TEN CRANDALL

SWIMMING POOL

A pair of pieces inspired by the feeling of being alone with your thoughts and Laura Jane Grace's "The Swimming Pool Song."

HALEY KERRIGAN

IN AND OUT OF BODY

In my work, I enjoy exploring themes of sexuality from a woman's perspective. By creating complex compositions of figures intertwining and overlapping, I show the act of sex in an emotional and passionate way that makes the viewer question how they view sexuality in their own life.

CLAIRE LORIMOR

SELF PORTRAIT

I aimed to accurately capture my features while adding a stylized twist using Adobe Illustrator capabilities. I found it intriguing to contrast the organic features of my face with a block color background to further communicate the semi-abstract nature of the image.
