Principal's Message

To the graduates who will leave the school in June, I extend my sincere wish for a full and happy life. It is my hope you will cherish many fond memories of Patterson Collegiate Institute.

Each of you has had the satisfying experience of accomplishment earned largely through your own efforts. If you continue to act on your own initiative and make full use of your abilities, you will become assets to a social order which has an urgent need for the talents of young men and women.

To those who are returning for the next step in high school education, I suggest you keep your eyes straight on the goal — successful completion of secondary school. With steadfastness of purpose you, too, will join the graduates who have kept faith with the tradition of this school.

To everyone who has contributed to the "Patrician" for 1969-70, I extend the thanks of the school.

A.C. Liddell

A Message From Our Vice-Principal

Except for the War Years, I have been a teacher in Windsor since 1930, and plan to retire in June. I still have no use for the people who say that the younger generation are going "to the dogs" or worse. Older people have always said that. From my experience, our students are no worse than the students were when I started teaching, or when I was in school, or even, from what I've heard, when my father was in school.

I admit I am frequently disappointed with young people who are achieving at a much lower level than their ability indicates they could. My regret is that usually I can't kindle a flame of determination to do better. However, I believe that most young people are basically sound, idealistic, and determined to build a better world — one without war, poverty, and prejudice. My prayer is that you will have some measure of success.

This year, Patterson experienced an entirely new system of government (the two party government). This government, adapted from the Canadian Parliamentary System, and a constitution written by four students consists of twenty-five elected representatives. The Prime Minister and Deputy Prime Minister gain their seats if their party wins the majority of the twenty-five seats. Their counterparts, or the leaders of the party in minority, also gain seats. Thus, the total number of people in the Panthora is 29.

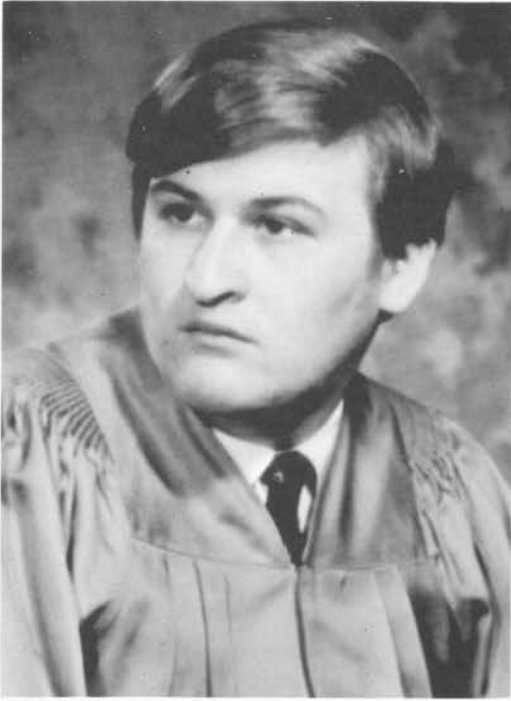

This year's constitution attempted to give the students more responsibility. For example, students were allowed complete control over the treasurer's book. Unfortunately, this proved to be a mistake, because during the course of the year, the Panthora had three student treasurers and the books were completely confused.

The constitution also, while trying to eliminate students not serious about their position, set the stage for a party full of sheep, who would vote as their P.M. voted. Also, the two party system's main function was to provide opposition and serious debate. The opposition, this year, was practically non-existent; therefore the two party system was destroyed.

In my opinion, the two party system could provide a good series of checks and balances. The Panthora could be a closer knit unit, working together for a common goal. It seems, many students at Patterson are not quite ready for a transition as great as this in so short a time as one year. I sincerely hope the Patterson students allow this system another year to function and support it more than they have this year.

PM'S Message

Last year a group of students attempting to improve conditions within the school emerged. This group used a newspaper to express their views. As a member of this well known group I enjoyed this experience, as we were allowed to argue and criticize without assuming any responsibilities that go with these rights. We spoke of apathy in the student body and criticized the Panthora. For their actions, some of the members gained the "love and respect" of both teachers and students, while others were downgraded.

One year later we can see that members of this organization dominate both parties in the student council. Yet has the school been any better this year? It is still the same apathetic place. WHY? I could put the blame on many people, but I, myself, hold most of the responsibility for the government's failure. But the most important thing is not whose fault it is, but how to correct it.

Last year one group of students did everything while the rest sat back and criticized. This year these positions are reversed. What good is that? If we ever want to have a strong school we must all get up and do something. By this I mean something with the good of the entire school in mind, not just our own selfish egos.

