

No Time Like the  
Present: Time travel  
under presentism

**What is time  
travel?**

# What is presentism?

# Nowhere Argument

- If the past and future do not exist, how can you travel to them?

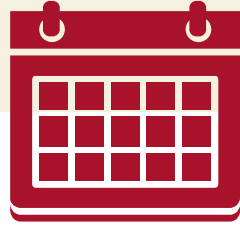

# Solution

- Lewisian time (Lewis 1976)
  - External time (objective)
  - Personal time (subjective)

# Example

- External
  - Thursday → Friday → Saturday
- Personal
  - Friend A
    - Thursday → Saturday → Friday
  - Friend B
    - Thursday → Friday → Saturday
