembroke can continue to be one of the more enjoyable, and affordable communities in the county.

Chester R. Martel, Chairman  
John B. Goff,  
Board of Selectmen

ADMINISTRATIVE OFFICERS  
OF YOUR TOWN GOVERNMENT

Front row l to r; Edgar G. Bellerose, Ferdinand Bouchard, selectmen; Charles Tilden, board chairman; Glorla Roy, relief adm; Albert Ritchotte, town clerk. Back row; Fire Chief Alfred Metivier, Robert Plourde, tax collector; Maurice D. Martel, treasurer; Henry Munroe, Civilian Defense dir.; Atty. K. Donald Woodbury, town counsel; Police Chief Leo A. Plourde.

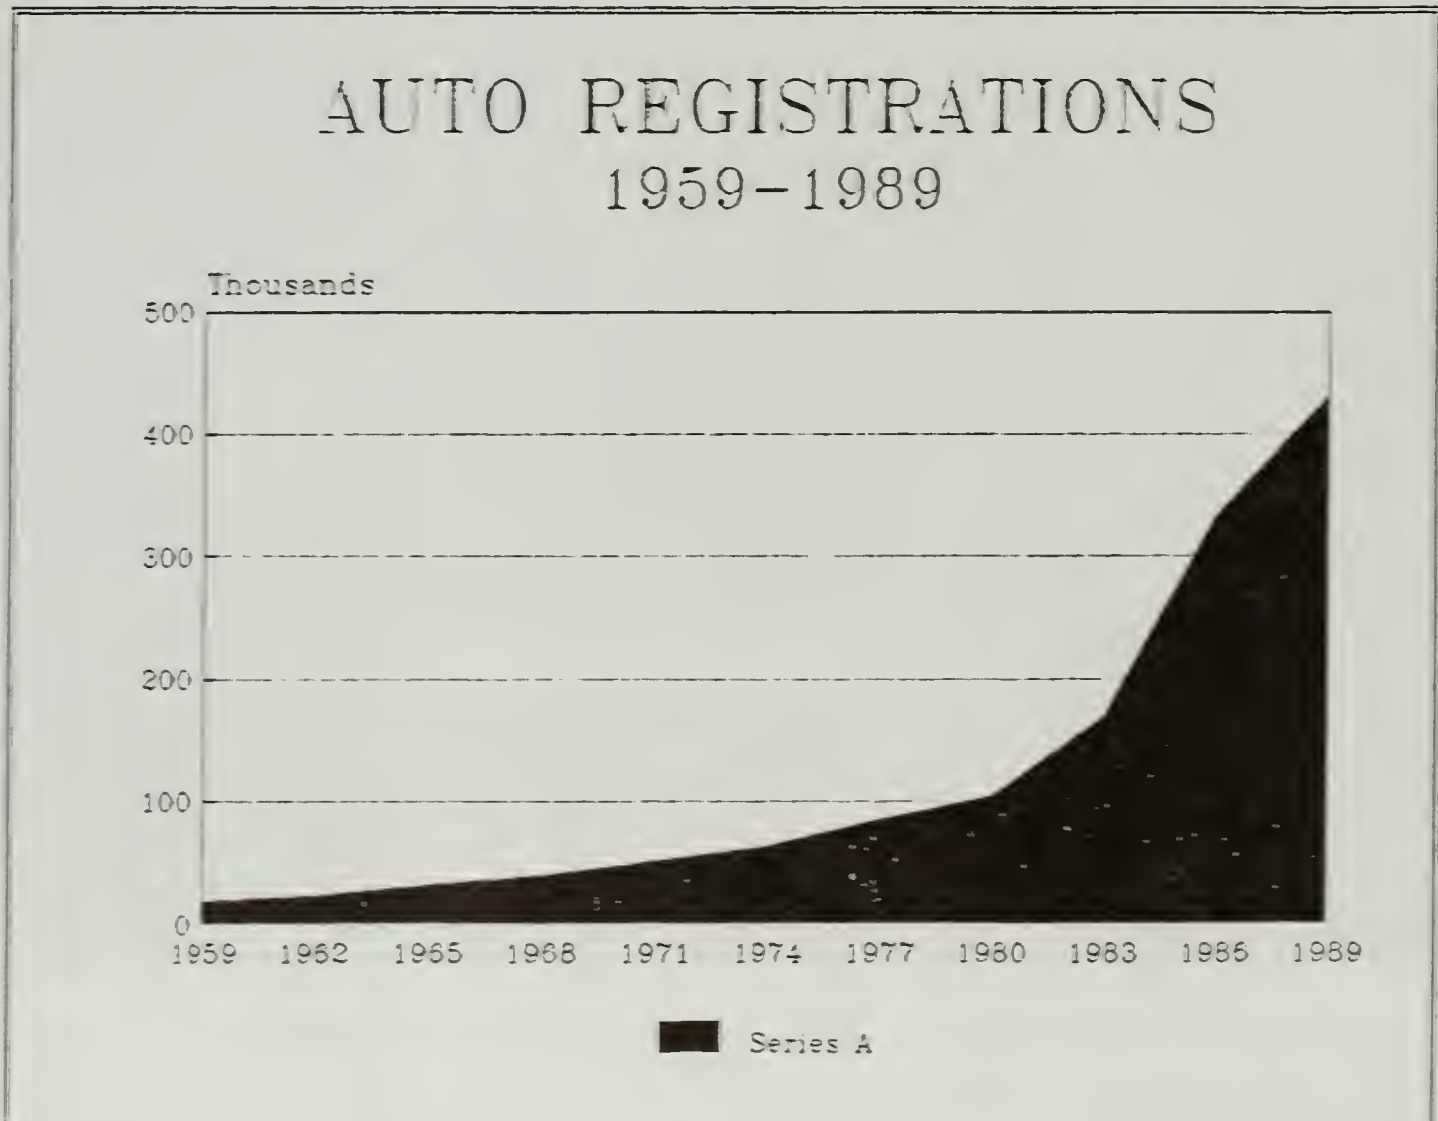

# Report of the Town Clerk Pembroke, N.H. 1989

**MONIES REMITTED TO TREASURER:**

6755	AUTO PERMIT FEES:	\$430,716.00
1363	TITLE APPLICATIONS	1,363.00
561	DOG LICENSES	2,112.50
31	DOG FINES	470.00
11	DOG LICENSES (group)	157.00
18	1988 DOG LICENSES IN 1989	39.50
7	ELECTION FILING FEES	7.00
125	UCC-1	1,104.00
15	TAX LIENS	134.00
	UCC-1 OR TAX LIEN RELEASED OR SEARCHED	179.00
4	POLE & WIRE PERMITS	20.00
60	MARRIAGE LICENSES	1,720.00
	VITAL RECORDS ISSUED, SEARCHED OR RECORDED	84.50
<b>VITAL RECORDS FILED</b>		
	BIRTH CERTIFICATES .....	81
	MARRIAGE CERTIFICATES .....	66
	DEATH CERTIFICATES .....	33

1989 marks the first year since 1974 that the revenue from auto permits has been lower than the previous year. During the 1960's and 70's, the average increase in automobile registration fees has been approximately 10%. During the 1980's, the average increase equaled out to approximately 16%. The highest increase being 1986 when the revenue brought in for auto registration rose 28% over 1985.

Thirty years ago, in 1959, the average price of a new car was about \$2,000, with registrations processed, the town brought in \$18,200.66 in revenue. In 1989, the average price of a new car was about \$10,500. With registrations processed, the town brought in \$430,716 in revenue, 23.7 times the amount of revenue in 1959.

---

# Central New Hampshire Regional Planning Commission

329 Daniel Webster Highway  
Boscawen, New Hampshire 03303  
(603) 796-2129

The Central New Hampshire Regional Planning Commission (CNHRPC) is an association of municipalities in central New Hampshire. Seventeen towns and the City of Concord are within Merrimack County and two towns are within Hillsborough County. Sixteen towns, the City of Concord, and Merrimack County are members in fiscal year 1990. The Town of Pembroke is a member in good standing of the Commission.

The CNHRPC is organized under RSA 36:45-53, which states that the purpose of the Commission is to prepare a coordinated plan for the development of the region. The statute also enables us to assist communities with local planning activities.

Three planners and one support person are currently employed by the CNHRPC. The staff prepares regional plans and provides professional planning assistance to member communities.

Our accomplishments over the last year include:

**Housing:** We published *Affordable Housing Needs in the Central Region* in September, 1989. The report identifies the number of low and moderate income housing units needed and provided in the Region, allocates the deficiency to individual municipalities, creates targets by community for affordable housing, and recommends strategies for use by communities to address local housing needs.

**Regional Plan:** We adopted and published the "Goals and Objectives Statement" of the regional master plan. Being the heart of the plan, each objective will be addressed. The regional land use element should be completed this fiscal year.

**Solid Waste:** The Commission prepared and the Central New Hampshire Solid Waste District adopted the District *Solid Waste Management Plan*. The plan contains a long term strategy to deal with landfill and incineration requirements, recycling, septic and sludge disposal, and household hazardous waste collection through the year 2005.

**Recycling:** The Regional Recycling Task Force is investigating methods to implement efficient, comprehensive, and cost-effective recycling throughout the Region. The CNHRPC should soon receive a grant through the Governor's recycling initiative to assist municipalities in obtaining and installing equipment necessary to operate recycling programs.

**Household Hazardous Waste Collection:** The CNHRPC organized a household hazardous waste collection on October 14, 1989. Cosponsors were Wheelabrator Concord, LP, the City of Concord, and the Towns of Allenstown, Boscawen, Bow, Canterbury, Dunbarton, Hopkinton, and Pembroke.

During 1989 CNHRPC activities in Pembroke included: providing housing unit information to the Planning Board; and providing back-up development review assistance during the Town Planner's absence.

---

## Pembroke Planning Board

In 1989, the Planning Board reviewed and approved twelve applications for subdivision or residential site plan approval, authorizing eleven new residential lots and six new commercial lots. Six applications for non-residential site plan reviews were approved authorizing three new businesses and the expansion of three existing businesses.

Currently pending before the Board are several applications requesting approval for an additional nine lots and fifty-five cluster units.

Both the Planning Board and the Conservation Commission continue to make the protection of the Town's wetlands and natural resources a priority.

The Board continues to annually review and revise the Capital Improvements Plan for the Town, which provides a direction for the anticipated expenditure of an schedule for those anticipated expenses.

As is the case with other Town boards and commissions, the Planning Board consists of citizens who volunteer their time to help provide for a safe and orderly future.

Chairperson David Harrigan, citing many work related pressures, resigned as Chair of the Board in December but agreed to continue to serve on the Board in the capacity of an alternate. Mark LePage accepted the position of Chairperson with Cindy Lewis filling the role of Vice-Chairperson. Paula Kudrick also volunteered to fill the final vacancy of alternate on the Board.

Chuck Clifford  
Town Planner

## Pembroke Cemetery Commission

The Pembroke Cemetery Commission has concentrated on two major areas of work during the past year: physical improvements to the town's cemeteries, and documentation to guide the future use of cemetery lands.

