REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Strafford:

The September 1953 organization of the schools was as follows:

II	14	Center	
III	8	Bow Lake	Mrs. Martha Z. Bennett

VI	13	Crown Point	
Total	95		

—

This is an increase from last year of over 6%.

School	Pupils
Austin-Cate Academy (Grades VII and VIII)	23
Austin-Cate Academy (Grades IX to XII)	29
Dover High School	10
Total	62

The following figures show the estimated enrollment in each grade for the next five years, not allowing for repeaters:

Strafford and Northwood, the only districts in Supervisory Union No. 44 giving examinations to under-age children for admission to Grade I, have decided to discontinue this practice. Beginners must be six years old by the following January 1, in order to enter school in September. By act of the last legislature, the compulsory school attendance law has been extended to cover ages six through sixteen. Lee has joined the Oyster River Cooperative District, No. 2, and will be replaced in this union by Milton. Strafford entertained the Joint Board of the union at Austin Hall, December 29.

The Trustees of Austin-Cate Academy have offered to reduce the tuition rate for Grades VII and VIII next year from seven-eighths to three-quarters of the high school rate. This will result in an estimated annual saving to the district of over \$1,050.00. The Academy was again host to the annual Field Day in June, under the direction of elementary physical education teacher Mrs. Holloway. Mr. Viggiano kindly assisted by operating his own tape recorder to furnish music for the marching and formations.

At the last annual district meeting, a special committee was appointed to investigate the prospects of a new elementary school. They have visited other buildings and inquired as to costs. Articles have been placed in the Warrant for this year's annual meeting, and a figure has been placed in the budget by the school board for this purpose.