In summary I say to all of you, the only way to correct the problems of this school and the world is to get involved. For it is only through active involvement that we may find a solution to these problems.

Bill Mandich

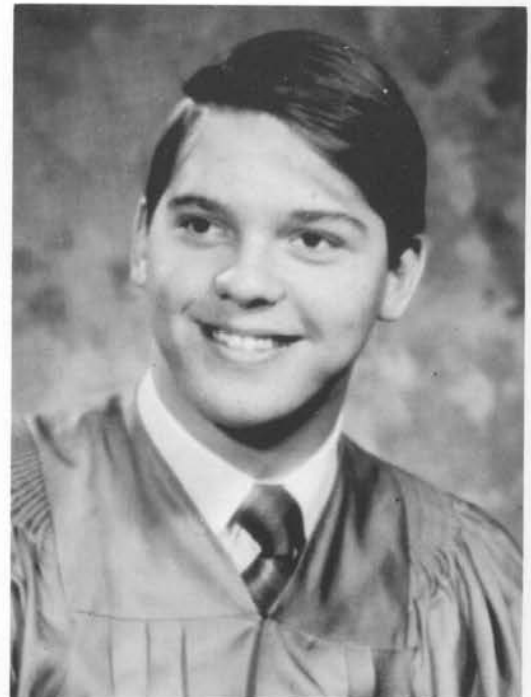

Opposition Leader

March 12, 1970 - 5:30 p.m.

The year rapidly approaches an end, for me anyway, as I write this. The words come hard. I have no idea what the next line will be. Thoughts race erratically through my mind as I grope along searching for a topic. I wonder, what was the success of our "experiment" this year. Complete failure? Are we as badly off as last year? Were my ideas so wrong? The cynic within me fights for freedom. I find him awfully hard to control. The pessimist tears at my bones. Yet, for me something positive was gained from my final year at school. What a shame it didn't happen before. You don't know till you've been there. Idealism is for the birds. It is so easy to become disenchanted with school. We are in too much of a hurry to succeed, and succeed in such desperate enterprises. What a pity youth is wasted on the young, says Shaw. It is time to keep pace to the drums we hear. What a waste to turn spring into summer, for fall and winter come quickly enough as it is. Why should we knock under and move with the stream? Let's not be overwhelmed by rapids and whirlpools. It is time to stop running every time I hear the bell. I can feel the rock bottom of reality beneath my feet, as I stand in the torrents of icy water, passing my feet. When I look down I don't see the same river as before but those cold hard rocks are still there. They'll never move. Time is but the stream I go a fishing in, according to Thoreau. The sandy bottom slides beneath me to reveal eternity. Now I wish I was as wise as the day I was born. Today I am a butcher, my cleaver is my mind, dissecting rather than assimilating. Last year I refused to listen to the words of a teacher who complained about non constructive criticism. The pregnancy of his words have fast come to term. We can't set a world that's all wet on fire. There are problems so much more urgent than party politics. I was wrong, we were wrong. Nothing much left to do, but start over, with everybody. Remember, if we hadn't tried we wouldn't have failed. This, whatever it was meant to be, has served its purpose even if it only makes you think the author is crazy, at least you're thinking. Living must be our bag. What else can we do with life?

FRONT ROW L—R: Rick Fecteau, Bruce Browning, Vince Sasso, Wayne Wilson, Robert Harrison, Jack Phillips, Wayne Andreas, Don Boudreau, Roger Harrison, Bob Potomski, Doug Krestick, Simo Labus. SECOND ROW: Mr. Thompson (coach), Mike Whitehead, Sarkis Daher, Jim McVeity, Gary Curgin, Bill Mandich, Mike Carter, Augustino Buzzeo, Arnie Blaine, Robert Smith, Enzo Facecchia, Dale Baylis, Mr. Copat (trainer), Mr. Robinson (coach). BACK ROW: Dennis Farano, Glen Slipiec, Alan Chambers, John Zinck, Melvin Wilson, Sam Jean, Stuart Slipiec, Paul Dwyer, Robert Rees, Pat Keenan, Mr. Newman (head coach).

This year Patterson boasted a fine senior team and were stronger than in the past two seasons. Under the coaching of Mr. Newman, Mr. Thompson, Mr. Copat and Mr. Robinson, the team provided a strong defence which gave up only 18 points in the first three games.

In our first game, the Panthers dumped Tech 16–0, with our defence's interceptions destroying Tech's plays. In the second game Riverside came out lucky as they scored a field goal to defeat Patterson 10–6. The game against Centennial was our best with the Panthers finishing their only night game with a 19–8 victory.