In the first area, the Commission has carried out a number of repairs at modest cost. At Evergreen Cemetery on Buck Street, repairs include restoration of a damaged window in the receiving tomb, paving of an eroded section of Oak Avenue, replacement of the cemetery gates, and the provision of locks at the gates for winter security. Improvements at the North Pembroke Cemetery on North Pembroke Road have included repairs to the two deteriorated gates, and the grading of a low-lying section. At Buck Street Cemetery, six damaged stones were repaired and a number of others were straightened.

Pembroke's cemeteries are a source of pride and interest for the community at large, and the Commission welcomes private contributions toward their improvements. In that spirit, the family of William Stanley, Jr., generously donated in his memory a paving of crushed stone for the driveway of the Pembroke Hill Cemetery.

Of long-term importance is the Commission's program to map the town cemeteries and to lay out new lots to meet future needs. In 1989, the Commission employed professional surveyors to measure and map Evergreen, North Pembroke, Pembroke Hill, and Buck Street Cemeteries. The new plans show existing lots, roads and pathways, boundaries, and natural features. They also establish bench marks to guide future lot layout. This documentation has identified a number of unused areas, which have been gridded into grave lots to help provide for the long-term needs of a growing community.

Respectfully submitted,  
Pembroke Cemetery Commission  
Arthur H. Fowler, Chairman

# Zoning Board of Adjustment

The Zoning Board of Adjustment (ZBA) heard 29 cases in 1989. The breakdown of the cases is as follows:

**Variances** — 15 cases: 3 granted, 9 denied, 3 no variance needed

**Special Exceptions** — 12 cases: 6 granted, 2 denied, 1 continued, 1 dismissed, 2 withdrawn

**Appeal from an Administrative Decision** — 6 cases: 5 upheld, 1 overturned

Pembroke's Zoning Board of Adjustment is in a good position due to the experience of its members. The five permanent members have all served together for several years. This expertise enables the Board to handle the individual needs of the applicants in a professional manner.

Again this year, ZBA members attended the New Hampshire Municipal Association Law Lecture Series. These sessions keep Board members up-to-date with the changes in regulations passed by the New Hampshire Legislature and recent court decisions. Of special interest to the members this year was the session on expansion of non-conforming uses.

Read Parmenter, of 10 Broadway, has joined the ZBA as an alternate. His valuable knowledge and experience has already proven to be an asset. Welcome aboard, Read.

## Building Inspector/Code Enforcement Officer

In 1989, the Building Department issued thirty-one new single family dwelling permits, a decrease from last year. Although there was a decrease in new construction; garages, additions and second story finish-ups showed a significant increase.

Permits issued this year range from construction of a heliport on Clough Mill Road to a new 26,740 square foot commercial building on Route 106.

In general, I believe that building for this year will continue at its present pace.

### SUMMARY OF BUILDING PERMITS ISSUED

New Homes	31	Residential Additions	13
Commercial Buildings	4	Commercial Renovations	2
Signs	6	Porches/Decks	21
Misc. Residential	77	Sheds	24
Garages	17	Electrical	16
Plumbing	6	Pools	17
Demolitions	2	Tents	1
Fences	4	Barns	3
Finish Second Story	24		

Permits are required for any work that is done to a building over \$300. Doing work without a permit is punishable by fines. If someone is in doubt, call the Town Hall for assistance.

During the year, this department responded to various Code violations that existed in town. Code Enforcement is becoming critical as the town grows, not to allow hazards to exist that would endanger its citizens.

---

## Pembroke Conservation Commission

Pembroke's Conservation Commission put in a good year of hard work and effort in 1989. We have tried to be a strong voice for protection and preservation of our town's natural resources.

As usual, we have acted on all permit applications for dredging and filling of wetlands. In 1989 we acted on eleven new permits and finished work on twelve permits. We did have to encourage the State Wetland's Board to act on some old permits and were able to get action on them. Because new building activity has slowed, so has the number and size of applications. Aside from our site walks we have visited our Town Forest and Bragfield Pond Conservation Area several times as well as walked the lands with conservation easements. The town made no new land acquisitions in 1989 but we have been busy planning conservation management practices for the upcoming year. We plan to improve wildlife habitat on our conservation lands by planting shrubs and bushes which attract and sustain wild animals. In some cases we will be doing some thinning or cutting in order to enhance the carrying capacity of the land for many species.

You may have seen the yellow T-Shirts with the spotted turtle on the front at Old Home Day or at the town offices. It seems that our little friend, the Spotted Turtle which is a rare species in New Hampshire, has become a symbol for conservation in Pembroke. Warner artist and turtle specialist Dave Carrol kindly donated the art work for the shirts. Funds raised by sales go directly to the conservation land acquisition fund and also show your support for protecting our special resources. As part of our effort to create a greater awareness of our area's resources, the Commission will again sponsor a canoe race at Old Home Day. This event is for a fun family outing as well as for the competitive canoeist.

The Commission once again was active in the planning and implementation of the annual Household Hazardous Materials Clean Up Day. Changes were made in 1989 which made a full day of collection possible. Each year more and more people participate and Pembroke residents have been good participants. We thank Sue Seidner of the Commission for her work on this project. Plans for the 1990 Clean Up Day are in the works so watch for the posters this fall. This summer we plan to start a new project which is to sponsor a Pembroke student to attend the Society for the Protection of New Hampshire Forests' Conservation Camp. We believe in early conservation awareness and activities so we are excited about this program. Young people have already contributed to conservation. In the spring the girl scouts planted wildflowers near the Town Forest Pond which have taken hold and will provide years of visual enjoyment. The boy scouts, with guidance from Commissioner Mike Payeur, built Wood Duck boxes that will go on town ponds this year.

All our very active members do a great job but we always need help and ideas. If you are interested in land and habitat protection or know of some special places that need protection, contact us at the town offices. You are also welcome to our monthly meeting held the first Tuesday of the month at the town offices.

Gordon Riedesel, Chair

# Pembroke Recreation Commission

Each year the Pembroke Recreation Commission supports: a soccer league for children (grades kindergarten-6), biddie basketball (grades 4-6), Little League baseball and softball, summer recreation softball, summer recreation basketball (grades 7-12), a fishing derby, a summer recreation program, summer swimming, an annual antique fire truck show and Old-Home Day activities.

Last year a beach volleyball area was constructed. Additions to both bathrooms were completed and new fixtures were purchased and installed in both. An addition to the men's softball building to store equipment was finished. All horseshoe stakes were replaced with sturdier ones and general repairs to all pits were done by Dick Plourde. The commission appreciates time Dick volunteered on this project. The sign at the entrance of the park was replaced with a new one and general repairs to fences in the park were completed. Two new children's toys, benches and trash receptacles were purchased and placed in the park. Twenty-five trees were planted around the park. The recreation commission would like to thank David Seavy for his many hours on this project and Jeannie Bates and the horticulture students from Pembroke Academy who planted the trees as a class project. The Lions Club constructed a pavilion and built picnic tables to be used in that area.

Carolyn Tucker and Donna Ong directed our summer recreation program. Children participated in sports and activities, arts and crafts, and weekly field trips. The program, which ran for four weeks, was well organized and we look forward to another exciting summer.

Helen Fryer organized our summer swimming program. Classes were offered in Beginner A, Beginner B, Advanced Beginner, Intermediate, and Swimmer. One hundred twenty-seven children participated in these classes. Also, for the first time in five years, there was enough interest to offer a class in Basic Water Safety and Rescue. Greg Barlow taught this class that had twelve students pass the safety course and nine students pass the rescue course. Mrs. Fryer continues to do an outstanding job coordinating the program.

Our intent next year is to: assist the Lions Club in the construction of a cook shack that would be located next to the pavilion, and landscape an area around the pavilion to be used as a picnic area; purchase an additional set of portable bleachers to be used for soccer, softball, and One-Home Day activities; upgrade the area between the Little League building and the recreation building; assess the possibility of upgrading the boat launch area; repair fence at the entrance of the park and replace the backstop on men's softball field; purchase a spiral slide and new climbing structures to replace old ones and add to play value of the playground area; level and reseed an area for soccer and tee-ball use.

The commission would like to thank the Highway Department for its help and assistance last summer, Johnson's Flower Shop for its annual planting of flowers around the monument and members of the Lions Club who spent many hours constructing the pavilion at no cost to the town.

## Pembroke Town Library

During 1989 the Pembroke Town Library welcomed the addition of 95 new borrowers to the library. Librarian Virginia Batchelder and the Trustees invite you to visit the library.

We have recently purchased a new photocopier for our patron's convenience.

We would like to express our appreciation for the number of books presented by friends of the library.

All town residents are encouraged to utilize the fine selection of reading materials available at our library. As always, your requests for books and periodicals are welcomed.

### Pembroke Town Library Hours

Monday	1:00 - 8:30
Tuesday	10:00 - 5:00
Wednesday	1:00 - 5:00
Thursday	1:00 - 5:00
Friday	1:00 - 8:30
Saturday	10:00 - 12:00

---

---

# Pembroke Police Department

You will notice the Police Department now has two telephone numbers. In emergency cases please call 485-3421. All others should call 485-9173, the business line. The business line is operable on business hours, 7:00 am to 4:30 pm. If for some reason you can't get the business line, call the emergency number.

We are just around the corner of the spring season. The Police Department and the Animal Control Officer have had an increase in dog at large complaints. We are asking people to comply with the dog laws. Dogs must be leashed at all times. If you do not understand the dog laws please contact the Police Department. Remember, it is a LAW, so please be fair to your neighbors. It will also save you money on fines if you contain your pets.

We wish to thank all citizens for your help. Remember, if you see something suspicious call the Police Department and it will be checked. With your help we can have safer neighborhoods.

This year, for the first time, the Police Department applied for and received a grant of over \$1,200.00 to run special DWI detection patrols. Ten special patrols were run on weekend nights during the month of December. As a result of these patrols over 175 motor vehicles were stopped. DWI arrests made as a result of these stops resulted in a 50% increase over the same period in 1988. We hope to continue this type of aggressive DWI patrols during 1990. Please do not drink and drive and remember, if you do, the chances of getting caught are greater than ever.

"ALCOHOL IS A DRUG AND OUR NO. 1 DRUG PROBLEM." This was what former Police Chief Perry Eaton stated in his report for the 1980 Pembroke Town report. As we enter the 1990's, I can still say that alcohol is the #1 drug problem in this community. Not all things change over a period of time, such as the alcohol problem. But other things have changed. A good example of this would be the number of reported police activities. Listed below are a few examples of how the activities have changed over the last decade.

	1980	1989
Calls rec'd from dispatch center	7,200	19,259
Thefts reported	65	107
Vandalism reported	67	129
Domestics	41	180
Speed (summons issued)	96	761
Accidents (motor vehicle)	103	196
DWI	23	78

As you look at the differences in the number of activities reported, you can see that time has changed things considerably. Some of these changes are for the better and some are not. The reason for this increase in activities is due to the fast growth of our town and surrounding communities. There is no doubt in my mind that we will have some stiff challenges facing our department during the next decade. A lot of these challenges will be due to the powerful economic and social indicators. The Pembroke Police Department with the help of the citizens of Pembroke will meet those challenges as we have in past years.

