### Correction to: Journal of Ornithology

<https://doi.org/10.1007/s10336-019-01694-3>

In the original publication of the article, there is a typo at the base text of Table 3 which is mentioned as “\*\* robust result when critical  $c/h^2 < 2$  [following Brommer (2011)]”. However, the correct text should be “\*\* robust result when critical  $c/h^2 < 0.2$  [following Brommer (2011)]”.
