Free COVID-19 Testing on Campus

Free, walk-in COVID-19 testing is available to all UNF students, faculty and staff throughout the spring semester at Osprey Landing, Building W, in the courtyard outside Room 106, as follows:

- Monday: Open noon to 3 p.m.
- Tuesday through Thursday: Open 9 a.m. to 2:30 p.m.

Drive-up testing is available in Lot 10 near Building W on Tuesdays and Thursdays from 9 a.m. to 2:30 p.m. weather permitting.
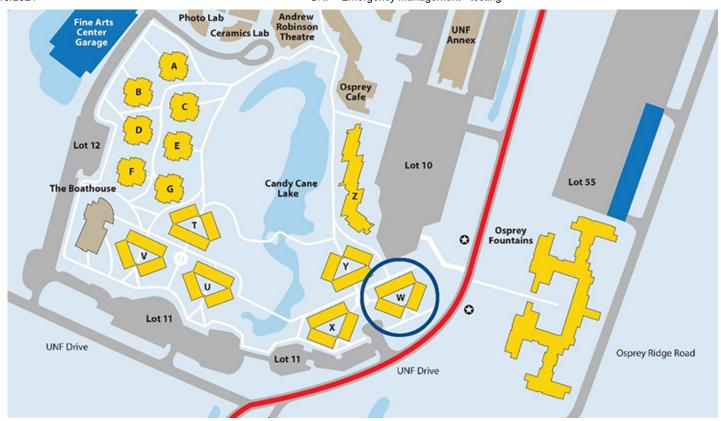

Please bring your UNF ID and completed UNF COVID-19 Consent Form to the testing site. Consent forms will also be available at the testing location, but completing the form ahead of your visit will reduce waiting times.

Both PCR (molecular) and rapid (antigen) testing will be administered during the semester. UNF health officials will determine the appropriate test administered based on each individual's specific circumstance.

If you get a PCR test, you will receive a call from the COVID-19 health team in approximately 48 hours with your result.

If you get a rapid test, you will receive your results on-site in approximately 15 minutes.

For questions, please email UNFcovid@unf.edu.