Another change for 1989 was the addition of new personnel. Officer Glenn Northrup, Officer William Peets and Animal Control Officer Mark Tetrault. Officer Northrup has just completed the 88th class at the New Hampshire Police Academy. Officer Peets will be entering the police academy in the spring. Mark Tetrault, who joined our ranks last year, will certainly have many exciting adventures waiting for him. I remind all citizens that the Animal Control Officer's job is a part time job.

---

September 23, 1989 was a special day for the Pembroke Police Department. It was on that day that the Town of Pembroke dedicated the Police Station building at 4 Union Street to the memory of our former Police Chief Perry L. Eaton. Chief Eaton passed away February 9, 1988 and was Chief of Police for the Town of Pembroke for twenty years: 1966 to 1986. We want to thank the Board of Selectmen, the Town Administrator and the citizens of Pembroke for making that day a memorable occasion.

As I look at our activities for 1989, I can see we were quite busy. It also shows me that I have some of the best police officers in the State working for me. I am very appreciative to the officers for their commitment to making Pembroke a safer place to live. I would also like to thank the Board of Selectmen, the Town Administrator, and all other Town services for their support in assisting us with our job. Again, I would like to thank the citizens of Pembroke for their support as always.

### **Police Department Personnel**

	Serving since
Chief Lucien L. Bouffard - <i>Commanding Officer</i>	8/62
Lieutenant Wayne A. Cheney - <i>Chief Supervisor</i>	8/79

# Pembroke Fire Department 1989 Annual Report

1989 was a fairly typical year for your fire department — we put fires out, we did a lot of training, we donated a lot of our time working around the station. All things we do because we are here to help and protect you — and, because we are still a little bit old fashioned, we like to help our neighbors.

But we can't help you if we can't find you. Please, if you haven't done it yet, put your house number on the front of your house near the front door. If you have a mailbox on the street, please put the numbers on both sides of the mailbox. Remember, the mailman may come in one direction but in an emergency fire, police or ambulance services are apt to be coming from either direction. The sooner we find you the sooner you get help.

Training was conducted throughout the year on a twice a month schedule plus additional training sessions as needed. Training has always been important, but in today's technological world it has become absolutely necessary. You, the people of Pembroke, are becoming increasingly concerned with our environment and what affect hazardous materials may have on it, as is the entire country. We, your fire fighters, are the ones that have to deal with them in an emergency. To do so requires the highest levels of training and concern for safety. Our budget also reflects this concern as we budget more of our money for training and safety equipment.

The time you see the fire department at an emergency represents only a small portion of what time is actually spent in operating the department. While we are a paid fire department, paid means paid during emergencies. Our members donate countless hours of their free time in maintaining equipment and in maintaining the fire station, not to mention their training time.

Our equipment, through your support financially, is in excellent condition. Like all equipment it eventually wears out or is no longer adequate for today's needs. We replace and add new equipment on a long term scheduled basis so that there aren't any big surprises financially.

We continue our close association with neighboring fire departments through the Capital Area Fire Compact, particularly Allenstown. By doing so we reduce the amount of manpower and equipment necessary to fight the big ones as well as providing the fastest response times available to our citizens. We have standard procedures for Concord to automatically go to any call in the northern portion of town as they are closer as well as for Allenstown to automatically come into our town on a structure fire.

Presented below are our operating statistics for 1989.

Richard S. Chase  
Chief

## FIRE ALARM REPORT Year Ending December 31, 1989

# Report of Town Forest Fire Warden and State Forest Ranger

During calendar year 1989, the State of New Hampshire experienced an average number of wildfires. The three leading causes of these wildfires were fires kindled without written permission of a Forest Fire Warden, children and debris burning fires that escaped control. All of these causes are preventable, but only with *your* help.

Please help our town and state forest fire officials with forest fire prevention. By New Hampshire State law (RSA 224:27), no person, firm or corporation shall kindle or cause to be kindled any fire, except when the ground is covered with snow, *without first obtaining a written permit from the Forest Fire Warden of the town where the burning is to be done.*

In order to eliminate false alarms, it is advisable to notify your local fire department whenever you intend to do any outdoor burning.

Violations of RSA 224:27 are a misdemeanor and you are also liable for paying all fire suppression costs (RSA 224:28 and RSA 224:36).

The State of New Hampshire, Division of Forests and Lands assisted many towns in wildland fire suppression during 1989 including several large fires in the Concord and Chesterfield areas, as well as the 100 acre fire on Mr. Belknap in Gilford, New Hampshire.

If you have any questions regarding New Hampshire forest fire laws, please contact your local Forest Fire Warden or the Division of Forests and Lands at 271-2217.

Number of Fires Statewide	550
Acres Burned Statewide	553.75
Cost of Suppression	\$93,957.00

John Theuner, Warden

# Pembroke Water Works

212 Main Street  
Pembroke, NH 03275-1299

Landscaping is complete; the area is fenced; and the memorial marker is in place. With the above listed done we can now say that the new water tank project is completed. If you are curious about the new tank you may want to go and see it at the top of Notre Dame Ave., take a left turn and follow the new road to the top of Parker Bailey Drive.

What did we do in 1989? Because of the road improvement projects in both Pembroke and Allenstown it seems that the only thing we did in '89 was repair/replace gate boxes and/or curb boxes. Some we actually had to replace twice. Road crews love to hit these devices.

Along with the duties that the water crew deals with on a regular basis, we found time to lay about 1,225 feet of new 8" water main and installed eleven new hydrants.

Those of you who pay your water bills in person have noticed, I hope, that your cars no longer hit bottom as you climb onto our hill. We reshaped the driveway and tried to make it less of a challenge.

Projects in our future!!! We have already started to work with the State Highway Department on their road project in the area of Bi-Wise and Family Bank. We will be laying a 12" water main across Route #3 so as to be ready for the future growth that is expected in this area of our water system.

The Board of Water Commissioners

# Pembroke Water Works

## Notes to Financial Statements

Years Ended December 31, 1989 and 1988

### NOTE A - ACCOUNTING POLICIES

The principal accounting policies of Pembroke Water Works ("the Water Works") are as follows;

#### Accounting Basis

The Water Works uses the accrual method of accounting for all revenue and expenses.

#### Property and Equipment

These assets are carried at cost. Maintenance repairs and minor renewals are expensed as incurred and renewals and betterments are capitalized. When an asset is retired or disposed of, the related costs and accumulated depreciation are removed from the accounts and any gain or loss on the disposition is credited or charged to income. Provision is made on the straight-line method for depreciation by annual charges to operations calculated to absorb the costs over the estimated useful lives of the assets.

The cost of water mains included under the caption "Water distribution equipment" reflects only those costs actually expended by the Water Works. In prior years, the Water Works acquired title to additional mains located in housing development areas. The cost of such mains has been borne by the developer. Under the standard contract provision mains installed in development areas become the property of the Town after a specified period of time. The cost of mains so acquired is not reflected in the property and equipment accounts.

#### Inventory

Materials and supplies inventory is valued at cost using the first-in, first-out method.

### NOTE B - EASTMENT AGREEMENT

In August, 1973, the State of New Hampshire granted to the Water Works an easement and right of way for the construction of a well and pumping station on land situated in Bear Brook State Park. Under the terms of the easement agreement, the Water Works is obligated to supply up to 50,000 gallons of water a day indefinitely to the State at no charge.

### NOTE C - LONG TERM DEBT

Long-term debt consisted of the following at December 31, 1989 and 1988.

	<u>1989</u>	<u>1988</u>
7.5% serial bond issued 1988, and maturing at the rate of \$30,000 annually beginning in 1990 and maturing in 1999, backed by the full faith and credit of the Town of Pembroke.	\$275,000	\$275,000
6.4% serial water bonds issued in 1975 and maturing at the rate of \$15,000 annually through 1990.	15,000	30,000
Less portion payable within one year classified as a current liability	<u>45,000</u>	<u>15,000</u>
<b>TOTAL LONG-TERM DEBT NET OF CURRENT PORTION</b>	<u><u>\$245,000</u></u>	<u><u>\$290,000</u></u>

Principal is to be repaid as follows:

<u>Year Ending December 31,</u>	<u>Amount</u>
1990	45,000
1991	30,000
1992	30,000
1993	30,000
<u>1994</u>	<u>30,000</u>
	<u><u>\$165,000</u></u>

#### NOTE D - MUNICIPAL INVESTMENT

During fiscal year 1985 Pembroke Water Works constructed a new water main on Route 106 from Pembroke Street to the Concord City Line. The town of Pembroke voted to authorize \$200,000 for this construction and issued this amount to Pembroke Water Works. This increased the municipal investment to \$213,693 at December 31, 1985. The total construction cost of this project was \$213,815.

#### NOTE E - CAPITAL RESERVE FUND

During fiscal year 1986, Pembroke Water Works established a \$750 per unit tap fee to finance construction, reconstruction, acquisition of needed water works system equipment, improvements and/or acquisition of land for water system expansion. The fee is only charged to Pembroke and Allenstown applicants; monies are held by the town trustees of trust funds. The fund amounted to \$56,090 and \$47,318 at December 31, 1989 and 1988, respectively.

#### NOTE F - DEFERRED COMPENSATION PLAN

During 1988, the company established a deferred compensation plan available to all employees in accordance with section 457 of the Internal Revenue Code. The plan expense was \$4,420 and \$969 for 1989 and 1988, respectively. The plan is administered by a third party.

Deferred compensation expenses	4,420	969
TOTAL OPERATING EXPENSES	\$257,218	\$232,548

---

## Pembroke Sewer Commission

This was the year for replacements. As you will see in our expenses we spent over \$65,000.00 on lines and manholes. We replaced the sewer mains on Perley Street, Rowe Avenue and the line that runs parallel to Pembroke Hill Road connecting the above mentioned sewer lines with the sewer line on Pembroke Street. The contractor will be back in the spring to seed the areas that were disturbed and to put a final coat of hot top on Perley and Rowe.

We are examining the possibility of changing the sewer main on Academy Road. If it can be afforded we will cause the work to be done this year.

In reviewing our expenses versus our income we find that we can go another year without an increase on your sewer bill. We are doing the best we know how to keep the costs down but the sewer treatment plant represents more than 50% of our expenses and we do not have any control over that operation. We are looking into the possibility of changing that situation.

We thank you for your support and we will continue to try our best.

Roger Martin,  
Chairman of the Board

# Old Home Day Pembroke and Allenstown

## *Theme: Pembroke and Allenstown - United in Tradition*

The eighth annual celebration of *Old Home Day* was again a truly successful and entertaining day for both communities.

As in the past, the success of such an event is due largely to the efforts of a hard working committee, of sponsorships from local businesses and organizations, the towns' municipal departments and thousands of people who support Old Home Day by their attendance. To one and all, *Thank you*.

The committee has already begun to meet and plan OHD, August 25, 1990 and needs your help. Meetings are held once a month at 7:00 p.m. at the Pembroke Municipal Building. Photo albums of this year's celebration as well as previous years' celebrations may be found in both town libraries.

