# Soziolinguistische Bibliographie europäischer Länder für 2015

## Sociolinguistic Bibliography of European Countries for 2015

### Bibliographie sociolinguistique des pays européens pour 2015

*Sociolinguistica* ist bestrebt, ein Netz von Korrespondenten für ganz Europa aufzubauen. Diese Korrespondenten stellen aufgrund ihres Fachwissens in Eigenverantwortung ein Verzeichnis der wichtigsten Monographien, Sammelbände und Aufsätze von in ihrem jeweiligen Land aktiven Soziolinguisten zusammen. Soweit ihr Umfang den vorgegebenen Rahmen von *Sociolinguistica* nicht sprengt, werden diese Veröffentlichungen im zweiten Jahr nach Erscheinen in dieses Jahrbuch aufgenommen.

*Sociolinguistica* is striving to build a network of correspondents for Europe as a whole. These correspondents are responsible for creating a register of the most important monographs, edited volumes and journal articles of sociolinguists that are active in their country. As long as they are not outside the scope of *Sociolinguistica*, these publications are included in the yearbook within two years of their publication.

*Sociolinguistica* tâche de mettre sur pied un réseau de correspondants couvrant toute l'Europe. Sur base de leurs propres connaissances professionnelles, ceux-ci élaborent un relevé des plus importantes monographies, collections et essais rédigés par des sociolinguistes qui sont actifs dans leur pays. S'ils ne dépassent pas le cadre de *Sociolinguistica*, ces publications sont incluses dans l'annuaire deux ans après leur publication.
