*Our Principal,  
Mr. H. L. Ward*

*In my first message through the Rebelogue to you, the students of Riverside, I should like to express my happiness over the opportunity I have had to be associated with you. I found all of you most friendly to me, a newcomer. I have enjoyed working with your Student Council and with other student organizations. I have been impressed by your ability to take charge whether in planning and running a student function or in pursuing your formal education. I have high hopes for your success in the future and look forward to playing some small part in your achievements here in the school.*

## *Our Vice-Principals, Mr. Rogin...*

The school year 1969-'70 has seen many changes at Riverside S. S. - some of which included the changes in faculty and administration.

All these changes have been effected smoothly and with continuity. The "school" has functioned well and in a most orderly fashion.

You, the students, have changed somewhat too. Hair has become longer, skirts have become shorter, beards and moustaches have appeared where none appeared before. Approval has been asked for by the Student Council and given by the administration, for our females to wear dress slacks. In the words of a great scholar whose name I have forgotten, some

girls did not ask themselves the question, "Does the 'end' justify the 'jeans'?" We in administration merely have shrugged our shoulders and said, "so what".

However, the changes I deplore are these. I find that many students have now taken quite a blasé attitude to studies, responsibility, and school spirit. A certain core few will and have given of themselves along school activity lines. Others say, "Let Joe do it." Too many have the attitude that you're "square" if you take part in activities around the school.

Cheerleaders have trouble getting, what few spectators come to hockey, football, or basketball games, to cheer their team on - my apologies to those who support and cheer our teams.

However, you teen-agers are not all that way. A "tip of the topper" to those who recognize their responsibility to themselves, their parents and their school. Keep up the good work, the good spirit you show and Riverside will continue to be a leading light among schools of the Windsor System.

Mr. W. Rogin

A message from this office to the student body must, of necessity be brief. I have had little opportunity to become well acquainted with the majority of you. This is one of the occupational hazards of the position. Probably, I have become too well-known to a very few of you. This is also an occupational hazard.

## *...and Mr. Jenkins*

I have been very impressed with you as a student body. With few exceptions, you make an excellent impression on visitors to our school. You have great potential to make your total secondary school experience rewarding and ENJOYABLE. I suggest that these years can be both, if you are prepared to accept this fact of life - there is no recipe for instant perfection - in society, in administration among teaching staffs and most significantly, among you, the student body.

To the graduates, may you find your own Nirvana. To the undergraduates, may you achieve, in the future, the degree of success which you deserve.

Mr. G. Jenkins

## Editorial

This yearbook is dedicated to Riverside Secondary School 1969-'70 - to you, the people who made up Riverside. We, the Rebelogue Staff, tried from the start to create a book which embodied all aspects of this school, whatever they would be. Unfortunately, your lack of interest and cooperation made this very difficult. We cannot possibly portray something which is not there. Remember this when you criticize this book and ask yourself, "What did I contribute this year?"

This school needs your support and involvement in all the activities it presents to you. None of them, including yearbook staffs, can exist without your support. Therefore-Get Involved!

I feel a need to see your face,  
 To hear your voice,  
 Touch your hand.  
 Without communication  
 I'm lost,  
 Because we're  
 One.  
 Your face is in my mind,  
 Your voice in my throat,  
 Your hand on my arm,  
 Because I'm  
 You.

Nancy Grimes

They tell me that  
 A poet  
 Leads a lonely life.  
 But then how should I know?  
 I've nobody  
 I can ask.

LiLac

Standing in an orange cocktail  
 Meditating on a flag,  
 Behold all ye the incense maker  
 Trying just to do his bag.

Discussing problems with a cornflake  
 Telling stories to a wall.  
 Behold ye little incense maker  
 Listen while I start to fall.

Behold a nebulae my maker.  
 Listen while fish try to sing.  
 O perverted incense maker  
 How's about if you be king?

Little maker's drunk his orange  
 Flags and cornflakes are in bed  
 Nebulae and fish are sleeping  
 But the tiny incense maker's dead.