Lorette Girard, Chairman

## OLD HOME DAY

Oh, what a great day August 26th was.

Lots of families and friends came to enjoy the festivities.

Delighted we were, that the weather was in our favor.

Happy the vendors, busy as could be, selling their wares.

Our appreciation goes out to all who helped or donated in any way.

Music, demonstrations, races, raffles and softball filled the day.

Everyone enjoyed the best and biggest parade yet.

Did the cow think she was flying low to land a #747.

Able-bodied has Lorette Girard been as chairperson in 87, 88 & 89.

Yes, it certainly was a success.

1989 (more or less) people came in the evening to enjoy the fireworks that lit the sky.

Author: Priscilla Lemaire

# Concord Regional Visiting Nurse Association Annual Report of the Town of Pembroke

The Concord Regional Visiting Nurse Association continues to offer three major health services to the residents of Pembroke: Home Care, Hospice, and Health Promotion.

**Home Care Services** respond to the health care needs of those patients with acute or chronic illnesses that require skilled professional and paraprofessional care so they may return to or remain in their homes. Emphasis is on promoting independence and maximum functioning of the patient within the least restrictive setting.

**Hospice Services** provide professional and paraprofessional services to the terminally ill patient with a limited life expectancy. The goal is to enhance the quality of the patient's remaining life by helping he/she remain at home in comfort and dignity. Emphasis is on pain and symptom management and skilled intervention to meet the patient's special physical and emotional needs. This is the only certified Medicare Hospice Program in New Hampshire.

**Health Promotion Services** focus on the low and marginal income families and individuals to prevent illness by professional assessment and screening for health risks and needs, by early intervention to prevent, eliminate, or minimize the impact of illness and/or disability, and by anticipatory guidance and health teaching. Services rendered in the clinic setting are: child health, family planning, sexually transmitted disease, adult screening, immunizations, and HIV testing and counseling. Home visits are made in crisis situations or when needed health care cannot be given in the clinic. Senior Health services are provided at congregate housing sites. Professional and paraprofessional hourly home services are provided on a private fee-for-service basis. Emphasis is on promoting healthy children, families, and individuals through early intervention and health teaching.

Health Education and Instruction is part of each home visit or clinic visit.

Anyone in Pembroke may request service; patient, doctor, health facility, pastor, friend or neighbor. All requests are answered, but continuing home care will only be provided with a physician's order.

A call to the Concord Regional Visiting Nurse Association (224-4093) between the hours of 8:00 a.m. - 4:00 p.m. seven days a week is all that is necessary to start services or make inquiries. A Hospice nurse is on call (224-4093) 4:00 p.m. - 8:00 a.m. daily.

Federal regulations specify a charge is applicable to all visits. Fees are scaled for that person without a health plan who is unable to pay the full charge. However, for fee scaling, federal regulations require a financial statement be completed by the patient or responsible person. Town monies subsidize those visits that are scaled or that no fee is collectible.

This agency is certified as a Medicare/Medicaid Provider, licensed by the State of NH and is a member agency of the United Way of Merrimack County.

Total visits made during the year October 1, 1988 through September 30, 1989.

	No. of Clients	Visits
Home Care	44	837
Hospice	3	99
Health Promotion	108	274

## 1989 Summary of Services Provided to Pembroke Residents by the Suncook Area Center Belknap-Merrimack Community Action Program

SERVICES	UNITS OF SERVICE	# OF HOUSEHOLDS/ PERSONS	VALUE
CONGREGATE MEALS - All senior citizens are welcome to our congregate meal site for nutritious hot meals, social/recreational activities, and field trips. Value - \$4.46 per meal.	1,079 Meals	20 Persons	\$ 4,812.34

# Tri-Town Volunteer Emergency Ambulance Service, Inc.

Tri-Town Volunteer Emergency Ambulance Service, Inc. has been providing emergency services since August 1972 to the communities of Allenstown, Hooksett, and Pembroke. Our call volume has increased from 384 in our first eighteen months of operation to 1,043 calls in 1989.

As in 1972, our 1989 patients were transported to area hospitals at NO CHARGE to the patient. Residents of this area are very fortunate to have a free emergency service which we will continue to provide for as long as it is economically feasible.

Tri-Town Volunteer Ambulance has been honored by commendations from area hospitals and the Governor of the State of New Hampshire. Individual attendants have been selected as outstanding by area hospitals. Our members have served on EMS committees statewide and held offices on the District level. Some members are currently on the statewide EMT testing teams.

Tri-Town has three ambulances, two full-time day personnel, and a staff of 14 volunteer attendants to cover 24 hours a day, seven days a week. We serve an area of over 100 square miles and a population of more than 20,000. All three ambulances have been in service at the same time on numerous occasions. We have a number of attendants from surrounding communities, including four NHTI paramedic students who joined our squad this fall. NHTI paramedic students were a part of Tri-Town crews this fall semester as a part of their technical training. This alliance worked so well, we have been asked to take part again the coming semesters.

Tri-Town has the best medical supplies and equipment on each of our ambulances. The only piece of equipment we do not have currently is a cardiac defibrillator. We have not been able to acquire a defibrillator due to a lack of funds. We are currently contacting area hospitals and medical personnel for assistance. Tri-Town is one of the largest service providers in the area and the only one without a cardiac defibrillator.

Tri-Town's 1990 budget is \$129,758. Our request to the towns is \$8,000 for operating expenses and \$20,357 for personnel costs. We respectfully request \$28,357 from each of the three Towns. Hooksett also provides free dispatch service with a value of \$9,741.

Your continued support and the dedication of all Tri-Town attendants and members will ensure quality medical care and transport in the future. THANK YOU.

Tri-Town Volunteer Emergency Ambulance Service, Inc.

# Abstract of the Meeting of the Pembroke School District

March 14, 1989 and March 21, 1989

The Pembroke School District Meeting on Tuesday, March 14, 1989, was called to order by Moderator Thomas Petit at 10:00 a.m. at the Pembroke High Street School. The Moderator asked for a motion to act on Articles 1 through 4. Roland Young, Jr. made a motion to open the polls and Manson Donaghey seconded the motion. The polls were declared open until 7:00 p.m. for the purpose of electing two school board members and the school district officers. The checklist was used with the following checklist supervisors and assistants attending: Manson Donaghey, Barbara Payne, Roland Young, Jr., Larry Dowling, Ed Currier, Floyd Smith, Ernest Petit, Lorette Girard and Maurice Lavoie.

1. To choose a Moderator for the ensuing year.  
Thomas E. Petit — 613 (elected)
2. To choose a Clerk for the ensuing year.  
Roberta W. Doore — 582 (elected)
3. To choose two members of the School Board for the ensuing three years.  
Diane M. Carantit — 254  
Charles Mitchell — 458 (elected)  
Susan L. Richard — 419 (elected)
4. To choose a Treasurer for the ensuing year.  
Helen Fryer — 583 (elected)

The polls were closed at 7:00 p.m. with 706 regular ballots cast and no absentee ballots. Tellers to count were: Roland Young, Jr., Darryl Borgman, Floyd Smith, Ernest Petit, Larry Dowling and Manson Donaghey.

The Pembroke School District Meeting on Tuesday, March 21, 1989, was called to order by Moderator Thomas Petit at 7:00 p.m. at the Pembroke Academy Auditorium. Moderator Petit called for a moment of silence prior to the reading of the Warrant. The reading of the Pembroke School District Warrant was the first order of business.

**Article 1.** TO SEE IF THE DISTRICT WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF \$5,400,000.00 FOR THE CONSTRUCTION AND ORIGINAL EQUIPPING AND SUPPLYING OF A NEW PEMBROKE MIDDLE SCHOOL, SAID SUM TO BE IN ADDITION TO ANY FEDERAL, STATE, OR PRIVATE FUNDS MADE AVAILABLE THEREFOR, AND TO AUTHORIZE ISSUANCE OF NOT MORE THAN \$5,400,000.00 OF BONDS OR NOTES THEREFOR IN ACCORDANCE WITH THE MUNICIPAL FINANCE ACT (RSA CHAPTER 33); TO AUTHORIZE THE SCHOOL BOARD TO CONTRACT OR APPLY FOR, OBTAIN AND ACCEPT FEDERAL, STATE OR OTHER AID, IF ANY, WHICH MAY BE AVAILABLE FOR SAID PROJECT AND TO COMPLY WITH ALL LAWS APPLICABLE TO SAID PROJECT AND TO AUTHORIZE THE SCHOOL BOARD TO NEGOTIATE AND ISSUE SUCH BONDS OR NOTES AND TO DETERMINE THE RATE OF INTEREST THEREON AND THE MATURITY AND OTHER TERMS THEREOF; FURTHERMORE TO AUTHORIZE THE SCHOOL BOARD TO USE INTEREST EARNED FROM SHORT-TERM INVESTMENT OF BOND OR NOTE PROCEEDS TO APPLY TO THE COST OF CONSTRUCTION, EQUIPMENT, AND FURNISHINGS OF THE PROJECT, AND FURTHER, TO AUTHORIZE THE SCHOOL BOARD TO TAKE ANY AND ALL ACTION NECESSARY TO CARRY OUT ANY VOTE HEREUNDER AND TO TAKE ANY OTHER ACTION RELATIVE THERETO. (2/3 BALLOT VOTE REQUIRED) (BUDGET COMMITTEE RECOMMENDS APPROVAL).

Charles Mitchell moved that Article 1 be accepted. Clint Hanson gave a brief background of the project and emphasized that there is a real need for this new school and he asked for support for this project. This was followed by some questions regarding the working of the article. The attorney for the School Board stated that the language presented was what was required by Bond Council.

---

Following a few other questions regarding interest and cost of the project, Moderator announced that he would read Article 2 and after discussion on that article the polls would open for one hour for the purpose of balloting on Article 1 and 2 simultaneously.

**Article 2.** TO SEE IF THE DISTRICT WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF \$300,000.00 FOR THE PURPOSE OF CONSTRUCTING ATHLETIC FACILITIES AT PEMBROKE ACADEMY TO INCLUDE TRACK FACILITIES, SOCCER AND OTHER ATHLETIC FIELDS, AND TO CONSTRUCT ADDITIONAL PARKING LOT AT PEMBROKE ACADEMY, SAID SUM TO BE IN ADDITION TO ANY FEDERAL, STATE OR PRIVATE FUNDS MADE AVAILABLE THEREFOR, AND TO AUTHORIZE ISSUANCE OF NOT MORE THAN \$300,000.00 OF BONDS OR NOTES THEREFORE IN ACCORDANCE WITH THE MUNICIPAL FINANCE ACT (RSA CHAPTER 33); TO AUTHORIZE THE SCHOOL BOARD TO CONTRACT OR APPLY FOR, OBTAIN AND ACCEPT FEDERAL, STATE OR OTHER AID, IF ANY, WHICH MAY BE AVAILABLE FOR SAID PROJECT AND TO COMPLY WITH ALL LAWS APPLICABLE TO SAID PROJECT AND TO AUTHORIZE THE SCHOOL BOARD TO NEGOTIATE AND ISSUE SUCH BONDS OR NOTES AND TO DETERMINE THE RATE OF INTEREST THEREON AND THE MATURITY AND OTHER TERMS THEREOF, FURTHERMORE TO AUTHORIZE TO SCHOOL BOARD TO USE INTEREST EARNED FROM SHORT-TERM INVESTMENT OF BOND OR NOTE PROCEEDS TO APPLY TO THE COST OF CONSTRUCTION, EQUIPMENT, AND FURNISHINGS OF THE PROJECT, AND FURTHER, TO AUTHORIZE THE SCHOOL BOARD TO TAKE ANY AND ALL ACTION NECESSARY TO CARRY OUT ANY VOTE HEREUNDER AND TO TAKE ANY OTHER ACTION RELATIVE THERETO. (2/3 BALLOT VOTE REQUIRED) (BUDGET COMMITTEE RECOMMENDS APPROVAL)

Clint Hanson made the motion to accept this article. Ryland Weisiger seconded the motion.