The turning point came in the fourth game against Assumption in which Patterson was crushed 38–0. The Kennedy game was a crucial one for it was our only hope for a playoff spot. The Panthers were beaten 21–6 in a hard fought battle. The final game ended in an identical score with the Tartans winning, but not until three touchdowns were called back.

Even though we failed to make the playoffs, Patterson was honoured to have centre Robert Smith and halfback Sam Jean chosen to the All-City team.

Next year we will have a new coaching staff, the head coach being Mr. Thompson.

Junior Football

This year our juniors were walked upon in every game because of a lack of support. The team consisted of merely seventeen players; hardly enough to practise with. Due to this lack of support there is a good chance that there will be no junior football next year. For the coach Mr. Topoli it must have been a frustrating season as they coasted to a 0–8 record.

SOCCER

Our soccer team played superbly this year by walking away with the consolation championship. In regular season action the team placed fifth. They were defeated only by Walkerville and Tech. Frank Vitella finished the season as the highest scorer with eight. In the playoffs we defeated King George 2-0 and in the final game Assumption with 1-0. It should also be noted that Patterson had the best defence with only 8 goals scored against them. Many thanks should be extended to the coach Mr. Johnson for his fine effort. Our final record was 4 wins, 3 ties and 3 losses.

FRONT ROW L-R: Jack McAuliffe, Kim Yan, Dennis Rivard, Bob Potomski, Gary Crumb, Ray Potvin. MIDDLE ROW: Mike Bondy, Dave Cormier, Henry Bober, Bill Mandich, Nick Sesiuk, Paul Malette, Mike Marchand. BACK ROW: Mike Johnson, Al Malette, Joe Dwyer, Doug Segee, Danny Martinello.

This year we had the opportunity to witness the birth and growth of a new sport, wrestling. At first participation on all levels was poor, but as the word got around, huge crowds filled the gym to see their new heroes. Dennis Rivard's picturesque body slams never failed to bring the crowd to their feet. For his efforts Dennis won a place on the all-city wrestling team and came in third in the SWOSSA meet. Mike Johnson also became a favorite of the fans and he went on to win third in WSSA. Some of the other crowd pleasers were Ray Potvin, Jack Micallef and Paul Malette and his ear biting brother Al. The entire school owes a debt of thanks to Mr. Tompson for his fine job of not only coaching our team but of convening the league.

Tennis

This season was a good one for the tennis team. Although only four players entered the WSSA tournament, the team had finalists for the first time in years. Dennis Schierich and Kathy Walsh entered the finals in the mixed doubles. Unfortunately, they lost to the Massey team but they represented themselves and the team well. They won the first set and then after the Massey team tied it up 1-1, Dennis and Kathy lost the third set by a score of 6-4. It was a close match all the way. The other members of the team, Pat Duronio and Roy Grant unfortunately were stopped in the second round of men's doubles.

Senior Boys' Basketball

FRONT ROW: Gary Curgin, Allan Chambers, Milan Kuzmanovich, Frank Vitella, David Lee, Rob Smith. BACK ROW: Don Boudreau, Mark Fedikow, Malcom Musson, Frank Naccarato, Mr. Tom Henderson.

This was Mr. Henderson's first year as the coach of the senior team. He developed a fine basketball team which became consistently better. They finished with an 8-7 record and second place in the Western Division. The most exciting game of the season, which was the final game, came as we met the Raiders for a second time. Patterson played the best game of the season as they edged to within 2 points; with the score being 52-54 in favour of Assumption. Proof that the Raiders were never the same after that, is that they failed to win the city championship.

In the quarter finals Patterson was beaten by Brennan 77-49; a team they had previously defeated.

JUNIOR BOYS' BASKETBALL

At the beginning of the season it looked as though the Juniors would go all the way. They lost only one exhibition game to Assumption in the pre-season games. However, after a close game against Massey in which the juniors lost their first game, they went on a long losing streak and ended in a 3-6 record and stood 8th. Mr. Topoli was the coach this year.

Once again our girls' basketball team was the terror of the league displaying a fine 9-0 season. Twice during the season we trailed in a game at half, but came out victorious at the end. One of the sweetest victories of all this season was over Forster by 22 points. We entered the playoffs only to face our arch-rival Forster again, and this time a combination of faults, a small gym and some disallowed baskets proved our downfall. We lost by three points. Unfortunately we were not able to defend our S.W.O.S.S.A. crown because of an unknown rule change. Mrs. Huckle should be congratulated for her enduring patience and long hours of practice with us. Once again we represented Patterson proudly throughout the city. Yea Patties!