LiLac

It's dead.  
It wouldn't grow.  
Today, or rather tonight,  
I planted a piece of incense  
In hopes that as it burned  
It could purify some of the bad  
In the world.  
But instead of cleaning out evil  
It just burned away  
And left a brown mark in the grass.  
And perhaps it left a faint scent  
In my back yard.  
Perhaps it blew away  
I can't tell.  
I don't smell that good.  
Maybe my dog can smell it.  
Maybe he can't.  
Anyhow it's dead now.

LiLac

I can only give today.  
Tomorrow is beyond my grasp,  
Yesterday is past.  
I can only give you today.

LiLac

Is it fair that I should lie  
all alone beneath God's sky?

Let me feel your tender touch,  
my heart longs to join with thine.  
O hold me close, I want you much,  
for you my soul doth pine.  
Very sweet, your lips may be,  
they look to taste like wine.  
Ever more, in time, to see  
me to yours and you to mine.

Yet all too soon I realize,  
for no time's late enough,  
Of all the loves that pass an eye,  
love starts where love's so tough.  
Up above is God's blue sky,  
Below, unloved, alone, I sigh...

Time goes on in endless streams, flowing and filling our lives with bars and restrictions we watch the clock and continue;  
 Why do we let those two insignificant hands latch onto our throats to choke and eventually strangle our lives while we struggle to keep up?

She cuts the shades of grey.

No land, no waves, so still 'tis below her breast,  
So grey with no place to nest,  
Soars the solitary gull.

Rain, O so gentle rain, how silently it falls  
And ripples the smooth waters below.  
The cold droplets wet her heavy growing wings but still she sails,  
That solitary gull.

As life prods on in this grey, smokey world, with not a

Each one of us looking up, each one of us seeing

RED IS .....

Red is a noisy brawl, a loud angry clamour. Red  
is the pounding voice of an ugly, driving politician.  
Red is swords gashing, cars crashing, brains

sweet song of a lark sounding across an open  
meadow or the soft words of passionate lovers.

- - - - -  
Red is the fire from hell, the heat of a sinner's  
eternity. Red is the painful radiance of too much  
sun on a scorching summer beach. Red is also the  
soft, velvetine petals of a plush, sweet rose.  
Red is the warming touch of someone so near.

Red is hate. Red is anger. Red is bloody and fierce.  
But apart from these things, Red is a wonderful  
feeling inside, a feeling so very hard to describe.

RIVERSIDE HARRIERS RETAIN LAURELS IN WSSA SENIOR EVENT  
 Gary Bodnar, Munt, Chris Bowman, Randy Johnston, Bill McLee

## Rebels roll, but watch Clippers

Riverside Secondary School still has the top Windsor Secondary Schools Association senior cross country team but Kennedy Collegiate, a track school on the rise, may soon become its suc-

three and three quarter mile senior rout. It was the Riverside team on their near Massey Second allowed them to win the championship this year.

### Riverside recaptures WSSA lead

Riverside Rebels rebounded in the final two periods of Tuesday afternoon to take over sole possession of first place in the Windsor Secondary Schools Association hockey league.

Rebels (8-2) overcame a 2-0 first-period deficit to nip Brennan Cardinals (6-4), 5-4, at the Riverside Arena and move two points ahead of Assumption Purple Raiders (7-3) in the fight for the pennant in the six-team circuit.

Bill Salzer, Randy Tripp and Nick Natyshak scored in the second session as Rebels clicked for three unanswered goals to assume a 3-2 lead. Riverside's Jim Palmieri and Bob Barlow then snapped a 3-3 tie with tallies four minutes apart in the third period.

Russ Britton and Jim Ryall shot Cards into their penalty box.

Labaj (4th), Mark Bonhar (5th) and Terry Honchar (10th) combined to accumulate 22 points.

Keith Archer ran second pace the Kennedy team was charged with 23 minutes and 41 seconds.

