Correction to: Mindfulness

<https://doi.org/10.1007/s12671-020-01506-3>

In the original published version of this article, Dr. Randy J. Semple was captured as corresponding author instead of Dr. Mojtaba Habibi.

Dr. Semple took the role of pre-publication correspondent simply because she is more familiar with the journal's online submission process than Dr. Habibi.

Thus, this erratum is presented to fix the error.

The original article has been corrected.
