

Apéndice B

Bibliografía de dorsales oceánicas

E. GRÀCIA y M. CANALS

En la presente recopilación se recogen un buen número de títulos significativos acerca de las dorsales oceánicas. Unos pocos están también citados en los artículos que componen el presente volumen, pero se les ha incluido en la recopilación para que ésta tenga entidad por sí misma.

Las referencias están numeradas y ordenadas alfabéticamente y, al final de la recopilación, se dan varias entradas, por palabras clave, con el fin de facilitar aún más la búsqueda a los lectores interesados en aspectos concretos del estudio de las dorsales oceánicas.

 - Morphostructure / *Morfoestructura*: 15, 31, 32, 48, 61, 96, 109, 117, 123, 126, 129, 131, 158, 171, 177, 180, 182, 207.
- Hydrothermalism / *Hidrotermalismo*: 51, 70, 72, 87.
- Magma chamber / *Cámara magmática*: 52, 53, 193.
- Mantle structure / *Estructura del manto*: 21, 41, 160, 170, 201, 212.
- Mid-Atlantic Ridge / *Dorsal Medio Atlántica*:
 - Fracture zones / *Zonas de fractura*: 1, 3, 7, 8, 18, 34, 36, 39, 47, 71, 80, 100, 114, 115, 135, 155, 163, 165, 172, 216.
 - Morphostructure / *Morfoestructura*: 10, 23, 24, 30, 35, 37, 59, 64, 66, 68, 82, 88, 89, 97, 149, 168, 188, 195, 294, 205, 219.
- Oceanic lithosphere / *Litosfera oceánica*: 5, 6, 20, 22, 58, 75, 93, 152.
- Ophiolites / *Ofiolitas*: 33, 147, 206.
- Petrology / *Petrología*: 16, 19, 26, 29, 49, 62, 73, 141, 144, 192.
- Ridge-transform intersection / *Intersección dorsal-transformante*: 2, 17, 44, 56, 81, 86, 92, 98, 148, 189.
- Seafloor spreading and MOR generalities / *Expansión oceánica y generalidades sobre DOMO*: 3, 104, 107, 112, 118, 119, 120, 121, 138, 142, 145, 153, 184, 200, 208, 210.
- Seismic structure / *Estructura sísmica*: 9, 11, 17, 54, 67, 136, 167, 169, 203, 214.
- Techniques / *Técnicas*:
 - Altimetry / *Altimetría*: 65, 198, 199.
 - Gravimetry / *Gravimetría*: 106, 107, 213.
 - Magnetism / *Magnetismo*: 4, 125, 186, 209.
 - Seismicity / *Sismicidad*: 13, 14, 202.
 - Swath bathymetry and imagery / *Batimetría multihaz e imagería*: 50, 102.
 - Tomography / *Tomografía*: 27.
- Transform faults / *Fallas transformantes*: 43, 60, 84, 90, 113, 116, 139, 140, 173, 175, 178, 181, 183, 194, 211.
- Triple junctions / *Puntos triples*: 143, 157, 185.
