David Dodd Lee -- I'm Serious

The drugs weren't
very good. A luminous
film about the after

life? I don't think
I'm buying that either.
I don't have to be high

to get we're all being
screwed these days.
And people are

delicate. But stronger
than you might
imagine. Of course you

don't need me to tell
you that. I'm serious.
I never expected you

to read this poem. But
since you're here can
you just give me a hug?