Riverside Rebels and Assumption Purple Raiders are slowly moving ahead of the rest of the pack in the Windsor Secondary Schools Association hockey league. Rebels (9-2) and Raiders (8-3) moved five and three points, respectively, in front of Brennan Cardinals (6-5-1) and Herman Cardinals (6-5-1) with Green Griffins (6-6-1) in the only two games Saturday night.

Seven players shared the goals as Riverside slapped cellar-dwelling Kennedy Clippers (0-11), 7-1 and goalie Ed Mio celebrated his 16th birthday with his second shutout of the season as Assumption Windsor Cards 3-0 in a pair of Arena battles.

Nick Natyshak, Dave Batten, Don Jim Palmieri, Bill Salzer, Don Anger, Kerry Best and Dan Sole clicked for Riverside. Dan Hood counted the victory marker.

## Riverside, Assumption move ahead

## What's this week

**Riverside**  
 Zounds! Last week Riverside Secondary School saw its arch-rival, Brennan High School, overturned, squashed, uprooted, and badly defeated in sensational WSSA action. On Friday night the Cardinals B-ball team met the Rebels at Riverside in the most surprising game of the season when the Rebels, second last team in the east, overthrew the Cards, first in the east.

Even more important, though, was proof of what the friendly rivalry between our schools and the spirit resulting from it can lead to. The Rebels fans so the Brennan fans so the doors had to be closed at the peak of the crowd of students couldn't have done it.

Once upon a dimension, there were three space monkeys. During the seasons of 1969, the 8th realm, 5th dynasty of the whole - (so named earth or stomping grounds of the primate man) and throughout the age of Aquarius, a task was provided for them. They hastened to spread unto their brotherhood, the proverbs of a white new-born cultural experience. Little had the porous minds grasped of the entities placed before the very vision of their sight. Seemingly, solidly encompassed throughout the total of their experience, lay the words of the martyred journal, the "Utopian". As the life was spent from within its framework, Derek, John and Brian stopped, with the hope that the vigil would always remain and that the essence of the Utopian tablets would never cease. Finally, the space monkeys sought after new worlds and new orbs around which to revolve, in order to attain the final goal and delve eternally in the everafter void.

# R.S.S. Concert Band

After two years of hard labour, the band was finally rewarded by the arrival of the long-awaited gold blazers. Our uniforms consist of white shirt, black tie, gold blazer and black skirt or pants. Our uniforms have contributed a great deal to the spirit and general feeling within the band, aside from making us the best-dressed high school band in the city. Our "Winter Wonderland" concert during the Christmas season, was a great success - thanks to Mrs. Hanley who had to leave after the first term. We are all very grateful for the many hours she gave to the band, teaching and working with us towards a better sounding group.

Mrs. Hawrish, our new conductor has been rehearsing with us for the competition in the Chatham Music Festival. After our successes last year, many more of us will be competing in the festival this year, in solos, duets, quartets, and large ensembles. The festival is in February and from the sound of it, Mrs. Hawrish will have us ready to put on a pretty good show again this year.

The band is constantly working to produce better music and an organization which Riverside can be proud of.

The Rebels had high hopes at the season's opening. From the opening kick-off against Assumption, they marched all over the Raiders and penetrated deep into the opposition's territory only to be thwarted. From that moment on, it was all downhill. Disaster struck, Dave Voy, our prize All-City choice sustained a severe knee injury. This loss was compounded when Rick Aytoun's valuable services were lost and by Craig Johnson, who was hampered throughout the season with a bad shoulder.

Without these key players, plus many other injuries, the Rebels lacked the inspiration and drive to play over their injuries. The result was their disappointing 1-5 record. The bright side of the season had to be the 1st Team All-City and 3rd Team All-City picks, Max Dotterman and Craig Johnson, respectively.

