

Buckfield Aug. 8th 1862

Dear Sir

I see by the papers that you are to raise the 20th Regt; and the Gov. gave me to understand that the Company I have raised should go into it. I would say that I have the Comp. ready, and await orders. I would say that I have managed so, that the State will not have any bonded bills to pay up to this date Aug. 8th. Will you please let me know Monday when we will be called for.

Yours Respectfully
J H McDonald