After a brief discussion the polls were opened at 8:22 p.m. The checklist was used with the following checklist supervisors and assistants attending: Barbara Payne, Manson Donaghey, Roland Young, Jr., Robert Payne, Fay Donaghey, Ed Currier, Florence Woods, and Celeste Borgman. Tellers to count were: Marie Connor, Darryl Borgman, Harold Paulsen, Don Hill and Helen Fryer.

The polls remained open until 9:22 p.m.

There were 579 ballots cast for Article 1. Two-thirds or 386 votes were needed for this Article to pass. There were 286 YES votes and 293 NO votes. Article 1 did not pass.

There were 582 ballots cast for Article 2. Two-thirds or 388 votes were needed for the Article to pass. There were 430 YES votes and 152 NO votes. Article 2 passed.

**Article 3.** TO HEAR THE REPORTS OF AGENTS, AUDITORS, COMMITTEES, OR OFFICERS CHOSEN, AND TO PASS ANY VOTE RELATING THERETO.

There being none, this Article was passed over.

**Article 4.** TO SEE IF THE DISTRICT WILL VOTE TO AUTHORIZE THE SCHOOL BOARD TO ACCEPT GIFTS AND DONATIONS FROM ANY SOURCE ON BEHALF OF THE SCHOOL DISTRICT.

Clint Hanson moved to accept this article. Stanley Grimes seconded this motion. The article was accepted by a voice vote.

---

**Article 5.** TO SEE IF THE DISTRICT WILL VOTE TO AUTHORIZE THE SCHOOL BOARD TO ACCEPT AND EXPEND ON BEHALF OF THE DISTRICT A SUM OF MONEY NOT TO EXCEED \$104,080.00 TO BE OBTAINED FROM THE FEDERAL GOVERNMENT OR OTHER SOURCES THAT MAY MAKE SUCH FUNDS AVAILABLE TO THE DISTRICT; PROVIDED THAT THE SCHOOL DISTRICT WILL NOT BE THEREBY REQUIRED TO RAISE ANY MONEY BY LOCAL TAXATION IN THIS OR SUBSEQUENT YEARS AS THE RESULT OF SUCH EXPENDITURE OF \$104,000.00.

June Cote moved to accept this article. Charles Mitchell seconded the motion. Dr. DeMinico briefly explained where this money comes from. The motion was accepted by a voice vote.

**Article 6.** TO SEE IF THE DISTRICT WILL VOTE TO AUTHORIZE THE SCHOOL BOARD TO APPLY FOR, ACCEPT, AND EXPEND, WITHOUT FURTHER ACTION BY THE SCHOOL DISTRICT MEETING, MONEY FROM THE STATE, FEDERAL, OR OTHER GOVERNMENTAL UNITS OR A PRIVATE SOURCE WHICH BECOMES AVAILABLE DURING THE 1989-90 SCHOOL FISCAL YEAR, PROVIDED THAT SUCH EXPENDITURE BE MADE FOR PURPOSES FOR WHICH A SCHOOL DISTRICT MAY APPROPRIATE MONEY AND THAT SUCH EXPENDITURE NOT REQUIRE THE EXPENDITURE OF OTHER SCHOOL DISTRICT FUNDS. FURTHER, THAT THE SCHOOL BOARD HOLD A PUBLIC HEARING PRIOR TO ACCEPTING AND SPENDING SUCH MONEY AND HAVE THE APPROVAL OF THE MUNICIPAL BUDGET COMMITTEE.

Stanley Grimes moved that this article be accepted. Ryland Weisiger seconded this motion. The motion was accepted by a voice vote.

**Article 7.** TO SEE IF THE DISTRICT WILL VOTE TO ESTABLISH A CAPITAL RESERVE FUND UNDER THE PROVISIONS OF RSA 35:1 KNOWN AS THE SCHOOL BUILDING CAPITAL RESERVE FUND FOR THE CONSTRUCTION AND/OR RECONSTRUCTION OF SCHOOL BUILDINGS AND/OR FOR THE ADDITION TO EXISTING SCHOOL BUILDINGS AND/OR FOR THE ACQUISITION OF LAND; AND TO RAISE AND APPROPRIATE THE SUM OF \$91,500 TO BE PLACED IN THIS FUND, AND TO AUTHORIZE THE EXPENDITURE OF SWEEPSTAKES REVENUES IN THE AMOUNT OF \$91,500 DISTRIBUTED BY THE DEPARTMENT OF EDUCATION UNDER THE PROVISIONS OF 1988 NEW HAMPSHIRE LAWS, CHAPTER 278 TO FUND THIS APPROPRIATION. (BUDGET COMMITTEE RECOMMENDS APPROVAL)

Ryland Weisiger moved that Article 7 be accepted. Clint Hanson seconded this motion. This article was accepted by a voice vote.

**Article 8.** TO SEE IF THE SCHOOL DISTRICT WILL VOTE TO ESTABLISH A CAPITAL RESERVE FUND UNDER THE PROVISIONS OF RSA 35:1 KNOWN AS THE SCHOOL BUILDING CAPITAL RESERVE FUND FOR THE CONSTRUCTION AND/OR RECONSTRUCTION OF SCHOOL BUILDINGS AND/OR RECONSTRUCTION OF SCHOOL BUILDINGS AND/OR FOR THE ADDITION TO EXISTING SCHOOL BUILDINGS AND/OR FOR THE ACQUISITION OF LAND; AND TO RAISE AND APPROPRIATE THE SUM OF \$91,500 TO BE PLACED IN THIS FUND, AND TO AUTHORIZE THE EXPENDITURE OF SWEEPSTAKES REVENUES IN THE AMOUNT OF \$91,500 DISTRIBUTED BY THE DEPARTMENT OF EDUCATION UNDER THE PROVISIONS OF 1988 NEW HAMPSHIRE LAWS, CHAPTER 278 TO FUND THIS APPROPRIATION. (BUDGET COMMITTEE RECOMMENDS APPROVAL)

Stanley Grimes moved that Article 8 be accepted. Roy Annis, Sr. seconded this motion.

Ted Natti asked for an explanation of this article. Charles Mitchell explained that the School Board needed to ask the voters permission before allowing the sewer department to repair and replace existing sewer lines. Donald Grogan asked why permission was needed for an easement to come onto property to repair existing lines. Chester Martel stated that it is a neighborhood project and all homes will benefit from this new line. Darryl Borgman asked if it was to be a totally new line. Henry Laramie wanted to know if this new line was for a new development. Greg Makris stated that he was the developer.

Redmond Carroll moved to table Article 8 until more information is available. Roland Young seconded this motion. The motion to table was passed by a voice vote.

---

**Article 5.** TO SEE IF THE DISTRICT WILL VOTE TO AUTHORIZE THE SCHOOL BOARD TO ACCEPT AND EXPEND ON BEHALF OF THE DISTRICT A SUM OF MONEY NOT TO EXCEED \$80,907.00 TO BE OBTAINED FROM THE FEDERAL GOVERNMENT OR OTHER SOURCES THAT MAY MAKE SUCH FUNDS AVAILABLE TO THE DISTRICT; PROVIDED THAT THE SCHOOL DISTRICT WILL NOT BE THEREBY REQUIRED TO RAISE ANY MONEY BY LOCAL TAXATION IN THIS OR SUBSEQUENT YEARS AS THE RESULT OF SUCH EXPENDITURE OF \$80,907.00. (BUDGET COMMITTEE RECOMMENDS APPROVAL)

Charles Hamilton moved that Article 5 be accepted. George Fryer seconded this motion. The motion was accepted by a voice vote.

**Article 9.** TO SEE IF THE SCHOOL DISTRICT WILL AUTHORIZE THE SCHOOL BOARD TO CONVEY TO MR. GREG MAKRIS ON SUCH TERMS AND CONDITIONS AS THE SCHOOL BOARD DEEMS ARE IN THE BEST INTEREST OF THE DISTRICT AN EASEMENT IN A PORTION OF LAND AT THE PEMBROKE HILL SCHOOL FOR THE INSTALLATION OF DRAINAGE PIPE.

Chester Martel made a motion to dismiss Article 9. Linda Morais seconded this motion. The motion to dismiss Article 9 was passed by a voice vote.

**Article 10:** TO DETERMINE AND APPOINT THE SALARIES OF THE SCHOOL BOARD AND TRUANT OFFICER, AND FIX THE COMPENSATION OF ANY OTHER OFFICERS OR AGENTS OF THE DISTRICT.

Floyd Smith explained the major areas of change in the budget. He stated that the new bottom line budget which reflects the passage of Article 2 is now \$7,342,942.

Ryland Weisiger made the motion to accept Articles 10 and 11. Charles Mitchell seconded this motion.

Chester Martel asked what impact the \$109,800.00 cut which the Budget Committee made would have on the overall budget. Floyd Smith stated that it was not up to his committee to determine which lines would be caught and that the School Board had accepted these cuts.

Articles 10 and 11 were passed by a voice vote.

**Article 12:** TO CHOOSE AGENTS AND COMMITTEES IN RELATION TO ANY SUBJECTS EMBRACED IN THE DISTRICT.

There being none, this article was passed over.

**Article 13:** TO TRANSACT ANY OTHER BUSINESS THAT MAY LEGALLY COME BEFORE SAID COMMITTEE.

Roy Annis, Sr. made a motion to print in the Town Report the name and salary of all elected school district officials and print salary schedules of all other school district positions. Redmond Carroll seconded this motion. This motion was passed by a voice vote.

Chester Martel made a motion to take Article 8 from the table. Norman Provenchure seconded this motion. The motion failed by a voice vote.

Chester Martel moved to close the meeting. Leo Payeur seconded this motion. Meeting was closed at 10:20 p.m.

