Ursinus To Award 7 Honor Degrees

Prof. Brownback, 2 Other Grads
Among Those To Be
Honored June 5

Seven honorary degrees will be conferred at the 67th annual Commencement of the College on June 7, three of which will be received by graduates of Ursinus. Two persons each will receive the degrees of Doctor of Laws, Doctor of Letters, and Doctor of Divinity, while one Doctor of Science degree will be awarded.

Norristown Jurist Honored

The degree of Doctor of Laws will be conferred upon Hon. Harold G. Knight, of Ambler, Pa., and upon Edward S. Fretz, of Collegeville. Judge Knight was admitted to the Montgomery County Bar in 1902, and had built up a considerable practice when he was appointed Associate Judge of the 38th Judicial District (Montgomery County) in 1926. The same year, he was elected to a full term, and became President Judge in 1935.

Mr. Fretz, who has served as Treasurer of the College since 1925, has had an extensive and successful business career. Starting with the old Philadelphia "Press", he became one of the organizers and the President of the Light Manufacturing Company, of Pottstown, Pa., in which he pioneered in the production of aluminum, brass and bronze castings, particularly for automobile parts. Since retiring from business in 1926, Mr. Fretz has devoted his time to civic, religious and philanthropic pursuits, serving particularly as Governor of the 50th District of Rotary International in 1930-31, County Administrator of the C. W. A. and its successors in 1933 and 1934, and Secretary of Business and Real Estate of the Board of Christian Education of the Evangelical and Reformed Church during 1935 and 1936. In 1935 he was elected Vice-President of the General Synod of the Reformed Church, the highest office attainable by a layman, serving for one year.

Publisher To Get Litt.D.

George E. Nitzsche, Recorder of the University of Pennsylvania, and David A. Miller, Allentown journalist, will receive the degree of Doctor of Letters. Mr. Nitzsche has been connected with the University of Pennsylvania in various administrative capacities since his graduation. He has written extensively on historical subjects, dealing particularly with the University and the City of Philadelphia, and for many years has been an active sponsor of opera in Philadelphia.

Mr. Miller has been an active newspaperman in Allentown for over forty years, and is at present publisher of the Morning Call and Chronicle and News in that city, serving also as managing editor of the Call. An active layman in the Reformed Church, he has been a member of the Board of Foreign Missions for a number of years. He is an officer and director of numerous civic and charitable organizations in Allentown and vicinity.

Two Ursinus Theologians

Two graduates of the College will receive the Doctor of Divinity degree, Rev. Charles F. Deininger '15, and Rev. Purd E. Deitz '18. Mr. Deininger received his theological training in Princeton Seminary, and was awarded the degrees of Bachelor of Divinity and Master of Theology. He also received the Master of Arts degree from Princeton University. From 1929 to 1931, he was a member of the Faculty of Princeton Seminary. He has been pastor of the First Presbyterian Church, of Glenolden, Pa., for the past fifteen years.

Mr. Deitz is a graduate of the former Theological Seminary and in 1932-33, pursued graduate studies in the University of Edinburgh. He

150 Enjoy Roast Dogs At Big Joint Y. Party

Five Fires Needed For Record
Crowd As New Cabinet
Holds 1st. Affair

Sedate faculty members frolicked along with 150 odd students at the annual Y. M.-Y. W. doggie roast at the end of Sixth Avenue on Thursday evening.

The bill of fare included hot dogs, marshmallows, and iced tea. Five fires arranged in a semicircle were kept busy cooking the dogs for the hungry throng.

After the students had exhausted the supply of "eats", the more agile ones skipped rope and played soft ball, three-deep, and dodge ball. It is rumored that Dr. Elizabeth B. White joined in the last named game.

Dr. N. E. McClure, Prof. and Mrs. F. I. Sheeder, Mrs. G. S. Cordry, and Miss C. B. Stahr were among the other members of the administration who participated in the fun.

The committee in charge was headed by Virginia Beck '38, assisted by Dorothy McCorkle '39, Betty Usinger '40, Edith Houch '39, William Irwin '38, Charles Halm '38, and Lord High Dime-Collector William Yeomans '39.

LOVE AND MUSIC TANGLE IN OPERETTA TO BE GIVEN BY CAST OF 100, JUNE 5

By Katherine Williams

Many years ago he too had loved. There had been his adored wife, the inspiration of his greatest music. All—his happiness, his beloved, the soul of his music—he had lost, and now he was only an innkeeper.

But that must not happen to his Hans—Hans who was capable of such great music. Nothing must stand in his way; nothing must interfere.

