The business model

The organisational model

- Funders' Group
- Advisory Board
- Project Board
- Operational Board

The content workflow

- **publishers** who make all their content available at the time of publication
- **publishers** who make individual articles available at the time of publication
- **authors** who self-archive author manuscripts in Europe PMC
- **publishers** who deposit the peer-reviewed manuscript (authors also have to “sign-off” the deposit)

Institutional repositories

- OAI service
- Repository
Junction Broker