Respectfully submitted,  
Roberta W. Doore  
School District Clerk  
March 21, 1989

# Pembroke School District Warrant State of New Hampshire

TO THE INHABITANTS OF THE SCHOOL DISTRICT IN THE TOWN OF PEMBROKE, QUALIFIED TO VOTE IN DISTRICT AFFAIRS:

You are hereby notified to meet at Pembroke Academy in said District on the 10th day of March, 1990 at 10:00 A.M. to act upon the following subjects:

1. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and to pass any vote relating thereto.
2. To see if the District will vote to authorize the School Board to accept gifts and donations from any source on behalf of the School District.
3. To see if the District will vote to authorize the School Board to accept and expend on behalf of the District a sum of money not to exceed \$134,014.00 to be obtained from the Federal Government or other sources that may make such funds available to the District; provided that the School District will not be thereby required to raise any money by local taxation in this or subsequent years as the result of such expenditure of \$134,014.00
4. To see if the District will vote to authorize the School Board to apply for, accept, and expend, without further action by the School District Meeting, money from the state, federal, or other governmental unit or a private source which becomes available during the 1990-91 school fiscal year, provided that such expenditure be made for purposes for which a School District may appropriate money and that such expenditure not require the expenditure of other School District funds. Further, that the School Board hold a public hearing prior to accepting and spending such money and have the approval of the Municipal Budget Committee.
5. To see if the District will vote to raise and appropriate the sum of \$190,000.00 to remove all asbestos and asbestos containing materials in accordance with state and federal regulations governing the removal of such material. (Budget Committee does not recommend approval.)
6. To see if the District will vote to raise and appropriate the sum of \$6,800 as a supplemental appropriation for the fiscal year ending June 30, 1990 for the purpose of equipping the athletic field with a high jump pit and hurdles, this appropriation to be funded from unanticipated revenue in excess of estimates. (Budget Committee recommends approval.)
7. To see if the District will vote to raise and appropriate the sum of \$1.00 to fund the cost items of the District collective bargaining agreement for the 1990-91 fiscal year only, each subsequent year to be subject to approval by the District voters, or take any other action in relation thereto.
8. To see if the School District will vote to authorize the School Board to convey a drainage easement on property at the Pembroke Hill School to the Town of Pembroke on such terms and conditions as the School Board shall determine are in the best interests of the School District.
9. To see if the School District will vote to authorize the School Board to convey an easement on property at the Pembroke Hill School to the Public Service Company of New Hampshire on such terms and conditions as the School Board shall determine are in the best interests of the School District.

---

10. To see if the District will vote for the following advisory motion: "We the residents of the Pembroke School District find the State of New Hampshire to be negligent in the funding of Public Education, thus creating an undue burden on the local property tax payers. We demand that the State of New Hampshire Legislature begin in earnest to study methods for substantially increasing State aid to education."

11. To see if the District will vote to approve the Martin Luther King holiday in accordance with the federal calendar beginning in the 1990-91 school year. The scheduling of such a holiday will not reduce the number of student instructional days.

12. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the District.

13. To see what sum of money the District will raise and appropriate for the support of schools, for the payment of salaries and benefits for school district officials and agents and for the payment of statutory obligations of the District.

14. To choose Agents and Committees in relation to any subjects embraced in the District.

15. To transact any other business that may legally come before said meeting.

Given under our hands at said Pembroke this \_\_\_\_\_ day of February, 1990.

Clinton Hanson  
Ryland Weisiger  
June Cote  
Charles Mitchell  
Susan Richard

December 11, 1989

The School Board  
Pembroke School District  
Suncook, New Hampshire 03275

Members of the Board:

I was engaged to audit the financial statements of the various funds and account groups of the Pembroke School District for the year ended June 30, 1989 and have issued my report thereon, dated December 11, 1989. As part of my examination, I reviewed and tested the District's system of internal accounting controls to the extent I considered necessary to evaluate the systems as required by generally accepted auditing standards. Under these standards, the purpose of such evaluation is to establish a basis for reliance thereon to determine the nature, timing and extent of such auditing procedures that are necessary for expressing an opinion on the financial statements.

The objective of internal control is to provide reasonable but not absolute assurance as to safeguarding of assets against loss from unauthorized use or disposition, and the reliability of financial records for preparing financial statements and maintaining accountability for assets. The concept of reasonable assurance recognizes that the cost of a system of internal accounting control should not exceed the benefits derived and also recognized that the evaluation of these factors necessarily required estimates and judgements by management.

There are inherent limitations that should be recognized in considering the potential effectiveness of any system of internal accounting control. In the performance of most control procedures, errors can result from misunderstanding of instructions, mistakes of judgement, carelessness or other personal factors. Control procedures whose effectiveness depends upon segregation of duties can be circumvented by collusion. Similarly, control procedures can be circumvented intentionally by management with respect to the estimates and judgements required in the preparation of financial statements. Further projection of any evacuation of internal accounting control to future periods is subject to the risk that procedures may become inadequate because of changes in conditions and that the degree of compliance with the procedures may deteriorate.

My study and evaluation of the District's system of internal accounting control for the year ended June 30, 1989 which was set forth in the first paragraph, would not necessarily disclose all weaknesses in the system for detect fraud, if any should exist.

The following items related to the internal accounting control system merit your consideration.

1. **Unsecured Cash.** Federal insurance of the bank deposits amounts to \$100,000. At one point during the year the general checking account bank account had a balance of \$776,679.33. The financial strength of the banks in general has been deteriorating, and the financial strength of the Suncook Banks is not known to me. I recommend that the School Board try to negotiate an arrangement with the bank thereby that amounts above \$100,000 would be collateralized with bank assets.

- 
2. **Computer Training.** The financial information is maintained on a computer. The training of employees operating the computer has improved from the previous year. Additional training is recommended in the area of reconciling the general control balances to the detailed reports generated by the system.
  3. **Purchase Orders.** Presently purchase orders are being issued at many different areas by anyone who needs to purchase material. It is recommended that the purchase order issuance be centralized and persons needing to purchase material submit a request for a purchase order.
  4. **Inventory of Fixed Assets.** As in the practice with many New Hampshire School Districts, the Pembroke School District has not maintained a record of its fixed assets. In order to adequately maintain control of its existing fixed assets, I recommend the District cause an inventory of these assets as soon as practical. As part of their long-term policies, District officials should initiate fixed asset records. Cost or consideration given is the general accepted method for valuing fixed assets, and should be recorded on all new acquisitions. Where adequate documentation of cost is unavailable for existing fixed assets, an estimate of the original cost is an acceptable standard under accounting principles for governmental entities. The existence of fixed asset records will not only aid district officials in their control of these assets, but should be an invaluable tool in long-range planning.
  5. **School Lunch Sales.** Very little control exists over School Lunch Sales receipts. I recommend that the District investigate the feasibility of implementing control mechanisms at the point of sale.
  6. **School Activity Funds.** Included in the Student Activities Funds is the athletic account, sums are transferred from the General Fund to this account and individual checks are issued from the athletic account to referees and umpires at the time the games are played. This activity should be accounted for under the General Fund.
  7. **Miscellaneous Revenue.** Reimbursements have been classified as miscellaneous revenue. They should be offset against the original expense classification. I recommend that a schedule be maintained and an adjustment at year end be made to reclassify the reimbursements from miscellaneous revenue.

**Publication Requirement.** The provisions of R.S.A. 71-A:21 require that only this shall be published in the next annual report of the School District. However, I suggest that you consider the publication of the entire report which includes auditor's opinion, financial statements and notes to financial statements. No portion of either the Auditor's opinion, financial statement or notes to financial statements may be published separately.

I extend my thanks to the officials and employees of Pembroke School District for their assistance during the course of my audit.

Very truly yours,  
Brent W. Washburn, CPA

DIRECTOR OF MAINTENANCE	
	\$26,250.00
LUNCH DIRECTOR	
	24,489.00

---

# Report of the Superintendent of Schools

In my preparation for the writing of this report, I had reviewed the reports of the past three years. It was quite apparent, in my review of those reports, that space needs was the single most pressing issue the District faced. Unfortunately, the need still exists and the issue must be addressed by the Board and by the citizens of Pembroke. The School Board held a public hearing and charged a School Study Committee to investigate the options available to the District. The report will be shared with the community later this spring. Enrollment projections over the next five years indicate that the need for space will become more critical.

The Pembroke School District has, once again, joined the other SAU #53 school districts in participating in the federally funded Chapter I program. Students in grades K through eight are selected for tutorial assistance in reading and mathematics. Pembroke's current allocation of \$24,210 funds two tutors along with the purchase of instructional materials. SAU #53 was the recipient of a Certificate of Recognition from the Department of Education in Washington, D.C. for our work in improving education for disadvantaged children. I thank our program director, Janet Snyder, and the Chapter I tutors for offering their fine services to the children of Pembroke.

Standardized test scores show our students in grades four, eight and ten achieving generally above national averages in reading, mathematics, spelling, study skills, science and social studies. This year's results also show our students achieving greater than anticipated in the total battery. Teachers continue to use these testing results to review and refine the curriculum. It is important to mention that while test results are an important and useful component in tracking school success, other measures of success must be considered.

The School District applied for and received grant monies to assist in tracking and analyzing the issue of student dropouts. While the dropout rate for Pembroke students is well below the state average, the purpose of the study is to gain a better understanding of why students drop out of school. With a clearer picture of who drops out of school and for what reasons, the school will be able to better address the problem proactively.

The demand for good teachers and good teaching is quite apparent. Parents and teachers are the most important people in the educational lives of our children. For our schools to do the kind of job expected by you, we need to take measures to retain the best teachers and hire quality teachers. The Pembroke School Board and the Education Association of Pembroke are presently involved in the negotiations process. Once an agreement has been reached, your support of a new contract will be essential if we are to achieve this goal.

On behalf of my office staff, I thank you for your continued support of the Pembroke School District and of SAU #53. I look forward to working with you in providing the very best education for the children of Pembroke.

Respectfully submitted,  
Paul DeMinico, Ed.D.  
Superintendent of Schools

---

## Pembroke Academy Headmaster's Report 1989

This has been a year for Pembroke Academy to begin looking to the future, as we begin the 1990's. In doing so we have been and will continue to critically analyze our educational services and programs to ensure that we are serving our students and the communities in the most appropriate manner. Our analysis will focus on all aspects of Pembroke Academy and will hopefully result in the improvement of our school.

Pembroke Academy students and staff began school, again this year, during the last week of August, with great enthusiasm. We experienced a very successful opening of school with little of the expected confusion which sometimes accompanies the first week. This was due in great part to the diligent work of students, parents and the Pembroke Academy staff, especially the Guidance staff who invested much time and effort in the selection and scheduling of classes. The transition of 8th grade students from our 5 sending schools to the Academy went especially well. This was the result of placing a new and greater emphasis on cooperation between the schools during this important time. Counselors and administrators from both the Academy and the sending schools should be commended for the time and effort they invested in this very valuable process. As in the past years, several staff members deserve particular recognition for their work in making the scheduling process go so well. They are Mr. Ron Rush, Ms. Jeannie Johnson, Mrs. Connie Boucher, Mrs. Jackie Lane and Mrs. Marie Brezosky.