He had noticed Hans' interest in the lovely American girl, Yvonne. Was it serious? Perhaps not, but he would take no chances. So he called Hans, and, taking care to be general, told him to let nothing interfere with his music.

The father, however, was not wrong. It was only natural that the talented, romantic musician and the young American tourist should love. Natural, too, that his two friends should love her sisters.

A beautiful spring in the Swiss Alps during the May Festival; life, love, comedy, a bit of tragedy, and much happiness—a picture painted with music. Such is "In Springtime."

This is the operetta, written by Dr. W. F. Philip, Ursinus professor of music, that will be presented on Saturday evening, June 5, at 8:30 in the Thompson-Gay gymnasium.

Hans will be played and sung by Paul Craigie '38, and his sweetheart Yvonne will be Elizabeth Scherfel '37, with an orchestra and supporting cast of one hundred.

Paul Craigie And Alice Plunkett Elected New Curtain Club Heads

At the final meeting of the Curtain Club for this year, on Wednesday evening, Paul Craigie '38, was elected president for the ensuing year.

Craigie, a member of the History-Social Science Group, has been active in the Curtain Club since he came to Ursinus. He is also treasurer of the Junior class, a member of Zeta Chi fraternity, and of Tau Kappa Alpha, and a representative to the Men's Student Council. Mr. Craigie will play the leading role in the operetta, "In Springtime", next Saturday.

The other officers elected are: Alice Plunkett '38, vice-president; Mary Helen Stoutt '39, secretary; and Arthur Martin '38, treasurer.

The question of raising the qualifications for admittance into Alpha Psi Omega, the national honorary dramatic fraternity, was discussed, but no action was taken.

Tomlinson Voted Council Leader

Men Cast 150 Ballots To Pick
Tomlinson Over Gottschall
In Run-off

THE MSC NEXT YEAR

Senior Representatives:
John Tomlinson, president
Robert Gottschall, vice-pres.
Justus Bodley
Paul Craigie
John Porambo
Junior Representatives:
Robley Ehret
Fred Glatfelter
Eugene Hile
Allen Dunn
Sophomore Representatives:
David Hartman
Kenneth Snyder

John Tomlinson '38, will head the Men's Student Council of Ursinus College next year, succeeding Sieber Pancoast '37.

In a run-off election held last Friday between Tomlinson and Robert Gottschall '38, neither of whom had obtained a clear majority in the first Council presidential election, held the day before, Tomlinson was given the office by a substantial margin of the total of 150 ballots cast.

Tomlinson becomes president of the men's campus governing body after two years incumbency as class representative to the Council, this year being his third. He is president of his fraternity, Alpha Phi Epsilon, was this year's Junior Prom chairman, and until recently was under R. C. Johnson on the baseball club. Coming out of Germantown, he is now in the History-Social Science Group.

All Men Vote

On Thursday, the first vote was taken to determine the presidency, but no one of the five juniors elected on Tuesday obtained the necessary 50%. Tomlinson and Gottschall garnering the two highest scores, the re-vote was taken on these two only.

In the presidential balloting, seniors who are being graduated this June were allowed to vote, although they could not vote in the class elections. This extension may have been responsible for the increase in the number of ballots cast. On Tuesday, in the class elections, only 102 men voted, as against 150 on Friday.

Every Councillor Returned

In the results of the class elections held Tuesday (tabulated above), every man who had held office on the Men's Student Council this year was returned. The only new men are those entering by virtue of the increased representation given to each class as it moved up one rung on the academic ladder.

These new Councillors are: John Porambo, senior; Fred Glatfelter and Allen Dunn, juniors; and Kenneth Snyder, sophomore.

Dr. M. C. Old To Teach Zoology At Chesapeake This Summer

For the third successive summer, Dr. M. C. Old, of the Biology Department, has been appointed to the staff of the Chesapeake Biological Laboratory at Solomons Island, Maryland. During the six-weeks school term Dr. Old will teach Economic Zoology as a representative of Johns Hopkins University.

Economic Zoology places emphasis on the biology of Chesapeake animals of commercial importance, involving problems of preservation and control. Week-end cruises on the Chesapeake Bay will be made by the class to the main collecting grounds for oysters, blue crabs, terrapin and fin fishes.

Frank Tornetta '38, of Norristown, will register as a student in the summer school and later will assist Professor Old in investigations for the Maryland Department of Conservation dealing with the biology of the boring sponges, destroyers of large numbers of oysters.

