The followings are required for homework:

1. On the very top of each page (along top edge), PRINT your name, class day and time (e.g. Tuesday 12:30 pm), HW set number (e.g., HW-1), problem number (e.g. 12-3), date, and page number (1 of 7, 2 of 7, etc.).
2. The problems must be presented in numerical order as assigned. If more than one problem on the same page, **a clear dividing line is required between problems.** (Do not write one problem on two pages). Writings are to be neat, clear and legible.
3. Draw neat, clear free bgo ody diagrams as required. Use a straight edge if needed.