SENIOR BAND

The major school band this year was composed of approximately forty students. Under Mr. Davies, this organization, composed largely of grade 11 and 12 music students, performed before their admiring, built-in audience, the student body, on several occasions. They delighted and amazed the city when they played at Kennedy April 19, along with a number of other collegiate bands in Windsor. Their fame has spread as far as Waterloo where they travelled at the request of another high school, to dazzle their musical senses. The senior band, made up of the most concerned and enthusiastic members of the student body, is surely one of the most important groups in the school.

JUNIOR BAND

The Junior band was made up of students from the grade nine and ten music classes. Up until this year the band practised faithfully all year and only played one concert. This year it was hoped that the Junior band would be able to do more concerts and possibly even go to Waterloo with the senior band. Many thanks should go to Mr. Davies, the music teacher, who was the director of the band.

PEP BAND

This year, for the first time in many years Patterson had a pep band. Although it was started late it did provide music for the senior boys' games against Assumption and Brennan. The band was small but it is hoped that next year's band will be much larger and will also get an earlier start. The main credit for the band should go to the organizer and director Carl Sobie, and also to the sponsor teacher, Mr. Davies.

The Library Club, with its twenty-one members, extends its services to the entire student body, making available reference material, periodicals, newspapers, etc., besides the regular collection of fiction and non-fiction books.

The library assistant is assigned various duties such as: working at the charging desk, offering assistance in the use of audio-visual aids, carding the books, and returning them to the shelves for your convenience.

During the school year, club parties are organized by the Social Committee. Field trips are also planned for us by the librarian, Mrs. Allen, for our edification.

The major project of the Club this year has been the purchase of staff jackets for its members. We have held a profitable bake-sale, as well as a slide presentation in the fall. As a result, we are now able to purchase ten jackets.

Besides gaining a valuable experience in learning the workings of our school library, each member can also earn a maximum of three points toward his or her school letter.

Camera Club

The club was started in October with just six members, at present our membership numbers nine. The club president is Mark Eberhardt and the secretary is Brian Chartrand. Our sponsor teacher is Mr. P.T. Johnson.

Earlier this year a club notice board was made and fixed in the basement, but because of unfortunate circumstances with the displays it has not been used of late. We have been very lucky to have had some girls 'model' for the club and would like to take this opportunity to thank them — Magie, Julia and Lynda. We would also like to thank the Panthora, for without their assistance we would not have a club.

The club is also responsible for most of the photographs in this book, our only regret is that because of the last minute rush, our standard was not maintained, and if your picture seems rather "dusty" we apologize.

The club wishes every Panther success in the future.

The Bridge Club was a new club started this year under the supervision of Mr. Fletcher for the enjoyment of both teachers and students. Although there were only four students, many teachers came out and the club functioned quite well. There were games once a week at which bridge was played while it was being learned. This was both educational and enjoyable and it is hopeful that the club will be continued in the following years.

In the preamble of the U.N. Charter there is stated the resolve of that body "to save succeeding generations from the scourge of war . . . to reaffirm faith in fundamental human rights, in the dignity and worth of the human person, in equal rights . . . to establish justice . . . to promote social progress, and better standards of life in larger freedom."

Though we of the U.N. Club realize that it is one thing to be idealistic, and another to achieve the ideal, we also realize that it is only through active concern ourselves, as that "succeeding generation", that we can fully appreciate and inherit the hope of our predecessors.

With this in mind, we have engaged ourselves in many activities this year. We have been the sole Windsor High School representatives at several University seminars on current socio-political trends; have attended, among other lectures, an address by Paul Martin and we have attempted to aid in the establishment of an OXFAM branch in Windsor. In an International Debate on Viet Nam we captured an honourable mention, and in the Canada Council, two awards of recognition were earned. On several radio broadcasts, in the newspaper and in the "field", our campaigns for UNICEF have brought us several commendations. At the Windsor Model United Nations, we received one of the best delegate awards. Shortly we will be adding our number to the Detroit M.U.N., one of 113 High Schools represented, while we have been asked to take part in a week long seminar in London at the end of June, one of 126 High Schools attending. In the meantime, we hope to sponsor the teenage end of a city wide walk for charity.

As you can see, we have not been without activity though we have, for the most part, been without support. Though we have topped any contempt shown by other schools to our Patterson representatives, we still have found ourselves the under-dogs in our own school. We ask, in the upcoming year, that we be accorded that recognition that we have striven so hard for in the season past.