THE JOB-GETTING SITUATION

Employment prospects of this year's graduating classes are only a little less favorable than those of the 1929 graduates, and substantially better than the June 1936 classes experienced, according to an announcement of the results of a survey just completed by Investors Syndicate. Engineering, business administration, teaching, and general business classifications are offering employment in greatest volume, according to J. R. Ridgway, president of Investors Syndicate, in announcing the results of the study. Law, journalism, and investment banking are near the foot of the list.

These conclusions are based upon analysis of questionnaires returned by 218 leading colleges and universities in the United States, which account for nearly half of the total enrollment of male and co-educational institutions. The schools throughout the nation are for the first time since the crash year finding that there is a demand in the professional world for their graduates. Recognizing continually changing employment demands and conditions, many colleges are either inaugurating placement bureaus or are expanding existing ones.

In other words, things are looking bright for the man or woman who gets out of college this year. But there is another factor of underlying significance in this pleasing picture. It is this, that the graduate of the professional school will be getting the biggest break when the flood-gates of Commencement are let down. It will be noted in the survey cited above that engineering openings are in the vanguard, then business, then teaching. In volume of recruiting among this year's graduates, General Electric Company, duPont, Procter and Gamble, Westinghouse, and various American Telephone subsidiaries are leading, which bears out the conclusion that the first call after the depression survival goes out to engineers—electrical, civil, chemical, metallurgical; and that next in demand are business-trained men. In a recent release of the Lehigh University placement bureau, it was reported that every metallurgical engineering student in the school had already obtained a position, and that the difficulty was no longer in finding a job, but in choosing between two or three.

Where does all this find the Ursinus graduate? Ursinus College is not a professional school, but a liberal arts college. Its major work is divided between the training of future teachers and preparation for graduate school. According to Mr. Eugene Michael's survey of last year's graduating class, approximately twenty percent of Ursinus graduates do graduate work after Commencement; sixty percent prepare for teaching and about forty percent get into the teaching profession; approximately twenty-five percent enter the business world; and the remainder follow scientific pursuits.

It is therefore evident that placement of Ursinus students, and likewise the placement of students in all normal schools and liberal arts colleges, will not lead the procession prophesied by the Investors Syndicate analysis. There are two reasons for this, founded on the fact that almost half of Ursinus graduates are heading toward teaching upon graduation. The first of these is that the profession of pedagogy does not keep abreast of general economic conditions. Like wages following prices, teaching jobs are not affected by the rise and fall in the economic cycle as quickly as are engineering jobs or business jobs. There were teaching positions to be had some time after all other employment had fallen to a new low; and teaching positions will not now be as plentiful as work that is more closely related to the economic trend. Just as slow as was the downswing, so, slow will be the upswing. The second reason is the recent passage in the Pennsylvania Legislature of the teacher's tenure act, which makes it impossible for a teacher already in the profession to be discharged except for incompetency.

But the good time is coming. It is already foreshadowed in the Ursinus placement bureau. Positions secured by this year's graduates are about the same in number as those secured this same time last year. But the heartening fact is that there are many more openings for teachers this year than last. Professor Michael and Dr. J. S. Heiges have many more irons in the fire this year than last. There are many more calls for applications from Ursinus students this year than last. Thus far positions already secured are no more than last year, but by the end of the summer, there will be a happy increase in the placement of Ursinus teachers. The profession is once again opening up.

Diamondmen Win Two Tight Games With Timely Hitting

Edwards Drives Two Men Home To Beat Juniata, 3-2; Zoll Up

The seniors on the baseball club of "Jing" Johnson nailed their gloves up on the wall on Saturday in impressive style when the Grizzly batsmen defeated Juniata, 3-2. The Penn. A. C. game on Inauguration Day has been cancelled.

Breaking a 2-1 lead in the eighth frame, the Bears put the kibosh on the excellent performance of Calb Roher, junior southpaw hurler from Juniata, when "Shad" Edwards, hero of the day, slapped a steaming drive to center to score Harry Zoll and Bob Murray.

The Indian moundsman fanned eleven batters, while his teammates garnered seven hits. But because right-hander Zoll, who incidentally is the only junior on the club, kept the bingles where they would do the least harm, and because of fine fielding, the Grizzlies were able to pull the game out of the fire with their meagre three hits.

It was the first game Coach Carty Schwarz lost in Eastern Pennsylvania Collegiate League competition this season.

Bears Avenge Earlier Wildcat Defeat By 5-4 Score; Gemmell Up

The Goddesses that were present at the Ursinus May pageant followed the Bear nine to Villanova on Friday and helped them gain a 5-4 decision over the Main Liners.