Pembroke Academy has been fortunate to have a dedicated, caring and hard working faculty and staff. Once again, it has not changed a great deal in the past year. Only four staff members: Mr. Don Wrightington, Mr. Mike Dolphin, Ms. Sharon Ahearn and Mrs. Elizabeth Jones have left to pursue other professional challenges during the past year. New staff members at Pembroke Academy include Mr. Skip Clark, Para-Professional; Mr. David Doherty, Guidance Counselor; Mrs. Anne Gagnon, Para-Professional; Mr. Mike Natalizio, Social Studies, Mrs. Judith Noyes, Foreign Language; Mrs. Susan Pelley, Director of Student Services; Mrs. Lisa Ransom, Guidance Counselor and Mr. Paul Stowell, Instructional Aide.

One area in which we have already made some changes is student services. The various student services available at Pembroke Academy have been consolidated into the Student Services Department. This department includes Guidance, Library and Media Services, Nursing Services, Substance Abuse Programs, Reading Programs, Tutoring Services, Gifted and Talented Programs and a variety of other programs and services. The Students Services Department has been very active under the direction of Mrs. Susan Pelley working to increase and improve the services we provide for our students.

Improvements in the curriculum continues to be an ongoing process in every area at Pembroke Academy. This year we are continuing our curriculum review in Science and Foreign Languages (which continues to grow in popularity at Pembroke Academy). We are also continuing to study our Guidance and Counseling Department to determine how they can best serve our students and how we can integrate these services into our curriculum. New areas of curriculum review for this year include Business and Health.

All students at Pembroke Academy are now required to complete 100 credits of course work to be eligible for graduation. Included in this are requirements in the area of Art, Economics and Computers. These new standards have dramatically increased the number of classes students must complete and placed greater emphasis on student achievement. Students at Pembroke Academy are presently taking an average of 6 or more classes each day. In addition, some students take advantage of the programs at the Concord Regional Vocational Center which prepares students for employment or advanced study in various vocational fields.

Pembroke Academy continues to be fully accredited and approved by both the New England Association of Schools and Colleges and the New Hampshire Department of Education. In the past year, our Vocational, Pre-Vocational, Home Economics, Industrial Arts and Business Departments were reviewed by the State Department of Education. As a result of their review, Pembroke Academy has been fully approved by the State of New Hampshire in each of these areas.

---

In June of 1989, 174 seniors graduated from Pembroke Academy with 29 of our students receiving Certificates of Proficiency from the Concord Regional Vocational Center. Despite the rain, which forced the ceremony inside for the first time in several years, the sun did shine on both graduates and their families.

Pembroke Academy students continue to score above the national average in both the Math and Verbal sections of the SAT. The class of 1989 had an average score of 457 on the Math and 426 on the Verbal section of the Scholastic Aptitude Test.

We continue to be concerned by factors which prevent students from reaching their full potential in school. Many times these factors will lead to a student dropping out of school. Pembroke Academy participated in a year long study along with representatives from our sending schools to investigate: the reasons why students drop out of school, what programs are available to help students before they drop out, how we can help to keep students from dropping out of school and how we can help, when a student does drop out of school. The results indicated that although a number of programs to address the dropout problem are already in place, there continues to be a need for programs which identify potential dropout's at an earlier age and which provide more individualized attention for these at-risk students. JAGS (Jobs for America's Graduates), a program which was started 2 years ago, continues to be a model program in the state. This program works with seniors to help them find successful employment and provides follow-up after graduation to ensure career development. The Opportunity Awareness Program (OAP) is a similar program designed to work with younger students (grade 10 and 11) in the areas of career planning, academic development and job seeking and employability skills. Future goals will center on developing a team to assist students in the transition from 8th grade to high school, providing more opportunities for students to receive tutoring when they are doing poorly in their classes, and providing a summer program which will help students remain focused on learning in a positive, caring and structured environment.

Drug and alcohol use and abuse are two other factors which affect students everywhere and Pembroke Academy is no exception. Substance use and abuse directly and indirectly leads to many serious problems. Through the help of Federal, State and local resources including grant money, we have developed several programs to assist students who have problems related to substance use and abuse. We have also developed student counseling and peer outreach programs to help students understand better the social and emotional pressures which are a part of adolescence today. The devastation substance abuse has on the youth of today is not just a school problem, it is one of the major challenges which faces our community. The community is responding through the efforts of a dedicated group who coordinates the Safe Homes program. Safe Homes is one of a growing number of community based programs designed to provide alternatives to substance use for based programs designed to provide alternatives to substance use for the young people of the area. I would encourage all residents of Pembroke to find out more about Safe Homes and take the pledge to provide a safe and substance free environment for our children.

Once again we are fortunate enough to have international exchange students studying at Pembroke Academy. There are students from Germany, Sweden and Spain at Pembroke Academy this year sharing their culture, language and customs. Our students also have the opportunity to travel the world through school approved trips. This spring students are traveling to England on a trip sponsored and chaperoned by our faculty. This type of activity not only benefits the students who participate but it provides a unique professional development opportunity for the teachers who can share this information with all of their students.

Students are still extremely interested in co-curricular activities and athletics at Pembroke Academy. These activities complement our educational programs and constitute an important and exciting part of student life at Pembroke Academy. Students have a wide variety of activities from which to choose. From the Outing Club to Student Senate and the Latin Club to National Honor Society there are activities representing many student

---

interests. Significant student achievements included award winning and published writing and art work, participation in youth leadership seminars, state elected student officials, a successful Thanksgiving dinner for senior citizens, students selected to All State music and drama groups and student participation in the summer honors program at St. Paul's School.

Our Horticulture students competed and excelled in many state and regional competitions, the Quiz Bowl Team competed and placed high against some of New England's best schools and our Student Senate organized two tremendously successful blood drives which generated over 200 pints of blood for the American Red Cross. The science department held an energy fair, a Pembroke Academy student was named queen of the Concord Area Kiwanis Fair, and several Pembroke Academy groups visited area elderly and nursing facilities to help brighten the day for these sometimes forgotten members of our community.

Winter Carnival, a growing tradition at Pembroke Academy, was one of the highlights of the school year. Students and staff joined together to bring some fun to Pembroke Academy during this sometimes dull mid-winter period. In the spring, students participated in a workshop day which focused attention on the people who suffered during the Holocaust. Pembroke Academy Drama Club co-hosted the State Drama Festival and gained statewide recognition.

This year, in an effort to recognize all of the positive contributions our students make to the school and community, we instituted a Students of the Month program. Each month students are nominated and selected by the faculty and awarded for their accomplishments.

The Whittemore Chapter of the National Honor Society inducted seven new members this year. This is another way students are recognized for their academic achievements. Students must uphold the highest standards to maintain their eligibility and membership in this prestigious student group.

Once again Pembroke Academy students displayed their talents at the Christa McAuliffe Education Festival and one student was recognized for her contribution in the American Legion Oratorical Contest at the local, state and national level.

Pembroke Academy athletics has enjoyed continued success measured both through participation and accomplishments. Participation was good in all sports and each team played competitively. Pembroke Academy was the recipient of the Capital City Trophy for the highest combined winning percentage in all sports during the 1988-89 school year. The Boys' Varsity Basketball team has been very successful this year. In the first game of the season, Matt Alosa became the 8th player in Pembroke Academy history to score 1,000 points.

Athletic teams and physical education classes at Pembroke Academy will benefit for years to come due to the generosity and hard work which resulted in our new athletic fields and track. We now have a beautiful facility which consists of a newly constructed baseball field, softball field, field hockey field, soccer fields, track and parking lot. This project caused some temporary inconveniences, however through the scheduling work of our athletic director, Mr. Ed Cloe, and the positive and cooperative efforts of our coaches and athletes we will make the transition to our new facilities. I would like to thank everyone at Pembroke Academy and in our community who helped to make this project a reality for our students.

Once again, it has been a very busy year for us at Pembroke Academy. I would like to thank the people of Pembroke for their continued support of education and Pembroke Academy. I would also like to thank the staff at Pembroke Academy and SAU #53 for helping to make this busy year run more smoothly. We are very fortunate to have such dedicated professionals working in our schools. I am very appreciative to the Pembroke School Board for their support and their confidence in continuing to allow me to serve the community. I am also very proud of the students of Pembroke Academy for the pride they have shown in the school and themselves. All of this and more makes the future look bright for Pembroke.

Respectfully submitted,  
George H. Edwards, Headmaster

---

# Pembroke High Street School

## Principal's Report 1989

The Pembroke High Street School serves students in grades six, seven and eight. Young adolescents have a wide range of differences in emotional, social, intellectual and physical growth. The program at the High School addresses these areas.

Challenging but realistic standards are set to help students strive to meet their full academic ability. Study skills re presented to students by all staff at the beginning of the year to teach ways to successfully organize, do homework, study for tests, etc. Students in all grades are offered educational experiences in core subject areas: English, reading, math, science and social studies. District-wide curriculum committees regularly meet to establish material that will be covered.

It is especially important for young adolescents to have the opportunity to explore many areas of learning. At this age students rae developing many new interests and abilities. At High Street courses are offered in art, library, music, physical education, computers and French (for 7th and 8th grade students). The music program offers band and chorus for interested students as well as general music instruction. Our computer lab has fourteen computers and classes are given by our enrichment teacher and several staff members. Students lern the history of computers, how to use computers and basic programming. After three years of instruction, students complete the state requirement for computer instruction.

Exploratory classes re offered four times throughout the year for all students. These activities give students the opportunity to experience new areas and use their emerging abilities. Activities offered by all staff include photography, rocketry, gingerbread house construction, candy making, leather working, cross country skiing, downhill skiing, ceramics, juggling and story telling.

Writing instruction has been emphasized. Students do a great deal of writing and we have seen a great improvement in their ability and desire to communicate in a written form. Two school publications, a school newspaper and a school literary magazine, are popular and provide avenues for students to publish their writing.

Reading instruction emphasizes both skills and student selection of individual books. REading is encouraged by all staff both as a method of enjoyment and as a tool for learning. Many reluctant readers find that they enjoy reading at High Street. To promote reading we have tried to maintain a good selection of books in the classrooms and library.

Math has been our district-wide curriculum focus during the past two years. We have a written curriculum covering grades K-12 to ensure that skills are covered in a proper sequence. At High Street, students are able to take standard math courses as well as pre-algebra and algebra. Students are helped to develop confidence in their math abilities as well as to develop their skills. A math club has drawn much interest from students. The club competes once a month against schools from the surrounding area.

Science and social studies both help students to develop skills and learn about the world around them. At High Street, the subjects are taught as much as possible through active student participation. In social studies this is often through simulation activities. While in science students learn through experimentation. This teaching approach encourages student learning and enjoyment. To use a participation approach, we must have adequate teaching space for student movement. This is a problem at High Street due to science rooms that are small and not equipped for experimentation.

The sixth grade serves as a transition year for students. Sixth graders receive the same curriculum opportunities as 7th and 8th grade students but spend a greater time with fewer teachers. This helps students to gradually develop the ability to work with more people in their learning. In the spring, sixth graders attend an environmental camp for three days.

