ISBN (13): 978-1-5275-3897-9

Translation from Russian: Serguey Ivanov

Book and cover design: Hanna Belousova

Work by Mikhail Vrubel was used in the front cover design

The book acquaints the reader with the computer virtual world, which has become a part of the contemporary entertainment industry, an environment for professional activity and a means of people's communication. You will find the results of computer addiction studies conducted by the authors in recent years, and you will also be able to pass the dependence test. The book is intended for a wide audience interested in interaction in the virtual world.
