2. Description

The database ICULD-0019 contains recordings of phrases and sentences of Southern Ndebele produced by a single speaker in March 2020. All recordings were made on a Zoom H5 recorder mounted on a tripod in Thohoyandou, Limpopo, South Africa (sampling rate 44,100 Hz with 16-bit quantization). Southern Ndebele (S407) is a Bantu language spoken in South Africa by 1.1 million speakers. As one of the official languages of South Africa, the speech in this archive is based on the Ndzundza dialect spoken in the Mpumalanga province.