Special services are available for students with special needs. Included in these services are guidance and counciling, resource services for learning disabled, self-contained classes, speech, Chapter I tutoring and educational testing services. Our guidance program has several aspects. A guidance counselor is available for individual and

---

group counseling. He also teaches classes in personal development to all students. This maximizes his ability to provide assistance to all students. In addition, an advisor-advisee program exists in which teachers serve as advisors for students. Teachers meet with their advisees weekly and discuss topics common to young adolescents. Conferences are held twice yearly by advisors with parents.

Health classes are offered to all students by our physical education teacher. Early adolescence is a time when students experience sudden growth spurts and body changes. Health issues such as drug and alcohol abuse are of concern to them. It is important that students receive correct information and have the opportunity to discuss health issues. We currently have one person to offer health courses and physical education classes. A nurse could be incorporated into such a program, but nursing time is a serious need at the High Street School. We currently share a nurse with the Hill School. Due to the large student population at the Hill School, we only have the services of the nurse at High Street about 1½ hours per day. This is a problem not only in the area of health instruction but also in the area of providing services for sick and/or injured students.

A focus during the 1989-90 school year has been helping students see how the learning in their various subjects interrelate. Students see subjects as separate courses without any connection. The staff at High Street has spent time discussing and planning ways in which units could be offered that tie together various subject areas. Two areas of interdisciplinary study are environmental studies and the study of space. All subject areas simultaneously studied different aspects of these same topics. The student then held an evening to display results of this study for parents.

A variety of interscholastic sports are offered at Pembroke High Street School for boys and girls. Included are soccer, basketball, cheerleading, baseball and softball. Basketball and gymnastics are offered as intramural sports.

Other after school activities and clubs vary from year to year depending on student and staff interest. Some activities offered have been math club, art club, cooking club, student council and yearbook.

An active student council meets weekly. Each class sends representatives and officers are elected. The council plans social functions and discusses issues that affect student life at High Street. The council also is a service organization and each year raises money that is donated to charity.

An art and computer class were offered by High Street staff during last summer. Both classes were very successful. Students had the opportunity to spend up to three hours per day in two week sessions working in these areas.

The enrollment at High Street School has remained fairly constant for the past few years. Next year the entering sixth grade class will have about 100 students, about 30 more students than the departing 8th grade class. Our enrollment will continue to rise in succeeding years. Since all space at the High Street School is currently used, we will need more space for our additional sixth grade class next year. Lack of space will continue to be an issue each year as our enrollment continues to grow.

The P.A.L.S. (Pembroke Action League for Schools) group has provided support for cultural events that we offer students. Our artists in the school program has received monetary support that is greatly appreciated.

The staff at Pembroke High School is committed to offering a varied and challenging program for students. We are concerned with the success of all students.

I would like to thank Dr. Paul DeMinico, our Superintendent, and the staff of the Central Office for their encouragement and advice. I also want to thank members of our School Board, parents and community members for their support of education in Pembroke.

Respectfully submitted,  
Allen Zipke, Principal

# Pembroke Hill School Principal's Report 1989

Enrollment is still increasing at Pembroke Hill as we head into the 1989-90 school year. At this time (January, 1990) we have 632 students enrolled and more are on the way.

While this does present us with some concerns in the area of space and class size, youngsters are very happy and excited to be in school. The diversity in the way the staff presents the educational program continues to be one that is challenging and geared to the student's individual needs and processing skills.

This year four of our five third grade classes are held in the modular buildings near the playground. These classrooms are only 529 sq. ft. compared to the recommended 900 sq. ft. Therefore, we have tried to keep the class size to 20 students in each room. This allows the teachers flexibility in their teaching methods so students can have hands on presentations as well as teacher directed whole class instruction. For children to be able to expand the way they develop their assignments, they need room within the classroom to move about and work.

During this school year, our staff continues to be involved in course work to keep abreast of current issues and the methods of teaching. Within the building, staff has been involved in committees working on areas of science curriculum, math curriculum, discipline policy, screening for the six year olds that are entering the school program and visiting and researching programs in other schools that may allow even more latitude in our ability to deal with the extreme developmental stages of learning.

Students continue to be involved in many activities during the school year. Kindergarten and readiness have shared their interests in learning to read by visiting each other in their classrooms. In the fall, they visited the apple orchards, picked apples and returned to school to learn about all the good things you can do with apples.

First grade children have been busy writing and publishing stories. For the first time they were able to bind their books with the book binding machine purchased for the youngsters by the PALS organization. First graders visited the Concord Hospital and adopted a baby, received a picture of the baby and returned to school to write a story about their new friend..

Grade 2 students were busy in the fall with their annual harvest dinner and went caroling through the school during the holiday season. Once again they are looking forward to their tour of Pembroke as part of their study of the history of Pembroke.

Grade 3 students continue to get very excited and involved in their fall bird unit. They visit the Squam Lake Science Center and learn about birds of prey and then come back to school to dissect owl pellets. This unit has parked children's interest in hawk watching as they follow the migration of the hawks in our area. As we move into spring, third graders will turn their attention to Odiorne Point and tide pooling.

Grade 4 spends a great deal of time on the history of New Hampshire. To culminate this study, the students visit the State House, take a trip to Heritage and a trip to the White Mountains to explore the Flume and the Old Man of the Mountain.

Once again, fifth graders began the year with their annual egg drop contest. Each year they have to design a 6 x 6 inch container that will protect a raw egg from breaking when dropped from various heights. Once they work up to the highest drop point at the Hill School, they take a trip to the Bow Power Plant for the 300 foot drop. This year 30 eggs survived the contest. During the fifth grade Indian Unit, the students did an excellent presentation of Indian Tribes and customs to the rest of the school. Projects were excellent and the students will display some of them again in the spring.

---

Student Council is very busy this year, an induction ceremony was held in December for students, parents and friends. Officers are: President, Adrienne Johanason; Vice President, Cheri Dollar; Secretary, Megan Carroll; and Treasurer, Lindsay Zeaman. They are presently opening a school store for all the youngsters to purchase pens, pencils, erasers and such. Students are busy putting together the 1990 Penguin Pride (memory book) and can be found taking pictures around the building of the various activities students are involved in. The Memory Book co-editors are Trois Little and Jessica Weeman. I would like to thank staff members Betty Cate and Lucy Constantine for being advisors to the Student Council and Jo Ann Menard for being advisor to the Memory Book. Ryan McCollough, grade 3, was the winning artist for the cover design of the 1990 Penguin Pride. On behalf of the students, I would like to thank Katy O’Gorman, art teacher, for making the final draft of the cover design.

This year the ski program includes students in grades 3, 4 and 5. Seventy-two students were able to be a part of the 1990 “learn to Ski” program held at Pat’s Peak. I would like to thank the staff and parents for helping with this program. Without their support the program would not be possible. Grade 3 teachers — Nancy Beaudry, Carol Curtis, Susan Mitchell, Bev Sarapin and Sandy Valine; grade 4 teachers — Betty Cate, Sophie Guiliano and Judy Todd; and grade 5 teachers — Julie Raduazo and Nancy Vaughn presented programs at school to students unable to participate in the Ski Program. The following staff were involved in supervising the program: Lorry Gagne, Ginger Lister, Lucy Constantine, Laurie Hill, Pat Gaynor, Kevin Wason, Kristen Dougherty, and Mary Rosenthal. Parents chaperones were: Nancy Musil, coordinator of the program with the principal Ellie Harriger; Bruce Baron; Gary Grund, Marjo Hebert, Kathy Cruson, Brenda LaFratta and Gerry Gaynor. A special thank you to Karin Fudala, Pauline Ginn, Robin Erskine and Cindy King (student teacher) for helping at school so our staff could work with the students.

We have had some very exciting assembly programs for the students this year. In the fall, NASA presented a program on space that the students enjoyed tremendously. In December, the Pembroke Academy band and chorus presented a Holiday Concert. In February, an acting group from Maine worked with three of our fifth graders to present the play “Indian in the Cupboard.” In May the students will see a performance by an African Folk Dance Group provided in part by the PALS Organization.

I would like to thank the PALS Organization and Mary DeStefano for their continued support and involvement in our school. They have been very helpful in bringing into the school various activities and programs that are above and beyond the regular program. On behalf of the students and staff, thank you very much Mary, PALS and parents.

A great big thank you goes to our many parent volunteers working in our building daily. A special thank you to Connie Todd and Allison Montwill, parents and Bev Sarapin, staff member for coordinating this program. It is always nice to see teachers and parents working together to provide students with extra support when needed.

I would like to thank everyone who works at the Pembroke Hill School, teachers, teacher assistants, school lunch workers, custodians, secretaries, bus drivers and assistant principal, Susanne Whitbeck for helping all the students at our school learn to become very active and worthwhile citizens of our society. It is your on-going, daily dedication to children that makes our school a “special place” for all who enter.

The support of Dr. Paul DeMinico, superintendent and his staff, Kathy Conlin and her staff, Janet Snyder and her staff and the Pembroke School Board continues to be very appreciated by the students, staff and myself at Pembroke Hill. It is nice to know we have such caring and concerned people behind children as they work so hard to become adults.

Finally, I would like to thank everyone in the Pembroke community for the opportunity to be the principal at Pembroke Hill. We have grown tremendously over the past 10 years, in curriculum, ancillary programs, space and size. Each year continues to be exciting and challenging. Your children are very inquisitive, involved, busy, happy and a pleasure to be with. Thank you for sharing them with me.

## Graduates of Pembroke Academy 1989

### Allenstown

Melissa Ahearn  
Brenda Belanger  
Kari Bernier  
Any Bissonnette  
Criss Bubacz  
Lisa Ann Camelo  
Anthony Cantara  
Stacey Chouinard  
Eric Descoteaux  
Paul Dlubac, III  
Michelle Dupont  
Thomas Frawley  
David Gifford  
Melissa Holmes  
Jerel Johnson  
Anthony Leeds  
Lisa Longchamps  
Matthew Martel  
Valerie Merrill  
Billi Murray  
Scott Nadeau  
Eric Olmstead  
Donna Rauseo  
Melissa Raymond  
Karen Remillard  
Pamela Reynolds  
Christine Rollins  
Chuck Sargent  
Daniel Stone  
Christina Theriault  
Paula Venne  
Frederick Vezina  
James Wilcox

### Chichester

Tammy Baker  
Ralph Booth, II  
Michelle Brackett  
William Clark  
Christopher Egan  
Robert Guay  
Sandra Lingner  
Shawna Locke  
Gary Marston  
Rebecca Mayville  
Jenny Morrill  
Jeremy Murray  
Christine Presby  
Danielle Provencher  
Ingrid Rauter  
Wendy Thibeault  
Gene Titus  
David Whitcomb  
Scott Whitcomb  
Pamela Wilcox

### Deerfield

Gretchen Arnold  
Danielle Beaulieu

Cathy Bugnacki  
Jerome Corliss  
Kathleen Johnson  
Judith King  
Robin Lewis  
Jessica Publisi  
Stephanie Robinson

### Epsom

Helena Ahlin  
Melissa Aikins  
Melissa Baker  
Albert Beaudoin, Jr.  
Kris Bellerose  
Arthur Bouchard, Jr.  
Allison Boyd  
Michael Breagy  
Timothy Burritt  
Christine Carter  
Jessica Claris