The drama club this year put on one of Arthur Miller's plays entitled "All My Sons". It was presented to the viewing public on three occasions during April. The major characters were Dave Miller, Nancy Beattie, Bob Rees, and Jan Frenette portraying Joe Keller, Kate Keller, Chris Keller and Ann Deever respectively. Others in the play were Arnie Blaine as Jim Bayliss, Judy Reid as his wife, Mark Eberhard as Ann's brother, Tony Marchand as Frank, and Gloria Marchand as Frank's wife. The play was directed by Mr. Percy who did a very fine job.

Earlier in the year a play was put on for three public schools, which were J.E. Benson, St. Alphonsos, and Churchwood. It was received enthusiastically by all of the young audiences. This cast consisted of Tony Marchand, Cathy Kenny, Roger Harrison, Nancy Beattie, Denny Young, Debbie Jessop, Bob Rees, and Bev Carter. The Drama club put forth a good effort this year and gave Patterson C.I. something to be proud of.

Christmas Party

Instead of contributing money towards a foster child this year, the student council decided to give a Christmas party to the underprivileged children in the community. Forty-eight children were entertained in the boys' gym on the evening of December 19th. After hot dogs, sandwiches and chocolate milk, students who were helping the special guest, Roger the Clown, attempted to organize their guests in groups for games. Their energetic guests, however, had other ideas and were quiet only during the movie that was shown. The high point of the night, aside from one child almost throwing herself off the balcony, was the arrival of St. Nick. Having received their allotment of presents, the kids were anxious to go home. The student drivers quickly obliged, while others stayed to clean up the gym. Cooperation for the project was given generously by the school and the community. A pulsating time was had by all.

Christmas Assembly

This year's Christmas assembly was a success due to the fantastic support of both the senior and junior assembly committees. The assembly was opened by Roger Harrison. After this, the Theatre Arts' group performed two skits, "The Dolls", and "The Letter From Santa." The band presented two masterful selections, "Chorale," and "Sleigh Ride." Next Larry Robinson gave his various impersonations. After this, St. Nick (Roger Harrison) arrived with his elf, Bob Rees declaring Santa was an imposter. Later Santa Claus (Dennis Rivard) arrived, and after the attempt on his life by St. Nick was foiled, Santa commenced to distribute his gifts. He also played a game on a few of the fellows in the audience; he allowed a make-believe "boy-kiss-boy game," to take place.

To close the entertainment, the Christmas couples were called up on stage and were forced to kiss in front of everyone.

SENIOR ASSEMBLY

FRONT ROW L-R: Chris Duriancik, Robert Rees, Roger Harrison, Mrs. Young, Enzo Facecchia, Mark Eberhardt. BACK ROW: Gloria Marchand, Dave Miller, Foo Yee, Gary Smith.

SENIOR ASSEMBLIES COMMITTEE

There were a variety of Senior assemblies ranging from instrumental to dramatic. But on the whole the Assemblies Committee went to great lengths to please their audiences. The Play Contest was poorly represented with only three plays. The three plays were, "The Play", by the grade 13's, "Impromptu" by 11B, and "The Mystery of The Silver-Backed Hairbrush" by 11C. The nominees for best actress were Joy Cole, Ursula Steim, and Janice Frenette, the winner being Ursula Steim — grade 13. The nominees for best actor were Rick La Porte, Robert Rees and George Briand, the winner being Robert Rees — grade 13. The rest of the year consisted of assemblies performed by Theatre Art groups, the band and the Senior Assemblies Committee. Most were fairly successful.

Be one
nicest guys I
know. The first
time I met you, you
didn't even know my
name and I thought you
were right off your nut.
Remember Griffin Park
and those guys (real cool) from
the Ticks Club. Now I
know you're right off your
nut and probably since
you'll be (especially Nancy &
George) No,
I really do like Nancy to be honest
He is real quick! (Catch the
sun?) Thanks for helping me
get rid of him. Best of

Dear Malcolm,

Well, I've known you for almost 19 years now
and... censored.

P.S. Thanks for all the help and laughs you've given
me this past year since we've become good friends.
There's a lot of things to remember. All the parties
(Brittin, Alexandra, Hepps) the parties (your birthday), the
talking sessions, Hamow, and lots of other things.
You're a really great guy and I hope we can
still be friends for a long time.

With love
your sister

P.P.S. Thanks for all the help in ^{Nancy} certain matters (you know
what I mean) and if there's ever anything I need
for you, just call!