In the former Villanova encounter of the year the Collegeville club fell before the Wildcat attack 18-8.

The surprising feature of the win was that Al Gemmell, Bear pitcher, gave fourteen free passes while only striking out five; on the other hand, Escott, Villanova ace, walked but one and retired no less than fifteen by the strike out route.

Going into the eighth inning, the men of Johnson held a 3-2 lead and pushed over two more runs in this frame to put the game on ice for the Bears. With Pancoast on the paths, captain Wildonger hit his second four-bagger of the season.

The Ursinus nine rocked Escott for ten bingles while Gemmell held the Cats to five.

Only Loss Of Week At Bats Of The Dragons, 4-1; Swift Up

Scoring only one run, their second in 19 innings, the Bears lost to Drexel, 4-1, on Patterson Field last Wednesday. "Shad" Edwards had a perfect day at bat with 3 for 3, but his teammates lacked scoring punch.

For five innings Fred Swift and Zimmer, Dragon hurler, pitched scoreless ball. Then Drexel scored first, getting two runs in the sixth when Graf walked, Wolf singled, and both advanced on a sacrifice. Graf scored on a long fly by Ehmling and Wolf on a clean single by Bill Lignelli.

Pancoast Only Scorer

In the seventh the Engineers scored again on a double by Gargavelle and a single by Zimmer. The Bears came back in their half of the inning when Pancoast doubled and scored by some neat base running when Dilargo threw Costello's grounder wild.

With 2 out in the eighth, Drexel scored again when Lignelli got his third hit, took second on a wild pitch and scored on Conard's single to center. The Ursinus batsmen threatened in their half but failed to push any runs across. The ninth ended without any change in the score.

Fred Swift fanned 7 and allowed only 8 hits, but was in hot water most of the last 4 innings. Zimmer struck out only 2 Ursinus men, and kept the 7 hits well scattered. The Drexel outfield did a fine job of ball-hawking.

Broad Jump Places Clinch Track Win Over St. Joe's

Herb Griffiths Runs Century To Establish New College Mark

By Stanley Weikel

In one of the closest track meets ever staged here, Ursinus defeated St. Joseph's on Friday afternoon, 63½ to 62½, by coming through in the last two events, the javelin and broad jump. Last year the Bear cindermen took St. Joe's 65-61.

The individual heroes of the fray were Padden and Steinmetz in the javelin, and Eshbach and Dresch in the broad jump. With St. Joe's needing but five points to clinch the meet, they were limited to a second in the javelin, and a third in the broad jump. It was the second successive victory of the short season which found the Bear track men winning two of their three dual meets.

Ursinus' ability to capture second and third positions won the meet for them, for the two teams divided first places, each winning seven.

Griffiths Lowers 100 Mark

Ursinus jumped into a 9-0 lead as Herb Griffiths broke the College record in the hundred. He traversed the century in 10 seconds to better Steele's record of 10.1 seconds set in 1933. But that lead was short-lived as St. Joseph's garnered most of the places in the remaining running events.

Individual high scores for Ursinus included Griffiths, Mackenson and Knoll, 8; Gaumer, 7; Albe and Eshbach, 6; Padden, 5; Steinmetz and Porambo, 4.

Summary:
 100 yard dash—Griffiths, U, Mackenson, U, Eshbach, U, Time :10.
 Mile run—Cann, St. J., Schillin, St. J., Albe, U, Time, 4:48.6.
 440 yard dash—Walsh, St. J., Sherwin, St. J., McConnell, U, Time :53.6.

Gaumer, U., Brennan, St. J., :17.4.
 880 yard run—Sullin, St. J., Walsh, St. J., Regn, U, Time 2:10.2.
 220 yard dash—Brennan, St. J., Griffiths, U., McConnell, U, Time :22.9.
 Two mile run—Albe, U., Drakley, St. J., Nally, St. J., Time 10:56.2.

Clark Again Pitches Jayvees To Victory, 7-2, Over Perky

Don Kellett's jayvee baseball team turned in its second triumph of the season over Cliff Calvert's Perkiomen nine at Pennsburg last Wednesday afternoon, 7-2.

Ted Clark, ace hurler for the Cubs, yielded only three hits, while Howie Shoemaker of the Preppers was nicked ten times. Clark also turned in the excellent record of 13 strike-outs, while the young Bears fanned on only 6 occasions.

The winners took a first-inning lead and were never thereafter in danger. The high spot of the game for Perkiomen was a triple play in the sixth inning, shortstop to third to first to home.
