SUPERINTENDENT'S REPORT

To the School Board and Citizens of Swanzey:

I have the honor to submit, herewith, my tenth annual report.

BUILDINGS AND GROUNDS: Under articles 8 and 9 of the warrant, the District voted \$1,000 to provide additional play-ground space and fence for same, at East Swanzey and Westport Schools. The Board carried out this mandate, graded and seeded the East Swanzey grounds but was unable with the funds available to grade all of the Westport property. This land should be further improved as soon as money is available. At the Cutler School, we had 175 pupils using an outside toilet. With the proceeds from a gift to the School District by Chloe Ayers, in memory of Daniel A. and Caroline L. Holbrook, and with funds on hand, the Board installed flush toilets and drinking fountains in that building, to the great improvement to the health and comfort of all the pupils. There are other grievous sanitary problems of this sort to be attended to just as soon as funds are available. Our first concern should be to correct the situation at East Swanzey.

In March and April, the buildings at the Factory and West Swanzey were painted with the use of C. W. A. Funds, the School Board furnishing the materials and the C. W. A. furnishing the labor.

I called attention last year to the necessity of remedying the heating situation at the Factory. It was necessary to enlarge one of the rooms to provide space for the enlarged enrollment. Upon careful examination, it was found that the heaters were practically useless and not sufficiently large to heat the building.

There was only one thing to do and that was to install a proper heating plant. The funds at the disposal of the Board did not contemplate a new heating plant and this accounts for Article 8 in the warrant.

At the Westport School, the three-way lighting was corrected by placing the windows all on the left and the rear. This building should be painted this summer.

TEACHERS AND PUPILS: Again there was only one change in the teaching staff. Late in the summer, Miss Gladys MacNabb resigned as teacher of the Primary room at East Swanzey and Miss Lillian Burt of Stowe, Vermont, was secured to fill the vacancy. Miss Burt studied two years at the University of Vermont and finished her training with two year's work in Miss Wood's training in Minneapolis, Minnesota. The schools have been maintained at their customary level of high efficiency. The pupils entering high school are reported to be well equipped for their work. At Keene High School this year we have had 99 pupils and the rate of tuition is \$61.61. The teachers this year have been contributing 5% of their salary to the relief fund.

I think it is well to have in mind the per capita cost of education in Swanzey as compared with the median cost in the state. For the year 1933-34, the median cost per pupil in New Hampshire for elementary schools was \$72.47: In Swanzey for the same year \$36.26 or just about one-half of the median cost of the state.

HEALTH: Under the able direction of Miss Maxine Rogers, the health of the children is carefully guarded. A dental clinic is in progress now, the work being performed by Dr. Harvey Grimes. Several children have been treated for adenoids and tonsils and some have been fitted with glasses. In this connection, I wish to include a letter recently received by Dr. Hopkins.

"My dear Dr. Hopkins:

Under the Child Recovery Program in New Hampshire, two children were cared for at the Elliott Community Hospital for

tonsilectomy operations. Nine pre-school children attended dental clinics with 28 corrections made, including extractions, cleanings, fillings and treatments.

I would appreciate having this report entered in the yearly report as a State Board of Health activity, under the Division of Maternity, Infancy and Child Hygiene.

Sincerely,
ELIZABETH H. CARRIEL."

In conclusion, I desire again to express my hearty appreciation to the School Board, to teachers and pupils alike, and to the citizens of Swanzey for their loyalty and cooperation in the task of educating the youth of the town.

Respectfully submitted,
WESLEY H. DOUGLAS,
Superintendent of Schools.
