Correction to: *Comparative Migration Studies* 8, 47 (2020)

<https://doi.org/10.1186/s40878-020-00207-z>

Following publication of the original article (Turjanmaa & Jasinskaja-Lahti, 2020), the authors would like to the last sentence of the sixth paragraph of the ‘Discussion’ section.

The sentence originally read:

Disclosure of adolescents may also be seen as an adaptive strategy that is used in order to increase adolescents’ autonomy in relation to their parents (Yau 2016).

The sentence should read (the change has been highlighted in **bold typeface**):

Nondisclosure of adolescents may also be seen as an adaptive strategy that is used in order to increase adolescents’ autonomy in relation to their parents (Yau 2016).

The original article (Turjanmaa & Jasinskaja-Lahti, 2020) has been corrected.
