November 12, 1961

Dear Mum & Dad,

Got a real deal going out here and I need 1,000 dollars for the big killer. I have that much in my savings I think if you take all out and if I don't use my savings book to make up the difference. I want you to take it out and transfer it to my checking account so I can make out a check for that amount. Leave a little money in each account so I will have the accounts. This letter should be enough for you to get the money out if you even need this but if it isn't let me know immediately so I can do it some other way by November 25th.

I know what you are going to say so go ahead and write and give it all to me, getting married and all that but in the meantime transfer the money please. I am buying some land here in sunny California.

Life has been good of late. Last week was hard work but good on board ship and so of course this weekend has been very enjoyable. The harder you work for a weekend the better it is. The only thing wrong with it is that Janice is not out here to enjoy the time with me.

I had a physical two weeks ago which included dental care and I am of course a model decompressing officer.
Lots of love, Curt