Wishes for a more prosperous season  
Kevin Weir

## *Juniors*

**KNEELING:** John Wellington, Chris Gagnon, Cam Falls, Glen Carroll, Steve Lauer, Warren Kell, Dan Marrin, Paul Nicole, Darryl Sabo, John Goodfellow.  
**STANDING:** George Russell, Rick Williams, Kirk Weiko, Dave Joinville, Paul Dumouchelle, Larry Acchione, Captain; Mike Kuta, Assistant Captain; Charlie Rondot, John Klein, Bob Tracey, Bob McKenzie, Bruce McKenzie, Keith Devlin, Chris Berthiame.  
**CHEERLEADERS:** Joanne Berry, Mary McGrath, Pam Seguin.

This year, our Junior Team had a pretty good season even though we didn't make it into the W.S.S.A. finals. We won half our games in league competition and we won the Essex County trophy again. An injury in the first game made us lose our power runner Chris Smith, but Kirk Weiko took over Smith's spot and did an excellent job. Other standouts for the team were lineman Paul Nicole and wingback Larry Acchione.

The entire team would like to thank our coaching staff which consisted of Mr. Snyder, Mr. Parsons, Mr. Frank, and Mr. Geary. These four gave up their spare time to make this year's team a successful one.

## Seniors

LEFT TO RIGHT: Clyde Munt, Chris Bowman, Randy Johnston, Bill McLeod, Gary Bodnar.

This year the Cross-Country teams were very successful as they have been in previous years.

The Midgets are the up and coming team at Riverside. The team was supported well by Paul Albu, Kirk Billinghamurst, Bob Fazecash, Steve Murdock, Tim O'Neil, Darryl Sabo, and Geoff Vernon. This year the boys finished third in the Windsor Meet and also in the South Western Ontario Meet.

The members of the junior team, John Andrew, Andy Comber, Peter Kelton, Karl Klapowich and Bill Paterson, also had a fine year. They finished fifth in the Windsor meet and a surprising second in the South Western Ontario meet.

The big story this year concerned the senior team, which consisted of, "Dancing Gary Bodnar, Carnival Chris Bowman, Mighty Mice Munt", and M'cLeod along with Randy Johnston and Kevin Weir. At Windsor the boys established a new record by finishing a perfect 1, 2, 3, 4. At SWOSSA, the senior team also finished first with a total of 11 points. This qualified the team to go to Toronto where they placed tenth out of 25 teams. Two members,

Bill M'cLeod and Clyde Munt, were fortunate enough to go to Vancouver to represent Southern Ontario in the All Canada Cross-Country Meet.

By the way, the senior team won the annual foot-hamburger game by a forfeit. They now lead the series (54-0).

## "OVER THE RAINBOW"

Last May, our school held its annual prom - this year's theme being "Over the Rainbow". Sue Rogers reigned as the new queen and was attended by princesses, Pat Kelly, Adine Rogers, Wendy Barron, Kathy McGrath, Dodi Mahony, and Kim Fellows. Beautiful decorations created a "make-believe" atmosphere and the entire evening was a great success.

### U. N. TRIP TO NEW YORK

BY: LIZ MACDONALD

It was a great honour for me, this past November, to represent Riverside on the trip to New York to visit the United Nations, sponsored annually by the Windsor Board of Education. There were thirteen of us in all, twelve girls from the different high schools in Windsor and our chaperone, Mrs. Dunlop, principal of Alicia Mason.

We started our big adventure one Saturday morning last November. We all congregated, said our last good-byes, and promised our mothers we'd be good girls at Detroit International Airport. And then we were off . . . to spend four wonderful exciting days in New York City!

We landed at La Guardia Airport mid-afternoon. The drive from the airport to the Y. M. C. A. where we were staying was something I'll never forget. The Empire State Building, Macy's, Madison Square Gardens (which isn't square at all but rather is round!) - I was seeing for the first time places I've read and heard about for years.

The "Y" we stayed at was in a perfect location. . . one block down from Macy's, two blocks over from Gimblis. It didn't take long for us to get settled. After singing "O Canada" a few times in the lobby, everyone seemed to know us. The rest of the afternoon we spent exploring and that night we went to the Radio City Music Hall. It was a beautiful theatre with huge chandeliers, mirrored walls and a sweeping stairway.

