A Corrigendum on

Heparan Sulfate Induces Necroptosis in Murine Cardiomyocytes: A Medical-*In silico* Approach Combining *In vitro* Experiments and Machine Learning

by Zechendorf E, Vaßen P, Zhang J, Hallawa A, Martincuks A, Krenkel O, Müller-Newen G, Schuerholz T, Simon T-P, Marx G, Ascheid G, Schmeink A, Dartmann G, Thiernemann C and Martin L (2018). *Front. Immunol.* 9:393. doi: 10.3389/fimmu.2018.00393

In the original article, there was an error in the **Author Contributions** section. The wording used to declare the contribution of Elisabeth Zechendorf was not clear.

The new **Author Contributions** section appears below.

Conception and design: EZ, LM, GD, AS, and CT. *In vitro* experiments and data analyses: EZ, LM, TS, T-PS, AM, GM-N, OK, GM, and PV. Medical *in silico* experiments and data analyses: EZ, PV, JZ, GD, AS, LM, AH, and GA. EZ wrote the manuscript. Correction of the manuscript: EZ, PV, LM, CT, GM, GD, T-PS, and AS. All the authors reviewed and finally approved the manuscript.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
