Religion: Current Periodicals in the Benson Latin American Collection

Compiled by Oscar E. Delepiani

Religion is an important aspect of Latin American society, and many educational and research institutions are associated with a religious group or have a religious orientation. They produce many journals, magazines, and newsletters. This bibliography is a guide to the most current periodicals in the Benson Collection which emphasize religion. To find other similar periodicals in the [online catalog](#) you may do subject keyword searches which include the country name under subjects such as: Christianity, Church and social problems, Evangelicalism, Judaism, Jews, Missions, Pentecostalism, Protestantism, Protestants, Religion, Spiritualism, Theology, or the names of religious groups (ex.: Catholic Church; Baptists) and religious orders (ex.: Dominicans), and Periodicals. You may also search the names of ethnic groups or countries combined with the word Religion.