Sunday we spent the day sight-seeing. Lincoln Centre, Central Park, St. Patricks Cathedral, Broadway. . . by supper our feet knew every sidewalk on Manhattan - or at least they felt that way! We relaxed over an exotic dinner in Chinatown, and then proceeded to buy out all the tiny shops. Bowls, beads, flowers, and kites - all sorts of Far Eastern rarities, made in Japan of course!

Monday was United Nations Day for us. In the morning, we were taken on a tour. We visited the General Assembly, Security Council and many other minor chambers. The Canadian Delegation hosted us to a lovely dinner in the Delegates Dining Room. It was quite an honour for us to eat with the distinguished delegates from all parts of the world. After lunch we were invited to the Canadian Mission. Just as we arrived, Tommy Douglas was leaving. It was a real treat to talk for a few minutes with one of the Canadian delegates. It was fascinating to hear about the U. N. and Canada's role in it. We returned to the U. N. and sat in on a couple of the committee meetings. We sat in on the General Assembly as well, and listened to some varied and interesting debates on Red China's admission to the U. N.

We had time enough for a quick bite to eat and then it was off to Broadway to see "Hello Dolly". Pearl Bailey and Cab Calloway were marvelous. After the show, Pearl Bailey did a few extra numbers. She was perfectly charming and made it a real night to remember. We all fell in love with Broadway at night- the bright lights, flashing signs and gay people- it didn't all seem real!

Tuesday was a busy day filled with last minute shopping and sight-seeing. Before leaving for La Guardia to catch an early evening plane, I took a trip on the Staten Island Ferry. It only cost a nickel, and what a magnificent way to see the New York Skyline! The whole trip was worth it, if only for the boat ride. It was the perfect way to wind up the trip and say good-bye to New York, that city of all cities. It's big and it's cold and it's lonely, that's true, but New York has a magic all its own and we were all caught up in its spell. When we came home that Tuesday, each of us found that we'd left a little of ourselves behind.

The trip to New York was far more than a history lesson to me, it was a great experience I shall remember the rest of my life. Thank you all for sending me.

**BRANDON UNIVERSITY** has the dual distinction of being one of the youngest and one of the oldest institutions of higher learning in western Canada. Created in 1967 on the foundation of Brandon College, it traces its history back to 1899. It includes a school of music and there are faculties of arts, science and education. Degree courses include bachelor of arts, bachelor of science, bachelor of music, bachelor of education and bachelor of teaching. There is a certificate programme in wildlife biology. In the conservatory department of the school of music instruction is available in piano, harpsichord, voice, strings, woodwind, brass and percussion.

There is a day programme and an evening and Saturday programme in both the fall and winter terms; also a summer session. The total annual enrolment exceeds 2,000. In 1960 it was 725. In recent years new buildings have been added at the rate of one per year. These include gymnasium, dining and residence complex, arts and library building connected with a lecture hall, music building and education building. The Western Manitoba Centennial Auditorium, opened in 1969, is on the university campus and connected by underground passage with the music building. A five-storey science building is scheduled to be completed in 1971. Another building being planned is an eight-storey residence which will bring total student residence accommodation to 600. The university, however, retains and seeks to retain the atmosphere and advantages of a small institution.

The university is deeply rooted in western Manitoba but now attracts students from many countries, as many as 17 being represented at one time.

The university's library includes more than 70,000 items and is growing at the rate of 10,000 additions annually.

Many of the activities on campus spread out to the community and bring color and enrichment to it. Among these: the Brandon University Midwinter Seminar and the Brandon Film Festival. The university recently created an Art Exhibitions Committee. The Brandon University Trio, formerly the Halifax Trio, has a national reputation. The B.J. Hales Natural History Museum houses the largest collection in existence of birds indigenous to Manitoba.

Brandon University athletic teams compete with other western Canadian and some United States universities and colleges. In 1969 the university became a member of the Western Canadian Intercollegiate Athletic Association.
